October 2025 Updates

District 23: Kapahulu, Mō'ili'ili, McCully, Ala Moana, Pawa'a

Aloha District 23 'Ohana,

Things are starting to pick up at the Capitol as we prepare for the 2026 legislative session. This is the time when legislators meet with agencies, organizations, and community partners who play an essential role in shaping and drafting legislation. It's also when we begin researching and assembling our session staff teams.

I'm currently seeking motivated individuals interested in serving as my Committee Clerk and Legislative Aide for the upcoming session. If you or someone you know is passionate about public service and legislative work, I'd love to hear from you.

In the meantime, I've been participating in various meetings at the Capitol while continuing to walk the community and knock on doors to hear directly from you about the issues that matter most.

If you see me out and about, please don't hesitate to stop and say hello—or throw me a shaka!

FERAL CHICKENS FACT SHEET

- The Department of Customer Services is addressing nuisance issues created by feral chickens in our community by helping to bring new attention, needed resources and a strong policy voice to the persistent concern.
- Feral chickens create nuisances by foraging in residential areas, crowing at inconvenient hours, posing health concerns with their waste and agitating household pets. More roaming chickens mean more nuisances. O'ahu residents can help manage the nuisance by not feeding feral chickens and reducing the feral chicken population in their community.

Who do I contact for feral chicken and poultry issues?

- The responsibility for responding to feral chicken problems varies with the location of the animals and the property ownership. Options for dealing with feral chicken and poultry nuisances are listed below by property ownership.

CITY & COUNTY OF HONOLULU

Contact Department of Customer Services to report issues on city property such as parks, building areas and other local government property:

- Email: complaints@honolulu.gov or call **(808) 768-4381**.
- Go to the Honolulu 311 webpage or app at <https://honoluluhi.citysourced.com> or download the app to file a report.

STATE OF HAWAII

Each state department is responsible for the cleanliness of its own properties and to abate any nuisances.

Contact the state agency responsible for the property, such as the Department of Education for public schools and Department of Land and Natural Resources for state parks. For a list of departments and agencies, go to <https://portal.ehawaii.gov/government/departments-and-agencies/>.

Go to the Department of Planning and Permitting GIS webpage to locate the property and determine ownership.

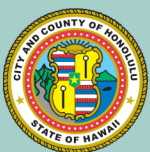

PRIVATE PROPERTY

- Private property owners on O'ahu stand to benefit from the latest efforts to help control a growing feral chicken population in the City and County of Honolulu.
- Sandwich Isle Pest Solutions has been contracted to provide a cage and disposal service to help humanely rid private properties of feral chickens.
- The city will fund a portion of the cost to private-property owners to catch and dispose of feral chickens that are creating nuisances in communities across O'ahu.
- Private property owners of all types will work directly with Sandwich Isle Pest Solutions.
- For more information on the service, visit www.sandwichisle.com, or call (808) 456-7716.

REPORT FERAL CHICKEN NUISANCES
