"Mr. Speaker, no vote, brief comment. Mr. Speaker, part of our job of being legislators or the purpose of legislation is to design what kind of a society we want. And I think a no vote on this says, we want a society where parents have preeminence in the decisions for their children, not big government. And I think this goes in that direction. Thank you."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and S.B. Representative Garcia rose and asked that the Clerk record an aye vote with reservations for him, and the Chair "so ordered."

Representative Pierick rose to speak in opposition to the measure, stating:

"In opposition. This bill would allow the counties to basically phase out or create rules against short-term rentals. Short-term rentals are a part of our economy. If families want to acquire additional rooms or additional houses that they can rent out, that's a source of income for those families. So, with hopes that we can sustain and support our economy, and support families who that is their revenue source, I'm voting no."

Representative Quinlan rose to speak in support of the measure, stating:

"In strong support, Mr. Speaker. This bill is not just a statutory imperative, it is a moral imperative. We had a lot of testimony in the committees on Housing and Tourism the other day on this measure. And I heard from a lot of second homeowners, and third homeowners, and fourth homeowners about how we're interfering with them running their small businesses. Mr. Speaker, we're talking about the housing inventory of the entire state. And if we start looking at our housing inventory as just another opportunity to make money, we are all losing. Thank you, Mr. Speaker."

Representative Marten rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. In strong support. This bill is really important on O'ahu, where the county has tried to reign in the vacation rental industry that has eaten up so much of our housing supply. And they have been unable to do so because of HRS language. So, this will free them to manage their housing stock as they see fit, best fit. Thank you."

Representative Ward rose to speak in opposition to the measure, stating:

"Thank you, Mr. Speaker. A no vote, but with amendments, but that's my reservations. Because I know I can't say no with reservations. The first is which, this is more of a county Maui-specific bill. We know that there are so many that were second and third homes, like our colleague from the North Shore just mentioned. Clearly, this should be where it's Maui related.

"And secondly, for the sake, and this is the moral issue behind it, not just economics, but we have owner-occupants. I would love to see this thing exclusively for owner-occupants, who are the *kūpuna*, who are the one, if you remember, I did an amendment on the floor saying, hey, let's let these people live with a bit of money as they live in the house that they're renting out, and it's a room in the house. It's the only fair thing to do. It's not a second or third home, and those are the ones who should be eliminated and not take advantage of this. For those reasons, Mr. Speaker, I think it's Maui-centric, and it should be owner-occupant-centric. Thank you."

Representative Alcos rose and asked that the Clerk record an aye vote with reservations for him, and the Chair "so ordered."

Representative Evslin rose to speak in support of the measure, stating:

"In support. I just want to clarify that this bill is not just Maui-centric. On the island of Kaua'i, one in eight homes is a vacation rental. And on the island of Kaua'i, similar to Maui, we are losing housing stock every year due to the proliferation of vacation rentals. And when we have on these islands growing populations and dwindling housing stock every year, that's a recipe for rapidly skyrocketing housing prices. And the counties currently have no capacity to walk that back. So again, all this is doing is removing the barrier within state law for the counties to act on this, if they choose, and in the form that they choose. So, I think this is a necessary bill. Thank you."

Representative Matsumoto rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Perruso rose to speak in support of the measure, stating:

"In strong support, and I'd like to enter the words of my college from the North Shore into the Journal as if they were my own," and the Chair "so ordered." (By reference only.)

Representative Kapela rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. In strong support. I'd like the words of both the Housing chair and the chair of Tourism inserted into the Journal as if they were my own. I'd just also like to say that, the dream of owning a home here

in the State of Hawai'i, if you were born and raised here, has become nothing more than a dream. And until we can actually get ahold of this market and that and the fact that most homes are being rented on vacation rental platforms, it's always only going to be a dream. And I'd like to see that become a reality for Hawai'i's people. Thank you."

Representative Cochran rose to speak in support of the measure, stating:

"Thank you, Chair. And in super, super duper strong support of this bill. And I appreciate that it is, for me personally, Maui-centric. As a council member, I was dead set against STRs, TVRs, because I am strong believer that there's a purpose for hotel zoning, for resort zoning. And these short-term rentals and vacation rentals were never intended to be within residential communities. It has changed our entire lifestyle and environment. So, I thank you for pursuing this. And this has been a long time coming, and it should have been done years ago.

"Bread and breakfasts are something that I finally could swallow because yes, the owner is on site. So, when you had issues, they're there to take care of it. Versus, I saw swaths of corporations as LLCs buy up entire streets and turn all those residential homes into rentals, vacation rentals. So, thank you for this on the floor today. Strong support. *Mahalo*."
