

## FORTY-THIRD DAY

**Wednesday, April 3, 1991**

The Senate of the Sixteenth Legislature of the State of Hawaii, Regular Session of 1991, convened at 11:40 o'clock a.m. with the Vice President in the Chair.

The Divine Blessing was invoked by President Roy Machado of Honolulu Hawaii West Stake, Church of Jesus Christ of Latter-Day Saints, after which the Roll was called showing all Senators present with the exception of Senators Holt and Wong who were excused.

The Chair announced that he had read and approved the Journal of the Forty-Second Day.

The following introductions were then made to the members of the Senate:

Senator Iwase introduced Miss Sharon Keiko Kadoyama, the 39th Cherry Blossom Festival queen, who was seated on the floor of the Senate with her court, as follows:

"Mr. President, a couple of days ago, through the good graces of the Women's Caucus we were treated to a visit by the 442nd Veterans Club. In post-war (World War II) United States, one of their members who became famous in television commercials, Akira 'Sunshine' Fukunaga, started a festival as a way of reestablishing and promoting Japanese culture in Hawaii. That was in 1953 and it was called the Cherry Blossom Festival. Today, 38 years later, it is my privilege to introduce the queen of the 1991 Cherry Blossom Festival and ask that the Senators of the district in which her court attendants reside introduce their respective constituents.

"The festival queen is the daughter of George and Sarah Kadoyama. She is interested in martial arts and holds a brown belt in karate; she exhibits show dogs; interested in crafts; and she plays the piano. She aspires to pursue post-graduate studies in secondary education and offer guidance and encouragement to our high school youth. She is a graduate of Mililani High School.

"At this time, I would like to take this opportunity to introduce Miss Sharon Kadoyama, the 1991 Cherry Blossom Queen."

Miss Kadoyama rose to be recognized and was presented the congratulatory Senate certificate and a lei.

The following members of the Cherry Blossom Festival queen's court were then introduced:

Senator B. Kobayashi presented Miss Dayle Emi Nishimoto as follows:

"Mr. President, it is my privilege to introduce Dayle Emi Nishimoto, princess for the 1991 Cherry Blossom Festival. Dayle is 25 years old, born in Honolulu, Hawaii. Her parents are Stanley and the late Janice Nishimoto; a graduate of Aiea High School, 1984; has interests in tennis, dancing, aerobics and reading. She hopes to become a certified public accountant and make a positive impact on people's lives. Congratulations!"

Miss Nishimoto rose to be recognized and was presented the congratulatory Senate certificate and a lei.

Senator A. Kobayashi then presented Miss Lorianne Yumi Hiroe as follows:

"It's my great honor to introduce Miss Lorianne Yumi Hiroe. Lorianne is 25 years old; born in Honolulu. Her parents are Frank and Helen Hiroe. She is a '83 graduate of Mid-Pacific Institute. She's interested in travelling, softball, volleyball, basketball, bowling, aerobics and fishing. Her ambition is to pursue a challenging career in marketing and international business which will allow her to grow personally as well as professionally."

Miss Hiroe rose to be recognized and was presented the congratulatory Senate certificate and a lei.

Senator Tungpalan then presented Miss Carrie Aiko Yokoe as follows:

"Mr. President, it is certainly an honor and privilege, on behalf of Senator Mizuguchi, to present Carrie Aiko Yokoe. Carrie is 24 years old; she was born in Honolulu. Her parents are John and Betsy Yokoe. She is a '85 graduate of Pearl City High School. Her interests include aerobics, reading, writing stories and trying recipes. Her ambition is to be successful as an elementary school teacher, to have a happy and rewarding family life as a mother and wife, and to continue to strive for self-improvement."

Miss Yokoe rose to be recognized and was presented the congratulatory Senate certificate and a lei.

Senator Nakasato, on behalf of Senator Holt, then presented Miss Stacy Asako Konishi as follows:

"Mr. President, it is with great honor that I introduce Stacy Asako Konishi. Stacy was also won as Miss Popularity in the congeniality competition. She is 24 years old. She was born here in Honolulu; her parents are Larry and Ellen Konishi. She is a 1985 graduate of Moanalua High School, with interests ranging from baking and cooking, aerobics, reading and teaching. Stacy's ambition is to pursue a career in education and to become a positive role model for those people that she meets. Congratulations, Stacy!"

Miss Konishi rose to be recognized and was presented the congratulatory Senate certificate and a lei.

Senator B. Kobayashi then introduced the Nisei Week Japanese Festival queen and her court as follows:

"Mr. President, today, along with the Cherry Blossom Festival court we have another court with us from Los Angeles, the 1991 Nisei Week Japanese Festival queen and her court.

