#### ADVISE AND CONSENT

Stand. Com. Rep. No. 1727 (Gov. Msg. No. 604):

Senator Baker moved that Stand. Com. Rep. No. 1727 be received and placed on file, seconded by Senator Chang and carried.

Senator Baker then moved that the Senate advise and consent to the nomination of LEODOLOFF ASUNCION to the Public Utilities Commission, term to expire June 30, 2020, seconded by Senator Chang.

Senator Baker rose to speak in strong support of the nominee as follows:

"Leo graduated from the University of Hawai'i with his bachelor's degree in political science and then earned a master's degree in urban and regional planning. He also received another

master's degree in business administration from Hawai'i Pacific University, and he's worked at the state Office of Planning since 2011, where he previously served as director. Prior to joining the Office of Planning, Leo worked as a planner for the Hawai'i State Judiciary and the Land Use Commission. He also has experience in the private sector, handling resource planning. Leo is also a member of a number of state and national boards and associations, including the National Board of Directors for the American Planning Association. His extensive planning experience in the public and private sectors has given him a comprehensive understanding of the many complex, interdependent policy issues, including in the energy field, which we believe will be of great benefit to the PUC. His involvement in public policy issues that are important to the state's future will enable him to address the wide array of regulated utilities and regulatory issues that are within the Public Utilities Commission jurisdiction. I ask my colleagues to join me in voting to confirm Leo Asuncion to the Public Utilities Commission. Mr. Asuncion is joining us in the gallery, if he could stand to be recognized. And we also have Office of Planning staff here with him as well, if they could stand to be recognized. Thank you, Mr. President."
