

TWENTY-FOURTH DAY

Friday, March 4, 2016

The Senate of the Twenty-Eighth Legislature of the State of Hawai'i, Regular Session of 2016, convened at 11:46 a.m. with the President in the Chair.

The Roll was called showing all Senators present with the exception of Senators English, Nishihara, and Ruderman who were excused.

The President announced that he had read and approved the Journal of the Twenty-Third Day.

At this time, Senator Taniguchi welcomed a group of eleventh-grade students from Mid-Pacific Institute, who were seated in the gallery with their teachers, Suzanne Acord and Mohala Boncales.

Senator Gabbard honored and commended Hawai'i Green Growth, and presented the following remarks:

"Good morning, Mr. President, colleagues. We have with us today representatives from the Hawai'i Green Growth partnership. Hawai'i Green Growth is an innovative public-private partnership platform that coordinates across government, non-governmental, cultural organizations, business, academia, and philanthropy to advance sustainability. Recognizing the need for coordinated solutions across sectors to support sustainability and resilience, Hawai'i Green Growth was launched in 2011 on the margins of the APEC Summit in Honolulu.

"On July 7, 2014, Hawai'i Green Growth launched the Aloha+ Challenge, a statewide commitment to sustainable development and partnership, and with the leadership of the governor, four county mayors, and the Office of Hawaiian Affairs, the State Legislature unanimously endorsed the Aloha+ Challenge through S.C.R. 69, introduced by our senator from Hāna, who is excused today, that same year. The Aloha+ Challenge builds on Hawai'i's track record and early leadership on sustainable development and outlines six ambitious sustainability goals for 2030, including clean energy, local food production, natural resource management, solid waste reduction, smart sustainable communities, climate-resilience, and green workforce education. Hawai'i Green Growth currently serves as the de facto backbone of the Aloha+ Challenge to catalyze collaboration, action, and system-level change and is developing shared measures and a comprehensive policy and action agenda to drive implementation of Hawai'i's 2030 goals.

"Hawai'i Green Growth's strength lies in building a statewide network that fosters change, action, and innovation, and leveraging the capacity and expertise of its partners. Hawai'i and the U.S. Department of State jointly announced the Aloha+ Challenge as an example of U.S. action for green growth and a model that could be replicated regionally and globally at the 2014 United Nations Conference on Small Island Developing States in Samoa.

"And the reason I'm so stoked about Hawai'i Green Growth is just the holistic approach. We talk a lot about sustainability, but the fact is that you have government, non-government, the business sector, everybody, the kākou thing, working together, getting out of our silos and working together to achieve – here are our goals; here are these six goals; here's the target date; let's do this. That's why I'm so excited about the work that these guys do.

"As host of the 2016 World Conservation Congress in early September, which, as many of you know, is the Super Bowl for

conservation issues, Hawai'i will be on the world stage to highlight our achievements and commitments in conservation, innovation, resilience, and sustainability. In November of last year, Representatives Lee and Yamane and I cohosted the first Aloha+ Challenge Legislation and Policy Retreat in partnership with Hawai'i Green Growth to develop 2016 policy and legislative actions to help achieve Hawai'i's 2030 goals and build toward the World Conservation Congress. Focused on the action agenda for the World Conservation Congress and the legacy left behind for Hawai'i, Hawai'i Green Growth is leading a process to catalyze and launch transformational, innovative signature initiatives that will advance our 2030 goals and showcase Hawai'i's leadership to the world.

"So, we have several Hawai'i Green Growth members and partners who are here today, representing the diversity of this partnership, and I want to acknowledge their leadership and commitment to a sustainable and resilient future for Hawai'i. First is Celeste Connors, who's the executive director for Hawai'i Green Growth; next is Breanna Rose, operations and partnerships manager for HGG; Dr. Kamana'opono Crabbe, CEO for the Office of Hawaiian Affairs, representing the Aloha+ Challenge signatories; Rob Parsons, the environmental coordinator for the County of Maui, representing the counties; Piia Aarma, president for Pineapple Tweed marketing and public relations, representing the private sector partners; and Matt Lynch, sustainability coordinator, University of Hawai'i, representing academia and youth engagement. Audrey Newman, who's the senior advisor to HGG, could not be with us today because she's traveling, but I would like to acknowledge her visionary leadership in founding the partnership five years ago. On behalf of the Senate, mahalo to Hawai'i Green Growth for your innovative efforts to help achieve Hawai'i's 2030 sustainability goals. You are truly a bright spot in our island state-determined efforts for green growth. So, Mr. President and colleagues, would you please recognize the team from Hawai'i Green Growth. Mahalo.

