Your Committee finds that composting toilets use no water and produce compost that can be used to enrich the soil. Your Committee further finds that in certain areas of Maui, geological features, such as hard volcanic rock and a shallow water table, or the limits of existing infrastructure, have made the use of conventional flush and septic systems impracticable. Your Committee notes that this measure aligns with state law, which already requires the counties to approve the installation and use of composting toilets in areas inaccessible to municipal wastewater systems.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 37 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

## SCRep. 1545 Agriculture and Environment on S.C.R. No. 194

The purpose and intent of this measure is to request that the State and City and County of Honolulu clean and maintain the section of North Road between Hanakahi Street and Iroquois Road in Ewa Beach, Oahu.

Your Committee received testimony in support of this measure from the Department of Transportation.

Your Committee finds that North Road is one of the primary thoroughfares in Ewa Beach and is used daily by many of the residents of Ewa Beach. Your Committee further finds that North Road has been burdened by years of illegal dumping activities and a lack of regular maintenance and repairs, especially in the section of North Road between Hanakahi Street and Iroquois Road. This measure therefore prompts the State and City and County of Honolulu to clean and maintain this section of road in order to avoid further environmental and health risks and damage.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 194 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

## SCRep. 1546 Agriculture and Environment on S.R. No. 157

The purpose and intent of this measure is to request that the State and City and County of Honolulu clean and maintain the section of North Road between Hanakahi Street and Iroquois Road in Ewa Beach, Oahu.

Your Committee did not receive any testimony on this measure.

Your Committee finds that North Road is one of the primary thoroughfares in Ewa Beach and is used daily by many of the residents of Ewa Beach. Your Committee further finds that North Road has been burdened by years of illegal dumping activities and a lack of regular maintenance and repairs, especially in the section of North Road between Hanakahi Street and Iroquois Road. This measure therefore prompts the State and City and County of Honolulu to clean and maintain this section of road in order to avoid further environmental and health risks and damage.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 157 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

# SCRep. 1547 (Joint) Higher Education and Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 123

The purpose and intent of this measure is to urge the University of Hawaii, in conjunction with the Department of Public Safety, to strengthen and enhance the school-to-career pipeline for positions in public safety.

Your Committees received testimony in support of this measure from the Department of Public Safety and one individual. Your Committees received comments on this measure from the University of Hawai'i System.

Your Committees find that there are a significant number of vacant positions across the various state departments, with some departments employing less than seventy-five percent of their allocated positions. The Department of Public Safety has one of the highest total number of unfilled positions, the majority of which pay a living wage and do not require a four-year degree. Course offerings that introduce students to these career fields may help raise awareness of possible careers in public safety and reduce state job vacancies while increasing employee retention rates.

Your Committees have amended this measure by:

Inserting language to include the Department of Land and Natural Resources Division of Conservation and Resources
 Enforcement in working in conjunction with the University of Hawaii to strengthen and enhance the school-to-career pipeline
 for positions in public safety;

- (2) Amending the title accordingly; and
- (3) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Higher Education and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 123, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 123, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Higher Education: Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Harimoto, Fevella).

## SCRep. 1548 (Joint) Higher Education and Public Safety, Intergovernmental, and Military Affairs on S.R. No. 94

The purpose and intent of this measure is to urge the University of Hawaii, in conjunction with the Department of Public Safety, to strengthen and enhance the school-to-career pipeline for positions in public safety.

Your Committees received testimony in support of this measure from the Department of Public Safety. Your Committees received comments on this measure from the University of Hawai'i System.

Your Committees find that there are a significant number of vacant positions across the various state departments, with some departments employing less than seventy-five percent of their allocated positions. The Department of Public Safety has one of the highest total number of unfilled positions, the majority of which pay a living wage and do not require a four-year degree. Course offerings that introduce students to these career fields may help raise awareness of possible careers in public safety and reduce state job vacancies while increasing employee retention rates.

Your Committees have amended this measure by:

- Inserting language to include the Department of Land and Natural Resources Division of Conservation and Resources
   Enforcement in working in conjunction with the University of Hawaii to strengthen and enhance the school-to-career pipeline
   for positions in public safety;
- (2) Amending the title accordingly; and
- (3) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Higher Education and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 94, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 94, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Higher Education: Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Harimoto, Fevella).

## SCRep. 1549 Judiciary on S.C.R. No. 23

The purpose and intent of this measure is to:

- Request the Legislative Reference Bureau to establish a task force to review Hawaii's current voter education system and propose improvements; and
- (2) Request that the task force submit preliminary and final reports to the Legislature.

Your Committee received testimony in support of this measure from the Office of Elections, League of Women Voters of Hawaii, Common Cause Hawaii, and two individuals. Your Committee received comments on this measure from the Legislative Reference Bureau and Disability and Communication Access Board.

Your Committee finds that the lack of balanced, politically nonpartisan, and readily available voter education is a significant factor that contributes to poor citizen engagement. Your Committee further finds that an appropriate voter education program should also accommodate bilingual voters, disabled voters, and voters who are voting for the first time. This measure requests that the Legislative Reference Bureau establish a task force to review voter education in the State and propose improvements.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 23 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

## SCRep. 1550 Judiciary on S.R. No. 16

The purpose and intent of this measure is to:

- (1) Request the Legislative Reference Bureau to establish a task force to review Hawaii's current voter education system and propose improvements; and
- (2) Request that the task force submit preliminary and final reports to the Legislature.

Your Committee received testimony in support of this measure from the Office of Elections, League of Women Voters of Hawaii, and Common Cause Hawaii. Your Committee received comments on this measure from the Disability and Communication Access Board.

Your Committee finds that the lack of balanced, politically nonpartisan, and readily available voter education is a significant factor that contributes to poor citizen engagement. Your Committee further finds that an appropriate voter education program should also accommodate bilingual voters, disabled voters, and voters who are voting for the first time. This measure requests that the Legislative Reference Bureau establish a task force to review voter education in the State and propose improvements.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 16 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

## SCRep. 1551 Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 72

The purpose and intent of this measure is to urge the several counties to submit a report to the Legislature regarding how many vehicle weight tax exemptions are claimed by members of the National Guard, military reserves, and other armed services.

Your Committee did not receive any testimony on this measure.

Your Committee finds that Act 141, Session Laws of Hawaii 2008, exempts members of the National Guard, military reserves, and other armed services, who are in good standing and assigned to a unit in the State, from the county vehicle weight tax for one noncommercial motor vehicle. Your Committee further finds that these members receive an exemption from paying the vehicle weight tax regardless of their legal residency and desires additional information regarding the legal residence and voter registration status of those claiming the exemption. Your Committee therefore finds that this measure urges the several counties to submit a report to the Legislature regarding how many exemptions are claimed for vehicle weight tax exemptions by members of the National Guard, military reserves, and other armed services, including the United States Coast Guard, and how many also claim Hawaii as their primary residence and are registered to vote in Hawaii.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 72, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 72, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

## SCRep. 1552 Public Safety, Intergovernmental, and Military Affairs on S.R. No. 50

The purpose and intent of this measure is to urge the several counties to submit a report to the Legislature regarding how many vehicle weight tax exemptions are claimed by members of the National Guard, military reserves, and other armed services.

Your Committee did not receive any testimony on this measure.

Your Committee finds that Act 141, Session Laws of Hawaii 2008, exempts members of the National Guard, military reserves, and other armed services, who are in good standing and assigned to a unit in the State, from the county vehicle weight tax for one noncommercial motor vehicle. Your Committee further finds that these members receive an exemption from paying the vehicle weight tax regardless of their legal residency and desires additional information regarding the legal residence and voter registration status of those claiming the exemption. Your Committee therefore finds that this measure urges the several counties to submit a report to the Legislature regarding how many exemptions are claimed for vehicle weight tax exemptions by members of the National Guard, military reserves, and other armed services, including the United States Coast Guard, and how many also claim Hawaii as their primary residence and are registered to vote in Hawaii.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 50, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 50, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

# SCRep. 1553 Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 12

The purpose and intent of this measure is to request that members of the United States Congress amend federal law to ensure that victims of sexual harassment and sexual assault, who might otherwise be forced into arbitration and silenced, have access to the courts.

Your Committee received testimony in support of this measure from the LGBT Caucus of the Democratic Party of Hawaii, Hawaii Women Lawyers, Hawaii Women's Coalition, and Pride at Work Hawaii.

Your Committee finds that many employers require their employees, as a condition of employment, to sign arbitration agreements mandating that sexual harassment claims be resolved through arbitration instead of judicial proceedings. Your Committee further finds that the United States Senate and House of Representatives are considering legislation to address the issue of forced arbitration and secrecy in sexual harassment and sexual assault cases and thereby enable victims to seek redress in the courts. Your Committee

therefore finds that this measure requests that the members of the United States Congress amend federal law to ensure that victims of sexual harassment and sexual assault, who might otherwise be forced into arbitration and silenced, have access to the courts.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 12 and recommends that it be referred to your Committees on Judiciary and Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

## SCRep. 1554 Public Safety, Intergovernmental, and Military Affairs on S.R. No. 11

The purpose and intent of this measure is to request that members of the United States Congress amend federal law to ensure that victims of sexual harassment and sexual assault, who might otherwise be forced into arbitration and silenced, have access to the courts.

Your Committee received testimony in support of this measure from Hawaii Women Lawyers, Pride at Work Hawaii, and one individual.

Your Committee finds that many employers require their employees, as a condition of employment, to sign arbitration agreements mandating that sexual harassment claims be resolved through arbitration instead of judicial proceedings. Your Committee further finds that the United States Senate and House of Representatives are considering legislation to address the issue of forced arbitration and secrecy in sexual harassment and sexual assault cases and thereby enable victims to seek redress in the courts. Your Committee therefore finds that this measure requests that the members of the United States Congress amend federal law to ensure that victims of sexual harassment and sexual assault, who might otherwise be forced into arbitration and silenced, have access to the courts.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 11 and recommends that it be referred to your Committees on Judiciary and Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

## SCRep. 1555 Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 61

The purpose and intent of this measure is to request that the Hawaii Community Development Authority study properties in and around the Kakaako community development district and recommend appropriate sites for a fire station that meets the specifications recommended by the Honolulu Fire Department.

Your Committee received testimony in support of this measure from the Honolulu Fire Department. Your Committee received comments on this measure from the Hawaii Community Development Authority.

Your Committee finds that due to the rapidly increasing residential and transient populations, numerous completed and planned residential high-rises, planned public schools, and expanding commercial development in Kakaako, in 2018, the Honolulu Fire Department recommended that a new fire station be built to provide additional first responder services to the Kakaako community and lessen the burden on other fire stations. Your Committee therefore finds that this measure requests that the Hawaii Community Development Authority study properties in and around the Kakaako community development district and recommend appropriate sites for a fire station that meets the specifications recommended by the Honolulu Fire Department.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 61 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

## SCRep. 1556 Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 25

The purpose and intent of this measure is to urge the county police departments to adopt new fireworks detection technologies to enforce fireworks laws.

Your Committee did not receive any testimony on this measure.

Your Committee finds that certain new technologies allow law enforcement officers to instantly detect and locate gunshots could be adapted to detect the explosion of a firework. Your Committee further finds that these technologies will better equip county police to enforce fireworks laws by informing police, almost instantaneously, where illicit fireworks are being set off. Your Committee therefore finds that this measure urges the county police departments to adopt products that can instantly detect and locate fireworks to assist in the enforcement of fireworks laws.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 25 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

## SCRep. 1557 Hawaiian Affairs on S.C.R. No. 188

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to complete the 2017 independent financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries.

Your Committee received testimony in support of this measure from the Center for Hawaiian Sovereignty Studies. Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds independent audits are important tools to assess an organization's financial and management performance and to help measure an agency's mission implementation, program management, and expenditures of public funds. In 2017, the Office of Hawaiian Affairs Board of Trustees authorized an independent financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries to address concerns raised by the Board. In the Office of the Auditor's Report No. 18-03, Audit of the Office of Hawaiian Affairs, the Auditor raised concerns similar to those of the Board regarding spending irregularities pertaining to alternate funding processes for limited liability companies created by the Office of Hawaiian Affairs. Your Committee acknowledges that the Office of Hawaiian Affairs has taken proactive steps to improve its internal processes. To continue that forward momentum, your Committee urges the Office of Hawaiian Affairs to complete the 2017 independent financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 188 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Keohokalole).

## SCRep. 1558 Hawaiian Affairs on S.R. No. 151

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to complete the 2017 independent financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries.

Your Committee received testimony in support of this measure from the Center for Hawaiian Sovereignty Studies. Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds independent audits are important tools to assess an organization's financial and management performance and to help measure an agency's mission implementation, program management, and expenditures of public funds. In 2017, the Office of Hawaiian Affairs Board of Trustees authorized an independent financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries to address concerns raised by the Board. In the Office of the Auditor's Report No. 18-03, Audit of the Office of Hawaiian Affairs, the Auditor raised concerns similar to those of the Board regarding spending irregularities pertaining to alternate funding processes for limited liability companies created by the Office of Hawaiian Affairs. Your Committee acknowledges that the Office of Hawaiian Affairs has taken proactive steps to improve its internal processes. To continue that forward momentum, your Committee urges the Office of Hawaiian Affairs to complete the 2017 independent financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 151 and recommends that it be referred to your Committee on Ways and Means

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Keohokalole).

## SCRep. 1559 Hawaiian Affairs on S.C.R. No. 180

The purpose and intent of this measure is to support the development of a Hawaiian Language Plan, including goals, benchmarks, strategies, and outcomes, to build upon accomplishments and accelerate the normalization of 'ōlelo Hawai'i.

Your Committee received testimony in support of this measure from the Department of Education; University of Hawai'i System; Office of Hawaiian Affairs; Alaska Native Languages and Studies at the University of Alaska Southeast; Governing Board of Ke Kula 'O Nāwahīokalani'ōpu'u Iki Laboratory Public Charter School; Maunakea Observatories; Kanaeokana Kula Hawai'i Network; Kamehameha Schools; Council for Native Hawaiian Advancement; 'Aha Pūnana Leo; Pūnana Leo o Hilo; Pūnana Leo o Waimea; Pūnana Leo o Kona; Pūnana Leo o Maui; Pūnana Leo o Lahaina; Pūnana Leo o Hāna; Pūnana Leo o Moloka'i; Pūnana Leo o Mānoa; Pūnana Leo o Honolulu; Pūnana Leo o Wai'anae; Pūnana Leo o Ko'olau Poko; Pūnana Leo o Kaua'i; Mokuola Honua Center for Indigenous Language Excellence; Makauila, Inc.; 'Ōiwi Television Network; Prince Kūhiō Hawaiian Civic Club; Association of Hawaiian Civic Clubs; a petition signed by over two hundred ninety individuals; and four individuals. Your Committee received testimony in opposition to this measure from one individual.

Your Committee finds 'ōlelo Hawai'i is an indigenous language of Hawai'i recognized by the Constitution of the State of Hawai'i as one of the State's official languages. There is a need to recognize the native Hawaiian speakers who preserved the language in their families and whose families never lost the language, despite a general loss of 'ōlelo Hawai'i at the turn of the 20th century. Your Committee further finds that there are many groups who deserve recognition and acknowledgment for the hard work they have done to reverse the language loss that occurred in the early 1900s and to preserve, revitalize, and promote this indigenous language through cooperative efforts to raise speakers of 'ōlelo Hawai'i, educate learners in immersive settings, normalize 'ōlelo Hawai'i in its homeland, and drive and inspire change to ensure a living language in Hawai'i. Your Committee also finds that, although much progress has been made to preserve 'ōlelo Hawai'i, the development of a Hawaiian Language Plan is necessary to continue advancing the use of 'ōlelo Hawai'i beyond the education sector and into government services and transactions, private sector activity, and tourism.

Your Committee notes that concerns were raised regarding Aha Punana Leo's role as leader of the coalition to develop the Hawaiian Language Plan and that there may be interest by both the Lieutenant Governor's office and Governor's office to take a leadership role in this coalition. Your Committee finds that choosing a neutral, universally acceptable leader of this coalition merits further consideration and requests that your Committee on Ways and Means further examine the viability of either the Lieutenant Governor's or Governor's office taking leadership of this coalition.

Your Committee has amended this measure by:

- (1) Acknowledging the accomplishments of the Niihau Language Commission and native Hawaiian speakers who preserved the indigenous Hawaiian language in the family setting;
- (2) Clarifying that native speakers are first language speakers whose families never lost the Hawaiian language and acknowledging their role in 'ōlelo Hawai'i preservation;
- (3) Amending the suggested membership of the coalition to include native speakers;
- (4) Clarifying that the coalition have equitable representation of the different 'olelo Hawai'i stakeholders; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 180, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 180, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Keohokalole).

## SCRep. 1560 Hawaiian Affairs on S.R. No. 146

The purpose and intent of this measure is to support the development of a Hawaiian Language Plan, including goals, benchmarks, strategies, and outcomes, to build upon accomplishments and accelerate the normalization of 'ōlelo Hawai'i.

Your Committee received testimony in support of this measure from the University of Hawai'i System; Office of Hawaiian Affairs; Alaska Native Languages and Studies at the University of Alaska Southeast; Maunakea Observatories; Kanaeokana Kula Hawaii Network; Ho'omanapono Political Action Committee; Kamehameha Schools; Council for Native Hawaiian Advancement; 'Aha Pūnana Leo; Pūnana Leo o Hilo; Pūnana Leo o Waiimea; Pūnana Leo o Kona; Pūnana Leo o Maui; Pūnana Leo o Lahaina; Pūnana Leo o Hāna; Pūnana Leo o Moloka'i; Pūnana Leo o Mānoa; Pūnana Leo o Honolulu; Pūnana Leo o Wai'anae; Pūnana Leo o Ko'olau Poko; Pūnana Leo o Kaua'i; Mokuola Honua Center for Indigenous Language Excellence; Makauila, Inc.; 'Ōiwi Television Network; Prince Kūhiō Hawaiian Civic Club; Association of Hawaiian Civic Clubs; a petition signed by over two hundred ninety individuals; and ten individuals.

Your Committee finds 'ōlelo Hawai'i is an indigenous language of Hawai'i recognized by the Constitution of the State of Hawai'i as one of the State's official languages. There is a need to recognize the native Hawaiian speakers who preserved the language in their families and whose families never lost the language, despite a general loss of 'ōlelo Hawai'i at the turn of the 20th century. Your Committee further finds that there are many groups who deserve recognition and acknowledgment for the hard work they have done to reverse the language loss that occurred in the early 1900s and to preserve, revitalize, and promote this indigenous language through cooperative efforts to raise speakers of 'ōlelo Hawai'i, educate learners in immersive settings, normalize 'ōlelo Hawai'i in its homeland, and drive and inspire change to ensure a living language in Hawai'i. Your Committee also finds that, although much progress has been made to preserve 'ōlelo Hawai'i, the development of a Hawaiian Language Plan is necessary to continue advancing the use of 'ōlelo Hawai'i beyond the education sector and into government services and transactions, private sector activity, and tourism.

Your Committee notes that concerns were raised regarding Aha Punana Leo's role as leader of the coalition to develop the Hawaiian Language Plan and that there may be interest by both the Lieutenant Governor's office and Governor's office to take a leadership role in this coalition. Your Committee finds that choosing a neutral, universally acceptable leader of this coalition merits further consideration and requests that your Committee on Ways and Means further examine the viability of either the Lieutenant Governor's or Governor's office taking leadership of this coalition.

Your Committee has amended this measure by:

- (1) Acknowledging the accomplishments of the Niihau Language Commission and native Hawaiian speakers who preserved the indigenous Hawaiian language in the family setting;
- (2) Clarifying that native speakers are first language speakers whose families never lost the Hawaiian language and acknowledging their role in 'ōlelo Hawai'i preservation;
- (3) Amending the suggested membership of the coalition to include native speakers;
- (4) Clarifying that the coalition have equitable representation of the different 'olelo Hawai'i stakeholders; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 146, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 146, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Keohokalole).

# SCRep. 1561 Hawaiian Affairs on S.C.R. No. 177

The purpose and intent of this measure is to request the probate court to increase transparency regarding the Kamehameha Schools' trustee selection process.

Your Committee received testimony in support of this measure from the Association of Hawaiian Civic Clubs and three individuals. Your Committee received comments on this measure from the Hawaiian Affairs Caucus of the Democratic Party of Hawai'i and one individual.

Your Committee finds Kamehameha Schools is governed by a Board of Trustees who set policies to provide strategic direction and fulfill the schools' vision, mission, and values. The probate court is responsible for the trustee selection process by choosing the members of the Trustee Screening Committee. However, there has been a lack of transparency on the part of the probate court on the qualifications of and the method by which the members of the Trustee Screening Committee are chosen. Your Committee finds this measure seeks to address community concerns about transparency by requesting the probate court to be transparent on how the Trustee Screening Committee members are chosen and to recognize and involve Kamehameha Schools stakeholders in the process.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 177 and recommends that it be referred to your Committee on Judiciary.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

# SCRep. 1562 Hawaiian Affairs on S.R. No. 144

The purpose and intent of this measure is to request the probate court to increase transparency regarding the Kamehameha Schools' trustee selection process.

Your Committee received testimony in support of this measure from the Association of Hawaiian Civic Clubs and four individuals. Your Committee received comments on this measure from the Hawaiian Affairs Caucus of the Democratic Party of Hawaii.

Your Committee finds Kamehameha Schools is governed by a Board of Trustees who set policies to provide strategic direction and fulfill the schools' vision, mission, and values. The probate court is responsible for the trustee selection process by choosing the members of the Trustee Screening Committee. However, there has been a lack of transparency on the part of the probate court on the qualifications of and the method by which the members of the Trustee Screening Committee are chosen. Your Committee finds this measure seeks to address community concerns about transparency by requesting the probate court to be transparent on how the Trustee Screening Committee members are chosen and to recognize and involve Kamehameha Schools stakeholders in the process.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 144 and recommends that it be referred to your Committee on Judiciary.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

## SCRep. 1563 Hawaiian Affairs on S.C.R. No. 70

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to conduct an independent fiscal audit of all limited liability companies created or controlled by the Office.

Your Committee received testimony in support of this measure from the Center for Hawaiian Sovereignty Studies. Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that independent audits are necessary to assess government performance and to assist agencies reduce waste and inefficiency in their policy implementation, program management, and expenditures of public funds. The Office of Hawaiian Affairs' ongoing fiscal health is vital to its mission of improving the conditions and well-being of present and future Native Hawaiians and Hawaiians. The Office of the Auditor's 2018 Audit of the Office of Hawaiian Affairs raised concerns regarding spending irregularities and possible breaches of the Office's fiduciary duties, including in regards to the Office's limited liability companies (LLCs).

Your Committee notes that the Office of Hawaiian Affairs has completed and included with its testimony a copy of its June 30, 2017, financial statements and independent auditor's report. Your Committee recognizes the initiative taken by the Office of Hawaiian Affairs and recommends moving this measure along the legislative process for further consideration of any related issues.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 70 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

# SCRep. 1564 Hawaiian Affairs on S.R. No. 48

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to conduct an independent fiscal audit of all limited liability companies created or controlled by the Office.

Your Committee received testimony in support of this measure from the Center for Hawaiian Sovereignty Studies. Your Committee received testimony in opposition to this measure from one individual. Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that independent audits are necessary to assess government performance and to assist agencies reduce waste and inefficiency in their policy implementation, program management, and expenditures of public funds. The Office of Hawaiian Affairs' ongoing fiscal health is vital to its mission of improving the conditions and well-being of present and future Native Hawaiians and Hawaiians. The Office of the Auditor's 2018 Audit of the Office of Hawaiian Affairs raised concerns regarding spending

irregularities and possible breaches of the Office's fiduciary duties, including in regards to the Office's limited liability companies (LLCs).

Your Committee notes that the Office of Hawaiian Affairs has completed and included with its testimony a copy of its June 30, 2017, financial statements and independent auditor's report. Your Committee recognizes the initiative taken by the Office of Hawaiian Affairs and recommends moving this measure along the legislative process for further consideration of any related issues.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 48 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

## SCRep. 1565 (Joint) Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 86

The purpose and intent of this measure is to request that the Department of Business, Economic Development, and Tourism conduct a study on potential industries, other than tourism, to promote economic development in the County of Hawaii.

Your Committees received testimony in support of this measure from the Department of Business, Economic Development, and Tourism and one individual. Your Committees received comments on this measure from the Hawaii Technology Development Corporation.

Your Committees find that Hawaii imports over ninety percent of the products that the State consumes. Supporting local manufacturers can help supply more of the products that residents of Hawaii consume and enhance the State's economy through job generation. Your Committees also find that the County of Hawaii is the largest county in the State by land area and may be a good location to establish manufacturing facilities. The establishment of a strong manufacturing industry based in the County of Hawaii would allow the county and State to diversify their sources of revenue generation, rather than continuing to rely primarily on tourism. Your Committees further find that although manufacturing appears to be a promising industry, more information is needed to confirm this and determine whether any other revenue-producing industries are viable options for the County of Hawaii.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 86 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella).

# SCRep. 1566 (Joint) Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs on S.R. No. 63

The purpose and intent of this measure is to request that the Department of Business, Economic Development, and Tourism conduct a study on potential industries, other than tourism, to promote economic development in the County of Hawaii.

Your Committees received testimony in support of this measure from the Department of Business, Economic Development, and Tourism. Your Committees received comments on this measure from the Hawaii Technology Development Corporation.

Your Committees find that Hawaii imports over ninety percent of the products that the State consumes. Supporting local manufacturers can help supply more of the products that residents of Hawaii consume and enhance the State's economy through job generation. Your Committees also find that the County of Hawaii is the largest county in the State by land area and may be a good location to establish manufacturing facilities. The establishment of a strong manufacturing industry based in the County of Hawaii would allow the county and State to diversify their sources of revenue generation, rather than continuing to rely primarily on tourism. Your Committees further find that although manufacturing appears to be a promising industry, more information is needed to confirm this and determine whether any other revenue-producing industries are viable options for the County of Hawaii.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 63 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella).

## SCRep. 1567 (Joint) Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 95

The purpose and intent of this measure is to urge the Department of Taxation to conduct a study to determine the amount of transient accommodations tax revenues that would be allocated to each county if the allocation were recalculated based upon the population growth from 2010 to 2017.

Your Committees received comments on this measure from the Department of Taxation.

Your Committees find that under existing law, \$103 million of transient accommodations tax revenues are distributed to the counties as follows: 14.5 percent to Kauai County, 18.6 percent to Hawaii County, 44.1 percent to the City and County of Honolulu, and 22.8 percent to Maui County. Your Committees also find that the counties use transient accommodations tax revenue for general government purposes, which includes services such as police and fire protection, park and beach management, and lifeguard services,

which benefit visitors and residents. Your Committees further find that according to United States Census data, from 2010 to 2017, the population of the neighbor island counties (Hawaii 8.3 percent, Kauai 7.6 percent, and Maui 7.4 percent) grew more rapidly than that of the City and County of Honolulu (3.7 percent). This measure urges the Department of Taxation to conduct a study to determine the amount of transient accommodations tax revenues that would be allocated to each county if the allocation were to be recalculated based on population growth during that time period.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 95 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella).

# SCRep. 1568 (Joint) Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs on S.R. No. 72

The purpose and intent of this measure is to urge the Department of Taxation to conduct a study to determine the amount of transient accommodations tax revenues that would be allocated to each county if the allocation were recalculated based upon the population growth from 2010 to 2017.

Your Committees did not receive any testimony on this measure.

Your Committees find that under existing law, \$103 million of transient accommodations tax revenues are distributed to the counties as follows: 14.5 percent to Kauai County, 18.6 percent to Hawaii County, 44.1 percent to the City and County of Honolulu, and 22.8 percent to Maui County. Your Committees also find that the counties use transient accommodations tax revenue for general government purposes, which includes services such as police and fire protection, park and beach management, and lifeguard services, which benefit visitors and residents. Your Committees further find that according to United States Census data, from 2010 to 2017, the population of the neighbor island counties (Hawaii 8.3 percent, Kauai 7.6 percent, and Maui 7.4 percent) grew more rapidly than that of the City and County of Honolulu (3.7 percent). This measure urges the Department of Taxation to conduct a study to determine the amount of transient accommodations tax revenues that would be allocated to each county if the allocation were to be recalculated based on population growth during that time period.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 72 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella).

# SCRep. 1569 Energy, Economic Development, and Tourism on S.C.R. No. 108

The purpose and intent of this measure is to:

- (1) Urge the Parks and Recreation Department of the City and County of Honolulu to enter into a public-private partnership with a non-profit organization to develop a proposal for a racetrack facility on certain lands in Kalaeloa; and
- (2) Request the Department of Public Safety and Department of Business, Economic Development, and Tourism to facilitate and approve the development of the racetrack or raceway park at Kalaeloa.

Your Committee received testimony in support of this measure from the Sports Car Club of America Hawaii Region, University of Hawaii RWR Rainbow Warriors SAE Formula 1 Car Race Team, Naval Air Station Barbers Point Museum, Nikola's Auto Center LLC, Shade Tree Motorsports, The First L.A.P./Peacemakers, British Car Club of Hawaii, Sahuaro Miata Club, Wicked Stangs of Oahu, Ron's Performance Center, RevHi, and forty-eight individuals. Your Committee received testimony in opposition to this measure from the Kanehili Cultural Hui, Military Order of the Purple Heart Department of Hawaii, Veterans of Foreign Wars of the United States Department of Hawaii, and four individuals.

Your Committee finds that auto racing has a rich history in the State, with drag racing on the island of Oahu dating back to the early 1950s. Your Committee also finds that Hawaii Raceway Park provided motor sports enthusiasts a legal venue to race from 1962 until its closure in 2006. For the past forty years, county parks programs from the County of Hawaii, County of Maui, and County of Kauai have provided the public state and county supported raceway park facilities at closed air field land granted by the military to the respective county parks departments for public recreational use by motorsports fans as raceway parks.

Your Committee further finds that two hundred twenty acres of closed military air field land in Kalaeloa is available for use as a raceway park or race track and the Council of the City and County of Honolulu adopted Council Resolution 18-265 to urge the City Administration to expedite the transfer of deed for the Kalaeloa lands to the City for use in perpetuity as a public park or recreational area.

This measure urges the responsible parties to complete the tasks necessary for the design, financing, construction, and operation of a racetrack facility at Kalaeloa.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 108 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

## SCRep. 1570 (Joint) Energy, Economic Development, and Tourism and Technology on S.C.R. No. 66

The purpose and intent of this measure is to request that the Hawaii Tourism Authority convene a global artificial intelligence summit in 2020.

Your Committees received comments on this measure from the Hawai'i Tourism Authority.

Your Committees find that the United States and other nations should examine the best ways to integrate and approach artificial intelligence to leverage its advantages and prepare against potential harm. Your Committees also find that due to its central Pacific location and close proximity to Asia, Hawaii is an ideal place to host a global summit on artificial intelligence. This measure requests that the Hawaii Tourism Authority and Hawaii Technology Development Corporation work together to convene a global artificial intelligence summit in 2020 to discuss innovations in artificial intelligence technologies and develop practical applications for those technologies.

Your Committees have amended this measure by:

- (1) Specifying that the Hawaii Tourism Authority is to collaborate with the Hawaii Technology Development Corporation to convene a global artificial intelligence summit in 2020; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Technology that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 66, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 66, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Technology: Ayes, 3. Noes, none. Excused, 2 (English, Fevella).

### SCRep. 1571 (Joint) Energy, Economic Development, and Tourism and Technology on S.R. No. 44

The purpose and intent of this measure is to request that the Hawaii Tourism Authority convene a global artificial intelligence summit in 2020.

Your Committees received comments on this measure from the Hawai'i Tourism Authority.

Your Committees find that the United States and other nations should examine the best ways to integrate and approach artificial intelligence to leverage its advantages and prepare against potential harm. Your Committees also find that due to its central Pacific location and close proximity to Asia, Hawaii is an ideal place to host a global summit on artificial intelligence. This measure requests that the Hawaii Tourism Authority and Hawaii Technology Development Corporation work together to convene a global artificial intelligence summit in 2020 to discuss innovations in artificial intelligence technologies and develop practical applications for those technologies.

Your Committees have amended this measure by:

- (1) Specifying that the Hawaii Tourism Authority is to collaborate with the Hawaii Technology Development Corporation to convene a global artificial intelligence summit in 2020; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Technology that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 44, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 44, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Technology: Ayes, 3. Noes, none. Excused, 2 (English, Fevella).

# SCRep. 1572 (Joint/Majority) Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 144

The purpose and intent of this measure is to request that the Legislature recalculate and establish the transient accommodations tax allocation of each county based upon the population growth from 2010 to 2017 in each county.

Your Committees did not receive any testimony on this measure.

Your Committees find that pursuant to section 237D-6.5(b)(4), Hawaii Revised Statutes, \$103 million of transient accommodations tax revenues are distributed to the counties as follows: 14.5 percent to Kauai County, 18.6 percent to Hawaii County, 44.1 percent to the City and County of Honolulu, and 22.8 percent to Maui County. Your Committees also find that according to United States Census data, from 2010 to 2017, the population of the neighbor island counties (Hawaii 8.3 percent, Kauai 7.6 percent, and Maui 7.4 percent) grew more rapidly than that of the City and County of Honolulu (3.7 percent). In order to provide a fair, consistent, and reliable allocation of transient accommodations tax revenues to the counties, your Committees find that the allocation to the counties should be recalculated based upon the population growth of each respective county from 2010 to 2017.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 144 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3; Ayes with Reservations (Fevella). Noes, 1 (Keohokalole). Excused, 1 (Inouve).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Baker, Harimoto).

# SCRep. 1573 (Joint/Majority) Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs on S.R. No. 111

The purpose and intent of this measure is to request that the Legislature recalculate and establish the transient accommodations tax allocation of each county based upon the population growth from 2010 to 2017 in each county.

Your Committees did not receive any testimony on this measure.

Your Committees find that pursuant to section 237D-6.5(b)(4), Hawaii Revised Statutes, \$103 million of transient accommodations tax revenues are distributed to the counties as follows: 14.5 percent to Kauai County, 18.6 percent to Hawaii County, 44.1 percent to the City and County of Honolulu, and 22.8 percent to Maui County. Your Committees also find that according to United States Census data, from 2010 to 2017, the population of the neighbor island counties (Hawaii 8.3 percent, Kauai 7.6 percent, and Maui 7.4 percent) grew more rapidly than that of the City and County of Honolulu (3.7 percent). In order to provide a fair, consistent, and reliable allocation of transient accommodations tax revenues to the counties, your Committees find that the allocation to the counties should be recalculated based upon the population growth of each respective county from 2010 to 2017.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 111 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3; Ayes with Reservations (Fevella). Noes, 1 (Keohokalole). Excused, 1 (Inouye).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Baker, Harimoto).

## SCRep. 1574 (Joint) Public Safety, Intergovernmental, and Military Affairs and Transportation on S.C.R. No. 192

The purpose and intent of this measure is to request that the counties take necessary measures to remove abandoned vehicles from public roads within ten days of abandonment.

Your Committees received comments on this measure from the County of Hawai'i Office of the Mayor.

Your Committees find that pursuant to section 290-1, Hawaii Revised Statutes, the counties are required to take vehicles that have been abandoned into custody within ten business days of abandonment. Your Committees further find that many vehicles are abandoned on public roads and remain there for extended periods of time. This measure therefore requests that the several counties remove abandoned vehicles from public roads within ten days of abandonment.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Transportation that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 192 and recommend that it be referred to your Committee on Judiciary.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

# SCRep. 1575 (Joint) Public Safety, Intergovernmental, and Military Affairs and Transportation on S.R. No. 155

The purpose and intent of this measure is to request that the counties take necessary measures to remove abandoned vehicles from public roads within ten days of abandonment.

Your Committees received comments on this measure from the County of Hawai'i Office of the Mayor.

Your Committees find that pursuant to section 290-1, Hawaii Revised Statutes, the counties are required to take vehicles that have been abandoned into custody within ten business days of abandonment. Your Committees further find that many vehicles are abandoned on public roads and remain there for extended periods of time. This measure therefore requests that the several counties remove abandoned vehicles from public roads within ten days of abandonment.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Transportation that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 155 and recommend that it be referred to your Committee on Judiciary.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

# SCRep. 1576 (Joint) Public Safety, Intergovernmental, and Military Affairs and Transportation on S.C.R. No. 27

The purpose and intent of this measure is to request that the United States government lease federally owned vacant land to the State to be used as tow yards to store abandoned vehicles.

Your Committees received testimony in support of this measure from the Department of Transportation.

Your Committees find that vehicles abandoned on public roads are a nuisance and have the potential for environmental disaster and adverse impacts on human health and safety. Your Committees further find that the United States government has ownership of vacant land located in various parts of the State that may have the appropriate infrastructure necessary to store abandoned vehicles. This measure therefore requests that the United States government lease federally owned vacant land to the State to be used as tow yards to store abandoned vehicles.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Transportation that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 27 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

# SCRep. 1577 (Joint) Public Safety, Intergovernmental, and Military Affairs and Transportation on S.R. No. 19

The purpose and intent of this measure is to request that the United States government lease federally owned vacant land to the State to be used as tow yards to store abandoned vehicles.

Your Committees received testimony in support of this measure from the Department of Transportation.

Your Committees find that vehicles abandoned on public roads are a nuisance and have the potential for environmental disaster and adverse impacts on human health and safety. Your Committees further find that the United States government has ownership of vacant land located in various parts of the State that may have the appropriate infrastructure necessary to store abandoned vehicles. This measure therefore requests that the United States government lease federally owned vacant land to the State to be used as tow yards to store abandoned vehicles.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Transportation that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 19 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

## SCRep. 1578 (Joint) Energy, Economic Development, and Tourism and Transportation on S.C.R. No. 92

The purpose and intent of this measure is to encourage the Hawaii Community Development Authority to prioritize investment in public facilities within transient-oriented development zones in any of its statewide planning functions or involvement therein.

Your Committees received testimony in support of this measure from one individual. Your Committees received comments on this measure from the Hawaii Community Development Authority; Chamber of Commerce Hawaii; Building Industry Association of Hawaii; and Hunt Development Group, LLC.

Your Committees find that transit-oriented development promotes development patterns that support quality of life, preserve the natural environment, provide a range of housing choices for residents, and encourage a healthy lifestyle. Your Committees also find that the lack of coordination and financing of infrastructure improvements, including public facilities, in planned growth areas, including transit-oriented development zones, is a major impediment to realizing the potential of transit-oriented development in meeting housing demands and creating vibrant and sustainable mixed-use communities. Your Committees further find that the State must take a more proactive role in investing in critical infrastructure necessary to overcome barriers to transit-oriented development. Likewise, this measure encourages the Hawaii Community Development authority to prioritize investment in public facilities within transit-oriented development zones.

Your Committees find that the Kalaeloa community development district has similar infrastructure challenges and would stand to benefit from investments in infrastructure.

Your Committees have amended this measure by:

- (1) Adding findings regarding the critical infrastructure needs of the Kalaeloa community development district;
- (2) Encouraging the Hawaii Community Development Authority to also prioritize investment in public facilities within the Kalaeloa community development district in any of its statewide planning functions or involvement therein; and
- (3) Amending its title accordingly.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Transportation that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 92, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 92, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 4. Noes, none. Excused, 1 (Taniguchi).

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

## SCRep. 1579 (Joint) Energy, Economic Development, and Tourism and Transportation on S.R. No. 69

The purpose and intent of this measure is to encourage the Hawaii Community Development Authority to prioritize investment in public facilities within transient-oriented development zones in any of its statewide planning functions or involvement therein.

Your Committees received comments on this measure from the Chamber of Commerce Hawaii; Building Industry Association of Hawaii; and Hunt Development Group, LLC.

Your Committees find that transit-oriented development promotes development patterns that support quality of life, preserve the natural environment, provide a range of housing choices for residents, and encourage a healthy lifestyle. Your Committees also find that the lack of coordination and financing of infrastructure improvements, including public facilities, in planned growth areas, including transit-oriented development zones, is a major impediment to realizing the potential of transit-oriented development in meeting housing demands and creating vibrant and sustainable mixed-use communities. Your Committees further find that the State must take a more proactive role in investing in critical infrastructure necessary to overcome barriers to transit-oriented development. Likewise, this measure encourages the Hawaii Community Development authority to prioritize investment in public facilities within transit-oriented development zones.

Your Committees find that the Kalaeloa community development district has similar infrastructure challenges and would stand to benefit from investments in infrastructure.

Your Committees have amended this measure by:

- (1) Adding findings regarding the critical infrastructure needs of the Kalaeloa community development district;
- (2) Encouraging the Hawaii Community Development Authority to also prioritize investment in public facilities within the Kalaeloa community development district in any of its statewide planning functions or involvement therein; and
- (3) Amending its title accordingly.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Transportation that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 69, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 69, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 4. Noes, none. Excused, 1 (Taniguchi).

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

#### SCRep. 1580 (Joint) Energy, Economic Development, and Tourism and Agriculture and Environment on S.C.R. No. 119

The purpose and intent of this measure is to request the State Energy Office, in collaboration with the Department of Agriculture, to create and implement a strategic plan to increase renewable energy and local food production and create an economic impact report.

Your Committees received testimony in support of this measure from the Hawai'i Public Health Association, Pacific Biodiesel Technologies, Maui Farmers Union United, WAIWAIproduction, Hawaii Farmers Union United, Malama O Puna, A'a Li'i Farm, Lapa'au Farm, and eighteen individuals. Your Committees received comments on this measure from the Department of Business, Economic Development, and Tourism and Department of Agriculture.

Your Committees find that the State currently imports fossil fuels and is highly dependent on foreign imports. In order to decrease the State's dependency on fossil fuels and foreign imports, Act 97, Session Laws of Hawaii 2015, established the electric renewable portfolio standard of one hundred percent of net electricity sales by 2045, and the Governor has set a goal of doubling local food production by 2020. Your Committees also find that utility-scale solar developments in Hawaii need to increase to reach the one hundred percent renewable portfolio standard but the State has not yet developed a long-term strategic plan to achieve one hundred percent renewable electricity. Renewable energy developments will require thousands of acres of flat land that are close to major transmission lines to keep infrastructure costs low.

Your Committees further find that the Department of Agriculture has not yet developed a strategic plan that incorporates renewable energy development in its plans and policies to increase local food production. Your Committees find that the State must entertain alternatives to its current agricultural operations that increase agricultural production.

This measure requests the State Energy Office and Department of Agriculture to implement a strategic plan to increase renewable energy and local food production and create an economic impact report.

Your Committees have amended this measure by updating the findings to more accurately and completely describe the current situation and needs to increase local agricultural production.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 119, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 119, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Ruderman, Fevella).

# SCRep. 1581 (Joint) Energy, Economic Development, and Tourism and Agriculture and Environment on S.R. No. 89

The purpose and intent of this measure is to request the State Energy Office, in collaboration with the Department of Agriculture, to create and implement a strategic plan to increase renewable energy and local food production and create an economic impact report.

Your Committees received testimony in support of this measure from the Hawai'i Public Health Association, Lapa'au Farm, and four individuals. Your Committees received comments on this measure from the Department of Business, Economic Development, and Tourism.

Your Committees find that the State currently imports fossil fuels and is highly dependent on foreign imports. In order to decrease the State's dependency on fossil fuels and foreign imports, Act 97, Session Laws of Hawaii 2015, established the electric renewable portfolio standard of one hundred percent of net electricity sales by 2045, and the Governor has set a goal of doubling local food production by 2020. Your Committees also find that utility-scale solar developments in Hawaii need to increase to reach the one hundred percent renewable portfolio standard but the State has not yet developed a long-term strategic plan to achieve one hundred percent renewable electricity. Renewable energy developments will require thousands of acres of flat land that are close to major transmission lines to keep infrastructure costs low.

Your Committees further find that the Department of Agriculture has not yet developed a strategic plan that incorporates renewable energy development in its plans and policies to increase local food production. Your Committees find that the State must entertain alternatives to its current agricultural operations that increase agricultural production.

This measure requests the State Energy Office and Department of Agriculture to implement a strategic plan to increase renewable energy and local food production and create an economic impact report.

Your Committees have amended this measure by updating the findings to more accurately and completely describe the current situation and needs to increase local agricultural production.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 89, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 89, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Ruderman, Fevella).

## SCRep. 1582 (Joint) Government Operations and Energy, Economic Development, and Tourism on S.C.R. No. 139

The purpose and intent of this measure is to request that the Auditor conduct a sunrise review of the registration and regulation of transient vacation unit owners.

Your Committees received testimony in support of this measure from Hawaii's Thousand Friends, Frazer-Frantz Family Hui, Kohala Coast Resort Association, Hawaii Advocates for Consumer Rights, and nine individuals. Your Committees received comments on this measure from the Office of the Auditor.

Your Committees find that transient vacation units are increasingly located in residential areas, often in violation of zoning laws and in conflict with residential neighbors. Due to the difficulty in identifying the properties being used as transient vacation units, your Committees further find that a centralized and publicly searchable database of transient vacation units, including addresses, unit numbers, and tax map numbers would help identify properly registered transient vacation units. This measure requests the Auditor to conduct a sunrise review of transient vacation unit owners as proposed by S.B. No. 960, Regular Session of 2019.

Your Committees have amended this measure by:

- (1) Updating the findings to note the proliferation of single family dwellings being offered for short-term vacation rentals, that these dwellings are not identified or obligated to meet certain standards and laws, and it is in the best interest of the State for these standards to be applied and met;
- (2) Clarifying that transient vacation rental owners should be evaluated by the Auditor as "professional guest house operators";
- (3) Updating its title accordingly.

As affirmed by the records of votes of the members of your Committees on Government Operations and Energy, Economic Development, and Tourism that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 139, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 139, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Government Operations: Ayes, 4. Noes, none. Excused, 1 (Baker).

Energy, Economic Development, and Tourism: Ayes, 5; Ayes with Reservations (Taniguchi). Noes, none. Excused, none.

## SCRep. 1583 (Joint) Government Operations and Housing on S.C.R. No. 79

The purpose and intent of this measure is to urge state entities to give priority to applicants who work within twenty-five miles of the housing applied for under affordable, reserved, and workforce housing programs.

Your Committees received comments on this measure from the Hawaii Housing Finance and Development Corporation.

Your Committees find that the State is in need of affordable housing for its workers and it is beneficial for workers to live in close proximity to their place of work. Your Committees also find that benefits of living near work include reduced risk of traffic accidents due to less time spent in a vehicle; money saved on gas; minimized stress of lengthy commutes; reduced pollution; increased reliability and productivity of workers; improved personal health, especially if the worker walks or bikes; improved life-work balance; improved relationships, as workers spend less time commuting and more time with friends and family; and overall improved quality of life. This measure therefore gives priority to applicants for certain housing programs who live within twenty-five miles of the housing associated with those particular housing programs. However, your Committees note the concerns raised in testimony that adopting a priority or preference for certain applicants could raise certain concerns under the federal Fair Housing Act.

Your Committees have amended this measure by:

- Urging state entities to give consideration, rather than priority, to applicants who work within twenty-five miles of housing applied for under certain housing programs;
- (2) Updating the title to reflect its amended purpose; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committees encourage the Hawaii Housing Finance and Development Corporation to work with the Department of the Attorney General to determine whether and how to properly give consideration to applicants who live within twenty-five miles of the applied for housing.

As affirmed by the records of votes of the members of your Committees on Government Operations and Housing that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 79, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 79, S.D. 1.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella). Housing: Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1584 (Joint) Government Operations and Housing on S.R. No. 56

The purpose and intent of this measure is to urge state entities to give priority to applicants who work within twenty-five miles of the housing applied for under affordable, reserved, and workforce housing programs.

Your Committees received comments on this measure from the Hawaii Housing Finance and Development Corporation.

Your Committees find that the State is in need of affordable housing for its workers and it is beneficial for workers to live in close proximity to their place of work. Your Committees also find that benefits of living near work include reduced risk of traffic accidents due to less time spent in a vehicle; money saved on gas; minimized stress of lengthy commutes; reduced pollution; increased reliability and productivity of workers; improved personal health, especially if the worker walks or bikes; improved life-work balance; improved relationships, as workers spend less time commuting and more time with friends and family; and overall improved quality of life. This measure therefore gives priority to applicants for certain housing programs who live within twenty-five miles of the housing associated with those particular housing programs. However, your Committees note the concerns raised in testimony that adopting a priority or preference for certain applicants could raise certain concerns under the federal Fair Housing Act.

Your Committees have amended this measure by:

- Urging state entities to give consideration, rather than priority, to applicants who work within twenty-five miles of housing applied for under certain housing programs;
- (2) Updating the title to reflect its amended purpose; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committees encourage the Hawaii Housing Finance and Development Corporation to work with the Department of the Attorney General to determine whether and how to properly give consideration to applicants who live within twenty-five miles of the applied for housing.

As affirmed by the records of votes of the members of your Committees on Government Operations and Housing that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 56, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 56, S.D. 1.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella). Housing: Ayes, 4. Noes, none. Excused, 1 (Fevella).

## SCRep. 1585 Government Operations on S.C.R. No. 107

The purpose and intent of this measure is to request that the Office of Information Practices explore a trial preliminary inclination process for incoming public appeals.

Your Committee received testimony in support of this measure from the Office of Information Practices, Hawaii Chapter of the Society of Professional Journalists, League of Women Voters, and The Civil Beat Law Center for the Public Interest.

Your Committee finds that when public appeals cannot be resolved without formal enforceable rulings by the Office of Information Practices, the Office normally prepares enforceable rulings on a first-come first-served basis. Your Committee also finds that the preparation of formal enforceable rulings by the Office of Information Practices is time-consuming and expensive. Unless additional resources are provided to the Office of Information Practices or the Office experiments and finds an effective way to modify its procedures, the Office of Information Practices will be unable to quickly resolve those incoming public appeals that require a formal enforceable ruling by the Office of Information Practices.

This measure requests that the Office of Information Practices explore a trial preliminary inclination process for incoming public appeals, wherein the Office will prepare a short preliminary inclination, which will be published online for public access. Your Committee further finds that this measure is intended to encourage the Office of Information Practices to re-examine its internal processes, and if the trial preliminary inclination process yields positive results, expand this process to other appeals, with the hope that the Office will be better able to resolve public complaints in a more expeditious manner.

As affirmed by the record of votes of the members of your Committee on Government Operations that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 107 and recommends that it be referred to your Committees on Judiciary and Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

## SCRep. 1586 Government Operations on S.R. No. 81

The purpose and intent of this measure is to request that the Office of Information Practices explore a trial preliminary inclination process for incoming public appeals.

Your Committee received testimony in support of this measure from the Office of Information Practices, Hawaii Chapter of the Society of Professional Journalists, League of Women Voters, and The Civil Beat Law Center for the Public Interest.

Your Committee finds that when public appeals cannot be resolved without formal enforceable rulings by the Office of Information Practices, the Office normally prepares enforceable rulings on a first-come first-served basis. Your Committee also finds that the preparation of formal enforceable rulings by the Office of Information Practices is time-consuming and expensive. Unless additional resources are provided to the Office of Information Practices or the Office experiments and finds an effective way to modify its procedures, the Office of Information Practices will be unable to quickly resolve those incoming public appeals that require a formal enforceable ruling by the Office of Information Practices.

This measure requests that the Office of Information Practices explore a trial preliminary inclination process for incoming public appeals, wherein the Office will prepare a short preliminary inclination, which will be published online for public access. Your Committee further finds that this measure is intended to encourage the Office of Information Practices to re-examine its internal processes, and if the trial preliminary inclination process yields positive results, expand this process to other appeals, with the hope that the Office will be better able to resolve public complaints in a more expeditious manner.

As affirmed by the record of votes of the members of your Committee on Government Operations that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 81 and recommends that it be referred to your Committees on Judiciary and Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

### SCRep. 1587 (Joint) Government Operations and Labor, Culture and the Arts on S.C.R. No. 170

The purpose and intent of this measure is to request the Department of Accounting and General Services to dedicate one private room in the Hawaii State Capitol Building for employees and visitors to breastfeed and express milk.

Your Committees received testimony in support of this measure from the Hawai'i State Commission on the Status of Women, Breastfeeding Hawaii, Early Childhood Action Strategy, Healthy Mothers Healthy Babies Coalition of Hawaii, American Association of University Women of Hawaii, Hawaii Youth Services Network, and eleven individuals. Your Committees received comments on this measure from the Department of Accounting and General Services.

Your Committees find that numerous health organizations recommend that infants be exclusively breastfed for the first six months of life and continue to be breastfed until twelve months of age or longer. Your Committees also find that federal and Hawaii law require employers to provide reasonable break time and a location, other than a bathroom, for employees to express breast milk.

Your Committees further find that research shows that breast milk and breastfeeding provide advantages with regard to the infant's general health, growth, and development, while significantly decreasing the risk of a large number of acute and chronic diseases. Mothers who breastfeed have a decreased risk of breast, uterine, and ovarian cancer; postpartum depression; anxiety disorder; cardiovascular disease; and osteoporosis later in life. Furthermore, the nutrients exclusive to breast milk are vital to the growth, development, and maintenance of the human brain and cannot be manufactured. Your Committees additionally find that the health benefits of breastfeeding result in lower health care costs for employers, less time off for employees to care for sick children, enhancement of an employer's image, and higher productivity and employee loyalty. Finally, your Committees find that employers, employees, and society benefit from supporting a mother's decision to breastfeed and from reducing the obstacles to initiating and continuing breastfeeding. This measure therefore requests the Department of Accounting and General Services to dedicate a private room in the State Capitol Building for breastfeeding or expressing milk.

Your Committees have amended this measure by:

- (1) Requiring the dedicated room to have an electrical outlet for electronic breast pump usage and refrigerator to store breast milk;
- (2) Requiring a certified copy of this measure to be delivered to Dr. Sylvia Pager's husband, Dr. David Pager; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Government Operations and Labor, Culture and the Arts that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 170, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 170, S.D. 1.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella). Labor, Culture and the Arts: Ayes, 4. Noes, none. Excused, 1 (Fevella).

### SCRep. 1588 Commerce, Consumer Protection, and Health on S.C.R. No. 189

The purpose and intent of this measure is to request the Department of Health to conduct a study of the State Comprehensive Emergency Medical Services System to identify issues and problems and propose initiatives to improve the system.

Your Committee received testimony in support of this measure from American Medical Response and one individual. Your Committee received comments on this measure from the Department of Health.

Your Committee finds the State Comprehensive Emergency Medical Services System ensures the effective and coordinated delivery of health care services under emergency conditions. To achieve this, the State Comprehensive Emergency Medical Services System provides personnel, personnel training, emergency transportation, facilities, coordination with emergency medical and critical care services, mandatory standard medical recordkeeping, consumer information and education, independent review and evaluation, and disaster linkage among other services. Your Committee further finds that, like any large and complex system, it takes constant attention to ensure system cohesiveness, diagnose system weaknesses, and implement improvements. For this reason, the Department of Health is requested to conduct a study on the State Comprehensive Emergency Medical Services System to identify issues and problems and propose initiatives to improve the system.

Your Committee has amended this measure by:

- (1) Updating the findings to acknowledge the upcoming National Highway Traffic Safety Administration review of the state system;
- (2) Requesting the Department of Health to include in its report to the Legislature an update regarding the outcome of the National Highway Traffic Safety statewide review; and
- (3) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 189, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 189, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

### SCRep. 1589 Commerce, Consumer Protection, and Health on S.R. No. 152

The purpose and intent of this measure is to request the Department of Health to conduct a study of the State Comprehensive Emergency Medical Services System to identify issues and problems and propose initiatives to improve the system.

Your Committee did not receive any testimony on this measure.

Your Committee finds the State Comprehensive Emergency Medical Services System ensures the effective and coordinated delivery of health care services under emergency conditions. To achieve this, the State Comprehensive Emergency Medical Services System provides personnel, personnel training, emergency transportation, facilities, coordination with emergency medical and critical care services, mandatory standard medical recordkeeping, consumer information and education, independent review and evaluation, and disaster linkage among other services. Your Committee further finds that, like any large and complex system, it takes constant attention to ensure system cohesiveness, diagnose system weaknesses, and implement improvements. For this reason, the Department of Health is requested to conduct a study on the State Comprehensive Emergency Medical Services System to identify issues and problems and propose initiatives to improve the system.

Your Committee has amended this measure by:

- (1) Updating the findings to acknowledge the upcoming National Highway Traffic Safety Administration review of the state system;
- (2) Requesting the Department of Health to include in its report to the Legislature an update regarding the outcome of the National Highway Traffic Safety statewide review; and
- (3) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 152, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 152, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

# SCRep. 1590 Commerce, Consumer Protection, and Health on S.C.R. No. 91

The purpose and intent of this measure is to recognize the importance of an additional ambulance to serve residents in the Makalei area, Kailua-Kona, Island of Hawaii.

Your Committee received testimony in support of this measure from the Hawai'i County Council.

Your Committee finds the population of the Makalei area of Kailua-Kona, on the Island of Hawaii, has increased significantly over the years. However, primary care services are as far as thirty miles away from the area and can be challenging for the community to access because of distance, transportation issues, and economic challenges. As a result, the Makalei community relies heavily on emergency medical services. Your Committee recognizes that a new advanced life support ambulance to serve the Makalei area of

Kailua-Kona will strengthen the existing emergency services infrastructure, which will improve health outcomes among residents and visitors in Kailua-Kona.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 91 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

## SCRep. 1591 Commerce, Consumer Protection, and Health on S.R. No. 68

The purpose and intent of this measure is to recognize the importance of an additional ambulance to serve residents in the Makalei area, Kailua-Kona, Island of Hawaii.

Your Committee received testimony in support of this measure from the Hawai'i County Council.

Your Committee finds the population of the Makalei area of Kailua-Kona, on the Island of Hawaii, has increased significantly over the years. However, primary care services are as far as thirty miles away from the area and can be challenging for the community to access because of distance, transportation issues, and economic challenges. As a result, the Makalei community relies heavily on emergency medical services. Your Committee recognizes that a new advanced life support ambulance to serve the Makalei area of Kailua-Kona will strengthen the existing emergency services infrastructure, which will improve health outcomes among residents and visitors in Kailua-Kona.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 68 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

# SCRep. 1592 Commerce, Consumer Protection, and Health on S.C.R. No. 84

The purpose and intent of this measure is to urge the Department of Health to expand and improve Hawaii's Healthy Start Program.

Your Committee received testimony in support of this measure from the Hawaii Family Support Institute at the University of Hawaii at Manoa and Child and Family Service. Your Committee received testimony in opposition to this measure from one individual. Your Committee received comments on this measure from the Department of Health and Parents and Children Together.

Your Committee finds healthy and positive experiences in early childhood promote positive outcomes for children and their parents. Supporting families of newborns promotes positive parent-child relationships, especially in households at risk of child maltreatment and neglect. Home visiting programs provide individually tailored support, resources, and information to expectant parents and families with young children. Your Committee further finds that home visiting services are evidence-based programs that reduce the risk of child abuse by fostering family functioning, enhancing positive parenting skills, and linking parents to community resources such as mental health services, early childhood education, childcare, family literacy, employment, and social services. Your Committee acknowledges that Hawaii's nationally recognized home visiting program reached over 840 households in 2017, despite significant budget cuts in recent years. Your Committee recognizes the significant positive impact of the Department of Health's home visiting program and urges the Department of Health to continue expanding the home visiting program, including reinstating a statewide network of home visiting services.

Your Committee has amended this measure by:

- (1) Replacing references to the Healthy Start program with the home visiting program to accurately reflect the name of the Department of Health's program;
- (2) Amending the title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 84, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 84, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

# SCRep. 1593 Commerce, Consumer Protection, and Health on S.R. No. 61

The purpose and intent of this measure is to urge the Department of Health to expand and improve Hawaii's Healthy Start Program.

Your Committee received testimony in support of this measure from Child and Family Service.

Your Committee finds healthy and positive experiences in early childhood promote positive outcomes for children and their parents. Supporting families of newborns promotes positive parent-child relationships, especially in households at risk of child maltreatment and neglect. Home visiting programs provide individually tailored support, resources, and information to expectant parents and families with young children. Your Committee further finds that home visiting services are evidence-based programs that reduce the risk of child abuse by fostering family functioning, enhancing positive parenting skills, and linking parents to community resources such as mental health services, early childhood education, childcare, family literacy, employment, and social services. Your Committee acknowledges that Hawaii's nationally recognized home visiting program reached over 840 households in 2017, despite significant

budget cuts in recent years. Your Committee recognizes the significant positive impact of the Department of Health's home visiting program and urges the Department of Health to continue expanding the home visiting program, including reinstating a statewide network of home visiting services.

Your Committee has amended this measure by:

- (1) Replacing references to the Healthy Start program with the home visiting program to accurately reflect the name of the Department of Health's program;
- (2) Amending the title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 61, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 61, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

# SCRep. 1594 Transportation on S.C.R. No. 19

The purpose and intent of this measure is to request the Legislative Reference Bureau to conduct a study on the necessity of vehicle safety inspections in the State.

Your Committee received comments on this measure from the Department of Transportation and Legislative Reference Bureau.

Your Committee finds that manufacturing technology and standard safety features of modern vehicles have developed far beyond the safety requirements of safety inspections that are currently being conducted in the State. Annual safety inspections often do not uncover any material defects or safety concerns but drivers are still required to pay for a safety inspection. Your Committee further finds that other states have eliminated or modified their safety inspections to reflect the advancements made in manufacturing technology.

Your Committee notes the testimony from the Legislative Reference Bureau, stating that the Bureau does not have the expertise with respect to automotive mechanics or accident investigation to conduct the requested study and that the Department of Transportation may be a more appropriate agency to assess the feasibility of eliminating or modifying vehicle safety inspections.

Accordingly, your Committee has amended this measure by:

- (1) Requiring the Department of Transportation, instead of the Legislative Reference Bureau, to conduct a study on the necessity of vehicle safety inspections in the State and report to the Legislature;
- (2) Amending the title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 19, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 19, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (English).

## SCRep. 1595 Transportation on S.R. No. 14

The purpose and intent of this measure is to request the Legislative Reference Bureau to conduct a study on the necessity of vehicle safety inspections in the State.

Your Committee received comments on this measure from the Department of Transportation.

Your Committee finds that manufacturing technology and standard safety features of modern vehicles have developed far beyond the safety requirements of safety inspections that are currently being conducted in the State. Annual safety inspections often do not uncover any material defects or safety concerns but drivers are still required to pay for a safety inspection. Your Committee further finds that other states have eliminated or modified their safety inspections to reflect the advancements made in manufacturing technology.

Your Committee notes the testimony from the Legislative Reference Bureau on Senate Concurrent Resolution No. 19, a substantially similar measure, stating that the Bureau does not have the expertise with respect to automotive mechanics or accident investigation to conduct the requested study and that the Department of Transportation may be a more appropriate agency to assess the feasibility of eliminating or modifying vehicle safety inspections.

Accordingly, your Committee has amended this measure by:

- (1) Requiring the Department of Transportation, instead of the Legislative Reference Bureau, to conduct a study on the necessity of vehicle safety inspections in the State and report to the Legislature;
- (2) Amending the title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 14, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 14, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (English).

