With a waitlist that now exceeds 27,000 applicants, it is high time for the Department to fulfill Prince Kuhio's promise in a twenty-first century fashion. It is a tragedy that 39% of our homeless population identifies as Native Hawaiian or other Pacific Islander, and I believe many of the socioeconomic ills facing this population can begin to be solved with a roof over their head. I thank the introducers for this measure and hope to see tangible results in the years to come. *Mahalo.*"

Representative Thielen rose to speak in opposition to the measure, stating:

"Thank you, Mr. Speaker. I'm rising to cast a no vote on Senate Concurrent Resolution 133 and I'd like to make a few comments. Thank you. Mr. Speaker, these measures, there's several of them on the agenda today authorizing issuance of leases covering our shoreline areas, it's very ironic, Mr. Speaker, that these measures are before us today after we have had such a devastating flooding of our coastal areas and even some inland areas, particularly on the island of Kauai. Mr. Speaker, they say a picture is worth a thousand words, and I have a picture here of a dwelling that has been swept away, and I was going to pass that around to members to take a look at it. There are many more pictures, of course, on the internet, of the devastation that has occurred.

"Mr. Speaker, there's also a headline, front-page article today in the Star Advertiser titled 'Erosion is eating away at Hawaii's shorelines.' And we, instead of recognizing that and instead of doing maybe piece by piece management, we are just going ahead and issuing all of these leases covering submerged lands and portions of state submerged land, *et cetera*, as we have these measures before us.

"I think it's time, Mr. Speaker, to stop doing this in this body and to recognize that we are faced with sea level rise, and to recognize the problems that we have to address in a more sensible way, in a management way, rather than just going ahead and issuing these easements and continuing to do that.

"I'd like to read a couple of quotes from Dr. Chip Fletcher, University of Hawaii, he is one of the most knowledgeable people in the state about sea level rise. Dr. Fletcher says, 'Look at our beaches on any weekend. They are crowded with families. Beaches belong to our children. We are caretakers. If we keep building sea walls and destroying this legacy, we deserve to be known as a generation of thieves.' And Mr. Speaker, he goes on to say, 'We know sea level is rising. We know the shoreline is going to recede and move landward. In my opinion it's our job to get out of the way.'

"Mr. Speaker, these measures do not let us get out of the way. These measures really are denial of what is happening to our island shores, and I'm casting a no vote on all of them. So I will stand up individually, because there are some good measures interspersed in between the ones that are refusing to acknowledge that we need to get out of the way. Thank you."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and S.C.R. No. 133, SD 1, entitled: "SENATE CONCURRENT RESOLUTION AUTHORIZING THE ISSUANCE OF A TERM LEASE COVERING A PORTION OF STATE SUBMERGED LANDS AT KAHALU'U, NORTH KONA, ISLAND OF HAWAII," was referred to the Committee on Finance, with Representative Thielen voting no, and with Representatives Kobayashi, Lowen, McKelvey, Mizuno, Nakamura, Quinlan and Tokioka being excused.

Representative Yamane, for the Committee on Water & Land, presented a report (Stand. Com. Rep. No. 2020-18) recommending that S.C.R. No. 181 be referred to the Committee on Finance.

Representative Belatti moved that the report of the Committee be adopted, and that S.C.R. No. 181 be referred to the Committee on Finance, seconded by Representative Morikawa.

Representative Holt rose to speak in support of the measure, stating:

"Mr. Speaker. In strong support. May I please insert written comments into the Journal? Thank you."

Representative Holt's written remarks are as follows:

"As a former staffer for the late Senator Gilbert Kahele, who represented the First Senatorial District of Hilo, Hawai'i, it is with genuine respect and acknowledgment of a gentleman whose life is to recognize his long standing vision and work to better define the area for the community. The late Senator Kahele's vision that spanned decades, which the Mauna Kea Recreational Area, should be made to be a place that would enhance ones safety, relaxation and convenience while enjoying the scenic beauty of the area. Furthermore, The late Senator believed it was under served in terms of its potential and that improved facilities would bring attractiveness, safety, convenience and comforts. He worked hard, collaborating with others and with their cooperation were able to make the current park improvements.

