Aloha Family and Friends,

As we are entering August, we have already begun the start of the new school year. Let us prepare accordingly for our day-to-day traffic and schedule. To date, there has been several motor vehicle casualties this month. Let's drive with aloha with other drivers, share the road with fellow pedestrians and bicyclists, and arrive safely at your destination.

I have some exciting news to share with you in this month's newsletter! You may also find other announcements, community and capitol updates, as well as important dates to keep in mind.

Mahalo and God bless,

Loke Huddy Field Dedication July 27, 2024

As of recent, the James Campbell High School softball field has been named after an individual who has dedicated her time and efforts to begin its first softball team, Auntie Loke Huddy.

Mahalo to all the sponsors and support staff for your hard work and time in organizing this memorable ceremony. From having softball practice in the community park, to having a field of their own, it was an honor to participate in dedicating the dug out and scoreboard to the first female OIA softball coach for Campbell.

The dedication ceremony was full of love and support from our community members, past and present Sabers, and Saber-owned entertainment and food trucks.

Some of the Loke Huddy Dedication Planning Committee members with Coach Huddy.

The lovely Ewalani Hula Maids graced the stage with a number of performances.

Loke Huddy Field Dedication Continued...

We had some ono food at the event, including some shave ice to help cool down on a nice sunny day.

The music was jammin' and speeches from special guests were emotional.

Surprise Coach Loke Huddy was a success! Batted off the program with introductions and prayer.

LET THE GAMES BEGIN AT THE LOKE HUDDY FIELD!

The dug out and scoreboard reveal was the final home run. What a beauty!

Ewa Beach- Ewa Weed & Seed July 18, 2024

The Weed and Seed program continued its Culinary Arts Summer Program this year! The current and future James Campbell High School students received certificates of completion (pictured on the left).

The participants were under the instruction of Master Chef Roy Yamaguchi and Chef Darryl Shinogi. I would like to thank JCHS's Principal Jon Henry Lee for continuing to support the program and allowing the use of the facilities, Gale Bracerros for coordinating the program, and Corporal Pagan, Sergeant Muraoka, Corporal Kleinschmidt and Officer Corales for being involved in supporting programs for our keiki!

Capitol Update

Rep. Nakashima was the House Chair of the Consumer Protection & Commerce (CPC)

State House Representative Mark Nakashima

July 11, 2024

A long time House Representative from District 1, Mark Nakashima, passed recently. It is with a heavy heart that I acknowledge a fellow colleague who have worked throughout the years for our state. May we continue to keep steady the progress he has made for his district and for the people of Hawai'i. Love and prayers for his family, friends, and community during this difficult time.

30th Korean-Vietnam War Memorial

July 24, 2024

The commencement of the memorial service.

I attended the 30th anniversary of the Korean and Vietnam War Memorial and the 71st anniversary of the Korean War Armistice in the auditorium at the State Capitol. Please take a moment to remember our fallen soldiers, many of who were from Hawai'i and gave their lives for the freedom that we enjoy each day. Mahalo Korean War Foundation for a remarkable event. It was an honorable way celebrate our fallen. KHON has provided news coverage of the memorial at the State Capitol in its [article](#).

Special guests spoke on the history and honored our dignitaries for their service.

DOCARE's Academy

July 27, 2024

The Ways and Means committee had a site visit at DOCARE's Academy to learn how they developed a workforce development program to train and secure jobs for our local communities. Their operations are important to protect our natural resources. Mahalo for allowing us the opportunity to see our up-and-coming conservation officers.