### SCRep. 1596 Transportation on S.C.R. No. 78

The purpose and intent of this measure is to urge the Department of Transportation to prioritize funding to widen Kuakini Highway between Lako Street and Kamehameha III Road on Hawaii island.

Your Committee received testimony in support of this measure from the Department of Transportation and Office of the Mayor of the County of Hawai'i.

Your Committee finds that the island of Hawaii is experiencing a growth in population and as an effect, an increase in difficulties generated by a significant increase in traffic, particularly between Lako Street and Kamehameha III Road. North Kona's population increased by almost 4,000 people to nearly 42,000 from 2010 to 2016, resulting in significant traffic congestion on Kuakini Highway. Your Committee finds that expanding Kuakini Highway beyond Lako Street to Henry Street will provide additional safety measures and road improvements. These improvements will increase efficiency and will help to ease the amount of traffic congestion in the area.

Your Committee has amended this measure by:

- (1) Expanding the widening project from Henry Street rather than Lako Street and requesting the Department of Transportation to consider a continuous four-lane highway in the area;
- (2) Amending its title in accordance with its amended purpose; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 78, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 78, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

## SCRep. 1597 Transportation on S.R. No. 55

The purpose and intent of this measure is to urge the Department of Transportation to prioritize funding to widen Kuakini Highway between Lako Street and Kamehameha III Road on Hawaii island.

Your Committee received testimony in support of this measure from the Department of Transportation and Office of the Mayor of the County of Hawai'i.

Your Committee finds that the island of Hawaii is experiencing a growth in population and as an effect, an increase in difficulties generated by a significant increase in traffic, particularly between Lako Street and Kamehameha III Road. North Kona's population increased by almost 4,000 people to nearly 42,000 from 2010 to 2016, resulting in significant traffic congestion on Kuakini Highway. Your Committee finds that expanding Kuakini Highway beyond Lako Street to Henry Street will provide additional safety measures and road improvements. These improvements will increase efficiency and will help to ease the amount of traffic congestion in the area.

Your Committee has amended this measure by:

- (1) Expanding the widening project from Henry Street rather than Lako Street and requesting the Department of Transportation to consider a continuous four-lane highway in the area;
- (2) Amending its title in accordance with its amended purpose; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 55, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 55, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

## SCRep. 1598 Transportation on S.C.R. No. 21

The purpose and intent of this measure is to request the Department of Transportation to form a task force on North Road management.

Your Committee received testimony in support of this measure from the Department of Transportation and one individual.

Your Committee finds that North Road in Ewa Beach is a long, straight thoroughfare that connects the community to its schools, parks, churches, and other areas of Ewa Beach. Your Committee further finds that recently, there have been serious safety and illegal dumping concerns on Ewa Beach's North Road. These concerns are further exacerbated due to multiple entities having jurisdiction on

various portions of the road, one being private and two being public. This measure will address concerns of residents in Ewa Beach by establishing a task force on North Road management issues.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 21, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 21, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (English).

## SCRep. 1599 Water and Land on S.C.R. No. 75

The purpose and intent of this measure is to authorize the Department of Transportation, with the prior approval of the Board of Land and Natural Resources, to amend the submerged land lease boundaries and the boundaries of certain state submerged lands, identified as "LOT 12", in Honolulu Harbor, Oahu, to match the dimensions of the new drydock, Hoʻola I Na Moku, and to not extend beyond the fast land boundaries, nor to exceed the original total area of 91,350 square feet, for Pacific Shipyards International.

Your Committee received testimony in support of this measure from the Department of Transportation's Harbors Division, Pacific Shipyards International, and one individual.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that Senate Concurrent Resolution No. 56, S.D. 1, Regular Session of 2014 (S.C.R. 56), authorized the Department of Transportation, with the prior approval of the Board of Land and Natural Resources, to issue a lease for a term coextensive with the term of the ground lease for the fast lands adjacent to Pacific Shipyards International covering a portion of state submerged lands fronting the property bound by Piers 24 to 26, identified as "LOT 12". During the interval between the adoption of S.C.R. 56 and the execution of Pacific Shipyards International's lease, one of the drydocks was replaced by a larger drydock, and the fast land area contemplated for Pacific Shipyards International occupancy was reduced such that the submerged land now extends beyond the fast land boundary. Your Committee finds that the amendment to the lease is necessary to reflect the actual boundaries of the occupancy.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 75 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1600 Water and Land on S.R. No. 53

The purpose and intent of this measure is to authorize the Department of Transportation, with the prior approval of the Board of Land and Natural Resources, to amend the submerged land lease boundaries and the boundaries of certain state submerged lands, identified as "LOT 12", in Honolulu Harbor, Oahu, to match the dimensions of the new drydock, Hoʻola I Na Moku, and to not extend beyond the fast land boundaries, nor to exceed the original total area of 91,350 square feet, for Pacific Shipyards International.

Your Committee received testimony in support of this measure from the Department of Transportation and one individual.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that Senate Concurrent Resolution No. 56, S.D. 1, Regular Session of 2014 (S.C.R. 56), authorized the Department of Transportation, with the prior approval of the Board of Land and Natural Resources, to issue a lease for a term coextensive with the term of the ground lease for the fast lands adjacent to Pacific Shipyards International covering a portion of state submerged lands fronting the property bound by Piers 24 to 26, identified as "LOT 12". During the interval between the adoption of S.C.R. 56 and the execution of Pacific Shipyard International's lease, one of the drydocks was replaced by a larger drydock, and the fast land area contemplated for Pacific Shipyards International occupancy was reduced such that the submerged land now extends beyond the fast land boundary. Your Committee finds that the amendment to the lease is necessary to reflect the actual boundaries of the occupancy.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 53 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1601 Water and Land on S.C.R. No. 164

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to amend a term, non-exclusive easement covering a portion of state submerged lands located seaward of Spreckelsville, Wailuku, Maui, and identified as Tax Map Key: (2) 3-8-002:seaward of 001 for the existing seawall and boulder revetment and for use, repair, and maintenance of the existing improvements constructed thereon pursuant to section 171-53, Hawaii Revised Statutes.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on September 22, 2017, under agenda item D-7, as subsequently authorized by S.C.R. No. 80, S.D. 1, Regular Session of 2018, the Board of Land and Natural Resources approved a grant of a fifty-five-year term, non-exclusive easement to resolve the encroachments of the seawall identified in this measure. At a meeting on December 14, 2018, under agenda item D-12, the Board of Land and Natural Resources amended the September 22, 2017, action to match the area determined by the Department of Accounting and General Services' Survey Division final easement map. Your Committee notes that the grantee will be required to pay the State the fair market value of the easement. Your Committee concludes that the easement is necessary for the maintenance and repair of the existing seawall and boulder revetment, and for the use, repair, and maintenance of the existing improvements thereon.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 164 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1602 Water and Land on S.C.R. No. 15

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to authorize a term, non-exclusive easement covering a portion of state submerged lands fronting the property identified as Tax Map Key: (1) 4-5-058: seaward of 030, Kaneohe, Koolaupoko, Oahu, for the existing pier and seawall, for use, repair, and maintenance of the existing improvements constructed thereon pursuant to section 171-53, Hawaii Revised Statutes.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources and O'ahu County Committee on Legislative Priorities of the Democratic Party of Hawai'i.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on April 27, 2018, under agenda item D-6, the Board of Land and Natural Resources approved a grant of a fifty-five-year term, non-exclusive easements to resolve the encroachments of the existing pier and seawall area identified in this measure. Your Committee notes that the grantee will be required to pay the State the fair market value of the easement. Your Committee concludes that the easements are necessary for the maintenance and repair of the existing pier and seawall, and for the use, repair, and maintenance of the existing improvements thereon.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 15 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1603 Water and Land on S.C.R. No. 16

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to authorize a term, non-exclusive easement covering a portion of state submerged lands fronting the property identified as Tax Map Key: (1) 4-5-058: seaward of 121, Kaneohe, Koolaupoko, Oahu, for the existing pier, seawall, and eave, for use, repair, and maintenance of the existing improvements constructed thereon pursuant to section 171-53, Hawaii Revised Statutes.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources and O'ahu County Committee on Legislative Priorities of the Democratic Party of Hawai'i.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on December 9, 2016, under agenda item D-20, and subsequently amended on June 8, 2018, under agenda item D-8, the Board of Land and Natural Resources approved a grant of a fifty-five-year term, non-exclusive easements to resolve the encroachment of the existing pier, seawall, and eave area identified in this measure. Your Committee notes that the grantee will be required to pay the State the fair market value of the easement. Your Committee concludes that the easements are necessary for the maintenance and repair of the existing pier, seawall, and eave, and for the use, repair, and maintenance of the existing improvements thereon.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 16 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1604 Water and Land on S.C.R. No. 183

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to authorize seven term, non-exclusive easements covering a portion of state submerged lands located at Waiohuli-Keokea (Kihei), Wailuku, Maui, Hawaii, and identified as Tax Map Key: (2) 3-9-11:8 for an existing seawall and for use, repair, and maintenance of the existing improvements constructed thereon pursuant to section 171-53, Hawaii Revised Statutes.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committee further finds that on August 25, 2017, under agenda item D-9, and on October 12, 2018, under agenda item D-5, the Board of Land and Natural Resources approved a grant of seven sixty-five-year term, non-exclusive easements to resolve the encroachments of the existing seawall areas identified in this measure. Your Committee notes that the grantee will be required to pay the State the fair market value of the easement. Your Committee concludes that the easements are necessary for the maintenance and repair of the existing seawall, and for the use, repair, and maintenance of the existing improvements thereon.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 183 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

### SCRep. 1605 Water and Land on S.C.R. No. 83

The purpose and intent of this measure is to request the Department of Land and Natural Resources to clean up all litter on the parcel of state lands identified as Tax Map Key: v(3) 7-4-008:021 (parcel 21) located at the intersection of Queen Kaahumanu Highway and Palani Road in Kailua-Kona, Hawaii.

Your Committee received testimony in support of this measure from one individual. Your Committee received testimony in opposition to this measure from the Department of Land and Natural Resources.

Your Committee finds that the vacant parcel 21 at the intersection of Queen Kaahumanu Highway and Palani Road in Kailua-Kona, Hawaii, has become a dumping ground for furniture, appliances, household items, and general rubbish. Your Committee further finds that parcel 21 is not under the jurisdiction of the Department of Land and Natural Resources, but rather the Department of Transportation, for care and maintenance.

Your Committee has therefore amended this measure by:

- (1) Requesting the Department of Transportation, rather than the Department of Land and Natural Resources, to clean up parcel 21;
- (2) Amending its title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 83, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 83, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

# SCRep. 1606 Water and Land on S.R. No. 60

The purpose and intent of this measure is to request the Department of Land and Natural Resources to clean up all litter on the parcel of state lands identified as Tax Map Key: v(3) 7-4-008:021 (parcel 21) located at the intersection of Queen Kaahumanu Highway and Palani Road in Kailua-Kona, Hawaii.

Your Committee received testimony in opposition to this measure from the Department of Land and Natural Resources.

Your Committee finds that the vacant parcel 21 at the intersection of Queen Kaahumanu Highway and Palani Road in Kailua-Kona, Hawaii, has become a dumping ground for furniture, appliances, household items, and general rubbish. Your Committee further finds that parcel 21 is not under the jurisdiction of the Department of Land and Natural Resources, but rather the Department of Transportation, for care and maintenance.

Your Committee has therefore amended this measure by:

- (1) Requesting the Department of Transportation, rather than the Department of Land and Natural Resources, to clean up parcel 21:
- (2) Amending its title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 60, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 60, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

# SCRep. 1607 Water and Land on S.C.R. No. 184

The purpose and intent of this measure is to request the Governor to establish a working group to explore matters related to the Ala Wai Canal Flood Risk Management Project.

Your Committee received testimony in support of this measure from the Office of the Governor, University of Hawai'i Community Design Center, Ka Lāhui Hawai'i Political Action Committee, O'ahu County Committee on Legislative Priorities of the Democratic Party of Hawai'i, Halau Ku Mana, SEEQS Public Charter School, and five individuals.

Your Committee finds that the United States Army Corps of Engineers (USACE) has coordinated with the State and City and County of Honolulu to develop a flood mitigation plan for the Ala Wai Watershed in the event of a major storm. The USACE is currently negotiating terms with the State and City and County of Honolulu to proceed with the Ala Wai Canal Flood Risk Management Project, which received approximately \$345,000,000 in federal appropriations in July 2018. Your Committee further finds that while there have been opportunities for public input and engagement regarding the Ala Wai Watershed, further public engagement is warranted in order to consider concerns of the impacts and property owner displacements that will result from the flood mitigation plan proposal.

Your Committee has amended this measure by:

- (1) Requesting that the United States Army Corps of Engineers, State of Hawaii, and City and County of Honolulu, rather than the Governor, establish a working group to explore matters related to the Ala Wai Watershed and, in particular, the Ala Wai Canal Flood Risk Management Project;
- Requesting that a representative of the Mayor of the City and County of Honolulu's administration serve as the chair of the working group;
- (3) Requesting that the working group include a representative or representatives of the School for Examining Essential Questions of Sustainability;
- (4) Amending its title; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 184, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 184, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1608 (Joint) Water and Land and Hawaiian Affairs on S.C.R. No. 28

The purpose and intent of this measure is to:

- (1) Urge the Department of Land and Natural Resources to ensure water flow from the perched aquifers located in the upper reaches of the Wai'anae Watershed for Native Hawaiian traditional and customary practices;
- (2) Urge efforts to implement the Wai'anae Kai wildfire preparedness plan; and
- (3) Request that the Department of Land and Natural Resources, Division of Forestry and Wildlife, continue to effectively manage the Wai anae Kai Forest Reserve and restore the recently burned forest areas from the August 2018 fire with native trees and shrubs

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources, Ke One O Kākuhihewa, Oʻahu County Democrats, and three individuals. Your Committees received comments on this measure from the Office of Hawaiian Affairs.

Your Committees find that the Wai'anae community has shown a strong interest in restoring stream flow in order to provide for native aquatic species habitat, local small-scale farming and irrigation, and the revitalization of cultural practices in the Wai'anae watershed. Your Committees further find that Wai'anae is one of the areas most susceptible to wildfires in the State. Restoring the Wai'anae Kai Forest Reserve and ensuring a healthy Wai'anae watershed will lead to continuous mauka-to-makai stream flow to enable agricultural use as well as increased fire prevention and restoration of native trees and shrubs.

As affirmed by the records of votes of the members of your Committees on Water and Land and Hawaiian Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 28 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees. Water and Land: Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella). Hawaiian Affairs: Ayes, 3. Noes, none. Excused, 2 (Keohokalole, Fevella).

# SCRep. 1609 (Joint) Water and Land and Hawaiian Affairs on S.R. No. 20

The purpose and intent of this measure is to:

- (1) Urge the Department of Land and Natural Resources to ensure water flow from the perched aquifers located in the upper reaches of the Wai'anae Watershed for Native Hawaiian traditional and customary practices;
- (2) Urge efforts to implement the Wai'anae Kai wildfire preparedness plan; and
- (3) Request that the Department of Land and Natural Resources, Division of Forestry and Wildlife, continue to effectively manage the Wai anae Kai Forest Reserve and restore the recently burned forest areas from the August 2018 fire with native trees and shrubs.

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources, Ke One O Kākuhihewa, Oʻahu County Democrats, and one individual. Your Committees received comments on this measure from the Office of Hawaiian Affairs.

Your Committees find that the Wai'anae community has shown a strong interest in restoring stream flow in order to provide for native aquatic species habitat, local small-scale farming and irrigation, and the revitalization of cultural practices in the Wai'anae watershed. Your Committees further find that Wai'anae is one of the areas most susceptible to wildfires in the State. Restoring the Wai'anae Kai Forest Reserve and ensuring a healthy Wai'anae watershed will lead to continuous mauka-to-makai stream flow to enable agricultural use as well as increased fire prevention and restoration of native trees and shrubs.

As affirmed by the records of votes of the members of your Committees on Water and Land and Hawaiian Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 20 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees. Water and Land: Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella). Hawaiian Affairs: Ayes, 3. Noes, none. Excused, 2 (Keohokalole, Fevella).

### SCRep. 1610 Water and Land on S.C.R. No. 124

The purpose and intent of this measure is to urge the Governor, in coordination with the Department of Land and Natural Resources, to establish and implement a tree planting program that provides for the planting in Hawaii of at least one million native trees per year over the next four years.

Your Committee received testimony in support of this measure from the O'ahu Island Parks Conservancy and four individuals. Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that there are numerous benefits to planting trees, including carbon sequestration; nutrient cycling; watershed filtration; enhanced groundwater recharge; diminished water loss from evaporation and transpiration; reduced erosion, runoff, and airborne pollution; nitrogen and phosphorous leaching removal; flood control; urban heat island effect mitigation; wildlife habitat preservation; increased shade; and the creation and expansion of recreational and culturally important areas. Your Committee supports tree planting efforts for reforestation and urban landscaping. Your Committee also finds that the tree planting project presents an opportunity for the State and City and County of Honolulu to work together on completion of the lei of green from Diamond head to Aloha Tower, as a model for state-wide expansion.

Your Committee notes the concerns of the Department of Land and Natural Resources and acknowledges the need of funding to meet the demands for tree planting support envisioned by this measure.

Your Committee has amended this measure by:

- (1) Inserting findings regarding the lei of green and requesting that completion of the lei of green from Diamond Head to Aloha Tower be done as part of the tree planting program;
- (2) Urging the Office of Planning to assist the Department of Land and Natural Resources in establishing and implementing the tree planting program; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 124, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 124, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1611 Water and Land on S.R. No. 93

The purpose and intent of this measure is to urge the Governor, in coordination with the Department of Land and Natural Resources, to establish and implement a tree planting program that provides for the planting in Hawaii of at least one million native trees per year over the next four years.

Your Committee received testimony in support of this measure from the O'ahu Island Parks Conservancy and two individuals. Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that there are numerous benefits to planting trees, including carbon sequestration; nutrient cycling; watershed filtration; enhanced groundwater recharge; diminished water loss from evaporation and transpiration; reduced erosion, runoff, and airborne pollution; nitrogen and phosphorous leaching removal; flood control; urban heat island effect mitigation; wildlife habitat preservation; increased shade; and the creation and expansion of recreational and culturally important areas. Your Committee supports tree planting efforts for reforestation and urban landscaping. Your Committee also finds that the tree planting project presents an opportunity for the State and City and County of Honolulu to work together on completion of the lei of green from Diamond head to Aloha Tower, as a model for state-wide expansion.

Your Committee notes the concerns of the Department of Land and Natural Resources and acknowledges the need of funding to meet the demands for tree planting support envisioned by this measure.

Your Committee has amended this measure by:

(1) Inserting findings regarding the lei of green and requesting that completion of the lei of green from Diamond Head to Aloha Tower be done as part of the tree planting program;

- (2) Urging the Office of Planning to assist the Department of Land and Natural Resources in establishing and implementing the tree planting program; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 93, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 93, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1612 Water and Land on S.C.R. No. 115

The purpose and intent of this measure is to request the Governor to prioritize the planting of four million trees along streets and roadways within the next four years to help address climate change and make complete streets statewide.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources and one individual. Your Committee received testimony in opposition to this measure from one individual.

Your Committee finds that a single tree intakes carbon dioxide and releases oxygen into the air; can absorb as much as forty-eight pounds of carbon dioxide per year and sequester one ton of carbon dioxide by the age of forty years; and also absorbs odors and pollutant gases and filters particulates out of the air by trapping the particulates on its leaves and bark. Your Committee further finds that increased planting of trees along roadways can increase shade and enhance safety for pedestrians. Your Committee finds that the State can benefit from the planting of additional trees along streets in an effort to sequester carbon, remove pollution, beautify and make complete streets, and reduce the severity of vehicle crashes.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 115 and recommends that it be referred to your Committee on Ways and Means

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1613 Water and Land on S.R. No. 85

The purpose and intent of this measure is to request the Governor to prioritize the planting of four million trees along streets and roadways within the next four years to help address climate change and make complete streets statewide.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources and one individual. Your Committee received testimony in opposition to this measure from one individual.

Your Committee finds that a single tree intakes carbon dioxide and releases oxygen into the air; can absorb as much as forty-eight pounds of carbon dioxide per year and sequester one ton of carbon dioxide by the age of forty years; and also absorbs odors and pollutant gases and filters particulates out of the air by trapping the particulates on its leaves and bark. Your Committee further finds that increased planting of trees along roadways can increase shade and enhance safety for pedestrians. Your Committee finds that the State can benefit from the planting of additional trees along streets in an effort to sequester carbon, remove pollution, beautify and make complete streets, and reduce the severity of vehicle crashes.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 85 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

# SCRep. 1614 Water and Land on S.C.R. No. 49

The purpose and intent of this measure is to urge the Board of Land and Natural Resources to transfer management of all submerged lands, the boat launch ramp, and related boat launch ramp facilities located at the Wahiawa Freshwater State Recreation Area located at tax map key (1) 7-6-001:006, from the Division of Aquatic Resources to the Division of Boating and Ocean Recreation.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that the submerged lands, boat launch ramp, and related boat launch ramp facilities at the Wahiawa Freshwater State Recreation Area are managed by the Department of Land and Natural Resources' Division of State Parks and Division of Aquatic Resources. However, the Division of Aquatic Resources' mission is to manage, conserve, and restore the State's unique aquatic resources and ecosystems for present and future generations, not to manage property associated with boating. Therefore, your Committee finds that the Division of Boating and Ocean Recreation is better suited to manage all submerged lands and the boat launch ramp and related facilities at the Wahiawa Freshwater State Recreation Area.

Your Committee has amended this measure by directing that a certified copy of this measure be transmitted to the President of Dole Food Company, Inc.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 49, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 49, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

## SCRep. 1615 Water and Land on S.R. No. 35

The purpose and intent of this measure is to urge the Board of Land and Natural Resources to transfer management of all submerged lands, the boat launch ramp, and related boat launch ramp facilities located at the Wahiawa Freshwater State Recreation Area located at tax map key (1) 7-6-001:006, from the Division of Aquatic Resources to the Division of Boating and Ocean Recreation.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that the submerged lands, boat launch ramp, and related boat launch ramp facilities at the Wahiawa Freshwater State Recreation Area are managed by the Department of Land and Natural Resources' Division of State Parks and Division of Aquatic Resources. However, the Division of Aquatic Resources' mission is to manage, conserve, and restore the State's unique aquatic resources and ecosystems for present and future generations, not to manage property associated with boating. Therefore, your Committee finds that the Division of Boating and Ocean Recreation is better suited to manage all submerged lands and the boat launch ramp and related facilities at the Wahiawa Freshwater State Recreation Area.

Your Committee has amended this measure by directing that a certified copy of this measure be transmitted to the President of Dole Food Company, Inc.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 35, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 35, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

# SCRep. 1616 Water and Land on S.R. No. 148

The purpose and intent of this measure is to request the Governor to establish a working group to explore matters related to the Ala Wai Canal Flood Risk Management Project.

Your Committee received testimony in support of this measure from the University of Hawai'i Community Design Center, Ka Lāhui Hawai'i Political Action Committee, O'ahu County Committee on Legislative Priorities of the Democratic Party of Hawai'i, and one individual.

Your Committee finds that the United States Army Corps of Engineers (USACE) has coordinated with the State and City and County of Honolulu to develop a flood mitigation plan for the Ala Wai Watershed in the event of a major storm. The USACE is currently negotiating terms with the State and City and County of Honolulu to proceed with the Ala Wai Canal Flood Risk Management Project, which received approximately \$345,000,000 in federal appropriations in July 2018. Your Committee further finds that while there have been opportunities for public input and engagement regarding the Ala Wai Watershed, further public engagement is warranted in order to consider concerns of the impacts and property owner displacements that will result from the flood mitigation plan proposal.

Your Committee has amended this measure by:

- Requesting that the United States Army Corps of Engineers, State of Hawaii, and City and County of Honolulu, rather than the Governor, establish a working group to explore matters related to the Ala Wai Watershed and, in particular, the Ala Wai Canal Flood Risk Management Project;
- Requesting that a representative of the Mayor of the City and County of Honolulu's administration serve as the chair of the working group;
- (3) Requesting that the working group include a representative or representatives of the School for Examining Essential Questions of Sustainability;
- (4) Amending its title; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 148, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 148, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

# SCRep. 1617 Education on S.C.R. No. 33

The purpose and intent of this measure is to request the Department of Education to convene an advisory committee to make recommendations to develop and implement a plan to teach digital citizenship and media literacy in kindergarten through grade twelve in public schools, including charter schools and Hawaiian language immersion schools.

Your Committee received comments on this measure from the Department of Education.

Your Committee finds that students use technology to play, learn, and communicate at school and home, and need to learn how to use technology responsibly. Media literacy is a necessary skill that allows all citizens to access, analyze, and evaluate information; create messages; and act using a variety of forms of communication. Students from kindergarten through grade twelve should be

educated in media literacy to obtain the skills and experiences needed to become full participants in the digital world, including instruction in understanding how media shapes perceptions.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 33 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

## SCRep. 1618 Education on S.C.R. No. 186

The purpose and intent of this measure is to encourage support for the first cohort of underprivileged, economically-disadvantaged students in Hawaii to study at elites schools in Asia through the 2020 Hawaii-Asia Youth Program.

Your Committee received testimony in support of this measure from the Department of Education and one individual. Your Committee received testimony in opposition to this measure from one individual.

Your Committee finds that Hawaii has long-standing historical and cultural ties to Asia, beginning with the arrival of immigrants who first arrived in the islands over two hundred years ago. Additionally, the University of Hawaii and Education Advancement Fund International, a Hawaii-based nonprofit organization, have forged connections with a number of elite schools in Asia willing to enroll underprivileged, economically-disadvantaged students in Hawaii in programs involving one-to-one exchanges in which Hawaii students receive tutoring in math and science and, in exchange, provide tutoring in English. This exchange opportunity would allow these students to study at elite educational institutions and expand their global awareness of different peoples and cultures.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 186 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

### SCRep. 1619 Education on S.C.R. No. 56

The purpose and intent of this measure is to request the Department of Education to convene a school impact fee review task force to review the school impact fees law, including enforcement of existing law, and make any recommendations to address current and future needs for the development of new schools to accommodate projected population growth.

Your Committee received testimony in support of this measure from the Department of Education, Hawaii State Teachers Association, Chamber of Commerce Hawaii, and Building Industry Association of Hawaii.

Your Committee finds that school impact fees ensure that schools are expanded or built to meet the community's needs. Act 245, Session Laws of Hawaii 2007, implemented a new method for financing, in part, the construction of new facilities and the expansion of existing Department of Education educational facilities in partnership with developers of new residential developments. However, land use planning, development patterns, and preferences have changed since 2007, and more substantive amendments to the school impact fees law may be necessary.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 56 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

# SCRep. 1620 Education on S.C.R. No. 51

The purpose and intent of this measure is to encourage the Department of Education to implement ocean safety and stewardship education for all fourth grade public school students.

Your Committee received testimony in support of this measure from the Department of Education, Ocean Safety 'Ohana, and one individual.

Your Committee finds that as an island state, ocean and water safety awareness at a young age is key to drowning prevention. In the past, the Department of Education provided water safety education to all public school students. Therefore, ocean safety and stewardship education should be reintroduced to public school students to increase awareness and prevent ocean drownings.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 51 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

## SCRep. 1621 Education on S.R. No. 36

The purpose and intent of this measure is to encourage the Department of Education to implement ocean safety and stewardship education for all fourth grade public school students.

Your Committee did not receive any testimony on this measure.

Your Committee finds that as an island state, ocean and water safety awareness at a young age is key to drowning prevention. In the past, the Department of Education provided water safety education to all public school students. Therefore, ocean safety and stewardship education should be reintroduced to public school students to increase awareness and prevent ocean drownings.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 36 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1622 Education on S.C.R. No. 71

The purpose and intent of this measure is to urge the Executive Office on Early Learning to examine and consider a sliding scale tuition or fee schedule for state pre-kindergarten programs.

Your Committee received testimony in support of this measure from the Executive Office on Early Learning, State Public Charter School Commission, and one individual. Your Committee received testimony in opposition to this measure from the Hawaii State Teachers Association and one individual. Your Committee received comments on this measure from the Department of Education.

Your Committee finds that it is essential that Hawaii's children attend pre-kindergarten programs to develop the physical, cognitive, linguistic, social, and emotional skills necessary to prepare them for success in school life. Additionally, the past decade has seen a substantial increase in public investment in early learning programs by federal, state, and local governments, particularly for economically disadvantaged children. With the State's commitment to early childhood education, there will be greater access to early childhood education for more families. However, as some households will be able to pay for some of the costs associated with pre-kindergarten education, a sliding scale tuition or fee schedule should be examined and considered.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 71 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1623 Education on S.R. No. 49

The purpose and intent of this measure is to urge the Executive Office on Early Learning to examine and consider a sliding scale tuition or fee schedule for state pre-kindergarten programs.

Your Committee received testimony in support of this measure from the Executive Office on Early Learning and State Public Charter School Commission. Your Committee received testimony in opposition to this measure from the Hawaii State Teachers Association.

Your Committee finds that it is essential that Hawaii's children attend pre-kindergarten programs to develop the physical, cognitive, linguistic, social, and emotional skills necessary to prepare them for success in school life. Additionally, the past decade has seen a substantial increase in public investment in early learning programs by federal, state, and local governments, particularly for economically disadvantaged children. With the State's commitment to early childhood education, there will be greater access to early childhood education for more families. However, as some households will be able to pay for some of the costs associated with pre-kindergarten education, a sliding scale tuition or fee schedule should be examined and considered.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 49 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

## SCRep. 1624 Education on S.C.R. No. 74

The purpose and intent of this measure is to encourage the Department of Education and other agency and community stakeholders to continue meeting as a working group for sexual violence prevention education in public schools.

Your Committee received testimony in support of this measure from the Department of Education, Hawaii State Teachers Association, Hawaii Youth Services Network, The Sex Abuse Treatment Center at Kapi'olani, Hawaii Children's Action Network, Parents and Children Together, and Hawaii Women's Coalition.

Your Committee finds that sexual violence remains a serious and ongoing threat to the safety and health of children and young people in the State. Implementing a program for sexual violence prevention education in public schools is important to protect children and young people in the State and position the Department of Education's Title IX and anti-bullying efforts for success. In October 2018, the Department of Education established a working group to collaborate with other stakeholders to review Hawaii public schools' current prevention-oriented child sexual abuse programs and resources and initiate recommendations to enhance integrated, comprehensive, and sustained support to ensure the well-being of our youth. Because children and young people in Hawaii's children and youth are protected and safe.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 74 and recommends that it be referred to your Committee on Judiciary.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1625 Education on S.R. No. 52

The purpose and intent of this measure is to encourage the Department of Education and other agency and community stakeholders to continue meeting as a working group for sexual violence prevention education in public schools.

Your Committee received testimony in support of this measure from the Hawaii State Teachers Association, Hawaii Youth Services Network, The Sex Abuse Treatment Center at Kapi'olani, Hawaii Children's Action Network, and Parents and Children Together.

Your Committee finds that sexual violence remains a serious and ongoing threat to the safety and health of children and young people in the State. Implementing a program for sexual violence prevention education in public schools is important to protect children and young people in the State and position the Department of Education's Title IX and anti-bullying efforts for success. In October 2018, the Department of Education established a working group to collaborate with other stakeholders to review Hawaii public schools' current prevention-oriented child sexual abuse programs and resources and initiate recommendations to enhance integrated, comprehensive, and sustained support to ensure the well-being of our youth. Because children and young people in Hawaii experience sexual violence at rates equivalent to or higher than their mainland counterparts, the continued efforts of the working group are critical to ensuring that Hawaii's children and youth are protected and safe.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 52 and recommends that it be referred to your Committee on Judiciary.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1626 Education on S.C.R. No. 81

The purpose and intent of this measure is to request all public elementary, intermediate, and middle schools in the State to participate in the Safe Routes to School program for keiki health benefits.

Your Committee received testimony in support of this measure from the Department of Transportation Services for the City and County of Honolulu. Your Committee received testimony in opposition to this measure from one individual.

Your Committee finds that Safe Routes to School is a program that works to make it safe, convenient, and fun for children to walk and bicycle to and from school. Because many of the Safe Routes to School program activities are eligible for funding under the federal Transportation Alternatives Program, the State should use federal funds available to supplement projects of the Department of Transportation that are adjacent to schools to enable students to safely walk and bike to and from school. Greater participation in the Safe Routes to School program by all public schools will get more children walking and bicycling to school, improve keiki safety, and increase health and physical activity.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 81 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

## SCRep. 1627 Education on S.R. No. 58

The purpose and intent of this measure is to request all public elementary, intermediate, and middle schools in the State to participate in the Safe Routes to School program for keiki health benefits.

Your Committee received testimony in support of this measure from the Department of Transportation Services for the City and County of Honolulu.

Your Committee finds that Safe Routes to School is a program that works to make it safe, convenient, and fun for children to walk and bicycle to and from school. Because many of the Safe Routes to School program activities are eligible for funding under the federal Transportation Alternatives Program, the State should use federal funds available to supplement projects of the Department of Transportation that are adjacent to schools to enable students to safely walk and bike to and from school. Greater participation in the Safe Routes to School program by all public schools will get more children walking and bicycling to school, improve keiki safety, and increase health and physical activity.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 58 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1628 Education on S.C.R. No. 190

The purpose and intent of this measure is to request the Department of Education to conduct a study to assess the adequacy of the Department's vocational education programs to prepare students for a career in a vocation.

Your Committee received testimony in support of this measure from the Hawaii State Teachers Association. Your Committee received comments on this measure from the Department of Education.

Your Committee finds that many students would benefit from the Department of Education offering courses and training in vocational career fields, as a four-year college degree may not be suitable for all students. According to the United States Department of Labor, there were 6,600,000 job openings in early 2018 in vocational career fields. By training students with particular skills to enter various vocational career fields, the State can ensure that the demand for skilled workers in specific industries will not exceed the number of available workers.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 190 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1629 Education on S.R. No. 153

The purpose and intent of this measure is to request the Department of Education to conduct a study to assess the adequacy of the Department's vocational education programs to prepare students for a career in a vocation.

Your Committee received testimony in support of this measure from the Hawaii State Teachers Association.

Your Committee finds that many students would benefit from the Department of Education offering courses and training in vocational career fields, as a four-year college degree may not be suitable for all students. According to the United States Department of Labor, there were 6,600,000 job openings in early 2018 in vocational career fields. By training students with particular skills to enter various vocational career fields, the State can ensure that the demand for skilled workers in specific industries will not exceed the number of available workers.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 153 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

## SCRep. 1630 Education on S.C.R. No. 215

The purpose and intent of this measure is to request the Department of Education to convene a working group to identify the most relevant factors that hinder public schools in their development of robotics programs.

Your Committee received testimony in opposition to this measure from one individual. Your Committee received comments on this measure from the Department of Education.

Your Committee finds that robotics appeals to a broad range of interests and allows multiple points of access to science, technology, engineering, and mathematics for many types of learners. Many Hawaii schools have robotics teams, but there are still many constraints on funding, resources, and instructors that prevent some schools from building robotics programs and recruiting students. Therefore, in order to improve science education in the State and increase opportunities for students to participate in robotics, it is necessary to identify factors and resources needed to sustain current and future robotics programs in public schools.

Your Committee has amended this measure by:

- (1) Specifying that the purpose of the working group is to identify factors and resources needed to sustain current and future robotics programs within the Department of Education;
- (2) Clarifying the issues that the working group is requested to evaluate;
- (3) Amending the composition of the working group; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 215, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 215, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1631 Education on S.R. No. 174

The purpose and intent of this measure is to request the Department of Education to convene a working group to identify the most relevant factors that hinder public schools in their development of robotics programs.

Your Committee did not receive any testimony on this measure.

Your Committee finds that robotics appeals to a broad range of interests and allows multiple points of access to science, technology, engineering, and mathematics for many types of learners. Many Hawaii schools have robotics teams, but there are still many constraints on funding, resources, and instructors that prevent some schools from building robotics programs and recruiting students. Therefore, in order to improve science education in the State and increase opportunities for students to participate in robotics, it is necessary to identify factors and resources needed to sustain current and future robotics programs in public schools.

Your Committee has amended this measure by:

- (1) Specifying that the purpose of the working group is to identify factors and resources needed to sustain current and future robotics programs within the Department of Education;
- (2) Clarifying the issues that the working group is requested to evaluate;
- (3) Amending the composition of the working group; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 174, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 174, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1632 Labor, Culture and the Arts on S.C.R. No. 76

The purpose and intent of this measure is to request the Hawaii State Foundation on Culture and the Arts to commission a monument to President Barack Obama.

Your Committee received testimony in support of this measure from the State Foundation on Culture and the Arts.

Your Committee finds that Barack Obama was born, raised, and received primary and secondary education in Hawaii. After graduating from Columbia University and receiving his doctorate of jurisprudence from Harvard University, he worked as a civil rights attorney and later professor of constitutional law in Chicago, Illinois. He entered politics and was elected to the United States Senate and later to the office of the President of the United States, becoming the first African American president in United States history. Your Committee finds that in light of President Obama's historic accomplishments and ties to Hawaii, it is appropriate to commemorate him in Hawaii.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 76 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

## SCRep. 1633 (Joint) Agriculture and Environment and Higher Education on S.C.R. No. 126

The purpose and intent of this measure is to urge the Governor, Department of Agriculture, University of Hawaii College of Tropical Agriculture and Human Resources, and other related entities to take action to help expand the aquaculture industry in the State.

Your Committees received testimony in support of this measure from the Department of Agriculture, University of Hawai'i System, Hawai'i Farm Bureau, Hawaii Aquaculture and Aquaponics Association, and three individuals. Your Committees received testimony in opposition to this measure from two individuals.

Your Committees find that Hawaii's favorable climate and geography allow for inherent advantages in aquaculture production. Your Committees further find that a revitalized aquaculture industry could help revitalize rural communities that have been increasingly left behind by other economic drivers.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Higher Education that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 126 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Ruderman).

Higher Education: Ayes, 3. Noes, none. Excused, 2 (Kahele, Keith-Agaran).

#### SCRep. 1634 (Joint) Agriculture and Environment and Higher Education on S.R. No. 96

The purpose and intent of this measure is to urge the Governor, Department of Agriculture, University of Hawaii College of Tropical Agriculture and Human Resources, and other related entities to take action to help expand the aquaculture industry in the State.

Your Committees received testimony in support of this measure from the University of Hawai'i System, Hawai'i Farm Bureau, Hawaii Aquaculture and Aquaponics Association, one individual.

Your Committees find that Hawaii's favorable climate and geography allow for inherent advantages in aquaculture production. Your Committees further find that a revitalized aquaculture industry could help revitalize rural communities that have been increasingly left behind by other economic drivers.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Higher Education that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 96 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Ruderman).

Higher Education: Ayes, 3. Noes, none. Excused, 2 (Kahele, Keith-Agaran).

# SCRep. 1635 (Joint) Agriculture and Environment and Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 118

The purpose and intent of this measure is to request that the Department of Agriculture designate areas in each county for dairy operations and develop incentives to increase dairy operations in the State.

Your Committees received testimony in support of this measure from the Hawai'i Center for Food Safety and Hawai'i Farm Bureau. Your Committees received testimony in opposition to this measure from Keiko Conservation, Vegetarian Society of Hawaii, Animal Rights Hawai'i, Pele Lani Farm LLC and Aloha Animal Advocates, and ten individuals. Your Committees received comments on this measure from the Department of Agriculture.

Your Committees find that a recent lawsuit and settlement with a local dairy operator related to violations of the Clean Water Act, including the confirmed release of millions of gallons of animal waste into nearby waterways, and other incidents of dairy waste pollution point to a need to shift away from concentrated dairy operations and toward a more sustainable model of diversified agriculture that includes milk production. Therefore, your Committees find that this measure should be adopted as an initial step toward increasing sustainable dairy farming and milk production in the State.

Your Committees have amended this measure by:

- Requesting that the Department of Agriculture also include in its report to the Legislature an examination of the effects of the Milk Act on the decline of Hawaii's dairy industry and related recommendations that could address potential future issues;
- (2) Amending the title to reflect the intent that the State desires to increase dairy operations in the State, instead of only attracting dairy operators to the State; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 118, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 118, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Harimoto, Fevella).

## SCRep. 1636 (Joint) Water and Land and Hawaiian Affairs on S.C.R. No. 214

The purpose and intent of this measure is to:

- (1) Support and encourage the 'Imiloa Astronomy Center to further its role in developing and leading educational efforts concerning the cultural, natural, and historic resources on Mauna Kea at Hale Pōhaku; and
- (2) Encourage the transfer of the education outreach efforts and operations at the University of Hawai'i operated Mauna Kea Visitor Information Station Onizuka Center for International Astronomy to the 'Imiloa Astronomy Center.

Your Committees received testimony in support of this measure from the University of Hawai'i System.

Your Committees find that the 'Imiloa Astronomy Center at the Mauna Kea Visitor Information Station Onizuka Center for International Astronomy, also known as Hale Pōhaku or Mid-Level Support Facility, has served over one million visitors over the past thirteen years, passing on education of Native Hawaiian knowledge, culture, and history. 'Imiloa has partnered with Mauna Kea Observatories to bring scientific research and discoveries to the public via education programs and collaborations. Your Committees find that it is necessary to support the efforts of 'Imiloa and encourage transfer of the education outreach efforts and operations from the University of Hawai'i to 'Imiloa and also to encourage a restructuring, so that 'Imiloa and the Institute for Astronomy may serve as co-equal managers of Mauna Kea Support Services.

Your Committees have amended this measure by:

- (1) Inserting language to request that the Chancellors of the University of Hawai'i at Manoa and University of Hawai'i at Hilo submit a report to the Legislature prior to the convening of the Regular Session of 2020 on the restructuring of the Institute for Astronomy and the Mauna Kea Support Services at Hale Pöhaku so that the Executive Director of the 'Imiloa Astronomy Center is a co-equal manager, specifically in charge of community outreach and education, with the Executive Director of the Institute for Astronomy;
- Inserting language to request that existing astronomical facilities be engaged in contributing financial capital resources to construct the 'Imiloa Uka facility at Hale Pōhaku;
- (3) Amending the recipients of a certified copy of this measure;
- (4) Amending its title in accordance with its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Water and Land and Hawaiian Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 214, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 214, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Water and Land: Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella).

Hawaiian Affairs: Ayes, 3. Noes, none. Excused, 2 (Keohokalole, Fevella).

# SCRep. 1637 (Joint) Water and Land and Hawaiian Affairs on S.R. No. 173

The purpose and intent of this measure is to:

- (1) Support and encourage the 'Imiloa Astronomy Center to further its role in developing and leading educational efforts concerning the cultural, natural, and historic resources on Mauna Kea at Hale Põhaku; and
- (2) Encourage the transfer of the education outreach efforts and operations at the University of Hawai'i operated Mauna Kea Visitor Information Station Onizuka Center for International Astronomy to the 'Imiloa Astronomy Center.

Your Committees received testimony in support of this measure from the University of Hawai'i System. Your Committees received comments on this measure from one individual.

Your Committees find that the 'Imiloa Astronomy Center at the Mauna Kea Visitor Information Station Onizuka Center for International Astronomy, also known as Hale Pōhaku or Mid-Level Support Facility, has served over one million visitors over the past thirteen years, passing on education of Native Hawaiian knowledge, culture, and history. 'Imiloa has partnered with Mauna Kea

Observatories to bring scientific research and discoveries to the public via education programs and collaborations. Your Committees find that it is necessary to support the efforts of 'Imiloa and encourage transfer of the education outreach efforts and operations from the University of Hawai'i to 'Imiloa and also to encourage a restructuring, so that 'Imiloa and the Institute for Astronomy may serve as co-equal managers of Mauna Kea Support Services.

Your Committees have amended this measure by:

- (1) Inserting language to request that the Chancellors of the University of Hawai'i at Manoa and University of Hawai'i at Hilo submit a report to the Legislature prior to the convening of the Regular Session of 2020 on the restructuring of the Institute for Astronomy and the Mauna Kea Support Services at Hale Pöhaku so that the Executive Director of the 'Imiloa Astronomy Center is a co-equal manager, specifically in charge of community outreach and education, with the Executive Director of the Institute for Astronomy;
- (2) Inserting language to request that existing astronomical facilities be engaged in contributing financial capital resources to construct the 'Imiloa Uka facility at Hale Pōhaku;
- (3) Amending the recipients of a certified copy of this measure;
- (4) Amending its title in accordance with its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Water and Land and Hawaiian Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 173, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 173, S.D. 1.

Signed by the Chairs on behalf of the Committees. Water and Land: Ayes, 3. Noes, none. Excused, 2 (Nishihara, Fevella). Hawaiian Affairs: Ayes, 3. Noes, none. Excused, 2 (Keohokalole, Fevella).

## SCRep. 1638 (Joint) Government Operations and Energy, Economic Development, and Tourism on S.C.R. No. 89

The purpose and intent of this measure is to urge the Department of Accounting and General Services to transition the Hawaii State Capitol Building into a net-zero energy building that produces its own renewable energy.

Your Committees received testimony in support of this measure from the Department of Business, Economic Development, and Tourism and Department of Accounting and General Services.

Your Committees find that the Hawaii State Capitol building has participated in a green building challenge and other energy-saving initiatives in the past; however, additional steps must be taken to fully capture available renewable energy sources to offset energy expended in operating and maintaining the building. Exploring ways to increase energy efficiency in state buildings is an important step in the State's goal of achieving 100 percent renewable energy.

Your Committees have amended this measure by:

- (1) Encouraging the Department of Accounting and General Services to work with the Capitol Management Group and historic preservation offices to identify on-site energy production and energy conservation opportunities and transition the State Capitol building into an energy-efficient, rather than net zero energy, building;
- (2) Updating the findings to remove a reference to a net-zero energy building; and
- (3) Updating its title to reflect its amended purpose.

As affirmed by the records of votes of the members of your Committees on Government Operations and Energy, Economic Development, and Tourism that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 89, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 89, S.D. 1.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 4. Noes, none. Excused, 1 (Baker). Energy, Economic Development, and Tourism: Ayes, 5. Noes, none. Excused, none.

# SCRep. 1639 (Joint) Government Operations and Energy, Economic Development, and Tourism on S.R. No. 66

The purpose and intent of this measure is to urge the Department of Accounting and General Services to transition the Hawaii State Capitol Building into a net-zero energy building that produces its own renewable energy.

Your Committees received testimony in support of this measure from the Department of Business, Economic Development, and Tourism and Department of Accounting and General Services.

Your Committees find that the Hawaii State Capitol building has participated in a green building challenge and other energy-saving initiatives in the past; however, additional steps must be taken to fully capture available renewable energy sources to offset energy expended in operating and maintaining the building. Exploring ways to increase energy efficiency in state buildings is an important step in the State's goal of achieving 100 percent renewable energy.

Your Committees have amended this measure by:

(1) Encouraging the Department of Accounting and General Services to work with the Capitol Management Group and historic preservation offices to identify on-site energy production and energy conservation opportunities and transition the State Capitol building into an energy-efficient, rather than net zero energy, building;

- (2) Updating the findings to remove a reference to a net-zero energy building; and
- (3) Updating its title to reflect its amended purpose.

As affirmed by the records of votes of the members of your Committees on Government Operations and Energy, Economic Development, and Tourism that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 66, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 66, S.D. I.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 4. Noes, none. Excused, 1 (Baker). Energy, Economic Development, and Tourism: Ayes, 5. Noes, none. Excused, none.

## SCRep. 1640 (Joint) Government Operations and Labor, Culture and the Arts on S.C.R. No. 34

The purpose and intent of this measure is to request that the Department of Accounting and General Services conduct a study to determine various alternatives for rehabilitation and renovation of the State Capitol reflecting pool.

Your Committees received testimony in support of this measure from the Department of Accounting and General Services, Department of Land and Natural Resources, and Ho'omanapono Political Action Committee. Your Committees received comments on this measure from the University of Hawai'i System.

Your Committees find that the State Capitol building, which is architecturally significant among capitol buildings nationwide, is listed on the Hawaii Register of Historic Places and National Register of Historic Places. Your Committees also find that the Department of Accounting and General Services is responsible for the maintenance of the State Capitol building, while the State Capitol Management Committee has oversight and management responsibility for the State Capitol reflecting pool. The reflecting pool surrounding the State Capitol building is a maintenance challenge and continues to leak into the occupied spaces beneath the reflecting pool, causing water infiltration and structural damage. The current budget estimate for the State Capitol reflecting pool is \$1,200,000 for design and \$14,000,000 for construction.

Your Committees further find that the University of Hawaii School of Architecture and the Hawaii State Council of the American Institute of Architects may be able to assist in formulating plans for innovative and alternative solutions that may identify more feasible, sustainable renovation methods than previously considered. This measure provides for the resolution of an important issue with the reflecting pool in a collaborative manner that will ensure that the issue of the maintenance and repair of the pool is addressed, while fully respecting and protecting the historic and iconic architecture of the Hawaii State Capitol.

As affirmed by the records of votes of the members of your Committees on Government Operations and Labor, Culture and the Arts that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 34 and recommend that it be referred to your Committee on Ways and Means.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 4. Noes, none. Excused, 1 (Baker). Labor, Culture and the Arts: Ayes, 4. Noes, none. Excused, 1 (Chang).

## SCRep. 1641 (Joint) Government Operations and Higher Education on S.C.R. No. 44

The purpose and intent of this measure is to request the Auditor to conduct an audit of all University of Hawaii travel for fiscal years 2014-2019.

Your Committees received testimony in support of this measure from the University of Hawai'i System. Your Committees received comments on this measure from the Office of the Auditor.

Your Committees find that the responsibility to authorize and approve travel expenses for University of Hawaii employees, students, and others who travel on approved university business is delegated to various executive authorities within the University. Your Committees also find that according to University of Hawaii Executive Policy 8.208, "[a]ll official travel should be prudently planned so that the best interests of the University are served at the most reasonable cost. Any individual traveling on University business is expected to exercise the same economy that a practical person would exercise when traveling on personal business using personal funds. Individuals shall not incur inappropriate or excessive expenses, or gain financially from the University travel. Excessive costs or unjustified costs are not acceptable and will not be reimbursed."

Your Committees further find that there are concerns that University of Hawaii employees and other affiliated personnel are not following travel policies and procedures and also concerns regarding how delegated authorities review and authorize the purpose of travel as benefitting the University of Hawaii. This measure therefore requests the Auditor to conduct an audit of all University of Hawaii travel for fiscal years 2014-2019.

However, your Committees have heard the testimony from the Office of the Auditor, noting that the University of Hawaii conducted an internal audit of travel policy compliance during fiscal year 2017, which evaluated the frequency and severity of non-compliance in fiscal years 2015-2017. Your Committees therefore conclude that it would be beneficial to have the Auditor review the University of Hawaii's internal audit, rather than requiring the Auditor to conduct a new, separate audit. It is your Committees' intent for the Auditor to assess whether the 2017 internal audit was conducted in conformance with the University of Hawaii Systemwide Policies and Procedures, including University of Hawaii Executive Policy 8.208.

Your Committees have amended this measure by:

 Updating the findings to note that, because the University of Hawaii still relies on a substantial amount of state general funds, the Legislature is justified in determining if the University is following best practices in internal audits and oversight of policies;

- (2) Clarifying that the Auditor is requested to evaluate the 2017 University of Hawaii internal audit of travel policy compliance for fiscal years 2015-2017 and report to the Legislature, rather than requiring the Auditor to conduct an audit of all University of Hawaii travel for fiscal years 2014-2019;
- (3) Specifying the contents of the report to be submitted to the Legislature;
- (4) Updating its title to reflect its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Government Operations and Higher Education that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 44, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 44, S.D. 1.

Signed by the Chair and President on behalf of the Committees. Government Operations: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella). Higher Education: Ayes, 4. Noes, none. Excused, 1 (Kahele).

## SCRep. 1642 (Joint) Government Operations and Higher Education on S.R. No. 31

The purpose and intent of this measure is to request the Auditor to conduct an audit of all University of Hawaii travel for fiscal years 2014-2019.

Your Committees received testimony in support of this measure from the University of Hawai'i System and one individual. Your Committees received comments on this measure from the Office of the Auditor.

Your Committees find that the responsibility to authorize and approve travel expenses for University of Hawaii employees, students, and others who travel on approved university business is delegated to various executive authorities within the University. Your Committees also find that according to University of Hawaii Executive Policy 8.208, "[a]ll official travel should be prudently planned so that the best interests of the University are served at the most reasonable cost. Any individual traveling on University business is expected to exercise the same economy that a practical person would exercise when traveling on personal business using personal funds. Individuals shall not incur inappropriate or excessive expenses, or gain financially from the University travel. Excessive costs or unjustified costs are not acceptable and will not be reimbursed."

Your Committees further find that there are concerns that University of Hawaii employees and other affiliated personnel are not following travel policies and procedures and also concerns regarding how delegated authorities review and authorize the purpose of travel as benefitting the University of Hawaii. This measure therefore requests the Auditor to conduct an audit of all University of Hawaii travel for fiscal years 2014-2019.

However, your Committees have heard the testimony from the Office of the Auditor, noting that the University of Hawaii conducted an internal audit of travel policy compliance during fiscal year 2017, which evaluated the frequency and severity of non-compliance in fiscal years 2015-2017. Your Committees therefore conclude that it would be beneficial to have the Auditor review the University of Hawaii's internal audit, rather than requiring the Auditor to conduct a new, separate audit. It is your Committees' intent for the Auditor to assess whether the 2017 internal audit was conducted in conformance with the University of Hawaii Systemwide Policies and Procedures, including University of Hawaii Executive Policy 8.208.

Your Committees have amended this measure by:

- Updating the findings to note that, because the University of Hawaii still relies on a substantial amount of state general funds, the Legislature is justified in determining if the University is following best practices in internal audits and oversight of policies;
- (2) Clarifying that the Auditor is requested to evaluate the 2017 University of Hawaii internal audit of travel policy compliance for fiscal years 2015-2017 and report to the Legislature, rather than requiring the Auditor to conduct an audit of all University of Hawaii travel for fiscal years 2014-2019;
- (3) Specifying the contents of the report to be submitted to the Legislature;
- (4) Updating its title to reflect its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Government Operations and Higher Education that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 31, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 31, S.D. 1.

Signed by the Chair and President on behalf of the Committees. Government Operations: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella). Higher Education: Ayes, 4. Noes, none. Excused, 1 (Kahele).

## SCRep. 1643 (Joint) Labor, Culture and the Arts and Government Operations on S.C.R. No. 121

The purpose and intent of this measure is to urge the Department of Human Resources Development, in conjunction with the other principal departments, Office of the Governor, Office of the Lieutenant Governor, Legislature, and Judiciary to implement a pilot fellowship program to train new employees for government jobs.

Your Committees received testimony in support of this measure from the Hawaii State Judiciary, Department of Human Services, and Department of Human Resources Development.

Your Committees find that an informational briefing by your Committee on Ways and Means on February 27, 2019, revealed that there were approximately three thousand five hundred vacant positions across the various state departments, with some departments employing less than seventy-five percent of their allocated positions. Many departments claim that their high vacancy rates are partially due to a lack of qualified candidates possessing the necessary expertise for the vacant job positions. The State does not have a formal process to provide prospective employees with the necessary experiences and expertise for state government jobs. Proper job training that specifically teaches the necessary skill sets for a state job can help to reduce state job vacancies and increase retention rates. Establishing a pilot fellowship program to train new employees for government jobs will enhance the State's ability to recruit prospective employees into a career in public service, increase the competencies of the government workforce, and fill the vacancies in the State.

Your Committees note that funding for this pilot fellowship program should be considered through the proper legislative vehicle.

Your Committees have amended this measure by making technical, nonsubstantive amendments, including to its title, for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Labor, Culture and the Arts and Government Operations that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 121, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 121, S.D. 1.

Signed by the Chairs on behalf of the Committees. Labor, Culture and the Arts: Ayes, 4. Noes, none. Excused, 1 (Fevella). Government Operations: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

## SCRep. 1644 (Joint) Labor, Culture and the Arts and Government Operations on S.R. No. 91

The purpose and intent of this measure is to urge the Department of Human Resources Development, in conjunction with the other principal departments, Office of the Governor, Office of the Lieutenant Governor, Legislature, and Judiciary to implement a pilot fellowship program to train new employees for government jobs.

Your Committee received testimony in support of this measure from the Department of Human Services and Department of Human Resources Development.

Your Committees find that an informational briefing by your Committee on Ways and Means on February 27, 2019, revealed that there were approximately three thousand five hundred vacant positions across the various state departments, with some departments employing less than seventy-five percent of their allocated positions. Many departments claim that their high vacancy rates are partially due to a lack of qualified candidates possessing the necessary expertise for the vacant job positions. The State does not have a formal process to provide prospective employees with the necessary experiences and expertise for state government jobs. Proper job training that specifically teaches the necessary skill sets for a state job can help to reduce state job vacancies and increase retention rates. Establishing a pilot fellowship program to train new employees for government jobs will enhance the State's ability to recruit prospective employees into a career in public service, increase the competencies of the government workforce, and fill the vacancies in the State.

Your Committees note that funding for this pilot fellowship program should be considered through the proper legislative vehicle.

Your Committees have amended this measure by making technical, nonsubstantive amendments, including to its title, for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Labor, Culture and the Arts and Government Operations that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 91, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 91, S.D. 1.

Signed by the Chairs on behalf of the Committees. Labor, Culture and the Arts: Ayes, 4. Noes, none. Excused, 1 (Fevella). Government Operations: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

## SCRep. 1645 (Joint) Agriculture and Environment and Government Operations on S.C.R. No. 55

- (1) Request that the Auditor conduct a management and financial audit, to include operations and procurement, of the City and County of Honolulu's animal control contract with the Hawaiian Humane Society; and
- (2) Request that the Governor suspend release of any state grant funds awarded to the Hawaiian Humane Society until an audit clears the organization of any wrongdoing.

Your Committees received testimony in support of this measure from Poi Dogs and Popoki, Aloha Animal Advocates, Pacific Pet Alliance, Hashtag Speak Up Movement, Cat People of Oahu, and eighteen individuals. Your Committees received comments on this measure from the Department of Land and Natural Resources and Office of the Auditor.

Your Committees find that the Hawaiian Humane Society has received several complaints regarding the high rate of euthanasia of healthy, adoptable animals. Your Committees therefore find that this measure requests an audit as a means of increasing transparency in the expenditure of public funds and current animal control practices being undertaken pursuant to the City and County of Honolulu's animal control contract with the Hawaiian Humane Society.

Your Committees have amended this measure by:

 Requesting that the City and County of Honolulu conduct the management and financial audit of its contract with the Hawaiian Humane Society, since the contract is under the purview of the City and County of Honolulu, and making conforming amendments;

- (2) Directing the City and County of Honolulu to consider best practices for the euthanasia of animals in its audit;
- (3) Amending its title to reflect its amended purpose; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Government Operations that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 55, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 55, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 5. Noes, none. Excused, none.

Government Operations: Ayes, 5. Noes, none. Excused, none.

#### SCRep. 1646 (Joint) Agriculture and Environment and Government Operations on S.R. No. 39

- (1) Request that the Auditor conduct a management and financial audit, to include operations and procurement, of the City and County of Honolulu's animal control contract with the Hawaiian Humane Society; and
- (2) Request that the Governor suspend release of any state grant funds awarded to the Hawaiian Humane Society until an audit clears the organization of any wrongdoing.

Your Committees received testimony in support of this measure from Poi Dogs and Popoki, Pacific Pet Alliance, and Ho'omanapono Political Action Committee. Your Committees received comments on this measure from the Department of Land and Natural Resources and Office of the Auditor.

Your Committees find that the Hawaiian Humane Society has received several complaints regarding the high rate of euthanasia of healthy, adoptable animals. Your Committees therefore find that this measure requests an audit as a means of increasing transparency in the expenditure of public funds and current animal control practices being undertaken pursuant to the City and County of Honolulu's animal control contract with the Hawaiian Humane Society.

Your Committees have amended this measure by:

- Requesting that the City and County of Honolulu conduct the management and financial audit of its contract with the Hawaiian Humane Society, since the contract is under the purview of the City and County of Honolulu, and making conforming amendments;
- (2) Directing the City and County of Honolulu to consider best practices for the euthanasia of animals in its audit;
- (3) Amending its title to reflect its amended purpose; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Government Operations that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 39, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 39, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 5. Noes, none. Excused, none.

Government Operations: Ayes, 5. Noes, none. Excused, none.

#### SCRep. 1647 Commerce, Consumer Protection, and Health on S.C.R. No. 101

The purpose and intent of this measure is to request the Department of Health to convene a task force to study and make recommendations on the feasibility of using Leahi Hospital and Maluhia Hospital as centers for community-based mental health and substance abuse treatment services for non-forensic patients.

Your Committee received testimony in support of this measure from the Department of Health and Oahu Regional Health System Board of Directors. Your Committee received comments on this measure from the United Public Workers, AFSCME, Local 646, AFL-CIO.

Your Committee finds that currently, the only state facility providing mental health and substance abuse services is the Hawaii State Hospital, which currently has sufficient capacity to treat only forensic patients. There is an urgent need to expand community-based mental health and substance abuse treatment services in Hawaii at the outpatient, intermediate, and inpatient levels. Your Committee further finds that developing a comprehensive mental health care system to meet the need for community-based mental health and substance abuse treatment services requires better coordination of state resources. Convening a task force to assess the feasibility of utilizing available space at Leahi Hospital and Maluhia Hospital as centers for community-based mental health and substance abuse treatment services for non-forensic patients will be an important first step toward implementing a more coordinated continuum of care.

Your Committee has amended this measure by:

- (1) Amending the scope of the task force to include an examination of current use and possible expansion of services at Leahi Hospital and Maluhia Hospital, rather than repurposing the services provided at the hospitals;
- (2) Amending the membership of the task force;
- (3) Amending its title to reflect its updated purpose; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 101, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.C.R. No. 101, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

#### SCRep. 1648 Commerce, Consumer Protection, and Health on S.R. No. 73

The purpose and intent of this measure is to request the Department of Health to convene a task force to study and make recommendations on the feasibility of using Leahi Hospital and Maluhia Hospital as centers for community-based mental health and substance abuse treatment services for non-forensic patients.

Your Committee received testimony in support of this measure from the Department of Health and Oahu Regional Health System Board of Directors. Your Committee received comments on this measure from the United Public Workers, AFSCME, Local 646, AFL-CIO.

Your Committee finds that currently, the only state facility providing mental health and substance abuse services is the Hawaii State Hospital, which currently has sufficient capacity to treat only forensic patients. There is an urgent need to expand community-based mental health and substance abuse treatment services in Hawaii at the outpatient, intermediate, and inpatient levels. Your Committee further finds that developing a comprehensive mental health care system to meet the need for community-based mental health and substance abuse treatment services requires better coordination of state resources. Convening a task force to assess the feasibility of utilizing available space at Leahi Hospital and Maluhia Hospital as centers for community-based mental health and substance abuse treatment services for non-forensic patients will be an important first step toward implementing a more coordinated continuum of care.

