Aloha kākou,

I fully support and recommend that the 5 following points are made part of Hawai'i campaign and ethics law. These common sense reforms should apply to every single person wishing to be elected as a public servant within our state:

***The full public funding for all State and County elections in Hawai'i.**

***Banning the solicitation or acceptance of campaign donations during the legislative session.**

***Reducing the cap on campaign donations** from from \$6,000, \$4,000 and \$2,000 to \$100, \$100, and \$100. Montana caps their maximum donation for state legislative races at \$180 per election.

***Banning contributions from corporations and unions** as 21 other states now do.

***Limit candidate campaign war chests.** This is done in Alaska where candidates can only carry forward a small portion of their campaign account from one election to the next. This law was upheld by the Alaska Supreme Court which noted that when a candidate who is unopposed raises money and squirrels it away for a future election, they are effectively circumventing donation limits for that future election.

Mahalo,