"To rename the park is a very fitting legacy and an honor beyond measure given to the late Senator Gilbert Kahele's early community advocacy and later his actions to improve the park that is a 'stop' that is safe, convenient and beautiful for everyone who travels across Hawai'i Island on the Daniel K. Inouye Saddle Road Highway."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and S.C.R. No. 181, entitled: "SENATE CONCURRENT RESOLUTION REQUESTING THE CHAIRPERSON OF THE BOARD OF LAND AND NATURAL RESOURCES TO RENAME THE MAUNA KEA RECREATION AREA IN THE COUNTY OF HAWAII AS THE GILBERT KAHELE RECREATION AREA," was referred to the Committee on Finance, with Representatives Kobayashi, Lowen, McKelvey, Mizuno, Nakamura, Quinlan and Tokioka being excused.

Representative Belatti moved that the report of the Committee be adopted, and that S.C.R. No. 2, SD 1 be referred to the Committee on Finance, seconded by Representative Morikawa.

Representative Thielen rose to speak in opposition to the measure, stating:

"A no vote for the same reasons that I've stated. Thank you."

Representative Tupola rose to speak in support of the measure, stating:

"Mr. Speaker, in support. Briefly, this was a specific constituent that had requested this because he's been working for years at DLNR to address an issue that they won't fix, and neither does the landowner have permission to fix, and so it's kind of, they're stuck between a rock and a hard place. I'm not for building more seawalls. This one I would like permission to submit written comments so that I can submit the letter that they gave in regards to all of the timeline of trying to fix this problem using other methods, and that's why it went this direction. Thank you."

Attention: Cal Miyahara, Shoreline Disposition Specialist

Dear Ms. Case:

Subject: Grant of Term, Non-Exclusive Easement for Seawall Steps and Landscaped Area Purposes
Seaward of Tax Map Key (TMK) 8-7-023: 044

This is in response to your request, received September 1, 2017, for comments on the subject Project. We understand the Applicant seeks a grant of term, non-exclusive easement for a seawall that is approximately 353 square feet. The seawall is makai of the property line and is therefore in the State Land Use (SLU) Conservation District. The site makai of the property line is within the SLU Urban District and the County's R-5 Residential District. We have the following comments:

The seawall fronting the subject site is listed as nonconforming in our seawall inventory. However, portions of the wood and chain-link fences shown in the photos appear to be within the SLU Urban District. Photographs of the shoreline from 1986 and 1989 do not show these structures and we do not have any record that they were authorized as minor shoreline structures. Therefore, we recommend that the Applicant be required to remove the fences and any other unauthorized structures from the shoreline setback. Once a certified shoreline survey is issued, the Applicant may seek a Minor Shoreline Structure Permit to allow a 50-percent open work fence within the shoreline setback.

According to the application documents, the dwelling unit on the site was destroyed by fire and has been completely removed. The Applicant should be aware that any work that meets the definition of "development" for purposes of the Special Management Area (SMA) Ordinance (Chapter 25, Revised Ordinances of Honolulu (ROH)) (i.e., work that is not part of the development of a new single-family dwelling that is less than 7,500 square feet of floor area) will require an SMA Permit. At this time, it appears no work is proposed on the seawall structure. Therefore, no SMA permit is required at this time.

Finally, the Applicant should be aware that the entire site, identified as TMK 8-7-023: 044, is within the Coastal High Hazard District (VE Zone) with 12-foot elevations. Therefore, the requirements of Chapter 21A, ROH (Flood Hazard Areas) apply to the site.

Should you have any questions, please contact Elizabeth Krueger of our Zoning Regulations and Permits Branch at 768-8021.

Very truly yours,

Kathy K. Sokugawa
Acting Director