Your Committee has amended this measure by:

- (1) Amending the scope of the task force to include an examination of current use and possible expansion of services at Leahi Hospital and Maluhia Hospital, rather than repurposing the services provided at the hospitals;
- (2) Amending the membership of the task force;
- (3) Amending its title to reflect its updated purpose; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 73, as amended herein, and recommends that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 73, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, none.

## SCRep. 1649 Higher Education on S.C.R. No. 154

The purpose and intent of this measure is to request the University of Hawaii Office of Internal Audit to conduct an audit of various programs at the University of Hawaii West Oahu that receive extramural funding, including Title III grant funding.

Your Committee received testimony in support of this measure from the University of Hawai'i System. Your Committee received testimony in opposition to this measure from four individuals.

Your Committee finds that the University of Hawaii West Oahu provides various programs to assist incoming and current students. Many of these programs receive extramural funding, including Title III grant funding, for the further development of Native Hawaiian student support services. However, discrepancies in information provided by the University of Hawaii West Oahu on various programs were found, from initial documentation on the programs to follow-up documentation, as well as inconsistencies in the reporting of extramural funds. Because some of these programs utilize federal funds, further due diligence is needed to make certain that the funds are not lost due to mismanagement or abuse. To ensure an accurate accounting of all funds by the University of Hawaii West Oahu, an audit of the various programs at the University that receive extramural funding, including Title III grant funding, would clarify whether funds are being utilized appropriately for the benefit of the students.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 154 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Kahele).

# SCRep. 1650 Higher Education on S.C.R. No. 60

The purpose and intent of this measure is to urge the University of Hawaii at Manoa to extend its Rainbow Shuttle service into the Kapahulu and Waikiki communities.

Your Committee received testimony in support of this measure from one individual. Your Committee received comments on this measure from the University of Hawai'i System.

Your Committee finds that the University of Hawaii at Manoa currently provides the Rainbow Shuttle service for University of Hawaii students, faculty, and staff, which consists of multiple routes that travel through the campus and in the neighboring vicinity. Because homes in the Kapahulu and Waikiki areas are regularly rented by students and frequented by students for dining, shopping, and entertainment, a reasonable extension of the Rainbow Shuttle into the Waikiki area will service a greater number of students,

thereby adding to the quality of student life and potentially increasing awareness of the school among international and mainland vicitors

Your Committee has heard the testimony of the University of Hawaii System expressing concerns regarding the additional costs of providing Rainbow Shuttle service routes into Waikiki and Kapahulu, which would be approximately \$350,000. Your Committee requests that if your Committee on Ways and Means hears this measure, it further examine the concerns relating to additional costs raised by the University of Hawaii System.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 60 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kahele).

## SCRep. 1651 Ways and Means on H.B. No. 1180

The purpose and intent of this measure is to appropriate funds for disaster relief, recovery, mitigation, and remediation in the County of Hawaii.

Your Committee received written comments in support of this measure from the Office of the Governor; Department of Agriculture; Hawaii Emergency Management Agency; County of Hawaii Department of Research and Development; the County of Hawaii Council Member for District 3; Hawaiian Community Assets; Kohala Coast Resort Association; Pele Lani Farm, LLC.; Kapoho Land Partnership; Hawaiian Electric Company, Inc.; Hawaii Farm Bureau; and seven individuals.

Your Committee finds that the funds appropriated by this measure are needed to provide relief and repairs for homes, communities, businesses, farms, schools, cultural sites, water systems, electrical grids, and roadways damaged or destroyed by unprecedented volcanic eruptions on the island of Hawaii.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1180, H.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 4 (Kanuha, Kidani, Riviere, Fevella).

## SCRep. 1652 Judiciary on S.C.R. No. 7

The purpose and intent of this measure is to request the Department of Human Services, in consultation with the Department of Public Safety, to work with the Family Reunification Working Group and other community stakeholders to develop a plan to establish visitation centers at all state correctional facilities and jails.

Your Committee received testimony in support of this measure from the Department of Public Safety, Hawaii Youth Services Network, Community Alliance on Prisons, Blueprint for Change, and three individuals. Your Committee received comments on this measure from the Department of Human Services.

Your Committee finds that parental incarceration is a strong risk factor for many adverse outcomes for children, including antisocial and violent behavior, mental health problems, failure to graduate from school, and unemployment. Your Committee further finds that the maintenance of family ties and parent-child relationships is linked to post-release success, lower rates of recidivism, and fewer parole violations. This measure will facilitate the development of visitation centers at state correctional facilities and jails to ensure the wellbeing of incarcerated parents and their families.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 7, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1653 Judiciary on S.R. No. 7

The purpose and intent of this measure is to request the Department of Human Services, in consultation with the Department of Public Safety, to work with the Family Reunification Working Group and other community stakeholders to develop a plan to establish visitation centers at all state correctional facilities and jails.

Your Committee received testimony in support of this measure from the Department of Public Safety, Hawaii Youth Services Network, Blueprint for Change, League of Women Voters of Hawaii, Ho'omanapono Political Action Committee, and one individual. Your Committee received comments on this measure from the Department of Human Services.

Your Committee finds that parental incarceration is a strong risk factor for many adverse outcomes for children, including antisocial and violent behavior, mental health problems, failure to graduate from school, and unemployment. Your Committee further finds that the maintenance of family ties and parent-child relationships is linked to post-release success, lower rates of recidivism, and fewer parole violations. This measure will facilitate the development of visitation centers at state correctional facilities and jails to ensure the wellbeing of incarcerated parents and their families.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 7, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1654 Commerce, Consumer Protection, and Health on S.C.R. No. 63

The purpose and intent of this measure is to request the Legislative Reference Bureau, in consultation with the Department of Commerce and Consumer Affairs, to conduct a study on the implementation of recommendations found in the *Condominium Governance – An Examination of Some Issues* 1989 Report by the Legislative Reference Bureau.

Your Committee received testimony in support of this measure from the Real Estate Commission. Your Committee received comments on this measure from the Legislative Reference Bureau.

Your Committee finds that *Condominium Governance – An Examination of Some Issues*, Report No. 4, 1989 (Report) is now thirty years old. The population of Hawaii has drastically increased since 1989, along with the number of registered condominium associations, and a study should be conducted to determine whether, and to what degree, the findings and recommendations in the Report have been implemented.

Your Committee notes the concerns raised in the Legislative Reference Bureau's testimony that, at the time the Report was written, the position of "condominium specialist" within the Department of Commerce and Consumer Affairs had just been established, so very little inherent condominium governance had been amassed. Currently, there are roughly 1,668 condominium association registrations and 29 condominium hotel operator registrations. Your Committee also finds that the Real Estate Branch of the Department of Commerce and Consumer Affairs has had the benefit of 30 years or practical experience related to condominium property regimes and is authorized to employ multiple condominium specialists. Accordingly, the Real Estate Commission is in a better experiential position to conduct the study contemplated by this measure.

Your Committee has amended this measure by:

- (1) Clarifying that the Real Estate Commission, rather than the Legislative Reference Bureau, is requested to conduct the condominium governance study and report to the Legislature;
- (2) Specifying additional areas for the Real Estate Commission to include in the condominium governance study, including assessments related to the developer's public report, current financial reserves and funding requirements, voting processes, and inherent conflicts between different types of condominium owners;
- Requesting the Legislative Reference Bureau to provide technical assistance to the Real Estate Commission as the Commission completes its study;
- (4) Amending its title in accordance with its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 63, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 63, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

## SCRep. 1655 Commerce, Consumer Protection, and Health on S.R. No. 41

The purpose and intent of this measure is to request the Legislative Reference Bureau, in consultation with the Department of Commerce and Consumer Affairs, to conduct a study on the implementation of recommendations found in the *Condominium Governance – An Examination of Some Issues* 1989 Report by the Legislative Reference Bureau.

Your Committee did not receive any testimony on this measure.

Your Committee finds that *Condominium Governance – An Examination of Some Issues*, Report No. 4, 1989 (Report) is now thirty years old. The population of Hawaii has drastically increased since 1989, along with the number of registered condominium associations, and a study should be conducted to determine whether, and to what degree, the findings and recommendations in the Report have been implemented.

Your Committee notes the concerns raised in the Legislative Reference Bureau's testimony that, at the time the Report was written, the position of "condominium specialist" within the Department of Commerce and Consumer Affairs had just been established, so very little inherent condominium governance had been amassed. Currently, there are roughly 1,668 condominium association registrations and 29 condominium hotel operator registrations. Your Committee also finds that the Real Estate Branch of the Department of Commerce and Consumer Affairs has had the benefit of 30 years or practical experience related to condominium property regimes and is authorized to employ multiple condominium specialists. Accordingly, the Real Estate Commission is in a better experiential position to conduct the study contemplated by this measure.

Your Committee has amended this measure by:

- (1) Clarifying that the Real Estate Commission, rather than the Legislative Reference Bureau, is requested to conduct the condominium governance study and report to the Legislature;
- (2) Specifying additional areas for the Real Estate Commission to include in the condominium governance study, including assessments related to the developer's public report, current financial reserves and funding requirements, voting processes, and inherent conflicts between different types of condominium owners;
- (3) Requesting the Legislative Reference Bureau to provide technical assistance to the Real Estate Commission as the Commission completes its study;
- (4) Amending its title in accordance with its amended purpose; and

(5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 41, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 41, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

## SCRep. 1656 Transportation on Gov. Msg. No. 635

Recommending that the Senate advise and consent to the nomination of the following:

#### MEDICAL ADVISORY BOARD

G.M. No. 635 OSCAR DELLINGER III, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Oscar Dellinger, III, M.D., for service on the Medical Advisory Board.

Your Committee received testimony in support of the nomination for the reappointment of Oscar Dellinger, III, M.D., from the Department of Transportation.

Upon review of the testimony, your Committee finds that Dr. Dellinger has extensive experience in geriatric medicine and is the Hospice Medical Director at Saint Francis Healthcare of Hawaii. He is board certified in internal medicine, geriatric medicine, hospice and palliative medicine, and addiction medicine. Dr. Dellinger has been serving on the Medical Advisory Board representing the field of geriatrics since 2015. Your Committee further finds that his expertise in geriatric medicine and addiction medicine has been invaluable to the Medical Advisory Board, especially with the high amount of cases relating to aging drivers and substance abuse, qualify him to be reappointed to the Medical Advisory Board.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

#### SCRep. 1657 Agriculture and Environment on S.C.R. No. 157

The purpose and intent of this measure is to request the Department of Agriculture to develop a Sustainable Food Security Strategic Plan and prepare an annual report to the Legislature regarding development of the Plan.

Your Committee received testimony in support of this measure from one individual. Your Committee received comments on this measure from the Department of Agriculture.

Your Committee finds that the State's food inventory leaves Hawaii with only a three to seven day supply of food when shipments from the mainland are delayed or cancelled. Your Committee further finds that improving access to and increasing the availability of sustainable local foods will benefit the residents of Hawaii and the State as a whole. This measure therefore requests the Department of Agriculture, in consultation with various stakeholders, to develop a Sustainable Food Security Strategic Plan and report its findings to the Legislature.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 157 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

## SCRep. 1658 Agriculture and Environment on S.R. No. 123

The purpose and intent of this measure is to request the Department of Agriculture to develop a Sustainable Food Security Strategic Plan and prepare an annual report to the Legislature regarding development of the Plan.

Your Committee received testimony in support of this measure from one individual.

Your Committee finds that the State's food inventory leaves Hawaii with only a three to seven day supply of food when shipments from the mainland are delayed or cancelled. Your Committee further finds that improving access to and increasing the availability of sustainable local foods will benefit the residents of Hawaii and the State as a whole. This measure therefore requests the Department of Agriculture, in consultation with various stakeholders, to develop a Sustainable Food Security Strategic Plan and report its findings to the Legislature.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 123 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

## SCRep. 1659 Agriculture and Environment on S.C.R. No. 153

The purpose and intent of this measure is to request the Department of Agriculture to study and make recommendations on how to increase compliance with the various requirements for agricultural lands and prevent abuse of agricultural land leases.

Your Committee received testimony in support of this measure from two individuals. Your Committee received comments on this measure from the Department of Agriculture.

Your Committee finds that some individuals abuse the benefits provided to farmers by building unpermitted structures on agricultural lands, illegally selling their leases, or simply failing to use the land for agricultural purposes. Your Committee further finds that this measure would help prevent the abuse of agricultural lands and agricultural land leases by requesting the Department of Agriculture to study potential deterrents, penalties, and other solutions and make recommendations on how to increase compliance with the various requirements for agricultural lands and agricultural land leases.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 153 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

## SCRep. 1660 Agriculture and Environment on S.R. No. 119

The purpose and intent of this measure is to request the Department of Agriculture to study and make recommendations on how to increase compliance with the various requirements for agricultural lands and prevent abuse of agricultural land leases.

Your Committee received testimony in support of this measure from one individual.

Your Committee finds that some individuals abuse the benefits provided to farmers by building unpermitted structures on agricultural lands, illegally selling their leases, or simply failing to use the land for agricultural purposes. Your Committee further finds that this measure would help prevent the abuse of agricultural lands and agricultural land leases by requesting the Department of Agriculture to study potential deterrents, penalties, and other solutions and make recommendations on how to increase compliance with the various requirements for agricultural lands and agricultural land leases.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 119 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

#### SCRep. 1661 (Joint) Agriculture and Environment and Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 35

The purpose and intent of this measure is to urge the United States Environmental Protection Agency and the Hawaii State Department of Health to reject approval of a single wall tank upgrade alternative option and the conclusions presented in the U.S. Navy's Protection and Evaluations Considerations Report for the Red Hill Bulk Fuel Storage Facility, dated July 27, 2018 (Groundwater Protection and Evaluation Report).

Your Committees received testimony in support of this measure from the Honolulu Board of Water Supply; United Public Workers, AFSCME, Local 646, AFL-CIO; Ke One O Kākuhihewa, Oʻahu Council of the Association of Hawaiian Civic Clubs; Oʻahu County Democrats Committee on Legislative Priorities; League of Women Voters of Hawaii; Environmental Caucus of the Democratic Party of Hawaii; Sierra Club of Hawaii; and seventy-seven individuals. Your Committees received testimony in opposition to this measure from the Chamber of Commerce Hawaii. Your Committees received comments on this measure from the United States Department of the Navy, United States Indo-Pacific Command, Department of Health, and City and County of Honolulu Office of the City Clerk.

Your Committees find that samples collected on June 25, 2018, from the steel liner of Tank 14 at the Red Hill Bulk Fuel Storage Facility show the presence of rust on the backside of the liner. Your Committees further find that Oahu's primary aquifer, which supplies drinking water to more than 600,000 residents, is located only one hundred feet below these fuel tanks that are possibly contaminating Oahu's drinking water. This measure therefore urges the United States Environmental Protection Agency and the Hawaii State Department of Health to reject approval of a single wall tank upgrade alternative option and the Groundwater Protection and Evaluation Report's conclusions, in favor of stronger protections for Oahu's water sources.

Your Committees have amended this measure by:

- (1) Urging the Environmental Protection Agency and the Hawaii State Department of Health to support the relocation of the fuel tanks away from the aquifer if secondary containment is determined to be infeasible;
- (2) Deleting the reference to the Honolulu Star Advertiser's article that would have suggested that tank rust at the Red Hill Bulk Fuel Storage Facility is more extensive than predicted; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 35, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 35, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 5. Noes, none. Excused, none.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 4. Noes, none. Excused, 1 (Harimoto).

#### SCRep. 1662 Education on S.C.R. No. 143

The purpose and intent of this measure is to urge the Board of Education to include instruction in cardiopulmonary resuscitation into health education curriculum for students in grades nine through twelve in all public schools in the State.

Your Committee received testimony in support of this measure from the American Heart Association.

Your Committee finds that in the State, emergency medical services teams treat nearly one thousand one hundred cases of out-of-hospital cardiac arrest each year, with only nine percent of these victims surviving. Your Committee further finds that cities that have increased training for cardiopulmonary resuscitation have seen cardiac arrest survival rates reach up to sixty percent. Thirty-nine states and the District of Columbia have passed legislation requiring cardiopulmonary resuscitation training as a high school graduation requirement and at least seventy-five percent of public high school students in the United States that are graduating this year will have learned lifesaving cardiopulmonary resuscitation in their schools. By incorporating cardiopulmonary resuscitation training into health education curriculum for all students in grades nine through twelve in the State, there is a less likelihood that Hawaii residents will not feel helpless to act during a cardiac arrest emergency and survival rates for out-of-hospital cardiac arrests will increase.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 143 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1663 Education on S.R. No. 110

The purpose and intent of this measure is to urge the Board of Education to include instruction in cardiopulmonary resuscitation into health education curriculum for students in grades nine through twelve in all public schools in the State.

Your Committee received testimony in support of this measure from the American Heart Association.

Your Committee finds that in the State, emergency medical services teams treat nearly one thousand one hundred cases of out-of-hospital cardiac arrest each year, with only nine percent of these victims surviving. Your Committee further finds that cities that have increased training for cardiopulmonary resuscitation have seen cardiac arrest survival rates reach up to sixty percent. Thirty-nine states and the District of Columbia have passed legislation requiring cardiopulmonary resuscitation training as a high school graduation requirement and at least seventy-five percent of public high school students in the United States that are graduating this year will have learned lifesaving cardiopulmonary resuscitation in their schools. By incorporating cardiopulmonary resuscitation training into health education curriculum for all students in grades nine through twelve in the State, there is a less likelihood that Hawaii residents will not feel helpless to act during a cardiac arrest emergency and survival rates for out-of-hospital cardiac arrests will increase.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 110 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

## SCRep. 1664 Education on S.C.R. No. 187

The purpose and intent of this measure is to urge the Department of Education to adopt the use of electronic transcripts.

Your Committee received comments on this measure from the Department of Education and one individual.

Your Committee finds that each public school is tasked with keeping students' education records, or transcripts, which help schools, students, and families track students' progress in school. Transcripts are also important documents for opportunities after high school, such as college admission, scholarship eligibility, and employment. Therefore, it is important that these documents are stored safely and that the upkeep of these documents incorporate the advantages of technology in today's digital world. This will help to improve student satisfaction, achieve operational process efficiencies, and provide cost savings.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 187 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1665 Education on S.R. No. 150

The purpose and intent of this measure is to urge the Department of Education to adopt the use of electronic transcripts.

Your Committee did not receive any testimony on this measure.

Your Committee finds that each public school is tasked with keeping students' education records, or transcripts, which help schools, students, and families track students' progress in school. Transcripts are also important documents for opportunities after high school, such as college admission, scholarship eligibility, and employment. Therefore, it is important that these documents are stored safely and that the upkeep of these documents incorporate the advantages of technology in today's digital world. This will help to improve student satisfaction, achieve operational process efficiencies, and provide cost savings.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 150 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

## SCRep. 1666 (Majority) Judiciary on S.C.R. No. 131

The purpose and intent of this measure is to request the United States Congress to convene a limited national convention under Article V of the United States Constitution for the exclusive purpose of proposing an amendment to the Constitution that will limit the influence of money in the electoral process.

Your Committee received testimony in support of this measure from Wolf-PAC and one hundred one individuals. Your Committee received testimony in opposition to this measure from the ILWU Local 142; League of Women Voters of Hawaii; Indivisible Hawaii; Community Alliance on Prisons; LGBT Caucus of the Democratic Party of Hawaii; Hawaii State Teachers Association; American Civil Liberties Union of Hawaii; Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; Life of the Land; Common Cause Hawaii; Americans for Democratic Action; Pride at Work Hawaii; Ho'omanapono Political Action Committee; and twenty-four individuals. Your Committee received comments on this measure from the Department of the Attorney General.

Your Committee finds that the competitive and expensive nature of elections in the United States results in significant sums of campaign contributions from large political action committees and other powerful third-party groups. Your Committee further finds that the prevalence of money from these groups in elections has given rise to the perception of a disproportionate influence of powerful moneyed interests in American politics. This measure will request the United States Congress to convene a limited national convention for the purpose of proposing a constitutional amendment to address these concerns.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 131 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3; Ayes with Reservations (Wakai). Noes, 1 (Kim). Excused, 1 (Fevella).

# SCRep. 1667 (Joint) Agriculture and Environment and Public Safety, Intergovernmental, and Military Affairs on S.R. No. 88

The purpose and intent of this measure is to request that the Department of Agriculture designate areas in each county for dairy operations and develop incentives to increase dairy operations in the State.

Your Committees did not receive any testimony on this measure.

Your Committees find that a recent lawsuit and settlement with a local dairy operator related to violations of the Clean Water Act, including the confirmed release of millions of gallons of animal waste into nearby waterways, and other incidents of dairy waste pollution point to a need to shift away from concentrated dairy operations and toward a more sustainable model of diversified agriculture that includes milk production. Therefore, your Committees find that this measure should be adopted as an initial step toward increasing sustainable dairy farming and milk production in the State.

Your Committees have amended this measure by:

- Requesting that the Department of Agriculture also include in its report to the Legislature an examination of the effects of the Milk Act on the decline of Hawaii's dairy industry and related recommendations that could address potential future issues;
- (2) Amending the title to reflect the intent that the State desires to increase dairy operations in the State, instead of only attracting dairy operators to the State; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 88, as amended herein, and recommend that it be referred to your Committee on Ways and Means, in the form attached hereto as S.R. No. 88, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Thielen).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Harimoto, Fevella).

## SCRep. 1668 (Joint) Transportation and Public Safety, Intergovernmental, and Military Affairs on H.B. No. 323

The purpose and intent of this measure is to classify certain former military vehicles as special interest vehicles and enable owners of former military vehicles to apply for registration.

Your Committees received testimony in support of this measure from Hanalei Beach Boys, Inc., and nine individuals. Your Committees received testimony in opposition to this measure from one individual. Your Committees received comments on this measure from the Department of Transportation.

Your Committees find that the counties had previously allowed former military vehicles to be registered with their respective departments of motor vehicles. However, residents are now prohibited from registering their former military vehicles. Your Committees further find that residents use former military vehicles to safely transport large groups of people over rough terrain that requires a vehicle with four-wheel drive. Your Committees note that several states currently permit the titling and registration of former military vehicles as long as the vehicles satisfy the Federal Motor Vehicle Safety Standards. This measure will authorize former military vehicles to operate on roads in the State by allowing residents to register such vehicles.

Your Committees have amended this measure by:

- (1) Inserting an effective date of July 1, 2051, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Transportation and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 323, H.D. 1, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 323, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 4. Noes, none. Excused, 1 (Harimoto).

#### SCRep. 1669 Judiciary on H.B. No. 168

The purpose and intent of this measure is to authorize a voter with special needs to request that a ballot be forwarded by electronic transmission at any time.

Your Committee received testimony in support of this measure from the Office of Elections, Disability and Communication Access Board, League of Women Voters of Hawaii, O'ahu County Committee on Legislative Priorities of the Democratic Party of Hawaii, and Common Cause Hawaii.

Your Committee finds that increased voter participation improves the accuracy of elections. Your Committee further finds that some voters with special needs find it prohibitively difficult to request an absentee ballot within the established window of time or to receive an absentee ballot through the mail. Your Committee additionally finds that electronic transfer of absentee ballots will better facilitate the participation of these voters in elections.

Your Committee has amended this measure by clarifying that special needs includes a disability.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 168, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 168, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1670 Hawaiian Affairs on S.C.R. No. 174

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to conduct a study on the significance of traditional Hawaiian practices, including the Makahiki, and their effect on the perpetuation of Native Hawaiian culture.

Your Committee received testimony in support of this measure from one individual.

Your Committee finds that Makahiki games, including ulu maika, oo ihe, hukihuki, pa uma, and haka moa, show the strength of Hawaiian warriors and keep Native Hawaiians connected to their roots. Your Committee further finds that many Native Hawaiians have an interest in maintaining their traditional cultural practices. This measure requests the Office of Hawaiian Affairs to conduct a study on the significance of traditional Hawaiian practices, including the significance of the Makahiki and the need for the continuation of all Makahiki practices, and their effect on the perpetuation of Native Hawaiian culture for the purpose of preserving and perpetuating the Native Hawaiian culture for future generations.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 174 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

## SCRep. 1671 Hawaiian Affairs on S.R. No. 141

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to conduct a study on the significance of traditional Hawaiian practices, including the Makahiki, and their effect on the perpetuation of Native Hawaiian culture.

Your Committee received testimony in support of this measure from the Ho'omanapono Political Action Committee.

Your Committee finds that Makahiki games, including ulu maika, oo ihe, hukihuki, pa uma, and haka moa, show the strength of Hawaiian warriors and keep Native Hawaiians connected to their roots. Your Committee further finds that many Native Hawaiians have an interest in maintaining their traditional cultural practices. This measure requests the Office of Hawaiian Affairs to conduct a study on the significance of traditional Hawaiian practices, including the significance of the Makahiki and the need for the continuation of all Makahiki practices, and their effect on the perpetuation of Native Hawaiian culture for the purpose of preserving and perpetuating the Native Hawaiian culture for future generations.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 141 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

#### SCRep. 1672 Hawaiian Affairs on S.C.R. No. 69

The purpose and intent of this measure is to request every commercial or public building located on Department of Hawaiian Home Lands trust land to display a photograph of Prince Jonah Kūhiō Kalaniana'ole and a description of his achievements.

Your Committee received testimony in support of this measure from the Department of Hawaiian Home Lands, Ke One O Kākuhihewa Oʻahu Council of the Association of Hawaiian Civic Clubs, and one individual. Your Committee received testimony in opposition to this measure from the Center for Hawaiian Sovereignty Studies.

Your Committee finds Prince Jonah Kūhiō Kalaniana'ole, known throughout the Hawaiian islands as Prince Kūhiō, focused his life on the welfare and prosperity of his constituency and especially that of his own people, the Native Hawaiians. One of Prince Kūhiō's accomplishments was spearheading the passage of the Hawaiian Homes Commission Act to provide housing and communities for the Native Hawaiian people through a government-sponsored homesteading program. That legacy lives on, with 10,000 beneficiary lessees currently living on Hawaiian homestead land and another 23,000 on the waiting list. Prince Kūhiō's efforts, accomplishments, and vision for the Hawaiian people should be commemorated.

Your Committee has amended this measure by:

- (1) Updating the findings to provide a more accurate number of individuals on the Hawaiian homestead wait list, in acknowledgment that applicants on the wait list may have multiple types of applications pending;
- Allowing buildings on Department of Hawaiian Home Lands to commemorate Prince Kūhiō with any medium of art, not just photographs;
- (3) Updating the title accordingly; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 69, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 69, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

#### SCRep. 1673 Hawaiian Affairs on S.R. No. 47

The purpose and intent of this measure is to request every commercial or public building located on Department of Hawaiian Home Lands trust land to display a photograph of Prince Jonah Kūhiō Kalaniana'ole and a description of his achievements.

Your Committee received testimony in support of this measure from the Department of Hawaiian Home Lands and Ke One O Kākuhihewa Oʻahu Council of the Association of Hawaiian Civic Clubs. Your Committee received testimony in opposition to this measure from the Center for Hawaiian Sovereignty Studies.

Your Committee finds Prince Jonah Kūhiō Kalaniana'ole, known throughout the Hawaiian islands as Prince Kūhiō, focused his life on the welfare and prosperity of his constituency and especially that of his own people, the Native Hawaiians. One of Prince Kūhiō's accomplishments was spearheading the passage of the Hawaiian Homes Commission Act to provide housing and communities for the Native Hawaiian people through a government-sponsored homesteading program. That legacy lives on, with 10,000 beneficiary lessees currently living on Hawaiian homestead land and another 23,000 on the waiting list. Prince Kūhiō's efforts, accomplishments, and vision for the Hawaiian people should be commemorated.

Your Committee has amended this measure by:

- Updating the findings to provide a more accurate number of individuals on the Hawaiian homestead wait list, in acknowledgment that applicants on the wait list may have multiple types of applications pending;
- Allowing buildings on Department of Hawaiian Home Lands to commemorate Prince Kūhiō with any medium of art, not just photographs;
- (3) Updating the title accordingly; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 47, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 47, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

## SCRep. 1674 Government Operations on S.C.R. No. 11

The purpose and intent of this measure is to reaffirm the use of the term "deaf-blind" by the State and the counties.

Your Committee received testimony in support of this measure from the Democratic Party of Hawai'i, O'ahu County Committee, Affirmative Action Committee, Aloha State Association of the Deaf, and one individual.

Your Committee finds that terminology and labeling of a particular community based on a common characteristic or interest can be quite specific and significant to the community's members. Your Committee also finds that many individuals in Hawaii and nationally have used the term "deaf-blind", written in lowercase with a hyphen between the words deaf and blind, to describe individuals who are deaf and blind, which is the same way the term is used in federal laws, Hawaii Administrative Rules, and Session Laws of Hawaii. Your Committee further finds that some individuals and organizations have sought to use the term "DeafBlind" with no hyphen between the words deaf and blind and the first letter of each word capitalized. This measure requires the State, counties, and all

entities that contract with the State or a county to utilize the term "deaf-blind" with the term "deaf-blind" written in lowercase with a hyphen between the words deaf and blind.

Your Committee has amended this measure by making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Government Operations that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 11, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 11, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1675 Government Operations on S.R. No. 10

The purpose and intent of this measure is to reaffirm the use of the term "deaf-blind" by the State and the counties.

Your Committee received testimony in support of this measure from the Aloha State Association of the Deaf.

Your Committee finds that terminology and labeling of a particular community based on a common characteristic or interest can be quite specific and significant to the community's members. Your Committee also finds that many individuals in Hawaii and nationally have used the term "deaf-blind", written in lowercase with a hyphen between the words deaf and blind, to describe individuals who are deaf and blind, which is the same way the term is used in federal laws, Hawaii Administrative Rules, and Session Laws of Hawaii. Your Committee further finds that some individuals and organizations have sought to use the term "DeafBlind" with no hyphen between the words deaf and blind and the first letter of each word capitalized. This measure requires the State, counties, and all entities that contract with the State or a county to utilize the term "deaf-blind" with the term "deaf-blind" written in lowercase with a hyphen between the words deaf and blind.

Your Committee has amended this measure by making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Government Operations that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 10, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 10, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1676 (Joint) Government Operations and Agriculture and Environment on S.C.R. No. 155

The purpose and intent of this measure is to urge all applicable state agencies to work together with interested stakeholders in assessing the risk of aquatic invasive specifies to Hawaii, vectors, and possible mitigations.

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources, Coordinating Group on Alien Pest Species, and one individual. Your Committees received comments on this measure from Matson.

Your Committees find that the State depends on healthy marine environments and ecosystems to support its unique cultural practices and recreational resources, preserve residents' quality of life, support local businesses, and provide habitat and sustenance for a multitude of native species — many of which are found nowhere else on Earth. Your Committees also find that aquatic invasive species have proven to be devastating on some nearshore reef environments in Hawaii and waters worldwide, harming the functioning of marine ecosystems, public health, and industries. Your Committees further find that the recognized vectors for the introduction of aquatic invasive species to Hawaii's marine environment are vessel ballast water and biofouling, which account for more than half of all non-native marine and estuarine species, followed by escapees or purposeful introduction from aquaculture, the pet trade, and research, with arrival and possible establishment of species through marine debris. Given the overlapping jurisdictions of state agencies and new federal standards and regulations that will come into effect by the close of 2022, this measure urges agencies, vessel operators, and other stakeholders to work together to assess the risks, and, if necessary, develop and implement aquatic alien species vector control programs.

As affirmed by the records of votes of the members of your Committees on Government Operations and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 155 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella). Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Ruderman, Fevella).

## SCRep. 1677 (Joint) Government Operations and Agriculture and Environment on S.R. No. 121

The purpose and intent of this measure is to urge all applicable state agencies to work together with interested stakeholders in assessing the risk of aquatic invasive specifies to Hawaii, vectors, and possible mitigations.

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources and Coordinating Group on Alien Pest Species. Your Committees received comments on this measure from Matson.

Your Committees find that the State depends on healthy marine environments and ecosystems to support its unique cultural practices and recreational resources, preserve residents' quality of life, support local businesses, and provide habitat and sustenance for a multitude of native species — many of which are found nowhere else on Earth. Your Committees also find that aquatic invasive species have proven to be devastating on some nearshore reef environments in Hawaii and waters worldwide, harming the functioning

of marine ecosystems, public health, and industries. Your Committees further find that the recognized vectors for the introduction of aquatic invasive species to Hawaii's marine environment are vessel ballast water and biofouling, which account for more than half of all non-native marine and estuarine species, followed by escapees or purposeful introduction from aquaculture, the pet trade, and research, with arrival and possible establishment of species through marine debris. Given the overlapping jurisdictions of state agencies and new federal standards and regulations that will come into effect by the close of 2022, this measure urges agencies, vessel operators, and other stakeholders to work together to assess the risks, and, if necessary, develop and implement aquatic alien species vector control programs.

As affirmed by the records of votes of the members of your Committees on Government Operations and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 121 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella). Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Ruderman, Fevella).

## SCRep. 1678 Hawaiian Affairs on Gov. Msg. Nos. 574 and 575

Recommending that the Senate advise and consent to the nominations of the following:

## ISLAND BURIAL COUNCIL, ISLAND OF O'AHU

G.M. No. 574 LURLINE NAONE-SALVADOR, for a term to expire 06-30-2020; and

G.M. No. 575 WILLIAM MILLS, for a term to expire 06-30-2021

Your Committee reviewed the personal histories, resumes, and statements submitted by Lurline Naone-Salvador and William Mills for service on the Island Burial Council, Island of O'ahu.

#### LURLINE NAONE-SALVADOR

Your Committee received testimony in support of the nomination for the appointment of Lurline Naone-Salvador from the Office of Hawaiian Affairs, Department of Land and Natural Resources, and one individual.

Lurline Naone-Salvador has been serving as an interim member of the Oʻahu Island Burial Council since 2018. Your Committee finds that this will be Ms. Naone-Salvador's fourth appointment to the Oʻahu Island Burial Council and she brings with her a wealth of institutional knowledge about the Council. First appointed in 1991 on the first Oʻahu Island Burial Council, Ms. Naone-Salvador served as the representative of large land owners, representing Kamehameha Schools Bishop Estate, and in that capacity was a strong voice for policies protecting iwi kūpuna. Born and raised in Haleʻiwa in a family knowledgeable in Hawaiian cultural practices and skills, Ms. Naone-Salvador has worked throughout her life to preserve Hawaiian culture. She earned one of the first Hawaiian Studies degrees from the University of Hawaii, taught Hawaiian language at Kamehameha Schools, served as a land asset manager for the Kamehameha Schools, and continues to live her life according to the Hawaiian teachings and experiences passed down from her father.

#### WILLIAM MILLS

Your Committee received testimony in support of the nomination for the appointment of William Mills from the Office of Hawaiian Affairs, Department of Land and Natural Resources, and three individuals.

William Mills has been serving as an interim member of the Oʻahu Island Burial Council since 2018. After graduating with a Hawaiian Language degree and Master's degree in Public Administration from the University of Hawaii, Mr. Mills focused his career on Hawaiian issues in the public sector. Over the course of his career, Mr. Mills worked at the Office of Hawaiian Affairs, Department of Land and Natural Resources Historic Preservation Division, and Department of Hawaiian Home Lands. Of particular note to this Committee is Mr. Mills' role at the State Historic Preservation Division, where he managed all burial cases on the islands of Oʻahu and Hawaiʻi. The nominee's lifelong commitment to cultural and natural resources preservation and extensive experience with government resources and procedures will be valuable assets to the Oʻahu Burial Council.

As affirmed by the records of votes of the members of your Committee on Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

#### SCRep. 1679 Hawaiian Affairs on Gov. Msg. No. 573

Recommending that the Senate advise and consent to the nomination of the following:

## ISLAND BURIAL COUNCIL, ISLAND OF MOLOKA'I

G.M. No. 573 LAAKEA POEPOE, for a term to expire 06-30-2021

Your Committee reviewed the resume submitted by La'akea Poepoe for service on the Island Burial Council, Island of Molokai.

Your Committee received testimony in support of the nomination for the appointment of La'akea Poepoe from the Office of Hawaiian Affairs, Department of Land and Natural Resources, Ka Lahui Hawaii Political Action Committee, and one individual.

La'akea Poepoe has been serving as an interim member of the Island Burial Council of Molokai since 2018 and is a lineal descendant of the inhabitants of Molokai. Your Committee finds that Mr. Poepoe was a strong advocate for the proper stewardship of natural and cultural resources and for the community on Molokai during his service on the Molokai Planning Commission. As a

member of the Commission, Mr. Poepoe integrated cultural knowledge and traditional and customary practices in the development of conservation strategies for Molokai. Mr. Poepoe is a Hawaiian language speaker, and, as a member of Hui Malama O Mo'omomi since 1993, he has a deep personal knowledge of significant cultural sites and burial grounds through the coastal sand dune system of Keonelele.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

## SCRep. 1680 Hawaiian Affairs on Gov. Msg. No. 583

Recommending that the Senate advise and consent to the nomination of the following:

#### ISLAND BURIAL COUNCIL, ISLAND OF HAWAI'I

G.M. No. 583 RANDALL HIGA, for a term to expire 06-30-2021

Your Committee reviewed the personal history and resume submitted by Randall Higa for service on the Island Burial Council, Island of Hawaii.

Your Committee received testimony in support of the nomination for the appointment of Randall Higa by the Office of Hawaiian Affairs and Department of Land and Natural Resources.

Randall Higa has served as an interim member on the Island Burial Council, Island of Hawaii, since late 2018. Although originally from Oʻahu, Mr. Higa has made his home in the Hāmākua moku and has genealogical ties to Liloa of Waipiʻo. Your Committee finds that Mr. Higa has dedicated his life to his community, with a career in education and the Honolulu Fire Department, where he retired as a Captain. He has also spent years preserving the natural beauty of Hawaii and local community gathering places by participating in beach and park cleanups and performing volunteer park maintenance.

Your Committee further finds that Mr. Higa has a history of working to preserve historic sites by performing restoration work on multiple walls, fishponds, and other historic sites, including working on projects involving Hawaiian dry stack wall renovation at Pu'u Koholā Heiau, Kalaupapa, and at the Kaloko-Honokōhau Fishpond. Mr. Higa not only preserves Hawaii's past but has also been a notable advocate for broadening the appeal of traditional Hawaiian arts to younger generations by serving on the Board of Directors of several canoe clubs.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

## SCRep. 1681 Ways and Means on S.C.R. No. 200

The purpose and intent of this measure is to request the Public Utilities Commission to consider programs that will ease the burden of energy costs on low- and limited-income customers and customers with special medical needs.

Your Committee received written comments in support of this measure from the Hawaiian Electric Company, Parents and Children Together, and Aloha United Way.

Your Committee received written comments on this measure from the Department of Commerce and Consumer Affairs and Public Utilities Commission.

Your Committee finds that Hawaii's high energy costs greatly affect the State's low- and limited-income residents and residents with special medical needs.

Your Committee has amended this measure by adopting the amendment requested by the Hawaiian Electric Company that requests the Public Utilities Commission to approve a subsidy through utility rates to establish a program to assist low-income and special medical needs to customers until a State funded program is established.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 200, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 200, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1682 (Joint) Technology and Commerce, Consumer Protection, and Health on S.C.R. No. 175

The purpose and intent of this measure is to request the State to convene an artificial intelligence advisory committee to investigate how to implement, develop, and regulate artificial intelligence in the State.

Your Committees received testimony in support of this measure from the Department of Human Services, Office of Enterprise Technology Services, and Hawaii Automobile Dealers' Association. Your Committees received comments on this measure from the Hawaii Technology Development Corporation.

Your Committees find that advances in artificial intelligence are being used to benefit industries and activities as diverse as transportation, medical diagnosis, customer service and office administration, and finance; however, many experts warn of artificial intelligence's dangers, such as autonomous weapons, social manipulation, and invasion of personal privacy. Your Committees find that the State should examine the best ways to integrate and approach artificial intelligence to assure that its use is beneficial to the quality, effectiveness, and productivity of government services and economic development in the State.

As affirmed by the records of votes of the members of your Committees on Technology and Commerce, Consumer Protection, and Health that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 175 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Technology: Ayes, 3. Noes, none. Excused, 2 (English, Wakai).

Commerce, Consumer Protection, and Health: Ayes, 5. Noes, none. Excused, 2 (Nishihara, Ruderman).

#### SCRep. 1683 (Joint) Technology and Commerce, Consumer Protection, and Health on S.R. No. 142

The purpose and intent of this measure is to request the State to convene an artificial intelligence advisory committee to investigate how to implement, develop, and regulate artificial intelligence in the State.

Your Committees received testimony in support of this measure from the Department of Human Services, Office of Enterprise Technology Services, Hawaii Automobile Dealers' Association, and Ho'omanapono Political Action Committee. Your Committees received comments on this measure from the Hawaii Technology Development Corporation.

Your Committees find that advances in artificial intelligence are being used to benefit industries and activities as diverse as transportation, medical diagnosis, customer service and office administration, and finance; however, many experts warn of artificial intelligence's dangers, such as autonomous weapons, social manipulation, and invasion of personal privacy. Your Committees find that the State should examine the best ways to integrate and approach artificial intelligence to assure that its use is beneficial to the quality, effectiveness, and productivity of government services and economic development in the State.

As affirmed by the records of votes of the members of your Committees on Technology and Commerce, Consumer Protection, and Health that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 142 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Technology: Ayes, 3. Noes, none. Excused, 2 (English, Wakai).

Commerce, Consumer Protection, and Health: Ayes, 5. Noes, none. Excused, 2 (Nishihara, Ruderman).

# SCRep. 1684 (Joint) Public Safety, Intergovernmental, and Military Affairs and Energy, Economic Development, and Tourism on S.C.R. No. 29

The purpose and intent of this measure is to urge Congress to amend title 42 United States Code section 16355 and lift the prohibition on the establishment of new national laboratories.

Your Committees did not receive any testimony on this measure.

Your Committees find that the national laboratories have served as the leading institutions for scientific innovation in the United States, spurred on by an outgrowth of investment in scientific research initiated during World War II. Your Committees further find that title 42 United States Code section 16355 states that after August 8, 2005, the Secretary of Energy shall not designate a facility that is not already listed in title 42 United States Code section 15801(3) as a national laboratory. Your Committees therefore find that this measure urges Congress to amend title 42 United States Code section 16355 to lift the prohibition on the establishment of new national laboratories to create more opportunities for scientific research and innovation through new national laboratories.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Energy, Economic Development, and Tourism that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 29 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

Energy, Economic Development, and Tourism: Ayes, 4. Noes, none. Excused, 1 (Inouye).

# SCRep. 1685 (Joint) Public Safety, Intergovernmental, and Military Affairs and Energy, Economic Development, and Tourism on S.R. No. 21

The purpose and intent of this measure is to urge Congress to amend title 42 United States Code section 16355 and lift the prohibition on the establishment of new national laboratories.

Your Committees did not receive any testimony on this measure.

Your Committees find that the national laboratories have served as the leading institutions for scientific innovation in the United States, spurred on by an outgrowth of investment in scientific research initiated during World War II. Your Committees further find that title 42 United States Code section 16355 states that after August 8, 2005, the Secretary of Energy shall not designate a facility that is not already listed in title 42 United States Code section 15801(3) as a national laboratory. Your Committees therefore find that this measure urges Congress to amend title 42 United States Code section 16355 to lift the prohibition on the establishment of new national laboratories to create more opportunities for scientific research and innovation through new national laboratories.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Energy, Economic Development, and Tourism that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 21 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

Energy, Economic Development, and Tourism: Ayes, 4. Noes, none. Excused, 1 (Inouye).

#### SCRep. 1686 Public Safety, Intergovernmental, and Military Affairs on S.C.R. No. 213

The purpose and intent of this measure is to urge Hawai'i's congressional delegation and the Governor to collaborate with the Legislature to ensure expedited burials for veterans, deceased active duty members of the United States Armed Forces, and their spouses at veterans' cemeteries throughout Hawai'i.

Your Committee received testimony in support of this measure from one individual. Your Committee received comments on this measure from the State Office of Veterans Services.

Your Committee finds that a spouse of a predeceased United States veteran buried at the Hawaii State Veterans Cemetery passed away on February 19, 2018, but could not be buried for more than five weeks due to administrative delays at the cemetery. Your Committee further finds that a proper and timely burial is a long-standing cultural practice and sacred rite of Native Hawaiians. Your Committee therefore finds that in keeping with the respect and honor of burials practiced by Native Hawaiians, this measure urges Hawai'i's congressional delegation and the Governor to collaborate with the Legislature to ensure expedited burials for veterans, deceased active duty members of the United States Armed Forces, and their spouses at veterans' cemeteries throughout Hawai'i.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 213 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

## SCRep. 1687 Public Safety, Intergovernmental, and Military Affairs on S.R. No. 172

The purpose and intent of this measure is to urge Hawai'i's congressional delegation and the Governor to collaborate with the Legislature to ensure expedited burials for veterans, deceased active duty members of the United States Armed Forces, and their spouses at veterans' cemeteries throughout Hawai'i.

Your Committee received comments on this measure from the State Office of Veterans Services.

Your Committee finds that a spouse of a predeceased United States veteran buried at the Hawaii State Veterans Cemetery passed away on February 19, 2018, but could not be buried for more than five weeks due to administrative delays at the cemetery. Your Committee further finds that a proper and timely burial is a long-standing cultural practice and sacred rite of Native Hawaiians. Your Committee therefore finds that in keeping with the respect and honor of burials practiced by Native Hawaiians, this measure urges Hawai'i's congressional delegation and the Governor to collaborate with the Legislature to ensure expedited burials for veterans, deceased active duty members of the United States Armed Forces, and their spouses at veterans' cemeteries throughout Hawai'i.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 172 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

## SCRep. 1688 Housing on S.C.R. No. 3

The purpose and intent of this measure is to request the convening of a task force to study the costs of installing automatic fire sprinkler systems in new one- and two-family dwellings.

Your Committee received testimony in support of this measure from the State Fire Council and Honolulu Fire Department. Your Committee received testimony in opposition to this measure from the Building Industry Association of Hawaii.

Your Committee finds that in the City and County of Honolulu alone, there have been 1,068 structure fires between 2006 and 2015, resulting in 27 civilian deaths, 152 civilian injuries, and more than \$100,000,000 in direct damages. Fatal residential fires occur in homes despite the presence of modern construction techniques and features, such as smoke alarms, fire-rated drywall, and ground fault circuit interrupter electrical outlets. Your Committee further finds that installing automatic fire sprinklers can reduce civilian deaths by 83 percent, civilian fire injuries by 53 percent, firefighter injuries by 65 percent, and property damage by 69 percent. This measure will establish the framework for the State to determine the cost-effectiveness of mandating the installation of automatic fire sprinklers in new one- and two-family dwelling units by convening a task force composed of pertinent stakeholders.

Your Committee has amended this measure by:

- Authorizing the Manager and Chief Engineer of the Kauai County Department of Water to appoint a designee to the task force;
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Housing that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 3, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 3, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1689 Commerce, Consumer Protection, and Health on S.C.R. No. 111

The purpose and intent of this measure is to request the Medical Cannabis Insurance Reimbursement Working Group to continue its work to address the complexities surrounding medical cannabis reimbursements by health insurance.

Your Committee received testimony in support of this measure from Pono Life Maui and Drug Policy Forum of Hawaii.

Your Committee finds that medical cannabis is a valuable tool for health care providers when treating multiple disorders and diagnoses including but not limited to cancer, glaucoma, epilepsy, multiple sclerosis, rheumatoid arthritis, and lupus. For many people, especially the disabled, chronically ill, or elderly living on fixed incomes, insurance coverage is the primary means of paying for necessary medications. However, unlike other medications, medical cannabis is not covered by health insurance. The Medical Cannabis Insurance Reimbursement Working Group was established in 2018 to examine the complexities surrounding the topic of making medical cannabis reimbursable by health insurance. Due to the complexity of the issue, more work remains to be done. This measure enables the Medical Cannabis Insurance Reimbursement Working Group to continue its work examining the issues surrounding medical cannabis reimbursements by health insurance.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 111 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

## SCRep. 1690 Commerce, Consumer Protection, and Health on S.C.R. No. 137

The purpose and intent of this measure is to request the Public Utilities Commission to monitor compliance with the Federal Communications Commission mandates for the deployment of backup power generators for wireless communications providers and collect and publish data on cellular tower backup capacity.

Your Committee received testimony in support of this measure from the O'ahu County Democrats Committee on Legislative Priorities and one individual. Your Committee received comments on this measure from the Public Utilities Commission.

Your Committee finds that Hawaii's rural communities are increasingly reliant on wireless voice communications via cellphone carriers. As a result, it is necessary for wireless communications carriers to provide resilient backup for their transmission equipment so that reliable communication is available when there are utility power outages. Your Committee further finds that increased data transparency would be helpful for the public to make informed decisions when choosing a wireless communications provider. Collecting and publishing data and statistics on backup power capacity for wireless cellular towers may also provide greater assurances to the public regarding the reliability of a particular wireless communications provider's network. This measure requests the Public Utilities Commission to monitor compliance for backup power generators for wireless communications providers and collect and publish data on cellular tower backup capacity which will ensure certain federal mandates are met and promote transparency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 137 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

## SCRep. 1691 Commerce, Consumer Protection, and Health on S.R. No. 105

The purpose and intent of this measure is to request the Public Utilities Commission to monitor compliance with the Federal Communications Commission mandates for the deployment of backup power generators for wireless communications providers and collect and publish data on cellular tower backup capacity.

Your Committee received testimony in support of this measure from the O'ahu County Democrats Committee on Legislative Priorities and one individual. Your Committee received comments on this measure from the Public Utilities Commission.

Your Committee finds that Hawaii's rural communities are increasingly reliant on wireless voice communications via cellphone carriers. As a result, it is necessary for wireless communications carriers to provide resilient backup for their transmission equipment so that reliable communication is available when there are utility power outages. Your Committee further finds that increased data transparency would be helpful for the public to make informed decisions when choosing a wireless communications provider. Collecting and publishing data and statistics on backup power capacity for wireless cellular towers may also provide greater assurances to the public regarding the reliability of a particular wireless communications provider's network. This measure requests the Public Utilities Commission to monitor compliance for backup power generators for wireless communications providers and collect and publish data on cellular tower backup capacity which will ensure certain federal mandates are met and promote transparency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 105 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

## SCRep. 1692 Commerce, Consumer Protection, and Health on S.C.R. No. 171

The purpose and intent of this measure is to request the Auditor to assess the social and financial effects of requiring health insurers to provide coverage for clinical victim support services for victims of sexual violence and abuse.

Your Committee received testimony in support of this measure from Planned Parenthood Votes Northwest and Hawaii and O'ahu County Democrats Committee on Legislative Priorities.

Your Committee finds that sexual violence and abuse can have severe and lasting emotional and mental health impacts on victims. Clinical victim support services are a professional intervention conducted by a qualified mental health services provider to identify needs and assist in obtaining coordinated, appropriate services and resources for a victim of sexual violence and abuse in order to curtail or prevent the progression or worsening of mental disorders and associated functional impairments caused, in whole or in part, by sexual violence and abuse. Clinical victim support services are not generally covered by health insurers. This measure therefore requests the Auditor to conduct a statutorily-required impact assessment report on the social and financial effects of the mandated health insurance coverage for clinical victim support services proposed by House Bill No. 484, Regular Session of 2019.

Your Committee has amended this measure by:

- Removing incorrect references to mandatory coverage beginning on January 1, 2020, as this date does not appear in House Bill No. 484; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 171, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 171, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

#### SCRep. 1693 Commerce, Consumer Protection, and Health on S.R. No. 138

The purpose and intent of this measure is to request the Auditor to assess the social and financial effects of requiring health insurers to provide coverage for clinical victim support services for victims of sexual violence and abuse.

Your Committee received testimony in support of this measure from Planned Parenthood Votes Northwest and Hawaii, Ho'omanapono Political Action Committee, and O'ahu County Democrats Committee on Legislative Priorities.

Your Committee finds that sexual violence and abuse can have severe and lasting emotional and mental health impacts on victims. Clinical victim support services are a professional intervention conducted by a qualified mental health services provider to identify needs and assist in obtaining coordinated, appropriate services and resources for a victim of sexual violence and abuse in order to curtail or prevent the progression or worsening of mental disorders and associated functional impairments caused, in whole or in part, by sexual violence and abuse. Clinical victim support services are not generally covered by health insurers. This measure therefore requests the Auditor to conduct a statutorily-required impact assessment report on the social and financial effects of the mandated health insurance coverage for clinical victim support services proposed by House Bill No. 484, Regular Session of 2019.

Your Committee has amended this measure by:

- (1) Removing incorrect references to mandatory coverage beginning on January 1, 2020, as this date does not appear in House Bill No. 484; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 138, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 138, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

## SCRep. 1694 Commerce, Consumer Protection, and Health on S.C.R. No. 169

The purpose and intent of this measure is to designate April as Organ Donor Awareness Month in Hawaii.

Your Committee received testimony in support of this measure from the Department of Health, Legacy of Life Hawai'i, and one individual.

Your Committee finds that organ transplantation is regarded as a standard medical treatment for a number of medical conditions and diseases, including chronic kidney disease. Survival rates following an organ transplant are impressive, and donated vital organs from one person can save the lives of up to eight people in need of an organ transplant. Yet your Committee finds that despite the growing number of successful transplant operations each year, more than one hundred thousand people nationwide remain on organ donation waiting lists and an average of twenty people die each day due to a lack of available organs for transplant. In Hawaii, more than four hundred people are waiting for life-saving organ transplants. Awareness regarding the importance of organ donation is needed to increase the number of organ donors, and designating April as Donate Life Month may encourage Hawaii residents to learn more about organ donation.

Your Committee has amended this measure by:

- (1) Replacing references to Organ Donor Awareness Month with Donate Life Month to accurately reflect and parallel the national designation;
- (2) Updating the title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 169, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 169, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

#### SCRep. 1695 Commerce, Consumer Protection, and Health on S.R. No. 135

The purpose and intent of this measure is to designate April as Organ Donor Awareness Month in Hawaii.

Your Committee did not receive any testimony on this measure.

Your Committee finds that organ transplantation is regarded as a standard medical treatment for a number of medical conditions and diseases, including chronic kidney disease. Survival rates following an organ transplant are impressive, and donated vital organs from one person can save the lives of up to eight people in need of an organ transplant. Yet your Committee finds that despite the growing number of successful transplant operations each year, more than one hundred thousand people nationwide remain on organ donation waiting lists and an average of twenty people die each day due to a lack of available organs for transplant. In Hawaii, more than four hundred people are waiting for life-saving organ transplants. Awareness regarding the importance of organ donation is needed to increase the number of organ donors, and designating April as Donate Life Month may encourage Hawaii residents to learn more about organ donation.

Your Committee has amended this measure by:

- Replacing references to Organ Donor Awareness Month with Donate Life Month to accurately reflect and parallel the national designation;
- (2) Updating the title accordingly; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 135, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 135, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

#### SCRep. 1696 Commerce, Consumer Protection, and Health on S.C.R. No. 113

The purpose and intent of this measure is to request that the Hawaii State Executive Office on Aging update the 2013 white paper on active aging and provide a final report on its updated version no later than the start of the Regular Session of 2021.

Your Committee received testimony in support of this measure from the Policy Advisory Board for Elder Affairs. Your Committee received comments on this measure from the Executive Office on Aging.

Your Committee finds that Hawaii's older adult population is growing rapidly and at a constantly increasing pace. The State has responded by putting initiatives in place to build infrastructure for eldercare, which focuses principally on the medically-defined needs of the frail, disabled, and dependent populations. Although these initiatives are vital to the health and well-being of Hawaii's older person population that is frail or dependent on caregivers, your Committee finds they do not address the needs of the elderly population that remains active and independent. For these individuals, a policy of active aging and promoting high cognitive and physical function and maintaining engagement in life, rather than solely focusing on avoiding disease and disability, may be more appropriate.

This measure requests the Executive Office on Aging to respond to the needs of the active aging population by updating its 2013 white paper on active aging to create a new social policy paradigm centered on active aging. Your Committee notes the Executive Office on Aging's concern that additional funding is necessary to update the 2013 white paper. However, your Committee encourages the Executive Office on Aging to partner with community groups including but not limited to Caring Across Generations, University of Hawaii Center on Aging, or Policy Advisory Board for Elder Affairs to begin developing an active aging plan. Your Committee finds that if an active aging plan is developed, the Legislature may be more open in the future to entertaining a request for funding to complete the update to the 2013 white paper.

Your Committee has amended this measure by making technical, nonsubstantive amendments, including in its title, for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 113, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 113, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

## SCRep. 1697 Commerce, Consumer Protection, and Health on S.R. No. 83

The purpose and intent of this measure is to request that the Hawaii State Executive Office on Aging update the 2013 white paper on active aging and provide a final report on its updated version no later than the start of the Regular Session of 2021.

Your Committee received testimony in support of this measure from the Policy Advisory Board for Elder Affairs and O'ahu County Democrats Committee on Legislative Priorities. Your Committee received comments on this measure from the Executive Office on Aging.

Your Committee finds that Hawaii's older adult population is growing rapidly and at a constantly increasing pace. The State has responded by putting initiatives in place to build infrastructure for eldercare, which focuses principally on the medically-defined needs of the frail, disabled, and dependent populations. Although these initiatives are vital to the health and well-being of Hawaii's older person population that is frail or dependent on caregivers, your Committee finds they do not address the needs of the elderly population that remains active and independent. For these individuals, a policy of active aging and promoting high cognitive and physical function and maintaining engagement in life, rather than solely focusing on avoiding disease and disability, may be more appropriate.

This measure requests the Executive Office on Aging to respond to the needs of the active aging population by updating its 2013 white paper on active aging to create a new social policy paradigm centered on active aging. Your Committee notes the Executive Office on Aging's concern that additional funding is necessary to update the 2013 white paper. However, your Committee encourages the Executive Office on Aging to partner with community groups including but not limited to Caring Across Generations, University of Hawaii Center on Aging, or Policy Advisory Board for Elder Affairs to begin developing an active aging plan. Your Committee finds that if an active aging plan is developed, the Legislature may be more open in the future to entertaining a request for funding to complete the update to the 2013 white paper.

Your Committee has amended this measure by making technical, nonsubstantive amendments, including in its title, for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 83, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 83, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Ruderman, Fevella).

#### SCRep. 1698 Commerce, Consumer Protection, and Health on S.C.R. No. 97

The purpose and intent of this measure is to declare November as Alzheimer's Awareness Month and June as Alzheimer's and Dementia Awareness Month in Hawaii.

Your Committee received testimony in support of this measure from the Executive Office on Aging.

Your Committee finds Alzheimer's disease is the sixth leading cause of death in the United States, killing more people than breast cancer and prostate cancer combined, with one out of three seniors dying from Alzheimer's disease. There are an estimated 27,000 people aged 65 and older with Alzheimer's disease in Hawaii today, and that number is expected to increase by more than 40 percent by 2025. The Alzheimer's Association estimated that the cost of care for a person living with Alzheimer's disease is approximately \$341,840 and Alzheimer's disease and other forms of dementia cost people in the United States a combined \$277 billion in 2018. Your Committee further finds that while there is no cure for Alzheimer's disease, increased public awareness and an early and accurate diagnosis of Alzheimer's disease and other forms of dementia may reduce the costs of care for a person living with Alzheimer's disease and other forms of dementia. Your Committee finds designating November as Alzheimer's and Dementia Awareness month may encourage residents to learn more about Alzheimer's disease and related ailments and motivate them to contact the Alzheimer's Association Aloha Chapter to access resources and receive support to help them live well with Alzheimer's disease.

Your Committee has amended this measure by:

- (1) Amending the findings to incorporate updated statistics regarding Alzheimer's disease and other forms of dementia;
- (2) Clarifying that the designated month for Alzheimer's and Dementia Awareness is November;
- (3) Amending the title accordingly; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 97, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 97, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

#### SCRep. 1699 Commerce, Consumer Protection, and Health on S.R. No. 77

The purpose and intent of this measure is to declare November as Alzheimer's Awareness Month and June as Alzheimer's and Dementia Awareness Month in Hawaii.

Your Committee received testimony in support of this measure from the Executive Office on Aging.

Your Committee finds Alzheimer's disease is the sixth leading cause of death in the United States, killing more people than breast cancer and prostate cancer combined, with one out of three seniors dying from Alzheimer's disease. There are an estimated 27,000 people aged 65 and older with Alzheimer's disease in Hawaii today, and that number is expected to increase by more than 40 percent by 2025. The Alzheimer's Association estimated that the cost of care for a person living with Alzheimer's disease is approximately \$341,840 and Alzheimer's disease and other forms of dementia cost people in the United States a combined \$277 billion in 2018. Your Committee further finds that while there is no cure for Alzheimer's disease, increased public awareness and an early and accurate diagnosis of Alzheimer's disease and other forms of dementia may reduce the costs of care for a person living with Alzheimer's disease and other forms of dementia. Your Committee finds designating November as Alzheimer's and Dementia Awareness month may encourage residents to learn more about Alzheimer's disease and related ailments and motivate them to contact the Alzheimer's Association Aloha Chapter to access resources and receive support to help them live well with Alzheimer's disease.

Your Committee has amended this measure by:

- (1) Amending the findings to incorporate updated statistics regarding Alzheimer's disease and other forms of dementia;
- (2) Clarifying that the designated month for Alzheimer's and Dementia Awareness is November;
- (3) Amending the title accordingly; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 77, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 77, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

## SCRep. 1700 Commerce, Consumer Protection, and Health on S.C.R. No. 102

The purpose and intent of this measure is to declare June 27 of each year as Post-Traumatic Stress Injury Awareness Day and designate the month of June of each year as Post-Traumatic Stress Injury Awareness Month in Hawaii.

Your Committee received testimony in support of this measure from one individual.

Your Committee finds that post-traumatic stress disorder was first recognized by the American Psychiatric Association in 1980 to more accurately understand and treat veterans who had endured severe operational combat stress. However, post-traumatic stress is not limited to veterans and can occur following any extreme traumatic event including interpersonal violence, life-threatening accidents, or natural disaster. Severe post-traumatic stress is a very common and treatable injury to the brain, and timely treatment can diminish complications and prevent suicides among those affected by it. However, this type of trauma has historically been cast as a mental illness rather than as an injury, which can discourage those affected from seeking proper and timely medical treatment. Your Committee further finds that de-stigmatizing this condition by emphasizing that it is an injury and not a disorder and raising awareness of the symptoms and treatability of post-traumatic stress injury may encourage more people to seek timely medical treatment.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 102 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

## SCRep. 1701 Commerce, Consumer Protection, and Health on S.R. No. 75

The purpose and intent of this measure is to declare June 27 of each year as Post-Traumatic Stress Injury Awareness Day and designate the month of June of each year as Post-Traumatic Stress Injury Awareness Month in Hawaii.

Your Committee did not receive any testimony on this measure.

