Aloha Friends and Neighbors,

First of all, I would like to thank everyone for giving me the opportunity to represent District 39 in the Hawaii State House of Representatives. I am humbled by your continued support and it is my honor to serve our community. I would like to offer you these highlights about the events this office has been participating within the community.

Waipahu High School's Michael Sana receives Milken Award

Since 1987, the Milken Educator Awards Program has been rewarding educators for their impressive achievements and promising futures. Michael Sana is a University of Hawai'i Alumni and educator at Waipahu High School. His outstanding teaching career has not gone unnoticed as he is deserving of the 2016 Milken Award. Upon his professional accomplishments as an educator, Micheal Sana has helped thousands of students throughout his teaching career to go on and pursue their own careers in science and

engineering. I was honored to have been a part of the award ceremony and congratulate Michael Sana, Milken Award Winner 2016!

Honowai students visit the State Capitol

Representative Henry Aquino and I were given the privilege of speaking with Honowai Elementary students on their field trip to the State Capitol. We were eager to answer their questions and hope to see some of them at the Capitol in the future.

Hawai'i Lodging and Tourism Association Day

On February 23rd 2016, I had the honor of meeting students and teachers from Waipahu High School's Academy of Culinary Arts at the Hawai'i Lodging and Tourism Association Day at the State Capitol. They displayed exemplary skills and commitment in pursuing a career in culinary. It is always a pleasure to see that our youth are given the opportunity to participate in such events.

HART Groundbreaking Ceremony

Today, I was among other local, state and federal officials, representatives from HART, and Hawaiian Dredging Construction Company for the groundbreaking ceremony blessing of the Honolulu rail system's West Loch Station located at the Don Quijote parking lot.
