Aloha,

I encourage you to limit campaign contributions in all legislative and Statewide races to \$100.00.

If you cant do that, please consider this option. Office holders who have funds on hand at the end of the election cycle must turn that money over to the State. That money would then be used to publicly fund future elections of those candidates who have raised \$10 from eligible voters in a number equivalent to 3% of the votes cast in their State House or State Senate District or 3% of the votes cast for their Statewide office.

Please, prohibit contributions from corporations.

Please prohibit legislators from accepting and soliciting donations during legislative sessions.

Thank you  
Bob Kinsey