Your Committee finds that post-traumatic stress disorder was first recognized by the American Psychiatric Association in 1980 to more accurately understand and treat veterans who had endured severe operational combat stress. However, post-traumatic stress is not limited to veterans and can occur following any extreme traumatic event including interpersonal violence, life-threatening accidents, or natural disaster. Severe post-traumatic stress is a very common and treatable injury to the brain, and timely treatment can diminish complications and prevent suicides among those affected by it. However, this type of trauma has historically been cast as a mental illness rather than as an injury, which can discourage those affected from seeking proper and timely medical treatment. Your Committee further finds that de-stigmatizing this condition by emphasizing that it is an injury and not a disorder and raising awareness of the symptoms and treatability of post-traumatic stress injury may encourage more people to seek timely medical treatment.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 75 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

# SCRep. 1702 Commerce, Consumer Protection, and Health on S.C.R. No. 67

The purpose and intent of this measure is to request public water and sewer utilities to consider the disruption to traffic and transportation as a criterion in planning future maintenance.

Your Committee received testimony in support of this measure from the City and County of Honolulu Board of Water Supply.

Your Committee finds that more than one thousand five hundred water main breaks were reported from 2012 to 2017. Traffic mitigation efforts to alleviate the flow of traffic are often done improperly and interrupt daily commutes. This measure therefore requests public water and sewer utilities to consider the disruption to traffic and transportation as a criterion for planning future maintenance to help mitigate traffic congestion and delays.

Your Committee notes that the City and County of Honolulu Board of Water Supply has a pipeline replacement prioritization program that considers a number of criteria when evaluating risk of failure and identifying the high risk pipelines that should be replaced first. The age of the pipe, type and size of the water main or pipe, depth, growth of corrosion, soil corrosion, and location and number of breaks are among the criteria. A Water Master Plan adopted in October 2016 provides a roadmap for long-term water system planning on Oahu for the next thirty years. The plan is intended to be an amendable document, allowing for flexibility in its implementation through periodic updates and adjustment of projects as conditions and needs change.

Your Committee also notes the testimony from the City and County of Honolulu Board of Water Supply, that sewer utilities are not within the purview of the Board of Water Supply. Therefore, amendments to this measure are necessary.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying that public water utilities are requested to consider the disruption to traffic and transportation as a criterion in planning future maintenance, rather than public water and sewer utilities;
- (2) Updating the title to reflect its amended purpose; and
- (3) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 67, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 67, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Chang, Fevella).

## SCRep. 1703 (Joint) Government Operations and Labor, Culture and the Arts on S.C.R. No. 173

The purpose and intent of this measure is to request that the Department of Accounting and General Services establish a task force to conduct a study about the current and future needs of the State Archives.

Your Committees received testimony in support of this measure from the Department of Accounting and General Services. Your Committees received comments on this measure from the Office of Information Practices.

Your Committees find that the current State Archives Building is outdated in appearance and function. Your Committees also find that the historical records of Hawaii held at the State Public Library should be stored in the same location and with the same archival standards as the historical records held at the State Archives; however, the State Archives Building is at ninety-three percent capacity and does not have enough space. Your Committees further find that members of the community seek to donate important historical documents and artifacts to the State Archives, but a lack of storage space requires the State Archivist to be very selective in accepting donations. Establishing a task force to conduct a study about the current and future needs of the State Archives will be an important step toward ensuring the preservation and perpetuation of the historic records and artifacts of Hawaii.

Your Committees have amended this measure by deleting as unnecessary the provision that would have exempted the task force from Chapter 92, Hawaii Revised Statutes.

As affirmed by the records of votes of the members of your Committees on Government Operations and Labor, Culture and the Arts that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 173, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 173, S.D. 1.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 4. Noes, none. Excused, 1 (Baker). Labor, Culture and the Arts: Ayes, 4. Noes, none. Excused, 1 (Chang).

# SCRep. 1704 (Joint) Government Operations and Labor, Culture and the Arts on S.R. No. 140

The purpose and intent of this measure is to request that the Department of Accounting and General Services establish a task force to conduct a study about the current and future needs of the State Archives.

Your Committees received testimony in support of this measure from the Department of Accounting and General Services. Your Committees received comments on this measure from the Office of Information Practices.

Your Committees find that the current State Archives Building is outdated in appearance and function. Your Committees also find that the historical records of Hawaii held at the State Public Library should be stored in the same location and with the same archival standards as the historical records held at the State Archives; however, the State Archives Building is at ninety-three percent capacity and does not have enough space. Your Committees further find that members of the community seek to donate important historical documents and artifacts to the State Archives, but a lack of storage space requires the State Archivist to be very selective in accepting donations. Establishing a task force to conduct a study about the current and future needs of the State Archives will be an important step toward ensuring the preservation and perpetuation of the historic records and artifacts of Hawaii.

Your Committees have amended this measure by deleting as unnecessary the provision that would have exempted the task force from Chapter 92, Hawaii Revised Statutes.

As affirmed by the records of votes of the members of your Committees on Government Operations and Labor, Culture and the Arts that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 140, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 140, S.D. 1.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 4. Noes, none. Excused, 1 (Baker). Labor, Culture and the Arts: Ayes, 4. Noes, none. Excused, 1 (Chang).

## SCRep. 1705 Energy, Economic Development, and Tourism on S.C.R. No. 50

The purpose and intent of this measure is to rename the Natural Energy Laboratory of Hawaii Authority as the George R. Ariyoshi Natural Energy Laboratory.

Your Committee received testimony in support of this measure from the Blue Planet Foundation. Your Committee received comments on this measure from the Natural Energy Laboratory of Hawaii Authority.

Your Committee finds that former Governor George R. Ariyoshi, the first governor of Japanese-American ancestry in the United States, proposed various ideas to protect the islands, including the idea of "controlled growth" to limit the impact of the growing population within the islands; the State Plan, which included measures to conserve the environment; and investment in alternative and renewable sources of power, including the development of ocean technologies. Your Committee also finds that Governor Ariyoshi's vision was instrumental in developing the Natural Energy Laboratory of Hawaii (NELH). In 1986, the Hawaii Ocean Science and Technology (HOST) Park was created under the High Technology Development Corporation as a separate entity, and in 1990, NELH and HOST Park were merged into the Natural Energy Laboratory of Hawaii Authority (NELHA) and attached to the Department of Business, Economic Development, and Tourism. Your Committee further finds that NELHA is involved in productive research and commercial activities that support sustainable industry development in Hawaii and provide advanced technology jobs for the local economy, which could not have been as successful without the early, visionary encouragement and support of Governor Ariyoshi. Accordingly, this measure renames the Natural Energy Laboratory of Hawaii Authority as the George R. Ariyoshi Natural Energy Laboratory to recognize Governor Ariyoshi for his dedication to the sustainable future of Hawaii.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 50 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

## SCRep. 1706 Energy, Economic Development, and Tourism on S.C.R. No. 122

The purpose and intent of this measure is to urge the Governor to nominate opportunity zones to assist with the economic development in census tracts in Wahiawa and Whitmore Village.

Your Committee received comments on this measure from the Department of Business, Economic Development, and Tourism.

Your Committee finds that the federal Tax Cuts and Jobs Act authorized a community economic development program called the Opportunity Zones Program to encourage long-term investments in economically distressed communities nationwide by providing incentives for investors to re-invest unrealized capital gains into opportunity funds established by the private sector, in exchange for temporary tax deferral and other tax benefits. Your Committee also finds that despite being meant for economically distressed communities, many of which are rural communities, opportunity zones were not designated in any rural areas in the City and County of Honolulu. This measure urges the Governor to nominate opportunity zones to assist with economic development in census tracts in Wahiawa and Whitmore Village.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 122 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

#### SCRep. 1707 Energy, Economic Development, and Tourism on S.R. No. 92

The purpose and intent of this measure is to urge the Governor to nominate opportunity zones to assist with the economic development in census tracts in Wahiawa and Whitmore Village.

Your Committee received comments on this measure from the Department of Business, Economic Development, and Tourism.

Your Committee finds that the federal Tax Cuts and Jobs Act authorized a community economic development program called the Opportunity Zones Program to encourage long-term investments in economically distressed communities nationwide by providing incentives for investors to re-invest unrealized capital gains into opportunity funds established by the private sector, in exchange for temporary tax deferral and other tax benefits. Your Committee also finds that despite being meant for economically distressed communities, many of which are rural communities, opportunity zones were not designated in any rural areas in the City and County of Honolulu. This measure urges the Governor to nominate opportunity zones to assist with economic development in census tracts in Wahiawa and Whitmore Village.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 92 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

## SCRep. 1708 (Joint) Energy, Economic Development, and Tourism and Agriculture and Environment on S.C.R. No. 165

The purpose and intent of this measure is to request the Office of Planning to establish an agricultural housing task force to study existing county and state laws, rules, and processes to plan for the construction of on-farm employee housing within the state agricultural district.

Your Committees received testimony in support of this measure from the Ulupono Initiative, Hawai'i Center for Food Safety, Share Your Mana, Pono Hawai'i Initiative, Hawai'i Alliance for Progressive Action, Greenleaf Farm, Maui County Farm Bureau, and forty-five individuals. Your Committees received comments on this measure from the Department of Agriculture and Office of Planning.

Your Committees find that sustainability and self-sufficiency in agriculture and local food production are a priority for the State. Your Committees also find that economically safe, sanitary, and affordable on-farm employee housing is critical for working farms to attract and retain long-term and short-term farm workers. However, on-farm housing must comply with different layers of regulations at the federal level and laws and rules at the state and county levels. Furthermore, many of the laws and rules governing construction

of traditional residential housing units are ill-suited to the demands and economic realities of working farms. Your Committees further find that these existing laws, rules, and processes preclude farms from providing safe, sanitary, and affordable on-farm employee housing to attract and retain farm workers, and stand as an obstacle to the State's agricultural self-sufficiency.

Your Committees have amended this measure by:

- (1) Updating findings regarding the legal and regulatory environment relating to on-farm housing;
- (2) Indicating the Legislature's support of the intent of existing laws to prevent the use of agricultural lands for primarily residential use and the Legislature's recognition that supporting housing for actual farm workers on farms producing commercial agricultural products must be tailored for that purpose;
- (3) Specifying that the agricultural housing task force is requested to:
  - (A) Limit its recommendations to those that support the construction of on-farm housing on working farms;
  - (B) Consider, in addition to modular housing, portable and temporary employee housing, which can be removed if a farm ceases production; and
  - (C) Propose a master use application process, laws, and rules that can be applied throughout the State to issue a discretionary permit for the construction of on-farm employee housing on active commercial farms; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 165, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 165, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Ruderman, Fevella).

## SCRep. 1709 (Joint) Energy, Economic Development, and Tourism and Agriculture and Environment on S.R. No. 131

The purpose and intent of this measure is to request the Office of Planning to establish an agricultural housing task force to study existing county and state laws, rules, and processes to plan for the construction of on-farm employee housing within the state agricultural district.

Your Committees received testimony in support of this measure from the Ulupono Initiative, Hawai'i Center for Food Safety, Share Your Mana, Pono Hawai'i Initiative, Hawai'i Alliance for Progressive Action, Greenleaf Farm, and forty-five individuals. Your Committees received comments on this measure from the Office of Planning.

Your Committees find that sustainability and self-sufficiency in agriculture and local food production are a priority for the State. Your Committees also find that economically safe, sanitary, and affordable on-farm employee housing is critical for working farms to attract and retain long-term and short-term farm workers. However, on-farm housing must comply with different layers of regulations at the federal level and laws and rules at the state and county levels. Furthermore, many of the laws and rules governing construction of traditional residential housing units are ill-suited to the demands and economic realities of working farms. Your Committees further find that these existing laws, rules, and processes preclude farms from providing safe, sanitary, and affordable on-farm employee housing to attract and retain farm workers, and stand as an obstacle to the State's agricultural self-sufficiency.

Your Committees have amended this measure by:

- (1) Updating findings regarding the legal and regulatory environment relating to on-farm housing;
- (2) Indicating the Legislature's support of the intent of existing laws to prevent the use of agricultural lands for primarily residential use and the Legislature's recognition that supporting housing for actual farm workers on farms producing commercial agricultural products must be tailored for that purpose;
- (3) Specifying that the agricultural housing task force is requested to:
  - (A) Limit its recommendations to those that support the construction of on-farm housing on working farms;
  - (B) Consider, in addition to modular housing, portable and temporary employee housing, which can be removed if a farm ceases production; and
  - (C) Propose a master use application process, laws, and rules that can be applied throughout the State to issue a discretionary permit for the construction of on-farm employee housing on active commercial farms; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 131, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 131, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Ruderman, Fevella).

#### SCRep. 1710 (Joint) Energy, Economic Development, and Tourism and Water and Land on S.C.R. No. 158

The purpose and intent of this measure is to encourage the Hawaii Tourism Authority and Department of Land and Natural Resources' State Historic Preservation Division to work with community organizations to assist in the establishment of historical markers and trails

Your Committees received testimony in support of this measure from the Hawai'i Tourism Authority; Democratic Party of Hawai'i, Hawaiian Affairs Caucus; O'ahu County Democrats Committee on Legislative Priorities; and one individual. Your Committees received comments on this measure from the Department of Land and Natural Resources.

Your Committees find that the Hawaii Tourism Authority was established to act as the lead agency for Hawaii's visitor industry and is charged with certain responsibilities. Your Committees also find that the Hawaii Tourism Authority recognizes that some visitors are interested in a more authentic experience, which has resulted in increased tourism in Hawaii's small rural communities. The Hawaii Tourism Authority currently provides support to cultural and heritage tourism events through its product enrichment program, and one of the principal objectives of cultural heritage tourism is collaboration with local organizations and the public to develop sustainable economies. Since historical trail and walking tours have been utilized by community stakeholders to identify historic individuals or landmarks for the purpose of creating cultural attractions, this measure encourages the Hawaii Tourism Authority and Department of Land and Natural Resources' State Historic Preservation Division to work with community organizations to establish historical markers and trails, thereby promoting cultural and heritage tourism.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Water and Land that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 158 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 4. Noes, none. Excused, 1 (Fevella).

Water and Land: Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

#### SCRep. 1711 (Joint) Energy, Economic Development, and Tourism and Water and Land on S.R. No. 124

The purpose and intent of this measure is to encourage the Hawaii Tourism Authority and Department of Land and Natural Resources' State Historic Preservation Division to work with community organizations to assist in the establishment of historical markers and trails.

Your Committees received testimony in support of this measure from the Hawai'i Tourism Authority; Democratic Party of Hawai'i, Hawaiian Affairs Caucus; Oahu County Democrats; Ho'omanapono Political Action Committee; and one individual. Your Committees received comments on this measure from the Department of Land and Natural Resources.

Your Committees find that the Hawaii Tourism Authority was established to act as the lead agency for Hawaii's visitor industry and is charged with certain responsibilities. Your Committees also find that the Hawaii Tourism Authority recognizes that some visitors are interested in a more authentic experience, which has resulted in increased tourism in Hawaii's small rural communities. The Hawaii Tourism Authority currently provides support to cultural and heritage tourism events through its product enrichment program, and one of the principal objectives of cultural heritage tourism is collaboration with local organizations and the public to develop sustainable economies. Since historical trail and walking tours have been utilized by community stakeholders to identify historic individuals or landmarks for the purpose of creating cultural attractions, this measure encourages the Hawaii Tourism Authority and Department of Land and Natural Resources' State Historic Preservation Division to work with community organizations to establish historical markers and trails, thereby promoting cultural and heritage tourism.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Water and Land that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 124 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 4. Noes, none. Excused, 1 (Fevella).

Water and Land: Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

# SCRep. 1712 Commerce, Consumer Protection, and Health on S.C.R. No. 112

The purpose and intent of this measure is to urge the Department of Health to work with the Hawaii Restaurant Association to establish industry standards to address certain unsanitary food handling conditions in food establishments and adopt rules.

Your Committee received testimony in opposition to this measure from the Department of Health.

Your Committee finds that improper handling of food at eateries and other food service establishments gives rise to public health concerns. Of particular concern is contamination from employees who serve food and may also perform tasks such as cleaning tables or facilities, or handling financial transactions. This is of particular concern in small establishments like food trucks where employees perform multiple roles. Your Committee further finds the Department of Health adopted the 2013 Food and Drug Administration Model Food Code in September 2017, making Hawaii one of the nation's food safety leaders as most other states' regulations are still based on the 2005 or 2009 version of the model code. Your Committee notes that because the adoption of the 2013 Model Food Code is so recent, perhaps not all establishments are aware of the heightened requirements.

Your Committee has amended this measure by:

- (1) Updating the findings to acknowledge that the Department of Health updated the Food Safety Code in 2017;
- Removing language urging the Department of Health and Hawaii Restaurant Association to develop rules or industry standards for food safety;

- (3) Urging the Department of Health and Hawaii Restaurant Association to work together to inform Hawaii's food establishments of recently updated Department of Health food safety rules and industry standards;
- (4) Urging the Department of Health and Hawaii Restaurant Association to submit a report on their findings and recommendations, including any proposed legislation, to the Legislature prior to the 2020 session;
- (5) Updating the title to reflect its amended purpose; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 112, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 112, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

#### SCRep. 1713 Commerce, Consumer Protection, and Health on S.R. No. 82

The purpose and intent of this measure is to urge the Department of Health to work with the Hawaii Restaurant Association to establish industry standards to address certain unsanitary food handling conditions in food establishments and adopt rules.

Your Committee received testimony in support of this measure from the Hawai'i Restaurant Association.

Your Committee finds that improper handling of food at eateries and other food service establishments gives rise to public health concerns. Of particular concern is contamination from employees who serve food and may also perform tasks such as cleaning tables or facilities, or handling financial transactions. This is of particular concern in small establishments like food trucks where employees perform multiple roles. Your Committee further finds the Department of Health adopted the 2013 Food and Drug Administration Model Food Code in September 2017, making Hawaii one of the nation's food safety leaders as most other states' regulations are still based on the 2005 or 2009 version of the model code. Your Committee notes that because the adoption of the 2013 Model Food Code is so recent, perhaps not all establishments are aware of the heightened requirements.

Your Committee has amended this measure by:

- (1) Updating the findings to acknowledge that the Department of Health updated the Food Safety Code in 2017;

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 82, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 82, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

#### SCRep. 1714 Commerce, Consumer Protection, and Health on S.C.R. No. 98

The purpose and intent of this measure is to designate February of each year as Liver and Bile Duct Cancer Awareness Month in Hawaii.

Your Committee received testimony in support of this measure from the American Cancer Society Cancer Action Network and two individuals.

Your Committee finds that Hawaii has the highest death rate of liver and bile duct cancer in the nation, with 184 new liver cancer and bile duct cancer cases diagnosed in Hawaii every year, which is a 33 percent higher incidence of liver and bile duct cancer than the national statistical norm. Currently, over 1,000 people in Hawaii are fighting liver cancer and bile duct cancer, both of which are almost always fatal.

Your Committee further finds that research indicates that liver flukes and aflatoxins may cause liver and bile duct cancer. Liver flukes, a type of parasitic flatworm found in freshwater fish, shellfish, cattle, and vegetables grown in fresh water, such as watercress, have been previously found in Hawaii. Aflatoxins are produced by a fungus abundant in warm and humid climates like Hawaii that grows on foods such as rice, grains, and nuts that are stored improperly or for long periods of time.

Your Committee finds that there is little public awareness and education around liver and bile duct cancer and the relationship and risks that Hawaii's local diet and environment present to increasing the risk of contracting these diseases. Raising awareness through a Liver and Bile Duct Cancer Awareness Month may encourage individuals to discuss liver and bile duct cancer risks and prevention with their health care providers.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 98, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 98, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

#### SCRep. 1715 Commerce, Consumer Protection, and Health on S.R. No. 78

The purpose and intent of this measure is to designate February of each year as Liver and Bile Duct Cancer Awareness Month in Hawaii.

Your Committee did not receive any testimony on this measure.

Your Committee finds that Hawaii has the highest death rate of liver and bile duct cancer in the nation, with 184 new liver cancer and bile duct cancer cases diagnosed in Hawaii every year, which is a 33 percent higher incidence of liver and bile duct cancer than the national statistical norm. Currently, over 1,000 people in Hawaii are fighting liver cancer and bile duct cancer, both of which are almost always fatal.

Your Committee further finds that research indicates that liver flukes and aflatoxins may cause liver and bile duct cancer. Your Committee finds that there is little public awareness and education around liver and bile duct cancer and the relationship and risks that Hawaii's local diet and environment present to increasing the risk of contracting these diseases. Raising awareness through a Liver and Bile Duct Cancer Awareness Month may encourage individuals to discuss liver and bile duct cancer risks and prevention with their health care providers.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 78, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 78, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

## SCRep. 1716 Commerce, Consumer Protection, and Health on S.C.R. No. 104

The purpose and intent of this measure is to request the Auditor to assess the social and financial effects of mandating health care coverage of cannabidiol oil derived from industrial hemp.

Your Committee received testimony in support of this measure from the Kihei Community Association and three individuals.

Your Committee finds that industrial hemp contains cannabidiol, a therapeutic non-psychoactive chemical compound. The medicinal benefits of cannabidiol have been recently recognized by the United States Food and Drug Administration, which recently approved a cannabidiol oral solution to treat seizures associated with severe forms of epilepsy. Additional medicinal benefits can include relieving pain, reducing nausea, easing migraines, and reducing inflammation. Your Committee further notes that industrial hemp-derived products have been removed from Schedule I of the federal Controlled Substances Act under certain circumstances. H.B. No. 20, introduced during the Regular Session of 2019, requires health insurers and similar entities that provide coverage for health care to provide drug coverage for cannabidiol oil that is derived from industrial hemp. This measure requests that the Auditor conduct an assessment pursuant to sections 25-51 and 23-52, Hawaii Revised Statutes, to assess the social and financial effects of mandating health care coverage of cannabidiol oil derived from industrial hemp.

Your Committee has amended this measure by:

- (1) Clarifying that industrial hemp-derived products have been removed from Schedule I of the federal Controlled Substances Act under certain circumstances;
- (2) Updating its title to reflect the amended purpose; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 104, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 104, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

## SCRep. 1717 Commerce, Consumer Protection, and Health on S.R. No. 76

The purpose and intent of this measure is to request the Auditor to assess the social and financial effects of mandating health care coverage of cannabidiol oil derived from industrial hemp.

Your Committee did not receive any testimony on this measure.

Your Committee finds that industrial hemp contains cannabidiol, a therapeutic non-psychoactive chemical compound. The medicinal benefits of cannabidiol have been recently recognized by the United States Food and Drug Administration, which recently approved a cannabidiol oral solution to treat seizures associated with severe forms of epilepsy. Additional medicinal benefits can include relieving pain, reducing nausea, easing migraines, and reducing inflammation. Your Committee further notes that industrial hemp-derived products have been removed from Schedule I of the federal Controlled Substances Act under certain circumstances. H.B. No. 20, introduced during the Regular Session of 2019, requires health insurers and similar entities that provide coverage for health care to provide drug coverage for cannabidiol oil that is derived from industrial hemp. This measure requests that the Auditor conduct an assessment pursuant to sections 25-51 and 23-52, Hawaii Revised Statutes, to assess the social and financial effects of mandating health care coverage of cannabidiol oil derived from industrial hemp.

Your Committee has amended this measure by:

- Clarifying that industrial hemp-derived products have been removed from Schedule I of the federal Controlled Substances Act under certain circumstances;
- (2) Updating its title to reflect the amended purpose; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 76, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 76, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

## SCRep. 1718 Commerce, Consumer Protection, and Health on S.R. No. 45

The purpose and intent of this measure is to request public water and sewer utilities to consider the disruption to traffic and transportation as a criterion in planning future maintenance.

Your Committee received testimony in support of this measure from the City and County of Honolulu Board of Water Supply and O'ahu County Democrats Committee on Legislative Priorities.

Your Committee finds that more than one thousand five hundred water main breaks were reported from 2012 to 2017. Traffic mitigation efforts to alleviate the flow of traffic are often done improperly and interrupt daily commutes. This measure therefore requests public water and sewer utilities to consider the disruption to traffic and transportation as a criterion for planning future maintenance to help mitigate traffic congestion and delays.

Your Committee notes that the City and County of Honolulu Board of Water Supply has a pipeline replacement prioritization program that considers a number of criteria when evaluating risk of failure and identifying the high risk pipelines that should be replaced first. The age of the pipe, type and size of the water main or pipe, depth, growth of corrosion, soil corrosion, and location and number of breaks are among the criteria. A Water Master Plan adopted in October 2016 provides a roadmap for long-term water system planning on Oahu for the next thirty years. The plan is intended to be an amendable document, allowing for flexibility in its implementation through periodic updates and adjustment of projects as conditions and needs change.

Your Committee also notes the testimony from the City and County of Honolulu Board of Water Supply, that sewer utilities are not within the purview of the Board of Water Supply. Therefore, amendments to this measure are necessary.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying that public water utilities are requested to consider the disruption to traffic and transportation as a criterion in planning future maintenance, rather than public water and sewer utilities;
- (2) Updating the title to reflect its amended purpose; and
- (3) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 45, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 45, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Chang, Fevella).

# SCRep. 1719 Commerce, Consumer Protection, and Health on S.C.R. No. 120

The purpose and intent of this measure is to request the Hawaii Developmental Disabilities Council to convene a working group to coordinate all services provided to individuals with intellectual and developmental disabilities and their families.

Your Committee received testimony in support of this measure from the Department of Labor and Industrial Relations; State Council on Developmental Disabilities; Workforce Development Council; Hawaii Psychological Association; Hawaii Disability Rights Center; Democratic Party of Hawaii Oʻahu County Committee, Affirmative Action Committee; and one individual. Your Committee received comments on this measure from the Department of Health and Department of Human Services.

Your Committee finds several state departments are responsible for providing various support and services to individuals with intellectual and developmental disabilities. However, lack of coordination between these departments regarding services and planning

activities results in gaps in the spectrum of needed services, duplication of services, lack of clarity in responsibility for services, and poorly articulated inter-agency programs, which reduces the quality of programs for individuals with intellectual and developmental disabilities. Your Committee further finds that better coordination between the departments and community groups providing support and services will improve service delivery and quality. Your Committee notes that an organizing body outside of the departments responsible for support and services is essential to coordinate between the various departments and community groups and the Hawaii Developmental Disabilities Council is well equipped to step into that role.

Your Committee has amended this measure by:

- Clarifying that the scope of the working group is limited and does not include all services provided to individuals with intellectual and developmental disabilities and their families;
- (2) Amending the membership of the working group to include certain impacted divisions, organizations, and individuals;
- (3) Requiring the working group, rather than the Hawaii Developmental Disabilities Council, to provide recommendations to the impacted divisions and making an associated conforming amendment;
- (4) Clarifying that the working group is requested to provide recommendations on the service planning process and formats for eligible individuals;
- (5) Updating the title to reflect its amended purpose; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 120, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 120, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

# SCRep. 1720 Commerce, Consumer Protection, and Health on S.R. No. 90

The purpose and intent of this measure is to request the Hawaii Developmental Disabilities Council to convene a working group to coordinate all services provided to individuals with intellectual and developmental disabilities and their families.

Your Committee received testimony in support of this measure from the Department of Labor and Industrial Relations and Workforce Development Council. Your Committee received comments on this measure from the Department of Health and Department of Human Services.

Your Committee finds several state departments are responsible for providing various support and services to individuals with intellectual and developmental disabilities. However, lack of coordination between these departments regarding services and planning activities results in gaps in the spectrum of needed services, duplication of services, lack of clarity in responsibility for services, and poorly articulated inter-agency programs, which reduces the quality of programs for individuals with intellectual and developmental disabilities. Your Committee further finds that better coordination between the departments and community groups providing support and services will improve service delivery and quality. Your Committee notes that an organizing body outside of the departments responsible for support and services is essential to coordinate between the various departments and community groups and the Hawaii Developmental Disabilities Council is well equipped to step into that role.

Your Committee has amended this measure by:

- Clarifying that the scope of the working group is limited and does not include all services provided to individuals with intellectual and developmental disabilities and their families;
- (2) Amending the membership of the working group to include certain impacted divisions, organizations, and individuals;
- (3) Requiring the working group, rather than the Hawaii Developmental Disabilities Council, to provide recommendations to the impacted divisions and making an associated conforming amendment;
- (4) Clarifying that the working group is requested to provide recommendations on the service planning process and formats for eligible individuals;
- (5) Updating the title to reflect its amended purpose; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 90, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 90, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

#### SCRep. 1721 (Joint) Agriculture and Environment and Water and Land on S.C.R. No. 182

The purpose and intent of this measure is to:

(1) Recognize the importance of the State's pollinator species and the threat that systemic insecticides pose to those species; and

(2) Urge the Department of Land and Natural Resources and Department of Agriculture to take measures to limit pollinator exposure to neonicotinoids.

Your Committees received testimony in support of this measure from the Hawai'i Alliance for Progressive Action; Pele Lani Farm LLC, Hawai'i SEED; Hoola Honey Bee Relocation; Animal Rights Hawai'i; Keiko Conservation; Beekeeper/Waianae Hunting Association; Pesticide Action Network North America, Hawaii; and ninety-nine individuals. Your Committees received testimony in opposition to this measure from CropLife America and Hawai'i Farm Bureau. Your Committees received comments on this measure from the Department of Agriculture, Department of Land and Natural Resources, and Hawaii Crop Improvement Association.

Your Committees find that pollinator species, including honeybees and other native bees, are vital to agricultural production in the State. Your Committees further find that a particular class of systemic insecticides, neonicotinoids, are a significant threat to the existence of pollinator species. Your Committees therefore find that this measure urges the Department of Land and Natural Resources and Department of Agriculture to protect Hawaii's pollinator species, restrict the use of neonicotinoid insecticides, and submit a report to the Legislature on the measures taken and any proposed legislation necessary to limit pollinator exposure to neonicotinoids.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committees note that the Department of Agriculture should take the lead in taking measures and proposing legislation to limit pollinator exposure to neonicotinoids.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Water and Land that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 182, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 182, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 3; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Ruderman, Thielen). Water and Land: Ayes, 3; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Nishihara, Riviere).

#### SCRep. 1722 (Joint) Agriculture and Environment and Water and Land on S.R. No. 136

The purpose and intent of this measure is to:

- (1) Recognize the importance of the State's pollinator species and the threat that systemic insecticides pose to those species; and
- (2) Urge the Department of Land and Natural Resources and Department of Agriculture to take measures to limit pollinator exposure to neonicotinoids.

Your Committees received testimony in support of this measure from the Hawai'i Alliance for Progressive Action; Hawai'i SEED; 350Hawaii.org; Hoola Honey Bee Relocation; Beekeeper/Waianae Hunting Association; Pesticide Action Network North America, Hawaii; and ninety-eight individuals. Your Committees received testimony in opposition to this measure from CropLife America and Hawai'i Farm Bureau. Your Committees received comments on this measure from the Department of Land and Natural Resources, Hawaii Crop Improvement Association, and one individual.

Your Committees find that pollinator species, including honeybees and other native bees, are vital to agricultural production in the State. Your Committees further find that a particular class of systemic insecticides, neonicotinoids, are a significant threat to the existence of pollinator species. Your Committees therefore find that this measure urges the Department of Land and Natural Resources and Department of Agriculture to protect Hawaii's pollinator species, restrict the use of neonicotinoid insecticides, and submit a report to the Legislature on the measures taken and any proposed legislation necessary to limit pollinator exposure to neonicotinoids.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committees note that the Department of Agriculture should take the lead in taking measures and proposing legislation to limit pollinator exposure to neonicotinoids.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Water and Land that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 136, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 136, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 3; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Ruderman, Thielen). Water and Land: Ayes, 3; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Nishihara, Riviere).

# SCRep. 1723 (Joint) Agriculture and Environment and Education and Higher Education on S.C.R. No. 73

The purpose and intent of this measure is to request that the Department of Agriculture, Department of Education, and University of Hawaii at Manoa College of Tropical Agriculture and Human Resources create a strategy for students to learn about modern farming.

Your Committees received testimony in support of this measure from the Department of Agriculture, one member of the Hawai'i County Council, Hawai'i Farm Bureau, and ten individuals. Your Committees received comments on this measure from the Department of Education, University of Hawai'i System, and Ka Ohana O Na Pua.

Your Committees find that the primary cause of the shortage of new farmers in Hawaii during the past several decades is the decline of support for agriculture education from state government to modernize farming techniques and technology, which has resulted in insufficient interest in pursuing the fields of agriculture and natural resource management among youth. Your Committees further find that in order to meet the State's aspirations for increased food security and self-sufficiency, the number of local farms and farmers and the amount of food produced for local markets will need to increase significantly, and be relevant and interesting to youth. Your

Committees therefore find that this measure requests that the Department of Agriculture, Department of Education, and University of Hawaii at Manoa College of Tropical Agriculture and Human Resources create a strategy for students to learn about modern farming and consider modern farming technologies, including methods and techniques of modern farming related to aquaponics, hydroponics, machinery, soil and water sensors, weather tracking, satellite imaging, pervasive automation, minichromosomal technology, radio-frequency identification technology, and vertical farming.

Your Committees have amended this measure by:

- (1) Designating the University of Hawaii at Manoa College of Tropical Agriculture and Human Resources to serve as the lead agency in creating a strategy for students to learn about modern farming;
- Requesting the agencies to also consider greenhouse technology in forming a strategy for students to learn about modern farming;
- (3) Requesting that the strategy include a plan for new curriculum for students in grades six through twelve;
- (4) Requesting that the strategy include proposals to address land tenure issues for farmers, including long-term land leases and infrastructure concerns;
- (5) Requesting that the strategy include information gathered from other countries that have adopted modern agricultural practices that have resulted in higher yields, greater productivity, lower input costs, and increased profitability for farmers;
- (6) Making the University of Hawaii at Manoa College of Tropical Agriculture and Human Resources the lead agency in submitting the report to the Legislature;
- (7) Amending the title; and
- (8) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment, Education, and Higher Education that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 73, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 73, S.D. 1.

Signed by the Chairs on behalf of the Committees. Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Fevella). Education: Ayes, 3. Noes, none. Excused, 2 (Dela Cruz, Fevella). Higher Education: Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

#### SCRep. 1724 (Joint) Agriculture and Environment and Education and Higher Education on S.R. No. 51

The purpose and intent of this measure is to request that the Department of Agriculture, Department of Education, and University of Hawaii at Manoa College of Tropical Agriculture and Human Resources create a strategy for students to learn about modern farming.

Your Committees received testimony in support of this measure from the Hawai'i Farm Bureau and one individual. Your Committees received comments on this measure from the University of Hawai'i System.

Your Committees find that the primary cause of the shortage of new farmers in Hawaii during the past several decades is the decline of support for agriculture education from state government to modernize farming techniques and technology, which has resulted in insufficient interest in pursuing the fields of agriculture and natural resource management among youth. Your Committees further find that in order to meet the State's aspirations for increased food security and self-sufficiency, the number of local farms and farmers and the amount of food produced for local markets will need to increase significantly, and be relevant and interesting to youth. Your Committees therefore find that this measure requests that the Department of Agriculture, Department of Education, and University of Hawaii at Manoa College of Tropical Agriculture and Human Resources create a strategy for students to learn about modern farming and consider modern farming technologies, including methods and techniques of modern farming related to aquaponics, hydroponics, machinery, soil and water sensors, weather tracking, satellite imaging, pervasive automation, minichromosomal technology, radio-frequency identification technology, and vertical farming.

Your Committees have amended this measure by:

- (1) Designating the University of Hawaii at Manoa College of Tropical Agriculture and Human Resources to serve as the lead agency in creating a strategy for students to learn about modern farming;
- (2) Requesting the agencies to also consider greenhouse technology in forming a strategy for students to learn about modern farming:
- (3) Requesting that the strategy include a plan for new curriculum for students in grades six through twelve;
- (4) Requesting that the strategy include proposals to address land tenure issues for farmers, including long-term land leases and infrastructure concerns:
- (5) Requesting that the strategy include information gathered from other countries that have adopted modern agricultural practices that have resulted in higher yields, greater productivity, lower input costs, and increased profitability for farmers;
- (6) Making the University of Hawaii at Manoa College of Tropical Agriculture and Human Resources the lead agency in submitting the report to the Legislature;
- (7) Amending the title; and
- (8) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment, Education, and Higher Education that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 51, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 51, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Fevella).

Education: Ayes, 3. Noes, none. Excused, 2 (Dela Cruz, Fevella).

Higher Education: Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

#### SCRep. 1725 (Joint) Agriculture and Environment and Human Services on S.C.R. No. 130

The purpose and intent of this measure is to:

- Engage, endorse, accept, and adopt the United Nations Economic Commission for Europe Convention on Access to Information, Public Participation in Decision-Making and Access to Justice in Environmental Matters (Aarhus Convention);
- (2) Request that the United States Congress embrace the Aarhus Convention and make protection of the environment and decision-making on environmental policies the centerpiece of national debate and practice.

Your Committees received testimony in support of this measure from the Department of Human Services and O'ahu County Democrats Committee on Legislative Priorities.

Your Committees find that the Aarhus Convention:

- (1) Links environmental rights and human rights;
- (2) Acknowledges that we owe an obligation to future generations;
- (3) Establishes that sustainable development can be achieved only through the involvement of all stakeholders;
- (4) Links government accountability and environmental protection; and
- (5) Focuses on interactions between the public and public authorities in a democratic context.

Your Committees further find that the tenets of the Aarhus Convention align with many of the State's environmental policies and goals. Your Committees therefore find that this measure engages, endorses, accepts, and adopts the Aarhus Convention and requests the United States Congress to embrace the Aarhus Convention and elevate environmental protection and policies in national debate and practice.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Human Services that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 130, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 130, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 5. Noes, none. Excused, none.

Human Services: Ayes, 4. Noes, none. Excused, 1 (Riviere).

#### SCRep. 1726 (Joint) Agriculture and Environment and Human Services on S.R. No. 99

The purpose and intent of this measure is to:

- (1) Engage, endorse, accept, and adopt the United Nations Economic Commission for Europe Convention on Access to Information, Public Participation in Decision-Making and Access to Justice in Environmental Matters (Aarhus Convention);
- (2) Request that the United States Congress embrace the Aarhus Convention and make protection of the environment and decision-making on environmental policies the centerpiece of national debate and practice.

Your Committees received testimony in support of this measure from the Department of Human Services, O'ahu County Democrats Committee on Legislative Priorities, and Ho'omanapono Political Action Committee.

Your Committees find that the Aarhus Convention:

- (1) Links environmental rights and human rights;
- (2) Acknowledges that we owe an obligation to future generations;
- (3) Establishes that sustainable development can be achieved only through the involvement of all stakeholders;
- (4) Links government accountability and environmental protection; and
- (5) Focuses on interactions between the public and public authorities in a democratic context.

Your Committees further find that the tenets of the Aarhus Convention align with many of the State's environmental policies and goals. Your Committees therefore find that this measure engages, endorses, accepts, and adopts the Aarhus Convention and requests the United States Congress to embrace the Aarhus Convention and elevate environmental protection and policies in national debate and practice.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Human Services that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 99, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 99, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 5. Noes, none. Excused, none.

Human Services: Ayes, 4. Noes, none. Excused, 1 (Riviere).

## SCRep. 1727 Commerce, Consumer Protection, and Health on Gov. Msg. No. 604

Recommending that the Senate advise and consent to the nomination of the following:

#### PUBLIC UTILITIES COMMISSION

G.M. No. 604 LEODOLOFF ASUNCION, for a term to expire 06-30-2020

Your Committee reviewed the personal history, resume, and statement submitted by Leodoloff Asuncion for service on the Public Utilities Commission.

Your Committee received testimony in support of the nomination for the appointment of Leodoloff Asuncion from the Governor; Department of Transportation; Department of Agriculture; Department of Business, Economic Development, and Tourism; Department of Labor and Industrial Relations; Department of Budget and Finance; Office of Community Services; Office of Enterprise Technology Services; Office of Environmental Quality Control; Public Utilities Commission; Hawaii Farm Bureau; Young Brothers, LLC; Hawai'i Gas; SanHi Government Strategies, LLLP; Rosehill and Associates, LLLP; Ashford and Wriston, LLLP; Imanaka Asato, LLLC; Capitol Consultants of Hawaii; Building Industry Association of Hawaii; and twelve individuals.

Upon review of the testimony, your Committee finds that Mr. Asuncion's background, experience, and commitment to public service qualify him to be nominated for appointment to the Public Utilities Commission. Your Committee notes that Mr. Asuncion holds a Bachelor of Arts in Political Science and a Master of Urban and Regional Planning from the University of Hawaii and a Master of Business Administration from Hawaii Pacific University. Your Committee further finds that Mr. Asuncion has been with the Office of Planning since June 2011 and is currently the Planning Program Administrator II where he is responsible for the overall management administrations and operations of the Office's Planning Division, which includes the Hawaii Coastal Zone Management Program, Hawaii Geographic Information Systems Program, and Special Plans Branch. Mr. Asuncion was previously the Director and Interim Director of the Office of Planning. As the Director of the Office of Planning, Mr. Asuncion oversaw management, administration, and operations, and represented the Office of Planning before the Hawaii Congressional Delegation, State Legislature, and various decision-making bodies.

Prior to joining the Office of Planning, Mr. Asuncion spent several years handling resource planning in the private sector, including serving as a Senior Regulatory Analyst and Senior Integrated Resource Planning Analyst for Hawaiian Electric Company, Inc., and as a Project Planner/Manager for SSFM International, Inc. Mr. Asuncion has also previously worked as a planner for the Hawaii State Judiciary and for the State Land Use Commission. Mr. Asuncion is active in a number of state and national boards and associations, including the American Planning Association. As a member of the National Board of Directors for the American Planning Association, Mr. Asuncion is able to share, on a national platform, how Hawaii is leading its energy transformation and bring back emerging best practices to better inform the State's energy transition.

Your Committee finds that Mr. Asuncion's extensive planning experience in the public and private sectors have given him a comprehensive understanding of many complex, interdependent policy issues, including in the energy field, which will be of great benefit to the Public Utilities Commission.

Testifiers commented that Mr. Asuncion's understanding of planning, economics, and regulatory and fiscal principles, along with his ability to forecast trends and act proactively, will be an asset to the Public Utilities Commission and public interests. Mr. Asuncion's work with Hawaiian Electric Company and his background in administration demonstrate his extensive experience with regulated industries and his ability to address governmental issues and develop strong management plans for organizations. With this broad involvement in public policy issues that are important to the State's future, Mr. Asuncion is prepared to address the wide array of regulated utilities and regulatory issues within the Public Utilities Commission's jurisdiction.

Your Committee notes from Mr. Asuncion's personal statement that he has a thorough understanding of the role and responsibilities of a member of the Public Utilities Commission. During his term, Mr. Asuncion intends to assist the Public Utilities Commission in advancing its goals and objectives, better the Public Utilities Commission's productivity and efficiency, and issue balanced decisions that are fair and timely.

Your Committee notes that Mr. Asuncion's extensive urban planning background, leadership skills, and thorough understanding of regulatory requirements will be an invaluable complement to the expertise of the other Commissioners and therefore recommends that Mr. Asuncion be appointed to the Public Utilities Commission based on his knowledge, background, and dedication to serving in the public's best interest.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Keohokalole, Ruderman, Thielen).

## SCRep. 1728 Labor, Culture and the Arts on Gov. Msg. No. 606

Recommending that the Senate advise and consent to the nomination of the following:

# DIRECTOR OF THE DEPARTMENT OF LABOR AND INDUSTRIAL RELATIONS

G.M. No. 606 SCOTT T. MURAKAMI, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by Scott T. Murakami for service as the Director of Labor and Industrial Relations.

Your Committee received testimony in support of the nomination for the appointment of Mr. Murakami from the Governor; Department of Human Resources Development; Department of Business, Economic Development, and Tourism; Department of Transportation; Department of Agriculture; Department of Public Safety; Department of Accounting and General Services; Department of Hawaiian Home Lands; Department of Human Services; Department of Budget and Finance; Department of Health; Workforce Development Council; Workforce Development Division of the Department of Labor and Industrial Relations; Office of Enterprise Technology Services; University of Hawai'i System; McKinley Community School for Adults; Leeward Community College; Kapiolani Community College; State Rehabilitation Council; Labor and Industrial Relations Appeals Board; Research Corporation of the University of Hawai'i; Workforce Solutions Group; Hawaii Disability Rights Center; Oahu Economic Development Board; Hawaii Island Economic Development Board; National Coalition of Advanced Technology Centers; Spatial Integrated Systems, Inc.; Hawaii Island Service Association; Arc of Kona; Gray Hong Nojima & Associates, Inc.; Chamber of Commerce Hawaii; Hawaii Farm Bureau Federation; Ship Repair Association of Hawaii; Hawaii Carpenters Apprenticeship and Training Fund; and over fifty individuals.

Your Committee finds that Mr. Murakami is currently the Acting Director of Labor and Industrial Relations. Most recently, he served as the Director of Workforce Development in the Office of the Vice President for Community Colleges and previously, as the Director of the Pacific Center for Advanced Technology Training. Mr. Murakami has served in positions for numerous educational institutes including as Provost and Chief Executive Officer for Hawaii Technology Institute, Vice President of Academic Affairs for Hawaii Business College, Financial Services Manager for Hawaii Job Corps Center, and Administrative Officer for University of Hawaii at Manoa. Mr. Murakami also holds positions or is a member of a number of organizations including the State of Hawaii Rehabilitation Council, Economic Development Council Alliance of Hawaii, Workforce Development Council, and Chamber of Commerce Hawaii. Mr. Murakami holds a Bachelor of Arts degree in Political Science and Sociology, Master's degree in Business Administration, and Master's degree in Accounting.

Your Committee believes that Mr. Murakami, with approximately twenty-eight years of experience in workforce development, employment and training, and vocational rehabilitation, possesses the qualifications to continue to serve as the Director of Labor and Industrial Relations. More particularly, his understanding of Hawaii's public workforce strengths and weaknesses, and extensive experience and knowledge of labor market data, advanced technology training, and post-secondary education will continue to serve him well in overseeing the numerous programs under the Department. Testifiers commented on Mr. Murakami's dedication, knowledge, leadership skills, experience, professionalism, compassion, and strong commitment to Hawaii's workforce - qualities that benefit the Department as it strives to fulfil its mandates.

Your Committee also notes that testifiers remarked that Mr. Murakami has shown that he has the ability to work collaboratively with businesses, labor organizations, education providers, and state leaders. He has a firm working knowledge about government and the Department and possesses the right amount of managerial and policy perspective that will serve the Department well and ultimately serve those whose interests the Department is there to protect. Mr. Murakami is dedicated to increasing workforce development opportunities for all of Hawaii's residents and providing a competitive advantage to Hawaii's business in the global economy. Testifiers also mentioned that Mr. Murakami leads with heart and aloha. In his own testimony, Mr. Murakami stated that he is confident that he and his team can make a positive contribution to improving the resilience of Hawaii's economy in the global marketplace and strengthen Hawaii's economic safety net. He also emphasized that he would like to do his part to be sure that employment opportunities are available to Hawaii's youth and young adults who choose to make the investment to better themselves by allowing them to compete in the global labor market while being able to continue to call Hawaii home.

Your Committee finds that Mr. Murakami's vast experience, leadership skills, collaborative nature, compassion, and dedication, will continue to serve him well as the Director of Labor and Industrial Relations.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Chang).

# SCRep. 1729 Labor, Culture and the Arts on Gov. Msg. No. 607

Recommending that the Senate advise and consent to the nomination of the following:

## DEPUTY DIRECTOR OF THE DEPARTMENT OF LABOR AND INDUSTRIAL RELATIONS

G.M. No. 607 LEONARD HOSHIJO, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by Leonard Hoshijo for service as the Deputy Director of Labor and Industrial Relations.

Your Committee received testimony in support of the nomination for the appointment of Mr. Hoshijo from the Governor; Department of Labor and Industrial Relations; Department of Accounting and General Services; Department of Human Resources Development; Department of Human Services; Department of Budget and Finance; Department of Health; Department of

Transportation; Department of Agriculture; Department of Business, Economic Development, and Tourism; Department of Public Safety; Workforce Development Division of the Department of Labor and Industrial Relations; Workforce Development Council; Office of Enterprise Technology Services; University of Hawaii West Oahu; University of Hawaii Professional Assembly; Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; Hawaii Construction Alliance; Pacific Resource Partnership; Hawaii Laborers-Employers Cooperation and Education Trust; ILWU Local 142; Ralph S. Inouye Co., Ltd.; LiUNA Local 368; Hawaii Regional Council of Carpenters; International Union of Painters and Allied Trades, District Council 50; Nordic PCL; Democratic Party of Hawaii Labor Caucus; Hawaii Farm Bureau Federation; Alan Shintani, Inc.; and fourteen individuals.

Your Committee finds that Mr. Hoshijo has dedicated his professional life in service to Hawaii's labor force. Mr. Hoshijo obtained his Bachelor of Arts degree from Antioch College and a P.Ed. degree from the University of Hawaii. After college, he worked for the International Longshore and Warehouse Union (ILWU), Local 142 for twenty-six years, where he served in various positions, including as a Housing Representative, Organizer, International Representative, and International Vice President and carried out an assortment of responsibilities. Mr. Hoshijo then served as the Education and Political Director for the Hawaii Regional Council of Carpenters from 2001 until 2015, where he accomplished numerous endeavors including the successful contract negotiation for project labor agreements with military housing developers that privatized military housing to ensure that homes for Army, Navy, Marines, and Air Force families would be built efficiently for fifty years at area standard wages for construction workers.

Mr. Hoshijo began serving as Deputy Director of Labor and Industrial Relations in 2015. Mr. Hoshijo then became the Director of Labor and Industrial Relations in 2018 and is currently the Acting Deputy Director of Labor and Industrial Relations. Mr. Hoshijo also serves as a director or officer for various low income rental housing nonprofit corporations. He served as a member of the Labor Education Advisory Board of the University of Hawaii Center for Labor Education and Research, and is currently a director and officer for the Hawaii Labor Heritage Council.

Testifiers commented on how much of an asset Mr. Hoshijo is to the Department of Labor and Industrial Relations (Department). He has a firm working knowledge of the Department and has provided it with effective leadership in legislative, administrative, and programmatic areas. In his own testimony, Mr. Hoshijo stated that his desire to serve is in part to bring a perspective built in the course of direct, individual "grass roots" engagement with tens of thousands of Hawaii's workers and their families over the years, as well as to bring his unique perspective related to working with Hawaii's industries and government bodies. Mr. Hoshijo expressed that he is prepared to provide a continuity of approach to the Department, and looks forward to doing so.

Your Committee finds that Mr. Hoshijo's vast experience, intelligence, knowledge, skills, and commitment will continue to serve him well as the Deputy Director of Labor and Industrial Relations.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Chang).

# SCRep. 1730 Ways and Means on H.B. No. 330

The purpose and intent of this measure is to support youth suicide early intervention, prevention, and education initiatives in the Counties of Kauai, Hawaii, and Maui.

Your Committee received written comments in support of this measure from the Department of Education, Department of Health, Hawaii Family Forum, Hawaii State Teachers Association, Hawaii Youth Services Network, Parents and Children Together, Rainbow Family 808, Hawaii Pacific Health, and one individual.

Your Committee finds that due to the increased rates of youth suicide and attempts on the neighbor islands in comparison to the island of Oahu, it is necessary to support suicide intervention, prevention, and education initiatives on the neighbor islands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 330, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (Shimabukuro, Taniguchi).

# SCRep. 1731 Ways and Means on H.B. No. 812

The purpose and intent of this measure is to regulate the use of low-speed electric bicycles in the State.

More specifically, this measure:

- (1) Prohibits persons under the age of fifteen from operating a low-speed electric bicycle; and
- (2) Expands the statutory definitions of "bicycle" to include low-speed electric bicycles.

Your Committee received written comments in support of this measure from the County of Kauai, Hawaii Bicycling League, and one individual.

Your Committee finds that including low-speed electric bicycles in the statutory definitions of "bicycle" will help to clarify the regulatory requirements related to low-speed electric bicycles. Additionally, your Committee finds that establishing a minimum age to operate low-speed electric bicycles will promote the proper and safe use of these bicycles.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 812, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

#### SCRep. 1732 Agriculture and Environment on H.B. No. 444

The purpose and intent of this measure is to require the Department of Health to adopt rules by January 1, 2021, for onsite non-potable water reuse systems.

Your Committee received testimony in support of this measure from the Department of Health; City and County of Honolulu Office of Climate Change, Sustainability and Resiliency; The Nature Conservancy Hawai'i; One World One Water; Ulupono Initiative; Hawai'i Community Foundation; Roth Ecological Design International, LLC; and two individuals. Your Committee received comments on this measure from the Honolulu Board of Water Supply and Laborers' International Union of North America, Local 368.

Your Committee finds that as an island state, Hawaii has limited access to natural fresh water and, unlike in other states, it is not economically feasible to ship in additional supplies when needed. Your Committee further finds that the use of recycled water for non-potable applications has proven safe and feasible. For example, onsite water reuse in high-rise and mid-rise developments has proven safe and feasible in New York, California, Japan, Australia, and other locations. Your Committee therefore finds that the use of recycled water generated onsite can potentially replace a large percentage of the future potable water demand in Hawaii.

Your Committee has amended this measure by:

- Requiring the Department of Health to evaluate and determine the best practical standards for the State to adopt for alternative, onsite non-potable water reuse systems, instead of directing the Department of Health to adopt rules to implement onsite non-potable water reuse systems;
- Requiring the Department of Health to submit a report to the Legislature with its evaluation findings and determination of standards to adopt by July 1, 2020;
- (3) Amending section 1 to reflect its amended purpose;
- (4) Making it effective on July 1, 2019; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committee notes that the Department of Health organized a water reuse task force pursuant to House Concurrent Resolution No. 86, S.D. 1 (2018), with the purpose of identifying policies to help scale water reuse in the Hawaiian islands. The task force's groundwork has helped pave the way for water reuse policies in Hawaii, and your Committee encourages the Department of Health to review the task force's findings in evaluating and determining the best practical standards for onsite non-potable water reuse systems pursuant to this measure.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 444, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 444, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1733 Ways and Means on H.B. No. 120

The purpose and intent of this measure is to authorize the issuance of general obligation bonds and to make the constitutionally-required findings that the bond issuance will not cause the state debt limit to be exceeded.

Your Committee received testimony in support of this measure from the Department of Budget and Finance.

Your Committee finds that in accordance with Article VII, section 13, of the State Constitution, the total amount of principal and interest, estimated for the general obligation bonds authorized under this measure and for all bonds authorized and unissued and calculated for all bonds issued and outstanding, will not cause the debt limit to be exceeded at the time of issuance.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 120, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 120, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

# SCRep. 1734 Ways and Means on H.B. No. 121

The purpose and intent of this measure is to abolish various non-general funds pursuant to the recommendation of the Auditor in Auditor's Report No. 18-21.

Specifically, this measure abolishes the following funds:

- (1) The Captain Cook memorial fund;
- (2) The custodial services special fund;
- (3) The donations for voter registration drive trust account; and
- (4) The information technology trust fund.

Your Committee received comments on this measure from the Tax Foundation of Hawaii.

Your Committee finds that the funds addressed by this measure do not meet the criteria for a trust fund, special fund, or trust account, or serve the purposes for which they were created, and thus should be abolished.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 121, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

## SCRep. 1735 Ways and Means on H.B. No. 1193

The purpose and intent of this measure is to offset the cost of caring for dependents by increasing the dependent care tax credit.

Your Committee received testimony in support of this measure from the American Association of University Women of Hawaii, LGBT Caucus of the Democratic Party of Hawaii, Pride at Work Hawaii, Hawaiian Community Assets, Americans for Democratic Action, Catholic Charities Hawaii, Hawaii Appleseed Center for Law and Economic Justice, Hawaii Children's Action Network, Early Childhood Action Strategy, and numerous individuals.

Your Committee received comments on this measure from the Department of Taxation and Tax Foundation of Hawaii.

Your Committee finds that this measure will increase the amount of the dependent care tax credit that working families in the State may claim, thereby reducing the economic burden of child and dependent care costs incurred by Hawaii's working families.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1193, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1193, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

#### SCRep. 1736 Ways and Means on H.B. No. 1413

The purpose and intent of this measure is to authorize the issuance of special purpose revenue bonds to assist E Ola Mau Na Leo O Kekaha with the acquisition, remediation, and development of the old Kekaha Sugar Mill in Kekaha, Kauai.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that this measure will allow for the preservation of the old Kekaha Sugar Mill, an historic cultural site, and will assist the creation and development of diverse economic drivers on the west side of Kauai, including a smart farming enterprise, tourist and cultural center, community sunshine market, community greenhouse, and community manufacturing and incubator facility.

Your Committee has amended this measure by changing the effective date to July 1, 2035, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1413, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1413, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

# SCRep. 1737 Judiciary on H.B. No. 807

The purpose and intent of this measure is to amend the misdemeanor offense of unsworn falsification to authorities to include knowingly making a false statement to a state investigator or county inspector in certain circumstances.

Your Committee received testimony in support of this measure from the Honolulu City Council, HI Good Neighbor, and seventy-two individuals. Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that the enforcement of county ordinances and state agency rules is often undermined by a lack of consequences for failure to comply with enforcement efforts. Your Committee further finds that this difficulty in enforcement can result in the construction of large, multi-unit "monster homes" and the operation of vacation rentals without regard to building codes, zoning codes, and tax laws. This measure will assist enforcement efforts by including making false statements to state investigators or county inspectors in certain circumstances within the offense of unsworn falsification to authorities. This will help deter individuals from providing false information to state investigators and county inspectors.

Your Committee has amended this measure by making it effective upon its approval.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 807, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 807, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

#### SCRep. 1738 Judiciary on H.B. No. 316

The purpose and intent of this measure is to include vehicles valued at less than \$1,000 in the list of derelict vehicles that may be removed by a county or Hawaii Public Housing Authority.

Your Committee did not receive any testimony on this measure.

Your Committee finds that abandoned vehicles create a public health and traffic safety hazard if they are not removed and properly disposed. Your Committee further finds that existing requirements for deeming a vehicle to be derelict can prevent counties or the Hawaii Public Housing Authority from removing abandoned vehicles in a timely fashion. Your Committee further finds that having an objective dollar value alone determine the threshold of abandonment may have unintentional consequences. This may result in the removal of vehicles that have had parts removed but are still functional and are not, in fact, abandoned.

Accordingly, your Committee has amended this measure by clarifying that, as a prerequisite to determining if a vehicle is derelict, the removal of a part alone is not enough, and that the removal must render the vehicle inoperable.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 316, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 316, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1739 Judiciary on H.B. No. 295

The purpose and intent of this measure is to:

- Amend the definition of domestic abuse under Hawaii's insurance laws and domestic abuse protective order statutes to include emotional abuse between family or household members; and
- (2) Define emotional abuse.

Your Committee received testimony in support of this measure from the LGBT Caucus of the Democratic Party of Hawaii, Domestic Violence Action Center, Hawaii State Coalition Against Domestic Violence, Rainbow Family 808, Hawaii Psychological Association, and three individuals. Your Committee received testimony in opposition to this measure from the Institute for Rational and Evidence-Based Legislation, National Rifle Association, and three individuals. Your Committee received comments on this measure from the Judiciary.

Your Committee finds that domestic violence and abuse includes actions that are not physical. Your Committee further finds that emotional abuse and controlling behavior cause serious harm and that victims of such abuse frequently incur significant treatment expenses. This measure expands domestic abuse to include emotional abuse between family or household members for the purposes of insurance and protective orders.

Your Committee has amended this measure by:

- (1) Removing "regulating the person's everyday behavior" from the definition of "controlling behavior"; and
- (2) Clarifying that a "parent or guardian's legitimate attempt to discipline their child" is excluded from the definition of "emotional abuse".

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 295, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 295, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4; Ayes with Reservations (Gabbard). Noes, none. Excused, 1 (Fevella).

# SCRep. 1740 Judiciary on H.B. No. 200

The purpose and intent of this measure is to:

- Prohibit specified trolleys, pulleys, cables, or running lines designed to attach a dog to two stationary objects that endanger, or deny sustenance to, a dog; and
- (2) Provide an affirmative defense for tethering a dog under the age of six months under certain circumstances.

Your Committee received testimony in support of this measure from the Humane Society of the United States, West Hawaii Humane Society, Hawaiian Humane Society, and thirty-eight individuals. Your Committee received testimony in opposition to this measure from one individual. Your Committee received comments on this measure from one individual.

Your Committee finds that constant and improper tethering or chaining puts the tethered or chained dogs' health and safety at risk. Your Committee further finds that vagueness in existing law makes it difficult for law enforcement officers to take action before an improperly tethered or chained dog has suffered serious injury or death. This measure establishes clear guidelines for dog owners and law enforcement officers for what constitutes proper tethering.

Your Committee has amended this measure by:

(1) Clarifying the preamble to more accurately reflect its intended purpose;

- Clarifying that trolley, pulley, cable, or running line tethers are prohibited if they are in a configuration that endangers a dog, including preventing the dog from obtaining necessary sustenance;
- (3) Removing the affirmative defense for tethering a dog under the age of six months under certain circumstances;
- (4) Specifying that tethering or restraining any dog using a tow or log chain if the size or weight of the tow or log chain inhibits the free movement of the dog is prohibited;
- Expanding the allowable uses of choke collars, pinch collars, or prong collars to activities supervised by a dog's owner or agent of the dog's owner; and
- Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 200, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 200, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# Ways and Means on S.C.R. No. 117

The purpose and intent of this measure is to request the Director of Taxation to convene a task force to determine if worldwide combined reporting, also known as "complete reporting," would be a more fair and effective form of calculating corporate taxation.

Your Committee received testimony in support of this measure from Oahu County Democrats.

Your Committee received comments on this measure from the Department of Taxation.

Your Committee finds that some large corporations that maintain a physical presence in Hawaii sell goods and services in the State, but reduce their tax exposure on those sales by shifting income to offshore subsidiaries and, thereby, put smaller companies who are entirely domestic at an unfair disadvantage.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 117 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Moriwaki). Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

#### SCRep. 1742 Ways and Means on S.R. No. 87

The purpose and intent of this measure is to request the Director of Taxation to convene a task force to determine if worldwide combined reporting, also known as "complete reporting," would be a more fair and effective form of calculating corporate taxation.

Your Committee received testimony in opposition to this measure from the Council On State Taxation.

Your Committee received comments on this measure from the Department of Taxation.

Your Committee finds that some large corporations that maintain a physical presence in Hawaii sell goods and services in the State, but reduce their tax exposure on those sales by shifting income to offshore subsidiaries and, thereby, put smaller companies who are entirely domestic at an unfair disadvantage.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 87 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Moriwaki). Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

#### (Joint) Hawaiian Affairs and Agriculture and Environment on S.C.R. No. 211 SCRep. 1743

The purpose and intent of this measure is to request that the City and County of Honolulu and Office of Hawaiian Affairs finalize memorandums of understanding with the Agribusiness Development Corporation for purposes of diversifying sources of irrigation.

