

UNIVERSITY OF HAWAI‘I SYSTEM LEGISLATIVE TESTIMONY

UNIVERSITY OF HAWAI‘I SYSTEM BUDGET BRIEFING

Testimony Presented Before the
Senate Committee on Ways and Means
&
House Committee on Finance
on January 12, 2016

by

David Lassner
President
University of Hawai‘i System

Supplemental Budget Briefing Testimony
presented before the
Senate Committee on Ways and Means and the House Committee on Finance
January 12, 2016 at 1:00pm
by
David Lassner
President, University of Hawai'i

Chair Tokuda, Chair Luke and Members of the Senate Committee on Ways and Means and the House Committee on Finance:

Thank you for the opportunity to brief the Senate Committee on Ways and Means and the House Committee on Finance and present our budget request for the Supplemental Fiscal Year 2016-2017. With me today are representatives from our Board of Regents (BOR), our System-wide leadership team, our Campus leadership teams, and Deans and Directors from our various programs.

Overview

Mission Statement

The University of Hawai'i (University) serves the public as the state's sole public higher education system and remains strongly committed to create, preserve, and transfer knowledge in a multi-cultural environment for current and future generations. To achieve our mission, last year the Board of Regents adopted four Strategic Directions for 2015-2021 and a set of metrics to track progress at a dashboard level.¹

Summarized below are some of the major initiatives and achievements over the past year which demonstrate the University's progress at building our State's higher education capabilities as well as improving the platform from which further evolution can be achieved.

Hawai'i Graduation Initiative

- Graduation rates at UH-Mānoa continue to show steady improvement. Since 2010, the six-year rate has increased from 48.6% to 57.1% and the four-year rate has increased from 17.5% to 27.9%.
- Similarly, UH-Mānoa rankings have improved in a wide variety of domestic and international ranking systems.
- We have continued to increase our early college dual credit programs in partnership with public and now private high schools.
- Hawai'i science students and professors received an Outstanding Chapter of the Year Award, Distinguished Mentor Award, and three Best Student Participation Awards at the Society for the Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS) National Conference.

¹http://www.hawaii.edu/offices/bor/regular/materials/201511190915/Item_VIII.B.2_Report_on_Strategic_Directions_Metrics_FY14_15.pdf

- The John A. Burns School of Medicine was recognized among the Top 20 medical schools in the nation for Primary Care education.
- The bar exam pass rate for William S. Richardson School of Law graduates leaped 7 percentage points from 2014, going up to 76% of first-time takers. This goes against the national bar exam trend that has seen passage rates drop over the last few years. The School of Law was also ranked as one of the nation's most outstanding law schools in the 2016 edition of *The Princeton Review*.
- Hawai'i science students and professors received an Outstanding Chapter of the Year Award, Distinguished Mentor Award, and three Best Student Participation Awards at the Society for the Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS) National Conference.

Hawai'i Innovation Initiative

- For FY15, UH received \$425 million in extramural funding, an increase of 8.5 percent over the previous fiscal year. This represents primarily federal and private support for UH research and training, helping advance the UH mission, and drive the State's economy.
- XLR8UH, UH's proof of concept center/venture accelerator, and our Maui Food Innovation Center were recognized as two of the nation's elite programs and each received \$50,000 awards from the Small Business Administration (SBA).
- Inspired by the D-School at Stanford, UH developed a new Innovation Lab (iLab) at a central location on the UH-Mānoa campus to promote innovation and entrepreneurship for students on campus while reaching out to the community and students across the system.
- Our partnership with the Hawai'i Business Roundtable around innovation and STEM workforce continues to strengthen, as those of you who attended last week's annual HBR meeting will have heard. Private philanthropy such as last week's announcements is assisting, and the Chamber of Commerce is now also actively engaged with us around workforce development.
- Among our notable awards: the Cancer Center was awarded \$5.5 million to address health disparities among Pacific Islanders;
- The National Science Foundation awarded \$600,000 for UH to develop the most advanced data visualization system in the country;
- UH was awarded a new five-year contract to manage the Pacific Disaster Center on Maui with a \$75m ceiling;
- Our outstanding faculty continue to achieve global recognition for their research. For example, UH Affiliate Professor Arthur McDonald was a winner of the 2015 Nobel Prize in Physics for his work on neutrinos;
- Dr. Brian Bowen, research professor at the Hawai'i Institute of Marine Biology, was awarded the 2015 Kobe Award for lifetime achievement in aquatic biology; and

- UH's Ocean Station Aloha was recognized by the American Society for Microbiology as a Milestones in Microbiology site recognizing its significant contribution toward advancing the science of microbiology.

21st Century Facilities

- We opened our Pāalamanui campus in West Hawai'i this past fall, providing the first permanent, public higher education facilities in the area of the state that was analytically determined to have the highest need.
- Our new IT Center was just awarded LEED Gold certification, a rare accomplishment for a data center building.
- Construction has begun on the Culinary Institute of the Pacific.
- Construction has begun on the installation of two 1,500 square foot, net zero energy classrooms for the College of Education at UH-Mānoa.

