### ADVISE AND CONSENT

Stand. Com. Rep. No. 1215 (Gov. Msg. No. 68):

Senator A. Kobayashi moved that Stand. Com. Rep. No. 1215 be received and placed on file, seconded by Senator Hagino and carried.

Senator A. Kobayashi then moved that the Senate advise and consent to the nomination of George W. Sumner for Director of Public Safety, term to expire December 5, 1994, seconded by Senator Hagino.

Senator A. Kobayashi rose to speak in support of the nominee as follows:

"Mr. President, I rise to speak in favor of this confirmation.

"George Sumner has been an administrator in the corrections system of many states for over 35 years. At his confirmation hearing we received testimony from governors, former governors, congressional people and heads of corrections departments of many different states singing high praises of George Sumner's abilities.

"There were many questions regarding his confirmation that came up during the hearing. However, these questions were more than adequately answered by Mr. Sumner. His responses were always fair and to the point, and we received enough information to know that Mr. Sumner would be the best person as head of our new Department of Public Safety.

"I told Mr. Sumner that one of his problems is that he doesn't use flowery words; he doesn't smile a lot; he

doesn't go around bragging about what he does. He just makes sure that the job gets done and he gets it done in the most efficient way possible. And that is why I urge your confirmation of this great man who I know will make our Department of Public Safety one we can all be proud of. Thank you."

Senator Mizuguchi also rose to speak in support of the nomination and said:

"Mr. President, I too would like to voice my support for the confirmation of George Sumner.

"As chairman of the Committee on Employment and Public Institutions, it has been my pleasure to work closely with Mr. George Sumner since his appointment last July and I have found him to be, indeed, possessing the highest level of expertise and professionalism that has distinguished his work in the field of corrections for the last 30 years.

"As we were assured in the many letters of recommendation from across the country which were submitted on his behalf, George Sumner is a strong leader whose work is characterized by a sincere sense of fairness and innovation. For example, he showed his sensitivity to the concerns of the native Hawaiian population by meeting with representatives of several Hawaiian agencies to discuss the needs of native Hawaiian individuals incarcerated or employed in the corrections system.

"In addition, Mr. Sumner addressed the problems of the use of force by individuals in the corrections field. This is an issue which has come to be a concern for all of us. Mr. Sumner met the issue by revising the policy regarding the issue of the use of force and by seeing to it that the staff was trained in the correct procedures in regard to the use of force.

"A few of his other efforts during the short time he has been here in Hawaii has been the implementation of a plan to satisfy requirements of the consent decree, development of plans for sex offender and substance abuse treatment, vocational education, correctional industries, and improvement of the case work process.

"Moreover, I have found him to be open to ideas that involve alternatives to incarceration.

"In closing, Mr. President, I also would like to acknowledge the work of our special master, Mr. Kip Kautzky, who laid the foundation for the prison reforms in the State of Hawaii. I'd like to thank him personally for the work that he did and I know that Mr. Sumner will continue in the best efforts to improve our correctional system in the State of Hawaii.

"I ask all my colleagues to support Mr. Sumner. Thank you."

Senator George also supported the nominee and said:

"Mr. President, I would like to join the chorus of praise for George Sumner and ask my colleagues to vote favorably for his confirmation. I make particular reference to his thoughtful and rapid response to both community and institutional problems with the siting of the Women's Correctional Facility and the Youth Facility on the Windward side. He handled the problem expeditiously and well, and I think we're extremely fortunate to have him. He's a fine nominee. Thank you."

Senator Koki also rose to speak in support of Mr. Sumner and remarked:

"Mr. President, I too would like to add my voice of support for Mr. Sumner. He is very knowledgeable in the area of corrections and I really appreciate that. He's been very open and a willing person to work with.

"I want to add all of the previous comments to my comments that he's a very able and very capable person, and we are indeed fortunate in having him. Thank you."

Senator McCartney added his support as follows:

"Mr. President, I rise to speak in favor of the nominee.

"Mr. Sumner has worked very closely with our community and we really appreciate his efforts, especially the efforts echoed by the Minority Leader, Senator George.

"Also, I would like to say that he has an excellent track record and I think he's the best man for the job. I've worked with him on different problems within the women's prison and he's responded swiftly and effectively to the concerns that were brought up. I really appreciate that.

"I believe he'll do a good job. Thank you, Mr. President."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 22. Noes, 1 (Reed). Excused, 2 (Holt, Matsuura).

Senator A. Kobayashi then introduced Director of Corrections George Sumner who was seated in the gallery with a group of friends and members of the corrections system.

Stand. Com. Rep. No. 1216 (Gov. Msg. No. 70):

Senator A. Kobayashi moved that Stand. Com. Rep. No. 1216 be received and placed on file, seconded by Senator Hagino and carried.

