INTRODUCTION OF RESOLUTIONS

The following resolutions (H.R. Nos. 322 to 324) were read by the Clerk and disposed of as follows:

A resolution (H.R. No. 322) commending Henry Epstein for his contribution to the growth of the United Public Workers and extending best wishes upon his retirement was jointly offered by Representatives Peters, Kihano, Yamada and Stanley.

Representative Yamada moved that the resolution be adopted, seconded by Representative Stanley.

Representative Kunimura rose and stated: "Mr. Speaker, Hawaii has been no Hawaii in the past, has not been the paradise of the working people but rather the slave shop of the nation. Hawaii was a territory forgotten from Washington,

and when they enacted the Wagner Act under the great President Roosevelt, Congress forgot that Hawaii existed because Hawaii was portrayed in the newspapers and cartoons, as the hula girl with the ukulele.

Our labor efforts were always frozen in the committees of Congress because of the strong sugar lobby. Mr. Speaker, way back when it was almost dangerous to be a labor leader, a very young, slender gentleman came out to Hawaii from the mainland United States, and his union was not known as UPW. It was known as the UPWA. Today, we forgot the the most important word, that's America. It was the United Public Workers of America. The people least recognized because the politicians, though expounding fancy liberal phrases about the great American dream of the working man, forgot that the working man who worked for the government was prohibited from joining unions. I look upon Henry, like Moses who brought out the oppressed people from Egypt, out of their bondage. He came out here to do just that, to deliver the forgotten people and build upon the strong foundation of Hawaii's liberal thinking people - the foundation of government employees union.

I remember when Henry came to Kauai. I knew Henry way back from the very first day. His union organization was like the waves that sweep the shores of Waikiki. One minute you may have two hundred workers signed up, next minute fifty would run away because somebody told them that this was a Communist union. And it was the up and down, but undaunted spirit of Henry Epstein that kept this organization together. They've gone through hell and brimstone. Congressional committees used to come out here to ostracize and practically hang the union leaders because of their liberal thinking that all working men had a place in the sun. I'd like to remember this day, Mr. Speaker, that like Jack Hall, who was condemned and later upon passing, that the greatest bankers, industrialists of Hawaii attended Jack Hall's funeral and the wake that was held at the Blaisdell Center.

I'm happy that Henry is here with us today, that while he is still living and full of life, breathing the free air not only of Hawaii but of America, that he can come and

receive this day the resolution talking about his contribution to the growing of Hawaii and I'd like to say to you Henry that you cannot retire because there's a lot to be done yet. I've always known you as the man who had the guts and I remember a political campaign that somebody had the slogan quiet and effective. The real quiet and effective one is truly Henry Epstein because he always took the back seat but he knew where his union was going to end up because it was all designed by Henry Epstein and I hope that those that follow you in your union will remember and carry out your strategy because it is written in stone and it will always be indelible in stone."

Representative Kamali'i rose and stated: "I too rise and say thank you to Henry for his contributions to the State of Hawaii. Unions and programs and legislative committees are formed to hopefully make things right. We in the Republican caucus, thank you very much for attempting to make things right for the working people in the State of Hawaii. It is our desire to continue to do this and wish you well. As a member of the UPW I thank you personally, Aloha."

The motion was put by the Chair and carried, and H.R. No. 322 was adopted.

Representative Stanley rose to introduce Henry Epstein stating: "At this time, I would like to introduce our honoree, Mr. Epstein who has been a true friend of labor, a competent lobbyist and a dear friend. He is accompanied by his sister, Mrs. Sylvia Silverstein from New York."

Representative Yamada presented Mr. Epstein with the certificate and Representative Stanley presented him with a lei.

At 12:20 o'clock p.m., the Chair declared a recess for the purpose of wishing Mr. Epstein well in his future endeavors, subject to the call of the Chair.