"And finally, also in the gallery with us are other Hawai'i Green Growth partners. I want to acknowledge their leadership and ask that they stand and be recognized: First is Suzanne Case, the chair of the Board of Land and Natural Resources; Deanna Spooner, Pacific Islands Climate Change Cooperative; Sylvia Yuen, Research Corporation of the University of Hawai'i; Christin Reynolds from Hawai'i Green Growth; Bitsy Kelley from Outrigger Enterprises Group; Kelvin Sewake from UH CTAHR; Kealoha Fox from OHA; Sharon Moriwaki and Mike Hamnett from the Hawai'i Energy Policy Forum; Laura McIntyre from the Department of Health; Emma Yuen and Katie Ersbak from DLNR; Brandon Lee from Ulupono Initiative; and there are many others; and last but not least, James Parish – that is Celeste Connor's son, a first grader at Punahou who is learning about the Hōkūle'a and sustainability and is representing the next generation. Would you all please give them a hand? Aloha and mahalo for all that you guys do. Mahalo."

At 11:54 a.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:00 p.m.

ORDER OF THE DAY

ADVISE AND CONSENT

Stand. Com. Rep. No. 2566 (Gov. Msg. Nos. 534 and 535):

Senator Galuteria moved that Stand. Com. Rep. No. 2566 be received and placed on file, seconded by Senator Green and carried.

Senator Galuteria then moved that the Senate advise and consent to the nominations to the Board of Directors of the Hawai‘i Tourism Authority of the following:

KUUIPO KUMUKAHI, term to expire June 30, 2016 (Gov. Msg. No. 534); and

KUUIPO KUMUKAHI, term to expire June 30, 2020 (Gov. Msg. No. 535),

seconded by Senator Green.

Senator Galuteria rose to speak in strong support of the nominee as follows:

“Thank you. Colleagues, Ku‘uipo Kumukahi, up there in the gallery, is a practitioner of Hawaiian music and dance and song. Throughout Hawai‘i, the continental United States, and abroad, she is ‘the sweetheart of Hawaiian music’ – that’s what we call her. Ms. Kumukahi has dedicated her life to producing, preserving, perpetuating, and promoting quality in Hawaiian music, as well as the performance of the music of Hawai‘i in the Hawaiian language.

“Ku‘uipo has been the president of the Hawai‘i Academy of Recording Artists – the Hōkū Awards – and cofounder and past president of the Na Lani ‘Eha Hawaiian Civic Club.

“Besides being a student and performer of Hawaiian music, Ms. Kumukahi comes from a family deeply rooted in Hawaiian traditions and knowledge, and conducts lectures for administrators in the DOE on the topics such as the values of a Hawaiian family.

“Mr. President, your committee takes particular note of Ms. Kumukahi’s oral testimony that she sees the importance of integrating Hawaiian cultural values into Western thought, that marketing of Hawai‘i and Hawaiian culture needs to be more than commercials and advertising, and it needs to be integrated on an international level into the fabric of cultural and social interaction between Hawai‘i and the world. And, as mentioned in committee, Hawai‘i’s culture doesn’t need a larger seat at the table because it is **the** table that every part of our visitor continuum can rely on to illustrate the quality that best defines Hawai‘i as a premier experience. Therefore, your Committee on Tourism and International Affairs finds the nominee to be qualified and recommends that the Senate advise and consent to the nomination of Ku‘uipo Kumukahi to serve on the Board of HTA. Thank you.”

