## ALOHA `OE, ALOHA STADIUM

On February 25, 2023, thousands paid tribute to Aloha Stadium, which will eventually be replaced with a new stadium complex. Attendees toured the stadium, viewed memorabilia, took photos with past and present athletes, and enjoyed music, games, and food from different food truck vendors.

Governor Josh Green released \$350 million for construction of the new stadium. Senator Wakai has been a strong proponent of a new stadium complex and believes that the money could build a 20,000 seat stadium.
