TO: Rep. Della Au Belatti, Chair, House Special Committee to Consider Communications 1001 & 1002 and Committee Members
FROM: Carolyn Golojuch, MSW, Treasurer District 42 & 1st Vice President Precinct 3
SUBJECT: Statement & Documentation to the Special House Committee concerning Rep. Sharon Har, Miscellaneous Communication 1002

Aloha,

I'm a member of District 42 in Makakilo, Hawaii since 1981. This documentation is submitted along with the documentation submitted on 2/10/22: 1) Cover Letter; 2) List of Video Attachment; 3) News Articles on Rep. Har's DUI arrest of February 22, 2021 and beyond.

Questions I present to this House Special Committee:

1. The KHON2 article and video of February 24, 2012 "Rep. Sharon Har gives tearful apology for DUI arrest" shows Har saying, "Mr. Speaker, I want to deeply apologize to you, the members of this body for any embarrassment and shame I caused to you, my colleagues and the institution," said Har....It's obvious that that decision coupled with my medication and my long work hours was something I would regret for the rest of my life." I ask the members, is this the behavior that you want to reflect this body?
 - a. This DUI happened during the Hawai'i Covid Pandemic. Yet, Har was out to dinner and had a beer on top of her prescription medication. How is this ethical? Is this the profile of a self-respecting Representative for Hawai'i?
 - b. How many more people were in the bar that were contaminated by her upper respiratory disease? Is this the face and acts that reflect the rest of the House of Representatives?

2) The UTube videos of Rep. Har's DUI remain for the world to see and reflect on the State of Hawai'i, the elected members of our Legislature. The UTube videos are for all the world to see. The voters are commenting on the recent illegal donations and connect those crimes with the DUI as examples of how Hawai'i's elected officials cover for each other and that they protect themselves and each other so that officials are above the law.

I request that the Hawai'i House of Representatives's Special Committee take proper steps to ensure that Representative Sharon Har is held accountable for the DUI and any other infractions that are within your Code of Conduct. This is the only way that you prove No One is Above the Law.

Sincerely,

Carolyn Golojuch, MSW