High Performance Mission Driven System

- Working together as a System, UH has achieved the most productive reverse degree transfer capability in the nation, awarding hundreds of Associate degrees to students who transfer from our community colleges to our 4-year campuses without a degree.
- UH has embraced the DOE's adoption of the Smarter Balanced assessment to utilize 11th grade test results for college placement across the UH System or to improve 12th grade college preparation activities as may be necessary.
- While not highly visible externally, under the leadership of the Regents, UH has implemented new approaches to financial budgeting and reporting to support improved management and governance.
- Philanthropy to UH via the UH Foundation reached its highest level ever, for the second year in a row. We are working with the UH Foundation to launch a major fundraising campaign and revitalize alumni engagement programs across the UH System.
- We are well along in a structured process to select a master developer for a university village adjacent to UH West O'ahu, which will both support a more vibrant university community and generate revenue to support the continuing enrollment increases at our fastest-growing campus.
- Last year UH campuses were awarded over \$30 million in federal funds for multi-year projects that support Native Hawaiian education initiatives.
- Over the past six years our community colleges have doubled the enrollment of Native Hawaiian students and doubled the transfer and graduation rates for Native Hawaiian students.
- The UH System also entered into a new partnership with Kamehameha Schools to advance Native Hawaiian education, student success, and initiatives around Hawaiian language and indigenous knowledge.
- UH adopted a new sustainability policy and committed to achieving net-zero status. We are currently working to develop a utility-scale PV farm on our West O'ahu mauka lands,

where we have also committed to provide access to the new Honouliuli National Monument and develop a hands-on community based sustainable agriculture education program.

- UH is divesting its \$66 million endowment from fossil fuels, and is recognized as one of the biggest universities to do so.

University Condition and Performance

Performance Funding - Thanks to the 2015 Legislature, \$6,360,818 in general funds was provided to the University for systemwide performance-based funding. In accordance with Section 28 of Act 119, Session Laws of Hawai'i 2015, (Act 119 (2015)), UH has established the metrics and standards for performance-based outcomes:

- Number of degrees and certificates awarded
- Number degrees and certificates awarded to Native Hawaiians
- Number of STEM degrees and certificates awarded
- Number degrees and certificates awarded to Pell recipients
- 150% (3 and 6 year) graduation rates
- Transfers from CC's to UH four-year institutions (to and from)

Baselines for each of these measures have been determined and sufficient improvement in these areas to meet benchmarks is required for campuses to receive performance-based funding.

The full amount for FY15-16 has been provided to the campuses for them to expend in the current fiscal year, with instruction that expenditures are to be treated as investments in areas that will drive performance outcomes in order to meet their targets to "earn the performance-based funding in FY17.

Title IX

The University was fortunate to receive approximately \$1.1 million from the Legislature, which was used to embark on a number of critical, systemwide short and long term policy and programmatic initiatives to strengthen its Title IX infrastructure. A systemwide Office of Institutional Equity (OIE) was established on September 1, 2015, with a director with three staff members, and is responsible for overseeing the University's Title IX and Violence Against Women Act efforts on all ten campuses and for the UH System and UH Community College System. The appropriation was also used to launch the following initiatives: vetting and implementing a new system-wide policy on sex discrimination and gender based violence with participation by various campus stakeholders including representatives of the exclusive bargaining units of University employees impacted by the policy; developing, coordinating and sponsoring a first-of-its-kind comprehensive Title IX Coordinator and Investigator certification training; developing an entirely new system wide comprehensive Title IX website, which is linked to all campuses within the University system; operationalizing and staffing an informal

“help and information line” that provides technical assistance to all campus Title IX Coordinators and their deputies; commencing the development of a system wide electronic case management system for use by all Title IX teams on every campus; and coordinating and staffing the legislatively mandated Act 222 Affirmative Consent Task Force.

Federal Funds

The University has an extensive range of programs that are supported by federal funds. This includes academic programs in research and training across all ten UH campuses. The University is not aware of any specific federal funding that is currently at risk. The University vigorously pursues new grants whenever they come available, but we expect that current status of the federal budget will create an increasingly competitive environment for UH as well as other colleges and universities.

Budget Request

Requests for additional funding were received by Systemwide administration (Administration) in September 2015. After approval, those requests were transmitted to the Governor and the Department of Budget and Finance as the Board of Regents or BOR Budget.²

The proposed executive budget includes some but not all components of the BOR-approved budget request.

Operating

The following table shows the difference between the BOR-approved budget request and what was included in the Governor’s submittal (Means of Financing is General Fund):

Description	BOR Request		Executive Budget Submittal	
	FTE	\$\$\$	FTE	\$\$\$
Cancer Center		5,000,000		4,000,000
Hawai'i Research and Innovation Initiative	20.00	3,500,000	20.00	3,500,000
UH-West O'ahu Campus Evolution	12.00	728,020	12.00	728,020
Community Colleges Equipment Fund		1,250,000		1,250,000
CTAHR - Agricultural Extension Service	4.00	350,000	-	330,000
UH-Hilo Security	37.00	420,000	27.00	-
Athletics - UH-Mānoa		3,000,000		-
Athletics - UH-Hilo	3.00	560,000		-
Mānoa - ORC General Fund Restoration		306,168		-
Mānoa - EHSO General Fund Restoration		1,093,832		-
Total	76.00	16,208,020	59.00	9,808,020

Cancer Center (\$4 million)

While the BOR request to the Department of Budget and Finance was \$5 million the executive proposed budget includes \$4 million in additional general funds for the Cancer Center. The Cancer Center is Hawai'i's only National Cancer Institute (NCI) designated program. It currently

²http://www.hawaii.edu/budget/sites/www.hawaii.edu.budget/files/BOR_FY17SupplementalBudgetRequests_100115.pdf

has 120 active national clinical trials involving more than 1,000 patients. The funds requested in the budget would be used to reduce an annual shortfall in current operations at the Cancer Center caused by a reduction in the cigarette tax revenue.