Senator A. Kobayashi then moved that the Senate advise and consent to the nomination Edward Y. Hirata for Director of Transportation, term to expire December 5, 1994, seconded by Senator Hagino.

Senator A. Kobayashi then rose to speak in support of the nominee and said:

"Mr. President, this is another man who will work hard to get the job done. He also doesn't mince words. He just moves ahead and makes sure that his department is run efficiently.

"I've known him for many years and, in whatever capacity he has been asked to serve, he has always done an excellent job. He's in charge of all of our highways, our roads, our harbors, our airports. It's a tremendous job and through his past performance, we know he can do it in the next four years again.

"I urge your confirmation of Ed Hirata as Director of Transportation. Thank you."

Senator Fernandes Salling also spoke in favor of the nominee and remarked:

"Mr. President, I too rise to speak in favor of this nomination.

"Over the years, having worked with Ed, I have to say that I'm very impressed with Ed the man and Ed the director of our Department of Transportation.

"Ed has a unique kind of leadership that he's brought to this department. He's soft-spoken and, yet, I think if you ask anyone on his staff, he's pretty hard-driving when it comes to needing to get things done. But besides that, he combines this kind of leadership with a certain sense of his own brand of sensitivity to the community. This was well exhibited yesterday when we were on Kalaupapa where they were signing agreements on how to proceed with making the necessary improvements to the roads and to the airport. It was very impressive how he worked it all out with the community. I think that's Ed's approach.

"I've seen him at numerous hearings now and I think that one could take lessons from him on how to stay cool under the kinds of pressure and criticism that he's been having to endure as the head of this department.

"DOT, as we all know, has a lot of problems especially with traffic and throughout the islands this has been the number one complaint now for a lot of years. I think that Ed is probably the perfect person for this job, given the kind of person that he is. It could perhaps be best illustrated by what he likes to say to his staff at the end of a hard working day and that is, 'It's another fine day in paradise, isn't it?'

"I urge your unanimous support of Ed Hirata for Director of Transportation."

Senator Reed added his support as follows:

"Mr. President, I want to add my thoughts in support of the nomination as well.

"On Maui, people such as Councilman Wayne Nishiki and I often team up to catch Ed Hirata and oppose his position relative to the West Maui Airport or to demand some kind of quicker action than the department is able to deliver, and Ed consistently remains responsive and open and that attitude filters down to the rest of the department. Among all of the departments that I deal with on the state level, the DOT is the most responsive and the most open and I believe that comes from the top and so I, also, support the nomination."

Senator McMurdo also supported the nominee and said:

"Mr. President, I have had quite a few dealings with Ed in the past seven years, it's been, and on issues of such vast interest to my community as the fight over the bridge up the Manoa-Palolo drainage canal or over University Avenue he has been very helpful.

"He also was responsive when we needed to have a small boat harbor advisory committee in the Ala Wai Harbor, which is one of many of the problems of my district ... around the boating community. Ed met with me and we got the group organized and I must say that they have been listening to the group, which is just great.

"I would also like to mention that I'm looking forward to working with Mr. Sumner because if the bills all go through the marine patrol will be under Public Safety, and that is of vital interest to that harbor down there.

"I urge all of you to vote for Mr. Hirata."

Senator Cobb added his remarks in support of Mr. Hirata and said:

"Very briefly, Mr. President, speaking in support of the nomination.

"I've served with Ed Hirata and under him in the Army Reserve. Not many people know that he is a former Army Reserve brigadier general. And the kind of leadership he exhibited there has been more than apparent in the Department of Transportation.

"I want to say for the record, I saw him at a meeting the other night in Aina Haina, literally, enduring two hours of complaints of residents. The Department of Transportation under Ed Hirata has done more listening and more responding to the residents of Hawaii Kai and Kalaniana'ole Highway in the last four years than has happened in the previous 40 years. And that's a tribute to Ed Hirata. A tribute to him being willing to lean over backwards to try and accommodate residents' concerns.

"As a representative of part of that area, I very much appreciate that and wish to publicly commend him for it. And as the previous speaker said, this kind of attitude reflects and flows from the top down.

"I strongly urge my colleagues to support Ed Hirata and with it a vote of thanks."

Senator George also spoke in support of the nominee and stated:

"Mr. President, as a charter member of the Ed Hirata Fan Club, I would like to remind my colleagues that until Ed sat in the chair he's sitting in now the history of transportation planning between the City and County of Honolulu and the state was, I think I could characterize it as a disaster. Ed is the one who's made the difference and we're lucky to have him. Thank you."

