"I'd like to speak first on Lynn Kinney. He was instrumental in working towards having the military and the island contractors working together and breaking down some walls that we needed in the past four or five years. I credit him for his efforts and his knowledge on the construction business.

"I'd also like to speak on Eugene Tiwanak, another individual from our community who really brought St. Francis West out to the Leeward side. If it wasn't for him, I don't think we would have a 24-hour emergency as we do now. That was one of our major concerns and we appreciate Gene for all his efforts. He was one of the few potential politicians out there and he chose the life of the private sector and did a great job for the community. I appreciate your help, Gene.