Cigarette tax revenue is statutorily provided for debt service and (as available) for operations of the Kaka'ako facility the Cancer Center currently occupies. Cigarette tax revenue has declined each year from 2009 to 2015 from approximately \$20 million to approximately \$14.8 million. Debt service for FY15 alone was \$7.9 million. There have been fiscal shortfalls at the Cancer Research Center, and management has been implementing operational restructuring to reduce the annual shortfalls. While net cash loss for FY13 and FY14 was approximately \$10 million each year, management efforts have reduced this loss for FY15 to \$6 million. While positive, this demonstrates that Cancer Research Center needs additional funding support to successfully evolve.

Total operations of the Cancer Research Center including personnel costs, administrative, debt service, maintenance, and operations is approximately \$52 million annually. General fund support via UH-Mānoa (UOH 100) is currently about \$2.2 million annually along with \$14.8 million in cigarette tax revenue. Non-state revenues come from gifts (\$2.5 million) and federal research revenue (\$22.6 million). Other revenue sources include research grant revenues (\$3.4 million) and university tuition and special fund revenues (\$800K).

The additional general fund support will help to address fund operational needs of the Cancer Center that were planned when the facility was contemplated. In order to be successful for the State of Hawai'i, the Cancer Center must continue to evolve and grow through its current development phase. The facility is less than 6 years old and operational size and resources of the current facility are critical to support our State's NCI-designated status.

Hawai'i Research and Innovation Initiative (20 positions and \$3.5 million)

The University is proposing to establish a Hawai'i Research and Innovation Initiative that will add ten Full-Time Equivalent (FTE) faculty positions in the areas of data intensive sciences and cybersecurity and sustainable water resources, both of significant interest to the University and the state of Hawai'i. In addition, we are requesting five FTE instructional support positions to establish a Center for Commercialization to help develop collaboration between academic research and industry through our very successful accelerator initiatives (XLR8UH and Maui Food Innovation Center) and the newly proposed Small Business Innovation and Research (SBIR) and Small Business Technology Transfer (STTF) office at UH. Finally, with the addition of five FTE instructional support positions, a Strategic Grants Development Office would be established to increase UH's rate of new research grant funds. Ultimately, this will advance the building of a pipeline between innovation and an industry enterprise to promote economic diversity within the State.

UH-West O'ahu (UHWO) Campus Evolution (12 positions and \$728,020)

As UH-West O'ahu continues to grow and develop, support services associated with a growing campus are needed. Four of these 12 positions will be used for the expansion of institutional support, six will be student affairs positions, and two positions will convert temporary faculty to permanent status in the areas of Sustainable Community Food Systems and Cyber Security.

Community Colleges Equipment Fund (\$1.25 million)

This request seeks to establish an equipment fund for the Community Colleges System to allow them to flexibly manage and prioritize expenditures for much needed equipment. By aggregating their equipment needs across its multi-campus system, the Community Colleges should be able to more effectively and efficiently manage their costs.

Agricultural Extension Service – College of Tropical Agriculture and Human Resources (CTAHR) (4 temporary positions and \$330,000)

Act 105, Session Laws of Hawai'i 2015, appropriated \$350,000 for four FTE to CTAHR for one year for its cooperative extension service, which seeks to strengthen Hawai'i's agricultural sustainability. The Act provided funding only for the current fiscal year, so this request seeks to make that funding permanent.

UH-Hilo Security Force – Conversion from Contracted Services (37 positions and \$420,000)

UH-Hilo currently contracts its security services. This request seeks to add positions and additional funding beyond the cost of the contract services to allow those security services to be provided by campus personnel in accord with collective bargaining requirements. The executive budget request provides 27 positions only and no new funding.

Athletics (3 positions and \$3.56 million)

The UH Board of Regents included \$3.56 million as its supplemental request for inclusion in the executive budget. Of this amount, \$3 million would be specifically for UH-Mānoa (UOH 100) Athletics and \$560,000 and three positions would be for UH-Hilo (UOH 210) Athletics. "Deep dive" analyses for both Mānoa and Hilo Athletics were presented to the BOR at its November 19, 2015 meeting.³ The executive budget request does not include these items.

Office of Research Compliance (ORC) and Environmental Health & Safety Office (EHSO) General Fund Restoration (\$306,168 and \$1,093,832 respectively)

These two programs have sustained general fund reductions over the last several years. Those reductions have resulted in both programs using revenues from the Tuition and Fees Special Fund and the Research and Training Revolving Fund to fund operations. This practice is not sustainable nor entirely appropriate. The executive budget request does not include these items.