INTRODUCTION OF RESOLUTIONS

The following resolutions (H.R.
Nos. 363 and 364) were read by the
Clerk and disposed of as follows:

A resolution (H.R. No. 363) extending
deepest condolences of the Hawaii
State House of Representatives to
the family of the late Akio "Aki"
Sakata was jointly offered by Representa-
tives Kunimura, Aki, Albano, Anderson,
Andrews, Baker, Chun, de Heer,
Dods, Fukunaga, D. Hagino, G.
Hagino, Hashimoto, Hirono, Honda,
Ige, Isbell, Kamali'i, Kawakami,
Kihano, Kiyabu, Kobayashi, Lacy,
Levin, Liu, Marumoto, Matsuura,
Medeiros, Monahan, Morioka, Nakamura,
Nakasato, Narvaes, Okamura, Rohlfing,
Sakamoto, Say, Segawa, Shito, Stanley,
Takamine, Takitani, Taniguchi, Toguchi,
Tungpalan, Waihee, Wong, Yamada
and Peters.

Representative Kiyabu moved that
the resolution be adopted, seconded
by Representative Yamada.

Representative Kunimura rose
and stated: "In supporting this
motion to adopt this resolution,
may I share with the members of
this House, and especially you,
Mr. Speaker, because I remember
when you were just a fledging young
freshman member of this House,
you were caught in a dilemma because
your district did not have any or
hardly any television signals. I remember
introducing you to Aki. He was
so enthused trying to help us, and
finally your district has equal or
better signals than any other place
bar none.

We have lost a great public servant.
I wish we could say that for all
of our public servants, then we
need not have to run for re-election,
that all incumbents would be automatically
petitioned by the constituents to serve

again. But, we do have many, many good honest public servants who do their best in carrying out their duties and Mr. Sakata was a shining example of one of those. He leaves behind his family, and I know it's a great loss to them because can you imagine how we felt when we found out the loss. But I want to say, Mr. Speaker, with your permission, that though they may have lost their father, they must have gained a lot of uncles and aunts, especially in the halls here.

Mr. Speaker, this resolution although it's belated, is to honor a man who has contributed in a very unique way because what we do here in the halls of the legislature, most often we get criticized, in education, in higher education, in most every field. You take the highway, although the roads are pretty good, somebody hits a large hole in the highway and they say, damn the state. But I've never heard or seen anyone complain about ETV. To the contrary, that's just about the only place we get praise, and it is through the hard work of unsung, dedicated heroes like Aki and many more at the station. May I request that this resolution be adopted by a rising vote?"

The motion was put by the Chair and carried, and H.R. No. 363 was adopted by a rising vote.

Representative Kunimura rose and introduced the family and friends of the late Akio "Aki" Sakata: "We have here with us this morning, the wife of a dear, departed friend, Kay and their son Alvin, their two daughters, Cynthia and Renee, and accompanying them is the former chief of ETV, Dr. Bitterman and the one who has filled the vacancy, Dr. Young."

At 11:53 o'clock a.m., the Chair declared a recess for the purpose of extending condolences to the family of the late Akio Sakata, subject to the call of the Chair.

The House of Representatives reconvened at 12:01 o'clock p.m.

A resolution (H.R. No. 364) concerning commendation of a Music in our Schools Week was jointly offered by Representatives Chun, Okamura and Baker.

Representative Chun moved

that the resolution be adopted, seconded by Representative Okamura.

Representative Chun rose and stated: "Mr. Speaker, I would like to introduce the Radford Regalaires, directed by Charles Higgins and composed of students who have been participating in the choral music for two, three, four and five years, and also those of the Kawanakoa String Orchestra directed by Mrs. Edean Kinoshita. These students have been in the string program two, three or four years and that "Music in our Schools Week" program has been going on for the last eight years. The purpose is to provide opportunities for observation of learning and preparation practices in the classroom through performances of outstanding musicians and they are here in our gallery today. On behalf of Representatives Okamura, Baker, Liu and myself, I would like the students, teachers, and Mrs. Luz Abcede, who coordinated this program to rise."

