Chair, Co-Chair, and Commissioners,

Common Cause Hawaii received two suggestions from a member of the public to improve legislative standards of conduct for the Commission to consider:

- Higher salaries for the legislators so that they will not be tempted by bribes; and
- Mandatory full public financing for all candidates if PACs and SuperPACs may be prohibited from engaging in electoral activities.

Thank you for allowing me to submit these suggestions on behalf of the public. Please let me know if you have any questions / concerns. Thank you,

Sandy
