Dear Commission Members,

I wholeheartedly support all 5 of these recommendations for financial campaign reform.

**\*The full public funding for all State and County elections in Hawai'i.**

**\*Banning the solicitation or acceptance of campaign donations during the legislative session.**

**\*Reducing the cap on campaign donations** from from \$6,000, \$4,000 and \$2,000 to \$100, \$100, and \$100.

**\*Banning contributions from corporations and unions** as 21 other states now do.

**\*Limit candidate campaign war chests.**

**Campaign Finance reform is critical to suppressing political corruption which effects us all and undermines our faith in our democracy.**

**Public campaign funding has proven to be effective.**

**Mahalo for your consideration.**

**Aloha,**
