Board of Water Supply Update

The Board of Water Supply (BWS) has scheduled the design of a service lateral replacement project in the Waiau area to enhance water service reliability. ControlPoint Surveying, Inc. has been contracted to conduct surveys of streets, sidewalks, and water meter areas to gather necessary data. Construction will follow the completion of design work and approval processes.

BWS has said they will notify residents before work begins and our office will continue to monitor progress and provide updates as we receive them. Some of these updates may come in the form of the above mentioned digital newsletter.

Representative Chun attended Elena's Filipino Foods 50th Anniversary celebration. On behalf of the Waipahu area legislators, he presented a certificate honoring their amazing success and outstanding community impact.

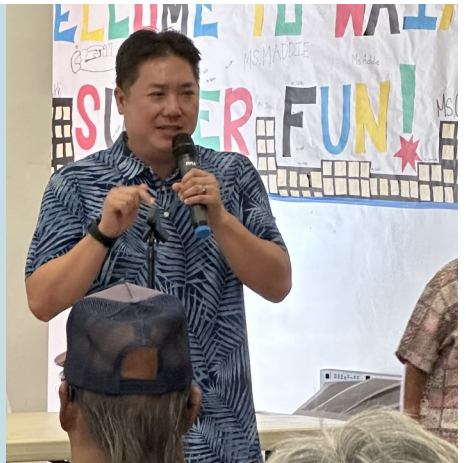

Senator Aquino, Mayor Blangiardi, Representative Chun and Representative Lamosao attended Hans L'Orange Neighborhood Park's Reopening and watched several little league baseball games.

Nester Garcia, Chief of Staff for Congressman Ed Case, Councilmember Matt Weyer, and Representative Chun came out in support of Fairway Village's first annual Waikele Community Fair. This was a fun way for residents and neighbors to come together for fellowship and to strengthen community awareness.

Representative Chun spoke while attending a Pearl City Neighborhood Board Special Meeting regarding Sunset Memorial Park. Legislation that he helped sponsor with Representative Takayama and others went into effect in July and will open the door for improvements to the care and maintenance of this important place.

Representative Chun was invited by the Policy Advisory board for Elder Affairs to MC their annual Outstanding Older Americans Awards. Waipahu native Wayne Nakashima was this year's Honolulu County awardee. He and Executive Office on Aging Director, Caroline Cadirao are in the above photo along with Representative Chun.

Representatives Takayama and Chun, Senator Aquino, and Lieutenant Governor Luke joined Davey D & Lina Girl for a Ready Keiki backpack distribution event at Pearl City Elementary. Ready Keiki helps all Hawai'i children prepare for kindergarten. This program aims to make preschool more accessible to set our keiki up for success.

As I prepare for the 2025 legislative session, I would like to hear from all of you and learn more about what you think are the most important issues to our community.
