

## Senate Budget Prioritizes Programs and Projects for Mililani and Wahiawa

The State Budget articulates the Legislature's priorities because funding means commitment and investment. The Senate's Draft clearly shows that the Senate is committed to delivering key projects and programs into our districts, where they will make the most impact.

Senate District 17 includes Mililani Town, Mililani Mauka, Waipio Acres, Launani Valley, Wahiawa, and Whitmore Village. My previous newsletter provided highlights on statewide initiatives that will benefit all Hawaii residents. The highlights have a direct impact on Senate District 17.
