## About OHA

### Our Mission

To malama Hawaii's people and environmental resources, and OHA's assets, toward ensuring the perpetuation of the culture, the enhancement of lifestyle and the protection of entitlements of Native Hawaiians, while enabling the building of a strong and healthy Hawaiian people and Lāhui, recognized nationally and internationally.

### Our Vision

#### Mo'oulu Lāhui Aloha

OHA's vision statement (To Raise a Beloved Lāhui) blends the thoughts and leadership of both King Kalikaua and his sister, Queen Lili'uokalani. Both faced tumultuous times as we do today, and met their challenges head on.

"Ho'oulu Lāhui" was King Kalikaua's motto. Aloha expresses the high values of Queen Lili'uokalani.

### Mana i Maui Ola

OHA believes building connections to 'ohana (family), mo'omeheu (culture) and 'āina (land) is very important. As we increase these foundational strengths, we increase our mana, and ability to create greater wellbeing in other areas of our lives, such as education, health, housing and economic stability. In our current 15-year Mana i Maui Ola Strategic Plan, we focus on four directions to provide assistance to our beneficiaries.

#### OUR FOUNDATIONS

'Ohana  
(Uia)

Mo'omeheu  
(Palapala)

'Aina  
(Kalo)

#### OUR DIRECTIONS

Educational Pathways

## Messages from the Chair *and* the CEO

### Welina me ke aloha,

As chairman of the Board of Trustees for the Office of Hawaiian Affairs (OHA), it is my privilege to reflect on the progress and accomplishments of the past fiscal year.

This annual report highlights our ongoing efforts to mālama our beneficiaries, perpetuate our culture, and strengthen our lāhui. As we reflect on the past year, OHA has remained steadfast in its mission to improve the wellbeing of Native Hawaiians. Despite the many challenges we have faced, we have made meaningful progress, grounded in the strength of our kūpuna and guided by the vision of a thriving lāhui.

In November of 2023, we welcomed our new Ka Pouhana/CEO Stacy Keolohalani Ferreira. Stacy has infused our work with innovative ideas and renewed enthusiasm, and she has worked diligently to sharpen our focus on the goals and objectives of our Mana Maui Ola Strategic Plan.

Under her leadership, we have established a new Strategy and Implementation division, tasked with overseeing initiatives in our strategic priority areas of education, health, housing and economics. This new division includes roles for a Director of Education and Culture-Based Learning; a Director of Ōiwi WellBeing and Āina Mōmona; a Director of Housing, Infrastructure, and Sustainability; and a Director of Economic and Business Resilience.

In February 2024, OHA staff secured a \$2.24 million grant from the Department of Defense Readiness and Environmental Protection Integration (REPI) Challenge in partnership with the Army Garrison-Hawaii. The funds will support revitalization projects at OHA's Waihiwā lands, which include Kapuahuaha, home to the Kūkanōkō birth stones.

A total of \$8 million in funding is anticipated over the life of the five-year grant, and the award marks OHA's first multi-million dollar grant award dedicated to land management.

In April 2024, we launched a direct service initiative with our Kanaoah Grant, which offered critical support to Maui homeowners and renters in the wildfire impact zones of Lahaina and Kula. A one-time grant of up to \$9,000 was available to eligible homeowners who experienced hardship, and one-time grant of up to \$4,000 was made available to eligible renters. As of October 2024, some 272 awards had been made to Maui beneficiaries totaling nearly \$2.6 million.

In June 2024, we announced OHA's first grant awards to community nonprofits that reflected our new and improved, revamped grants process. We have lowered funding application barriers, allowing for increased community participation. We have streamlined our process to ease the burden on our nonprofit partners, reduced the number of eligibility requirements, simplified the application process and focused mandatory reporting to the most essential data elements.

Our work would not be possible without the dedication and passion of our trustees, our staff members and our community partners. Together, we envision a prosperous future in which our lāhui can flourish.

This fiscal year we have strived for excellence, and we have reinforced our commitment to mālama, uplift and empower our Native Hawaiian communities across the pae āina. At the Office of Hawaiian Affairs, we remain fully committed to the continuous bettering of our agency as we strive to raise a beloved lāhui.

