

HAWAII STATE SENATOR BENNETTE E. MISALUCHA

*Aiea Neighborhood Board
Legislative Report*

NEWSLETTER

MARCH 2021

Dear Neighbors and Friends,

Aloha mai kakou. Last week was the final week for bills to be heard and emerge from their final committee. Bills that pass Third Reading this week will have made it to First Crossover – a midpoint of the Legislative session where bills passed in the Senate are considered by the House, and vice versa. In our next e-newsletter update, I will update you on priority bills that have crossed over, so please be sure to subscribe to receive this and other updates my office sends out.

On March 11, 2021, I will join other area legislators including Governor David Ige in our first Pearl City / Aiea virtual Town Hall. The discussion will center on COVID-19 and Dr. Libby Char of the Department of Health will give us an update on vaccine distribution and answer any questions you may have. Registration is required and available at bit.ly/pcatownhall2021. See our flyer below for more information and I look forward to a great discussion with our community.

In the meantime, let us continue to keep our guard up against COVID-19. I encourage you to continue doing your best to wear a mask, wash your hands, and practice social distancing to keep our community healthy and thriving.

Very Truly Yours,

Senator Bennette E. Misalucha
District 16