"As you know, the queen and princesses from the Los Angeles festival visit us at this time every year. This year is a particularly important year for the Nisei Week Court because this represents the 50th anniversary of their festival in Los Angeles. And they have commemorated it with a well done, elaborate, historical, as well as pictorial album, I would say, of their 50 years of Nisei Week in Los Angeles.

"I would like to introduce the Nisei Week Queen Sandra Alice Posey; Princesses Dawn Gotanda, Denise Higuchi and Kathie Honda. Congratulations and best wishes!"

All of the young ladies rose to be recognized and were presented the Senate certificate of welcome and leis.

Senator Iwase then introduced a delegation from the Honolulu Japanese Junior Chamber of Commerce (HJJCC), sponsors of the Cherry Blossom Festival, who were seated in the gallery: Mr. Alan Yokoyama, president of HJJCC and the 39th general chairman of the Cherry Blossom Queen Festival; Mr. Glenn Yokoyama, chairman of the festival, and assistants, Mr. Stephen Uyetake, Mr. Mike Matsuo, Mr. Miles Mizumoto, Mr. Victor Cabeltera, Mr. Randy Oba, and Ms. Chris Naito.

Senator Iwase also introduced Ms. Frances Hashimoto, the general chairman of the 50th Annual Nisei Week Japanese Festival of Los Angeles, who was also seated in the gallery.

Senator Nakasato introduced his student "shadows," Ali Loveless, Brandon Onishi and Anthony Villalon, eighth graders from Moanalua Intermediate School.

Senator McMurdo then rose to recognize and introduce members of the Oahu Neighborhood Boards as follows:

"Mr. President and members of this honorable body, on behalf of fellow Senators and former neighborhood board members, Mike McCartney, Ann Kobayashi, Eloise Tungpalan and Dennis Nakasato, it gives me a great deal of personal pleasure to introduce to you today some of the chairmen and chairwomen, members and commission members of the Oahu Neighborhood Board.

"Mr. President, for 15 years the neighborhood board system on Oahu has provided residents the opportunity to become actively involved in their communities, and among those who have participated in the success of the neighborhood board system are your five Senators and 16 Representatives who have served on neighborhood boards and, hopefully, we continue to contribute to the community.

"Mr. President, there are 30 neighborhood boards on Oahu and these boards are made up of 438 dedicated citizens who give unselfishly of their time, their energy and their knowledge to improve the quality of life in their neighborhoods and in this city and in this state. This morning we have on the chamber floor the following people representing all the chairpersons and members of the boards.

"Mr. Ken Stevens is the chairman of the Conference of Oahu Neighborhood Boards, which is a recently formed organization of all of the neighborhood board chairs. We're looking for great things from you besides home rule and the things you've already done. We welcome Mr. Stevens.

"Next, Ms. Debbi Glanstein, who is the co-chair of the Conference of Oahu Neighborhood Boards. Debbi has been with the neighborhood board system since its inception and was first a part of the neighborhood commission staff, and whether she's on the board or off the boards she's always worked with them. She also was a very competent member of my staff for two years.

"Next, Mr. Paul Chang, chairman of the Neighborhood Commission.

"Last, but certainly not least, we have Mr. Willie Espero, executive secretary of the Neighborhood Commission.

"Also, Mr. President, we have in the gallery the chairmen and chairwomen and members of the various neighborhood boards. These people have taken off valuable time today to be able to meet and talk with their respective Senators and Representatives at the luncheon which will follow the session. I would like to introduce

you to all the chairpeople of the boards who are present in the gallery.

All rose to be recognized.

Senator McMurdo continued:

"The wonderful thing that has come from the legacy of the neighborhood boards is that we now have a very strong cadre of citizens who are acquainted with the way the City Council and the Mayor's office works and the way the Legislature works. This makes for much more informed citizens and for much stronger citizen participation, and it's a real strong part of democracy."

Mr. Stevens, Ms. Glanstein, Mr. Chang and Mr. Espero, who were seated on the chamber floor rose to be recognized and were presented the congratulatory Senate certificate by Senator McMurdo. Leis were presented to them by Senators McMurdo, McCartney, A. Kobayashi and Tungpalan.

Senator Cobb then remarked:

"Mr. President, the Senator from Waikiki failed to mention that she started her political career by serving on the neighborhood board and perhaps the first rule of politics, and I've seen it many times at the many neighborhood boards I go, is 'Thou shalt covet thy neighbor's seat.' Thank you."

Senator McCartney then rose to add:

"Mr. President, it's my pleasure to welcome especially the members of the Kaneohe and Kahaluu Neighborhood Boards who are here. I had the honor of serving on Kahaluu Neighborhood Board 29 for a couple of years and I learned a lot there. But I want to say a few remarks about being on the neighborhood board.

"These people are dedicated, hard working and truly serve the communities that they represent. They are really the heart and soul of government in Hawaii and we want to thank you. We're proud to have you here with us today.