Your Committees received testimony in support of this measure from the City and County of Honolulu Department of Environmental Services. Your Committees received comments on this measure from the Office of Hawaiian Affairs and Agribusiness Development Corporation.

Your Committees find that recycled water is a quality source for irrigating agricultural lands and can be used for the irrigation of food crops. Your Committees further find that the State is working with the City and County of Honolulu and Office of Hawaiian Affairs to divert 1,600,000 gallons of R-1 water from the Wahiawa Wastewater Treatment Plant for local farmers to use for irrigation. Your Committees believe that diverting the R-1 water will support local food production, revitalize the Wahiawa Reservoir, and encourage economic development in Wahiawa town. Your Committees therefore find that this measure requests that the City and County of Honolulu and Office of Hawaiian Affairs finalize memorandums of understanding with the Agribusiness Development Corporation to divert R-1 water from the Wahiawa Wastewater Treatment Plant.

Your Committees have amended this measure by:

(1) Requesting that the Agribusiness Development Corporation finalize the route of its transmission line from the Wahiawa Wastewater Treatment Plant;

- Encouraging the Agribusiness Development Corporation and Office of Hawaiian Affairs to finalize easement discussions, if appropriate;
- (3) Removing language that would have requested that the Office of Hawaiian Affairs finalize a memorandum of understanding with the Agribusiness Development Corporation to provide the Agribusiness Development Corporation with an easement;
- (4) Updating the title; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Hawaiian Affairs and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 211, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 211, S.D. 1.

Signed by the Chairs on behalf of the Committees. Hawaiian Affairs: Ayes, 4. Noes, none. Excused, 1 (Fevella). Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Rhoads, Fevella).

# SCRep. 1744 (Joint) Hawaiian Affairs and Agriculture and Environment on S.R. No. 170

The purpose and intent of this measure is to request that the City and County of Honolulu and Office of Hawaiian Affairs finalize memorandums of understanding with the Agribusiness Development Corporation for purposes of diversifying sources of irrigation.

Your Committees received testimony in support of this measure from the City and County of Honolulu Department of Environmental Services. Your Committees received comments on this measure from the Office of Hawaiian Affairs and Agribusiness Development Corporation.

Your Committees find that recycled water is a quality source for irrigating agricultural lands and can be used for the irrigation of food crops. Your Committees further find that the State is working with the City and County of Honolulu and Office of Hawaiian Affairs to divert 1,600,000 gallons of R-1 water from the Wahiawa Wastewater Treatment Plant for local farmers to use for irrigation. Your Committees believe that diverting the R-1 water will support local food production, revitalize the Wahiawa Reservoir, and encourage economic development in Wahiawa town. Your Committees therefore find that this measure requests that the City and County of Honolulu and Office of Hawaiian Affairs finalize memorandums of understanding with the Agribusiness Development Corporation to divert R-1 water from the Wahiawa Wastewater Treatment Plant.

Your Committees have amended this measure by:

- Requesting that the Agribusiness Development Corporation finalize the route of its transmission line from the Wahiawa Wastewater Treatment Plant;
- (2) Encouraging the Agribusiness Development Corporation and Office of Hawaiian Affairs to finalize easement discussions, if appropriate;
- (3) Removing language that would have requested that the Office of Hawaiian Affairs finalize a memorandum of understanding with the Agribusiness Development Corporation to provide the Agribusiness Development Corporation with an easement;
- (4) Updating the title; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Hawaiian Affairs and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 170, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 170, S.D. 1.

Signed by the Chairs on behalf of the Committees. Hawaiian Affairs: Ayes, 4. Noes, none. Excused, 1 (Fevella). Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Rhoads, Fevella).

# SCRep. 1745 (Joint) Hawaiian Affairs and Commerce, Consumer Protection, and Health on S.C.R. No. 103

The purpose and intent of this measure is to urge the inclusion of Native Hawaiian cultural intervention treatment programs, wellness plans, and holistic living systems of care in the State's response to the rise of misuse and abuse of opioids or illicit substances in Hawaii.

Your Committees received testimony in support of this measure from the Department of Health, Office of Hawaiian Affairs, Ali'i Pauahi Hawaiian Civic Club, Living Life Source Foundation, Council for Native Hawaiian Advancement, Papa Ola Lōkahi, Drug Policy Forum of Hawaii, a petition signed by over sixty-five individuals, and eight individuals.

Your Committees find that substance misuse and substance use disorders cost the United States more than \$442,000,000,000 annually in crime, health care, and lost productivity. Studies show that risk factors, such as poverty, personal trauma, and cultural trauma, tend to be associated with increased rates of substance abuse. Your Committees further find that the Department of Health Alcohol and Drug Abuse Division has received national and international recognition in integrating holistic treatment systems, including those that support Native Hawaiian cultural programs. However, the Hawaii State Opioid Action Plan does not include cultural treatment programs as a primary focus, and the State's Opioid Initiative membership does not include advocates for Native Hawaiians and Native Hawaiian programs. Your Committees therefore find that this measure urges the inclusion of Native Hawaiian cultural intervention treatment programs, wellness plans, and holistic living systems of care in the State's response to the rise of misuse and abuse of opioid or illicit substances in Hawaii.

As affirmed by the records of votes of the members of your Committees on Hawaiian Affairs and Commerce, Consumer Protection, and Health that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 103 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Hawaiian Affairs: Ayes, 3. Noes, none. Excused, 2 (Ihara, Fevella). Commerce, Consumer Protection, and Health: Ayes, 4. Noes, none. Excused, 3 (Chang, Nishihara, Fevella).

#### SCRep. 1746 (Joint) Hawaiian Affairs and Judiciary on S.C.R. No. 204

The purpose and intent of this measure is to urge the establishment of a Native Hawaiian intellectual property task force to develop a sui generis legal system to recognize and protect Native Hawaiian cultural intellectual property, traditional cultural expressions, and genetic resources.

Your Committees received testimony in support of this measure from the O'ahu County Democrats Legislative Priorities Committee and two individuals. Your Committees received comments on this measure from the Office of Hawaiian Affairs.

Your Committees find the Native Hawaiian people's collective intellectual property rights are based upon the traditional, cultural knowledge developed over thousands of years and passed down from generation to generation and includes ka 'ōlelo Hawai'i, hula, mele, mo'olelo, lei making, kapa making, kākau, weaving, feather work, carving, and wayfinding. However, your Committees find the western intellectual property system was developed to protect the rights of creators and inventors and was not developed to protect the rights of indigenous peoples to their collective, traditional knowledge, cultural expressions, and art forms. Other indigenous peoples have developed strategies and sui generis legal frameworks or systems to protect their collective intellectual property rights and knowledge, including the Indian Arts and Crafts Board and the Toi Iho registered trademark for Maori art and artists. Your Committees find that this measure urges the establishment of a task force to develop a sui generis legal system to recognize and protect Native Hawaiian cultural intellectual property, traditional cultural expressions, and genetic resources.

As affirmed by the records of votes of the members of your Committees on Hawaiian Affairs and Judiciary that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 204 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Hawaiian Affairs: Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella). Judiciary: Ayes, 4. Noes, none. Excused, 1 (Kim).

#### SCRep. 1747 (Joint) Hawaiian Affairs and Judiciary on S.R. No. 164

The purpose and intent of this measure is to urge the establishment of a Native Hawaiian intellectual property task force to develop a sui generis legal system to recognize and protect Native Hawaiian cultural intellectual property, traditional cultural expressions, and genetic resources.

Your Committees received testimony in support of this measure from the O'ahu County Democrats Legislative Priorities Committee, Ho'omanapono Political Action Committee, and one individual. Your Committees received comments on this measure from the Office of Hawaiian Affairs.

Your Committees find the Native Hawaiian people's collective intellectual property rights are based upon the traditional, cultural knowledge developed over thousands of years and passed down from generation to generation and includes ka 'ōlelo Hawai'i, hula, mele, mo'olelo, lei making, kapa making, kākau, weaving, feather work, carving, and wayfinding. However, your Committees find the western intellectual property system was developed to protect the rights of creators and inventors and was not developed to protect the rights of indigenous peoples to their collective, traditional knowledge, cultural expressions, and art forms. Other indigenous peoples have developed strategies and sui generis legal frameworks or systems to protect their collective intellectual property rights and knowledge, including the Indian Arts and Crafts Board and the Toi Iho registered trademark for Maori art and artists. Your Committees find that this measure urges the establishment of a task force to develop a sui generis legal system to recognize and protect Native Hawaiian cultural intellectual property, traditional cultural expressions, and genetic resources.

As affirmed by the records of votes of the members of your Committees on Hawaiian Affairs and Judiciary that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 164 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Hawaiian Affairs: Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella). Judiciary: Ayes, 4. Noes, none. Excused, 1 (Kim).

# SCRep. 1748 Transportation on S.C.R. No. 133

The purpose and intent of this measure is to request the Department of Transportation, in consultation with various public and private stakeholders to conduct a study on the need for and feasibility of a ferry service between Aloha Tower Marketplace and Sand Island State Recreation Area.

Prior to the hearing on this measure, your Committee made available for public review a proposed S.D. 1, which deletes its contents and inserts language:

- (1) Requesting the Harbors Division of the Department of Transportation to:
  - (A) Inform the maritime community about its heavy weather and hurricane plan and assist the maritime community in fulfilling the necessary procedures to submit a complete application for a heavy weather and hurricane plan;
  - (B) Conduct informational meetings on the islands of Hawaii, Kauai, Maui, and Oahu regarding the necessary procedures to be taken in preparation of a storm; and

- (C) Submit to the Legislature no later than twenty days prior to the convening of the Regular Session of 2020, a list of vessels that have submitted a maritime heavy weather and hurricane plan application; and
- (2) Changing its title in accordance with its amended purpose.

Your Committee received testimony in support of the proposed S.D. 1 from the Department of Transportation, Calypso Charters, Passenger Vessel Association, and PacWhale Eco Adventures.

Your Committee finds that the State's well-being is dependent on the efficient administration, development, management, and operation of its ten commercial harbors and commercial maritime infrastructure. Hawaii's isolated island geography emphasizes the significance of ocean cargo transport as the lifeline and only viable means to serve and support every facet of the local economy. Your Committee further finds that being able to return the commercial harbors to normal operating conditions after a storm is vital to the survival of the community and critical in any storm recovery. Your Committee believes that it is important to ensure the protection of all crucial harbor facilities, while also guaranteeing the safety of all during abnormal weather conditions.

Your Committee has amended this measure by adopting the proposed S.D. 1.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 133, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 133, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

#### SCRep. 1749 Transportation on S.R. No. 102

The purpose and intent of this measure is to request the Department of Transportation, in consultation with various public and private stakeholders to conduct a study on the need for and feasibility of a ferry service between Aloha Tower Marketplace and Sand Island State Recreation Area.

Prior to the hearing on this measure, your Committee made available for public review a proposed S.D. 1, which deletes its contents and inserts language:

- (1) Requesting the Harbors Division of the Department of Transportation to:
  - (A) Inform the maritime community about its heavy weather and hurricane plan and assist the maritime community in fulfilling the necessary procedures to submit a complete application for a heavy weather and hurricane plan;
  - (B) Conduct informational meetings on the islands of Hawaii, Kauai, Maui, and Oahu regarding the necessary procedures to be taken in preparation of a storm; and
  - (C) Submit to the Legislature no later than twenty days prior to the convening of the Regular Session of 2020, a list of vessels that have submitted a maritime heavy weather and hurricane plan application; and
- (2) Changing its title in accordance with its amended purpose.

Your Committee received testimony in support of the proposed S.D. 1 from the Department of Transportation, PacWhale Eco Adventures, and one individual.

Your Committee finds that the State's well-being is dependent on the efficient administration, development, management, and operation of its ten commercial harbors and commercial maritime infrastructure. Hawaii's isolated island geography emphasizes the significance of ocean cargo transport as the lifeline and only viable means to serve and support every facet of the local economy. Your Committee further finds that being able to return the commercial harbors to normal operating conditions after a storm is vital to the survival of the community and critical in any storm recovery. Your Committee believes that it is important to ensure the protection of all crucial harbor facilities, while also guaranteeing the safety of all during abnormal weather conditions.

Your Committee has amended this measure by adopting the proposed S.D. 1.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 102, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 102, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

# SCRep. 1750 (Joint) Commerce, Consumer Protection, and Health and Human Services and Education on S.C.R. No. 99

The purpose and intent of this measure is to request the Department of Health, Department of Human Services, and Department of Education to convene an interdepartmental working group to address the lack of consolidated, consistent health screening programs in public schools for children in the State.

Your Committees received testimony in support of this measure from the Department of Education, Department of Human Services, University of Hawai'i System, Project Vision Hawai'i, and one individual. Your Committees received comments on this measure from the Legislative Reference Bureau.

Your Committees find that chronic absenteeism, poor health, and delayed or limited access to health care and preventive health services continue to hinder students' academic success. A significant gap in the current Hawaii health care system exists for effective awareness, diagnosis, and treatment of common health conditions for school-aged children, such as vision, oral, or behavioral health issues. School based health programs and services provided to public school children through a network of school-community

partnerships are an effective means to screen school aged children for common health issues and achieve better health outcomes for Hawaii's public school students. The Departments of Health and Human Services have already identified the extent of services provided within each department that are targeted to public school children and the need to coordinate internal departmental activity and cross-departmental efforts to develop sustainable school based health services, and your Committees find that this measure continues these efforts.

Your Committees have amended this measure by:

- (1) Specifying that the Department of Health is requested to convene the working group;
- (2) Amending the membership of the working group to include the Hawaii Lions Foundation;
- (3) Clarifying that the Legislative Reference Bureau is requested to assist only with finalizing the working group's report and drafting proposed legislation;
- (4) Requesting the working group to submit its draft report to the Legislative Reference Bureau no later than September 1, 2019;
- (5) Amending its title to reflect its amended purpose; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health, Human Services, and Education that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 99, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 99, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 7. Noes, none. Excused, none.

Human Services: Ayes, 4. Noes, none. Excused, 1 (Ihara).

Education: Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 1751 (Joint) Commerce, Consumer Protection, and Health and Human Services on S.C.R. No. 38

The purpose and intent of this measure is to urge restaurants to donate any leftover food to homeless shelters at the end of their business day.

Your Committees received testimony in support of this measure from the Hawai'i Restaurant Association and four individuals. Your Committees received testimony in opposition to this measure from the Department of Health.

Your Committees find that a single restaurant in the United States wastes thousands of pounds of food a year. At the same time, food waste is a serious environmental problem and many of Hawaii's food drives need food donations to feed the needy. Your Committees further find that lack of knowledge on how to donate food safely and fear of being held liable for any health problems that result from donated food may make some restaurants unwilling to donate.

Your Committees have amended this measure by:

- Updating the findings to note that since certain procedures must be followed for temperature controlled for safety foods, guidelines would help encourage compliance and food donation;
- (2) Requesting the Department of Health to develop general guidelines on best practices for safely donating temperature controlled for safety foods and disseminate these guidelines to the Hawaii Restaurant Association and appropriate Department of Health permit holders;
- (3) Requesting the Department of Health to submit a progress report on the guideline creation and dissemination prior to the Regular Session of 2020;
- (4) Updating the title to reflect its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Human Services that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 38, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 38, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Fevella).

Human Services: Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1752 (Joint) Commerce, Consumer Protection, and Health and Human Services on S.R. No. 26

The purpose and intent of this measure is to urge restaurants to donate any leftover food to homeless shelters at the end of their business day.

Your Committees received testimony in support of this measure from the Hawai'i Restaurant Association.

Your Committees find that a single restaurant in the United States wastes thousands of pounds of food a year. At the same time, food waste is a serious environmental problem and many of Hawaii's food drives need food donations to feed the needy. Your Committees further find that lack of knowledge on how to donate food safely and fear of being held liable for any health problems that result from donated food may make some restaurants unwilling to donate.

Your Committees have amended this measure by:

- (1) Updating the findings to note that since certain procedures must be followed for temperature controlled for safety foods, guidelines would help encourage compliance and food donation;
- (2) Requesting the Department of Health to develop general guidelines on best practices for safely donating temperature controlled for safety foods and disseminate these guidelines to the Hawaii Restaurant Association and appropriate Department of Health permit holders;
- (3) Requesting the Department of Health to submit a progress report on the guideline creation and dissemination prior to the Regular Session of 2020;
- (4) Updating the title to reflect its amended purpose; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Human Services that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 26, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 26, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Fevella).

Human Services: Ayes, 4. Noes, none. Excused, 1 (Fevella).

## SCRep. 1753 Labor, Culture and the Arts on S.C.R. No. 47

The purpose and intent of this measure is to recognize Volunteer Week in Hawaii.

Your Committee received testimony in support of this measure from Kanu Hawaii, Impact Hub HNL, Hawaii Foodbank, Olelo Community Media, and three individuals.

Your Committee finds that President Richard Nixon issued Presidential Proclamation 4288 in 1974, designating the first National Volunteer Week to recognize and encourage people to engage in their community through volunteer service. This measure recognizes Volunteer Week in Hawaii in conjunction with the observance of National Volunteer Week.

Your Committee has amended this measure by clarifying that the Legislature rather than just the Senate recognizes Volunteer Week in Hawaii.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 47, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 47, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1754 Labor, Culture and the Arts on S.R. No. 33

The purpose and intent of this measure is to recognize Volunteer Week in Hawaii.

Your Committee received testimony in support of this measure from Kanu Hawaii and Hawaii Foodbank.

Your Committee finds that President Richard Nixon issued Presidential Proclamation 4288 in 1974, designating the first National Volunteer Week to recognize and encourage people to engage in their community through volunteer service. This measure recognizes Volunteer Week in Hawaii in conjunction with the observance of National Volunteer Week.

Your Committee has amended this measure by making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 33, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 33, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1755 (Joint) Labor, Culture and the Arts and Agriculture and Environment on S.C.R. No. 134

The purpose and intent of this measure is to request the Department of Labor and Industrial Relations, in collaboration with the Department of Agriculture, to submit a report determining a living wage standard for agricultural workers living in the State.

Your Committees received testimony in support of this measure from the Hawaii Farmers Union, Hawaii Farmers Union United, Lokoea Farms, Maui Farmers Union United, and fourteen individuals. Your Committees received testimony in opposition to this measure from Shrimp Improvement Systems, LLC. Your Committees received comments on this measure from the Department of Labor and Industrial Relations, Department of Agriculture, and Society for Human Resources Management Hawaii.

Your Committees find that a "living wage" is defined as a wage sufficient to provide the necessities and comforts essential to an acceptable standard of living. Your Committees further find that agricultural workers employed in the State earn wages less than other states and their wages are below living wage standards. According to the Massachusetts Institute of Technology, an hourly wage of \$15.73 is considered livable in the State of Hawaii. The shortage of agricultural workers has posed a significant challenge to the Governor's Sustainable Hawaii Initiative, which plans on doubling local food production by 2020 and additionally, in the long term, to locally produce twenty percent of food by 2050 under the 2050 Sustainability Plan. Increasing the wages earned by agricultural workers will incentivize individuals to pursue an occupation in the agricultural workforce. Competitive wages in the agriculture sector

will contribute in the retention of skilled individuals. Determining the living wage standard for agricultural workers living in the State will assist with any decision-making on increasing the wages for agricultural workers and attracting a new generation of agricultural workers in the State.

Your Committees have amended this measure by:

- (1) Including the Department of Business, Economic Development, and Tourism as one of the agencies the Department of Labor and Industrial Relations shall collaborate with in determining a living wage standard for agricultural workers living in the State; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Labor, Culture and the Arts and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 134, as amended herein, and recommend its adoption in the form attached hereto as S.C.R. No. 134, S.D. 1.

Signed by the Chairs on behalf of the Committees. Labor, Culture and the Arts: Ayes, 4. Noes, none. Excused, 1 (Chang). Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Ruderman).

# SCRep. 1756 (Joint) Labor, Culture and the Arts and Agriculture and Environment on S.R. No. 103

The purpose and intent of this measure is to request the Department of Labor and Industrial Relations, in collaboration with the Department of Agriculture, to submit a report determining a living wage standard for agricultural workers living in the State.

Your Committees received testimony in support of this measure from two individuals. Your Committees received testimony in opposition to this measure from Shrimp Improvement Systems, LLC. Your Committees received comments on this measure from the Department of Labor and Industrial Relations and Society for Human Resources Management Hawaii.

Your Committees find that a "living wage" is defined as a wage sufficient to provide the necessities and comforts essential to an acceptable standard of living. Your Committees further find that agricultural workers employed in the State earn wages less than other states and their wages are below living wage standards. According to the Massachusetts Institute of Technology, an hourly wage of \$15.73 is considered livable in the State of Hawaii. The shortage of agricultural workers has posed a significant challenge to the Governor's Sustainable Hawai'i Initiative, which plans on doubling local food production by 2020 and additionally, in the long term, to locally produce twenty percent of food by 2050 under the 2050 Sustainability Plan. Increasing the wages earned by agricultural workers will incentivize individuals to pursue an occupation in the agricultural workforce. Competitive wages in the agriculture sector will contribute in the retention of skilled individuals. Determining the living wage standard for agricultural workers living in the State will assist with any decision-making on increasing the wages for agricultural workers and attracting a new generation of agricultural workers in the State.

Your Committees have amended this measure by:

- (1) Including the Department of Business, Economic Development, and Tourism as one of the agencies the Department of Labor and Industrial Relations shall collaborate with in determining a living wage standard for agricultural workers living in the State; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Labor, Culture and the Arts and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 103, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 103, S.D. 1.

Signed by the Chairs on behalf of the Committees. Labor, Culture and the Arts: Ayes, 4. Noes, none. Excused, 1 (Chang). Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Ruderman).

# SCRep. 1757 Labor, Culture and the Arts on S.C.R. No. 161

The purpose and intent of this measure is to:

- (1) Recognize the fiftieth anniversary of the Apollo 11 lunar landing at Tranquility Base by designating July 20, 2019, as "Tranquility Base Day" in Hawaii; and
- (2) Urge the United Nations Educational, Scientific and Cultural Organization (UNESCO) to include Tranquility Base and associated artifacts on the UNESCO World Heritage List.

Your Committee received testimony in support of this measure from the Office of Aerospace Development, University of Hawai'i System, and Pacific International Space Center for Exploration.

Your Committee finds that the Apollo 11 lunar landing is one of the most significant technological advancements in history, representing the first time a human stepped foot on another celestial surface. The first human landing at Tranquility Base represented the combined efforts and contributions of thousands of scientists, engineers, and researchers from many nations and states, including Hawaii. Hawaii's important role in the Apollo program is represented by numerous facilities and programs statewide, support of the recovery of the astronauts and the command module spacecraft returning from the moon, and Hawaii's unique geological landscape that was essential for the training of the Apollo 11 astronauts. The legacy of the Apollo 11 mission and Hawaii's contributions are worthy of recognition and will inspire the next generation of space scientists, engineers, and researchers who will pioneer the future frontiers of space.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 161 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

## SCRep. 1758 Labor, Culture and the Arts on S.R. No. 127

The purpose and intent of this measure is to:

- (1) Recognize the fiftieth anniversary of the Apollo 11 lunar landing at Tranquility Base by designating July 20, 2019, as "Tranquility Base Day" in Hawaii; and
- (2) Urge the United Nations Educational, Scientific and Cultural Organization (UNESCO) to include Tranquility Base and associated artifacts on the UNESCO World Heritage List.

Your Committee received testimony in support of this measure from the Office of Aerospace Development, University of Hawai'i System, and Pacific International Space Center for Exploration.

Your Committee finds that the Apollo 11 lunar landing is one of the most significant technological advancements in history, representing the first time a human stepped foot on another celestial surface. The first human landing at Tranquility Base represented the combined efforts and contributions of thousands of scientists, engineers, and researchers from many nations and states, including Hawaii. Hawaii's important role in the Apollo program is represented by numerous facilities and programs statewide, support of the recovery of the astronauts and the command module spacecraft returning from the moon, and Hawaii's unique geological landscape that was essential for the training of the Apollo 11 astronauts. The legacy of the Apollo 11 mission and Hawaii's contributions are worthy of recognition and will inspire the next generation of space scientists, engineers, and researchers who will pioneer the future frontiers of space.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 127 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1759 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 584

Recommending that the Senate advise and consent to the nomination of the following:

## CRIME VICTIM COMPENSATION COMMISSION

G.M. No. 584 CLIFTON CHOY, for a term to expire 06-30-2023

Your Committee reviewed the resume submitted by Clifton Choy for service on the Crime Victim Compensation Commission.

Your Committee received testimony in support of the nomination for the appointment of Clifton Choy from the Department of Public Safety, Crime Victim Compensation Commission, and two individuals.

Your Committee finds that Mr. Choy earned his Bachelor of Arts in sociology from Chaminade University. Mr. Choy's educational training also includes post-graduate courses in social work at the University of Hawaii, and multiple trainings, workshops, and conferences related to crime victim services.

Mr. Choy has twenty-eight years of experience working with victims and their families through the City and County of Honolulu Department of the Prosecuting Attorney, Victim Witness Assistance Division. Mr. Choy started as a Victim Witness Advocate and worked his way up to become a Victim Advocate Supervisor. He has worked with victims in every branch of Victim Witness Kokua Services, including misdemeanors and felony cases. Mr. Choy has made a positive difference in the lives of many victims by assisting and guiding them as their cases moved through the criminal justice system.

Your Committee further finds that Mr. Choy is well-qualified to serve on the Crime Victim Compensation Commission and his background and past experiences will be invaluable to the Commission's efforts to provide equitable and efficient services to Hawaii's violent-crime victims.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella).

# SCRep. 1760 Labor, Culture and the Arts on Gov. Msg. No. 641

Recommending that the Senate advise and consent to the nomination of the following:

# HAWAI'I WORKFORCE DEVELOPMENT COUNCIL

G.M. No. 641 EDWARD RICHARDSON, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Major General Edward Richardson for service on the Hawai'i Workforce Development Council.

Your Committee received testimony in support of the nomination for the reappointment of Major General Richardson from the Workforce Development Council, Chamber of Commerce Hawaii, and one individual.

Your Committee finds that Major General Richardson served as the Adjutant General of the State of Hawaii, Military Commander of the Hawaii Army and Air National Guard, and Director of the State Civil Defense. Your Committee notes that Major General Richardson served on the Hawaiii Workforce Development Council and was an active member of the Board, having served as Chair of the Military and Veteran Affairs Committee and member of the Executive Committee. The Military and Veteran Affairs Committee has been focused on discussing ways to develop a transition program for outgoing veterans so that they can more smoothly move into Hawaii's workforce. According to his own testimony, Major General Richardson believes that he can help the Hawaii's Workforce Development Council work collaboratively with the Chamber of Commerce Hawaii's Military Affairs Council and transition offices from various services to support veterans and find them suitable employment. Based on his leadership skills, knowledge, experience, military background, and commitment to public service and veterans, your Committee finds that Major General Richardson will continue to be an asset to the Hawai'i Workforce Development Council.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1761 Labor, Culture and the Arts on Gov. Msg. No. 648

Recommending that the Senate advise and consent to the nomination of the following:

## HOISTING MACHINE OPERATORS ADVISORY BOARD

G.M. No. 648 JOHN MIHLBAUER, JR., for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by John Mihlbauer, Jr., for service on the Hoisting Machine Operators Advisory Board.

Your Committee did not receive any testimony on this nomination for reappointment.

Your Committee finds that Mr. Mihlbauer, Jr., has over thirty years of experience as a licensed mechanical engineer. Mr. Mihlbauer, Jr., currently is the President, Owner, and Principal Surveyor of All Ship & Cargo Surveys, Ltd., a marine survey business that has conducted over four thousand crane inspections. Previously, Mr. Mihlbauer, Jr., was a United States Army Corps of Engineers Program Manager, responsible for planning and programming design and construction projects to support the Marshall Islands and the Pacific. Mr. Mihlbauer, Jr., serves the community as a Sub-Committee Chair of the American Society of Mechanical Engineers (ASME) B30.24 Standards Committee, Container Cranes, and Sub-Committee member of ASME B30.8 Standards Committee, Floating Cranes and Derricks. Your Committee further finds that Mr. Mihlbauer, Jr.'s experience in conducting inspections of cranes, as well as his proven leadership, continue to be assets to the Hoisting Machine Operators Advisory Board.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1762 Labor, Culture and the Arts on Gov. Msg. No. 670

Recommending that the Senate advise and consent to the nomination of the following:

# STATE FOUNDATION ON CULTURE AND THE ARTS COMMISSION

G.M. No. 670 LLOYD UNEBASAMI, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Lloyd Unebasami for service on the State Foundation on Culture and the Arts Commission.

Your Committee received testimony in support of the nomination for the appointment of Mr. Unebasami from the State Foundation on Culture and the Arts.

Your Committee finds that Mr. Unebasami has over twenty-five years of experience in Hawaii's government administration and finance, serving as Director of Finance for the Research Corporation for the University of Hawaii; Interim President, Chief Executive Officer, and Chief Administrative Officer for the Hawaii Tourism Authority; Administrator for the State Procurement Office; Deputy Comptroller for the Department of Accounting and General Services; Deputy Director for the Department of Taxation; and Administrative Services Officer for the Hawaii Community Development Authority. Mr. Unebasami has enjoyed music throughout his life and participated in many of Hawaii's most distinguished school bands and music programs, including the Hawaii Youth Symphony and the University of Hawaii band. Your Committee finds that Mr. Unebasami's experience and passion for the arts will be great assets to the State Foundation on Culture and the Arts Commission.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1763 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. Nos. 567 and 568

Recommending that the Senate advise and consent to the nominations of the following:

## REENTRY COMMISSION

G.M. No. 567 NORIKO NAMIKI, for a term to expire 06-30-2019; and

G.M. No. 568 NORIKO NAMIKI, for a term to expire 06-30-2023

Your Committee reviewed the resume submitted by Noriko Namiki for service on the Reentry Commission.

Your Committee received testimony in support of the nomination for the appointment and reappointment of Noriko Namiki from the Department of Public Safety, Office of Hawaiian Affairs, and two individuals.

Ms. Namiki earned her Master's in Social Work from Columbia University and her Bachelor of Arts in Communications from Chaminade University. Ms. Namiki's educational training also includes participating in the Weinberg Fellows Program in Honolulu and the Stanford Executive Program in Social Entrepreneurship in California.

Ms. Namiki currently serves as the Chief Executive Officer of YWCA Oʻahu where she manages over one hundred fifty employees and volunteers and oversees the organization's financials, including an annual budget of \$4,600,000. Ms. Namiki's previous employment includes serving as the Chief Communications Officer of YWCA Oʻahu and as an ABC News Producer for Honolulu and Tokyo. Ms. Namiki has also served as a volunteer for multiple organizations and is a member of the Honolulu Japanese Chamber of Commerce and the Organization of Women Leaders Honolulu, among other organizations.

Your Committee further finds that Ms. Namiki's education and past experiences, in the field of social work and in the non-profit sector in particular, make her well-qualified to serve on the Reentry Commission.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella).

#### SCRep. 1764 Ways and Means on H.B. No. 618

The purpose and intent of this measure is to establish a repair and maintenance special fund within the Department of Budget and Finance and appropriate funds therefor to fund the repair and maintenance of various department facilities.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that the State has deferred maintenance needs that will cost billions of dollars. A special fund dedicated to repair and maintenance that cannot be expended for salaries, cost adjustments, and other costs, will help to ensure that the repair and maintenance of the State's facilities are more adequately funded.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 618, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

## SCRep. 1765 Ways and Means on H.B. No. 158

The purpose and intent of this measure is to specify requirements for contractors and subcontractors to pay laborers and mechanics employed for government service contracts.

Specifically, with regard to contracts to perform services in excess of \$25,000 for any governmental agency, this measure:

- (1) Requires that mechanics and laborers be paid unconditionally and not less than once per week without deduction or rebate;
- (2) Requires that contractors provide laborers and mechanics with the rates of wages, except for where there is a collective bargaining agreement;
- Authorizes governmental contracting agencies to withhold payments from contractors for amounts owed to laborers and mechanics;
- (4) Requires that certified copies of payrolls be submitted weekly to the governmental contracting agency for review;
- (5) Subjects the contractor to penalties for failure to comply with the statute; and
- (6) Establishes administration and enforcement provisions for the certification of payrolls.

Your Committee received written comments in support of this measure from the Hawaii Laborers-Employers Cooperation and Education Trust; Pacific Resource Partnership; Hawaii Regional Council of Carpenters; Landscape Association of Hawaii; Hawaii Construction Alliance; and Hawaii Laborer's Union, Local 368.

Your Committee received comments on this measure from the Department of Accounting and General Services and Department of Labor and Industrial Relations.

Your Committee finds this measure establishes safeguards to ensure that certain workers on government service contracts will be properly paid for their work under the contract.

Your Committee has amended this measure by:

- (1) Deleting the requirement that the contractor or subcontractor fully pay mechanic and laborers once per week and without deduction or rebate:
- (2) Requiring that any payroll certification discrepancy be reported to the agency director instead of the Director of Labor and Industrial Relations;
- (3) Deleting the requirement that the contractor make payroll records available for examination to the Director of Labor and Industrial Relations, but retaining provisions that the records be made available to a governmental contracting agency or authorized representative thereof;
- (4) Deleting provisions that impose a penalty on a contractor who fails to comply with the requirements of the section;
- (5) Requiring that, for contracts for services performed by laborers and mechanics, the governmental contracting agency pay or take certain actions to cause the contractor to pay laborers and mechanics; and
- (6) Making technical nonsubstantive amendments for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 158, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 158, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

#### SCRep. 1766 Ways and Means on H.B. No. 532

The purpose and intent of this measure is to establish the Chief Data Officer position and Data Task Force within the Office of Enterprise Technology Services to facilitate the sharing of data across state agencies.

Your Committee received written comments in support of this measure from the Department of Education, Department of Labor and Industrial Relations, Office of Information Practices, Office of Enterprise Technology Services, Ulupono Initiative, Civil Beat Law Center for the Public Interest, Transform Hawaii Government, and Oahu County Democrats Legislative Priorities Committee.

Your Committee finds that establishing a single position responsible for statewide data management and a task force to establish data policies will help to standardize the sharing of data among agencies, increase government transparency, and promote data-driven government policies.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 532, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 532, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

#### SCRep. 1767 Ways and Means on H.B. No. 1319

The purpose and intent of this measure is to authorize the Department of Budget and Finance to issue special purpose revenue bonds for the purpose of assisting Hawaiian Electric Company, Inc., including its subsidiaries Maui Electric Company, Limited, and Hawaii Electric Light Company, Inc., for capital improvement projects.

Your Committee received written comments in support of this measure from Hawaiian Electric Company, Inc., and Ulupono Initiative.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that assisting the Hawaiian Electric Company's efforts to finance multi-project capital improvement projects will facilitate the production, storage, and provision of renewable energy in the State.

Your Committee has amended this measure by:

- (1) Changing the special purpose revenue bond authorization amount to an unspecified sum;
- (2) Changing the distribution amounts of the special purpose revenue bonds issued pursuant to this measure to unspecified sums;
- (3) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1319, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1319, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro)

#### SCRep. 1768 Commerce, Consumer Protection, and Health on H.B. No. 764

The purpose and intent of this measure is to clarify that the requirement for a motor vehicle insurer to maintain a complete sales and claims service office does not apply to the County of Kalawao.

Your Committee received testimony in support of this measure from the Hawaii Insurers Council and State Farm Insurance Company.

Your Committee finds that under existing law, motor vehicle insurers must maintain a "brick and mortar" sales and claims service office in the State, although licensed producers of motor vehicle insurers are able to satisfy this requirement by establishing and maintaining a sales and claims office in every county in which the insurer does business. However, when this exception to the complete sales and claims office requirement was passed, the County of Kalawao was not excluded. Your Committee notes that the County of Kalawao is the smallest county in the country. There are no driver's licenses issued by the county and, due to the limited number of vehicles, no insurance agent offices. Requiring a sales and claims agent in the County of Kalawao is therefore an unnecessary expense with no benefit. Accordingly, this measure excludes the County of Kalawao from the complete sales and claims office requirement and the county office exception under the State's motor vehicle insurance code.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 764, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Keohokalole, Fevella).

#### SCRep. 1769 Ways and Means on H.B. No. 114

The purpose and intent of this measure is to repeal section 235-103, Hawaii Revised Statutes, which pertains to income tax law and is redundant to provisions of section 231-3.1, Hawaii Revised Statutes, and thus unnecessary.

Your Committee received comments on this measure from the Department of Taxation and Tax Foundation of Hawaii.

Your Committee finds that section 235-103, Hawaii Revised Statutes, which allows the Department of Taxation to determine the tax due on transactions for goods sold at less than fair market value, is redundant because section 231-3.1, Hawaii Revised Statutes, provides that consideration paid is not indicative of fair market value and applies to all taxes.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 114, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

#### SCRep. 1770 Ways and Means on H.B. No. 122

The purpose and intent of this measure is to abolish the juvenile accountability block grant trust fund as recommended by the Auditor in Auditor's Report No. 18-11.

Your Committee received comments on this measure from the Tax Foundation of Hawaii.

Your Committee finds that the juvenile accountability block grant trust fund no longer serves the purpose for which it was created and thus should be abolished.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 122, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

# SCRep. 1771 (Majority) Ways and Means on H.B. No. 1394

The purpose and intent of this measure is to authorize any county with a population equal to or less than five hundred thousand that adopts a county surcharge on state tax ordinance to expend the surcharge revenues to address infrastructure and public safety needs.

Your Committee received testimony in support of this measure from the County of Hawaii, Office of the Mayor of the County of Hawaii, Hawaii County Council, Office of the Mayor of the County of Kauai, and Building Industry Association of Hawaii.

Your Committee received testimony in opposition to this measure from the Hawaii Association of REALTORS.

Your Committee received comments on this measure from the League of Women Voters of Hawaii and Tax Foundation of Hawaii.

Your Committee finds that this measure would provide more flexibility to counties with smaller populations in the use of revenues generated from their surcharges on the state general excise tax and use tax.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1394, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1394, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, 2 (Moriwaki, Riviere). Excused, 1 (Shimabukuro).

#### SCRep. 1772 Commerce, Consumer Protection, and Health on H.B. No. 898

The purpose and intent of this measure is to abolish the Board of Health.

Your Committee received testimony in support of this measure from Department of Health.

Your Committee finds that the Board of Health was established to be an advisory board for the Director of Health. However, the Board's role has been made redundant by the evolution of state and federal regulations, community standards of practice, grant guidance, and legislative oversight. Your Committee notes that the Board of Health has been vacant for the past several years. Your Committee further finds that abolishing the Board of Health would more accurately reflect the reality of decision making at the Department of Health and would reduce the administrative burden on the Department.

Your Committee has amended this measure by:

- (1) Inserting a purpose section; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 898, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 898, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 6; Ayes with Reservations (Thielen). Noes, none. Excused, 1 (Fevella).

## SCRep. 1773 Commerce, Consumer Protection, and Health on H.B. No. 252

The purpose and intent of this measure is to establish a provisional license for speech pathologists.

Your Committee received testimony in support of this measure from the Board of Speech Pathology and Audiology, Healthcare Association of Hawaii, Hawaii Speech-Language-Hearing Association, and fifteen individuals.

Your Committee finds that Hawaii is experiencing a shortage of speech-language pathologists and is one of the few states that do not provide a provisional license to clinical fellows who are transitioning from speech-language pathology students to providers. Provisional licenses are important because speech-language pathologists must complete a clinical fellowship for one year to obtain their Certificate of Clinical Competence. Without a provisional license, speech-language pathology fellows cannot bill Medicare and some other insurance providers for patient services provided under direct supervision of a licensed speech-language pathologist. This results in fewer Hawaii-based opportunities for fellows, who then often go to the mainland for their training. This measure will provide more opportunities in Hawaii for speech-language pathology students to get training and help increase access to needed services.

Your Committee has amended this measure by:

- (1) Clarifying that a licensed speech pathologist must be in good standing with the Board of Speech Pathology and Audiology as a requirement to supervise a provisional licensee; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 252, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 252, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Keohokalole, Thielen).

# SCRep. 1774 Commerce, Consumer Protection, and Health on H.B. No. 273

The purpose and intent of this measure is to establish an exemption for insurers from the required annual privacy notice to customers under certain circumstances.

Your Committee received testimony in support of this measure from the Hawaii Medical Service Association, Kaiser Permanente Hawaii, American Property Casualty Insurance Association, American Council of Life Insurers, and National Association of Mutual Insurance Companies. Your Committee received comments on this measure from the Department of Commerce and Consumer Affairs and State Farm Mutual Automobile Insurance Company.

Your Committee finds that existing law requires an insurer to send annual privacy notice updates to all of its customers in accordance with the federal Gramm-Leach-Bliley Act (GLBA). In 2015, President Obama signed the Fixing America's Surface Transportation Act (FAST Act), which included amendments to the privacy provisions of the GLBA and eliminated the costly and time consuming requirement of the redundant annual privacy notices under certain conditions. So far, at least thirty-two states have adopted provisions under the FAST Act to allow insurers relief from the annual privacy notice requirement. This measure enacts provisions of the FAST Act to remove the annual requirement if an insurer meets certain conditions. This measure also benefits the environment by reducing the number of redundant consumer notices and saves regulators time and effort reviewing and approving superfluous consumer notices.

Your Committee has amended this measure by:

(1) Inserting an effective date of July 1, 2019; and

(2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 273, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 273, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

#### SCRep. 1775 Commerce, Consumer Protection, and Health on H.B. No. 154

The purpose and intent of this measure is to:

- (1) Specify that the regulation of motor vehicle service contracts does not apply to agreements issued by automobile clubs; and
- (2) Clarify that the allowable scope of motor vehicle service contracts regulated by the Insurance Commissioner includes contracts for certain motor vehicle repair and replacement services.

Your Committee received testimony in support of this measure from the Motor Vehicle Protection Products Association. Your Committee received testimony in opposition to this measure from the Department of Commerce and Consumer Affairs. Your Committee received comments on this measure from AAA Hawai'i.

Your Committee finds that service contracts offer consumers benefits not covered under traditional automobile insurance policies or that usually cost less than common automobile insurance policy deductibles. This measure specifies that the regulation of motor vehicle service contracts does not apply to agreements issued by automobile clubs and clarifies the scope of products that may be offered as service contracts, which will promote uniformity.

Your Committee notes the concerns raised in testimony from the Department of Commerce and Consumer Affairs, that this measure exempts agreements issued by automobile clubs from existing law governing service contracts, effectively leaving these agreements without any regulatory oversight. Therefore, amendments to this measure are necessary to address these concerns.

Your Committee has amended this measure by:

- (1) Removing language that would have exempted agreements issued by automobile clubs from applicable law concerning service contracts:
- (2) Deleting the definition of "automobile club";
- (3) Inserting an effective date of July 1, 2019; provided that the substantive provisions of this measure shall be effective July 1, 2020; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 154, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 154, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Keohokalole, Thielen).

#### SCRep. 1776 Commerce, Consumer Protection, and Health on H.B. No. 214

The purpose and intent of this measure is to allow cemetery authorities with a current and active license with the Department of Commerce and Consumer Affairs to disinter and reinter the corpse or remains of a human body within the same cemetery without filing an application for a permit with the Department of Health.

Your Committee received testimony in support of this measure from the Department of Health and Hawaii Funeral and Cemetery Association.

Your Committee finds that it is important for Hawaii to have a disinterment law that clearly establishes the priorities of those persons who may direct a disinterment of a decedent and that permits funeral establishments, cemeteries, mortuaries, and crematories to rely and proceed in good faith on those directions authorized by representatives of the decedent's family. Your Committee notes that the Department of Health and interested stakeholders have had an opportunity to discuss this measure and believe that this measure, in its current form, will streamline the disinterment process and eliminate the burdensome permit requirement.

Your Committee has amended this measure by inserting an effective date of July 1, 2019.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 214, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 214, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Fevella).

## SCRep. 1777 Commerce, Consumer Protection, and Health on H.B. No. 469

The purpose and intent of this measure is to require health insurance policies and contracts issued after December 31, 2019, to provide coverage for the cost of hearing aids for each hearing-impaired ear every thirty-six months.

Your Committee received testimony in support of this measure from the Disability and Communication Access Board and twelve individuals. Your Committee received testimony in opposition to this measure from the Hawaii Medical Service Association. Your Committee received comments on this measure from the Department of the Attorney General, Department of Commerce and Consumer Affairs, Hawaii Employer-Union Health Benefits Trust Fund, and Kaiser Permanente Hawaii.

Your Committee finds that hearing aids are expensive and current insurance coverage is usually minimal. This prevents many individuals and families from obtaining hearing aids that would improve their quality of education, communication abilities, quality of life, and employment opportunities. Your Committee further finds that approximately eighty-five percent of individuals with hearing loss go untreated, which ultimately results in higher health care costs and longer hospitalization, readmissions, and more visits to an emergency room. Your Committee further finds that in 2014, the Auditor submitted a sunrise study on the advisability of mandating insurance coverage for hearing aids, as proposed in S.B. No. 309, S.D. 1, Regular Session of 2013. The 2014 Auditor's report found that most insurance plans in Hawaii already covered or planned to cover the cost of hearing aids by 2015 but expressed concerns that S.B. No. 309, S.D. 1, had no limits on coverage, such as minimum costs covered by insurers or frequency of replacement. This measure includes a minimum amount of coverage and the frequency for replacement of hearing aids under the coverage, and is intended to address the concerns raised in the 2014 Auditor's report. Accordingly, a second impact assessment report is unnecessary.

Your Committee has amended this measure by:

- (1) Deleting references to an employer option with regard to the required coverages;
- (2) Inserting \$1,500 as the minimum benefit per hearing-impaired ear every thirty-six months;
- (3) Clarifying that the coverage required shall not apply to limited benefit health insurance;
- (4) Clarifying that this measure shall be exempt from the Auditor's impact assessment report requirement under section 23-51, Hawaii Revised Statutes;
- (5) Updating the purpose section;
- (6) Inserting an effective date of July 1, 2019; and
- (7) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 469, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 469, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Keohokalole, Thielen).

# SCRep. 1778 Commerce, Consumer Protection, and Health on H.B. No. 658

The purpose and intent of this measure is to include advanced practice registered nurses within certain rules adopted by the Department of Health.

Your Committee received testimony in support of this measure from the American Nurses Association in Hawaii, Hawaii Association of Professional Nurses, Hawaii Health and Harm Reduction Center, and fourteen individuals. Your Committee received comments on this measure from the Department of Health, Hawaii State Center for Nursing, and one individual.

Your Committee finds that advanced practice registered nurses (APRNs) have played an important role in addressing the health care access gap in Hawaii. APRNs have strict certification and licensing requirements and are permitted to work as independent providers, open their own practices, and be leaders in large organizations to help meet the growing needs of Hawaii residents. Your Committee notes that in some circumstances, private and publicly funded programs are required to have oversight by a medical director. However, despite their high level of training and the critical role APRNs play in Hawaii's health care system, APRNs are not included in Department of Health rules that would allow them to serve as medical directors and other medical leadership positions.

While your Committee is in support of exploring the feasibility of APRNs serving as medical directors and in other medical leadership roles, your Committee has concerns with this measure as currently drafted, as it is structurally awkward, lacks a purpose section to provide intent, and creates potential unintended consequences, such as non-compliance with federal requirements. Your Committee finds that consultation among stakeholders and further research are necessary to determine when APRNs should be eligible to serve in medical leadership positions and to produce a tailored measure allowing APRNs to serve as medical directors and similar medical leadership positions while identifying any exceptions, federal regulations, or other circumstances in which that eligibility may be inappropriate.

Accordingly, your Committee has amended this measure by deleting its contents and inserting language to:

- (1) Include a purpose section;
- (2) Establish the advanced practice registered nurse medical leadership working group (working group) to be convened by the Department of Health and chaired by the Director of Health;
- (3) Specify that the working group is to research and make recommendations regarding APRNs' eligibility for medical leadership positions and identify any circumstances where that eligibility may be inappropriate;

- (4) Require the working group to report its findings and any proposed legislation to the Legislature prior to the 2020 Regular Session; and
- (5) Change its effective date to upon approval.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 658, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 658, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Fevella).

# SCRep. 1779 Commerce, Consumer Protection, and Health on H.B. No. 1272

The purpose and intent of this measure is to:

- Authorize pharmacies to accept the return of any prescription drug for disposal via collection receptacles or mail-back programs;
- (2) Prohibit pharmacies from re-dispensing returned prescription drugs or accepting returned prescription drugs in exchange for cash or credit; and
- (3) Require the pharmacist-in-charge to ensure that only authorized reverse distributors acquire prescription drugs collected via collection receptacles or mail-back programs.

Your Committee received testimony in support of this measure from the Department of Public Safety; Alcohol and Drug Abuse Division of the Department of Health; Board of Pharmacy; University of Hawai'i at Hilo, Daniel K. Inouye College of Pharmacy; Hawaii Medical Service Association; Walgreen Co.; Work Injury Medical Association of Hawaii; Hawaii Substance Abuse Coalition; CVS Health; and four individuals.

Your Committee finds that unused medications in households and at various patient care facilities expose residents to potential harm due to mistaken ingestion and increase the potential for theft and assault. Annually, more than seventy-one thousand children under the age of nineteen are admitted to emergency rooms for unintentional overdoses of prescription and over-the-counter drugs. Your Committee further finds that keeping unused opioids or other common drugs of misuse in homes is no longer safe or responsible. Disposal of unwanted, expired, or unnecessary prescription drugs reduces the risk of overdose, prevents unused or unwanted drugs or controlled substances from being diverted to an unintentional user, and avoids contaminating landfills and oceans. This measure helps address the nationwide opioid epidemic and promotes patient safety.

Your Committee has amended this measure by:

- (1) Inserting an effective date of July 1, 2019; and
- (2) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1272, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1272, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Nishihara).

#### SCRep. 1780 (Joint/Majority) Commerce, Consumer Protection, and Health and Judiciary on H.B. No. 664

The purpose and intent of this measure is to clarify that the ban on sexual orientation change efforts applies to conversion therapy practices or treatments that seek to change an individual's sexual orientation or gender identity.

Your Committees received testimony in support of this measure from the Department of Health, Hawai'i Civil Rights Commission, Hawai'i Psychological Association, LGBT Caucus of the Democratic Party of Hawai'i, Keiki Injury Prevention Coalition, Pride at Work Hawaii, Mental Health America of Hawai'i, Planned Parenthood Votes Northwest and Hawaii, and eight individuals. Your Committees received testimony in opposition to this measure from Hawaii Family Forum, National Task Force for Therapy Equality, and three individuals.

Your Committees find that conversion therapy can be abusive and cause psychological distress with regard to changing sexual orientation and gender identity. Conversion therapy has long been discredited by respected medical and mental health institutions, including the American Psychological Association, and has been outlawed for licensed mental health providers in nine states and the District of Columbia. Your Committees note that this measure is a housekeeping measure that is the product of a task force led by the Child and Adolescent Mental Health Division of the Department of Health and clarifies that the ban on these destructive procedures applies equally to efforts to change the sexual orientation of lesbian, gay, or bisexual minors and efforts to change the gender identity of transgender minors. This measure further replaces "sexual orientation change efforts" with the more commonly known term "conversion therapy" to promote clarity.

Your Committees have amended this measure by:

- (1) Inserting an effective date of July 1, 2019; and
- (2) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Judiciary that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 664, H.D. 2, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 664, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 5. Noes, none. Excused, 2 (Nishihara, Fevella).

Judiciary: Ayes, 2. Noes, 1 (Gabbard). Excused, 2 (Kim, Fevella).

#### SCRep. 1781 Commerce, Consumer Protection, and Health on H.B. No. 760

The purpose and intent of this measure is to require a full-service franchise restaurant to disclose its non-participation in national advertising campaigns that offer a promotion or a discount with a sign at the entrance or storefront of the restaurant.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs and one individual. Your Committee received testimony in opposition to this measure from the Hawai'i Restaurant Association.

Your Committee finds that customers of full-service restaurants who patronize the establishment because of a national advertising campaign that promotes a discount on food or beverage may be misled if the offer is not available in Hawaii. Although national advertisements generally disclose geographic restrictions in television commercials, the disclosure often appears only for a short period of time and in very small print. This measure will benefit Hawaii consumers by requiring a restaurant to inform patrons that a particular promotion does not apply prior to the patrons entering the restaurant, which will help alleviate unnecessary misunderstandings between restaurants and patrons.

Your Committee has amended this measure by inserting an effective date of July 1, 2019.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 760, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 760, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Keohokalole, Thielen, Fevella).

#### SCRep. 1782 Commerce, Consumer Protection, and Health on H.B. No. 267

The purpose and intent of this measure is to require drug manufacturers to notify certain prescription drug benefit plans and pharmacy benefit managers of a planned increase in the wholesale price of certain drugs that would result in a sixteen percent or more increase over any two-year period.

Your Committee received testimony in support of this measure from the Hawaii Medical Service Association, Kaiser Permanente Hawaii, and Work Injury Medical Association of Hawaii. Your Committee received testimony in opposition to this measure from Pharmaceutical Research and Manufacturers of America. Your Committee received comments on this measure from the Department of Commerce and Consumer Affairs.

Your Committee finds that one of the greatest threats to the affordability of health care coverage is the pharmaceutical industry's pricing of new and existing medications. According to testimony received by your Committee, between 2015 and 2018, overall drug spending for Hawaii members of a particular health maintenance organization increased one hundred forty-six percent for that organization's specialty pharmacy. New drugs are being approved and marketed at higher prices than their predecessor treatments, often with no difference in effectiveness or safety. Your Committee notes that hospitals and health plans report pricing information. It is therefore appropriate for pharmaceutical manufacturers to do the same when implementing major price increases. This measure will promote transparency in drug pricing and is an important step toward controlling excessive costs for prescription drugs.

Your Committee has amended this measure by:

- Requiring the manufacturer of a prescription drug to identify annually up to ten prescription drugs for which the wholesale
  acquisition cost increased by a total of fifty percent or more during the prior two calendar years, or by twenty percent or more
  during the prior calendar year;
- (2) Requiring a drug manufacturer to report to the Insurance Commissioner certain information associated with these identified prescription drugs; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 267, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 267, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Keohokalole, Fevella).

# SCRep. 1783 Labor, Culture and the Arts on H.B. No. 349

The purpose and intent of this measure is to designate June 21 as International Yoga Day.

Your Committee received testimony in support of this measure from the Gandhi International Institute for Peace, Still and Moving Center, Raj Kumar, and fourteen individuals.

Your Committee finds that yoga is a long standing tradition in Indian culture that is practiced by many people in Hawaii. On December 11, 2014, the United Nations adopted a resolution proclaiming June 21 as the International Day of Yoga. Accordingly, this measure will recognize June 21 of each year as International Yoga Day in Hawaii.

Your Committee notes that S.B. No. 267, S.D. 1 (Regular Session of 2019), which was previously passed by the Senate, is a substantially similar measure that also designates June 21 as International Yoga Day. Your Committee concludes that the language in S.B. No. 267, S.D. 1 is preferable because it is more consistent with language in the Hawaii Revised Statutes and contains a more accurate preamble.

Accordingly, your Committee has amended this measure by deleting its contents and inserting the contents of S.B. No. 267, S.D. 1, a substantially similar measure that designates June 21 as International Yoga Day.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 349, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 349, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1784 Labor, Culture and the Arts on H.B. No. 655

The purpose and intent of this measure is to designate the month of September of each year as Suicide Prevention and Awareness Month.

Your Committee received testimony in support of this measure from the Department of Health.

Your Committee finds that from 2013 to 2017, nine hundred twenty-six Hawaii residents died from suicide. Suicide is the leading cause of fatal injuries accounting for twenty-five percent of the 3,695 total deaths during this time period. Codifying September as Suicide Prevention and Awareness Month in Hawaii will bring awareness about suicide prevention since it provides a yearly focus for coordinated statewide public awareness activities.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 655, H.D. 1, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1785 Judiciary on H.B. No. 507

The purpose and intent of this measure is to authorize a judge or magistrate to approve a search warrant based on sworn oral statements or electronic communications.

Your Committee received testimony in support of this measure from the Office of the Prosecuting Attorney of the City and County of Honolulu, Office of the Prosecuting Attorney of the County of Hawai'i, Office of the Prosecuting Attorney of the County of Maui, Honolulu Police Department, and Hawaii Chapter of Mothers Against Drunk Driving. Your Committee received testimony in opposition to this measure from the Office of the Public Defender.

Your Committee finds that while Rule 41(h) of the Hawaii Rules of Penal Procedure authorizes a judge to issue a search warrant based on a sworn oral statement, corresponding sections of the Hawaii Revised Statutes are unclear in substantiating this authorization. Under sections 803-31 and 803-34, Hawaii Revised Statutes, warrants are specifically required to be in writing, and section 803-33, Hawaii Revised Statutes, requires that a search warrant be supported by a written affidavit made or taken under oath before an officer of the court or a notary public. This discrepancy between the Hawaii Rules of Penal Procedure and the Hawaii Revised Statutes impedes the ability of law enforcement officers to collect evidence and effectively conduct investigations in scenarios in which it is not possible to obtain a written warrant supported by a written affidavit before relevant evidence becomes unavailable. This measure updates chapter 803, Hawaii Revised Statutes, to be consistent with procedures contained in the Hawaii Rules of Penal Procedure.

Your Committee has amended this measure by:

- Clarifying the circumstances under which an application for a warrant based on a sworn oral statement that is communicated in person or by telephone may be granted;
- Restructuring and further clarifying new statutory language related to warrants issued on oral statements or electronic communications;
- (3) Making conforming amendments to sections of chapter 803, Hawaii Revised Statutes;
- (4) Changing the effective date to January 1, 2020; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 507, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 507, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

# SCRep. 1786 Judiciary on H.B. No. 711

The purpose and intent of this measure is to:

- (1) Amend the affirmative defense of extreme mental or emotional disturbance to murder or attempted murder by prohibiting explanations based solely on the defendant's discovery, knowledge, or disclosure of the victim's gender, gender identity or expression, or sexual orientation; and
- (2) Require the court to instruct the jury to disregard bias and prejudice if a defendant's explanation includes the discovery of a victim's gender, gender identity or expression, or sexual orientation.

Your Committee received testimony in support of this measure from the Hawai'i Civil Rights Commission, Office of the Prosecuting Attorney of the County of Kaua'i, Honolulu Police Department, LGBT Caucus of the Democratic Party Hawai'i, Planned Parenthood Votes Northwest and Hawaii, Pride at Work Hawaii, Rainbow Family 808, and twenty-four individuals. Your Committee received testimony in opposition to this measure from the Office of the Public Defender.

Your Committee finds that gay or trans panic defenses are uniquely used to justify crime against LGBTQ+ individuals and are based on exploiting homophobic bias in factfinders. Your Committee further finds that bans on gay or trans panic defenses have been implemented in California, Illinois, and Rhode Island. Your Committee additionally finds that homicide or assault of a person because of that person's sexual orientation or gender identity should not be a criminal defense.

Your Committee has amended this measure by:

- (1) Making it effective upon its approval; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 711, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 711, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1787 Ways and Means on S.C.R. No. 201

The purpose and intent of this measure is to urge the Department of Human Services to create a Compact of Free Association Advisory Board to undertake studies and make policy recommendations regarding health care coverage for residents from the Republic of the Marshall Islands, Federated States of Micronesia, and Republic of Palau.

Your Committee received written comments in support of the measure from the Department of Human Services, Parents and Children Together, and Kokua Kalihi Valley.

Your Committee finds that, based on their immigration status under the applicable compacts of free association, individuals from the Republic of the Marshall Islands, Federated States of Micronesia, and Republic of Palau face unique challenges in navigating state systems, particularly state-funded health insurance and health care programs. Analyses and recommendations are needed to determine the best approach for providing parity in state-funded health coverage for otherwise eligible individuals.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 201 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 13. Noes, none. Excused, none.

#### SCRep. 1788 Ways and Means on S.R. No. 161

The purpose and intent of this measure is to urge the Department of Human Services to create a Compact of Free Association Advisory Board to undertake studies and make policy recommendations regarding health care coverage for residents from the Republic of the Marshall Islands, Federated States of Micronesia, and Republic of Palau.

Your Committee received written comments in support of the measure from the Department of Human Services, Kokua Kalihi Valley, and one individual.

Your Committee finds that, based on their immigration status under the applicable compacts of free association, individuals from the Republic of the Marshall Islands, Federated States of Micronesia, and Republic of Palau face unique challenges in navigating state systems, particularly state-funded health insurance and health care programs. Analyses and recommendations are needed to determine the best approach for providing parity in state-funded health coverage for otherwise eligible individuals.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 161 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 13. Noes, none. Excused, none.

# SCRep. 1789 Water and Land on S.C.R. No. 145

The purpose and intent of this measure is to request the Department of Land and Natural Resources' Division of Forestry and Wildlife to prioritize the control of high-threat invasive species in the County of Hawai'i.

Your Committee received testimony in support of this measure from the Aha Moku Advisory Committee, Office of the Mayor of the County of Hawai'i, Hawai'i Farm Bureau, and O'ahu County Democrats Committee on Legislative Priorities. Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that invasive species have become one of the most challenging problems impacting Hawaii. Many invasive species are damaging the environment and the State's economy. Every year, numerous new pests are introduced into the State, such as the coqui frog, coffee berry borer, axis deer, macadamia felted coccid, little fire ant, coconut rhinoceros beetle, small hive beetle, and varroa mite, to name a few. Your Committee further finds that eradication of invasive species in Hawaii is a difficult task and often is only possible when a species is a relatively new introduction and its population size and distribution are limited. Some species are unfortunately established beyond the ability to eradicate, requiring a cost-benefit analysis that considers the costs of controlling a species in perpetuity, versus scaling back or suspending control activities until new technological advances provide more effective control methodologies. Your Committee supports prioritizing the control of high-threat invasive species.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 145 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

#### SCRep. 1790 Water and Land on S.R. No. 112

The purpose and intent of this measure is to request the Department of Land and Natural Resources' Division of Forestry and Wildlife to prioritize the control of high-threat invasive species in the County of Hawai'i.

Your Committee received testimony in support of this measure from the Aha Moku Advisory Committee, Office of the Mayor of the County of Hawai'i, Hawai'i Farm Bureau, and O'ahu County Democrats Committee on Legislative Priorities. Your Committee received comments on this measure from the Department of Land and Natural Resources and one individual.

Your Committee finds that invasive species have become one of the most challenging problems impacting Hawaii. Many invasive species are damaging the environment and the State's economy. Every year, numerous new pests are introduced into the State, such as the coqui frog, coffee berry borer, axis deer, macadamia felted coccid, little fire ant, coconut rhinoceros beetle, small hive beetle, and varroa mite, to name a few. Your Committee further finds that eradication of invasive species in Hawaii is a difficult task and often is only possible when a species is a relatively new introduction and its population size and distribution are limited. Some species are unfortunately established beyond the ability to eradicate, requiring a cost-benefit analysis that considers the costs of controlling a species in perpetuity, versus scaling back or suspending control activities until new technological advances provide more effective control methodologies. Your Committee supports prioritizing the control of high-threat invasive species.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 112 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

#### SCRep. 1791 (Joint) Water and Land and Agriculture and Environment on S.C.R. No. 129

The purpose and intent of this measure is to engage, endorse, accept, and adopt the New York Declaration on Forests (NYDF) and urge federal leaders and the nation to embrace the goals of the NYDF and the 2030 Agenda and make sustainable development the centerpiece of national social and sustainable policies.