Mahalo nui loa.

Board of Trustees Chair | Trustee, Maui

### Aloha mai kākou,

As we reflect on Fiscal Year 2024, we stand at a pivotal moment in the history of the Office of Hawaiian Affairs (OHA) and our lāhui. This year marked a significant transition in leadership, accompanied by a renewed sense of urgency and purpose. Guided by the principles of Mana Maui Ola and driven by our kūpuna under Hawaii Revised Statutes Chapter 104 and Chapter 10, we are steadfast in our commitment to bettering the conditions of Native Hawaiians and advancing Native Hawaiian sovereignty.

The journey before us is monumental, but it is not insurmountable. The challenges we face as a lāhui are complex and deeply rooted in historical injustices. Yet, we are emboldened by the resilience of our kūpuna and the enduring spirit of our people. This year, OHA underwent critical internal transformations that have strengthened our foundation and aligned our organization for strategic, action-oriented execution. We have implemented structural reforms, enhanced operational efficiencies, and fortified our capacity to serve with excellence and accountability.

These shifts are more than organizational – they reflect a deeper alignment with our mission to uplift and empower our communities. In 2024, we focused on precision alignment between vision and action, ensuring that every decision and every initiative is purposefully designed to support the well-being, self-determination, and success of Native Hawaiians. Together, we have laid the groundwork for transformational progress, with a steadfast focus on building systems, infrastructure, programs, and policies that will support Eā – the life, sovereignty, and wellbeing of our lāhui.

As we prepare to enter 2025, we do so with unwavering hope and determination. "Ua Mau Ke Eā o ka 'Āina i ka Pono" – the sovereignty of the land is perpetuated in righteousness. This profound truth is both our guiding light and our collective responsibility. Every step we take, every challenge we face, and every victory we achieve brings us closer to realizing Eā.

We move forward courageously, driven by the knowledge that our work is not only for today but for generations to come. Together, we will continue to advocate for justice, equity, and self-determination. Together, we will build a future where Native Hawaiians thrive in every aspect of life.

Mahalo nui loa to our trustees, staff, partners, and community members who walk this journey with us. Your unwavering dedication, resilience, and aloha inspire and strengthen us every day.

With hearts full of hope and a steadfast commitment to our kūpuna, we enter the new year ready to face new challenges with courage and conviction.

Me ke aloha pumehana,

*Stacy Keolohalani Ferreira*

# Creation of a Strategy & Innovation Division

The Office of Hawaiian Affairs' Mana i Maui Ola Strategic Plan (2020-2035) is based on mana'o and feedback from the Ilihi. OHA's plan seeks to affect positive change in education, health, housing and economics. These four strategic directions are being used to guide OHA's work to better conditions for Native Hawaiians.

Initially, progress moving Mana i Maui Ola forward was slowed by the global pandemic. As life began returning to normal, Stacy Kealahalani Ferreira took over the helm at OHA in November 2023. During her first year as OHA's CEO/Ka Pouhana, Ferreira has focused on fast-tracking capacity at the organization to execute the work detailed in the plan by creating a new Strategy & Innovation (S&I) Division at OHA.

In this new division, which is still evolving, staff assess the conditions of Native Hawaiians in education, health, housing and economics, and then assist in developing internal policies, processes, programs, services and reporting in alignment with Mana i Maui Ola strategic directions.

Key to this effort is the development of tactical plans and programs, and the formation of partnerships with collaborating organizations or contractors, to implement programs uniquely designed to make measurable impacts on the wellbeing of the Native Hawaiian community in these four priority areas.

As the division continues to evolve and, ultimately, to deploy tactics and programs, S&I will work closely with OHA's Research & Evaluation Department to monitor and analyze the progress and impacts of the programs and initiatives that are implemented.

## OHA Supports Hawaiian-focused Public Charter Schools

Seventeen Hawaiian-focused public charter schools will be receiving a total of \$6 million in support from the Office of Hawaiian Affairs (OHA) over the next two fiscal years.