³http://www.hawaii.edu/offices/bor/regular/materials/201511190915/Item_VIII.B.1_Deep_Dive_on_UH_Athletics_Program_UHM.pdf
http://www.hawaii.edu/offices/bor/regular/materials/201511190915/Item_VIII.B.1_Deep_Dive_on_UH_Athletics_Program_UHH.pdf

Capital Improvements Program (CIP)

The following table shows the BOR-approved budget request and what was included in the executive budget. The Means of Financing for these items is General Obligation Bonds.

<u>Project Title</u>	<u>BOR Request</u>	<u>Executive Budget Submittal</u>
Lump Sum CIP for Higher Education, Statewide	131,342,000	-
CIP Staff Costs, Statewide	300,000	-
Mānoa - Snyder Hall Renovation	2,500,000	2,500,000
Mānoa - Dean Hall Renovation	2,000,000	-
West O'ahu - New Creative Media Facility	38,800,000	-
Community Colleges - Minor CIP	10,000,000	10,000,000
Capital Renewal and Deferred Maintenance, Statewide	-	60,000,000
Total	184,942,000	72,500,000

Systemwide Capital Renewal and Deferred Maintenance (\$60 million)

\$60 million in General Obligation (GO) Bond Financing has been requested in the Governor's budget submittal. These funds would be used to help address the capital improvement program at the University which includes a repair and maintenance backlog which totals approximately \$503 million. At this level, the University estimates that a 6-to-10 year program to effectively eliminate the backlog would average to \$77 million annually to prevent additional deferred maintenance from accruing. The University believes that given the significant level of capital needs just in the area of capital renewal and deferred maintenance and the availability of funding sources, the \$60 million requested in the executive proposed budget would be a significant contribution to addressing the overall needs throughout the System.

Minor CIP for Community Colleges (\$10 million)

The role of minor CIP is to maintain the physical infrastructure and facilities to ensure that they are functional, architecturally sound, and in compliance with building and safety codes to support quality instruction, research, student, and community services programs. The executive proposed budget includes \$10 million for minor CIP needs specifically throughout the Community College system. This request is similar to the funding level as provided in Act 119 (2015) for FY16.

Snyder Hall Renovation – UH – Mānoa (\$2.5 million)

Design funds for the renovation of Snyder Hall on the UH-Mānoa campus is being requested. Snyder Hall houses biology and microbiology laboratories and classrooms, but these facilities are in disrepair. This renovation will provide facilities to meet standards for research and instruction.

The requested tables of information have been provided as additions to this testimony. Thank you for this opportunity to present our supplemental budget requests to your Committees.

University of Hawai'i - Mānoa
Prioritized List of Functions

Table 1

Pri #	Description of Function	Activities	Prog ID(s)	Statutory Reference
	Instructional support	Instruction - To provide individuals with the opportunity to achieve higher levels of intellectual, personal, social and vocational competency by providing occupational, general academic and professional education and training leading to degrees at all levels.	UOH 100	HRS 304A
	Research support	Research - To create new basic knowledge, develop solutions to technical and social problems, improve the quality of faculty, contribute to the quality of undergraduate and graduate programs and strengthen the states high technology economic base by undertaking sponsored basic and research projects.	UOH 100	HRS 304A
	Public service	Public Service - To improve the quality of life and provide direct assistance to individuals, businesses, special interest groups, communities by making available a variety of instructional, cultural, recreational, vocational problem solving, outreach and general information services in which the campus has special competence.	UOH 100	HRS 304A
	Academic support	Academic Support - To assist and facilitate in a direct supportive way the academic, research and public service functions of the campus, provide executive management, fiscal, human resources and other support services.	UOH 100	HRS 304A
	Student support	Student Services - To support, enrich and broaden the student experience while enrolled at the campus by making available services and activities which support and supplement the academic and research programs, including housing, admissions, financial aid, extracurricular activities and other services.	UOH 100	HRS 304A
	Institutional support	Institutional Support - To facilitate the operations of the campus as an organization by providing campus-wide logistical, security, technical support, maintenance and other supporting services.	UOH 100	HRS 304A

University of Hawai'i - Aquaria
Prioritized List of Functions

Table 1

Pri #	<u>Description of Function</u>	<u>Activities</u>	<u>Prog ID(s)</u>	<u>Statutory Reference</u>
	Establish and maintain the state aquarium for the general public	Act 184 (SLH 1995) designates the Waikiki Aquarium as the State Aquarium, and further provides that the objective of the UOH-881 program is to enrich the lives of people of all ages by providing public programs, education, research, and exhibits of the aquatic life of Hawaii and other regions. The Aquarium is open to the public 363 days per year and hosts over 300,000 individual visitors annually.	UOH 881	HRS 304A-1652
	Maintain educational programs for organized school groups	Last year over 28,000 school students, teachers, families with children and individuals utilized Waikiki Aquarium marine science education programs. Modest tuition fees are charged for most programs, but Aquarium admission for Hawaii school students remains free. The primary emphasis of Aquarium education programs is science literacy and conservation education.	UOH 881	HRS 304A-1652
	Performs research and exhibition to the public of aquatic life of Hawaii and other regions.	Ecology, natural history, biological diversity, and conservation are emphasized throughout the Aquarium, in exhibits and programs. Exhibit concepts, design and execution have received national awards for excellence, e.g., the AZA MACE award for conservation presented to the Waikiki Aquarium for the "Corals Are Alive" exhibition. University of Hawai'i - Small Business Development Center
 Prioritized List of Functions