"There's another special group of people that I know all of you up there would like to recognize because if it wasn't for their hard work all the business of the neighborhood board would never get taken care of and that's the Neighborhood Commission staff. Will you please stand and be recognized because if it wasn't for you all our hard work would not be recognized. Thank you."

The commission staff, seated in the gallery, rose to be recognized.

Senator Tungpalan also added:

"Mr. President, I also want to add my tribute to the members of the Pearl City Neighborhood Board. I had worked alongside of them 12 years ago and I want to pay a special tribute to one particular individual, Mr. Albert Fukushima."

Mr. Fukushima rose to be recognized.

Senator Tungpalan continued:

"Albert, I believe, started with the original board 15 years ago. As the chairman of the neighborhood board in 1979, we had to work on the development plans for our area. Of course, we know these development plans are well respected by both the City Council and the Mayor of Honolulu. It was Albert who helped me to synthesize and

analyze and understand all of the comments that were necessary to give the right input to the Council and to the Mayor, and it is to you that I owe a debt of gratitude for allowing me to understand the process a little better. When I am confronted with similar bills before me in the Senate, as it was in the House, I remember and recall those tedious hours when I worked on them with you and the rest of the board during those days in 1979. So, to you, I thank a million times for the patience and the guidance and I will always be in your debt for that.

"To the rest of the members, I know that often times people have joked about how, you know, this is a springboard for political service here on this level or in the council and that it should be. I think this is the best place to learn what politics is all about because you really have your finger on the pulse of the community.

"I encourage all of you who seek to run for higher office some day to make yourself available during this process and let's enter it in the fair fashion that all of my colleagues here have participated in the past years and I encourage you to be more actively involved in this legislative process as the years go on.

"Thank you again and my aloha to all of you."

Senator A. Kobayashi also rose to add her acknowledgement and said:

"As a former member of the Manoa Neighborhood Board I would like to add my thanks to all the neighborhood board members.

"Neighborhood boards present such a great forum for all the residents of the community where we have a chance to interact with the police department, the fire department, members of the City, presenting concerns and finding solutions to all problems. And I'd really like to thank all of the members of the neighborhood boards. You put in so much time and dedication and we all want to thank you."

Senator Nakasato also rose to state:

"Mr. President, I also would like to add my thanks to the neighborhood board members. They give so many hours of aloha, free time, for the good of our community.

"In Neighborhood Board No. 16, we have an especially hard working individual, Mary Rose McClelland. She gives countless hours trying to solve the problems that we have in the Upper Kalihi Valley area, and one of the problems we have right now is the proposed contra-flow to come down Kalihi Valley, but we in Kalihi Valley oppose the contra-flow. We're trying to work together with the proponents to resolve the problem.

"Again, to all you members, thank you very much."

Senator McMurdo again rose to state as follows:

"Mr. President, I am an alumnus of the McCully/Moiliili Neighborhood Board, but I worked very closely with three boards -- the Waikiki No. 9, McCully/Moiliili No. 8, and Diamond Head/St. Louis Heights No. 5 and would like to ask members of those boards to please stand to be recognized. Thank you."

Senator Koki also rose to add his appreciation as follows:

"Mr. President, I would also like to add my comments to the appreciation that I have for the neighborhood boards. They really work a lot and the Windward community neighborhood boards are especially very

active. We as elected officials really appreciate the kinds of input that they have and as has been referred to, they really serve for love. They don't get paid. We, as elected officials, are paid to be good and I'm afraid they're good for nothing. No! (Laughter.)

"I really appreciate the kinds of service and the time that you put in and thank you very much."

Senator Chang rose to recognize the members of the neighborhood boards in Nuuanu Valley and said:

"Mr. President, it would be remiss of me if I did not introduce the members of Neighborhood Boards 12, 13, 14 and 15, all of whom are very concerned about the possibility that there might be contra-flow through Nuuanu Valley. Please rise and receive our appreciation."

The Chair then interjected:

"Fellow Senators, we've had a lot of introductions. The Chair would like to welcome all of our special guests here today, especially the neighborhood board members and the Cherry Blossom Festival delegation. We thank all of you for your contributions to our state.

"The Chair would also like to recognize the neighborhood board from the farthest area, Waianae Neighborhood Board: John Q. Adams, Peter Apo Sr., Chuck Armstrong, Donna Broome, Rory Horning, Linda Kaleiwahea, Mary McKellar, Albert Silva, Neddie Nunuwa-Waimau and May Wright."

Senator McMurdo then recognized and welcomed state Representative Les Ihara, standing in the gallery, who organized the visit of the neighborhood boards.

At 12:05 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:13 o'clock p.m.