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources and three individuals.

Your Committees find that the NYDF was created and launched at the United Nations Climate Summit at United Nations Headquarters in September 2014 to provide a proactive and participatory human rights based approach to protect and restore forests that supports the scope and significance of the United Nations 2030 Agenda and the seventeen Sustainable Development Goals. Your Committees further find that the NYDF outlines ten global targets related to protecting and restoring forests, which, if realized, have the potential to reduce annual carbon emissions by 4.5 to 8.8 billion tons of carbon dioxide – the equivalent of the annual emissions of the United States. Your Committees find that the NYDF coincides with ongoing state efforts to reduce loss of forests, increase carbon sequestration, and mitigate the impacts of climate change.

As affirmed by the records of votes of the members of your Committees on Water and Land and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 129 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Water and Land: Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

# SCRep. 1792 (Joint) Water and Land and Agriculture and Environment on S.R. No. 98

The purpose and intent of this measure is to engage, endorse, accept, and adopt the New York Declaration on Forests (NYDF) and urge federal leaders and the nation to embrace the goals of the NYDF and the 2030 Agenda and make sustainable development the centerpiece of national social and sustainable policies.

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources and O'ahu County Democrats Committee on Legislative Priorities.

Your Committees find that the NYDF was created and launched at the United Nations Climate Summit at United Nations Headquarters in September 2014 to provide a proactive and participatory human rights based approach to protect and restore forests

that supports the scope and significance of the United Nations 2030 Agenda and the seventeen Sustainable Development Goals. Your Committees further find that the NYDF outlines ten global targets related to protecting and restoring forests, which, if realized, have the potential to reduce annual carbon emissions by 4.5 to 8.8 billion tons of carbon dioxide – the equivalent of the annual emissions of the United States. Your Committees find that the NYDF coincides with ongoing state efforts to reduce loss of forests, increase carbon sequestration, and mitigate the impacts of climate change.

As affirmed by the records of votes of the members of your Committees on Water and Land and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 98 and recommend its adoption.

Signed by the Chairs on behalf of the Committees. Water and Land: Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere). Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Ruderman, Thielen).

#### SCRep. 1793 Water and Land on S.C.R. No. 209

The purpose and intent of this measure is to request the Department of Land and Natural Resources' Division of Boating and Ocean Recreation (DOBOR) to collaborate with the County of Hawai'i to improve and streamline the state waters and beach and shoreline commercial use permit processes for Kahalu'u Beach Park on Hawai'i island.

Your Committee received comments on this measure from the Department of Land and Natural Resources and Aha Moku Advisory Committee.

Your Committee finds that commercial ocean activity operators at Kahalu'u Beach Park are under dual government oversight. The County of Hawai'i regulates activity on the beach, while DOBOR regulates activity in the ocean waters. DOBOR adopted amendments to the Hawaii Administrative Rules in 2016 to allow four commercial surf instruction operators to receive permits for activities in Kahalu'u Bay ocean waters. The County of Hawai'i Department of Parks and Recreation Director and Deputy Director recently notified the Department of Land and Natural Resources that it intends to authorize all surf schools who meet the minimum requirements to conduct surf instruction from county property at Kahalu'u Bay, rather than only four surf schools. There are at least seven surf schools that have received authorization from the County of Hawai'i; however, under existing DOBOR administrative rules, only four commercial surf instruction operators can be issued a permit for commercial instruction in Kahalu'u Bay ocean waters. Your Committee further finds that this complex situation requires close collaboration between the Department of Land and Natural Resources and County of Hawai'i administration to reach a balanced solution for the community and commercial operators that addresses the issues of overcrowding and safety through the commercial permitting process.

Your Committee has amended this measure by:

- (1) Amending language to instead request DOBOR and the County of Hawai'i to collaborate to identify and pursue the best plan of action moving forward, given adjacent jurisdictions of the County and State at Kahalu'u Bay, to meet county and state interests in supporting a balanced solution for community and business to address issues of overcrowding and safety; improving, identifying, and protecting native Hawaiian rights and customary and traditional practices; and streamlining the state waters and beach and shoreline commercial use permit processes for Kahalu'u Beach Park;
- (2) Making conforming amendments to the reporting requirement;
- (3) Amending its title accordingly; and
- (4) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 209, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 209, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

# SCRep. 1794 Water and Land on S.R. No. 168

The purpose and intent of this measure is to request the Department of Land and Natural Resources' Division of Boating and Ocean Recreation (DOBOR) to collaborate with the County of Hawai'i to improve and streamline the state waters and beach and shoreline commercial use permit processes for Kahalu'u Beach Park on Hawai'i island.

Your Committee received comments on this measure from the Department of Land and Natural Resources and Aha Moku Advisory Committee.

Your Committee finds that commercial ocean activity operators at Kahalu'u Beach Park are under dual government oversight. The County of Hawai'i regulates activity on the beach, while DOBOR regulates activity in the ocean waters. DOBOR adopted amendments to the Hawaii Administrative Rules in 2016 to allow four commercial surf instruction operators to receive permits for activities in Kahalu'u Bay ocean waters. The County of Hawai'i Department of Parks and Recreation Director and Deputy Director recently notified the Department of Land and Natural Resources that it intends to authorize all surf schools who meet the minimum requirements to conduct surf instruction from county property at Kahalu'u Bay, rather than only four surf schools. There are at least seven surf schools that have received authorization from the County of Hawai'i; however, under existing DOBOR administrative rules, only four commercial surf instruction operators can be issued a permit for commercial instruction in Kahalu'u Bay ocean waters. Your Committee further finds that this complex situation requires close collaboration between the Department of Land and Natural Resources and County of Hawai'i administration to reach a balanced solution for the community and commercial operators that addresses the issues of overcrowding and safety through the commercial permitting process.

Your Committee has amended this measure by:

- (1) Amending language to instead request DOBOR and the County of Hawai'i to collaborate to identify and pursue the best plan of action moving forward, given adjacent jurisdictions of the County and State at Kahalu'u Bay, to meet county and state interests in supporting a balanced solution for community and business to address issues of overcrowding and safety; improving, identifying, and protecting native Hawaiian rights and customary and traditional practices; and streamlining the state waters and beach and shoreline commercial use permit processes for Kahalu'u Beach Park;
- (2) Making conforming amendments to the reporting requirement;
- (3) Amending its title accordingly; and
- (4) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 168, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 168, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

# SCRep. 1795 Water and Land on S.C.R. No. 176

The purpose and intent of this measure is to urge the Department of Health to complete the Total Maximum Daily Load process for Ka'elepulu watershed in Kailua, O'ahu, by December 31, 2019.

Your Committee received testimony in support of this measure from thirty-two individuals.

Your Committee finds that the Ka'elepulu Watershed, including the Ka'elepulu Stream, Kailua Beach, Kailua Beach Park, Lanikai Beach, and Kailua boat ramp, was designated for Total Maximum Daily Load (TMDL) development based on the severity of pollution and uses of the water under the federal Clean Water Act, but the TMDL process was never completed. Your Committee finds that a TMDL process is necessary to ensure the health of the Ka'elepulu Watershed.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 176 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Riviere).

#### SCRep. 1796 Water and Land on S.R. No. 143

The purpose and intent of this measure is to urge the Department of Health to complete the Total Maximum Daily Load process for Ka'elepulu watershed in Kailua, O'ahu, by December 31, 2019.

Your Committee received testimony in support of this measure from the O'ahu County Democrats Committee on Legislative Priorities and eight individuals.

Your Committee finds that the Ka'elepulu Watershed, including the Ka'elepulu Stream, Kailua Beach, Kailua Beach Park, Lanikai Beach, and Kailua boat ramp, was designated for Total Maximum Daily Load (TMDL) development based on the severity of pollution and uses of the water under the federal Clean Water Act, but the TMDL process was never completed. Your Committee finds that a TMDL process is necessary to ensure the health of the Ka'elepulu Watershed.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 143 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Riviere).

#### SCRep. 1797 Water and Land on S.C.R. No. 136

The purpose and intent of this measure is to urge the Department of Land and Natural Resources' Division of Forestry and Wildlife to document the history of exemplary contributions made by community members, including kupuna, conservationists, and citizens.

Your Committee received testimony in support of this measure from the O'ahu County Democrats and O'ahu County Democrats Committee on Legislative Priorities. Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that Hawaii has a rich history of exemplary kupuna, conservationists, and other citizens. Marjorie Yasue Fern Ziegler is one such individual whose contributions deserve to be honored and remembered. Ms. Ziegler was an ardent and tireless supporter of Hawaii's native plants and animals, and who in turn inspired many others to dedicate their efforts toward the State's natural resources. Your Committee supports efforts to document and acknowledge Hawaii's exemplary kupuna, conservationists, and citizens.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 136 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

#### SCRep. 1798 Water and Land on S.C.R. No. 142

The purpose and intent of this measure is to urge the Division of Boating and Ocean Recreation (DOBOR) and Division of Conservation and Resources Enforcement (DOCARE) to implement and conduct quarterly community meetings for interested people to express their concerns regarding access to Kailua Pier on Hawai'i island.

Your Committee received testimony in support of this measure from one individual. Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that DOBOR and DOCARE are responsible for maintaining and safeguarding, and enforcing certain laws and rules at, the state boating facilities at Kailua Pier, located in Kailua-Kona, on the island of Hawaii. Kailua Pier is a popular place for boat launching and docking. Your Committee further finds that DOBOR provided canoe clubs with keys that allowed them vehicular access to Kailua Pier; however, after receiving complaints from the community about keyholders abusing their vehicular access privileges, DOBOR reduced the number of access keys to be issued to keyholders. Your Committee supports collaboration between DOBOR and DOCARE and the community to address concerns regarding access to Kailua Pier.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 142 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

# SCRep. 1799 Water and Land on S.R. No. 109

The purpose and intent of this measure is to urge the Division of Boating and Ocean Recreation (DOBOR) and Division of Conservation and Resources Enforcement (DOCARE) to implement and conduct quarterly community meetings for interested people to express their concerns regarding access to Kailua Pier on Hawai'i island.

Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that DOBOR and DOCARE are responsible for maintaining and safeguarding, and enforcing certain laws and rules at, the state boating facilities at Kailua Pier, located in Kailua-Kona, on the island of Hawaii. Kailua Pier is a popular place for boat launching and docking. Your Committee further finds that DOBOR provided canoe clubs with keys that allowed them vehicular access to Kailua Pier; however, after receiving complaints from the community about keyholders abusing their vehicular access privileges, DOBOR reduced the number of access keys to be issued to keyholders. Your Committee supports collaboration between DOBOR and DOCARE and the community to address concerns regarding access to Kailua Pier.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 109 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

## SCRep. 1800 Water and Land on S.C.R. No. 205

The purpose and intent of this measure is to urge the State Board on Geographic Names (Board) to consult with community members who have direct traditional, cultural, and familial ties to the district of Puna to establish appropriate names for the fissure 8 vent and other features of the 2018 eruption of Kilauea Volcano.

Your Committee received testimony in support of this measure from the Office of Planning, Aha Moku Advisory Committee, and one individual.

Your Committee finds that the term "Fissure 8" is an inaccurate name for the large tephra cone located on the East Rift Zone within Leilani Estates and that the naming of a volcanic feature in the Hawaiian language may encode information about its physical characteristics, history of its formation, ecological surroundings, geographic location, or related oral histories. Your Committee notes that the Board has established a Permitted Interaction Group (PIG) to engage in dialogue with and collect feedback from the Puna community regarding the naming of the fissure 8 vent. The PIG is tasked with setting a submission deadline for any new name proposals for the fissure 8 vent, review the proposed names for all features associated with the 2018 Kilauea eruption event, and report back to the full Board with its recommendations no later than December 31, 2019.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 205 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

# SCRep. 1801 Water and Land on S.R. No. 165

The purpose and intent of this measure is to urge the State Board on Geographic Names (Board) to consult with community members who have direct traditional, cultural, and familial ties to the district of Puna to establish appropriate names for the fissure 8 vent and other features of the 2018 eruption of Kilauea Volcano.

Your Committee received testimony in support of this measure from the Office of Planning and Aha Moku Advisory Committee.

Your Committee finds that the term "Fissure 8" is an inaccurate name for the large tephra cone located on the East Rift Zone within Leilani Estates and that the naming of a volcanic feature in the Hawaiian language may encode information about its physical characteristics, history of its formation, ecological surroundings, geographic location, or related oral histories. Your Committee notes that the Board has established a Permitted Interaction Group (PIG) to engage in dialogue with and collect feedback from the Puna community regarding the naming of the fissure 8 vent. The PIG is tasked with setting a submission deadline for any new name

proposals for the fissure 8 vent, review the proposed names for all features associated with the 2018 Kilauea eruption event, and report back to the full Board with its recommendations no later than December 31, 2019.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 165 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Nishihara, Riviere).

## SCRep. 1802 Hawaiian Affairs on S.C.R. No. 45

The purpose and intent of this measure is to support the Governor's efforts in urging the Bank of America to return to Hawaii to meet with Na Po'e Kōkua and the Hawaii Fair Lending Coalition to reach a settlement agreement relating to a \$150,000,000 loan commitment for Native Hawaiians on Hawaiian home lands.

Your Committee received testimony in support of this measure from the Office of the Mayor, County of Maui; Maui County Council; three members of the Maui County Council; three members of the Kaua'i County Council; University of Hawaii, Maui College; O'ahu County Democrats Legislative Priorities Committee; Hawai'i Alliance for Community-Based Economic Development; Ho'omanapono Political Action Committee; Na Po'e Kokua; and sixteen individuals. Your Committee received testimony in opposition to this measure from the Bank of America.

Your Committee finds that in 1993 the Hawaii Fair Lending Coalition (HFLC) discovered that Bank of America was conducting discriminatory lending practices in the form of redlining, the practice of denying services to residents of certain areas based on the racial or ethnic composition of those areas, by not providing mortgages on Hawaiian homelands. In response to HFLC's efforts, the Federal Reserve System ordered Bank of America to make \$150,000,000 in Federal Housing Administration section 247 (FHA-247) mortgages available on Hawaiian homelands by 1998. Your Committee further finds that, according to HFLC, Bank of America failed to meet its commitment and supplied only \$3,109,502 in loans by 1998 and subsequently Bank of America reaffirmed its loan commitment of \$150,000,000.

Your Committee notes testimony submitted by the Bank of America that the Department of Hawaiian Home Lands agreed to modify the original terms of the agreement to apply initiatives besides residential mortgage loans toward the \$150,000,000 commitment. Bank of America further claims that after the terms of the agreement were modified, it was able to fulfill its obligations by 2007 and contends that the Department of Hawaiian Home Lands confirmed that the Bank of America had met its obligations.

Your Committee finds that significant questions pertaining to this matter remain and encourages the Governor's efforts in investigating whether Bank of America has outstanding obligations to the Native Hawaiian community.

Your Committee has amended this measure by:

- (1) Updating the findings to acknowledge that the Federal Reserve mandated that the Bank of America provide below market financing to assist Kaua'i in recovering from Hurricane 'Iniki and, according to HFLC, those loans were never provided;
- (2) Updating the findings to include the Bank of America's position on its loan commitment and to indicate that certain findings express HFLC's position;
- (3) Supporting the Governor's efforts in investigating this matter;
- (4) Adding each member of the Board of Governors of the Federal Reserve System as a recipient of a certified copy; and
- (5) Amending the title accordingly.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 45, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 45, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

# SCRep. 1803 Hawaiian Affairs on S.R. No. 32

The purpose and intent of this measure is to support the Governor's efforts in urging the Bank of America to return to Hawaii to meet with Na Po'e Kōkua and the Hawaii Fair Lending Coalition to reach a settlement agreement relating to a \$150,000,000 loan commitment for Native Hawaiians on Hawaiian home lands.

Your Committee received testimony in support of this measure from Office of the Mayor, County of Maui; Maui County Council; three members of the Maui County Council; three members of the Kaua'i County Council; Democratic Party of Hawaii, Hawaiian Affairs Caucus; O'ahu County Democrats Legislative Priorities Committee; Hawai'i Alliance for Community-Based Economic Development; Na Po'e Kokua; and fourteen individuals. Your Committee received testimony in opposition to this measure from the Bank of America.

Your Committee finds that in 1993 the Hawaii Fair Lending Coalition (HFLC) discovered that Bank of America was conducting discriminatory lending practices in the form of redlining, the practice of denying services to residents of certain areas based on the racial or ethnic composition of those areas, by not providing mortgages on Hawaiian homelands. In response to HFLC's efforts, the Federal Reserve System ordered Bank of America to make \$150,000,000 in Federal Housing Administration section 247 (FHA-247) mortgages available on Hawaiian homelands by 1998. Your Committee further finds that, according to HFLC, Bank of America failed to meet its commitment and supplied only \$3,109,502 in loans by 1998 and subsequently Bank of America reaffirmed its loan commitment of \$150,000,000.

Your Committee notes testimony submitted by the Bank of America that the Department of Hawaiian Home Lands agreed to modify the original terms of the agreement to apply initiatives besides residential mortgage loans toward the \$150,000,000 commitment. Bank of America further claims that after the terms of the agreement were modified, it was able to fulfill its obligations by 2007 and contends that the Department of Hawaiian Home Lands confirmed that the Bank of America had met its obligations.

Your Committee finds that significant questions pertaining to this matter remain and encourages the Governor's efforts in investigating whether Bank of America has outstanding obligations to the Native Hawaiian community.

Your Committee has amended this measure by:

- (1) Updating the findings to acknowledge that the Federal Reserve mandated that the Bank of America provide below market financing to assist Kaua'i in recovering from Hurricane 'Iniki and, according to HFLC, those loans were never provided;
- (2) Updating the findings to include the Bank of America's position on its loan commitment and to indicate that certain findings express HFLC's position;
- (3) Supporting the Governor's efforts in investigating this matter;
- (4) Adding each member of the Board of Governors of the Federal Reserve System as a recipient of a certified copy; and
- (5) Amending the title accordingly.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 32, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 32, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kahele, Fevella).

#### SCRep. 1804 Judiciary on S.C.R. No. 74

The purpose and intent of this measure is to encourage the Department of Education and other agency and community stakeholders to continue meeting as a working group for sexual violence prevention education in public schools.

Your Committee received testimony in support of this measure from the Department of Education, Hawaii State Commission on the Status of Women, American Association of University Women of Hawaii, Hawaii State Teachers Association, The Sex Abuse Treatment Center, Oʻahu County Democrats Legislative Priorities Committee, Hawaii Women's Coalition, Parents and Children Together, and one individual.

Your Committee finds that sexual violence remains a serious and ongoing threat to the safety and health of children and young people in the State. Your Committee further finds that in October 2018, the Department of Education established a working group to collaborate with other stakeholders to review Hawaii public schools' current prevention-oriented child sexual abuse programs and resources and initiate recommendations to enhance integrated, comprehensive, and sustained support to ensure the well-being of our youth. This measure encourages the Department of Education and other agency and community stakeholders to continue the efforts of the working group for sexual violence prevention education in public schools.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 74 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

#### SCRep. 1805 Judiciary on S.R. No. 52

The purpose and intent of this measure is to encourage the Department of Education and other agency and community stakeholders to continue meeting as a working group for sexual violence prevention education in public schools.

Your Committee received testimony in support of this measure from the Hawaii State Commission on the Status of Women, Hawaii State Teachers Association, The Sex Abuse Treatment Center, Hawaii Youth Services Network, Parents and Children Together, O'ahu County Democrats Legislative Priorities Committee, and one individual.

Your Committee finds that sexual violence remains a serious and ongoing threat to the safety and health of children and young people in the State. Your Committee further finds that in October 2018, the Department of Education established a working group to collaborate with other stakeholders to review Hawaii public schools' current prevention-oriented child sexual abuse programs and resources and initiate recommendations to enhance integrated, comprehensive, and sustained support to ensure the well-being of our youth. This measure encourages the Department of Education and other agency and community stakeholders to continue the efforts of the working group for sexual violence prevention education in public schools.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 52 and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

## SCRep. 1806 (Joint) Public Safety, Intergovernmental, and Military Affairs and Transportation on S.C.R. No. 212

The purpose and intent of this measure is to request that the President of the Senate and Speaker of the House of Representatives convene a joint legislative task force to determine design solutions and safety features to enhance pedestrian safety on state and county roads.

Your Committees received testimony in support of this measure from the Department of Transportation, Disability and Communication Access Board, and one member of the Honolulu City Council.

Your Committees find that pedestrian fatalities in 2018 increased by over five hundred percent and that a total of forty-four pedestrians were killed in crashes statewide. Your Committees further find that Hawaii's road system should better integrate multimodal forms of transportation and consider all users, including pedestrians, bicyclists, motorists, those with disabilities, and transit riders. This measure therefore requests that the President of the Senate and Speaker of the House of Representatives convene a joint legislative task force to determine design solutions and safety features to enhance pedestrian safety on state and county roads.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Transportation that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 212 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

## SCRep. 1807 (Joint) Public Safety, Intergovernmental, and Military Affairs and Transportation on S.R. No. 171

The purpose and intent of this measure is to request that the President of the Senate and Speaker of the House of Representatives convene a joint legislative task force to determine design solutions and safety features to enhance pedestrian safety on state and county roads.

Your Committees received testimony in support of this measure from the Department of Transportation and Disability and Communication Access Board.

Your Committees find that pedestrian fatalities in 2018 increased by over five hundred percent and that a total of forty-four pedestrians were killed in crashes statewide. Your Committees further find that Hawaii's road system should better integrate multimodal forms of transportation and consider all users, including pedestrians, bicyclists, motorists, those with disabilities, and transit riders. This measure therefore requests that the President of the Senate and Speaker of the House of Representatives convene a joint legislative task force to determine design solutions and safety features to enhance pedestrian safety on state and county roads.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Transportation that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 171 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

Transportation: Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

#### SCRep. 1808 Ways and Means on S.C.R. No. 8

The purpose and intent of this measure is to urge the Hawaii State Department of the Attorney General to investigate the sexual abuse of minors in the State by clergy of the Roman Catholic Church.

Your Committee received written comments in support of this measure from the Sex Abuse Treatment Center, Rainbow Family 808, LGBT Caucus of the Democratic Party of Hawaii, and numerous individuals.

Your Committee received written comments in opposition to this measure from one individual.

Your Committee finds that civil and criminal cases throughout the country have identified a pattern of Roman Catholic clergy who have sexually abused minors in multiple dioceses. Your Committee further finds that a formal investigation is needed to determine the extent of the abuse that has occurred in the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 8 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9; Ayes with Reservations (Fevella). Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1809 Ways and Means on S.C.R. No. 15

The purpose and intent of this measure is to authorize the issuance of an easement covering a portion of state submerged lands at Kaneohe, Koolaupoko, Oahu.

Your Committee received written comments in support of this measure from Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has identified portions of a pier and a seawall fronting the property identified as Tax Map Key: (1) 4-5-058: seaward of 030, Kancohe, Koolaupoko, Oahu, as encroaching upon state submerged lands. Your Committee also finds that the Board has approved a grant of a fifty-five-year non-exclusive easement to resolve the encroachment. Your Committee further finds that this measure expresses the necessary legislative approval for an easement to be granted for the existing pier and seawall, and for use, repair, and maintenance of the existing improvement constructed thereon.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 15 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1810 Ways and Means on S.C.R. No. 16

The purpose and intent of this measure is to authorize the issuance of an easement covering portions of state submerged lands at Kaneohe, Koolaupoko, Oahu.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to engage in disposition of state submerged lands. The Board has determined that a previously issued easement should be amended to include a total encroachment area of five hundred thirty-eight square feet and to add a seawall and eave purposes. Your Committee further finds that this measure expresses the requisite legislative approval so that the existing easement may be amended to include this additional encroachment.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 16 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

#### SCRep. 1811 Ways and Means on S.C.R. No. 19

The purpose and intent of this measure is to request that the Department of Transportation conduct a study that examines the necessity of vehicle safety inspections in the State.

More specifically, this measure requests that the Department of Transportation:

- (1) Conduct a study on the feasibility of eliminating or modifying vehicle safety inspection requirements in the State;
- (2) Study the laws of other states that have eliminated or modified vehicle safety inspection requirements; and
- (3) Submit a report to the Legislature.

Your Committee received written comments in support of this measure from one individual.

Your Committee finds that the current vehicle safety inspection requirements may not be necessary since these inspections do not necessarily reveal any material defects in the inspected vehicles.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 19, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1812 Ways and Means on S.C.R. No. 23

The purpose and intent of this measure is to request that the Legislative Reference Bureau establish a task force to review Hawaii's current voter education system and propose improvements in reports to the Legislature.

Your Committee received written comments in support of this measure from the Office of Elections, League of Women Voters of Hawaii, and two individuals.

Your Committee received written comments on this measure from the Disability and Communication Access Board and Legislative Reference Bureau.

Your Committee finds that insufficient voter education is a significant factor that contributes to poor citizen engagement in Hawaii, including low voter turnout at elections. Accordingly, your Committee finds that the State should explore the best ways to provide appropriate voter education to its residents.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 23 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1813 Ways and Means on S.C.R. No. 28

The purpose and intent of this measure is to urge the Department of Land and Natural Resources to properly manage and protect the Waianae Kai Forest.

Specifically, the measure:

- (1) Urges the Department of Land and Natural Resources to ensure water flow from certain streams in the Waianae Watershed for Native Hawaiian traditional and customary practices and to implement the Waianae Kai wildfire preparedness plan; and
- (2) Requests the Department of Land and Natural Resources' Division of Forestry and Wildlife to continue to manage the Waianae Kai Forest Reserve with native trees and shrubs and to restore forest areas damaged by the recent August 2018 fire with native trees and shrubs

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and one individual.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that this measure aligns with the State's constitutional obligations to benefit its people by protecting, controlling, and regulating Hawaii's water resources and holding in trust all public natural resources. Your Committee further finds that this measure aims to improve security, education, and response capabilities through the implementation of the Waianae Kai wildfire preparedness plan.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 28 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1814 Ways and Means on S.C.R. No. 31

The purpose and intent of this measure is to urge the State Capitol Management Committee to designate the Hawaii State Capitol building and grounds as a single-use plastic free zone.

Your Committee received written comments in support of this measure from Animal Rights Hawaii and one individual.

Your Committee finds that single-use plastics are detrimental to the State's environment and economy and to the health and well-being of both humans and animals.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 31, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1815 Ways and Means on S.C.R. No. 44

The purpose and intent of this measure is to request the Auditor to evaluate the 2017 University of Hawaii internal audit of travel policy compliance for fiscal years 2015-2017 and submit a report to the Legislature.

Your Committee received written comments in support of this measure from the University of Hawaii.

Your Committee received written comments on this measure from the Office of the Auditor.

Your Committee finds that an independent evaluation by the Auditor will help to establish whether University of Hawaii employees and related personnel followed the proper travel policies and whether any suggested corrective actions were sufficient to address non-compliance with those policies.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 44, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1816 Ways and Means on S.C.R. No. 49

The purpose and intent of this measure is to promote the efficient management of the State's submerged lands and aquatic recreational facilities.

Specifically, this measure urges the Board of Land and Natural Resources to transfer management of all submerged lands, the boat launch ramp, and any related boat launch ramp facilities located at the Wahiawa Freshwater State Recreation Area from the Division of Aquatic Resources to the Division of Boating and Ocean Recreation.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that the Division of Boating and Ocean Recreation of the Department of Land and Natural Resources could use its expertise in vessel operation regulation and property management to manage all submerged lands and the boat launch ramp and related facilities at the Wahiawa Freshwater State Recreation Area.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 49, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1817 Ways and Means on S.C.R. No. 51

The purpose and intent of this measure is to encourage the Department of Education to partner with Na Kama Kai to make ocean safety and stewardship education available to all fourth grade public school students.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that learning ocean and water safety at a young age can help to prevent drownings.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 51 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1818 Ways and Means on S.C.R. No. 56

The purpose and intent of this measure is to request the Department of Education to convene a task force to review the school impact fees law, make recommendations to address current and future needs to develop new schools in response to projected population growth, and submit annual reports for three years.

Your Committee received testimony in support of this measure from Hawaii State Teachers Association.

Your Committee finds that new housing developments will add tens of thousands of new homes to communities in the State, potentially causing overcrowding of certain schools. Your Committee further finds that establishing a task force to review school impact fees can help to determine the proper amount of fees necessary to fund needed new schools for growing parts of the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 56 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1819 Ways and Means on S.C.R. No. 60

The purpose and intent of this measure is to urge the University of Hawaii at Manoa to extend its Rainbow Shuttle bus service into the communities of Kapahulu and Waikiki.

Your Committee received no written comments on this measure.

Your Committee finds that extending Rainbow Shuttle bus service may increase access to the University of Hawaii at Manoa for its students, faculty, staff, and visitors, many of whom live in or frequent the Kapahulu and Waikiki communities.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 60 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1820 Ways and Means on S.C.R. No. 61

The purpose and intent of this measure is to request the Hawaii Community Development Authority to identify and recommend appropriate geographic sites for the construction of a fire station in or around the community of Kakaako on Oahu.

Your Committee received written comments on this measure from the Hawaii Community Development Authority.

Your Committee finds that this measure aligns with the goal of protecting the State's residents and visitors by requesting a study of the potential establishment of additional first responder services in the community of Kakaako.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 61 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1821 Ways and Means on S.C.R. No. 62

The purpose and intent of this measure is to urge the Governor's Coordinator on Homelessness and the City and County of Honolulu to convene a task force to address homelessness in the area surrounding the Hawaii Children's Discovery Center.

Your Committee received written comments in support of this measure from the Hawaii Children's Discovery Center and numerous individuals.

Your Committee received written comments on this measure from the Governor's Coordinator on Homelessness.

Your Committee finds that the prevalence of homeless encampments in the area surrounding the Hawaii Children's Discovery Center may result in the permanent closure of the center. Accordingly, your Committee believes that efforts to address homelessness in the area surrounding the center are crucial for the continued operation of the center.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 62, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1822 Ways and Means on S.C.R. No. 72

The purpose and intent of this measure is to urge the counties to submit a report to the Legislature regarding use of vehicle weight tax exemptions by members of the armed services.

No written comments were received on this measure.

Your Committee finds that, due to the limited ability of the State to determine the number of members of the armed services who claim vehicle weight tax exemptions and who also claim residency in the State, the counties may be the most appropriate entities to provide this information.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 72, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1823 Ways and Means on S.C.R. No. 75

The purpose and intent of this measure is to grant legislative approval to amend an easement for a portion of state submerged lands at Honolulu Harbor, Oahu.

Your Committee received written comments in support of this measure from the Department of Transportation, Pacific Shipyards International, and two individuals.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to dispose of state submerged lands. A previous measure, Senate Concurrent Resolution No. 56, S.D. 1, Regular Session of 2014, authorized the Department of Transportation, with the prior approval of the Board of Land and Natural Resources, to issue a lease for a term coextensive with the term of the ground lease for the fast lands adjacent to Pacific Shipyards International covering a portion of state submerged lands fronting the property bound by Piers 24 to 26. After that measure was adopted, one of the drydocks that the submerged land was contemplated to contain was replaced by a larger drydock. The fast land area contemplated for Pacific Shipyards International occupancy was therefore reduced, so that the submerged land now extends beyond the fast land boundary. Accordingly, your Committee finds it appropriate to amend the easement so that the leased land encompasses the actual boundaries and matches the dimensions of the new drydock.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 75 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1824 Ways and Means on S.C.R. No. 81

The purpose and intent of this measure is to request that all elementary, intermediate, and middle schools in the State participate in the Safe Routes to School Program.

Your Committee received written comments in support of this measure from the Department of Transportation Services of the City and County of Honolulu.

Your Committee finds that participation in the Safe Routes to School Program can help to improve the health, safety, and independence of children in the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 81 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1825 Ways and Means on S.C.R. No. 86

The purpose and intent of this measure is to request the Department of Business, Economic Development, and Tourism to study potential industries, other than tourism, to promote economic development in the County of Hawaii and submit a report to the Legislature of its findings and recommendations.

Your Committee received written comments on this measure from the Department of Business, Economic Development, and Tourism and Hawaii Technology Development Corporation.

Your Committee finds that the County of Hawaii's land availability and low land costs, in comparison with other locations of the State, make the County a promising home for an emerging manufacturing industry. Your Committee further finds that a study by the Department of Business, Economic Development, and Tourism on potential industries of the County of Hawaii will help establish policies to guide the diversification of businesses in the area.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 86 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1826 Ways and Means on S.C.R. No. 92

The purpose and intent of this measure is to encourage the Hawaii Community Development Authority to prioritize investment in public facilities in transit-oriented development zones and the Kalaeloa Community Development District.

Your Committee received written comments in support of this measure from Hunt Development Group, LLC.

Your Committee finds that the installation of certain facilities in transit-oriented development zones and the Kalaeloa Community Development District will help to diminish obstacles to the development of those areas.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 92, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1827 (Joint) Judiciary and Ways and Means on S.C.R. No. 12

The purpose and intent of this measure is to request members of the United States Congress to amend federal law to ensure that victims of sexual harassment and sexual assault, who might otherwise be forced into arbitration and silenced, have access to the courts.

Your Committees received testimony in support of this measure from the Hawai'i Civil Rights Commission, LGBT Caucus of the Democratic Party of Hawaii; Pride at Work Hawaii; O'ahu County Democrats Legislative Priorities Committee; Hawai'i Women Lawyers; Fujiwara and Rosenbaum, LLLC.

Your Committees find that many employers require their employees, as a condition of employment, to sign arbitration agreements mandating that sexual harassment claims be resolved through arbitration instead of judicial proceedings. Your Committees further find that arbitration agreements frequently contain secrecy requirements which further disserve the public interest by keeping the harassment complaints and any settlements confidential. Your Committees further find that the United States Senate and House of Representatives are considering legislation to address the issue of forced arbitration and secrecy in sexual harassment and sexual assault cases and thereby enable victims to seek redress in the courts. This measure encourages the United States Congress to further consider and advance those legislative efforts.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 12 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1828 (Joint) Judiciary and Ways and Means on S.R. No. 11

The purpose and intent of this measure is to request members of the United States Congress to amend federal law to ensure that victims of sexual harassment and sexual assault, who might otherwise be forced into arbitration and silenced, have access to the courts.

Your Committees received testimony in support of this measure from the Hawaii Civil Rights Commission; O'ahu County Democrats Legislative Priorities Committee; Hawaii Women Lawyers; and Fujiwara and Rosenbaum, LLLC.

Your Committees find that many employers require their employees, as a condition of employment, to sign arbitration agreements mandating that sexual harassment claims be resolved through arbitration instead of judicial proceedings. Your Committees further find that arbitration agreements frequently contain secrecy requirements which further disserve the public interest by keeping the harassment complaints and any settlements confidential. Your Committees further find that the United States Senate and House of Representatives are considering legislation to address the issue of forced arbitration and secrecy in sexual harassment and sexual assault cases and thereby enable victims to seek redress in the courts. This measure encourages the United States Congress to further consider and advance those legislative efforts.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 11 and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1829 Housing on S.C.R. No. 147

The purpose and intent of this measure is to encourage the Hawaii Housing Finance and Development Corporation to reevaluate the rental assistance program.

Your Committee received testimony in support of this measure from PHOCUSED, O'ahu County Democrats Legislative Priorities Committee, and one individual. Your Committee received comments on this measure from the Hawaii Housing Finance and Development Corporation.

Your Committee finds that affordable housing remains one of the most pressing issues in the State. The state rental assistance program provides qualified rental project owners with monthly rental assistance subsidies to assist eligible tenants to make their rental payments. Your Committee further finds that since its inception, the rental assistance program has provided rental assistance subsidies for 1,437 units in 17 affordable rental projects statewide. However, older project contracts have expired and with a lack of resources for new projects, only 10 projects remain in the program, with a total of 1,204 assisted units. Rental subsidies are critical to address the lack of affordable housing. Your Committee believes that the rental assistance program should be reevaluated to provide more assistance to address the lack of affordable housing.

As affirmed by the record of votes of the members of your Committee on Housing that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 147 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1830 Housing on S.R. No. 114

The purpose and intent of this measure is to encourage the Hawaii Housing Finance and Development Corporation to reevaluate the rental assistance program.

Your Committee received testimony in support of this measure from PHOCUSED, O'ahu County Democrats Legislative Priorities Committee, and one individual. Your Committee received comments on this measure from the Hawaii Housing Finance and Development Corporation.

Your Committee finds that affordable housing remains one of the most pressing issues in the State. The state rental assistance program provides qualified rental project owners with monthly rental assistance subsidies to assist eligible tenants to make their rental payments. Your Committee further finds that since its inception, the rental assistance program has provided rental assistance subsidies for 1,437 units in 17 affordable rental projects statewide. However, older project contracts have expired and with a lack of resources for new projects, only 10 projects remain in the program, with a total of 1,204 assisted units. Rental subsidies are critical to address the lack of affordable housing. Your Committee believes that the rental assistance program should be reevaluated to provide more assistance to address the lack of affordable housing.

As affirmed by the record of votes of the members of your Committee on Housing that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 114 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 1831 (Majority) Ways and Means on S.C.R. No. 108

The purpose and intent of this measure is to urge the Department of Parks and Recreation of the City and County of Honolulu to partner with a reputable non-profit organization to design, finance, construct, and operate a racetrack facility on closed military air field land in Kalaeloa.

The measure also requests the Department of Public Safety and Department of Business, Economic Development, and Tourism to facilitate and approve the racetrack's development.

Your Committee received written comments in support of this measure from the University of Hawaii at Manoa Rainbow Warrior Racing Team; Drag Racers Against Graffiti and Gangs; Asbestos Analytical and Consultants; Sports Car Club of America Hawaii; Naval Air Station Barbers Point Museum; First Life After Prison; Yamas Automotive Repair, LLC; Corvette Club of Hawaii; Cobra Club of Hawaii; Miata Club of Hawaii; Wicked Stangs of Hawaii; and numerous individuals.

Your Committee received written comments in opposition to this measure from the Save Ewa Field Kanehili Cultural Hui, Ka Makana Neighborhood Security Watch, Kapolei-Makakilo-Honokai Hale Neighborhood Board #34 Transportation Committee, Friends of Makakilo, Veterans of Foreign Wars of Hawaii, Hawaii's Thousand Friends, and three individuals.

Your Committee finds that similar racetracks exist on donated closed air field land in the Counties of Hawaii, Maui, and Kauai.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 108 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 8; Ayes with Reservations (Moriwaki, Riviere, Shimabukuro). Noes, 1 (Fevella). Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1832 Ways and Means on S.C.R. No. 115

The purpose and intent of this measure is to request the Governor to prioritize the planting of four million trees along streets and roadways within the next four years.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and five concerned individuals.

Your Committee finds that planting additional trees along streets and roadways will help to make streets safer by slowing traffic, and will reduce urban heat, reduce stormwater runoff and erosion, improve air quality, and sequester additional carbon dioxide from the atmosphere.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 115 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9; Ayes with Reservations (Fevella). Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1833 Ways and Means on S.C.R. No. 118

The purpose and intent of this measure is to request the Department of Agriculture to explore ways to support Hawaii's dairy industry by designating areas in each county for dairy operations and developing incentives to increase dairy operations in the State.

Your Committee received written comments in support of this measure from the Department of Agriculture, Hawaii Farm Bureau, and one individual.

Your Committee received written comments in opposition to this measure from Animal Rights Hawaii, Keiko Conservation, Aloha Animal Advocates, Pele Lani Farm LLC, and four individuals.

Your Committee finds that this measure addresses the decline in dairy operations in the State, aims to reduce reliance on imported dairy products, and aligns with the statewide goal of increasing local food production.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 118, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

## SCRep. 1834 Ways and Means on S.C.R. No. 119

The purpose and intent of this measure is to explore alternatives to current renewable energy and agricultural operations by requesting the State Energy Office, in collaboration with the Department of Agriculture, to create and implement a strategic plan to increase renewable energy and local food production and create an economic impact report based on implementation of the strategic plan.

Your Committee received written comments in support of this measure from the Hawaii Farm Bureau and Ka Ohana O Na Pua.

Your Committee received written comments on this measure from the Department of Agriculture and Life of the Land.

Your Committee finds that this measure aligns with both the State's renewable energy and local food production goals by encouraging action that will contribute to the State's energy and agricultural self-sufficiency, security, and resilience.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 119, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1835 Ways and Means on S.C.R. No. 121

The purpose and intent of this measure is to request the Department of Human Resources Development to establish a pilot program to train prospective employees for success in employment with the State.

Your Committee received written comments in support of this measure from one individual.

Your Committee finds that a pilot fellowship program has the potential to provide the State an additional source for recruiting, promoting, and retaining government employees.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 121, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1836 Ways and Means on S.C.R. No. 123

The purpose and intent of this measure is to increase the number of people prepared to enter public safety and resources enforcement careers by urging the Department of Public Safety and Division of Conservation and Resources Enforcement of the Department of Land and Natural Resources to strengthen and enhance the school-to-career pipeline for positions in public safety and resources enforcement.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that by raising awareness regarding possible careers in public safety and resources enforcement, this measure helps to reduce state job vacancies and increase employee retention.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 123, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1837 Ways and Means on S.C.R. No. 124

The purpose and intent of this measure is to urge the Governor to establish and implement a tree planting program to plant at least one million new native trees per year over the next four years.

Your Committee received written comments in support of this measure from eight concerned individuals.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that there are more than one hundred eighty thousand acres in the Forest Reserve System that would benefit from the planting of approximately five to seven million trees. If planted, these additional trees will improve watershed health and sequester millions of tons of carbon dioxide.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 124, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1838 Ways and Means on S.C.R. No. 125

The purpose and intent of this measure is to increase the number of qualified individuals in the areas of facilities maintenance and construction management in the State.

More specifically, this measure urges the University of Hawaii, in consultation with its facilities offices, the Department of Accounting and General Services, and industry representatives, to develop an integrated plan to provide certificates, degrees, and associated pathways in the areas of facilities maintenance and construction management.

Your Committee received written comments in support of this measure from the Department of Accounting and General Services.

Your Committee finds that the State currently lacks a formal training pipeline for building facilities maintenance and construction management positions. Your Committee further finds that increasing the number of qualified individuals in these areas can help to address the State's shortage of qualified candidates for numerous vacant building facility manager and maintenance worker positions across the public and private sectors.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 125 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1839 Ways and Means on S.C.R. No. 126

The purpose and intent of this measure is to encourage the expansion of the aquaculture industry in Hawaii, specifically through the transfer of certain University of Hawaii College of Tropical Agriculture and Human Resources land parcels to the Agribusiness Development Corporation for the purposes of establishing aquaculture production on those lands.

Your Committee received written comments in support of this measure from the Department of Agriculture, University of Hawaii, Hawaii County Council, Ka Ohana O Na Pua, and Hawaii Farm Bureau.

Your Committee received written comments in opposition to this measure from one individual.

Your Committee finds that this measure aims to reduce reliance in the State on imported seafood and aligns with the statewide goal of increasing local food production through expansion of Hawaii's aquaculture industry.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 126 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1840 Ways and Means on S.C.R. No. 154

The purpose and intent of this measure is to ensure transparency and accountability in the administration of University of Hawaii programs meant to benefit students.

Specifically, this measure requests the University of Hawaii Office of Internal Audit to conduct an audit of various programs at the University of Hawaii, West Oahu, that receive extramural funding, including Title III grant funding.

Your Committee received written comments in support of this measure from the University of Hawaii.

Your Committee finds that an audit of the various University of Hawaii, West Oahu, programs that receive extramural funding will help to ensure that the campus is appropriately using this funding for the benefit of students.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 154 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1841 Ways and Means on S.C.R. No. 164

The purpose and intent of this measure is to grant legislative approval to amend an easement for a portion of state submerged lands located seaward of Spreckelsville, Wailuku, Maui.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to dispose of state submerged lands. The Board has increased the area of a previously issued easement on the property identified as Tax Map Key: (2) 3-8-002: seaward of 001, from 1,128 square feet, more or less, to 2,206 square feet, more or less, based on a finalized easement map. Your Committee further finds that this measure expresses the requisite legislative approval so that the existing easement may be amended to include this area. Your Committee notes that the grantee will be required to pay the State the fair market value of the easement as consideration for the use of public lands.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 164 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1842 Ways and Means on S.C.R. No. 180

The purpose and intent of this measure is to support the development of a Hawaiian Language Plan to advance the use of the Hawaiian language in government services and transactions, private sector activity, tourism, and education in the State.

Your Committee received written comments in support of this measure from the Department of Education, Office of Hawaiian Affairs, and Kamehameha Schools.

Your Committee finds that this measure aims to preserve olelo Hawaii, an indigenous language of the State that is constitutionally-recognized as one of the State's official languages.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 180, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1843 Ways and Means on S.C.R. No. 184

The purpose and intent of this measure is to request the establishment of a working group to explore matters related to the Ala Wai Watershed, including the Ala Wai Canal Flood Risk Management Project.

Your Committee received written comments in support of this measure from four individuals.

Your Committee finds that this measure encourages dialogue and action to address community concerns regarding the Ala Wai Watershed.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 184, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1844 Ways and Means on S.C.R. No. 186

The purpose and intent of this measure is to support student involvement in the 2020 Hawaii-Asia Youth Program.

More specifically, this measure:

- (1) Urges the State to provide budgetary and fiscal support to the first group of ten students from Nanakuli High School and Waianae High School to participate in the 2020 Hawaii-Asia Youth Program; and
- (2) Encourages the Department of Education to work with the Center for Chinese Studies of the University of Hawaii at Manoa and Education Advancement Fund International to recruit students to participate in and to manage the logistics of the program.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that encouraging involvement in the 2020 Hawaii-Asia Youth Program will provide students with beneficial and unique educational experiences.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 186 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1845 Ways and Means on S.C.R. No. 188

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to complete the 2017 independent financial audit and management review of the office and its subsidiaries.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that an independent audit and management review are needed to identify areas of waste and inefficiency and to assist the Office of Hawaiian Affairs in the implementation of its mission.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 188 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 1846 Ways and Means on S.C.R. No. 190

The purpose and intent of this measure is to request the Department of Education to conduct and submit to the Legislature a study that assesses the adequacy of programs within the department that are designed to prepare students for vocational careers.

Your Committee received written comments in support of this measure from the Hawaii State Teachers Union.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that many vocational career fields provide livable incomes for a number of the State's residents. Accordingly, your Committee finds that some students may benefit from the Department of Education's offering of courses and training in these fields.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 190 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1847 Ways and Means on S.C.R. No. 214

The purpose and intent of this measure is to encourage the Imiloa Astronomy Center to increase its educational efforts on Mauna Kea.

More specifically, this measure:

- (1) Encourages the Imiloa Astronomy Center to further develop and lead educational efforts on Mauna Kea at Hale Pohaku;
- Encourages the transfer of the University of Hawaii's educational outreach efforts and operations at Hale Pohaku to the Imiloa Astronomy Center;
- (3) Requests that the chancellors of the University of Hawaii at Manoa and the University of Hawaii at Hilo submit a report to the Legislature; and
- (4) Requests that existing astronomical facilities contribute financial capital resources to construct the Imiloa Uka facility at Hale Pohaku.

Your Committee received written comments in support of this measure from Pacific International Space Center for Exploration.

Your Committee finds that the Imiloa Astronomy Center has found success in engaging Native Hawaiian students and residents of the State through the incorporation of Hawaiian culture and history into its educational efforts.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 214, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1848 Ways and Means on S.C.R. No. 20

The purpose and intent of this measure is to request the Department of Agriculture and Hawaii Tourism Authority to report to the Legislature on the processing of State of Hawaii plant and animal declaration forms, including the costs involved, and to convene a task force to review the form's efficacy.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Hawaii Tourism Authority, Hawaii Farm Bureau, and ILWU Local 142.

Your Committee received written comments on this measure from the Department of Agriculture and Department of Business, Economic Development, and Tourism.

Your Committee finds that State of Hawaii plant and animal declaration forms completed by passengers arriving in Hawaii are a tool used to prevent the unintentional introduction of invasive plant and animal species into the State. More detailed information on the use and processing of the data collected by the forms may present opportunities to make the system more effective and cost-efficient.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 20, S.D. 1, and recommends its adoption.

Signed by the President on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1849 Ways and Means on S.C.R. No. 70

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to conduct an independent fiscal audit of all limited liability corporations created or controlled by the Office.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that the transactions, accounts, procedures, and performance of limited liability corporations created by the Office of Hawaiian Affairs were not included in the scope of the Office of the Auditor's 2018 audit of the Office of Hawaiian Affairs. Accordingly, your Committee finds that an independent audit of these entities is necessary to understand the full scope of the Office's fiscal health.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 70 and recommends its adoption.

Signed by the President on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1850 Ways and Means on S.C.R. No. 71

The purpose and intent of this measure is to urge examination and consideration of a sliding scale tuition or fee schedule for state pre-kindergarten programs.

Your Committee received written comments in opposition to this measure from the Hawaii State Teachers Association.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that an exploration of means of funding for pre-kindergarten programs is appropriate.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 71 and recommends its adoption.

Signed by the President on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1851 Ways and Means on S.C.R. No. 89

The purpose and intent of this measure is to encourage the Department of Accounting and General Services to identify on-site energy production and energy conservation opportunities at the State Capitol that will respect the historic building and serve as an example of public renewable energy production.

Your Committee received written comments in support of this measure from the Department of Accounting and General Services and the Department of Business, Economic Development, and Tourism.

Your Committee finds that making the Hawaii State Capitol an exemplification of the Governor and Legislature's on-site energy production and energy conservation principles will provide credibility and leadership in guiding the entire State to reach statutorily established renewable energy goals.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 89, S.D. 1, and recommends its adoption.

Signed by the President on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

## SCRep. 1852 Ways and Means on S.C.R. No. 183

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to issue term, non-exclusive easements covering a portion of state submerged lands identified as Tax Map Key: (2) 3-9-11:8, situated at Waiohuli-Keokea (Kihei), Wailuku, Maui, Hawaii, for the use, maintenance, and repair of the existing seawall constructed thereon.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the prior approval of the Governor and prior authorization of the Legislature by concurrent resolution for this disposition of state submerged lands.

Your Committee also finds that on August 25, 2017, under agenda item D-9, and on October 12, 2018, under agenda item D-5, the Board of Land and Natural Resources approved the issuance of term, non-exclusive easements to resolve the encroachments of the existing seawall areas identified in this measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 183 and recommends its adoption.

Signed by the President on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1853 Judiciary on H.B. No. 201

The purpose and intent of this measure is to clarify that certain agencies and its employees have the authority to enter private property to control and eradicate invasive species when there is a reasonable suspicion that invasive species are present.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources; Department of Agriculture; Office of the Mayor of the County of Hawai'i; Maui Chamber of Commerce; Hawaiian Electric Company, Inc.; and two individuals. Your Committee received testimony in opposition to this measure from Animal Rights Hawai'i.

Your Committee finds that invasive species are persistent and an ongoing issue that is detrimental to the State's various industries, ecosystem, and quality of life. Invasive species can swiftly and permanently alter the ecosystem of the State if not effectively and efficiently eradicated. Your Committee further finds that it is critically important to address a new invasive pest species as soon as it is detected to ensure the protection of the State's ecosystem. This measure will clarify the power of an authorized agent to enter private property when there is reasonable suspicion that an invasive species is present to ensure the rapid and complete removal of such species and pests.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 201, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Kim).

### SCRep. 1854 Judiciary on H.B. No. 6

The purpose and intent of this measure is to establish the Uniform Employee and Student Online Privacy Protection Act that adopts uniform laws on protecting the online accounts of employees, prospective employees, unpaid interns, applicants, students, and prospective students from employers and educational institutions.

Your Committee received testimony in support of this measure from the Department of Education, Commission to Promote Uniform Legislature, Hawai'i Civil Rights Commission, and University of Hawai'i System. Your Committee received comments on this measure from the American Civil Liberties Union of Hawaii.

Your Committee finds that privacy is a growing concern as social media use rises and employers increasingly ask current and prospective employees to grant the employer access to social media accounts. Likewise, many educational institutions seek to examine the social media presence of current and prospective students.

Your Committee further finds that employers and educational institutions have the power to coerce access to non-public information of prospective and current employees and students' personal online accounts. Allowing access to non-public online information to those who have leverage over a person's education and livelihood may lead to discrimination, self-censorship, and the chilling of free expression. This measure protects employee and student online account information from the demands of employers and educational institutions while ensuring that employers and educational institutions are able to address non-compliance with laws and regulations that directly impact them.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 6, H.D. 3, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kim, Wakai).

# SCRep. 1855 Judiciary on H.B. No. 1035

The purpose and intent of this measure is to authorize the Department of Land and Natural Resources to enter into the Interstate Wildlife Violator Compact or similar agreement for mutual assistance in the enforcement of wildlife laws.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources, Animal Rights Hawai'i, Pono Advocacy, West Hawaii Humane Society, For the Fishes, Hawaiian Humane Society, The Humane Society of the United States, Oahu County Democrats Legislative Priorities Committee, and two individuals.

Your Committee finds that the Interstate Wildlife Violator Compact is a multistate agreement that promotes enforcement of hunting, fishing, trapping, and other wildlife related regulations across jurisdictions. Forty-eight states have passed legislation necessary to join the Interstate Wildlife Violator Compact, whereby persons who have had their licenses revoked in one state are prohibited from engaging in those licensed activities in another state that is part of the compact agreement. This measure will allow the Department of Land and Natural Resources to enhance hunting, fishing, and other wildlife protection enforcement efforts.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1035, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 1856 Judiciary on H.B. No. 720

The purpose and intent of this measure is to strengthen the system of firearm reporting in the State by requiring firearm owners to report lost, stolen, or destroyed firearms.

Your Committee received testimony in support of this measure from the County of Hawai'i Office of the Mayor, City and County of Honolulu Police Department, O'ahu County Democrats Legislative Priorities Committee, and two individuals. Your Committee received testimony in opposition to this measure from the National Rifle Association of America, Institute for Rational and Evidence-Based Legislation, and twenty-three individuals.

Your Committee finds that access to accurate information in the national and local databases for lost, stolen, or destroyed firearms enhances police officer safety in situations involving firearm ownership and possession issues. This information allows police officers to timely investigate and seize lost and stolen weapons quickly and surely. Your Committee further finds that law enforcement officers must have knowledge and an accurate record of lost, stolen, or destroyed firearms to protect the public.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 720, H.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 1857 Judiciary on H.B. No. 665

The purpose and intent of this measure is to specify that a health care provider is not required to consult the electronic prescription accountability system:

- (1) In an in-patient setting when the system is consulted at the time the patient is initially admitted to a hospital and the prescription will be directly administered under the supervision of a health care provider;
- (2) For patients in post-operative care with a prescription limited to a three-day supply; and
- (3) For patients with a terminal disease receiving hospice or other palliative care.

Your Committee received testimony in support of this measure from the Healthcare Association of Hawaii, Kaiser Permanente, Adventist Health Castle, The Queen's Health Systems, Hawaii Medical Association, Hawai'i Pacific Health, and O'ahu County Democrats Legislative Priorities Committee. Your Committee received comments on this measure from the Drug Policy Forum of Hawaii.

Your Committee finds that the Prescription Drug Monitoring Program, commonly known as the PDMP, is an effective tool to identify and prevent opioid or other substance misuse issues or unintended drug interactions. However, patients who are terminally ill and receiving palliative care, certain post-operative patients, or patients in an in-patient setting face a lower risk of opioid abuse

compared to other opioid users. Your Committee further finds that by exempting PDMP queries for post-operative patients prescribed a three-day or less supply of drugs, patients receiving prescriptions administered directly by health care providers, and terminally ill patients receiving hospice or other palliative care, this measure may increase compliance and efficiency of PDMP usage by providers and reduce obstacles to care for these specific patient populations.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 665, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

#### SCRep. 1858 Judiciary on H.B. No. 941

The purpose and intent of this measure is to:

- (1) Allow an employee's designation of beneficiary form to be kept in the department where the employee is employed; and
- (2) Permit the designation of beneficiary information to be filed and maintained electronically.

Your Committee received testimony in support of this measure from the Department of Accounting and General Services.

Your Committee finds that existing law regarding the filing of state employees' designation of beneficiary forms has resulted in thousands of forms being maintained in a central location at the Department of Accounting and General Services. The maintenance and upkeep of these forms is manual and extremely labor intensive. By having the forms kept in the employing department, personnel forms can be routinely discarded or updated in a timelier and more efficient manner. Additionally, allowing the designation of beneficiary information to be filed and maintained electronically will provide employees with direct accessibility to important beneficiary designation options.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 941, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

### SCRep. 1859 Energy, Economic Development, and Tourism on Gov. Msg. Nos. 554 and 555

Recommending that the Senate advise and consent to the nominations of the following:

### BOARD OF DIRECTORS OF THE NATURAL ENERGY LABORATORY OF HAWAI'I

G.M. No. 554 CYD MIYASHIRO, for a term to expire 06-30-2019; and

G.M. No. 555 CYD MIYASHIRO, for a term to expire 06-30-2023

Your Committee has reviewed the resume submitted by Cyd Miyashiro for service on the Board of Directors of the Natural Energy Laboratory of Hawaii Authority.

Your Committee received testimony in support of the nomination for the appointment and reappointment of Cyd Miyashiro from the Office of Planning; Department of Business, Economic Development, and Tourism; Hawaii Strategic Development Corporation; Natural Energy Laboratory of Hawaii Authority; and four individuals.

Upon review of the testimony, your Committee finds that Ms. Miyashiro's experience, commitment to public service, and proven leadership qualify her for service on the Board of Directors of the Natural Energy Laboratory of Hawaii Authority. Your Committee notes that Ms. Miyashiro has professional experience as the Vice President of Corporate Banking at American Savings Bank, Hawaii Broadband Initiative Strategy Officer for the Department of Business, Economic Development, and Tourism, and acting Executive Director for the Hawaii Green Infrastructure Authority. Furthermore, Ms. Miyashiro is a business representative member of the Hawaii Interagency Council for Transit-Oriented Development. Your Committee further finds that Ms. Miyashiro's finance, energy, and private sector business experience will be crucial to the Natural Energy Laboratory of Hawaii maintaining its self-sufficiency and operating with a strong, business-oriented perspective.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

# SCRep. 1860 Judiciary on H.B. No. 336

The purpose and intent of this measure is to:

- (1) Require the Director of Public Safety, in the event of the death of an inmate who is in a state or contracted correctional facility, or death of a correctional facility or community correctional center employee, to report to the Governor, who shall then report to the Legislature, certain information regarding the death, subject to state and federal laws; and
- (2) Require the Department of Public Safety to preserve any forensic evidence consisting of human biological specimens if there is any indication of sexual assault leading to the death.

Your Committee received testimony in support of this measure from the Department of Public Safety, Office of Hawaiian Affairs, Community Alliance on Prisons, Planned Parenthood Votes Northwest and Hawaii, and three individuals.

Your Committee finds that the death of an inmate or an employee at a state or contracted correctional facility is a serious matter of concern. Your Committee further finds that transparency in the investigation of deaths and sexual assaults at correctional facilities is vital to their just and proper administration. This measure will improve transparency and urgency in the procedures surrounding the deaths and sexual assaults of inmates and correctional employees by requiring the Director or Department of Public Safety to expediently report inmate and employee deaths to the Governor, who shall then report to the Legislature; provide an annual report of inmate and employee sexual assaults; and preserve forensic evidence if there is any indication of sexual assault leading to the person's death. Your Committee notes, however, that clinical mortality reviews at correctional facilities follow a procedure that renders delivery of such a report impossible within the forty-eight hours required by this measure.

Accordingly, your Committee has amended this measure by:

- Requiring the report on the clinical mortality review to be submitted within thirty days of a death instead of within forty-eight hours; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 336, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 336, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 1861 Judiciary on H.B. No. 754

The purpose and intent of this measure is to:

- (1) Establish a framework for the Department of Transportation and the counties to regulate electric foot scooters;
- (2) Add a definition of "electric foot scooter" and include electronic foot scooters as bicycles for certain laws;
- (3) Amend definitions of "moped", "motor vehicle", "rental motor vehicle", and "vehicle" to exclude electric foot scooters; and
- (4) Prohibit use of electric foot scooters to individuals under the age of fifteen.

Your Committee received testimony in support of this measure from the Department of Transportation; County of Kauai; Department of Transportation Services of the City and County of Honolulu; Office of Climate Change, Sustainability and Resiliency of the City and County of Honolulu; and Young Democrats of Hawaii.

Your Committee finds that shared micromobility vehicles, including bicycles, e-bikes, and electric foot scooters, are more frequently becoming part of multimodal transportation systems. Your Committee further finds that although electric foot scooters are becoming increasingly common, they are not adequately regulated under existing law. Your Committee additionally finds that electric foot scooters are vehicles but are not bicycles, and that applying bicycle regulations to electric foot scooters is not optimal.

Accordingly, your Committee has amended this measure by:

- (1) Establishing a regulatory framework specifically for electric foot scooters as vehicles instead of regulating electric foot scooters in a manner similar to bicycles; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committee also notes that the definition of "electric foot scooters" provided in this measure is extremely broad and could potentially be interpreted to include certain types of children's toys, and that narrowing this definition may merit further discussion as this measure proceeds in the legislative process.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 754, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 754, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

# SCRep. 1862 Commerce, Consumer Protection, and Health on H.B. No. 499

The purpose and intent of this measure is to correct labeling dimensions for display fireworks, articles pyrotechnic, or aerial devices.

Your Committee received testimony in support of this measure from the State Fire Council, Honolulu Fire Department, County of Hawai'i Fire Department, Kaua'i Fire Department, and one individual.

Your Committee finds that labeling dimensions for display fireworks, articles pyrotechnic, and aerial devices originally codified into existing law are incorrect and need clarification. This measure corrects the labeling requirement dimensions, which will allow labels to be placed on smaller-sized pyrotechnic devices, and conforms with industry standard code.

Your Committee has amended this measure by inserting an effective date of July 1, 2019.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 499, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 499, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Chang, Fevella).

#### SCRep. 1863 Commerce, Consumer Protection, and Health on H.B. No. 556

The purpose and intent of this measure is to:

- (1) Establish minimum appliance efficiency standards for certain products sold or installed in the State; and
- (2) Require the Public Benefits Fee Administrator to educate and train appliance manufacturers, distributors, and retailers about the appliance efficiency standards.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs; Department of Business, Economic Development, and Tourism; Public Utilities Commission; City and County of Honolulu Office of Climate Change, Sustainability, and Resiliency; County of Kaua'i Office of Economic Development; City and County of Honolulu Board of Water Supply; O'ahu County Democrats Committee on Legislative Priorities; Young Democrats of Hawaii; Americans for Democratic Action Hawai'i; Hawai'i Energy; 350Hawaii; California Energy Commission; Consumer Federation of America; Environment America; Blue Planet Foundation; Sierra Club of Hawai'i; Natural Resources Defense Council; Elemental Excelerator; Ulupono Initiative; and twenty individuals. Your Committee received testimony in opposition to this measure from Retail Merchants of Hawaii, Information Technology Industry Council, and Plumbing Manufacturers International. Your Committee received comments on this measure from the Consumer Technology Association.