Table 1

Pri #	<u>Description of Function</u>	<u>Activities</u>	<u>Prog ID(s)</u>	<u>Statutory Reference</u>
	The function/purpose of the Hawaii Small Business Development Center shall be to provide:		UOH 220	304A-102, HRS
	(1) High quality advising, training and research services to entrepreneurs and small businesses across the state of Hawaii.	The Hawai'i SBDC Network program stimulates the State's economy by providing professional one-on-one consulting and group training services which increase the business knowledge and skills of business owners and pre-venture entrepreneurs. Program objectives are to enhance the economic success of existing businesses and to assist in the successful launch of new businesses. Achievement of desired outcomes – primarily jobs created, capital formation and successful business launches – are the major metrics which guide both strategy and operations.		
	(2) Advocacy and Awareness	Center directors are expected to devote approximately 15% of their available hours to economic development activities other than counseling and training--activities such as those involved in advocacy on behalf of small businesses and on behalf of the Hawai'i SBDC Network's program.		
	(3) Capital Formation	The Hawai'i SBDC Network will continue to work with individual clients to increase their knowledge of and familiarity with basic credit practices and credit requirements. Such knowledge clearly supports the effectiveness of assistance provided to clients in the development of cogent, well-conceived and developed business plans, financial packages, credit applications and contract proposals. The Hawai'i SBDC Network will work with the financial community to identify and make publicly available information about small business lenders and grant providers and to support their activities through counseling and training efforts where appropriate.		

University of Hawai'i - Small Business Development Center
 Prioritized List of Functions

Table 1

Pri #	<u>Description of Function</u>	<u>Activities</u>	<u>Prog ID(s)</u>	<u>Statutory Reference</u>
	(4) International Trade	The Hawai'i Business Research Library will play a significant role in enhancing the Network's ability to access information helpful to the state's international trade small businesses and will work collaboratively with the research arm and research capabilities of the US Commercial and Financial Services.		
		The Network currently has two consultants, Joseph Burns and Dennis Kwak, who are certified as export assistance counselors through the SBA certification process. The SBDC is committed to maintain at least 10% certification at a minimum.		
	(5) Minority Small Business Developemnt	The Hawai'i SBDC Network will continue to actively promote and participate in programs for designated minority business ventures. Since the percentage of the population that is non-Caucasian ranges across the islands from 75% - 82%, by definition, all Hawai'i SBDC Network activities target minority small business development.		
		The 2015 award of Supplemental Funds for Underserved/Minority clients in Oahu who are negatively impacted by the Honolulu Rail construction is expected to increase the numbers in these categories. Additional funding in support of this project will be pursued from City and State resources to continue this effort throughout 2016.		
	(6) Resource Development	The Hawai'i SBDC Network will continue to promote the development of resources that will leverage its own ability to assist small businesses. Collaboration efforts with other economic development organizations and state agencies that also work with small business.		

University of Hawai'i - Small Business Development Center
 Prioritized List of Functions

Table 1

<u>Pri #</u>	<u>Description of Function</u>	<u>Activities</u>	<u>Prog ID(s)</u>	<u>Statutory Reference</u>
		The Hawai'i SBDC Network works actively with the Economic Development departments of all county Mayors' offices; the State's Department of Business, Economic Development and Tourism, the Hawai'i Tourism Authority, the High Tech Development Corporation, Maui Economic Development Board and a variety of private 501 C(3) organizations devoted to local and regional economic development. Representatives of each of the Economic Development Board organizations are members of our Advisory Board.		
(7)	Procurement	The Hawai'i SBDC Network will continue to provide assistance in this area through counseling, training and referral. Collaboration with the Hawai'i Procurement Technical Assistance Center (HI-PTAC) has been further developed in CY2015 with an MOU that commits matching funds from the state of Hawai'i overmatch to obtain Defense Logistics Agency funds as a Sub-Award from HI-PTAC. This collaboration will result in a greater focus on government contracting opportunities for Hawai'i small businesses.		
		There is a continuing effort to work with the State Procurement office to develop training for small business to increase awareness and success in securing State and County government contracts.		
(8)	Research	Market research continues to be an expanding area of activity being pursued by the Hawai'i SBDC Network. With the Hawai'i Business Research Library (HBRL) as a Hawai'i SBDC Network Specialty Center, the Network Service Centers are able to access and provide substantial and in-depth research on behalf of their clients. HBRL resources include online computer access to 400 commercial databases covering all fields of research, including trade journals, business periodicals, and market research tools, providing current demographic estimates of standard or customized geographical areas.