The motion was put by the Chair and carried, and H.R. No. 364 was adopted.

are, if not specifically with respect to individual provisions of this bill, but rather with the total subject of what happens to the water resources in this State, and its management and the conservation aspect, it seems to us that there is a tendency being indicated to approach these matters somewhat on a piecemeal basis in terms of legislation. There is some incoherence in the policy of the administration of this State in respect to water resources. We certainly think that it requires some extensive study before legislative directions are set forth. Consequently, at this point, members on this side of the aisle, other than two, would like to cast negative votes on this measure. Would you cast affirmative votes for Representatives Isbell and Narvaes, negative votes for the remainder of the Republican caucus."

Representative Ikeda rose and stated: "Mr. Speaker, I rise to speak in favor of H.C.R. No. 79, HD1. This resolution requests the federal government to allow Hawaiian Electric Company to resume burning 2% sulfur fuel oil at its Kahe Point Plant. By passing this measure, we will add our voice to that of Hawaii's consumers to make the adjustments which are necessary to reduce energy costs.

It is estimated that this reconversion to 2% sulfur fuel oil will mean a 13% decrease in the electric bills of this island.

With so many other citizens of the State, however, I am not willing to argue for a deterioration of our air or general environmental quality just to save money. This amendment which assures us that this possibility will not become a reality has been made: The Kahe exemption is conditioned on a monitoring of the neighboring effects of this burning, and is to be discontinued if the Department of Health finds detrimental consequence.

What we must concern ourselves with here today, and I believe for the remainder of this century, is a responsible balancing of the competing "goods" of environmental integrity and energy availability. There are no easy answers, but there are workable options.

I believe, further, that this resolution must be considered as part of the national effort to curtail our dependence on imported foreign oil. If the Kahe Plant is allowed to use this 2% sulfur fuel, then Hawaii's importation of foreign oil will be reduced by about four million barrels annually. Thus, we would also assert our willingness to seek energy stability as a national priority.

For these considerations, then, and with the guarantee on continued surveillance of air quality in continued concern for the public health, I urge my colleagues to support this measure."

Representative Medeiros requested that Representative Ikeda's words be incorporated as his own.

The motion was put by the Chair

SUSPENSION OF RULES

On motion by Representative Stanley, seconded by Representative Rohlfing and carried, the rules were suspended for the purpose of considering bills on Third Reading on the basis of a modified consent calendar.

THIRD READING

The following bills which were on the calendar for Third Reading, were read throughout and the following action taken:

H.B. No. 269, HD1:

By unanimous consent, action was deferred one day.

H.B. No. 753:

Representative Sakamoto moved that H.B. No. 753 pass Third Reading, seconded by Representative Takamine.

Representative Kamali'i rose and stated: "Mr. Speaker, I rise to speak against this bill, again showing the concern of our Republican caucus as far as our water resources are concerned. This measure seems innocuous, but the continued executive assignment of a legislative agreement with the water resources of this state within the jurisdiction of the Department of Land and Natural Resources must be opposed at every opportunity. Two years ago, the citizens of Hawaii ratified Article 11, Section 7 to establish a state water agency. That agency, Mr. Speaker, cannot and should not be in the Department of Land and Natural Resources. Even a very flawed attorney general's opinion argued that the DLNR's control of three irrigation systems constituted the competing water use prohibited by the drafting committee's report. In addition, this measure to give discretionary rate charging powers to the board raises several other serious questions. Are we now to have differing water rates based on particular users of our resource? Is there to some sort of seasonal adjustment which there may be or may not be justification? Are we to again transform our user fees so that the state will act to subsidize an undetermined expense?

Certainly, Mr. Speaker, none of us disagree with the state's of this bill to encourage farming and ease what could be economic hardship. But that good intention, like so many others, may only create other, eventually, far more serious consequences. There are too many problems with this bill to simply let it pass without some notice and I hope, some opposition. I urge my colleagues to defeat this measure until we've had time to fully and comprehensively address ourselves

to the very important issue of implementation of which agency will control and regulate our water resources."

Representative Stanley rose and stated: "Mr. Speaker, the majority would like to remind the members of the House that while the water question is very important, we shouldn't hesitate to take care of a problem we find in our statutes to assist our farmers. We urge all members to vote aye."