According to testimony received by your Committee, Hawaii residents pay double or triple what residents of other states pay for their energy, and the potential savings from appliance efficiency standards are substantial. State-level standards for minimum energy and water efficiency can collectively save Hawaii consumers and businesses more than \$38 million annually in utility bills by 2025, with annual savings expected to grow to over \$75 million by 2035, adding dollars to consumers' pockets and benefiting the economy.

Additionally, recommended appliance efficiency standards would annually prevent sixty-one thousand metric tons of carbon pollution, the equivalent of taking over thirteen thousand cars off the road. Furthermore, a recent study found that one-third of Hawaii's clean energy goals could be reached through adoption of new appliance standards and implementation of updated building codes. Your Committee further finds that appliances meeting the efficiency standards are readily available from multiple manufacturers. Other states with larger markets, like California, have already accomplished significant work in setting the appropriate standards and shifting manufacturers' behaviors and compliance. Adopting appliance efficiency standards in the State will promote the acceleration of Hawaii's clean energy goals, benefit consumers by reducing energy costs, and help to reduce greenhouse gas emissions.

Your Committee further notes that this measure incorporates certain sections of the California Code of Regulations by reference, which could make Hawaii law subject to change via an administrative process in California without meaningful public notice to residents in Hawaii. Therefore, amendments are necessary to address these concerns.

Accordingly, your Committee has amended this measure by:

- (1) Deleting language that would have defined specific terms;
- (2) Clarifying that the Department of Business, Economic Development, and Tourism shall adopt rules on minimum appliance efficiency standards that are substantially equivalent to the existing appliance efficiency standards established in California, and outlining factors to be used in the Department's determination when setting minimum efficiency standards, rather than requiring the Director of Business, Economic Development, and Tourism to adopt standards based on California regulations incorporated into the Hawaii Revised Statutes by reference;
- (3) Clarifying that the Department of Business, Economic Development, and Tourism may adopt by rule a more recent version of an efficiency standard to maintain or improve consistency with the California appliance efficiency standards; provided that:
  - (A) The resulting efficiency is equal to or greater than the efficiency achieved using the prior standard; and
  - (B) There is a one-year delay between the adoption of a rule and the enforcement of any new efficiency standard;
- (4) Clarifying the scope of the appliance efficiency rules to be adopted by the Department of Business, Economic Development, and Tourism;
- (5) Removing language that would have established specific appliance energy standards for certain products, provided protection against repeal of federal regulations, and established testing, certification, and labeling requirements for products to determine compliance;
- (6) Clarifying the dates upon which products and appliances that are sold, leased, rented, or installed in the State must meet or exceed the efficiency standards established by this measure;
- (7) Removing language that would have required the Public Benefits Fee Administrator to educate and train appliance manufacturers, distributors, and retailers of appliances covered under the efficiency standards established by this measure;
- (8) Updating the purpose section;
- (9) Inserting an effective date of July 1, 2019; and
- (10) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committee notes that this amended measure grants the Department of Business, Economic Development, and Tourism the authority to update the Department's administrative rules as necessary to keep pace with California standards, without the need to approach the Legislature every time an appliance efficiency standard changes, while still providing meaningful notice to the public regarding any changes.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 556, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 556, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

### SCRep. 1864 Commerce, Consumer Protection, and Health on H.B. No. 1157

The purpose and intent of this measure is to exempt students in post-secondary education programs from immunization requirements if they attend classes exclusively online or through distance learning, under certain conditions.

Your Committee received testimony in support of this measure from the University of Hawai'i System and O'ahu County Democrats Committee on Legislative Priorities. Your Committee received comments on this measure from the Department of Health.

Your Committee finds that colleges and universities are offering increasing numbers of courses and programs online. As methods of educational delivery change, certain requirements that have been traditionally imposed on students, such as immunizations, may not be as relevant as they are for students receiving traditional classroom instruction. Your Committee further finds that the Department of Health is proposing a rule change to exempt post-secondary students who are enrolled in exclusively online courses or degree programs from the current immunization requirements. However, the Department's proposed rule change may not be adopted in time for the fall 2019 semester. This measure therefore provides an exemption from the immunization requirements for these students in a timely manner.

Your Committee has amended this measure by:

- (1) Inserting an effective date of July 1, 2019; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1157, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1157, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 5; Ayes with Reservations (Ruderman). Noes, none. Excused, 2 (Chang, Fevella).

### SCRep. 1865 Commerce, Consumer Protection, and Health on H.B. No. 270

The purpose and intent of this measure is to:

- (1) Define "flood damage" as it relates to a rebuilt vehicle; and
- (2) Expand the definition of "rebuilt vehicle" to include vehicles that have been rebuilt after sustaining flood damage or material damage to the vehicle's electronics.

Your Committee received testimony in support of this measure from the Department of Transportation, State Farm Mutual Automobile Insurance Company, and Insurance Auto Auctions.

Your Committee finds that under existing law, a vehicle that is declared a total loss can only be subject to a branded "rebuilt vehicle" title if there is material damage to its frame, unitized structure, or suspension system, and the cost to repair is greater than the vehicle's market value. When an automobile insurer makes this determination, and the car is subsequently rebuilt, it must be branded with a "rebuilt title", which warns future purchasers that the car has been declared a total loss and might have hidden defects that could affect its safe operation. However, existing law does not require a car that has sustained significant flood damage and likewise been declared a total loss to be similarly branded since the existing definition of "rebuilt vehicle" does not include flood damage or damage to a car's electronics. Because modern cars are equipped with electronics and advanced technology, this measure corrects this oversight by adding flood damage and damage to a vehicle's electronics to the determination of total loss for titling purposes. This is a consumer protection and safety issue, and is particularly relevant in Hawaii where severe storms and salt water can and do cause flood damage to vehicles and vehicle electronics.

Your Committee has amended this measure by:

- (1) Clarifying the definition of "flood damage" to include potential areas of a vehicle where damage may occur;
- (2) Inserting an effective date of July 1, 2019; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 270, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 270, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Chang, Fevella).

### SCRep. 1866 Commerce, Consumer Protection, and Health on H.B. No. 1305

The purpose and intent of this measure is to authorize the State and electrical and natural gas utilities to enter into a mutual assistance agreement with an out-of-state utility to assist in the restoration of electrical or natural gas power following a natural disaster or emergency.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs; Hawaiian Electric Company, Inc.; Hawaii Gas; and O'ahu County Democrats Committee on Legislative Priorities.

Your Committee finds that after an emergency or natural disaster that has caused damage to electric grids or utility gas infrastructure, urgent repairs are needed to restore utility services to Hawaii customers. Mutual assistance agreements are a mechanism to allow qualified utility workers and employees from out-of-state utilities to assist Hawaii's electric and natural gas utilities with safe and timely restoration efforts. This measure provides certain exemptions and exceptions to laws, rules, regulations, and orders in limited circumstances that may otherwise slow or hinder out-of-state assistance during times of emergency.

Your Committee has amended this measure by:

- (1) Inserting an effective date of July 1, 2019; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1305, H.D. 2, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1305, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Chang, Fevella).

### SCRep. 1867 Judiciary on H.B. No. 218

The purpose and intent of this measure is to grant the Circuit Court, when sentencing a minor for a criminal offense, the discretion to:

- (1) Impose a sentence that includes a period of incarceration that is as much as fifty percent shorter than any mandatory minimum; and
- (2) In certain cases, decline to impose a mandatory enhanced sentence.

Your Committee received testimony in support of this measure from the Office of Hawaiian Affairs, Human Rights for Kids, Oʻahu County Democrats Committee on Legislative Priorities, and one individual. Your Committee received testimony in opposition to this measure from the Honolulu Police Department.

Your Committee finds that the Supreme Court of the United States noted in *Miller v. Alabama*, 567 U.S. 460 (2012), that "only a relatively small proportion of adolescents" who engage in illegal activity "develop entrenched patterns of problem behavior", and "developments in psychology and brain science continue to show fundamental differences between juvenile and adult minds", including "parts of the brain involved in behavior control." Your Committee further finds that children and adolescents are generally more easily influenced by peers, less able to fully understand the consequences of their actions, and more responsive to rehabilitation than fully mature adults. Your Committee additionally finds that lengthy periods of incarceration expose minors to significant negative influences and can severely interfere with their ability to learn from their misdeeds and develop into lawful members of society. This measure grants the Circuit Court the discretion to impose reduced sentences, below mandatory enhanced sentences in certain cases, when sentencing a minor for a criminal offense.

Your Committee has amended this measure by removing the exemption to the judicial discretion proposed by this measure in cases of conviction for a felony that is a violent crime or that resulted in serious bodily injury.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 218, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 218, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

# SCRep. 1868 Ways and Means on H.B. No. 510

The purpose and intent of this measure is to appropriate funds for the operating and capital improvement costs of the Judiciary for the fiscal biennium beginning July 1, 2019, and ending June 30, 2021.

Your Committee received written comments in support of this measure from the Judiciary; Appellate Section of the Hawaii State Bar Association; Volunteer Legal Services Hawai'i; Legal Aid Society of Hawai'i; KAI LAW, LLC; Maui County Bar Association; Hawaii State Bar Association; West Hawaii Bar Association; and two individuals.

Your Committee notes that the Judiciary requested an increase of \$8,446,934 in general funds in fiscal year 2019-2020, and \$9,409,629 in general funds in fiscal year 2020-2021. Your Committee has approved full-year funding for newly established positions, resulting in an appropriation of \$8,815,397 in general funds for fiscal year 2019-2020, and \$8,946,690 in general funds for fiscal year 2020-2021.

Your Committee also approved the authorization of \$12,595,000 in general obligation bond funds for fiscal year 2019-2020, and \$9,343,000 in general obligation bond funds for fiscal year 2020-2021.

Your Committee also made technical nonsubstantive changes to this measure for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 510, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 510, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

### SCRep. 1869 Ways and Means on H.B. No. 172

The purpose and intent of this measure is to appropriate funds for the Fiscal Biennium 2019-2021 operating budget of the Office of Hawaiian Affairs.

Your Committee received written comments in support of this measure from Office of Hawaiian Affairs; Kamehameha Schools; The Queen's Health Systems; Council for Native Hawaiian Advancement; Kuaʻāina Ulu 'Auamo; Kanu o ka 'Āina Learning 'Ohana; Oahu County Democrats Legislative Priorities Committee; The Association of Hawaiian Civic Clubs; Prince Kūhiō Hawaiian Civic Club; and numerous individuals.

Your Committee received comments on this measure from the Office of the Auditor.

Your Committee finds that the Office of Hawaiian Affairs is a semi-autonomous state agency established by the Hawaii State Constitution whose mandate is to better the conditions of Native Hawaiians. Your Committee further finds that the appropriations made by this measure will help the Office of Hawaiian Affairs to fulfill this mandate.

Your Committee has amended this measure by:

- (1) Changing the amounts appropriated or authorized to the amounts proposed as the measure was introduced; and
- (2) Making technical non-substantive changes for purposes of clarity and consistency.

Your Committee respectfully requests that the Committee on Conference convened for this measure examine the general fund subsidy that is provided to the Office of Hawaiian Affairs. Specifically, your Committee notes that the Office of Hawaiian Affairs currently has a large, unused balance of trust funds under its control.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 172, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 172, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1870 Judiciary on H.B. No. 483

The purpose and intent of this measure is to:

- Incorporate federal law regarding social groups and youth services organizations and same-sex living facilities into Act 110, Session Laws of Hawaii 2018;
- (2) Extend the deadline for the Legislative Reference Bureau to complete the study requested by Act 110, Session Laws of Hawaii 2018, on existing federal Title IX enforcement practices and procedures on the federal level and in other jurisdictions; and
- (3) Require the Legislative Reference Bureau to submit a report to the Legislature no later than August 1, 2019.

Your Committee received testimony in support of this measure from the Hawai'i State Commission on the Status of Women, Hawai'i Civil Rights Commission, LGBT Caucus of the Democratic Party of Hawaii, Pride at Work Hawaii, American Association of University Women of Hawaii, Healthy Mothers Healthy Babies, League of Women Voters of Hawaii, The Sex Abuse Treatment Center, Oahu County Democrats Committee on Legislative Priorities, Midwives Alliance of Hawaii, and seven individuals. Your Committee received comments on this measure from the Legislative Reference Bureau.

Your Committee finds that although Title IX of the Education Amendments of 1972 prohibited discrimination on the basis of sex by any educational program or activity receiving federal funds, the efficacy of Title IX federal protections against sex discrimination in education has eroded over time. Your Committee further finds that Act 110, Session Laws of Hawaii 2018 (Act 110), was enacted as a corollary to Title IX in state law to prohibit discrimination on the basis of sex, including sexual orientation, gender identity, or gender expression, in any state educational program or activity, or in any educational program or activity that receives state financial assistance without regard to whether the educational program or activity also receives federal funds. Your Committee additionally finds that Act 110 also directs the Legislative Reference Bureau to conduct a study of existing federal Title IX procedures and enforcement in addition to examining Title IX corollaries in other jurisdictions. This measure updates Act 110 to be consistent with new protections under federal law and extends the deadline for the Legislative Reference Bureau to complete the Title IX study and report.

Your Committee has amended this measure by:

- Incorporating federal law regarding sex-restricted scholarships, fellowships, or other forms of financial assistance pursuant to a domestic or foreign will, trust, bequest, or similar instrument into Act 110; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 483, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 483, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 1871 Judiciary on H.B. No. 615

The purpose and intent of this measure is to add a representative to the Board of Education by inviting the exclusive representative for Bargaining Unit (5) to appoint a nonvoting public school teacher representative to the Board.

Your Committee received testimony in support of this measure from the Hawaii State Teachers Association, Education Caucus of the Democratic Party of Hawaii, Oʻahu County Democrats Legislative Priorities Committee, and four individuals. Your Committee received comments on this measure from the Hawaiʻi State Ethics Commission.

Your Committee finds that the Board of Education, consisting of nine members pursuant to the Hawaii State Constitution, is given the power to formulate statewide educational policy. Your Committee further finds that no member of the Board of Education is required to be a public school teacher. Your Committee additionally finds that having a current public school teacher serve as a nonvoting representative will provide valuable first-hand experience to the Board.

Your Committee notes that conflict of interest provisions apply to all state employees, including board and commission members, and that as such, language in this measure specifying that conflict of interest provisions apply to the public school teacher representative appointed to the Board of Education is redundant and unnecessary.

Your Committee has amended this measure by:

- (1) Removing language specifying that conflict of interest provisions apply to the public school teacher representative appointed to the Board of Education; and
- (2) Amending the purpose section to clarify that it does not affect the membership of the Board of Education.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 615, H.D. 3, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 615, H.D. 3, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 1872 Judiciary on H.B. No. 702

The purpose and intent of this measure is to prohibit the sale or offering for sale of location data collected using satellite navigation technology without the explicit consent of the individual who is the primary user of the satellite navigation technology-equipped device.

Your Committee received testimony in support of this measure from the American Civil Liberties Union of Hawai'i.

Your Committee finds that article I, section 6, of the Hawaii State Constitution provides that "[t]he right of the people to privacy is recognized and shall not be infringed without the showing of a compelling state interest", and further provides that "[t]he legislature shall take affirmative steps to implement this right". Your Committee further finds that the sale of location data collected using satellite navigation technology without the consent of the user of the navigation technology-enabled device is a significant invasion of the privacy of the user. This measure prohibits such sales of location data.

Your Committee has amended this measure by:

- (1) Removing unnecessary language that prohibited the sale or offer for sale of location data "in any manner, or by any means";
- (2) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 702, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 702, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 1873 Judiciary on H.B. No. 913

The purpose and intent of this measure is to allow the filing of documents with the Hawaii Labor Relations Board by either electronic means or original paper copy.

Your Committee received testimony in support of this measure from the Hawai'i Labor Relations Board. Your Committee received comments on this measure from the Disability and Communication Access Board.

Your Committee finds that under existing law, electronic filing of documents with the Hawai'i Labor Relations Board is not expressly allowed. Codifying the option to allow for electronic filing of documents would provide a faster and less expensive method of delivery. Your Committee further finds that the Hawai'i Labor Relations Board has already adopted rules to implement an electronic filing system, however the existing language in this measure is inconsistent with the rules.

Accordingly, your Committee has amended this measure by clarifying that:

- Electronic documents may be filed by electronic service through a company designated by the Hawai'i Labor Relations Board;
- (2) A document filed by electronic means shall be deemed an original document.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 913, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 913, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

# SCRep. 1874 Judiciary on H.B. No. 497

The purpose and intent of this measure is to establish a task force to examine the illegal import of fireworks and contraband into Hawaii

Your Committee received testimony in support of this measure from the Department of Public Safety; Hawaii State Fire Council; Fire Department of the County of Hawaii'i; American Promotional Events, Inc.; and three individuals. Your Committee received comments on this measure from the Legislative Reference Bureau, Matson Navigation, and one individual.

Your Committee finds that the unlawful use of fireworks creates public health hazards and strains emergency response capabilities of public safety agencies. Your Committee further finds that illegal fireworks are an ongoing issue in Hawaii, and that Act 170, Session Laws of Hawaii 2010 (Act 170), established an illegal fireworks task force, within the Legislative Reference Bureau for administrative purposes, to develop a plan and make recommendations to stop the importation of illegal fireworks and explosives into Hawaii; and develop a strategy to ensure the safety and security of the airports, harbors, and other facilities and institutions in Hawaii against the discharge of illegal fireworks and explosives. Your Committee additionally finds that Act 170 also mandated the task force to submit a preliminary plan and strategy report to the Legislature prior to the Regular Session of 2011. Your Committee further finds that this existing report provides a foundation for an updated examination of the illegal import of fireworks and other explosives into

Accordingly, your Committee has amended this measure by:

- (1) Removing language establishing a task force to examine the illegal import of fireworks and contraband into Hawaii; and
- (2) Requiring the Legislative Reference Bureau to update its Report of the Illegal Fireworks Task Force to the Legislature for the Regular Session of 2011.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 497, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 497, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

# CRep. 1875 (Joint) Government Operations and Ways and Means on H.B. No. 118

The purpose and intent of this measure is to repeal the requirement that the Auditor conduct an annual review of certain rapid transit authorities in the State.

Prior to decision making on this measure, your Committees made available for public review a proposed S.D. 1 of this measure. The proposed S.D. 1 retained the contents of this measure and also inserted provisions that:

- (1) Add a purpose section to reflect its amended purpose;
- (2) Provide the Auditor with specific direction and scope to complete the audit authorized by Act 1, Special Session Laws of Hawaii 2017:
- (3) Require a contractor that may be engaged to perform portions of the audit to report certain information to the Auditor about the scope of the contractor's work and its progress;
- (4) Require the Auditor to report to the Legislature prior to the Regular Session of 2020;
- (5) Appropriate funds for the Auditor to complete an audit of the Honolulu Authority for Rapid Transportation;
- (6) Require the Comptroller to withhold vendor contract reimbursements until the Auditor has received all documents that pertain to the reimbursement request; and
- (7) Repeal the appointment of the two non-voting ex-officio members to the board of directors of the county's rapid transportation authority authorized by Act 1, Special Session Laws of Hawaii 2017.

Your Committees received comments on the proposed S.D. 1 from the Office of the Auditor.

Your Committees find that the rail project for the City and County of Honolulu, as undertaken by the Honolulu Authority for Rapid Transportation (Authority), is the largest public works project in state history. However, due to delays and cost overruns, the price tag for the project continues to rise and is now six years behind schedule. The State Auditor was instructed by the Legislature to audit the Honolulu Authority for Rapid Transportation. The Auditor has completed a number of reports related to the audit but has yet to complete the primary audit in its entirety. The Legislature also instructed the Comptroller to ensure that requests for payment for

capital costs incurred by the Authority meet the criteria to utilize the state surcharge specified in Act 1, Special Session Laws of Hawaii 2017 (Act 1). Your Committees note that the oversight of the current invoices has been implemented through the joint efforts of the Auditor and Comptroller. Your Committees acknowledge the need to avoid duplication of effort in the oversight duties of the Comptroller and Auditor but believe that the completion of the audit is essential to control costs and alleviate the financial burden placed upon taxpayers.

Your Committees also find that the Authority received three federal grand jury subpoenas in February 2019. Your Committees believe that the audit of the Honolulu Authority for Rapid Transportation as authorized in Act 1, can be completed separately from the federal investigation and can be accomplished in a manner that does not interfere with the current federal probe. The proposed S.D. 1 provides the Auditor with specific direction to complete the Act 1 audit, thereby ensuring continued accountability of the rail project without interfering in the federal investigation.

Your Committees also acknowledge the concerns of the Auditor regarding the lack of resources and time to complete the audit by 2020. Amendments to the proposed S.D. 1 are therefore needed.

Your Committees have amended this measure by adopting the proposed S.D. 1 and by making further amendments which:

- Require the Auditor to submit an interim report of the Auditor's preliminary findings and progress made on the audit to the Legislature, Director of Finance, and Board of Directors of the Honolulu Authority for Rapid Transportation no later than twenty days prior to the convening of the Regular Session of 2020; and
- (2) Require the Auditor to submit a final report of the Auditor's findings and recommendations to the Legislature, Director of Finance, and Board of Directors of the Honolulu Authority for Rapid Transportation no later than twenty days prior to the convening of the Regular Session of 2021.

As affirmed by the records of votes of the members of your Committees on Government Operations and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 118, H.D. 1, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 118, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Government Operations: Ayes, 5; Ayes with Reservations (Inouye, Fevella). Noes, none. Excused, none.

Ways and Means: Ayes, 9; Ayes with Reservations (Inouye, Fevella). Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1876 Commerce, Consumer Protection, and Health on H.B. No. 61

The purpose and intent of this measure is to authorize condominium boards of directors to establish application schedules for excess amounts received, specifying that the excess amounts shall be applied to fines, legal fees, late fees, and interest as the last priority.

Your Committee received testimony in support of this measure from the Board of Directors of the Honolulu Tower Association of Apartment Owners, Hawaii Council of Associations of Apartment Owners, Community Associations Institute, and eleven individuals.

Your Committee finds that Act 195, Session Laws of Hawaii 2018 (Act 195), was intended to provide greater clarity regarding the application of common expense payments by condominium unit owners. However, Act 195 did not address situations that require the application of funds beyond common expenses. In particular, Act 195 has caused some confusion with regard to the general payment of association maintenance fees and sub-metered utility fees. Many associations buy electricity in bulk, then bill units based on their individual consumption. This results in savings on electricity rates and ensures that each user pays a fair share. According testimony received by your Committee, it is now unclear whether existing law allows condominium associations to collect these fees. Your Committee notes that unit owners within an association pay for many fees that are not common expenses, including ground lease rent, utility sub-metering, storage lockers, parking stalls, boat slips, insurance deductibles, among many others. Clarifying the ability of associations to collect and apply payments, and the application priority of those payments, is therefore important.

Your Committee notes the concerns raised in testimony that this measure classifies certain items as common expenses that would not otherwise be considered common expenses under existing law. Your Committee understands these concerns and concludes amendments to this measure are needed to prevent potential confusion or inconsistencies.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying that any payments made by or on behalf of a unit owner must first be applied to outstanding common expenses that are assessed to all unit owners, after which a condominium association may apply other charges in accordance with an application of payment policy adopted by the board;
- (2) Allowing unit owners to designate payments for specific charges that are not common expenses, which payments may be applied accordingly to the owner's designation even if there are outstanding common expenses;
- (3) Inserting an effective date of July 1, 2019; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 61, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 61, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Fevella).

### SCRep. 1877 Commerce, Consumer Protection, and Health on H.B. No. 546

The purpose and intent of this measure is to:

- (1) Allow a small craft producer pub licensee to manufacture not more than 125,000 barrels of malt beverages on the licensee's premises during the license year;
- (2) Allow brewpub licensees and small craft producer pub licensees to conduct certain activities at satellite locations;
- (3) Clarify the definition of growler; and
- (4) Allow brewpub licensees and small craft producer pub licensees to obtain a direct wine or beer shipper permit.

Your Committee received testimony in support of this measure from the Hawaiian Craft Brewers Guild, Kauai Beer Company, Maui Brewing Co., Beer Lab Hawaii, Lanikai Brewing Company, Big Island Brewhaus, Honolulu BeerWorks, Kaua'i Island Brewing Co., and one individual. Your Committee received testimony in opposition to this measure from the Hawai'i Alcohol Policy Alliance and three individuals. Your Committee received comments on this measure from the City and County of Honolulu Liquor Commission and Hawaii Food Industry Association.

Your Committee finds that small craft breweries typically start with investing in a manufacturing location to begin production of their craft beer with a smaller, retail satellite location to follow, usually in a different county. Craft beer producers often want to sell their canned and bottled retail products at the second outlet where no manufacturing takes place. Requiring a retail site to hold a manufacturing license when no craft beer production occurs there is an extremely costly and complicated process. This measure addresses inconsistencies in existing law to ensure that a business manufacturing on one island can sell its products on another island under the proper license.

Your Committee further finds that the popularity of growlers, a type of container used to transport beer, continues to increase. Although growlers were originally made from glass, they are now made from a wider range of environmentally friendly reusable or recyclable materials. This measure simplifies and standardizes this term by defining growler to mean a recyclable or reusable container not to exceed one gallon.

Your Committee additionally finds that existing law already allows direct shipment of wine into and out of the State, but not beer or liquor. Restricting local manufacturers from delivering authentic Hawaiian products to out-of-state supporters can further limit local manufacturing and tax revenues for the State. This measure achieves parity across all categories of beverage alcohol and increases the viability of local, small craft breweries.

Your Committee has amended this measure by:

- (1) Clarifying that certain licensees may participate in the direct shipment of all forms of liquor, rather than just wine or beer;
- (2) Inserting an effective date of July 1, 2019; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 546, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 546, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Nishihara).

### SCRep. 1878 (Joint) Education and Judiciary on H.B. No. 1485

The purpose and intent of this measure is to, beginning on January 1, 2020, establish a process for automatically preregistering or registering to vote public school-enrolled students who are at least sixteen years old.

Your Committees received testimony in support of this measure from the Department of Education; Office of Elections; Hawaii State Teachers Association; Americans for Democratic Action Hawai'i; Pono Hawai'i Initiative; Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; League of Women Voters of Hawaii; Young Democrats of Hawai'i; Common Cause Hawaii; Sierra Club of Hawai'i; and three individuals. Your Committees received testimony in opposition to this measure from thirteen individuals.

Your Committees find that voter turnout in the State remains low and continues to decline. In 2016, Hawaii had the lowest voter turnout in the United States, and in 2018 general election, only 52.7 percent of registered Hawaii voters cast ballots. Your Committees further find that recent world events have ignited a passion in younger generations around civic engagement and have led many sixteen and seventeen year-olds to become passionate about voting. This measure allows students who are at least sixteen years of age to preregister or register to vote, empowering a new generation of lifelong voters and increasing voter participation and civic engagement.

Your Committees have amended this measure by:

- (1) Making the findings section more concise and succinct by deleting certain findings;
- (2) Inserting language that applies the automatic voter preregistration and registration provisions to charter school-enrolled students who are at least sixteen years old;
- (3) Specifying that the Superintendent of Education shall be authorized, rather than required, to transmit the voter registration affidavits of students to the clerk of the county in which the applicant resides;

- (4) Deleting language that would have required the clerk to determine whether an applicant is at least sixteen years of age and a citizen of the United States if the applicant is not currently preregistered or registered;
- (5) Deleting language that, under certain conditions, would have required the clerk to provide written notification to an applicant of the process to opt out of the automatic voter preregistration or registration;
- (6) Specifying that the Board of Education and Superintendent, in consultation with the Office of Elections, shall be authorized, rather than required, to adopt policies as necessary to maximize and facilitate the preregistration and registration of qualifying students to vote;
- (7) Specifying that the State Public Charter School Commission, in consultation with the Office of Elections, may adopt policies as necessary to maximize and facilitate the preregistration and registration of qualifying students to vote; and
- (8) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Education and Judiciary that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1485, H.D. 2, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 1485, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees. Education: Ayes, 4. Noes, none. Excused, 1 (Dela Cruz). Judiciary: Ayes, 3. Noes, none. Excused, 2 (Gabbard, Wakai).

# SCRep. 1879 (Joint) Commerce, Consumer Protection, and Health and Human Services on H.B. No. 471

The purpose and intent of this measure is to establish that a majority of currently serving Board members, but no fewer than eight, constitutes a quorum for the Policy Advisory Board for Elder Affairs.

Your Committees received testimony in support of this measure from the Executive Office on Aging and Policy Advisory Board for Elder Affairs.

Your Committees find that the Policy Advisory Board for Elder Affairs (Board) advises the Executive Office on Aging in a number of important areas, including identifying age-related issues and alternative solutions, producing position statements and papers, advocating legislative actions, and providing input on program development and operations. Your Committees further find that many Board members are elderly or live on neighbor islands, which helps ensure the Board represents the concerns facing different demographics of the State's population.

Your Committees recognize that having a large number of elderly and neighbor island members has made it difficult for the Board to meet the default quorum requirement of fifty percent of members plus one for every meeting. When the Board fails to meet quorum requirements, the state sunshine law mandates that the meeting cannot be held and minutes cannot be approved. Your Committees find that by establishing lower quorum requirements in its bylaws, the Board will be able to conform with the sunshine law and remain a strong advocate for the State's kupuna.

Your Committees have amended this measure by:

- Requiring the Board to establish quorum through its bylaws such that a majority of the currently serving members, but no fewer than eight members, shall constitute quorum;
- (2) Requiring the Board to make its bylaws available to the public on the Executive Office on Aging's website;
- (3) Inserting an effective date of July 1, 2019; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Human Services that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 471, H.D. 1, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 471, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 4. Noes, none. Excused, 3 (Keohokalole, Nishihara, Fevella). Human Services: Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1880 Commerce, Consumer Protection, and Health on H.B. No. 221

The purpose and intent of this measure is to:

- (1) Require the Board of Dentistry to adopt rules for the regulation of dental assistants using certification options based on education level and permitted duties; and
- (2) Require the Board of Dentistry to submit a report to the Legislature prior to the convening of the Regular Session of 2020.

Your Committee received testimony in support of this measure from the Board of Dentistry, Hawaii Dental Hygienists' Association, Hawaii Dental Association, and a petition signed by one hundred fifty-two individuals.

Your Committee finds that, currently, dental assistants in Hawaii do not need any specific education or other qualifications and are unregulated by the State. Under existing law and administrative rules, dental assistants are identified as unlicensed auxiliary personnel who perform supportive dental procedures under the direct supervision, direction, evaluation, and responsibility of a licensed dentist. According to testimony received by your Committee, training for dental assistants is typically done on the job by the supervising dentist or another assistant, and varies from office to office and from dentist to dentist. This on-the-job method of training creates little

to no standardization for patient dental care. It also creates an environment where dental assistants may pose a risk to public safety if they practice beyond their allowable duties.

Your Committee further finds that a 2018 sunrise analysis performed by the State Auditor determined that several tasks routinely performed by dental assistants in Hawaii pose a reasonable risk of injury to patients and therefore should be regulated under the criteria established by the Legislature. This measure requires the Board of Dentistry to adopt rules for the regulation of dental assistants using certification options based on education levels and permitted duties.

Your Committee notes the concerns raised in the testimony of the Hawaii Dental Hygienists' Association that creating a tiered approach to the regulation of dental assistants based on their functions and associated levels of risk will still allow for an "on-the-job" approach to training that lacks any standardization. If no regulations are set to require standardized training for all dental assistants, no real change will be realized. Your Committee finds that regulation that maintains the status quo is not in the best interests of the public. Therefore, amendments to this measure are necessary to implement a minimum standard of regulation for dental assistants in the State.

Accordingly, your Committee has amended this measure by:

- Removing language that would have required the Board of Dentistry to adopt rules to establish a regulatory structure for the regulation of dental assistants;
- (2) Removing language that would have required the Board of Dentistry to submit a report to the Legislature detailing the progress of the rules adopted;
- (3) Inserting a purpose section;
- (4) Requiring an individual hired as a dental assistant on or after January 1, 2020, to hold a cardiopulmonary resuscitation certification and complete a two-semester program accredited by the American Dental Association Commission on Dental Accreditation;
- (5) Requiring all dental assistants employed as of July 1, 2019, to obtain a cardiopulmonary resuscitation certification by January 1, 2020;
- (6) Requiring an individual employed as a dental assistant for less than five years as of July 1, 2019, to provide proof of enrollment in a two-semester program accredited by the American Dental Association Commission on Dental Accreditation;
- (7) Exempting an individual employed as a dental assistant for at least five years as of July 1, 2019, from the education requirements for dental assistants; provided that the individual has no history of complaints filed with the Board of Dentistry;
- (8) Clarifying the allowable and prohibited practices of dental assistants; and
- (9) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 221, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 221, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Keohokalole).

# SCRep. 1881 (Majority) Commerce, Consumer Protection, and Health on H.B. No. 761

The purpose and intent of this measure is to specify that retailers may provide proof of purchase in electronic form to a member of a frequent shopper program, unless the member requests the proof of purchase in paper form.

Your Committee received testimony in support of this measure from the Hawaii Petroleum Marketers Association. Your Committee received testimony in opposition to this measure from the Retail Merchants of Hawaii. Your Committee received comments on this measure from the Department of Commerce and Consumer Affairs.

Your Committee finds that frequent shopper programs reward customers for purchases made on multiple visits and offer points that can be accumulated to entitle program members to reduced prices, free items, and other incentives. Customers join a retailer's rewards or frequent shopper program by providing personal information at the point of sale or on the retailer's mobile application. Many retailers now offer their program members the option of receiving receipts electronically by electronic mail or text message. This measure would enable businesses to provide proof of purchase to a member of a frequent shopper program only in electronic form, unless the member requests that the proof of purchase be provided in paper form.

Your Committee notes the testimony raising certain privacy concerns as customers who provide retailers with their personal information may benefit from the convenience of receiving electronic receipts but may also be at risk of having their personal information compromised by third parties.

Accordingly, your Committee has amended this measure by:

- (1) Clarifying that providing proof of purchase in electronic form is permissive rather than mandatory;
- (2) Requiring retailers that offer electronic proof of purchase to frequent shopper program members to develop, implement, and maintain reasonable safeguards to protect the members' personal information;
- (3) Inserting an effective date of July 1, 2019; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 761, H.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 761, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, 1 (Ruderman). Excused, 1 (Fevella).

#### SCRep. 1882 Judiciary on H.B. No. 170

The purpose and intent of this measure is to clarify the application of the fair treatment and conflict of interest laws in the State Ethics Code to legislators and task force members.

Your Committee received testimony in support of this measure from the Hawaii State Ethics Commission, League of Women Voters of Hawaii'i, and Common Cause Hawaii.

Your Committee finds that previous amendments made to the State Ethics Code had the unintended effect of introducing ambiguity into reporting requirements for members of task forces. This measure makes further amendments to the State Ethics Code to eliminate that ambiguity. Your Committee further notes that other amendments proposed by this measure delete statutory protections for legislators taking official action, and instead apply the protections to the exercise of legislators legislative functions. "Official action" is defined in the Ethics Code and your Committee finds this is a more suitable description of the work of legislators.

Accordingly, your Committee has amended this measure by:

- (1) Removing superfluous references to task force committees;
- (2) Removing language that would have deleted statutory protections for legislators taking official action; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 170, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 170, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

### SCRep. 1883 Judiciary on H.B. No. 217

The purpose and intent of this measure is to require that when an officer has custody of a child under the age of 16 for an alleged violation of law, the child shall consult with legal counsel before the child waives any constitutional rights and before any custodial interrogation.

Your Committee received testimony in support of this measure from the LGBT Caucus of the Democratic Party of Hawaii, Rainbow Family 808, Community Alliance on Prisons, and Human Rights for Kids. Your Committee received testimony in opposition to this measure from the Department of the Prosecuting Attorney of the City and County of Honolulu and Honolulu Police Department.

Your Committee finds that custodial interrogation of an individual by the State requires the individual be advised of the individual's rights to make a knowing, intelligent, and voluntary waiver of those rights before the interrogation proceeds. Your Committee further finds that children generally lack the maturity and experience to effectively understand and assert their rights. However, your Committee additionally finds that requiring children to assert their right to legal counsel is potentially vulnerable to constitutional challenge.

Accordingly, your Committee has amended this measure by:

- Requiring that a child in custody have contact with legal counsel or a parent or legal guardian instead of mandating consultation with legal counsel; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 217, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 217, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

### SCRep. 1884 Judiciary on H.B. No. 486

The purpose and intent of this measure is to:

- (1) Remove the criminal statute of limitations for sex trafficking and promoting prostitution;
- (2) Exempt minors from criminal liability for prostitution;
- (3) Permit persons convicted of certain prostitution offenses to file a motion to vacate the conviction if the defendant is not convicted of another offense under the Penal Code within three years of the prostitution offense;
- (4) Establish minimum criminal and regulatory penalties for prostitution, sex trafficking, and promoting travel for prostitution;
- (5) Incorporate the offense of solicitation of a minor for prostitution into the offense of sex trafficking, which is a class A felony;

- (6) Reduce the state of mind requirement for the offense of promoting prostitution; and
- (7) Repeal the offense of street solicitation of prostitution.

Your Committee received testimony in support of this measure from the Hawai'i State Commission on the Status of Women, Office of the Prosecuting Attorney of the County of Kaua'i, IMUAlliance, Shared Hope International, UNITE, Hawaii Women's Coalition, and eight individuals. Your Committee received testimony in opposition to this measure from the Office of the Public Defender, Department of the Prosecuting Attorney of the City and County of Honolulu, Hawai'i Police Department, Honolulu Police Department, Harm Reduction Hawaii, and two individuals. Your Committee received comments on this measure from The Sex Abuse Treatment Center

Your Committee finds that sex trafficking victims are often misidentified and criminalized by law enforcement and that, although the existing law allows sex trafficking victims to vacate prostitution convictions within six years from the time that victimization ceased, such persons may face significant challenges in disclosing and proving victimization. Furthermore, your Committee notes that persons who have been convicted under sections 712-1200(1)(a), 712-1206(2), 712-1207(1)(a), and 712-1207(1)(b), Hawaii Revised Statutes, regardless of whether or not they have been or can allege that they were victims of sex trafficking, should be able to vacate their convictions after a reasonable period of three years; provided that these persons have maintained a clean record free of convictions under the Penal Code.

Accordingly, your Committee has amended this measure by:

- (1) Removing language that would have:
  - (A) Eliminated the criminal statute of limitations for sex trafficking and promoting prostitution;
  - (B) Exempted minors from criminal liability for prostitution;
  - (C) Established minimum criminal and regulatory penalties for prostitution, sex trafficking, and promoting travel for prostitution:
  - (D) Incorporated the offense of solicitation of a minor for prostitution into the offense of sex trafficking, which is a class A felony;
  - (E) Reduced the state of mind requirement for the offense of promoting prostitution; and
  - (F) Repealed the offense of street solicitation of prostitution;
- (2) Making it effective upon its approval; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 486, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 486, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

### SCRep. 1885 Higher Education on S.R. No. 40

The purpose and intent of this measure is to urge the University of Hawaii at Manoa to extend its Rainbow Shuttle service into the Kapahulu and Waikiki communities.

Your Committee received comments on this measure from the University of Hawai'i System.

Your Committee finds that the University of Hawaii at Manoa currently provides the Rainbow Shuttle service for University of Hawaii students, faculty, and staff, which consists of multiple routes that travel through the campus and in the neighboring vicinity. Because homes in the Kapahulu and Waikiki areas are regularly rented by students and frequented by students for dining, shopping, and entertainment, a reasonable extension of the Rainbow Shuttle into the Waikiki area will service a greater number of students, thereby adding to the quality of student life and potentially increasing awareness of the school among international and mainland visitors.

Your Committee has heard the testimony of the University of Hawaii System expressing concerns regarding the additional costs of providing Rainbow Shuttle service routes into Waikiki and Kapahulu, which would be approximately \$350,000. Your Committee requests that if your Committee on Ways and Means hears this measure, it further examine the concerns relating to additional costs raised by the University of Hawaii System.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 40 and recommends that it be referred to your Committee on Ways and Means

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kahele).

# SCRep. 1886 Higher Education on S.R. No. 120

The purpose and intent of this measure is to request the University of Hawaii Office of Internal Audit to conduct an audit of various programs at the University of Hawaii West Oahu that receive extramural funding, including Title III grant funding.

Your Committee received testimony in support of this measure from the University of Hawai'i System.

Your Committee finds that the University of Hawaii West Oahu provides various programs to assist incoming and current students. Many of these programs receive extramural funding, including Title III grant funding, for the further development of Native Hawaiian student support services. However, discrepancies in information provided by the University of Hawaii West Oahu on various programs were found, from initial documentation on the programs to follow-up documentation, as well as inconsistencies in the reporting of extramural funds. Because some of these programs utilize federal funds, further due diligence is needed to make certain that the funds are not lost due to mismanagement or abuse. To ensure an accurate accounting of all funds by the University of Hawaii West Oahu, an audit of the various programs at the University that receive extramural funding, including Title III grant funding, would clarify whether funds are being utilized appropriately for the benefit of the students.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 120 and recommends that it be referred to your Committee on Ways and Means.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Kahele).

# SCRep. 1887 (Joint) Commerce, Consumer Protection, and Health and Agriculture and Environment and Ways and Means on H.B. No. 452

The purpose and intent of this measure is to authorize the Public Utilities Commission to establish preferential electricity rates for agricultural activities that utilize protected agriculture to produce fruits or vegetables for distribution.

Your Committees received testimony in support of this measure from the Hawai'i Farm Bureau, Ulupono Initiative, MetroGrow Hawaii, Costco Wholesale Corporation, O'ahu County Democrats Legislative Priorities Committee, and one individual. Your Committees received comments on this measure from the Department of Commerce and Consumer Affairs; Department of Agriculture; Public Utilities Commission; and Hawaiian Electric Company, Inc.

Your Committees find that Hawaii continues to import approximately seventy-five percent of its food requirements. Increasing the local food supply and decreasing the State's reliance on imports are in the public interest and in turn can increase jobs and decrease food prices. However, decreases in arable land, the changing climate, reduction of fresh water availability, and the tremendous pest pressures in Hawaii complicate local food production. Therefore, protected agriculture and technological innovation can supplement traditional growing systems to increase local food production and move the State toward food self-sufficiency. According to testimony received by your Committees, indoor hydroponic farms, such as vertical farms, are able to produce vegetables in a fraction of the space with approximately five to ten percent of the water required for traditional agriculture. Protected agriculture also negates unpredictable weather conditions, minimizes pest and disease problems, and prevents contamination from chemical or biological agents.

However, your Committees further find that protected agriculture, such as vertical farms, requires substantial technology and equipment to operate and is energy intensive. Electricity for lighting and climate control are major expenses. Your Committees note that the Public Utilities Commission is already authorized to establish preferential water rates for potable water service and electricity rates for the purchase of renewable energy from energy producers connected with agricultural activities to support agricultural undertakings in the State. Accordingly, your Committees find that preferential rates should be a part of the State's policy to support increased agricultural production. This measure authorizes the Public Utilities Commission to establish preferential electricity rates for agricultural activities that specifically utilize protected agriculture to produce fruits or vegetables for distribution.

Your Committees note the concerns raised in the testimony from Hawaii Electric Company, Inc., that preferential electric rates have the potential to create subsidies for which other customers must pay. Considering the State's already high prices for electricity, amendments to this measure are necessary to incorporate consensus language from interested stakeholders to address these concerns.

Your Committees have amended this measure by:

- (1) Clarifying that preferential electricity rates may be established for protected agriculture that includes reasonable efforts to incorporate cost effective renewable energy sources and energy efficiency measures;
- (2) Requiring the Public Utilities Commission, in its consideration of preferential rates, to ensure that any subsidization being paid by other customers is limited and reasonable and to periodically review and adjust the rate, if necessary; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health, Agriculture and Environment, and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 452, H.D. 1, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 452, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6; Ayes with Reservations (Keohokalole, Fevella). Noes, none. Excused, 1 (Ruderman).

Agriculture and Environment: Ayes, 3; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Rhoads, Ruderman). Ways and Means: Ayes, 11; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Harimoto, Riviere).

### SCRep. 1888 Judiciary on H.B. No. 164

The purpose and intent of this measure is to:

- (1) Apply the electioneering communication section only to noncandidate committees;
- (2) Amend the definition of "disclosure date" to mean the date when the electioneering communication is publicly distributed;
- (3) Expand the definition of "electioneering communication" in section 11-341(d), HRS, to apply to advertisements:

- (A) Sent by any mail rate;
- (B) That are expenditures of an organization; and
- (C) Are made or scheduled to be made within 90 days of an election;
- (4) Repeal the presumption that a person who has executed a contract to make an expenditure for electioneering communications has made those expenditures for the purposes of electioneering communication statement of information requirements; and
- (5) Require any advertisement by a noncandidate committee that makes only independent expenditures to disclose all contributors for the advertisements.

Your Committee received testimony in opposition to this measure from the Campaign Spending Commission. Your Committee received comments on this measure from the Department of the Attorney General and Hawaii Association of Broadcasters, Inc.

Your Committee finds that the democratic election process benefits from transparency in campaign advertising. Your Committee further finds that well-funded political action committees are capable of influencing elections to a significant degree. This measure will increase transparency and provide additional clarification to campaign advertising laws.

Your Committee has amended this measure by:

- (1) Requiring all persons, candidate, and noncandidate committees that make electioneering communication expenditures to a single vendor of more than \$2,000 in aggregate in one week to file a report with the Campaign Spending Commission within thirty days of a primary election or sixty days of a general or special election;
- (2) Requiring all noncandidate committees to disclose the top three contributors to the committee in their advertising;
- (3) Removing overly broad language in the definition of "disclosure date";
- (4) Inserting an effective date of March 15, 2094, to encourage further discussion; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 164, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 164, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

### SCRep. 1889 Judiciary on H.B. No. 31

The purpose and intent of this measure is to amend the information required of registered voters who sign for election nomination papers or who seek to withdraw their nominating signatures by requiring only the month and date portions of a voter's date of birth and repeal the requirement that voters provide the last four digits of their social security numbers on these forms.

Your Committee received testimony in support of this measure from the Office of Elections.

Your Committee finds that the Office of Elections uses information provided by signatories on a nomination paper to confirm that the signatories are registered voters and eligible to vote for the candidate they are nominating. Your Committee further finds that the required information for voter registration has changed over time. For example, social security numbers are no longer required to register to vote pursuant to Act 167, Session Laws of Hawaii 2016. Your Committee additionally finds that these changes to voter registration laws impact the types of information that the Office of Elections can use to confirm the eligibility of signatories of nomination papers. This measure updates the requirements for election nomination papers to reflect current voter registration laws.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 31, H.D. 1, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 1890 Judiciary on H.B. No. 712

The purpose and intent of this measure is to:

- (1) Require candidates for President, Vice President, Governor, Lieutenant Governor, or Mayor to disclose their federal income tax returns to be able to be listed on a general election ballot; and
- (2) Prohibit electors from voting for candidates for President or Vice President if those candidates have not disclosed their federal tax returns

Your Committee received testimony in support of this measure from the LGBT Caucus of the Democratic Party of Hawaii, O'ahu County Democrats Legislative Priorities Committee, Common Cause Hawaii, and nine individuals. Your Committee received testimony in opposition to this measure from one individual. Your Committee received comments on this measure from the Department of the Attorney General, Department of Taxation, and Tax Foundation of Hawaii.

Your Committee finds that until the 2016 election cycle, United States presidential and vice presidential candidates of major parties routinely released their income tax returns as part of a decades-old tradition. Your Committee further finds that a candidate's income tax returns provide voters with essential information regarding a candidate's potential conflicts of interest, business dealings, financial

status, and charitable donations, and allows voters the opportunity to fully evaluate fitness for the offices of President and Vice President of the United States. This measure will require presidential, vice presidential, gubernatorial, lieutenant gubernatorial, and mayoral candidates to release their income tax returns before they are placed on the Hawaii ballot.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 712, H.D. 1, and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 3; Ayes with Reservations (Wakai). Noes, none. Excused, 2 (Kim, Fevella).

### SCRep. 1891 Ways and Means on H.B. No. 348

The purpose and intent of this measure is to appropriate funds for the public employment cost items of and cost adjustments for employees of the legislative service agencies, the Senate, and the House of Representatives.

Your Committee received testimony in support of this measure from the Office of the Ombudsman, Office of the Auditor, Hawaii State Ethics Commission, Legislative Reference Bureau, and one individual.

Your Committee finds that the staff and members of the Legislature and the legislative service agencies are excluded from collective bargaining. Your Committee further finds that this measure will provide funds for these essential public employment costs of the Legislature and legislative service agencies.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 348, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 348, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Keith-Agaran, Kidani, Riviere).

### SCRep. 1892 Ways and Means on H.B. No. 1042

The purpose and intent of this measure is to improve compliance in the reporting of rents and gross rental proceeds.

More specifically, this measure revises the way persons who collect rents or gross rental proceeds on behalf of owners of real property or operators of transient accommodations report that collection to the Department of Taxation.

Your Committee received testimony in support of this measure from the Department of Taxation.

Your Committee received testimony in opposition to this measure from Expedia.

Your Committee received comments on this measure from the Tax Foundation of Hawaii.

Your Committee finds that, under current law, although persons who collect rent or gross rental proceeds on behalf of others must report information identifying each owner or operator on whose behalf they collect, they are not required to report the total amount of money collected on behalf of each owner or operator. Current law also requires the person to provide the owner or operator a copy of a tax liability notice. However, there is no penalty for noncompliance with these requirements. Your Committee further finds that this measure is intended to address these issues.

Your Committee has amended this measure by:

- (1) Adding a savings clause; and
- (2) Making technical nonsubstantive amendments for purposes of consistency, clarity, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1042, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1042, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Keith-Agaran, Kidani, Riviere).

### SCRep. 1893 Ways and Means on H.B. No. 1190

The purpose and intent of this measure is to amend state income tax rates and provide tax relief for taxpayers whose income places them at or below the poverty level.

Specifically, this measure:

- (1) Eliminates the state income tax for taxpayers with taxable income of:
  - (A) \$3,300 or less for single filers;
  - (B) \$4,800 or less for head of household filers; and
  - (C) \$6,600 or less for joint filers; and
- (2) Amends the state income tax rates for taxpayers with taxable income greater than the amounts provided in paragraph (1).

Your Committee received testimony in support of this measure from the LGBT Caucus of the Democratic Party of Hawaii, Rainbow Family 808, Americans for Democratic Action Hawaii, Hawaiian Community Assets, Hawaii Appleseed Center for Law and Economic Justice, League of Women Voters of Hawaii, Oahu County Democrats, and numerous individuals.

Your Committee received comments on this measure from the Department of Taxation and Tax Foundation of Hawaii.

Your Committee finds that Hawaii is one of only fifteen states that currently impose a tax on the income of those who are at or below the poverty level. Your Committee further finds that eliminating the state income tax liability in the lowest tax brackets would help workers whose income places them at or below the poverty line.

Your Committee has amended this measure by:

- (1) Changing the effective date to July 1, 2035, to facilitate further discussion on the measure; and
- (2) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1190, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1190, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Kahele, Kidani, Fevella).

### SCRep. 1894 Commerce, Consumer Protection, and Health on H.B. No. 272

The purpose and intent of this measure is to exempt public utilities that provide basic exchange service to every county of the State from the regulatory jurisdiction of the Public Utilities Commission, including provisions regarding financial reporting, rate regulation, issuance of securitized assets, disposal of property, and affiliate interests.

Your Committee received testimony in support of this measure from Hawaiian Telcom and Verizon. Your Committee received testimony in opposition to this measure from the Department of Commerce and Consumer Affairs and Charter Communications. Your Committee received comments on this measure from the Public Utilities Commission.

Your Committee finds that this measure exempts public utilities that provide basic exchange service from the regulatory provisions of the Public Utilities Commission (Commission). However, your Committee has heard concerns that this measure, by eliminating Commission oversight, could have many unintended consequences, including creating uncertainty regarding the obligation and responsibilities of an incumbent telecommunications company to serve as the carrier of last resort, and is a significant step backward in the fully competitive retail communications market. Furthermore, this measure could leave little to no protection for the State's vulnerable rural customers and will significantly reduce the State's ability to exercise oversight over transactions that might not be in Hawaii's best interest. There are also additional concerns associated with this measure's applicability to and future effect on prior orders issued by the Commission.

Your Committee notes that the companion to this measure, S.B. No. 991, S.D. 1, which was previously passed by the Senate, provides telecommunications service providers with flexibility from certain regulatory oversight requirements but retains the Commission's oversight over telecommunications carriers and preserves consumer safeguards and carrier of last resort responsibilities. S.B. No. 991, S.D. 1, includes consensus language that has been approved by interested stakeholders to address the concerns raised by this measure and is therefore preferable.

Accordingly, your Committee has amended this measure by deleting its contents and inserting the contents of S.B. No. 991, S.D. 1, which:

- Clarifies that a telecommunications carrier shall not be required to obtain approval from the Commission to establish or modify its terms and conditions;
- (2) Provides telecommunications carriers with certain exemptions related to rate making approval and cross subsidies; provided that on an annual basis, the monthly rate increase for basic exchange service in any county with a population of less than 500,000 shall not exceed \$6.50 without the Commission's approval;
- (3) Specifies that telecommunications service providers may issue securities and other evidences of indebtedness without approval from the Commission, as long as notification of the transaction is provided to the Commission and Consumer Advocate;
- (4) Specifies that a telecommunications service provider providing fully competitive retail services may sell or dispose of property or equipment without approval from the Commission, but requires authorization from the Commission in the event of any merger or consolidation with another public utility;
- (5) Specifies that a telecommunications service provider providing fully competitive retail services is exempt from filing accident reports connected with its operations and service with the Commission;
- (6) Clarifies that transactions exempt from the issuance of voting stock restrictions include any transaction involving a public utility that consists of less than fifty percent of the voting stock of a corporation organized under the laws of the State;
- (7) Clarifies that the Commission may allow telecommunications carriers to have pricing flexibility for services that the Commission finds are effectively competitive; provided that universal service is preserved and advanced;
- (8) Clarifies the Commission's responsibility to ensure customers have access to advanced services; and
- (9) Includes an effective date of upon approval.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 272, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 272, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Nishihara, Fevella).

#### SCRep. 1895 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 220

The purpose and intent of this measure is to authorize a pharmacy to provide a customized patient medication package to any patient of an institutional facility or any member of the general public, subject to certain conditions.

Prior to the hearing on this measure, your Committees posted and made available for public review a proposed S.D. 1, which deletes the contents of this measure and inserts language to appropriate funds for operating expenses of the Department of Health.

Your Committees received testimony in support of the proposed S.D. 1 from the Department of Health; Hawai'i State Commission on the Status of Women; Planned Parenthood Votes Northwest and Hawaii; American Association of University Women of Hawaii; LGBT Caucus of the Democratic Party of Hawaii; Kokua Kalihi Valley Comprehensive Family Services; Hawaii Section of the American College of Obstetricians and Gynecologists; Healthy Mothers Healthy Babies Coalition of Hawaii; Midwives Alliance of Hawaii; Hawaii Maternal and Infant Health Collaborative; and over ninety individuals. Your Committees received comments on the proposed S.D. 1 from the League of Women Voters.

Your Committees find that the Department of Health's family planning program provides preventive health services for low-income, underinsured, and other individuals and families with limited access to health care services. The Department of Health has provided these services for over forty years, which are now provided on six islands, through twelve contracts at thirty-one service sites. Your Committees further find that the proposed S.D. 1 appropriates or authorizes funds, amends positions, and amends means of financing for operating expenses of the Department of Health. Your Committees note that the proposed S.D. 1 will institutionalize the Department's family planning program, enable the continued delivery of important family planning services, and ensure that Hawaii residents continue to receive affordable, quality reproductive health care.

Your Committees also note that, according to testimony received by your Committees, H.B. No. 2, H.D. 1, S.D. 1, C.D. 1, the General Appropriations Act of 2019, omits a number of appropriations that have been requested by the Department of Health. Therefore, amendments to the proposed S.D. 1 are necessary to incorporate these appropriations.

Your Committees have amended this measure by adopting the proposed S.D. 1 and further amending the measure by:

- (1) Clarifying the description for program ID HTH560;
- (2) Inserting appropriations for program IDs HTH420, HTH440, HTH730, HTH907/AP, and HTH907; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 220, H.D. 1, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 220, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees. Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Nishihara). Ways and Means: Ayes, 10. Noes, none. Excused, 3 (Harimoto, Kanuha, Riviere).

# SCRep. 1896 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 1360

The purpose and intent of this measure is to appropriate or authorize funds for programs of the Department of Commerce and Consumer Affairs.

Your Committees received testimony in support of this measure from the Department of Commerce and Consumer Affairs and Public Utilities Commission

Your Committees find that this measure expresses programs or positions, maximum sums appropriated or authorized, or means of financing indicated for programs of the Department of Commerce and Consumer Affairs. According to testimony received by your Committees, H.B. No. 2, H.D. 1, S.D. 1, C.D. 1, the General Appropriations Act of 2019, omits a number of appropriations that have been requested by the Department of Commerce and Consumer Affairs and Public Utilities Commission. Therefore, amendments are necessary to incorporate these appropriations.

Your Committees have amended this measure by:

- (1) Clarifying the description for program ID CCA103;
- Removing duplicative appropriations already included in the operating budget of the Executive Branch for fiscal years 2019-2020 and 2020–2021;
- (3) Adjusting the amount and clarifying the purpose of the appropriation for program ID CCA111;
- (4) Adjusting the amounts and clarifying the purposes of the appropriations for program ID CCA901;
- (5) Inserting appropriations for program IDs CCA102, CCA104, CCA105, and CCA106;
- (6) Inserting an effective date of July 1, 2051, to encourage further discussion; and

(7) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1360, H.D. 2, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 1360, H.D. 2, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Nishihara).

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (Harimoto, Kanuha, Riviere).

# SCRep. 1897 (Joint/Majority) Energy, Economic Development, and Tourism and Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 307

The purpose and intent of this measure is to broaden the definition of "renewable energy" to include other self-replenishing non-fossil fuel resources.

Your Committees received testimony in support of this measure from two individuals. Your Committees received testimony in opposition to this measure from Life of the Land; 350Hawaii; Sierra Club of Hawai'i; Elemental Excelerator; Blue Planet Foundation; Pele Lani Farm LLC; and twenty-one individuals. Your Committees received comments on this measure from the Department of Business, Economic Development, and Tourism; Department of Commerce and Consumer Affairs; Public Utilities Commission; and Organizing for Action.

Prior to decision making on this measure, your Committees posted and made available for public review a proposed S.D. 1 of this measure, which retains the contents of this measure and inserts language to:

- (1) Specify its purpose;
- (2) Specify that mono-cultured wood crops are excluded from the definition of "renewably energy";
- (3) Clarify that the definition of "renewably energy" includes self-replenishing non-fossil fuel resources that are non-nuclear;
- (4) Amend the renewable energy technologies income tax credit to, among other things, apply the credit separately for solar energy systems, wind energy systems, and commercial seawater air conditioning systems and make conforming amendments;
- (5) Change the effective date to July 1, 2050, with the renewable energy technologies and commercial seawater air conditioning system income tax credit to apply to taxable years beginning after December 31, 2019; and
- (6) Make technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committees received testimony in support of the proposed S.D. 1 from the O'ahu County Democrats Legislative Priorities Committee and Deep Ocean Ventures. Your Committees received testimony in opposition to the proposed S.D. 1 from the Hawaii Laborers' Union, Local 368; Zero Waste O'ahu; PV Tech; The Alliance for Solar Choice; Hawaii Solar Energy Association; and eleven individuals. Your Committees received comments on the proposed S.D. 1 from the Public Utilities Commission and Tax Foundation of Hawaii.

Your Committees find that the State must continue to support established renewable energy resources and those emerging from new technological innovations to meet its expansive renewable energy goals. Currently, the State's definition of "renewable energy" is too narrow to account for some technological innovations that produce renewable energy resources. Broadening the definition of "renewable energy" to include other self-replenishing non-fossil fuel non-nuclear fuel resources could significantly advance the State's clean energy goals and produce considerable environmental and economic benefits for the State. Your Committees further find that commercial seawater air conditioning costs should be for the renewable energy technologies income tax credit because seawater is an untapped and abundant renewable source of energy in Hawaii. The proposed S.D. 1 will therefore apply the income tax credit for commercial seawater air conditioning system costs, thereby promoting the use of new technology and renewable energy resources and helping the State reach its renewable energy goals.

Your Committees have amended this measure by adopting the proposed S.D. 1 and further amending the measure by:

- (1) Removing the exclusion of mono-cultured wood crops from the definition of "renewable energy";
- (2) Specifying that in order to constitute renewable energy, other self-replenishing non-fossil fuel, non-nuclear resources must be approved by rule or order of the Public Utilities Commission;
- (3) Amending the tax credit for grid-connected solar energy systems used primarily to generate electricity by:
  - (A) Amending the ramp down schedule;
  - (B) Amending the cap for single-family residential properties where a portion of the system fulfills the substitute renewable energy technology requirement and the cap for multi-family residential properties; and
  - (C) Deleting provisions that would have grandfathered in certain systems installed or first placed in service by a certain date in the past;
- (4) Amending the tax credit for grid-connected wind energy systems by:
  - (A) Making the tax credit applicable for systems first placed in service from 2020 through 2028; and
  - (B) Deleting provisions that would have grandfathered in certain systems installed or first placed in service by a certain date in the past;

- (5) Specifying that the tax credit shall not be authorized for taxable years ending after December 31, 2028; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism, Commerce, Consumer Protection, and Health, and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 307, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 307, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3; Ayes with Reservations (Keohokalole, Taniguchi). Noes, none. Excused, 2 (Inouye, Fevella).

Commerce, Consumer Protection, and Health: Ayes, 5; Ayes with Reservations (Keohokalole, Thielen, Fevella). Noes, 1 (Ruderman). Excused, 1 (Nishihara).

Ways and Means: Ayes, 8. Noes, none. Excused, 5 (English, Harimoto, Kidani, Taniguchi, Fevella).

### SCRep. 1898 Ways and Means on H.B. No. 809

The purpose and intent of this measure is to appropriate funds for operating and capital improvement grants.

Your Committee received testimony in support of this measure from Hawaii Youth Services Network, Healthy Mothers Healthy Babies, Hawaii Psychological Association, Mental Health America of Hawaii, Hawaii Maternal and Infant Health Collaborative, Catholic Charities Hawaii, and numerous individuals.

