

FIFTY-SEVENTH DAY

Wednesday, April 24, 1991

The Senate of the Sixteenth Legislature of the State of Hawaii, Regular Session of 1991, convened at 11:46 o'clock a.m. with the Vice President in the Chair.

The Divine Blessing was invoked by Bishop Larry Oler, Brigham Young University, Second Stake, Church of Jesus Christ of Latter-Day Saints, after which the Roll was called showing all Senators present with the exception of Senator Wong who was excused.

The Chair announced that he had read and approved the Journal of the Fifty-Sixth Day.

The following introductions were then made to the members of the Senate:

Senator Solomon introduced Mrs. Malia Thompson, her aunt, who is the wife of Bishop Larry Oler who delivered the invocation.

Senator Yamasaki, on behalf of Senators Solomon, Reed and himself, introduced Ms. Flo Nakama, Mr. Ed Ginoza and Mr. Maurice Morita, members of the Maui Division of the Hawaii State Teachers Association, who were seated in the gallery.

Senator Crozier then introduced Mr. Paul Campbell from Yakima, Washington, who graduated from Colorado College with his daughter Kimberly. Mr. Campbell and Kimberly Crozier, who were seated in the gallery, rose to be recognized.

Senator Reed introduced Ms. Tsulan Purdy, seated in the gallery, who is a teacher from Molokai, also with the Hawaii State Teachers Association.

Senator Blair then introduced a group of 9th and 10th grade students from McKinley High School, as well as their teachers Mrs. Jacquelyn Wesolosky, Mrs. Sophia Hu and Ms. Tine Thuener.

Senator Ikeda then recognized and introduced Mr. Craig Uyebara, seated on the floor of the Senate, as follows:

"Mr. President, it gives me great pleasure this morning to present to this honorable body the State Golf Champion. Craig Uyebara recently won the 27th Annual Hawaii High School Athletic Association State Golf Tournament at the Waiehu Municipal Golf Course on Maui. Currently a senior at Kaiser High School, Craig tied for second place in last year's state tournament, and won the Junior Golf State Championship in 1989. This year, after finishing the two-day 36-hole tournament, Craig and another golfer were tied for first place. Using his experience and outstanding golf skills, Craig persevered and won the individual title on the first playoff hole.

"Members of the Senate, it's my distinct pleasure to present to you Mr. Craig Uyebara."

"With us this morning is a gentleman who is responsible in part for Craig's success. We all know an outstanding athlete excels only with the support of a highly committed coach, and Bill has been such a coach. He's not only head coach of golf at Kaiser High School but since 1972 has been a head coach of track, football, soccer, golf and weight-lifting. Bill von Arnswaldt, will you please stand to be recognized.

"With Craig this morning is his mother Mrs. Maurice Uyebara. His dad couldn't be with us. Craig is very lucky. Every fortunate young person, a successful young person I should say, is usually backed by a very supportive family and Craig certainly has that. In the gallery with us this morning are Craig's grandparents, Mr. and Mrs. Richard Sakurai, also his aunt Joyce Nakamura and his cousins, Iris, Asao, Dale and Steven Watanabe."

The honoree rose to be recognized and was presented the congratulatory Senate certificate by Senator Ikeda and received a lei.

Senator Cobb then recognized and introduced Mr. Kwaghfan Igber, seated on the floor of the Senate, as follows:

"Mr. President, on behalf of all members of the Senate, I would like to introduce a very special young man who is with us today with his father.

"By way of background, he has come all the way from Nigeria to study in the United States and I know how difficult it is for foreign students to study in another country. In doing the same thing, myself, at Moscow University, I can appreciate ever more the language and the cultural differences, the differences in season and lifestyle, differences in relating to people, differences in just learning as well as being in an environment that is totally strange.

"Today's young man is an exceptional person who has literally overcome every conceivable odd. Mr. Kwaghfan Igber came to Hawaii from Nigeria and has distinguished himself both scholastically and socially as a full scholarship student at Lutheran High School.

