ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 2113 (Jud. Com. No. 1):

Senator Hanabusa moved that Stand. Com. Rep. No. 2113 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Hanabusa then moved that the Senate consent to the nomination of WILLIAM A. CARDWELL to the Office of Judge, District Court of the First Circuit, for a term of six years, in accordance with the provisions of Article VI, Section 3, of the Hawaii State Constitution, seconded by Senator Chun Oakland.

Senator Hanabusa rose to speak in favor of the nominee and said:

"Mr. President, I rise to speak in favor of Jud. Com. No. 1.

"Mr. President, Chief Justice Moon has selected William A. Cardwell for the position of the District Court of the First Circuit, State of Hawaii.

"Mr. President, I'd like to say that, as a practicing attorney, I have the greatest respect for any attorney who selects himself or herself to serve in the District Court. It is, in my opinion, going beyond the call of duty.

"With Mr. Cardwell, we have someone very qualified. He's a University of Utah graduate for his undergraduate career, served in the US Army and went on to University of California, Berkeley, Boalt Hall for his law degree. There he graduated Order of the Coif or Order of the Coif, depending on which European accent you want to adopt, but, in essence, a very high, high distinction. He served in San Francisco as a practicing attorney and then came to Hawaii and was part of the law firm of Cades Schutte Fleming and Wright, of course where Rick Clifton also stems from.

"What was very interesting in the testimony that we received is he also was a law clerk for Sam King. And Sam King had that interesting saying just as Judge Nakamura, and then Mark Bennett, the Attorney General, came forward and shared a very interesting story with us. Sam King takes full credit for matchmaking Mr. Cardwell with his wife, Cora Lum, someone that is no stranger to all of us. So we have another Sam King story running through this appointment as well.

"The Hawaii State Bar Association deemed Mr. Cardwell to be highly qualified. The interesting testimonies that we received basically said that he was extremely competent and

very well qualified. But what I'd like to say is that this one regular person, not a lawyer, said that he best describes Mr. Cardwell as someone with 'equanimity.' By the way, I went to the dictionary, so for those who are vocabulary-challenged, like those of us from Waianae, it means somebody who can be fair, even under stress.

"One of the most interesting things that I believe was said during the proceeding was the fact that Mr. Cardwell truly enjoys being a District Court Judge. He's been a per diem Judge since September of 2002. He says the reason he wants to be a District Court Judge is because he has immediate impact on so many people's lives, and he enjoys and loves District Court and Small Claims Court. Mr. President, that's why I believe this is beyond the call of duty. You've got to be in District Court to understand anybody loving that process. He said he likes it because the District Court, for most, is the only exposure they have to the legal system, and he believes it was his responsibility to treat them fairly, with dignity, respect, to be calm, and to listen to them. I think those are the characteristics that we want to see in a District Court Judge.

"He, of course, has been an attorney for 30 years now, and I believe that we can have no better an appointment to the District Court of the First Circuit, State of Hawaii. So I ask that you and my colleagues join me in consenting to the nomination of Mr. Cardwell to the District Court of the First Circuit of the State of Hawaii.

"Thank you, Mr. President."

Senator Hogue rose to speak in favor of the nominee and said:

"Mr. President, I also rise in favor of Jud. Com. No. 1 in support of William Cardwell.

"Colleagues, I'm not an attorney, nor do I play one on TV, but I will tell you that I was very impressed with Mr. Cardwell, who will, I think, be a terrific Judge and do a great job on the District Court of the First Circuit.

"He is very imminently qualified – impressive qualifications – and when he and I talked in my office, he talked about how he really wants to move the docket along and have some very succinct ideas on how that can happen, and I like to hear that when we hear some of the criticism of the judiciary.

"So, he's going to take his responsibilities very, very seriously. He will do it with tremendous compassion and that other word that the Senator from Waianae mentioned as well that sportscasters rarely use in their vocabulary.

"So once again, Mr. President, I urge strong support of Jud. Com. No. 1, William Cardwell to the District Court of the First Circuit, and I urge all my colleagues to vote favorably.

"Thank you."

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Sakamoto, Whalen).

At this time, Senator Hanabusa introduced Judge Cardwell, who was seated in the gallery with his family, to the members of the Senate.

Stand. Com. Rep. No. 2114 (Jud. Com. No. 2):

Senator Hanabusa moved that Stand. Com. Rep. No. 2114 be received and placed on file, seconded by Senator Chun Oakland and carried.

