

## TWENTY-FIFTH DAY

Friday, February 28, 1997

The Senate of the Nineteenth Legislature of the State of Hawaii, Regular Session of 1997, convened at 11:39 o'clock a.m. with the President in the Chair.

The Divine Blessing was invoked by the Reverend Clarence L. Fisher, Our Lady of Sorrows Parish, after which the Roll was called showing all Senators present.

The President announced that he had read and approved the Journal of the Twenty-Fourth Day.

The following introductions were made to the members of the Senate:

Senator Levin introduced the following individuals from the Council of State Governments: Kent Briggs, Director, CSG-West; Cheryl Duvachelle, Deputy Director, CSG-West; Daniel Sprague, Executive Director, CSG-National; and Senator Jeff Wells, Chair, CSG-National.

Senator Tam then introduced Clarence Lee, who was commissioned by the U.S. Postal Service to design Chinese New Year's stamps for the next 12 years of the Chinese lunar calendar. Mr. Lee was accompanied by his wife, Elsa.

At this time, Senate President Mizuguchi invited Senator Wells to address the members of the Senate and their guests and appointed Senators Taniguchi and Levin to escort him to the rostrum.

Senator Wells delivered his greetings from the Council of State Governments as follows:

"Thank you, Mr. President and members of the Senate. I am Jeff Wells and I do bring you greetings today from my own home state of Colorado and from the Council of State Governments, all 50 states, including yourself.

"We are looking forward, with great pleasure, to having the opportunity to host our Council of State Governments' Meeting in your fine city, right here at the Hilton Hawaiian Village in the first week of December. I need to tell you that at the various meetings that I've gone to across the country -- as chairman of the West and now being chairman of the National Council of State Governments Organization we have the opportunity to go on many different trips -- every place I have gone, the people have told me that they look forward to coming out here to Hawaii in December and to receive your hospitality.

"Your emissaries have preceded you. I have served on the West Trends board for several years with Senator Taniguchi and he is well-respected in that committee. Senator Levin has been a past chairman of the CSG West and therefore all of the western states have regularly seen him. There have been others of you who have been active in this organization and we appreciate your involvement and we look forward to the opportunity of coming here and sharing the various state issues with you.

"I say it that way because all states are different, but they're all essentially the same. I looked in the paper this morning and saw that you were deliberating on your no-fault insurance and we have almost a similar bill going through the State of Colorado right now. So we all face the same issues.

"Again, thank you for your hospitality and we look forward to joining you in December. Thank you."

At 11:52 o'clock a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:00 o'clock noon.

Senator Chumbley moved that Stand. Com. Rep. No. 619 be received and placed on file, seconded by Senator Matsunaga and carried.

Senator Chumbley then moved that the Senate consent to the nomination of ELWIN P. AHU for Judge of the Circuit Court of the First Circuit, 1st Division, for a term of ten years, in accordance with the provisions of Article VI, Section 3, of the Hawaii State Constitution, seconded by Senator Matsunaga.

Senator Matsunaga rose to speak in support of the nominee and stated:

"Mr. President, Elwin P. Ahu received his B.A. from Graceland College and his J.D. from the William S. Richardson School of Law. Prior to his present position as a District Court Judge, Judge Ahu worked in the Public Defender's office and in private practice. Judge Ahu was most recently Chairperson of the Committee to Review and Revise the Statutes, Rules and Forms Relating to District Court Civil Cases and Civil Procedures which were effective April 1, 1996.

"Further, Judge Ahu's community service includes mediation training at the Neighborhood Justice Center and educating the public about the legal system.

"Testimony was received by your Committee in support of the nominee which indicated that Judge Ahu is dedicated to legal excellence and has the legal skills and ability as well as the judicial temperament necessary to make contributions to the Circuit Court. Testifiers further acknowledged his compassion as well as his balanced and understanding approach in handling the cases before him.

"Finally, Mr. President, your Committee acknowledges and appreciates his selfless commitment to promoting a better understanding in the community about the judicial system.

"I urge my colleagues to consent to this nomination. Thank you."