The motion was put by the Chair and carried on the following showing of Ayes and Noes:

Ayes, 21. Noes, none. Excused 4 (English, Harimoto, Nishihara, Ruderman.)

At this time, Senator Kahele rose and stated:

“Mr. President, I just wanted to congratulate Ku‘uipo Kumukahi. I’d like to call for a short recess so we can present her a lei. I just wanted to make a quick introduction and just say that the time I had the chance to spend with her – she does not just represent Hawai‘i; Ku‘uipo Kumukahi is Hawai‘i. I was pleased to find out that she is not only from the Moku o Keawe, but she’s also from Okoe, and her family traces their lineage back to a very special place for my family, at the Kapu‘a, and I’m thoroughly pleased, as would my late predecessor be, that she has been confirmed by this body. Thank you.”

At 12:05 p.m., the Senate stood in recess subject to the call of the Chair.

The Senate reconvened at 12:10 p.m.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in strong support of S.B. 2319, S.D. 1, Relating to Insurance, which is a part of the Women's Legislative Caucus package.

"S.B. 2319, S.D. 1 requires all insurers in the State of Hawai'i to cover reimbursement for contraceptive supplies for a period of up to 12 months. Those insured through Employer-Union Health Benefits Trust Fund and Medicaid managed care programs would be covered as well.

"At present, most insurance companies cover a 30- or 90-day supply of prescription contraceptives. This most basic level of access can still present obstacles for women seeking contraceptive coverage. Many communities throughout our state are rural or isolated, with limited numbers of health care providers and pharmacies, making it more difficult to schedule regular visits to the doctor or pick up prescriptions.

"Statewide efforts to expand women's access to prescription contraceptives, including long-acting reproductive contraceptives, lead to better continuity of use, fewer pregnancy tests, fewer unplanned pregnancies, and decreased health care costs for woman. This bill aims to broaden these positive effects by providing a greater number of prescription contraceptive supplies at one time, a practice that is recommended by the American Congress of Obstetricians and Gynecologists.

"The year-long benefits of coverage of prescription contraceptives is supported by women's organizations, the American Association of University Women, Hawai'i; Hawaii Public Health Association; Hawai'i Women's Coalition; Hawai'i State Coalition Against Domestic Violence; Hawai'i State Commission on the Status of Women; Planned Parenthood Votes Northwest and Hawai'i; Hawai'i Medical Association; Healthy Mothers, Healthy Babies; CVS Health as well as the Centers for Disease Control and the Hawai'i Department of Health.

"I urge my colleagues to join me in supporting S.B. 2319, S.D. 1, which will increase access to prescription contraceptives for women across the State of Hawai'i. Mahalo."

Senator Baker rose to request that remarks in support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in strong support of S.B. 2675, S.D. 1, Relating to Licensing.

"This measure will help to ensure the safety of patients throughout the state by protecting them from healthcare professionals who have had their licenses revoked in other states.

"The legislation addresses licensure by the Board of Dental Examiners, Hawai'i Medical Board, Board of Pharmacy and Board of Nursing. If an applicant for licensure within these boards' jurisdiction has been disciplined in another state, the applicant can be denied a license in Hawai'i. The bill also gives these boards the ability to take the same disciplinary actions that were taken in another state. It also requires the final order of discipline to become public record to create transparency for the public.

"If licensees are not allowed to work in other states because of disciplinary action, Hawai'i licensing boards should be able to consider that information when determining Hawai'i licensure. Our residents need the benefit of this additional scrutiny for their safety.

"I invite my colleagues to join me in protecting the public of Hawai'i by supporting S.B. 2675, S.D. 1. Mahalo."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 2556 was adopted and S.B. No. 2675, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO LICENSING," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

Ayes, 21. Noes, none. Excused, 4 (English, Harimoto, Nishihara, Ruderman).

Stand. Com. Rep. No. 2557 (S.B. No. 2320, S.D. 1):

Senator Keith-Agaran moved that Stand. Com. Rep. No. 2557 be adopted and S.B. No. 2320, S.D. 1, having been read throughout, pass Third Reading, seconded by Senator Shimabukuro.