Senator McCartney also supported the nomination and said:

"Mr. President, Mr. Hirata has done an excellent job in working with our community also. I've sat with him through numerous neighborhood board meetings and, as you know, everybody is an expert on highways because we all drive so we all have the answers and he's very patient and listens to all the answers and solutions.

"Also, our community appreciates his taking a very tough stand on the issue of jet skis and commercialization in Kaneohe Bay. We appreciate his leadership in that area.

"Finally, I would like to point out something that he did just this last week. You know, in government a lot of times we hear about problems and concerns and all of us know that many of the calls and complaints we get are all negative, all those problems dealing with government. The Department of Transportation did something positive that needs to be publicly recognized and that is when we had the power outage. Ed, under your leadership you took charge and you opened up the contra-flow lanes very early in the afternoon, avoiding a major traffic tie-up and it's your leadership and your foresight that should be commended on that. We appreciate those kinds of actions out of the department.

"Mr. President, I wholeheartedly support this nomination."

Senator Koki added his comments in support of the nominee and said:

"Mr. President, there's not much more to add than what has been said, but I also wish to publicly support this nomination. Ed Hirata has always been very

accessible and always willing to listen and so those have been the comments to Ed of the testimony thus far. The department as a whole has always been very responsive to our office so I want to wholeheartedly support Mr. Hirata for Director of Transportation."

Senator Ikeda also added her support and remarked:

"Mr. President, I'm going to be the fly in the ointment. I just want to say that I think that it's very opportune for Mr. Hirata to have his confirmation today and not next week. Next week begins a very auspicious time. Construction finally begins on Kalanianaʻole Highway. And after about a week of that I'm not sure that he would have the vote. So I'm pleased that it's taking place today.

"All kidding aside, I must say that over the years that I've had to work with Mr. Hirata we have not seen eye-to-eye on many, many things. In fact, we disagreed very openly on some things, but he has been responsive and he's always taken the other point of view into consideration. And he's also held the line when he felt that he was correct.

"We are in for some very trying times, at least for the next 18 months. Hopefully, not the whole three years, Ed, I'm counting on you.

"This man and his direction over the period of time can make a difference, I think, in terms of who comes back to this Legislature. So, we're counting on you, Ed. Thank you."

The Chair interjected:

"Do I understand that we are to defer this matter until April 16, 1992?" (Laughter.)

Senator Chang then said:

"Mr. President, I would be remiss if I did not join my colleagues from the Windward side of this island in commending Mr. Hirata for having engaged in a very delicate balancing act in addressing the traffic problems of our Windward residents and their desire to serge through the valleys of Kalihi and Nuuanu. And so on behalf of the Senator from Kalihi, I join with my colleagues in congratulating Mr. Hirata for a job well done. Thank you."

Senator Levin also added his support as follows:

"Mr. President, I would not normally get up in spite of my strong support for Mr. Hirata. My fear is that if nobody from Big Island gets up we may lose all our money. So may I please just add the support of the Big Island. Ed, please keep giving us our share. Thank you."

Senator Crozier then said:

"Mr. President, on behalf of the Leeward side of the island, I would like to just make a few comments about our nominee just so that it can go into the Journal. Mr. Hirata is already a legend for his duties as a general and as a Department of Transportation director, but, I think the most legendary part about you, Mr. Hirata, is having been the acting mayor. That is time you decided when we were going to celebrate Halloween. Remember those remarks? 'Halloween is tonight!'

"But seriously, Mr. President, the H-1 freeway has been relieved of traffic because of Mr. Hirata putting in shoulder lanes on both the right and left sides, so now instead of taking an hour and twenty-five minutes to get

to town in the morning you can do it in about an hour and five minutes. So that's a big improvement.

"He's also working with us to help clean the freeway. A section of the H-1 freeway happens to be the dirtiest freeway in the United States of America. Mr. Hirata and I have already pledged ourselves to make it the cleanest freeway in the United States.

"I support his nomination. Thank you, Mr. President.

Senator Tungpalan also spoke in support of the nomination and said:

"Mr. President, I just wanted to clarify one thing. I think that Mr. Hirata's efforts on behalf of the people on Leeward Coast were indeed quite swift, but it was at the behest of the people of this area. The shoulder lane, as you recall, was an initiative that came about as a result of many meetings with your department and also the lowering of the carpool lane to two has really worked effectively in our area. But again, that was at the behest of our people. So working together, we got the job done. Thank you very much."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Holt, Matsuura).

Senator A. Kobayashi then introduced Mr. Hirata as follows:

"Mr. President, at this time may I introduce the great man, Ed Hirata, head of the Department of Transportation.

"I believe there are some supporters seated with him also. Would you stand to be recognized."