Prioritized List of Functions

Table 1

Pri #	Description of Function	Activities	Prog ID(s)	Statutory Reference
	<p>The function/purpose of the Community Colleges shall be to provide:</p> <p>(1) Two-year college transfer and general education programs and two- and four-year career and technical education programs;</p> <p>(2) Semiprofessional, career and technical, and continuing education programs; and</p> <p>(3) Such other education programs and services as may be appropriate to such institutions.</p>	<p>The University of Hawaii Community Colleges offer general education courses to prepare students for transfer to baccalaureate institutions, and career and technical education degrees and certificates to prepare students for employment or to upgrade current levels of proficiency. Developmental courses are also offered to strengthen basic skills needed by students to pursue instructional programs. Additionally, the community colleges offer non-credit courses to meet statewide workforce training and other community needs and interests, including short-term, skills upgrading offerings, as well as cultural and performing arts programs to enrich the community.</p> <p>The University Centers on Maui, Kaua'i, and in West Hawai'i on the Island of Hawai'i provide a permanent University of Hawai'i presence in communities that otherwise lack access to programs offered elsewhere in the University of Hawai'i system through an emphasis on distance education.</p> <p>A variety of services support student success in instructional programs and provide access to the colleges. These services include library, media, computer and learning labs, academic assessment and advising, financial aid, admission services and record keeping, and special support services for disabled, minority, and second-language students.</p> <p>Administrative support services at each campus provide campus-wide executive leadership, budgetary and financial management, personnel administration, procurement and property management, facilities and grounds maintenance, security, physical facilities planning of both repairs and maintenance and capital improvement projects, and auxiliary services.</p>	UOH 800	HRS 304A-1101

								Pos (P)	Pos (T)	\$\$\$
UOH 100	AA	AR	2	6	Agricultural Extension Service - College of Tropical Agriculture and Human Resources (CTAHR)	Act 105, Session Laws of Hawai'i 2015, appropriated one year funding to immediately fill critical unfunded positions in the College of Tropical Agriculture and Human Resources' (CTAHR) cooperative extension service to improve and strengthen Hawai'i's sustainability in agriculture. Funding was provided for FY16 only and position counts were not included. This request would provide those position counts and continue funding in CTAHR's budget for these necessary positions.	A	-	4.00	\$ 330,000
UOH 100	AA	AR	1	1	Cancer Center General Fund Support	Additional general fund support for UH Cancer Center Faculty and Staff. Currently only 19.00 of the total 50.00 general funded FTEs at the Cancer Center receive full funding. Approval of this request would ensure full State support for these positions.	A	-	-	\$ 4,000,000
UOH 210	MM	AR	1	5	UH Hilo Security Force - Conversion from Contracted Services	This request will allow UH Hilo to establish a security, safety and patrol force comprised of employees committed to the institutional mission and to the provision of effective safety and security services. Approval of this request would also ensure compliance with HRS 76-16(b)(2). Currently, UH-Hilo utilizes contracted security services, which are to be converted to staff positions. Currently, UH Hilo contracts for private services via requests for annual exemption from this civil service requirement.	A	27.00	-	\$ -
UOH 700	SS	AR	1	3	UH West O'ahu Campus Evolution	Positions and funds required to support UHWO's rapid enrollment growth, to ensure that the health and safety needs of the campus are met, and to realize UHWO's mission to provide access to the underserved populations in the Leeward, North Shore, and Central O'ahu areas, especially targeting Native Hawaiian students.	A	12.00	-	\$ 728,020

University of Hawai'i
Table 11 Instructions

COLUMN	DATA ELEMENT	DEFINITION
A	State Expending Agency	State entity authorized to expend the funds as authorized by the appropriation or as delegated by the Governor. Select from drop-down menu. See legend below.
B	Program I.D.	The unique identifier for the specific program responsible for carrying out the program consisting of the abbreviation for the State entity followed by the organization number for the program. Format: XXX###
C	Award Number	The identifying number assigned by the awarding Federal Agency, such as the federal grant number, federal contract number or the federal loan number that appears in the federal award document.
D	CFDA No.	The number associated with the published description of Federal assistance program in the Catalog of Federal Domestic Assistance. Only applies to grants and loans. A list of CFDA codes can be searched at: https://www.cfda.gov/index?s=program&tab=list&mode=list Format: ##.###.
E	Award Description	Award title and description with purpose of funding action.
F	Awarding Federal Agency	Name of the federal agency that awarded and administers the award on behalf of the funding agency. Select from drop-down menu. See agency list below.
G	Award Amount	For Grants: The total amount of the award. For Loans: The total amount of the loan obligated by the Federal Agency; the face value of the loan. For Contracts: The total amount obligated by the Federal Agency.
H	Award Amount Allocated to the Program ID in Column B	Enter the portion of the total award amount allocated to this Program ID. For example, if a federal award in the amount of \$500 is allocated to only AGR100, the "Award Amount" and the "Award Amount Allocated to the Pgm ID in Column B" would both be \$500. However, if the \$500 will be allocated to AGR100, AGR200 and AGR300, in the amounts of \$100, \$250 and \$150, respectively, the "Award Amount" would be the \$500 for all three program IDs but the "Award Amount Allocated to the Pgm ID in Column B" would be \$100 for AGR100, \$250 for AGR200 and \$150 for AGR300.
I	State Appropriation Symbol	The account number established in FAMIS. The appropriation account is a combination of 4 fields: Fund Type, Fiscal Year, Appropriation Account Number, and Dept. Code. If an award has appropriation symbols for multiple fiscal years, enter the symbol for the first fiscal year. Format: X-YY-###-X
J	State Fund Match (If Any)	The amount of state funds necessary to match the award.
K	Contact Name	Name of the individual at the program level responsible for performance of the award.
L	Contact Phone No.	Phone no. of the individual at the program level responsible for performance of the award.
M	Contact Email	Email of the individual at the program level responsible for performance of the award.

