Dear Attorney General Connors:

At the May 7, 2020 meeting held by the Senate's Special Committee on COVID 19, following
discussions on improving the enforcement of the Hawaii 14-day Quarantine,
you were asked to provide the following advice and information:

- Under the emergency proclamations, is it permitted to immediately return all visitors
  who arrive in the state without a return flight, or does this require legislation?

  - Provide the numbers of residents who have violated the quarantine, which agency
    investigated those cases (which county law enforcement, the sheriffs and or the
    Attorney General) and the results of any investigation into those violations,
    including whether or not the residents have been fined, let go, or arrested.

  - Following your discussion with the Department of Health on the extension of the
    state's mandatory 14-day quarantine past May 31, any results of that
    conversation.

  - A copy of the guidelines being provided to car rental companies pertaining to the
    Governor's latest proclamation.

  - Confirmation of the state's legal authority to mandate the one-day hotel key
    program under the Governor's emergency proclamations, and whether he intends
    to do so.

The Committee requests your response by **Monday, May 11, 2020.**

As for responses that you receive from the various parties listed in this memo, please provide
this Committee with a copy of their responses, if any, as soon as they are received.
