\*The full public funding for all State and County elections in Hawai'i.

\*Banning the solicitation or acceptance of campaign donations during the legislative session.

\*Reducing the cap on campaign donations from from \$6,000, \$4,000 and \$2,000 to \$100, \$100, and \$100. Montana caps their maximum donation for state legislative races at \$180 per election.

\*Banning contributions from corporations and unions as 21 other states now do.

\*Limit candidate campaign war chests. This is done in Alaska where candidates can only carry forward a small portion of their campaign account from one election to the next. This law was upheld by the Alaska Supreme Court which noted that when a candidate who is unopposed raises money and squirrels it away for a future election, they are effectively circumventing donation limits for that future election.

Thank you!
