Aloha,  
I've read what has been suggested for really strengthening ethics reform & agree with them all. We need reform AND enforcement, not just lip service.  
I am a 40 year Hawai'i resident & voter.

We NEED high standards to keep the faith of the public in their government - or ALL else falls apart.

We NEED officials we can believe in and who we can look up to.  
A BIG part of that equation is rigorous, healthy oversight to weed out gross opportunists from faithful, caring public servants.