Senator Solomon also rose in support of the nominee and said:

"Mr. President, I also rise in support of the nominee, and in support of the remarks by the previous speaker.

"I had an opportunity to visit with the nominee and I found him to be compassionate. I found him to be truly a person of what we like to say, 'keiki o ka aina'. I found him to be knowledgeable and understanding and he has come up with balanced resolutions on cultural values and racial issues that this Legislature has been confronted with. He seemed to be very, very responsive.

"And because of that, Mr. President, I'm urging all my colleagues to vote in the affirmative. Thank you."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 24. Noes, none. Excused, 1 (Iwase).

At this time, Senator Matsunaga introduced Judge Ahu, who was seated in the gallery with his family. (Judge Ahu rose to be recognized.)

Stand. Com. Rep. No. 620 (Gov. Msg. No. 113):

Senator Chumbley moved that Stand. Com. Rep. No. 620 be received and placed on file, seconded by Senator Matsunaga and carried.

Senator Chumbley then moved that the Senate advise and consent to the nomination of KEITH M. KANESHIRO as the Director of Public Safety, term to expire December 7, 1998, seconded by Senator Matsunaga.

Senator Chumbley rose in support of the nominee as follows:

"Mr. President, I rise in support of this nominee.

"Upon review of the resume and other background information submitted by the nominee, your Committee finds that Keith M. Kaneshiro graduated from the University of Hawaii, majoring in political science, and received his J.D. degree from California Western School of Law. Mr. Kaneshiro worked as a Deputy Attorney General from 1984 to 1988, and most recently as the Prosecuting Attorney for the City and County of Honolulu from 1989 to 1996. Mr. Kaneshiro was selected for his present position as Director of Public Safety in December 1996. He is also Director of the National Alliance for Model State Drug Laws and served on President Clinton's Commission on Model State Drug Laws in 1993.

"Testimony was submitted to your Committee in support of the nominee which indicated that Mr. Kaneshiro is a dedicated and devoted public servant with the legal expertise, managerial experience, and vision necessary to positively administer the Department of Public Safety and to enhance public safety for the community.

"I urge all my colleagues to consent to this nomination. Thank you."

Senator Aki rose in opposition to the nomination and said:

"Mr. President, I rise to register my opposition to Gov. Msg. No. 113.

"I think this nomination is ill-advised. I do not believe that the nominee has the penal experience nor the qualifications in the penal system, nor does he have the independence that is necessary to lead the Department of Public Safety in these very difficult times.

"So, very briefly, with that I'd like to ask for a 'no' vote on this nomination."

Senator M. Ige also rose in opposition to the nomination as follows:

"Mr. President, based on the comments of my colleague here, can you please register a 'no' vote for myself."

Senator Tam rose and said:

"Mr. President, please register a vote of 'aye with reservations' on this."

Senator Solomon then rose and said:

"Mr. President, also, for myself, an 'aye with reservations.'"

Senator Tanaka added:

"Mr. President, I, too, vote 'aye with reservations.'

Senator Bunda rose and said:

"Mr. President, 'aye with reservations.'

Senator Sakamoto stated:

"Mr. President, similarly, 'aye with reservations.'

Senator Slom rose in opposition and said:

"Mr. President, I vote 'no.' I'm still waiting to hear some of the vision and the independence from the candidate."

Senator Anderson also rose to oppose the nomination and said:

"Mr. President, would you put me down as a 'no,' also. I agree with Senator Aki and because of some administration concerns, I will be voting 'no.'"

Senator McCartney rose to speak in support of the nominee and said:

"Mr. President, I rise to speak in support of the nominee.

"Mr. President, I've had the pleasure of working with the nominee throughout my career in the State Senate. And the one thing I know about Mr. Kaneshiro is that he has integrity and a commitment to public service, and Keith gets the job done. You can always get straight answers from him; he is dependable and is committed to doing a good job for the people of Hawaii.

"So for those reasons, Mr. President, I support this nomination. Thank you."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 20. Noes, 4 (Aki, Anderson, Ige, M., Slom). Excused, 1 (Iwase).

