State Representative

Jarrett Keohokalole

Help Eliminate Mosquitoes

Repair screens and
jalousie windows to
keep mosquitoes
out.

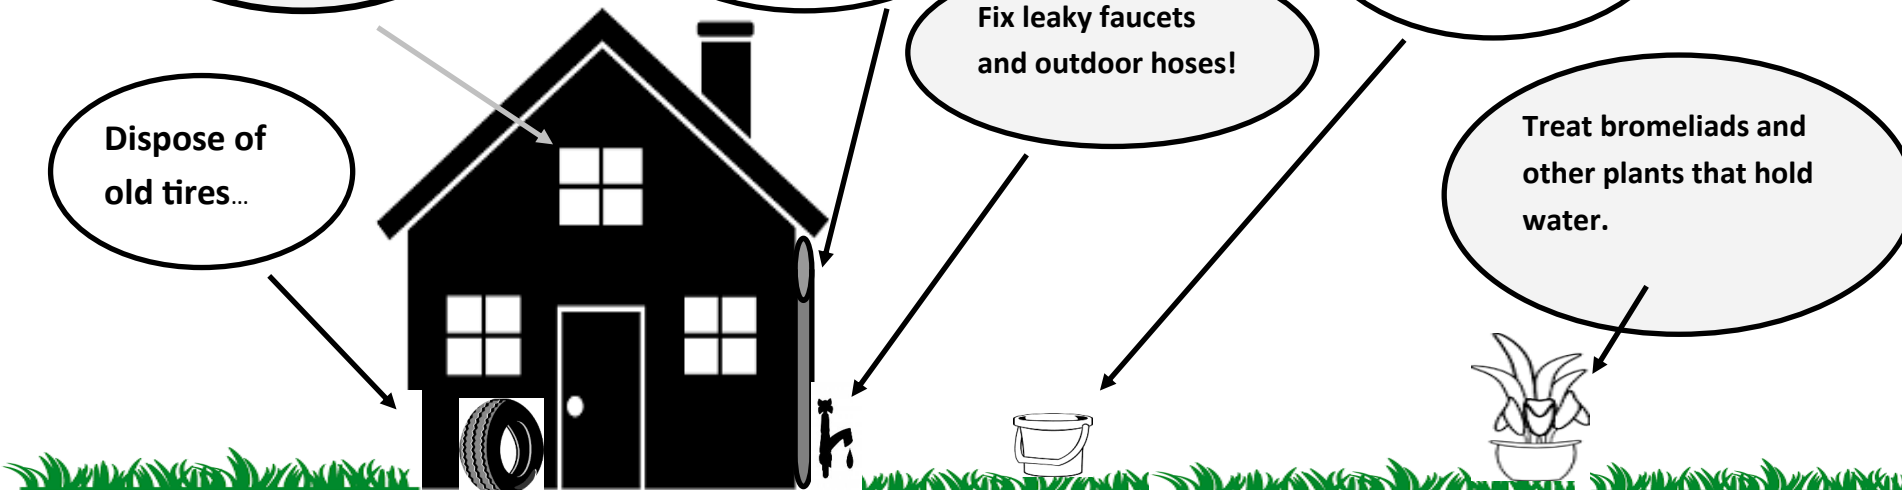

Clean your
gutters so water
runs freely.

Eliminate standing
water in buckets,
puddles, etc.

Fix leaky faucets
and outdoor hoses!

Treat bromeliads and
other plants that hold
water.

Dispose of
old tires...

How to Protect Yourself

- Apply insect repellent when you're outdoors.
- Cover Up. Clothing like long pants and long sleeve shirts help protect from bites.
- Avoid activities in areas with lot of mosquitoes, and going outdoors at dusk and dawn when mosquitoes are most active.
- For updates go to: www.health.hawaii.gov