OHA trustees approved a \$2.7 million Hawaiian Focused Charter School Fund Administration Grant to Kanu o ka 'Aina Learning 'Ohana (KALO) to manage per pupil funding support for 16 of these schools. Since Kanu o ka 'Aina New Century Public Charter School is an educational partner of KALO, their funds – \$300,000 in per pupil funding and \$150,000 in facilities support – will be administered directly by OHA.

## Maui Wildfire Aid *and* Support

In early September 2023, Office of Hawaiian Affairs trustees committed \$5 million in disaster relief funds to aid Native Hawaiians affected by the catastrophic wildfires that ravaged Lahaina and portions of Kula.

In addition to the commitment of disaster relief funds, OHA supported survivors of the fires in a variety of other ways including: distributing \$2 million in housing vouchers and gift cards in partnership with the charitable nonprofit Global Empowerment Mission; providing 30,000-square-foot of warehouse space in Kaka'a'ko Makai to store and deploy donated wildfire relief supplies in a collaboration with Lt. Gov. Sylvia Luke and the Council for Native Hawaiian Advancement; helping to raise more than \$100,000 via the Wiwo'ole Maui Benefit Concert on August 19; and deferring Mālama Loan payments for up to 12 months for borrowers affected by the wildfire.

The organization's method for direct financial support to wildfire survivors was announced in late March 2024. OHA Kanaaho Grants were established to support those affected by providing eligible homeowners with a one-time \$9,000 grant, while eligible renters could receive a one-time \$4,000 grant.

Intended to improve the economic stability of impacted Native Hawaiians, the grants did not have restrictions for use, empowering beneficiaries to determine their greatest needs and to use those funds to help meet those needs.

Applications became available in April and as of October, nearly \$2.6 million had been distributed to 452 wildfire survivors. Awards will continue to be made in FY25 until all applications for aid have been processed.

In Hawaiian, "kanaaho" translates to a feeling of relief after a struggle.

## Federal Grant Obtained to Help Support OHA's Wahiawā Lands

In February 2024, the Office of Hawaiian Affairs announced that it had won a \$2.2 million grant award from the Department of Defense Readiness and Environmental Protection Integration (REPI) Challenge in partnership with the Army Garrison-Hawaii.

The REPI Challenge funds conservation partners near military installations and supports large-scale conservation and climate resilience actions. Titled "I Ulu Mai Ka Ulu Lā'au," OHA's project will work with community partners on reforestation, agroforestry, and native seed orchard projects on its lands near Schofield Barracks.

"The funding will advance the work outlined in our community-led conceptual master plan for our Wahiawā lands," said OHA Board Chair Carmen "Hulu" Lindsey. "Our partnerships with respected subject matter and cultural experts with ties to these lands are vital to carrying out the responsible stewardship of our lands."

Pursued by OHA staff, the five-year grant represents the organization's first multi-million dollar award dedicated to land management. A total of \$2.24 million will go toward first-year grant activities, including equipment and materials purchase, designation of project sites and site preparation. Additional funding totalling \$8 million is anticipated over the five-year life of the grant.

OHA's Wahiawā lands include 511 acres surrounding the Kūkaniloko birth stones. For more than 60 years, the Hawaiian Civic Club of Wahiawā (HCCW) has cared for the stones and grounds at Kapuahuwa. As part of the project, HCCW will continue its efforts to replant the native Hawaiian hardwood forest, contributing to the overall watershed management of the area and providing a buffer to this culturally significant site.

Other community partners include the Hawai'i Agriculture Research Center, Forest Solutions Inc., the University of Hawai'i College of Tropical Agriculture and Human Resources, and the educational nonprofit ʻĀina Kāiāulu.

## OHA Streamlines its Grants Process

In June 2024, OHA announced its first grant awards to community nonprofits that reflected a revamped process to its Grants Program.

The purpose of the Office of Hawaiian Affairs Grants Program is to support Hawai'i based nonprofit organizations that have projects, programs and initiatives that serve the lāhui in alignment with the goals and objectives of OHA's Mana I Maui Ola Strategic Plan.

OHA's Grants Program is responsible for overseeing the agency's granting process, including sponsorships, solicitation development, application facilitation, award recommendation, grant contract execution, and monitoring grantee performance.

