Dear Dr. Desmond:

At the April 28, 2020 meeting held by the Senate's Special Committee on COVID 19, following discussions on whether the Department of Health has communicated its standards, guidelines and procedures to the medical community, you were asked to provide the following information:

- The number of people in Hawaii that have been hospitalized due to COVID 19?
- The number of available ICU beds in the state's inventory?
- The Department of Health's guidelines and procedures on testing;
- The departments guidelines and procedures related to the responsibilities of individuals meeting the state's criteria for being tested for COVID 19; and
- The list of entities and or people who have been provided with these guidelines and procedures.

Additionally, please provide the Center for Disease Control's assessment of antibody tests and or products as soon as they have been completed and made public;

The Committee requests your response by Thursday, April 30, 2020.

As for responses that you receive from the various parties listed in this memo, please provide this Committee with a copy of their responses, if any, as soon as they are received.

Please email your response to all Senate Special Committee COVID-19 members. Should you have any questions, please contact Dane Wicker at 586-6639 or via email at d.wicker@capitol.hawaii.gov.

Mahalo,
