*Dear CISC members:*

*I am writing to strongly endorse the following 5 campaign finance reforms to ban and limit big-money special interests and replace it with public funds to be used to elect public servants beholden only to the public, the residents of Hawai'i.*

**\*The full public funding for all State and County elections in Hawai'i.**

**\*Banning the solicitation or acceptance of campaign donations during the legislative session.**

**\*Reducing the cap on campaign donations** from from \$6,000, \$4,000 and \$2,000 to \$100, \$100, and \$100. Montana caps their maximum donation for state legislative races at \$180 per election.

**\*Banning contributions from corporations and unions** as 21 other states now do.

**\*Limit candidate campaign war chests.**

***The above programs have been successfully implemented in Maine, Connecticut and other states to the benefit of the citizens of the state. Hawai'i deserves no less.***