The new process included new solicitation categories and lowered funding application barriers to allow for increased community participation. Specifically, OHA reduced the number of eligibility requirements, making it easier for organizations to qualify; slimmed down the length of the application by removing certain sections; simplified the main application form itself that all candidates must submit for evaluation; and adjusted to focus mandatory reporting to only the most essential data elements.

OHA Board Chair Carmen "Hulu" Lindsey praised OHA's Grants staff for their efforts in bringing continuous improvement to the process of working with the agency's community partners.

"By working together in a spirit of lōkahi and aloha we create maximum impact as we strive to better the lives of Native Hawaiians and raise a beloved lāhui," Lindsey said. "It is not only our honor, but our kuleana to work with these outstanding community nonprofits who are making a difference in the lives of our people."

## Support for FestPAC and a Historic Declaration

In June 2024, Honolulu was privileged to welcome artists, cultural practitioners, scholars and leaders from 28 Pacific nations for the 13th Festival of Pacific Arts and Culture (FestPAC) - the world's largest celebration of Indigenous Pacific culture and the most consequential gathering of Pacific Islanders in Hawaii's history.

As a FestPAC sponsor, the Office of Hawaiian Affairs contributed \$1.5 million to the 10-day event. Additionally, during the festival OHA sponsored a series of "Talanoa" - meetings of traditional leaders.

Established in 1972 by the South Pacific Commission, FestPAC is held every four years and, like the Olympics, hosting the event rotates between participating nations. It is intended to create a space for Pacific peoples to perpetuate their arts, crafts, music, dance, and mo'olelo and share them with the world.

Increasingly, FestPAC has also become a venue to discuss critical issues facing Pacific peoples - such as global warming, sea level rise, protecting Moananulākea, economic sustainability, and social inequality.

To this end, OHA facilitated meetings of traditional leaders via the Talanoa. This resulted in an assembly of leaders gathering to sign a historic declaration in the throne room of the 'Iolani Palace on June 11 to mark the establishment of the Osiāna (Oceania) Traditional Leaders Forum.

Called the "Tuuruma Ariki Declaration" it revives King Kālakaua's 19th-century vision of a unified Pacific Federation and, thus, is a continuation of work begun by Pacific Island leaders more than 130 years ago.

The Traditional Leaders Forum is intended to elevate the unified voice of Oceania by drawing upon our shared genealogy, ancestral wisdom, and cultural values to champion critical matters affecting Pacific Island peoples and the global community.

## Major OHA Research and Evaluation Collaborations

July 1, 2023 to June 30, 2024

For much of the year, all major external research and evaluation collaborations between the Office of Hawaiian Affairs (OHA) and other Native Hawaiian-serving organizations and agencies were led by the Research Division (RD) and Office of Strategy Management (OSM). In February 2024, the RD and OSM units merged into a single Research & Evaluation (R&E) Division.

### • 21st Century Data Governance and Fact-based Policymaking

OHA's Research and Evaluation (R&E) is both a participant and the facilitator for the Senate Conservation Resolution No. 5 (SCR5) Task Force, an effort to understand methodologies for collecting, processing, reporting and availability of disaggregated Native Hawaiian data.

### • Behavioral Risk Factor Surveillance System (BRFSS) Work Group

BRFSS collects state data about residents' health-related risk behaviors, chronic health conditions, and use of preventive services via telephone surveys. OHA R&E collaborates with the Hawai'i State Department of Health (DOH) and other government agencies to develop community surveys for Hawai'i.

### • Bishop Museum & Awaiaulu

OHA R&E, Bishop Museum, and Awaiaulu are collaborating to plan the complete recon of Hawaiian language newspapers to either accompany or replace the collection currently housed in OHA's Papakilo Database.

### • Census Information Center (CIC)

OHA serves as a U.S. CIC to support local and community access, training and technical assistance on census data for research, planning and decision-making for underserved communities. As a CIC, OHA works closely with the Hawai'i State Data Center, led by the Department of Business and Economic Development and Tourism's Research & Economic Analysis Division.