Student Activities RF - Campus Center Board	All funds assessed as compulsory student activity fees and collected by the University of Hawaii and revenues received by chartered student organizations and student activity programs shall be deposited in this fund. Funds may be withdrawn and expended by each respective chartered student organization or student activity program. The Campus Center Board is responsible for setting policy regarding the operations of the Campus Center complex, provides directional input into the planning of the Center's Master Plan, and provides a learning experience to its members by interfacing with a diverse group of people. The Campus Center Activities Council presents co-curricular programs for the University community under four major committees: Culture, Educational Support, Personal Wellness and Recreation.	304A-2257, HRS	W	\$ 699,924	\$ 540,000	\$ 499,311	\$ -	\$ 740,612	\$ -

Student Activities RF - Co-Curricular Activities	All funds assessed as compulsory student activity fees and collected by the University of Hawaii and revenues received by chartered student organizations and student activity programs shall be deposited in this fund. Funds may be withdrawn and expended by each respective chartered student organization or student activity program. Consists of a number of miscellaneous program accounts established for different student activity programs as authorized by HRS 304A-2257. These accounts serve a myriad of student needs including orientation and transition programs, leadership education for students and student groups, registered independent clubs and organizations, student leadership training and development system-wide, student transportation services, and program equipment reserve and replacement.	304A-2257, HRS	W	\$ 320,629	\$ 250,000	\$ 308,498	\$ 4,230	\$ 266,361	\$ -
Student Activities RF - Division Food Service	All funds assessed as compulsory student activity fees and collected by the University of Hawaii and revenues received by chartered student organizations and student activity programs shall be deposited in this fund. Funds may be withdrawn and expended by each respective chartered student organization or student activity program. The UHM Student Affairs Dining Services program was established with the objective of providing innovative dining services programs to satisfy the nutritional needs of the UH Mānoa community. It is managed by Sodexo as a financially self-sustaining operation, meaning the revenue generated at the various residence dining halls, retail operations in the student union, and other student affairs-related facilities goes towards the continual improvement of the program.	304A-2257, HRS	W	\$ 5,315,957	\$ 10,000,000	\$ 9,499,950	\$ -	\$ 5,816,007	\$ -

/1 The estimated ending unencumbered cash balances include deferred revenue, which is revenue collected for a future period. The combined estimated deferred revenue for the Tuition and Fees Special Fund and the Community College Special Fund is approximately \$5.0 million. Of the remaining unencumbered balances, approximately \$20.3 million are required to meet the UH Community College (UHCC) reserve policy. The UHCC reserve policy is required by the Accrediting Commission for Community and Junior Colleges (ACCJC) to ensure the financial stability of accredited campuses. The reserve level is set at 10% of the unrestricted funds (general, special, revolving funds; excluding the Revenue Undertakings special fund and Student Activities revolving fund) expenditures and encumbrances for the fiscal year.

/2 The estimated ending unencumbered cash balances are needed for chartered student organizations and student activity programs of the Community Colleges, such as student government, social and cultural activities, honor society activities, new student orientation, etc. The enabling statute provides chartered student organizations with the authority to determine how these funds are spent.

PROJECT TITLE: UHM, Snyder Hall Renovation, O'ahu

PROJECT DESCRIPTION: Design, construction, and equipment for the renovation of Snyder Hall. Project to include ground and site improvements, infrastructure, renovation of facility, equipment and appurtenances, and all project related costs.

TOTAL ESTIMATED PROJECT COST (In Thousands of Dollars)

COST ELEMENT	PRIOR APPROPRIATIONS (Including MOF)						BUDGET REQUEST (Including MOF)		FUTURE YEARS	TOTAL PROJECT COST
	ACT YR ITEM	ACT YR ITEM	ACT YR ITEM	ACT YR ITEM	ACT YR ITEM	ACT YR ITEM		FY 2016-2017		
PLANS								0	0	0
LAND								0	0	0
DESIGN								2,500	0	2,500
CONSTRUCTION								0	25,000	25,000
EQUIPMENT								0	0	0
TOTALS								2,500	25,000 C	27,500

PROJECT INFORMATION AND JUSTIFICATION:

a. Total scope of project.

Design to construct a total renovation of a 50 yr old, disgracefully decrepit 61,000 sq ft research, teaching and office building that is located in very visible, very accessible heart of the campus. The building is 61,000 gsf and holds approximately 45,000 of nasf. The design will develop approximately 15,000 nasf of teaching labs and 15,000 nasf of general use classrooms and 15,000 sq ft of office space. The project's design will support the historic integrity of the building and be aggressively energy reducing toward compliance with Act 99.

b. Identification of need and evaluation of existing situation.

Snyder Hall has \$14M in deferred maintenance and \$2M in capital. It is under utilized due to its condition. It provides about 40% of the service to our undergrads as it will when it is renovated. This is currently a deterrent to enrollment. When renovated with modernized classrooms and teaching labs it will be an enticement for enrollment.

c. Alternatives considered and impact if project is deferred.

