Annual Report on Administrative Hearing Procedures and Subpoena Power Relating to the Education of Children with a Disability

December 2024

Section 302A-443(e), Hawai'i Revised Statutes, requires the Hawai'i State Department of Education to annually submit a report that provides the total number of requests for a due process hearing relating to the reimbursement of costs for a child's placement filed by a parent or guardian of a child with a disability.

Administrative Hearing Legislative Report

The Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973 provide parents and schools with dispute resolution procedures to resolve disagreements related to a child's educational services.

A due process complaint requesting a hearing is a formal procedure used to resolve disagreements between parents and schools on any matter relating to the identification, evaluation, or educational placement of a child with a disability or the provision of a free appropriate public education (FAPE) to the child.

Based on a review of due process hearing complaints filed with the Hawai'i State Department of Education during School Year 2023-2024, 16 due process hearing requests were filed by a parent (as defined under 34 C.F.R. § 300.152(a)(5) and HAR § 8-60-2) of a child with a disability requesting reimbursement of costs for a child's educational placement.