"Now a senior, he has an accumulated 4.0 grade point average, is a member of the National Honor Society, has been named outstanding student in physics, chemistry, and Asian studies, and is listed in 'Who's Who Among American High School Students' as well as the National Talent Search Institute Data Base. A natural leader, he was named Most Outstanding in Leadership in Physical Education and has provided a strong, positive role model for his peers.

"Recently, Kwaghfan was selected by the Congressional Youth Leadership Council to represent Hawaii as a Congressional Scholar, and he has been invited to apply for admittance to the Massachusetts Institute of Technology.

"The Senate of the Sixteenth Legislature of the State of Hawaii congratulates Kwaghfan Igber on his many achievements and wishes him success and happiness in his future endeavors.

"Ladies and gentlemen of the Senate, it is my distinct honor and privilege to introduce our young Congressional Scholar Mr. Kwaghfan Igber."

Mr. Igber rose to be recognized and was presented the congratulatory Senate Certificate by Senator Cobb and Senators Tungpalan and McMurdo presented the leis.

Senator Cobb continued:

"Mr. President, one of the things that I would like to mention about Kwaghfan Igber is that he is living with his family on a temporary basis in Palolo Housing on Ahi Street. So if you look at the long odds this young man

has overcome, this is just another one of them and it's not a case where he has the money or the financial means to achieve what he has done. It's been, principally, his drive and the support of his family and is even a further tribute. I wanted to share this fact with the members of the Senate.

"Mr. President, Kwaghfan has prepared a set of remarks that I would like to circulate to every Senator, expressing his thanks and observations and I'd also like to ask the permission of the Chair to have this inserted into the Journal of the Senate.

"As the Senator from Hawaii Kai said, it's family support that counts so much, and with Kwaghfan is his father Joe Igber."

Mr. Joe Igber also rose to be recognized and was presented a lei by Senator A. Kobayashi.

The prepared remarks to Mr. Kwaghfan Igber reads as follows:

"Senate President, Senators, distinguished guests, ladies and gentlemen, I feel deeply honored and fortunate to be part of this memorable occasion. During my high school career, I was nominated on several different occasions to participate in both national and international scholastic events, but I would like to briefly share with you in summary my recent experiences in Washington, D.C., while attending the National Young Leaders Conference that took place in Washington, D.C., during the week of February 19-24.

"The first day was spent registering and getting acquainted with other students from different states all over the country. The second day was spent at the Department of State in a briefing about U.S. foreign policy and later at the Saudi Embassy. Much of the third day was spent at the Capitol building. While there we were taken on a guided tour of the building. After the tour we attended a few committee hearings. The highlight of the third day and perhaps the most important to me was meeting with Senator Akaka and having lunch with Patsy Mink who were both the representatives from my state. We spent the fourth day at the nation's Press Club. While there we listened to lectures given by five distinguished national journalists. The later part of that day was spent at the Smithsonian and the National Mall. On the fifth and last last of the conference we visited Arlington Cemetery and the Tomb of the Unknown Soldier. We spent this day visiting other monuments and historic sites. While most of these events were carried on during the day you may wonder what we did during the evening. The evenings were spent at mock congress meetings. Mock congress was a simulation in which we attempted to introduce a bill and go through all the necessary process of passing that bill.

"Finally, I would like to conclude by thanking all the people who sponsored me and made this trip possible. Without them this unforgettable experience would not have been possible. Once again, I would like to thank the Senate, and all who have made this occasion possible. This goes a long way to demonstrating the true spirit of what the United States of America stands for, and I am proud to have taken part in this grand experiment. Thank you all."

At 11:59 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:04 o'clock p.m.

He was just a high school student then and when I went to his house I learned that he was taking care of all of his brothers and sisters, all young ones. He refused to have any one of them placed in foster homes. He became their father and took care of all of his young brothers and sisters. Everyone of them had their responsibilities in the home, cooking, washing dishes, cleaning the house. I don't know how he managed the finances. I hired him as an assistant of the watermelon project.