Senator Hanabusa then moved that the Senate consent to the nomination of CHRISTINE E. KURIYAMA to the Office of Judge, District Family Court of the First Circuit, for a term of six years, in accordance with the provisions of Article VI, Section 3, of the Hawaii State Constitution, seconded by Senator Chun Oakland.

Senator Hanabusa rose to speak in favor of the nominee and stated:

"Mr. President, I rise to speak in favor of Jud. Com. No. 2.

"Mr. President, Chief Justice Ronald Moon has selected Christine E. Kuriyama to the position of District Family Court of the First Circuit of the State of Hawaii.

"I would like to begin by first saying if there's anything more than the District Court, it's anyone who would choose to go to Family Court that I have the deepest respect for.

"Ms. Kuriyama has been a practicing attorney for 25 years. She is a University of Hawaii graduate and she went to the Hastings College of the Law. The Hawaii State Bar Association has deemed her qualified for this position.

"I would like to say that she has served in this capacity of a per diem Judge in Family Court since 1995, and she still wants to be a Family Court Judge. She has done this even after serving in all divisions of the Family Court. She served in the domestic, the special juvenile and adult criminal divisions of the Family Court and finds this to be the position that she would like.

"She's also had a very interesting career, and I'm just going to highlight it. She's been the House Majority Attorney; she's worked for the Department of Commerce and Consumer Affairs; she's been a Deputy Attorney General; she's been in a civil litigation firm, actually a partner with Greeley Walker and Cowan; and she chose to be almost a full-time per diem Judge beginning last year sometime.

"What was very impressive about what came forward in the testimony was there was someone unsolicited by her, of course, who went around and got 61 signatures of those who are employed at the Family Court. Mr. President, you have got to be at the Family Court to understand what a feat that is. You know, I've always described them as little fiefdoms all over. But to get 61 of them to agree that they would like to see Ms. Kuriyama be appointed and confirmed by this Senate as a Judge there, I believe it's a very high statement to her.

"Judith Pavey submitted testimony saying that she is a wonderful person and an amazing mom. Mr. President, I don't think there's very much more that you can say – someone so dedicated to this profession that 61 of the people that work with her and for her would support her, and yet she is able to maintain her persona as a wonderful person and amazing mom and still be in Family Court. I can't tell you how impressive that is to me.

"So, Mr. President, colleagues, I hope that you join me in consenting to the nomination of Christine Kuriyama to the District Family Court of the First Circuit of the State of Hawaii.

"Thank you very much."

Senator Hogue rose to speak in favor of the nominee and said:

“Mr. President, on behalf of your Minority, I also rise to speak in favor of Jud. Com. No. 2 in support of Christine Kuriyama who will go to the District Family Court of the First Circuit.

“Colleagues, I have had the opportunity to go before the Family Court on a couple of occasions: once, when I adopted my youngest daughter – it was a very happy occasion; and then recently with some very strong challenges that we had with our teenage son. Both times, I was glad that there was someone behind the bench that was compassionate, very qualified, understanding of the issues involved, and I know that Christine Kuriyama will follow in the footsteps of some of our other very outstanding judges in some of these very challenging issues that have to do with families and individuals and, in some cases, with our juveniles with things like mental illness and substance abuse.

“So, I urge all of my colleagues, to support Christine Kuriyama who I know will do a terrific, terrific job on the bench, and I hope that all will vote favorably.

“Thank you, Mr. President.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 23. Noes, none. Excused, 2 (Sakamoto, Whalen).

At this time, Senator Hanabusa introduced Judge Kuriyama and her family to the members of the Senate.

At 12:21 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:29 o'clock p.m.

RE-REFERRAL OF SENATE BILL

The Chair re-referred the following Senate bill that was introduced:

Senate Bill	Referred to:
-------------	--------------

No. 2139	Jointly to the Committee on Science, Arts, and Technology and the Committee on Tourism
----------	--

Senator Slom rose to speak on a point of personal privilege and said:

“Mr. President, I rise on a personal point of privilege.

“Mr. President, I have to say that we were in a hearing this morning. There were four Senate Committees on a Senate Bill. It had to do with workers' compensation, among other things. Basically, the bill really was about fraud in all its forms, for every type of insurance in the State of Hawaii, to protect every individual.