### • Culturally Responsive Evaluation and Assessment-Hawai'i (CREA-HI)

OHA R&E is a participant of CREA-HI, along with numerous other Hawai'i agencies. The group is working on culturally sustaining evaluation through a Native Hawaiian lens and has developed and disseminated the Evaluation with Aloha Framework.

### • Hawai'i Board of Geographic Names

OHA R&E represents the agency on the Hawai'i Board of Geographic Names (HBGN) to support the maintenance and updating of Hawai'i Geographic Names by providing research support in the areas of Hawaiian culture, land tenure, and etymology.

### • Hawai'i Data Exchange

OHA R&E partners with the Hawai'i Department of Education (DOE) to support access, utilization, and dissemination of data related to student performance in the Hawai'i Data Exchange (DXP)

### • Hawai'i-Pacific Evaluation Association

OHA R&E participates in the Hawai'i-Pacific Evaluation Association (H-PEA) and supports the HBGN Board in conference and workshop planning, communications, and membership management.

### • 'Imi Pono Hawai'i Wellbeing Survey

OHA R&E supports the ongoing collaboration between OHA, Kamehameha Schools, Lili'uokalani Trust, Papa Ola Lōkahi, the Queen's Health Systems, and Marzano Research to develop, implement, analyze, and report findings of the 'Imi Pono Survey.

### • Kūkulu Kumuhana

This collaboration includes OHA, Lili'uokalani Trust, Kamehameha Schools, Papa Ola Lōkahi, and the Consejo Foundation to change how the wellbeing of Native Hawaiians is defined, measured, and ultimately reported. The Kūkulu Kumuhana framework is championed as a model to use in practice, research, and evaluation.

### • Legislature Burial Sites Working Group

OHA R&E provides administrative support to supplement OHA's participation into the Burial Sites Working Group.

### • Hawai'i Department of Human Services (DHS)

OHA, Lili'uokalani Trust, Kamehameha Schools, Papa Ola Lōkahi and the DHS entered into a Memorandum of Agreement (MOA) to share data on Native Hawaiians in Adult Protective Services, Childcare, Child Protective Services, Foster Care, Med-QUEST, TANF, and SNAP programs. The MOA will result in a series of research briefs to be disseminated publicly.

### • Missing & Murdered Native Hawaiian Women and Girls (MMNHWG) Task Force

OHA co-leads the MMNHWG Task Force with the Hawai'i State Commission on the Status of Women.

### • Nā Kama a Haloa

OHA is a member of Nā Kama a Haloa, a network of state and community partners seeking to improve the outcomes of keiki in the foster care system.

### • Maui Native Hawaiian Chamber of Commerce

OHA R&E partnered with the Maui Native Hawaiian Chamber of Commerce to conduct a business survey designed to better support businesses in response to the Maui Wildfires in August 2023.

### • Native Hawaiian Research Hui (NHRH)

This is a collaboration between OHA, Lili'uokalani Trust, Kamehameha Schools, Papa Ola Lōkahi, and the Queen's Health Systems. NHRH has produced several publications including reports based on the 'Imi Pono Hawai'i Wellbeing Survey.

### • Native Hawaiian Revolving Loan Fund (NHRLF) Board of Directors

R&E supports the NHRLF Board of Directors with kuleana to review, process, and approve loan applications and monitor program activities.

### • Native Hawaiian Pacific Islander 3R Policy & Data Committee

OHA R&E serves on the NHIPI-3R's Data & Research Committee that seeks to ensure the timely, accurate, and appropriate disaggregation of Native Hawaiian and Pacific Islander data with regard to testing, cases, vaccinations, hospitalizations, and deaths.

### • Partners in Care

OHA R&E provides research support to PIC in the form of committee participation, report review, and editing of the PIC Native Hawaiian Sub-Report.

### About the Mana i Maui Ola Artwork

Upland rain provides life-giving water that sustains the 'āina, ma uka to ma kai. Captured in the watershed of ma uka rainforests, the wai flows down into lush valleys and onto vast agricultural plains, reaching and nourishing all within the ahupua'a as it journeys to the sea. The artwork for OHA's Mana i Maui Ola Strategic Plan reflects this journey with each element representing a foundational or directional aspect of the plan as we move collectively toward a more vibrant future.
