**Lee Posey** is a Federal Affairs Counsel with the Education Committee of the National Conference of State Legislatures (NCSL). She conducts NCSL lobbying activities on education, representing state positions and concerns to Congress and the Administration, and was NCSL's chief lobbyist on ESEA reauthorization. Lee has been at NCSL since 1999. Her experience at NCSL included work on a wide variety of issues including TANF, federal childcare grants, child welfare, child support, food and nutrition programs, agriculture, and rural development. Before coming to NCSL, Lee was a Policy Analyst for the Georgia Senate, focusing on education and early childhood issues.