Demolition of the building has been debated but the scale and form of the building are appropriate for the center of campus on McCarthy Mall and the building's structure is in tact. It would cost more to demo and rebuild that to renovate for this purpose. It was also recently designed as a teaching lab but the cost for updating the building for that function is not cost effective. The renovation of this building has been deferred for 20 years and it shows. It is wasting space and compromising the quality of the campus's teaching, research and overall status.

d. Discuss what improvements will take place when project is completed (including benefits to be derived and/or deficiencies this project intends to correct).

Teaching in all topic areas and especially lab/teaching in the natural sciences will be immeasurably improved.

e. Impact upon future operating requirements (show initial and ongoing funding requirements by cost element, including position count, means of financing, fiscal year).

The building will be upgraded from its dysfunctional 1970s operational condition. This will require less repair over the next 10 years but more maintenance in terms of HVAC and custodial work since it will require ongoing preventative maintenance and more effective services to run properly. Additionally, new buildings coming on line have sophisticated energy and building management systems. These systems require trained personnel to manage them. The campus must undertake a strategic training program for its maintenance staff in order for the campus to be able to efficiently operate these new buildings systems.

f. Additional information.

The existing Snyder Hall is 61,000 gsf of teaching and research labs and offices. Earlier efforts were to renovate Snyder into a research lab facility with a BSL3 level science lab as part of the facility. The costs for that renovation were soaring beyond an affordable range. It was determined that it would be more cost effective to accommodate the scientific research functions in a building that is designed for that and renovate Snyder to align with campus undergraduate mission of teaching, since it is located at the heart of the campus on McCarthy Mall. Additionally the approach to redesign the 50yr old structure into a teaching-focused facility, with associated offices, is expected to be a more cost effective construction approach. Construction funding is expected to be requested in FY19.

EQUIPMENT	1						0	0	1	
TOTALS	10,000 C						10,000 C	60,000 C	80,000	

PROJECT INFORMATION AND JUSTIFICATION:

a. Total scope of project.

This project provides for improvements to University of Hawai'i Community College campuses that include modernization of existing facilities to meet current operational and instructional requirements.

b. Identification of need and evaluation of existing situation.

Many of the facilities at the University are over twenty years old and have never been renovated. This project will implement minor CIP projects to modernized facilities to meet program requirements and advances in education techniques and technology. The project also includes the conversion of spaces vacated by programs that will be housed by new facilities, which provides the opportunity to renovate spaces for existing programs. Without minor CIP improvements, programs will not be able to operate efficiently and without advances in educational technology.

c. Alternatives considered and impact if project is deferred.

Should this project be deferred, the campuses will continue to utilize substandard facilities, which will negatively impact the quality of instructional services.

d. Discuss what improvements will take place when project is completed (including benefits to be derived and/or deficiencies this project intends to correct).

This project includes minor CIP renovation projects for University of Hawai'i campuses. The role of minor CIP is to maintain the physical infrastructure and facilities of our campuses so that they are functional, architecturally sound, aesthetically pleasing, and in compliance with building and safety codes to support quality instruction, research, student, and community services programs.

e. Impact upon future operating requirements (show initial and ongoing funding requirements by cost element, including position count, means of financing, fiscal year).

See attached listing of projects.

PROJECT INFORMATION AND JUSTIFICATION (use back if necessary):

a. Total Scope of Project.

This project includes repairs and maintenance projects for reroofing, air conditioning equipment, refurbishment of interior building space and surrounding ground area, infrastructure, sports facilities, resurfacing, repainting, and other repairs at all University campuses, Systemwide.

b. Identification of Need and Evaluation of Existing Situation.

The University of Hawaii's physical plant is in a serious state of disrepair due to the lack of general funds for repairs and maintenance. Facilities provide the centerpiece around which all other educational activities exist at higher education institutions. The total replacement value of all University of Hawaii facilities is estimated at over \$5.0 billion. Therefore, it is imperative to reinvest in the University's physical plant to ensure that the physical infrastructure facilitates the mission of the institution.

c. Alternatives Considered and Impact if Project is Deferred.

The alternative to financing this request is to finance capital renewal and deferred maintenance with general funds. However, the likelihood of such general fund support is unlikely, therefore, bond financing this project is imperative to address pressing repairs and maintenance needs of the University System.

d. Discuss What Improvements Will Take Place When Project Completed (including benefits to be derived and/or deficiencies this project intends to correct).

This project includes repairs and maintenance projects for all University campuses. The role of repairs and maintenance is to maintain the physical infrastructure and facilities of our campuses so that they are functional, architecturally sound, aesthetically pleasing, and in compliance with building and safety codes to support quality instruction, research, student, and community services programs.

e. Impact Upon Future Operating Requirements (show initial and ongoing funding requirements by cost element, including position count, means of financing, fiscal year).

None

f. Additional Information:

As of the March 2015 Sightlines Report, the current estimate of the University's maintenance backlog is \$502.716 million. Of the \$502.716 million, the backlog attributed to facilities dependent on the general fund for maintenance is \$443.811 million. Annual investment in the University's physical plant is required to keep from adding to our maintenance backlog.