“I must tell you, Mr. President, I've been involved in efforts to reform workers' compensation for more than 20 years as an individual, and also with various groups and organizations, and as a State Senator. And I've got to tell you further, Mr. President, that the action today leaves me appalled, disappointed and angry, because once again, the business community, which has told us year after year that workers' compensation reform is the number one priority and the number one issue, once again we are about to sell them down the river.

“We have a bill, S.B. No. 2884, it's a good bill. Everyone that was there this morning in the nearly two hours of testimony, testified in favor of the bill. We had all kinds of disparaged groups. There were a lot of people that gave very telling stories about medical problems that they had with their health provider. And that's fine. There were some problems with definition that needed to be worked out and amendments needed to be made. And that's fine. Everybody was in agreement.

“I asked the insurance commissioner, Mr. Schmidt, this bill that addresses fraud, in all its forms, whether it's against employer, employee, provider, or patient, fraud is fraud, and fraud costs us all and hurts the society. I asked the insurance commissioner, was there any type of insurance that would not be covered by this bill that would give the insurance commissioner the major responsibility and priority to go after fraud and to end it? And his answer was that it covered ALL insurance – temporary disability insurance, health care, auto insurance, and workers' compensation.

“A number of business groups were there today, and a number of others sent in testimony in strong support of this bill and all of its ramifications for everyone else – in medical and everything else. When it came time for decision-making, the Chairs decided that they would remove the portion that had to do with workers' compensation, though no one testified against workers' compensation except for two organizations who chose not to show up – the AFLCIO and the ILWU, who for more than 20 years have opposed any reform in workers' compensation and any addressing of fraud in workers' compensation even though, again, I repeat and the insurance commissioner repeated, it doesn't matter whether the infraction or the fraud is committed by an employer, any business, or anyone else, it still will be vigorously prosecuted. But, the idea was to listen to these organized labor organizations who weren't even there, who were not subject to questioning or scrutiny – the only ones that opposed that portion of the bill.

“So, the decision was made to exercise out workers' compensation, even though this bill is about workers' comp, TDI, prepaid health and auto insurance fraud – and it is so blatant and so clear. The excuse given was that there is a House Bill moving, which is a separate bill entirely. This is an omnibus bill.

“Again, the Senate is choosing to punt, to give up its responsibility to take action. Again, the Senate is sending a strong message to the business community – we really don't believe in a fair and level playing field; we don't care that this is your number one issue; we don't care that fraud is a major cost driver in workers' compensation; we don't care that Hawaii and Hawaii's employers, the only ones who pay workers' comp, not any employee, we don't care that our rates are the third highest in the nation.

“Fraud is not a partisan issue. And it's true we had bipartisan support to keep that portion in the bill. But the Chairs of the Committee have chosen not to keep it in the bill. Yes, there was a suggestion – let's put something in the committee report, but we all know the committee report doesn't have the weight and the strength of the bill.

“And, so, Mr. President, I'm very sad . . .”

Senator Tsutsui interjected:

“Recess, Mr. President.”

At 12:35 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:40 o'clock p.m.

Senator Slom rose and said:

"Mr. President, in the interest of caring for our colleague, I'll conclude my remarks. I think my point has been made. Thank you."

ADJOURNMENT

Senator Kawamoto, moved that the Senate adjourn until 7:00 o'clock p.m., Friday, February 20, 2004, seconded by Senator Hogue.

At 12:41 o'clock p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:46 o'clock p.m.

At this time, Senator Kawamoto withdrew his motion to adjourn and Senator Hogue withdrew his second.

Senator Kanno, Chair of the Committee on Labor, requested a waiver of the notice requirement pursuant to Senate Rule 21 for S.B. Nos. 2073 and 2254.

Senator Kanno noted:

"Mr. President, S.B. No. 2073 deals with an optional retirement program for university professors.

"Also, on S.B. No. 2254, this was a bill that was previously heard. At the hearing, we had said the decision-making would be tomorrow at our 1:00 hearing, but the proper notice wasn't filed with the Clerk's Office. I understand that we need a waiver in order to schedule decision-making for our hearing tomorrow at 1:00."

The Chair then granted the waiver.

At 12:47 o'clock p.m., on motion by Senator Kawamoto, seconded by Senator Hogue and carried, the Senate adjourned until 7:00 o'clock p.m., Friday, February 20, 2004.

Respectfully submitted,

Clerk of the Senate
