**HAWAIIAN ELECTRIC COMPANY (HECO) TO UPDATE LAWMAKERS ON
CHANGES TO SOLAR PHOTOVOLTAIC POLICIES**

Legislators Want to Know Impact on Consumers and Solar Industry

WHO: House and Senate Committees on Energy and Environment and Consumer Protection

WHAT: Informational Briefing

WHEN: Monday, October 14, 2013
1:00 p.m.

WHERE: Hawaii State Capitol
Conference Room 325

Honolulu, Hawaii – Hawaiian Electric Company (HECO) will update legislators on recent changes to its solar photovoltaic grid interconnection policies, the justification for the changes and how they will affect consumers and solar installers.

HECO, the Hawai'i Solar Energy Association, Hawai'i PV Coalition and the Interstate Renewable Energy Council will offer presentations.