Senator Chumbley then introduced Mr. Kaneshiro, who was seated with several family members in the gallery. (Mr. Kaneshiro rose to be recognized.)

At 12:11 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:13 o'clock p.m.

Senator Anderson rose on a point of personal privilege and stated:

"Mr. President, I stand on a point of personal privilege.

"I think most of us have been receiving from the governor's office different types of announcements of what's happening in the state. One of them was that we received \$125,000 in contributions for the King Kamehameha celebration. Since we have taken that money out of the budget, I would hope that maybe we could do King Kamehameha's celebration a little backwards. We'll start from Magic Island; we end up at Kamehameha Statue; we then pay homage to our King, and we can go across the street to the palace.

"Kamehameha Day, which has been going on for so long, has been a tourist attraction. And yet we're saying that we're going to cut it out. It was a cultural practice for most of us

when we first started it. And now we're saying we're not going to fund it. And now we're also saying that the \$125,000 ... we should thank these people who are actually benefitting by the celebration that we started. That's one of my concerns.

"The next is the \$13 million contract to Barbers Point. I think this is great but I also wanted to put down where the majority of cargo moving through Barbers Point is liquid and dry products -- commodities such as coal, sand, cement, scrap metal and petroleum products. I want to remind you folks that we buy 650,000 tons of coal every year from Indonesia. And that comes in through Barbers Point on foreign vessels and it gets unloaded like many vessels that come into our harbors that gets unloaded. They're foreign vessels. We have not wanted to do anything to upgrade our harbors. We've done nothing this year for a study to continue. We haven't funded the harbors and looking at a port authority and everything else that we funded last year. This year we're going to cut even though the administration, the departments and everybody said we should go ahead and move this on.

"We have a company, after 150 years, that voted against the sugar act. And yet they own the ships that come into our harbors and keep our costs in a very, very high profile. We figure \$2,000 a year per household because we have to bring them in on an American bottom. We cannot buy the 650,000 tons of coal from Alaska because it's too costly for us to bring it in from Alaska, which is a lot closer.

"I read in the paper that we're going to have a problem with tourism traffic plunging. The U.S. slaps Japan's ships with a \$100,000 per visit levy. Developers sought for pumping station. We have more problems in this state that go on everyday -- things that we should be looking at.

"The HVB is asking for \$10 million. I didn't make the hearing last night, but I did give to one of the Senators all the different logos from different states. We no longer use the Kamehameha logo and some people said, 'Well, there's a cultural problem. Some of the Hawaiians don't like the idea of you exploiting our King.' Well, let me remind you, ladies and gentlemen, we have a state seal; we have Diamond Head; we have the Koolaus. We have many, many aspects in this state that are different than any others. And just to go ahead and try to sell Hawaii in different colors has caused us a problem.

"We all received a fax last night, or yesterday afternoon, that said, 'The tourist industry is having a little difficulty in marketing Hawaii because we have changed our name and we're no longer using a logo, so there's going to be an identification crisis.' Well, what the hell are we paying \$10 million for to market something that is now going to have a hard time? Are we going to be spending the \$10 million, or a good portion of it, to re-identify the islands that we've been so proud of all these years?

"I think, Mr. President, that everyone says, 'There he goes again, talking about the economy.' But I don't think that if we stand here and do not try over and over to remind you that the economy is down, you'll forget. The governor also sent one of these bulletins that said the teachers are behind him because he's going to spend the billion dollars. Well, that's great, but how much is that school going to cost? What is the construction industry really going to get? And whose priorities are they going to be using -- his or ours -- to build that school or cafeteria or whatever is needed? You're going to have to get employees, so it's not a revenue generating type of a business. We have to look at something that's going to be revenue generating. I believe in schools and I believe that the construction industry needs to move forward, but I believe we also have to look at the economy and what's happening.

"If we want to pass something that says we want horse-racing, everybody says you can't do it; it's gambling. We have two states that deny anything against gambling -- us and Utah. So the other 48 are wrong? To make it easier, we did research

and found out we could put a referendum on there, giving the people a chance to vote. That's their right. As far as the Republicans, it has always been our understanding that the people had the right to vote. But now are we saying you can vote against referendums? We don't want the people to have any voice.