Senator Baker rose to request that remarks in strong support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise in strong support of S.B. 2320, S.D. 1, Relating to Contraceptive Supplies, which is a part of the Women's Legislative Caucus Package.

"S.B. 2320, S.D. 1 will expand access to prescription contraceptives by authorizing pharmacists to prescribe and dispense self-administered hormonal contraceptives to persons 18 years of age or older, and requiring insurers in the State to reimburse pharmacists who prescribe and dispense contraceptive supplies.

"This bill will ensure that patients can readily access preventative contraceptive care. Research indicates that the incidence of unintended pregnancy decreases dramatically when

barriers to contraceptive access are removed. According to the American Congress of Obstetricians and Gynecologists, studies have indicated that women can accurately identify conditions using a simple checklist to determine whether the use of certain contraceptives are appropriate their use.

"Medical expenses associated with unintended pregnancy cost American taxpayers an estimated \$11.1 billion annually. In 2010, 56 percent of all 16,000 pregnancies in Hawai'i were unplanned. According to the Hawai'i Public Health Association, barriers to access to the contraceptives that would offer women autonomy to plan their pregnancies in Hawai'i include scheduling issues, costs of care and not wanting an invasive and uncomfortable full gynecological examination to obtain a doctor's prescription. This bill removes a major access to care obstacle which is a particularly prevalent issue here, especially in rural areas on O'ahu and the neighbor islands, areas designated as medically underserved. Allowing pharmacists to prescribe self-administered hormonal contraceptives will give women across our state the opportunity to make personal health decisions of their own accord, rather than being unduly constrained by logistical and other factors that diminish access to care.

"Your Committee on Commerce, Consumer Protection, and Health received overwhelmingly supportive testimony from obstetricians, gynecologists, private health care organizations, and state agencies expressly stating that the benefits of increasing access to self-administered hormonal contraceptives far outweigh any risks. I urge my colleagues to join me in supporting S.B. 2320, S.D. 1, which will increase access to contraception for Hawai'i's women. Mahalo."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 2557 was adopted and S.B. No. 2320, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO CONTRACEPTIVE SUPPLIES," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:

throughout, pass Third Reading, seconded by Senator Dela Cruz.

Senator Baker rose to request that remarks in strong support of the measure be entered into the Journal, and the Chair so ordered.

The Chair having so ordered, Senator Baker's remarks read as follows:

"Mr. President, I rise to support S.B. 2395, S.D. 1, Relating to Telehealth.

"This bill expands telehealth services and removes barriers that have contributed to its poor adoption and utilization in the State. Hawai'i faces a unique challenge when it comes to providing adequate health care services because of geographically isolated locations of service, patient setting, and restrictions on applicable technology. This measure will help to mitigate these barriers.

"The bill also allows for telehealth to be used in Emergency Room settings by removing the requirement that the patient have a prior relationship to the physician and enabling reimbursements for specialists who provide virtual care. In remote locations, a specialist will be able to provide a diagnosis, receive the proper reimbursement, and potentially save the patient an expensive and potentially dangerous helicopter ride.

"Currently the State's Medicaid fee-for-service programs do not pay the equivalent rate of services as those delivered in person, thereby discouraging many physicians from offering telehealth services. Testimony from the Director of Telehealth at Queen's Medical Center made it clear that their services would not be financially possible without federal grants.

"This bill also ensures that medical professionals will be covered under their professional liability or malpractice insurance when practicing virtually.

"Your committee received testimony in support of this measure from a broad range of the health care community, including Queen's, the UH College of Social Sciences, the Healthcare Association of Hawai'i, and HMSA. By passing this bill we will continue to improve access to care throughout Hawai'i.

"I ask my colleagues to join me in support of S.B. 2395, S.D. 1, in order to provide better medical care to the residents of Hawai'i."

The motion was put by the Chair and carried, Stand. Com. Rep. No. 2567 was adopted and S.B. No. 2395, S.D. 1, entitled: "A BILL FOR AN ACT RELATING TO TELEHEALTH," having been read throughout, passed Third Reading on the following showing of Ayes and Noes:
