# **Annual Report on General Fund Carryover**

October 2024

Section 37-41.5, Hawai'i Revised Statutes, requires the Hawai'i State Department of Education to annually report on the General Fund Carryover by Program ID and by School for Budget Fiscal Year (BFY) 2023 to BFY 2024.

# Hawai'i State Department of Education

## General Funds Carryover Report Fiscal Year 2023-24 to Fiscal Year 2024-25

### Purpose of this report

The purpose of this report is to transparently share the General Funds Carryover Report, which outlines the context and background of general funds carryover, the actual amounts of Fiscal Year (FY) 2023-24 to FY 2024-25, and share detailed priorities for the use of carryover funds.

### Why do we have carryover funds?

In 1993, the State Legislature passed Act 364, Session Laws of Hawai'i (codified as Hawai'i Revised Statutes (HRS) §37-41.5), in part to remove "obstacles to local funding and planning initiatives" and provide "budget and fiscal flexibility to empower schools to be innovative and creative." This Act granted authority for the Hawai'i State Department of Education (Department) to carry over up to five percent of its appropriations to the first year of the next fiscal biennium.

In practice, this authority to carryover funds reduces the risk of Department schools and offices falling into a short-sighted 'use it or lose it' mentality that can be inherent to public sector spending, and supports the deliberate and strategic leveraging of year-end balances in the following year.

### What are carryover funds?

The General Funds Carryover represents the unexpended and unencumbered funds from one fiscal year that the Department is allowed to use during the following fiscal year. By law, the Department is authorized to carry over up to five percent of its appropriations. In FY 2023-24 the Department's general fund appropriation inclusive of collective bargaining (CB) funding was just over \$2.2 billion, which equated to approximately \$110.0 million of allowable carryover.

*HRS §37-41.5 states in part: (a) The Department may retain up to five percent of any appropriation . . . (b) Appropriations allocated to the schools shall remain within the budget of the school to which they were originally allocated, provided that the retention of an appropriation shall not be used by the Department as a basis for reducing a school's future budget requirements.*

## What are the sources of carryover funds?

### CARRYOVER FROM FY 2023-24

The Department's total unexpended and unencumbered funds at the end of FY 2023-24 in EDN 700 were above the allowable carryover limit as specified in HRS § 37-41.5. As a result, the Department lapsed \$2,929,558.67 in EDN 700. However, the other EDNs were below the allowable carryover limits as specified in HRS §37-41.5. From FY 2023-24 to FY 2024-25, the Department carried over \$49.74 million, or 2.26 percent, in general funds.

- The FY 2023-24 unexpended program balances are:
  - EDN 100-WSF = \$51.62 million, up from \$42.95 million in the previous year. The Department's general fund budget is allocated to schools via Weighted Student Formula (WSF), which is where this carryover came from;
  - EDN 100-non WSF = (\$25.28) million, down from (\$15.62) million in the previous year. \$20.41 million in various school-based programs and (\$45.69) million centrally. As was done in the prior year, this large deficit was centrally managed and held to ensure that the Department adhered to the five percent carryover limit in EDN 100.

This was achieved by delaying the transfer of substitute charges from general funds to federal Impact Aid funds and is mitigated by the transfer of general fund charges to Impact Aid funds in the following year to ensure there is sufficient funding to support the full return of carryover funds to schools;

- EDN 150 = \$16.24 million, up from \$6.35 million in the previous year. (\$43,793) carried over for the Hawai'i School for the Deaf and Blind, \$14.50 million was carried over to schools via the Special Education Per Pupil Allocation (SPPA) program and \$1.71 million was carried over to high schools for work-based learning programming for students with disabilities. A balance of \$67,012 was carried over centrally;
- EDN 200 = \$2.46 million, up from \$1.42 million carried over the previous year. \$1.94 million was carried over for complex areas to assist schools as they transition away from Elementary and Secondary School Emergency Relief funding support. \$1.30 million was carried over to the Office of Student Support Services to provide summer mental health counseling services. Additionally, a total of \$1.07 million was carried over to support alternative learning centers. (\$1.86) million was carried over centrally;
- EDN 300 = \$519,089 carried over centrally, down from \$1.78 million carried over the previous year;
- EDN 400 = \$2.98 million, down from \$6.57 million carried over the previous year. \$1.97 million carried over for menstrual products and \$111,158 carried over for travel for athletics. \$889,370 carried over centrally;
- EDN 450 = \$320,427 carried over for the School Facilities Authority, up from \$65,000 carried over the previous year;
- EDN 500 = \$251,350, up from \$179,484 carried over the previous year. \$68,157, carried over for out-of-school time activities for middle and Intermediate school students and \$204,167 carried over to Adult Education programs. (\$20,974) carried over centrally; and
- EDN 700 = \$633,997 carried over for the Executive Office on Early Learning, up from \$363,363 carried over the previous year.

## Where do carryover funds go?

Per the statutory requirement, carryover funds are returned to the schools and offices that generate them (see Attachments A and B). Any centralized carryover funds may be used to address funding shortfalls.

NOTE: The Department has procedures in place to ensure that all carryover funds are expended well before the end of the current calendar year.

## Priorities supported by Centralized Carryover Funds in FY 2024-25

If there are carryover balances available centrally (Holding Account Programs); funds would be programmed to address priority funding shortfalls. For FY 2024-25, the Department has no centrally available carryover funds. Instead, the total for centralized carryover funds totaled (\$45.77) million which, as mentioned above, the Department will address this with federal (Impact Aid) funds in FY 2024-25.