Representative Sakamoto rose and requested a roll call vote.

Representative Rohlfing rose and stated: "Mr. Speaker, with respect to this measure, I would like to make just one footnote along the lines of the minority leader has indicated, and that is that by changing one word in a statute, there has been opened a door for discrimination as between users. There is, of course, reason at times for flexibility; there is a time reason to give a board, particularly one that has shown great leadership, and has gone ahead with programs which are desirable, that kind of discretion. But in the instance, I do not think we have a record that establishes that we should have that kind of faith and I for one do not agree with this measure."

Representative Kamali'i stated: "Mr. Speaker, it's always very interesting to me when the majority calls for a roll call. If this is the intent of the Chairman of this Committee to box we Republicans in . . .

At this time, Representative Yamada interrupted on a point of order and stated: "Mr. Speaker, the comments made by the minority leader are not pertinent to the bill itself."

The Chair replied: "Representative Kamali'i, where one may request for a roll call, the Chair makes the final decision. I think I recognized Representative Rohlfing for his deliberations on this measure and consider you out of order."

Representative Kamali'i stated: "Mr. Speaker, I rise again to speak against this measure. For the record, we will be going 'no' against this bill but it's not against the farmer as it might appear to be with this roll call vote. Our concern is that the Department of Land and Natural Resources has not been able for the last twenty years to manage our land, and now we're going to

say, 'here, take our water.' I find this absolutely irresponsible, particularly when the Committee Chairman is going to be looking at this entire water problem during the interim."

At 1:00 o'clock p.m., at the request of Representative Kunimura, the Chair declared a recess, subject to the call of the Chair.

The House of Representatives reconvened at 1:01 o'clock p.m.

The motion was put by the Chair and carried, and H.B. No. 753 entitled: "A BILL FOR AN ACT RELATING TO IRRIGATION SYSTEM RATES AND CHARGES", passed Third Reading by a vote of 40 ayes, with Representatives Anderson, Ikeda, Isbell, Kamali'i, Lacy, Liu, Marumoto, Medeiros, Monahan and Wong voting no.

The Chair directed the Clerk to

note that H.B. No. 753 passed Third Reading at 1:01 o'clock p.m.

Representative Waihee then rose and stated:

"Mr. Speaker, Migita Sensei has honored the art of judo with his dedication

and love for 63 years.

While most men who are 81 years of age are lucky if they could be called active, Migita Sensei continues to instruct judo at the Shobukan Judo Club. He works out four times a week, usually against younger men who were in diapers when he retired from his normal occupation. By the way, this work-out begins by him doing one thousand knee bends each time. In addition to studying and teaching judo at Shobukan, Migita Sensei has also taught at Aiea, Waialua, Kauai and Haleiwa.

One former student recalls that Migita Sensei used to drive up to Haleiwa in his old Model T Ford. In those days, there were long winding roads and he had to go up rocky hills and by the time he got there, the engine would be red hot. This is an indication of his dedication.

Migita Sensei is also a very fierce competitor. In the days when there were no weight divisions, he used to compete against people twice his size. He is recognized for being outstanding in his matwork.

Migita Sensei has been recognized by the national and local media for his contributions to the art of judo. He was most recently featured in a lengthy newspaper article, honored at a program, and recently, has been the subject of a documentary film produced by the Public Television Network in California."

Representative Waihee then presented the honoree, Migita Sensei, to the members of the House and audience. Accompanying Migita Sensei were his son, Lloyd Migita, "who is a fourth degree black belt himself as well as being a former National AAU and Olympic trials runner-up", and Babette Galang "who is a very close friend of the family."

Representative Waihee continued, stating:

"Migita Sensei, on behalf of the Eleventh legislative session of the House of Representatives, 'kenko to tomo ni.' Domo arigato."

Representative Ikeda then presented Migita Sensei with a red carnation lei while Representative Waihee presented him with a certified copy of the resolution.

At 11:55 o'clock a.m., the Chair declared a recess, subject to the call of the Chair, "for the purpose of extending our personal aloha and best wishes to our honorees."
