Thank to everyone who joined us for our virtual condo insurance town hall yesterday hosted by Senator Moriwaki, Representative Nishimoto, Representative Tam, and myself. Mahalo to everyone who sent in questions beforehand to guide our Q&A session.

Governor Green's Intent to Veto

Below for your information is Governor Green's Intent to Veto message. To view the full document, visit the link below.

Over the next few weeks, we will meet with House members and Senate leadership to determine whether any of the bills the governor is considering for veto rise to the level that would require a veto override session or whether they should be reconsidered for the 2025 legislative session.

Any measure identified below not vetoed by Governor Green on July 10, 2024, will become law on that date. In the meantime, you may contact the governor's office with any comments in support of or in opposition to any of the bills included on the list.