**ORDER OF THE DAY**

**MATTER DEFERRED FROM  
TUESDAY, APRIL 2, 1991**

S.B. No. 952, S.D. 1, H.D. 1 (Hse. Com. No. 410):

On motion by Senator Mizuguchi, seconded by Senator Crozier and carried, the Senate disagreed to the amendments proposed by the House to S.B. No. 952, S.D. 1, and requested a conference on the subject matter thereof.

In accordance therewith, the President appointed Senators Mizuguchi, chairman, Kobayashi, A., and Koki as managers on the part of the Senate at such conference.

#### APPOINTMENT OF CONFeree

H.B. No. 1453, H.D. 2, S.D. 1:

The President appointed Senator Solomon as an additional manager on the part of the Senate at the conference to be held for the consideration of amendments proposed by the Senate to H.B. No. 1453, H.D. 2.

Senator Koki rose to speak on a point of personal privilege as follows:

"Mr. President, I wish to rise on a point of personal privilege.

"I'm sure all of you were sent a copy from the Shoup Corporation, makers of the electronic voting machine that we are considering buying. They responded to a letter that I circulated regarding some problems that I believe that the R.F. Shoup Company has. It talked about the couple of counties in which I pointed that the problem there was a Republican inspired conspiracy ... those no-good Republicans ... apparently they are the same everywhere. I wonder what kind of reason Shoup would have given had this been a Republican state?

"The main thing that I pointed out was the dependability of the R.F. Shoup Corporation and the article that I circulated, the news article from Santa Fe, New Mexico, said that we can't depend on the R.F. Shoup Corporation to do this quickly and efficiently. Within the letter of the R.F. Shoup Corporation they said, 'Call these people, these are satisfied customers.' So I decided to call one. She was from San Juan, New Mexico. Her name was Carol Bandy, and she gave me a good background of Shouptronics in New Mexico. Shoup had, apparently, a monopoly in the State of New Mexico. A law was enacted that qualified only the Shoup machine. Consequently, the cost of replacement parts was very high since they had a monopoly in the state. A move was made to amend the law and now two companies qualify and she says that the cost of the Shoup parts has come down.

"I asked Ms. Bandy regarding the reliability of service. She also stated that she was not happy with the service that Shoup Corporation has been giving. She says they've really not been reliable and timely manner.

"R.F. Shoup claims that they've installed 10,000 machine since 1983. At about \$5,000 a machine, this amounts to about \$6 million worth of business a year and if you add a couple of million dollars for replacement parts, you're talking about a company that does about \$8 million a year. That is not a large company. That's a very small company, considering that they're operating within the entire United States. I know many people who are in relatively small businesses and do more business than that.

"If we buy 1,100 machines we will have over 10 percent of all the machines Shoup has ever sold. Another

thing is that Shoup will have a monopoly in this state. The entire industry is very, very small because Shoup, up to last year, has sold more machines than any other company. It is an industry that is in its infant stages right now. We need to wait and let the industry grow and perfect itself. And currently we are not in the best financial shape and there are more pressing needs to address presently.

"I'm not saying that we shouldn't have electronic voting machines. I'm just saying we shouldn't have it now. Thank you."

Senator Matsuura, also on a point of personal privilege, said:

"Just for the record, Mr. President, we had a large group of students visiting from Hilo and Waiakea High Schools but because of the long introductions they had to leave. I did not have the chance to introduce them but I would like the record to note that they were here. Thank you."

Senator Cobb also rose to speak on a point of personal privilege and said:

"Mr. President, because of the length of the announcements involving the neighborhood boards, I didn't want to bring it up at the time, but in view of yesterday's announcement from the Housing chairman relative to homeless facilities in our various neighborhoods, one of our neighborhood boards, in particular Kaimuki Neighborhood No. 4, had taken a position earlier before this whole issue arose, relative to a park located at 16th Avenue and Claudine Street in my particular Senatorial district.

"The park is under consideration for transfer between the city and the state, and the only conditions attached to the transfer are (1) that it be kept in park use and (2) a possible nursery use be allowed; that no other use should be permitted.

"The neighborhood board at its last meeting, less than ten days ago, reaffirmed this position, not specifically excluding any other use but saying it would a deception to have another use suddenly imposed after the original terms and conditions had been established.

"So without taking a specific position on the question of any homeless facility anywhere, including my own district, I think its important that as we encourage the development of our neighborhood boards we also give full faith and credence to what they say and to any conditions that they attach in recommending a transfer of property between the state and the city or for detailed land use. Every year, as you know, the Oahu Neighborhood Boards do get involved in the development plans and a review thereof, and some of those meetings can be quite contentious. When they do arrive at a consensus, I think it is very helpful for them to be listened to by both the state and the city.

"Thank you."

#### ADJOURNMENT

At 12:24 o'clock p.m., on motion by Senator Solomon, seconded by Senator Reed and carried, the Senate adjourned until 11:30 o'clock a.m., Thursday, April 4, 1991.