"So, I would urge you, look at what we're passing. If there's anyway we can, even in conferences and if we have to piggy-back or whatever the hell we call it, let's move something that has some economic impact to help this state because we're in dire need of it. The business community is having one heck of a problem. Labor is having one heck of a problem. And we're not solving problems.

"When we receive a letter from a school that now says we want a cafeteria and children tell me that they want books, I say great, then let's look at possibly going back to having a book rental fee. We paid it before. I paid to go to school. Free? There's no such thing as a free lunch. Charge a fee and then put that in a special account so that our children will have books and they don't have xeroxed copies. Be innovative, ladies and gentlemen. Try!

"If you lose the next election or I lose the next election but we have done what we honestly believe is fair, then we've done our job.

"Thank you so much for listening to me, Mr. President."

Senator Solomon also rose on a point of personal privilege and stated:

"Mr. President, I also rise on a point of personal privilege, and in support of the previous speaker's remarks, especially those remarks that the speaker had made regarding the \$10 million emergency fund.

"I just would like to state this for the record that I had an opportunity yesterday to visit with the Department of Land and Natural Resources neighbor island board members. They expressed to me their great concern about our aquatic resources, the deplorable conditions that some of our state parks are in, the neglect especially in the public restroom facilities, and the condition of our public trails. The list was quite lengthy and quite in depth and of course, I had to agree with them.

"It comes to mind, Mr. President, that perhaps it would do justice to our communities and to our people that we should start looking at a balanced approach to our tourism industry. As you recall, Mr. President, a few years back (I think it was five or six years back) when the Senate took on a bold position when we posed these questions to DBEDT. When is enough, enough? Is it 10 million tourists? Is it 15 million tourists? As a matter of fact, we considered a survey asking that question to the residents. How would they feel when millions of tourists are now accessing our public beaches and overloading our facilities and we keep on giving more and more money to promote more and more visitors to come. There is no balance. We are not investing dollars that are needed to help improve the product.

"We have overused and exploited every inch of our public recreational areas. We have asked our residents to give up some of the best beaches in the State of Hawaii to accommodate the tourist industry. How much more are we going to bleed our people without giving them something in return? There's more to life, Mr. President, than just jobs. There's aesthetics. I remember, and I'm sure you remember and I'm sure most of my colleagues remember, when we used Waikiki as our own recreational playground when we were growing up. It was a big thrill for us when we came from the neighbor islands to Oahu to go to the zoo and swim at Waikiki. You don't see that happening today, Mr. President.

"And as you know, I just came back from extensive community hearings on the Big Island. At one of the meetings the Honorable Nelson Doi, former Judge and Lieutenant Governor, said, 'You know, Senator, it is a shame when the Democratic Party can't even provide toilet paper in our public restrooms.' And now we have the administration asking us for \$10 million to bring more tourists and we can't even provide a decent lua facility.

"What hurt me is that my parents and I were picnicking at the Old Kona Airport which has one of the few safe beaches in West Hawaii where our kamali'i, our children, can swim. In the next pavilion there were people throwing up and it appeared they had an all-night drunk. We had no security patrolling our beach areas. We had mothers putting their children back into cars to go away from this beach. Is this what we want? Have we deteriorated into these conditions?

"Our administration is so concerned about big plans when, in fact, we have neglected the na'au of our community. Our local people now do not even have a feeling that they're safe when they go to our public beaches and drop off their children. And why? Not enough funds, not enough dollars to maintain and control our beaches. Well, I think we in the Senate should take a bold stand. We should start focussing our energy to malama and protect the product because this is what nurtures all of us, whether kamaainas or tourists.

"And, Mr. President, I'm hoping that through the wisdom of our Ways and Means Committee that we will be able to send a very strong message upstairs that we are sick and tired of just promoting Hawaii for the tourist. How about promoting Hawaii for the kamaaina, for the residents?

"And with that, Mr. President, I want to thank you very much for providing me this opportunity."
