*Seasons Greetings and Happy Holidays!*

*As we take the time to reflect on the year that is ending, we count our blessings and are thankful for the support of friends that enables us to continue our work. As we feel a sense of pride in our accomplishments, a sense of satisfaction in overcoming some of the challenges that faced us, and gratitude for a successful campaign, we look forward to the new year with anticipation of what we hope to accomplish for the people of this state.*

*We were challenged at times to make the right decisions and tough decisions had to be made. I appreciate the encouragement and support I received through emails, phone calls and letters during some of the more trying times. I am deeply grateful for the unwavering support of cherished friends. I hope you know how much your support means to me.*

*I am honored by the confidence and faith my constituents have in me to continue serving them as their senator. My efforts are always dedicated and committed to be worthy of their trust in me. I feel truly blessed by the friendship of old friends and the new friendships we made along this journey.*

*May the Love, Peace and Joy of Christmas be with you always.*

*Merry Christmas and Happy New Year!*

*Senator Donovan M. Dela Cruz*