Your Committee received comments on this measure from Hawaii Alliance of Nonprofit Organizations and Parents and Children Together.

Your Committee finds that the funds appropriated by this measure will assist Hawaii's private organizations to provide essential and impactful services to residents and communities.

Your Committee has amended this measure by:

- (1) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (2) Making a technical nonsubstantive change for the purpose of clarity.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 809, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 809, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

# SCRep. 1899 (Joint) Energy, Economic Development, and Tourism and Ways and Means on H.B. No. 852

The purpose and intent of this measure is to appropriate funds for the fiscal biennium beginning July 1, 2019, and ending June 30, 2021, for state executive branch programs.

Your Committees received comments on this measure from the Department of Business, Economic Development, and Tourism.

Prior to decision making on this measure, your Committees posted and made available for public review a proposed S.D. 1, which deletes the contents of this measure and inserts the language that:

- (1) Establishes the Hawaii State Energy Office;
- (2) Establishes the Board of Directors and Director of the Hawaii State Energy Office and powers and duties of the Director;
- (3) Repeals the establishment of the Energy Resources Coordinator position, the Coordinator's powers and duties, and the establishment of the Renewable Energy Facilitator position, and transfers some of the powers and duties of the Energy Resources Coordinator to the Director of the Hawaii State Energy Office;
- (4) Appropriates funds for the Hawaii State Energy Office; and
- (5) Includes an effective date of July 1, 2050.

Your Committees received testimony in support of the proposed S.D. 1 from the Department of Business, Economic Development, and Tourism and two individuals.

Your Committees find that there is a need for a state agency responsible for facilitating the transition to a clean energy economy to meet Hawaii's climate and cost of living goals. Tasking a single agency to plan for energy savings measures across all public facilities and assist government entities already working to reduce energy costs is a necessary step to maximize taxpayer dollars. Your Committees also find that although the State Energy Office is tasked with the responsibility of overseeing one-eighth of Hawaii's economy, which impacts every business and household, the Office lacks an enabling statute, a mission, formal guidance, and reporting accountability. Your Committees further find that the proposed S.D. 1 establishes the Hawaii State Energy Office in statute with clear guidance and reporting accountability.

Your Committees have amended this measure by adopting the proposed S.D. 1 and further amending the measure by:

- (1) Authorizing the Hawaii State Energy Office to enter into a memorandum of understanding with the Hawaii Technology Development Corporation to coordinate with and utilize the Corporation's expertise, personnel, and powers for certain purposes;
- (2) Deleting language that would have established the Board of Directors of the Hawaii State Energy Office;
- (3) Changing the position title from the Director of the Hawaii State Energy Office to the Chief Energy Officer of the Hawaii State Energy Office, and making conforming amendments;
- (4) Amending the qualifications required of the Chief Energy Officer;
- (5) Amending the duties of the Chief Energy Officer;
- (6) Amending the definition of "distributed energy resources";
- (7) Changing the expending agency for the energy security special fund from the Department of Business, Economic Development, and Tourism to the Hawaii State Energy Office and amending the allowable uses of monies from the energy security special fund;
- (8) Inserting an appropriation amount of \$2,300,000 for the Hawaii State Energy Office;
- (9) Inserting an additional appropriation or authorization of funds for expenses and positions for the Hawaii State Energy Office;
- (10) Transferring the rights, powers, functions, and duties of the State Energy Office, including existing civil service employees, to the Hawaii State Energy Office and retaining the employees' civil service status until they leave employment with the Hawaii State Energy Office; and
- (11) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 852, H.D. 1, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 852, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 4; Ayes with Reservations (Inouye, Taniguchi). Noes, none. Excused, 1 (Fevella).

Ways and Means: Ayes, 9; Ayes with Reservations (Inouye, Moriwaki, Taniguchi). Noes, none. Excused, 4 (English, Harimoto, Kidani, Fevella).

### SCRep. 1900 Judiciary on H.B. No. 1009

The purpose and intent of this measure is to:

- (1) Require a movie theater to provide at least two showings per week per movie offered with open movie captioning;
- (2) Remove the option for a movie theater to provide lightweight eyewear to fulfill the open movie captioning requirement; and
- (3) Make the open captioning requirement permanent by repealing the sunset date of Act 39, Session Laws of Hawaii 2015.

Your Committee received testimony in support of this measure from the Office of Language Access; State Council on Developmental Disabilities; Hawai'i Civil Rights Commission; Hawai'i State Commission on the Status of Women; Pono Hawai'i Initiative; Comprehensive Service Center; Hawaii Interpreting Services; Filipinos for Affirmative Action; Isle Interpret, LLC; O'ahu County Democrats Legislative Priorities Committee; and twenty-six individuals.

Your Committee finds that open movie captioning provides a display of text on a screen or other visual display that provides additional or interpretive information of what is being presented, which is particularly helpful for the deaf, deaf-blind, hard of hearing, limited English proficient persons, and English-language learners. Your Committee further finds that this measure will help ensure that members of the aforementioned communities will have full, equal, and nondiscriminatory access to and the opportunity to enjoy motion pictures.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1009, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

### SCRep. 1901 Judiciary on H.B. No. 1053

The purpose and intent of this measure is to amend the statutorily mandated inscription for civil identification cards to conform to the inscription currently in use.

Your Committee received testimony in support of this measure from the Department of Transportation and O'ahu County Democrats Legislative Priorities Committee.

Your Committee finds that existing law requires civil identification cards to include the inscription "State of Hawaii Identification Card". However, numerous identification cards have been erroneously printed with the inscription "Hawaii Identification Card". Your Committee believes that rather than requiring all those individuals who received an identification card printed in error to go back to the issuing county office for an amended identification card, existing law should be amended to conform to the inscription currently being used to avoid any inconvenience for residents.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1053, H.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

### SCRep. 1902 (Joint) Judiciary and Ways and Means on H.B. No. 356

The purpose and intent of this measure is to increase the Comptroller's settlement authority for tort and automobile claims to \$25,000.

Your Committees received testimony in support of this measure from the Department of Accounting and General Services.

Your Committees find that the Department of the Attorney General handles claims that are above the Risk Management Office's settlement and payment authority. This measure will increase the settlement authority of the Risk Management Office to \$25,000 and subsequently reduce the number of cases assigned to the Attorney General, thereby promoting settlement, which is often a more efficient use of state resources.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 356, H.D. 1, S.D. 1, and recommend that it pass Third Reading.

Signed by the Chairs on behalf of the Committees. Judiciary: Ayes, 5. Noes, none. Excused, none. Ways and Means: Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Riviere).

### SCRep. 1903 (Joint/Majority) Judiciary and Ways and Means on H.B. No. 1541

The purpose and intent of this measure is to establish and appropriate funds for the Hawaii gun violence prevention center within the University of Hawaii to research strategies to prevent gun violence.

Your Committees received testimony in support of this measure from the LGBT Caucus of the Democratic Party of Hawaii, Oʻahu County Democrats Legislative Priorities Committee, Giffords Law Center to Prevent Gun Violence, and four individuals. Your Committees received testimony in opposition to this measure from the Hawaii Rifle Association, Hawaii Firearms Coalition, Institute for Rational and Evidence-Based Legislation, and thirty-one individuals. Your Committees received comments on this measure from the Department of Budget and Finance.

Your Committees find that because of existing federal laws that prevent the use of federal funds for gun violence research, little is known about gun violence and its prevention. Because research relating to gun violence has declined, federal and state government agencies lack the capacity to analyze data to track black market guns used in crimes and develop evidence-based policies that can save lives. This measure would allow for the research necessary to develop strategies to prevent gun violence and save lives in the State.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1541, H.D. 2, S.D. 1, and recommend that it pass Third Reading.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 4. Noes, 1 (Fevella). Excused, none.

Ways and Means: Ayes, 9. Noes, 1 (Fevella). Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1904 (Joint) Energy, Economic Development, and Tourism and Government Operations and Ways and Means on H.B. No. 1586

The purpose and intent of this measure is to:

- (1) Establish the Hawaii State Energy Office within the Department of Business, Economic Development, and Tourism;
- (2) Establish the position of Deputy Director of Energy;
- (3) Repeal the establishment of the Energy Resources Coordinator position and transfer the duties and responsibilities of the Energy Resources Coordinator, which are currently assigned to the Director of Business, Economic Development, and Tourism, to the Deputy Director of Energy; and
- (4) Amend the allowable uses of the energy security special fund.

Your Committees did not receive any testimony on this measure.

Prior to decision making on this measure, your Committees posted and made available for public review a proposed S.D. 2, which deletes the contents of this measure and inserts the contents of S.B. No. 1530, S.D. 3, with further amendments. Specifically, the proposed S.D. 2:

- (1) Establishes the stadium development district, which includes all state property under the jurisdiction of the stadium authority;
- (2) Transfers title of lands under the jurisdiction of the Stadium Authority to the Hawaii Community Development Authority;
- (3) Authorizes the issuance of general obligation bonds and reimbursable general obligation bonds and appropriates funds;
- (4) Exempts the stadium development district from community development plan requirements;

- (5) Exempts lands to which the Stadium Authority holds title from the definition of "public lands" subject to chapter 171, Hawaii Revised Statutes, but establishes certain restrictions on leases within the stadium development district; and
- (6) Authorizes the Department of Land and Natural Resources to give written concurrence, based on a phased review, on any project in the stadium development district for historical preservation purposes.

Your Committees received testimony in support of the proposed S.D. 2 from the Department of Accounting and General Services, Stadium Authority, University of Hawaii System, Chamber of Commerce Hawaii, and Building Industry Association of Hawaii. Your Committees received testimony in opposition to the proposed S.D. 2 from the Department of Planning and Permitting of the City and County of Honolulu and League of Women Voters. Your Committees received comments on the proposed S.D. 2 from the Department of Land and Natural Resources and Hawaii Community Development Authority.

Your Committees find that the redevelopment of lands under the jurisdiction of the Stadium Authority could benefit from the administration of the Hawaii Community Development Authority. Your Committees also find that, as significant public outreach and studies have already occurred, a stadium development district may be formed that is exempt from community development plan requirements. Your Committees seek to ensure continued public participation in this project by requiring decisions regarding the project that may have a significant impact on the community or environment to be made by the Stadium Authority at a public meeting.

Your Committees note that all lands in the stadium development district are state lands over which the State already has oversight. Furthermore, the Stadium Authority is subject to the Sunshine Law and therefore affected communities or interested parties will have an opportunity to be informed about and participate in the process of development of the stadium development district.

Your Committees have amended this measure by adopting the proposed S.D. 2 and further amending the measure by:

- (1) Requiring the Stadium Authority and Hawaii Community Development Authority to execute a memorandum of agreement with appropriate state agencies to effectuate the restrictions and provisions on leases within the stadium development district;
- (2) Clarifying development guidance policies governing the Executive Director of the Hawaii Community Development Authority's actions in the stadium development district to specify that endangered species of flora and fauna shall be preserved as required by state and federal law;
- (3) Deleting language that would have authorized the Department of Land and Natural Resources to give written concurrence, based on a phased review, on any project in the stadium development district for historical preservation purposes;
- (4) Specifying that the disposition of certain lands or any improvements thereon shall be done consistently with the terms, conditions, restrictions, and uses applicable to the disposition of public lands;
- (5) Requiring the legal instrument that transfers the fee simple interest in all land under the control or jurisdiction of the Stadium Authority from the Department of Land and Natural Resources to the Stadium Authority to prohibit the Stadium Authority from relinquishing the State's title to any ceded lands; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Although this measure, as amended, indicates that the disposition of lands exempt from the definition of "public lands" in chapter 171, Hawaii Revised Statutes, or any improvements thereon, shall be done consistently with the terms, conditions, restrictions, and uses applicable to the disposition of public lands, your Committees note its intent is to apply this requirement to only those lands to which the Stadium Authority holds title.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism, Government Operations, and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1586, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1586, H.D. 1, S.D. 2.

Signed by the Chairs and President on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Taniguchi, Fevella).

Government Operations: Ayes, 3. Noes, none. Excused, 2 (Baker, Fevella).

Ways and Means: Ayes, 8. Noes, none. Excused, 5 (English, Harimoto, Kahele, Taniguchi, Fevella).

### SCRep. 1905 Judiciary on H.B. No. 66

The purpose and intent of this measure is to repeal the existing Uniform Athlete Agents Act and replace it with the Revised Uniform Athlete Agents Act, which applies to certain financial advisers and makes other changes to the Uniform Act to increase effectiveness and enforceability.

Your Committee received testimony in support of this measure from the Department of Education, Department of Commerce and Consumer Affairs, National Collegiate Athletic Association, and Commission to Promote Uniform Legislation.

Your Committee finds that the Uniform Athlete Agents Act, adopted by the Legislature in 2007, has helped to reduce improper contact between agents and student athletes. However, your Committee further finds that the Act as it currently exists is not broad enough to provide adequate protection for student athletes from other professional service providers, and that one variation of the athlete agent problem has been developing in the form of financial advisers who are not subject to the Uniform Athlete Agents Act. This measure repeals the current Uniform Athlete Agents Act and replaces it with the Revised Uniform Athlete Agents Act, which expands applicability of the Uniform Act to financial advisers under certain circumstances and requires these individuals to register as athlete agents.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 66, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 66, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

#### SCRep. 1906 (Majority) Judiciary on H.B. No. 285

The purpose and intent of this measure is to:

- (1) Require county police departments to disclose to the Legislature the identity of an officer upon the officer's suspension or discharge; and
- (2) Amend the Uniform Information Practices Act to allow for public access to information about suspended officers.

Your Committee received testimony in support of this measure from the Office of Information Practices, Civil Beat Law Center for the Public Interest, League of Women Voters, Hawaii Chapter of the Society of Professional Journalists, Common Cause Hawaii, American Civil Liberties Union of Hawaiii, Young Progressives Demanding Action, O'ahu County Democrats Legislative Priorities Committee, and two individuals.

Your Committee finds that requiring disclosure of the identities of suspended or discharged county police officers to the Legislature will improve oversight of police departments in cases of severe misconduct. Your Committee further finds that providing public access to records of suspended police officers, similar to the information required regarding the suspension of other government employees, will likewise increase transparency in law enforcement. However, your Committee additionally finds that law enforcement agencies require time to adjust their information practices to the new requirements and allowing disclosure and public access to be retroactive may not be practicable.

Accordingly, your Committee has amended this measure by:

- (1) Specifying that county police departments are required to disclose to the Legislature the identity of an officer upon the officer's suspension or discharge beginning with the annual report of 2021;
- (2) Allowing for public access to information about suspended officers for suspensions occurring after March 1, 2020; and
- (3) Changing the effective date to March 1, 2020.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 285, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 285, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3; Ayes with Reservations (Wakai). Noes, 1 (Fevella). Excused, 1 (Kim).

# SCRep. 1907 Judiciary on H.B. No. 390

The purpose and intent of this measure is to make permanent Act 172, Session Laws of Hawaii 2017, which grants employees the right to have a chaperone present during a medical examination relating to a workers' compensation work injury and, with the approval of the examining physician or surgeon, to record the examination. This measure also provides that if an employee or employee's chaperone obstructs the medical examination, the employee's right to worker's compensation shall be suspended until the refusal or obstruction ceases.

Your Committee received testimony in support of this measure from the Department of Labor and Industrial Relations, ILWU Local 142, and Work Injury Medical Association of Hawaii.

Your Committee finds that the workers' compensation system is often adversarial in nature, has the potential to result in significant financial consequences, and is often stressful and intimidating for injured employees. Your Committee further finds that the presence of a chaperone during workers' compensation independent medical examinations improves transparency and allows the injured employee to more effectively seek a second opinion or consult the employee's primary physician. This measure makes permanent the law that allows employees the right to have a chaperone present and to record the independent medical examination.

Your Committee has amended this measure by inserting an effective date of June 29, 2019.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 390, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 390, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 1908 Judiciary on H.B. No. 944

The purpose and intent of this measure is to:

- (1) Prohibit a public benefits corporation from purchasing its own memberships;
- (2) Clarify that a person who does not have authority to vote as a member of the board is not a director;
- (3) Clarify that a corporation with members may designate its directors;

- (4) Authorize a board of directors to take action without a board meeting through electronic means;
- (5) Increase the length of time that the Attorney General has to review for a proposed sale of substantially all of the assets of public benefit corporations other than in the regular course of its activities; and
- (6) Make other housekeeping amendments.

Your Committee received testimony in support of this measure from the Department of the Attorney General, University of Hawaii Foundation, and Hawaii'i Alliance of Nonprofit Organizations.

Your Committee finds that numerous laws pertaining to public benefit corporations are in need of clarification. Your Committee further finds that although it is possible to infer that a public benefit corporation should not be able to purchase its memberships from the rule against distributing charitable assets for non-charitable purposes, there is no clear prohibition against the practice in existing law. Your Committee additionally finds that existing law is unclear as to whether ex-officio directors, or individuals named as directors based on their position or status, who do not have any authority to vote as members of the board, are in fact directors of a public benefit corporation. Your Committee also finds that although boards of directors of public benefit corporations are authorized to take actions outside of meetings in some situations, no provisions of existing law authorize electronic signatures by board members. This measure clarifies and updates laws pertaining to public benefit corporations in these areas.

Your Committee has amended this measure by clarifying the definition of "written consent" for the purpose of actions taken by a board of directors of a public benefit corporation.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 944, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 944, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 1909 (Joint) Commerce, Consumer Protection, and Health and Ways and Means on H.B. No. 1133

The purpose and intent of this measure is to:

- (1) Prohibit the issuance of more than forty access permits for any marine life conservation district not accessible by land; and
- (2) Limit access to any marine life conservation district not accessible by land to no more than fifty percent of permit holders.

Your Committees received testimony in support of this measure from the Ocean Tourism Coalition; Trilogy Corporation; PacWhale Eco Adventures; Boss Frog's Dive and Surf; Lahaina Divers, Inc.; Calypso Charters; Maui Classic Charters; Alii Nui Charters; Kai Kanani Sailing; Malolo Charters; and nineteen individuals. Your Committees received testimony in opposition to this measure from God's Country Waimanalo and eight individuals. Your Committees received comments on this measure from the Department of Land and Natural Resources.

Your Committees find that Molokini Shoal is one of the most popular snorkel and dive destinations in the State and is a designated Marine Life Conservation District. According to testimony received by your Committees, weather conditions effectively limit boat accessibility to Molokini to only three hours per day, two hundred eighty days per year. There are presently forty commercial use permits in operation for Molokini, and only twenty-four moorings that can each accommodate up to two vessels per day. However, based on the wording of existing rules, unpermitted commercial vessels can also access the Molokini crater so long as they do not moor inside the crater. Vessels and their guests "drift dive" inside the crater, which has resulted in overcrowding and has raised safety concerns. Furthermore, based on existing rules, there is no limitation on the number of permit holders that may enter the crater at any one time. This measure will close the loophole in the existing rules and will limit the number of vessels that may be inside the crater at any one time to one-half of the permitted vessels.

Your Committees further find that, in 2010, a social carrying capacity study found that over two-thirds of all visitors felt crowded and that there were too many boats in the crater. A 2016 reef predator study also found that fifty per cent of omilu, a key nearshore reef predator, were displaced outside of the shallow crater into deeper water when more than twelve boats were in the Molokini crater at a time. Amendments to this measure are therefore necessary to ensure that the Department of Land and Natural Resources immediately initiates rulemaking for management changes to quickly address these concerns.

Accordingly, your Committees have amended this measure by:

- Clarifying that this measure applies to limits on the number of marine life conservation district commercial use permits and commercial use permittees, as the Department of Land and Natural Resources does not issue permits granting general access to marine life conservation districts;
- (2) Requiring the Department of Land and Natural Resources to immediately initiate rulemaking for management changes to address overcrowding and fish disruption concerns at Molokini Shoal Marine Life Conservation District and submit a report to the Legislature on its rulemaking progress no later than twenty days prior to the convening of the Regular Session of 2020;
- (3) Changing the effective date to upon approval; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1133, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1133, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 6. Noes, none. Excused, 1 (Nishihara).

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (Harimoto, Kahele, Kanuha).

# SCRep. 1910 Ways and Means on H.B. No. 34

The purpose and intent of this measure is to require that the foreperson classification be recognized as a separate wage classification for public works projects if so requested by an organization and recognized by a collective bargaining agreement.

Your Committee received written comments in support of this measure from the Hawaii Operating Engineers Union Local 3.

Your Committee received comments on this measure from the Department of Labor and Industrial Relations.

Your Committee finds that this measure will assist in the recognition of foreperson positions in certified payrolls and ensure that those individuals are paid their correct wages.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 34, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

#### SCRep. 1911 Ways and Means on H.B. No. 123

The purpose and intent of this measure is to abolish the Hawaii Department of Agriculture biocontrol foreign exploration special fund.

Your Committee received written comments on this measure from the Department of Agriculture and Tax Foundation of Hawaii.

Your Committee finds that the Hawaii Department of Agriculture biocontrol foreign exploration special fund contains a zero balance, does not meet the criteria for a special fund, is no longer needed, and should thus be abolished.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 123, H.D. 2, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 1912 Ways and Means on H.B. No. 530

The purpose and intent of this measure is to establish a linked investment program for the agriculture industry.

More specifically, the program authorizes eligible lending institutions to make loans to eligible borrowers based upon the value of certificates of deposit placed with the lending institutions by the Director of Finance as short-term investments of state moneys totalling up to \$5,000,000.

This measure also appropriates funds for staff to administer the linked investment program.

Your Committee received written comments on this measure from the Department of Agriculture and the Department of Budget and Finance.

Your Committee finds that innovative financial mechanisms are needed to support the agricultural industry following recent natural disasters that have adversely affected farms and other agricultural enterprises.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 530, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1913 (Majority) Ways and Means on H.B. No. 622

The purpose and intent of this measure is to establish certain requirements and restrictions relating to charter schools.

Specifically, this measure:

- Requires that if federal criminal charges are filed against an employee of a charter school for actions taken in the course of
  employment, public funds that have been disbursed to the school shall be transferred to the State Public Charter School
  Commission;
- (2) Provides that funds appropriated to a charter school shall remain in the state treasury until certain requirements are met;
- (3) Provides that authorizers may conduct or require audits and makes authorizers responsible for the selection of independent auditors to complete each charter school's annual financial audit;
- (4) Requires authorizers to develop and maintain a system of banking accounts that charter schools shall exclusively use to receive and expend federal and state funds;
- (5) Prohibits individuals from serving on the Board of Education or the State Public Charter School Commission if they were affiliated with any public charter schools within the four years preceding the appointment to the board or commission; and
- (6) Prohibits an authorizer from simultaneously serving at or for a public charter school authorized by that authorizer.

Your Committee received written comments in support of this measure from one individual.

Your Committee received written comments in opposition to this measure from the Office of the Governor, Waimea Middle School, Kualapuu Public Conversion Charter School, Connections Public Charter School, Halau Ku Mana Public Charter School, and two individuals.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs, Board of Education, and State Public Charter School Commission.

Your Committee finds that it is prudent for the State to impose appropriate mechanisms for accountability and oversight of public charter schools

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 622, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, 1 (Fevella). Excused, 2 (Shimabukuro, Taniguchi).

# SCRep. 1914 Ways and Means on H.B. No. 626

The purpose and intent of this measure is to amend procedures for the filling of vacancies in the representation of districts of this State in the United States House of Representatives.

Specifically, this measure:

- Requires the Chief Election Officer to issue a proclamation for a special election for a vacancy not later than fourteen days after the vacancy occurs;
- (2) Requires the special election for the vacancy to be conducted by ranked choice voting; and
- (3) Establishes provisions for the Governor to appoint individuals to temporarily fill vacancies.

Your Committee received written comments in support of this measure from FairVote Action, Americans for Democratic Action Hawaii, the Democratic Party of Hawaii, and the Oahu County Democrats Legislative Priorities Committee.

Your Committee received written comments on this measure from the Department of the Attorney General, Office of Elections, and one individual.

Your Committee finds that this measure will help minimize the effect that a vacancy in the United States House of Representatives may have and will ensure that residents of the State continue to have a voice in matters of national importance.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 626, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

# SCRep. 1915 Ways and Means on H.B. No. 627

The purpose and intent of this measure is to impose certain requirements relating to independent expenditures in elections.

Specifically, this measure:

- (1) Requires a person making independent expenditures to influence an election, to:
  - (A) Make a report that identifies the candidate or candidates that the person is supporting or opposing, if the independent expenditure advocates the election or defeat of a clearly identified candidate; or
  - (B) Indicate that the expenditure is for issue advertising;
- (2) Requires the Campaign Spending Commission to publish on its website independent expenditure information for each candidate; and
- (3) Imposes penalties on persons who make false statements on certain disclosures relating to independent expenditures.

Your Committee received written comments in support of this measure from the League of Women Voters of Hawaii and one individual.

Your Committee finds that transparency in elections, including transparency regarding independent expenditures to influence elections, is necessary to ensure fairness in elections.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 627, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

#### SCRep. 1916 Ways and Means on H.B. No. 981

The purpose and intent of this measure is to clarify that overpayments of refunds and retirement benefits constitute a debt due and owing to the Employees' Retirement System. Furthermore, this measure requires the Employees' Retirement System to adopt and enforce rules to effect the maximum recovery of those overpayments.

Your Committee received written comments in support of this measure from the Employees' Retirement System.

Your Committee finds that this measure will provide the Employees' Retirement System with the legal tools necessary to pursue and recover benefits that belong to members and beneficiaries of the Employees' Retirement System.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 981, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1917 Ways and Means on H.B. No. 157

The purpose and intent of this measure is to expand the type of information for each public employee that government agencies are required to provide to the exclusive representative of each employee's collective bargaining unit.

This measure also requires the information for newly hired public employees to be provided within an unspecified number of pay periods for new employees.

Your Committee received written comments in support of this measure from the Hawaii Government Employees Association and Oahu County Democrats.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that this measure will assist exclusive representatives in obtaining pertinent and timely information about the members in their respective bargaining units, and this information will allow the exclusive representatives to provide services that are more responsive to their members' needs.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 157, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 157, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

#### SCRep. 1918 Ways and Means on H.B. No. 529

The purpose and intent of this measure is to require that vehicles descending the road to Waipio Valley on the island of Hawaii have low-range, four-wheel drive capability.

Your Committee received written comments in support of this measure from one individual.

Your Committee finds that prohibiting access by vehicles that are not designed or equipped to traverse the dangerous and steep onelane Waipio Valley Road will help to protect the safety of all visitors to Waipio Valley.

Your Committee has amended this measure by making it effective upon approval.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 529, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 529, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1919 Ways and Means on H.B. No. 531

The purpose and intent of this measure is to require the Chief Information Officer of the Office of Enterprise Technology Services to update and submit to the Governor and the Legislature the state information technology strategic plan every four years.

Your Committee received written comments in support of this measure from the Department of Education, Office of Enterprise Technology Services, and Transform Hawaii Government.

Your Committee finds that the constantly changing nature of technology necessitates the continued and periodic updating of the state information technology strategic plan.

Your Committee has amended this measure by changing the effective date from April 25, 2112, to upon approval.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 531, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 531, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1920 Ways and Means on H.B. No. 551

The purpose and intent of this measure is to ensure the availability of funds to address issues relating to cesspools.

Specifically, this measure extends to June 30, 2020, the lapse date for funds appropriated by Act 132, Session Laws of Hawaii 2018, to the:

- (1) University of Hawaii to conduct a comprehensive statewide study of sewage contamination in nearshore marine areas; and
- (2) Department of Health to conduct research or gather technical assistance relating to the Cesspool Conversion Working Group's comprehensive cesspool conversion plan.

Your Committee received written comments in support of this measure from the Department of Health; University of Hawaii; One World One Water, LLC; and two individuals.

Your Committee finds that due to the health risks posed by contaminated water from cesspools, it is appropriate to grant the University of Hawaii and Department of Health additional time to complete their respective tasks under Act 132, Session Laws of Hawaii 2018.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 551, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 551, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1921 Ways and Means on H.B. No. 845

The purpose and intent of this measure is to improve the productivity and efficiency of state employees.

More specifically, this measure:

- (1) Establishes the state employees training program and the board of the state employees training program;
- Requires the board of the state employees training program to develop a plan for the creation and development of various employee training programs;
- (3) Establishes the state employees training fund; and
- (4) Requires that each newly-hired state employee be provided with a general orientation on the employee's benefits and rights.

Your Committee received written comments in support of this measure from the Hawaii Government Employees Association.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that a state employees training program would improve the retention of public employees and provide general benefits to the public workforce.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 845, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 845, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1922 Ways and Means on H.B. No. 888

The purpose and intent of this measure is to appropriate funds to support the operations of the Maui Health System, A Kaiser Foundation Hospitals LLC.

Your Committee received no written comments on this measure.

Your Committee finds that as the only health care provider on the neighbor islands that provides cardiac surgery, interventional cardiology, interventional neurosurgery, and neurosurgery, the operations of Maui Health System, A Kaiser Foundation Hospitals LLC, are critical to the health and well-being of many of the State's residents and visitors.

Your Committee has amended this measure by changing the appropriations to unspecified amounts to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 888, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 888, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1923 Ways and Means on H.B. No. 914

The purpose and intent of this measure is to clarify that, except as provided by law, the party seeking the review of a decision and order of the Hawaii Labor Relations Board shall bear the cost of preparing a transcript.

Your Committee received written comments in support of this measure from the Hawaii Labor Relations Board.

Your Committee finds that clarifying that parties seeking review of the Board's decisions and orders shall be responsible for the cost of preparing transcripts, except as provided by law, will ensure that those parties are aware of their duties and obligations with respect to applicable reviews.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 914, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 914, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

#### SCRep. 1924 Ways and Means on H.B. No. 1093

The purpose and intent of this measure is to establish operating requirements for transportation network companies and to prohibit them from operating in the State without a permit issued by the Director of Transportation.

This measure also makes permanent the current motor vehicle insurance requirements relating to the motor vehicle used by a driver for a transportation network company.

Your Committee received written comments in support of this measure from Uber Technologies Inc. and Lyft.

Your Committee received written comments in opposition to this measure from Charley's Taxi, Roberts Hawaii, and Hawaii Passenger and Property Carriers Association.

Your Committee received written comments on this measure from the Department of Transportation Services of the City and County of Honolulu.

Your Committee finds that this measure will apply uniform requirements for transportation network companies across all counties and will provide consumers and drivers for transportation network companies with a consistent experience with the transportation network companies statewide.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1093, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Fevella). Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1925 Ways and Means on H.B. No. 1187

The purpose and intent of this measure is to appropriate moneys from other funds of the program ID BUF 141, relating to the Employees' Retirement System Pension Trust, for certain expenses in fiscal biennium 2019-2021.

Your Committee received written comments in support of this measure from the Employees' Retirement System.

Your Committee finds that additional funds are needed for equipment updates, increased actuarial and legal costs, and an increase in staff positions.

Your Committee has amended this measure by changing the appropriations to unspecified amounts.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1187, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1187, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

# SCRep. 1926 (Majority) Ways and Means on H.B. No. 1191

The purpose and intent of this measure is to increase the minimum wage and offset any adverse economic impact the increase may have on small businesses through an income tax credit.

Specifically, the measure:

- (1) Increases the minimum wage to \$12.00 per hour beginning January 1, 2020, and to \$15.00 per hour beginning January 1, 2023; and
- (2) Establishes an income tax credit for qualifying small businesses to offset the increase in the wages that employers pay to employees.

Your Committee received written comments in support of this measure from the Department of Labor and Industrial Relations, Hawaii State Commission on the Status of Women, LGBT Caucus of the Democratic Party of Hawaii, Pride at Work Hawaii, Americans for Democratic Action Hawaii, American Association of University Women of Hawaii, League of Women Voters of Hawaii, Hawaii Community Assets, Hawaii Catholic Conference, ILWU Local 142, Hawaii State Teachers Association, Oahu County Democrats, Hawaii Iron Workers Stabilization Fund, Hawaii Alliance for Community-Based Economic Development, Mary and Mike Properties LLC, PHOCUSED, Democratic Party of Hawaii, Democratic Party of Hawaii Labor Caucus, Hawaii Alliance for Progressive Action, IATSE Local 665, Living Wage Hawaii, Hawaii Government Employees Association, Democratic Party of Hawaii

Education Caucus, Pono Hawaii Initiative, IMUAlliance, Catholic Charities Hawaii, Hawaii Appleseed Center for Law and Economic Justice, Bayada, Oahu County Democrats Legislative Priorities Committee, Midwives Alliance of Hawaii, and numerous individuals.

Your Committee received written comments in opposition to this measure from the Hawaii Restaurant Association; Hawaii Food Industry Association; 7-Eleven Hawaii; Hakuyosha International, Inc.; First Commercial Kitchen LLC; Duke's Waikiki; Condominium Rentals Hawaii; Tanaka of Tokyo; Pop's Inc.; Island Plastic Bags, Inc.; The Hawaii Food Manufacturers Association; Kauai Ice Distributors; Tiki's Grill & Bar; ABC Stores; Retail Merchants of Hawaii; Pacific Whale Foundation; Kalaheo Cafe and Coffee Co.; Teapresso II Gelato LLC; II Gelato Hawaii; Hawaii Petroleum Marketers Association; Holo Holo Charters; Molokai Chamber of Commerce; Hawaiian Chip Company, LLC; Chamber of Commerce Hawaii; Big City Diner; National Federation of Independent Business; Kauai Island Brewing Company; Maui Chamber of Commerce; Hawaii Lodging and Tourism Association; Kona-Kohala Chamber of Commerce; and numerous individuals.

Your Committee received written comments on this measure from the Department of Taxation, Tax Foundation of Hawaii, Moiliili Community Center, Grassroot Institute of Hawaii, and SHRM Hawaii.

Your Committee finds that because Hawaii has the lowest average wage in the nation when adjusted for the cost of living, an increase in the minimum wage would assist the State's residents in maintaining economic self-sufficiency and avoiding falling into poverty.

Your Committee respectfully requests that the Committee on Conference convened for this measure consider the following amendments suggested by the Department of Taxation in its testimony:

- (1) Reformulating the tax credit to be based only on the increase in wages paid that are attributable to the increase in the minimum wage:
- (2) Amending the definition of "qualified small business" to allow businesses making less than a maximum amount of gross receipts to claim the tax credit; and
- (3) Establishing a definition for the term "total hourly wages paid."

Your Committee has amended this measure by adding a provision requiring the State to pay its full-time employees a wage at the rate of not less than \$17.00 per hour beginning on the effective date of the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1191, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1191, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11; Ayes with Reservations (Fevella). Noes, 1 (Riviere). Excused, 1 (Shimabukuro).

#### SCRep. 1927 Ways and Means on H.B. No. 1229

The purpose and intent of this measure is to appropriate funds for the education and support of local businesses regarding the federal Food and Drug Administration's industry guidance on colored sea salt, contingent upon the collective contribution by private businesses of one-half the cost of conducting a study of sea salt color additives that is to be submitted to the Food and Drug Administration for approval.

Your Committee received written comments in support of this measure from the Hawaii Food Manufacturers Association; Salty Wahine Gourmet Hawaiian Sea Salts; Molokai Chamber of Commerce; Chamber of Commerce Hawaii; Hawaiian Chip Company, LLC; H.K. Enterprise Group; Woodland Foods; and one individual.

Your Committee received written comments on this measure from the Department of Business, Economic Development, and Tourism and one individual.

Your Committee finds that as Hawaii-made sea salt products are growing in popularity, this measure can help ensure the continued viability of the State's sea salt manufacturing industry.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1229, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

# SCRep. 1928 Ways and Means on H.B. No. 1273

The purpose and intent of this measure is to facilitate the provision of services to persons with intellectual and developmental disabilities.

Specifically, this measure:

- (1) Establishes and appropriates funds from the intellectual and developmental disabilities Medicaid waiver administrative claiming special fund; and
- (2) Requires the Department of Health to work with the Department of Human Services and other stakeholders to develop and distribute information about accessing Medicaid services for individuals with intellectual or developmental disabilities.

Your Committee received written comments in support of this measure from the Department of Health, Department of Human Services, Executive Office on Aging, State Council on Developmental Disabilities, Hawaii Substance Abuse Coalition, Hawaii

Disability Rights Center, The Arc of Kona, The Arc in Hawaii, Hawaii FASD Action Group, Full Life, Oahu County Democrats Legislative Priorities Committee, and two individuals.

Your Committee recognizes that with a special fund for depositing moneys received from federal financial participation for operating under the home and community-based services waiver for persons with intellectual and developmental disabilities, the Department of Health will have the infrastructure necessary to ensure the proper and efficient administration of the waiver and meet the growing federal requirements for community integration, quality, and accountability.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1273, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1929 Ways and Means on H.B. No. 1345

The purpose and intent of this measure is to appropriate moneys to the Department of Budget and Finance for the operations of the Hawaii Employer-Union Health Benefits Trust Fund.

Your Committee received written comments in support of this measure from the Hawaii Employer-Union Health Benefits Trust

Your Committee finds that supporting the operations of the Hawaii Employer-Union Health Benefits Trust Fund will provide continued and improved access to health care to the nearly two hundred thousand State and county employees and retirees, and their respective dependents, who rely on the trust fund for health insurance.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1345, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1345, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 13. Noes, none. Excused, none.

### SCRep. 1930 Ways and Means on H.B. No. 1375

The purpose and intent of this measure is to require that the Governor include no less than \$2,000,000 in the executive budget as a recurring cost to be allocated to the State of Hawaii Museum of Natural and Cultural History.

Your Committee received written comments in support of this measure from the Hawaii Tourism Authority, Bishop Museum, Charles Reed Bishop Trust, Kamehameha Schools, Institute for Native Pacific Education and Culture, Kanu o Ka Aina Learning Ohana, Council for Native Hawaiian Advancement, The Queen's Health Systems, and one individual.

Your Committee received written comments on this measure from the Department of Budget and Finance and Department of the Attorney General.

Your Committee finds that State of Hawaii Museum of Natural and Cultural History, also known as the Bernice Pauahi Bishop Museum, stewards the largest collection of Hawaiian and Oceanic materials in the world. The additional funding will help the museum to hire additional staff, enhance operations, and ensure the care, protection, and preservation of its collections.

Your Committee has amended this measure by:

- (1) Changing the appropriation from \$2,000,000 to an unspecified amount; and
- (2) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1375, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1375, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

# SCRep. 1931 Ways and Means on H.B. No. 1408

The purpose and intent of this measure is to address the shortage of housing in the State.

Specifically, this measure:

- (1) Appropriates funds for the fiscal biennium 2019-2021 operating budget of the Hawaii Housing Finance and Development Corporation; and
- (2) Establishes the Office of the Housing Advocate to develop, advocate for, and implement solutions to the State's housing shortage.

Your Committee received written comments in support of this measure from the Oahu County Democrats Legislative Priorities Committee, Chamber of Commerce Hawaii, and Building Industry Association of Hawaii.

Your Committee received written comments on this measure from the Hawaii Housing Finance and Development Corporation and Department of the Attorney General.

Your Committee finds that the creation of an Office of the Housing Advocate within the Office of the Governor will facilitate the efficient use of resources across all executive departments to provide a focused effort to address the State's housing crisis.

Your Committee has amended this measure by removing provisions that appropriate funds for the fiscal biennium 2019-2021 operating budget of the Hawaii Housing Finance and Development Corporation.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1408, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1408, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 12. Noes, none. Excused, 1 (Shimabukuro).

#### SCRep. 1932 Ways and Means on H.B. No. 1468

The purpose and intent of this measure is to appropriate funds to the Department of Health for operating expenses relating to the school-based health center at Nanakuli High and Intermediate School, including the hiring of an unspecified number of advanced practice registered nurses and for various infrastructure improvements.

Your Committee received written comments in support of this measure from Nanakuli High and Intermediate School, Hawaii Primary Care Association, Waianae Coast Comprehensive Health Center, Waianae High School, Oahu County Democrats, and numerous individuals.

Your Committee received written comments on this measure from the Department of the Attorney General.

Your Committee finds that school-based health centers provide an important service to students, as school-based health centers can improve access to comprehensive adolescent health care services, especially for those whose health conditions contribute to high absenteeism rates or those who would otherwise not seek care.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1468, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1933 Ways and Means on H.B. No. 1539

The purpose and intent of this measure is to create a two-phased exit plan for the Oahu Regional Health Care System from the Hawaii Health Systems Corporation.

Specifically, the first phase requires that changes in the scope or quantity of services at any facility of the Oahu Regional Health Care System shall require the prior approval of the Oahu Regional System Board.

The second phase gives the Director of Health, the Governor's Coordinator on Homelessness, and the Mayor of the City and County of Honolulu the right of first refusal to purchase the property rights of Maluhia Hospital or Leahi Hospital that are being privatized. The second phase also eliminates the Oahu Regional Health Care System from the Hawaii Health Systems Corporation.

Additionally, this measure requires the Oahu Regional System Board to develop a five-year strategic plan for the sustainability and viability of Leahi Hospital and Maluhia Hospital as long-term care facilities on Oahu.

Your Committee received written comments in opposition to this measure from four individuals.

Your Committee received written comments on this measure from the Department of Health, Hawaii Health Systems Corporation, and Oahu Regional Health Care System.

Your Committee finds that by placing jurisdiction over Maluhia Hospital and Leahi Hospital under the Hawaii Health Systems Corporation Board of Directors, this measure can reduce the operational expenditures of the Hawaii Health Systems Corporation.

Your Committee has amended this measure by:

- (1) Correcting the terms "Oahu region" to "Oahu regional health care system," "Oahu regional board" to "Oahu regional system board," "Maui regions" to "Maui regional health care system," and "behavioral health services administration" to "behavioral health administration:"
- (2) Adding conforming amendments to section 323F-3(a), Hawaii Revised Statutes, corresponding to the changes in the size of the board of directors in parts II and III of the measure;
- (3) Clarifying that part II of the measure shall not be repealed, and part III of the measure shall not take effect, if a concurrent resolution calling for the retention of the Oahu Regional System Board is adopted; and
- (4) Making technical, nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1539, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1539, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11; Ayes with Reservations (Taniguchi). Noes, none. Excused, 2 (English, Harimoto).

# SCRep. 1934 Ways and Means on H.B. No. 1562

The purpose and intent of this measure is to appropriate and authorize funds for various operating expenses of the Department of Agriculture.

Your Committee received written comments in support of this measure from the Department of Agriculture and Hawaii Farm Bureau.

Your Committee finds that this measure appropriates and authorizes additional funds and positions for the Department of Agriculture above its current base budget for the 2019-2021 fiscal biennium.

Your Committee has amended this measure by:

- (1) Amending the amounts appropriated and number of positions authorized for various programs of the Department of Agriculture;
- (2) Adding a provision that authorizes the appropriations made to a program by this measure to be combined with appropriations made to the same program by any other Act enacted by the Legislature for the 2019-2021 fiscal biennium;
- (3) Adding a severability clause;
- (4) Adding a provision authorizing the Governor to correct manifest clerical, typographical, or other mechanical errors; and
- (5) Making technical nonsubstantive amendments for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1562, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1562, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Harimoto).

#### SCRep. 1935 Ways and Means on H.B. No. 1563

The purpose and intent of this measure is to appropriate funds for programs of the Department of Business, Economic Development, and Tourism.

Your Committee received written comments in support of this measure from the Hawaii Technology Development Corporation; Pacific International Space Center for Exploration; Oahu Economic Development Board; Economic Development Alliance of Hawaii; David S. De Luz, Sr. Enterprises, Inc.; Hawaii Island Economic Development Board; Hawaii Business Roundtable; Blue Startups; Kauai Economic Development Board; Maui Economic Development Board; and six individuals.

Your Committee received written comments on this measure from the Department of Business, Economic Development, and Tourism; Office of Planning; Hawaii Community Development Authority; Small Business Regulatory Review Board; and one individual.

Your Committee recognizes that the provisions of this measure may be incorporated into the General Appropriations Act of 2019 or another legislative vehicle, or may be enacted as a separate Act.

Your Committee has amended this measure by inserting an authorization for an increase of \$180,294 for the expenditure ceiling of the Hawaii community development revolving fund for fringe benefits for each of the fiscal years 2019-2020 and 2020-2021.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1563, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1563, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1936 (Majority) Ways and Means on H.B. No. 838

The purpose and intent of this measure is to exempt certain eleemosynary organizations that intend to engage in public works projects or operations involving the installation or maintenance of mooring systems for vessels under one hundred gross tons from the requirements of chapter 444, Hawaii Revised Statutes.

Your Committee received written comments in support of this measure from Alii Nui Charters, Calypso Charters, Malolo Charters, Ocean Tourism Coalition, PacWhale Eco Adventures, and an individual.

Your Committee received written comments in opposition to this measure from the Contractors License Board, Building Industry Association of Hawaii, The Chamber of Commerce Hawaii, Hawaii Iron Workers Stabilization Fund, IATSE Local 665, and Pride at Work Hawaii.

Your Committee received written comments on this measure from the State Procurement Office.

Your Committee finds that facilitating the construction and installation of day use mooring buoys by certain eleemosynary organizations will help to prevent damage to coral reefs resulting from collisions with anchors.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 838, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, 1 (Fevella). Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1937 (Joint) Judiciary and Ways and Means on H.B. No. 629

The purpose and intent of this measure is to create a medical release program within the Department of Public Safety for certain ill, disabled, or impaired inmates who pose a low risk to public safety.

Your Committees received testimony in support of this measure from the Office of Hawaiian Affairs, Department of Public Safety, Hawaii Paroling Authority, Community Alliance on Prisons, Hawai'i Health and Harm Reduction Center, Drug Policy Forum of Hawaii, and O'ahu County Democrats Legislative Priorities Committee. Your Committees received testimony in opposition to this measure from the City and County of Honolulu Department of the Prosecuting Attorney.

Your Committees find that the United States federal prison system and many states grant some kind of medical or compassionate release. Compassionate release provides physicians and other medical professionals an opportunity to use their unique expertise and knowledge of prognosis, geriatrics, cognitive and functional decline, and palliative medicine to ensure that medical criteria for compassionate release are evidence-based. With this medical information, criminal justice professionals can better determine the degree of risk an inmate poses to public safety and whether or not the inmate should be granted medical release.

Your Committees further find that a medical release program would facilitate the humane reunion of incarcerated individuals who pose little to no risk to society with their 'ohana and community while reducing the various costs associated with prison overcrowding for the State, taxpayers, and other inmates.

Your Committees have amended this measure by making it effective on March 1, 2020.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 629, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 629, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees. Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1938 (Joint) Judiciary and Ways and Means on H.B. No. 1176

The purpose and intent of this measure is to authorize law enforcement officers designated by the Director of Transportation to use electric guns and require them to be accredited to use electric guns by June 30, 2024.

Your Committees received testimony in support of this measure from the Department of Transportation, Maui Police Department, and O'ahu County Democrats Legislative Priorities Committee.

Your Committees find that harbor officers of the Department of Transportation are currently prohibited from carrying and using electric guns while on duty. Harbor officers are responsible for the security and law enforcement at all ten of the State's commercial harbors and play a vital role in protecting crucially important state infrastructure. Your Committees further find that while they are prohibited from using electric guns, harbor officers are authorized to carry firearms. Your Committees believe that electric guns can offer a safer alternative to the use of firearms in certain situations. This measure will allow harbor officers to more safely protect harbors in the State by authorizing them to use electric guns.

Your Committees have amended this measure by making it effective upon approval.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1176, H.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1176, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1939 Judiciary on H.B. No. 290

The purpose and intent of this measure is to:

- Update the Uniform Controlled Substances Act to make it consistent with amendments in the federal controlled substances law relating to approved cannabidiol drugs; and
- (2) Authorize qualifying patients or qualifying out-of-state patients to transport medical cannabis between islands for their personal medical use.

Your Committee received testimony in support of this measure from the Epilepsy Foundation of Hawaii, The Queen's Health Systems, Drug Policy Forum of Hawaii, Kaiser Permanente Hawai'i, Greenwich Biosciences, and Hawaii Educational Association for Licensed Therapeutic Healthcare. Your Committee received comments on this measure from the Department of Public Safety and Department of Transportation.

Your Committee finds that the federal controlled substances law was updated to include a Schedule V controlled substance used to treat certain childhood-onset epilepsy patients who were not previously helped by other epilepsy medicines. This measure updates the Hawaii Uniform Controlled Substances Act to reflect those recent changes to federal law.

Your Committee further finds that the Uniform Controlled Substances Act establishes general requirements on prescription quantity notations, and that implementing those requirements on electronic prescriptions in Hawaii will simplify the electronic prescription process without exposing patients to increased risk of error or fraud.

Accordingly, your Committee has amended this measure by:

- Clarifying that where an electronic prescription is permitted, either words or figures may be used to indicate the amount of controlled substance to be dispensed; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 290, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 290, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

### SCRep. 1940 Judiciary on H.B. No. 1163

The purpose and intent of this measure is to authorize a financial institution that is a depository institution to conduct savings promotion or prize-linked savings contests in which its account holders are contestants.

Your Committee received testimony in support of this measure from the Hawaii Credit Union League and Hawaiian Community Assets. Your Committee received comments on this measure from the Department of Commerce and Consumer Affairs.

Your Committee finds that Hawaii's prohibition against gambling prevents financial institutions in the State from offering incentives in the form of prizes that can be won by customers depositing funds for the purpose of saving. Your Committee further finds that authorizing savings promotions or prized-linked savings contests will encourage customers to build personal savings.

Your Committee has amended this measure by removing language requiring the interest rate on a savings promotion or on prize-linked savings accounts to be lower than the interest rate associated with a comparable account.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1163, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1163, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

#### SCRep. 1941 Judiciary on H.B. No. 159

The purpose and intent of this measure is to increase criminal penalties for:

- (1) Anyone who knowingly keeps or maintains any structure or place for the purpose of using controlled substances or which is used for unlawfully keeping or selling controlled substances; and
- (2) Knowingly profiting from, advancing, or participating in gambling.

Your Committee received testimony in opposition to this measure from the Office of the public Defender.

Your Committee finds that increasing penalties for landowners who allow tenants and others to conduct illegal activity on the landowners' property can help deter crime. This measure increases criminal penalties for such landowners as a deterrent against fostering or encouraging unlawful activities on the landowner's property. However, your Committee further finds that increasing penalties for the offense of gambling itself will not advance that policy goal.

Accordingly, your Committee has amended this measure by:

- (1) Removing increased penalties for gambling and promoting gambling aboard ships; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 159, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 159, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

### SCRep. 1942 Judiciary on H.B. No. 756

The purpose and intent of this measure is to:

- (1) Require the Department of Transportation, after consultation with the counties, to adopt rules prescribing uniform standards and specifications for all official traffic control devices placed pursuant to the Statewide Traffic Code; and
- (2) Specify the factors the Department of Transportation and the counties must take into account when setting maximum speed limits on a road.

Your Committee received testimony in support of this measure from the Department of Transportation, Hawaii Bicycling League, O'ahu County Democrats Legislative Priorities Committee, and Hawaii Strategic Highway Safety Plan.

Your Committee finds that uniform standards and specifications for official traffic control devices are important to provide consistency throughout the State and to ensure the safety of Hawaii's residents and visitors. Your Committee further finds that cities like Boston, Portland, and New York have benefited from state-level standards for speed limits and managing speeding. This measure will require the Department of Transportation, after consultation with the counties, to establish uniform standards and specifications for all official traffic control devices and will help address speed-related issues in the State.

Your Committee has amended this measure by:

- (1) Inserting an effective date of March 15, 2095, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 756, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 756, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

### SCRep. 1943 (Joint) Judiciary and Ways and Means on H.B. No. 1116

The purpose and intent of this measure is to:

- (1) Amend ballot requirements to display candidates for the Board of Trustees of the Office of Hawaiian Affairs by residency and non-residency requirements; and
- (2) Require the names of candidates in each group to be randomized on individual ballots and on ballots across precincts.

Your Committees received testimony in support of this measure from the O'ahu County Democrats Legislative Priorities Committee and two individuals. Your Committees received comments on this measure from the Office of Elections.

Your Committees find that under existing law, names of candidates for the Board of Trustees of the Office of Hawaiian Affairs are placed on the ballot in alphabetical order. Your Committees further find that the ordering of candidate names on a ballot has been shown to affect election outcomes because the first name on the ballot generally has an advantage over names listed further down the ballot. To mitigate any advantage that may arise from the order of candidate names on the ballot, this measure requires that the names of candidates for the Board of Trustees of the Office of Hawaiian Affairs be randomized on individual ballots and also randomly rotated between precincts.

Your Committees additionally find that the method of vote counting currently used by the Office of Elections may not allow full randomization of candidate names on the ballot. Your Committees further find that this should not prevent the State from implementing the randomization of the names of candidates on ballots to the extent that randomization is feasible.

Accordingly, your Committees have amended this measure by requiring that if randomization of the names of candidates on individual ballots and on ballots across precincts is not feasible, then a feasible method that provides the greatest degree of randomization shall be used.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1116, H.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1116, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1944 Judiciary on H.B. No. 1165

The purpose and intent of this measure is to:

- (1) Require a license or state identification card to include a person's full legal name, date of birth, gender designation, residence address, and license number; and
- (2) Specify gender designation options of F, M, or X.

Your Committee received testimony in support of this measure from the Office of Hawaiian Affairs, Department of Transportation, Hawai'i Civil Rights Commission, Hawai'i State Commission on the Status of Women, American Association of University Women of Hawaii, Planned Parenthood Votes Northwest and Hawaii, LGBT Caucus of the Democratic Party of Hawai'i, Pride at Work Hawaii, Rainbow Family 808, Lambda Law Student Association, American Civil Liberties Union of Hawai'i, GLSEN Hawaii, Hawai'i Health and Harm Reduction Center, Oʻahu County Democrats Legislative Priorities Committee, Hawaii Women's Coalition, and eleven individuals. Your Committee received testimony in opposition to this measure from one individual.

Your Committee finds that Hawaii has one of the largest transgender and gender non-conforming populations in the United States. Binary gender and sex markers on any form of identification can cause difficult and invasive questions and increases the likelihood of discrimination for transgender and gender non-conforming individuals when seeking employment, interacting with law enforcement, renting an apartment, and many other public situations. This measure will help to avoid discrimination against transgender and gender non-conforming individuals by expanding gender categories on government identification.

Your Committee has amended this measure by changing the effective date to July 1, 2020.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1165, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1165, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

#### SCRep. 1945 (Joint) Housing and Ways and Means on H.B. No. 588

The purpose and intent of this measure is to require the State Sustainability Coordinator to complete a holistic and comprehensive study and plan for green infrastructure opportunities in the State and appropriate funds for the study and plan.

Your Committees received testimony in support of this measure from the Office of Planning, Oahu County Democrats, U.S. Green Building Council, and five individuals.

Your Committees find that the creation of green infrastructure plans at the state level can generate strategies to enhance and preserve the State's parks, agriculture, and coastal areas. State green infrastructure plans can also identify where the State can save on water management costs, decrease pollution, lower flooding risks, and address climate change. Your Committees further find that the State lacks a system to determine the most effective use of green infrastructure in Hawaii, essentially forfeiting valuable opportunities to cost effectively preserve the State's environment and improve the quality of life for residents. This measure will establish the foundation for green infrastructure plans in the State by requiring a holistic and comprehensive study and plan for green infrastructure opportunities in Hawaii.

Your Committees have amended this measure by inserting an effective date of July 1, 2150, to encourage further discussion.

As affirmed by the records of votes of the members of your Committees on Housing and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 588, H.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 588, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Housing: Ayes, 5; Ayes with Reservations (Fevella). Noes, none. Excused, none.

Ways and Means: Ayes, 11; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Inouye, Taniguchi).

#### SCRep. 1946 Judiciary on H.B. No. 988

The purpose and intent of this measure is to implement Section 106 of the federal Economic Growth, Regulatory Relief, and Consumer Protection Act (Section 106), which provides a one hundred twenty-day temporary transitional authority to originate loans in this State for loan originators moving from a depository institution to a non-depository institution and state-licensed loan originators moving interstate.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs.

Your Committee finds that federal law requires states to provide a one hundred twenty-day temporary authority to certain state-licensed mortgage loan originators moving from a depository institution to a non-depository institution and state-licensed loan originators moving interstate. This measure adds a new part to chapter 454F, Hawaii Revised Statutes, to implement these federal requirements in Hawaii.

Your Committee has amended this measure by making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 988, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 988, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee

Ayes, 4. Noes, none. Excused, 1 (Kim).

#### SCRep. 1947 Judiciary on H.B. No. 1532

The purpose and intent of this measure is to allow the Hawaii Labor Relations Board to admit and consider hearsay evidence in unfair labor practices proceedings.

Your Committee received testimony in support of this measure from the Hawaii Labor Relations Board and one individual. Your Committee received testimony in opposition to this measure from the Hawaii Chapter of the Society for Human Resource Management.

Your Committee finds that the Hawaii Labor Relations Board hears cases involving unfair labor practices. Your Committee further finds that under the existing law, the Hawaii Labor Relations Board is not allowed to consider hearsay evidence in these proceedings. Your Committee additionally finds that proceedings before administrative boards are typically more relaxed and less bound by the formal rules of evidence than proceedings before a court, where hearsay evidence is only admissible in certain situations and for certain purposes. This measure will provide the Hawaii Labor Relations Board with the opportunity to evaluate in totality all facts and circumstances and allow it to consider all of the evidence in its decision-making process.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1532, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1532, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

# SCRep. 1948 Judiciary on H.B. No. 931

The purpose and intent of this measure is to:

- Prohibit landlords from recovering possession of a dwelling unit from tenants if habitability of the premises is significantly impaired;
- (2) Set a tenant's liability for rent if habitability of the premises is significantly impaired; and
- (3) Provide remedies for retaliatory eviction.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs, Hawai'i State Commission on the Status of Women, Hawaii Regional Council of Carpenters, Parents and Children Together, Kokua Kalihi Valley, Pacific Resource Partnership, Pono Hawai'i Initiative, Hawaiian Community Assets, Lawyers for Equal Justice, Chinatown Gateway Plaza Tenant Association, and five individuals. Your Committee received testimony in opposition to this measure from Gustafson Real Estate, LLC; Oahu Chapter of the National Association of Residential Property Managers; Lani Properties Corporation; Cen Pac Properties, Inc.; Hawai'i Association of REALTORS; Maui Chapter of the National Association of Residential Property Managers; Hawaii Sands Realty; and eight individuals. Your Committee received comments on this measure from one individual.

Your Committee finds that the warranty of habitability is a principle based on contract law, wherein the tenant is responsible for paying rent, while the landlord guarantees in return that the premises are habitable and in compliance with health, safety, and building codes. The warranty of habitability has been recognized by the Hawaii Supreme Court but has not been codified in statute, resulting in it being largely unenforced. This measure codifies the Hawaii Supreme Court's decision establishing a warranty of habitability and sets minimum damages for tenants who have suffered retaliatory evictions, which will incentivize landlords to keep their rental units in a safe and sanitary condition.

Your Committee has amended this measure by clarifying that it applies to contracts that are renewed or extended after its effective date.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 931, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 931, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

### SCRep. 1949 Judiciary on H.B. No. 169

The purpose and intent of this measure is to clarify provisions of the State Ethics Code regarding gift disclosure statements, retention of financial disclosure statements, transcripts from contested case hearings, and ethics training.

Your Committee received testimony in support of this measure from the Hawai'i State Ethics Commission and Common Cause Hawaii.

Your Committee finds that under existing law, certain provisions of the State Ethics Code contain inconsistencies, inefficiencies, and overly burdensome administrative requirements. Your Committee further finds that issues exist in provisions regarding the filing of gift disclosure statements, retention of financial disclosure statements, access to transcripts from contested case hearings, and the frequency of required ethics training. This measure addresses these issues and improves administration of the State Ethics Code by eliminating the double filing requirement of gift disclosure statements, reducing the unnecessary administrative burden on Ethics Commission staff by only requiring records to be kept for six years after the filing date of each financial disclosure statement, eliminating language that restricted access to transcripts, and providing flexibility for participants in mandatory ethics training sessions.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 169, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 169, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

# SCRep. 1950 Judiciary on H.B. No. 501

The purpose and intent of this measure is to:

- Clarify the authorization of the use of fireworks by permit for movie, television, and theatrical productions and for activities for testing, disposal, and destruction of illegal fireworks by law enforcement; and
- (2) Allow the jurisdictional authority to approve the purchase and use of consumer fireworks, aerial devices, display fireworks, or articles pyrotechnic for movie and television productions.

Your Committee received testimony in support of this measure from the Department of Business, Economic Development, and Tourism; Hawaii State Fire Council; and Kauai Fire Department.

Your Committee finds that requiring the movie, television, and theatrical production industries to obtain a fireworks permit would improve the capabilities of county fire departments to monitor and regulate potentially hazardous activities involving fireworks. Your Committee further finds that providing an exception to the fireworks permit requirement for law enforcement will allow agencies to test, dispose of, or destroy illegal fireworks and streamline their ability to eliminate potentially hazardous fireworks from the State.

Your Committee has amended this measure by making it effective upon its approval.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 501, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 501, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

#### SCRep. 1951 Judiciary on H.B. No. 699

The purpose and intent of this measure is to allow the Hawaii Public Housing Authority to evict a tenant convicted of a misdemeanor or felony committed during the term of the tenancy for an act related to the Hawaii Public Housing Authority's property or funds or its employees and their property.

Your Committee received testimony in support of this measure from the Hawaii Public Housing Authority. Your Committee received testimony in opposition to this measure from Americans for Democratic Action and the Drug Policy Forum of Hawai'i.

Your Committee finds that the Hawaii Public Housing Authority's highest priorities include the safety and well-being of its tenants, employees, and properties. When a tenant commits serious crimes related to the Hawaii Public Housing Authority's property or funds, they abuse their privilege as a tenant, undermine the safety of law-abiding public housing tenants, and take away housing opportunities from other law-abiding families of the State's most disadvantaged populations. Your Committee further finds, however, that evicting tenants who commit misdemeanors is overly broad and could result in an increased risk of homelessness for at-risk tenants.

Your Committee has amended this measure by removing language authorizing the Hawaii Public Housing Authority to evict a tenant convicted of a misdemeanor committed during the term of the tenancy for an act related to the Hawaii Public Housing Authority's property or funds or its employees and their property.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 699, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 699, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Kim).

### SCRep. 1952 Judiciary on H.B. No. 989

The purpose and intent of this measure is to:

- Authorize the Commissioner of Financial Institutions to modify requirements and make new requirements in chapter 454M,
   Hawaii Revised Statutes, to implement changes and improvements made to the Nationwide Mortgage Licensing System; and
- (2) Authorize the Commissioner of Financial Institutions to issue cease and desist orders against licensees and unlicensed persons and to enter into consent orders.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs.

Your Committee finds that the Nationwide Mortgage Licensing System (NMLS) is a web-based nationwide licensing system that streamlines workflows and communications for applicants, licensees, and the Department of Commerce and Consumer Affairs' Division of Financial Institutions. Your Committee further finds that as the NMLS platform continues to evolve and allow for more efficient processing for both the states and industry, the Division of Financial Institutions requires the flexibility to allow the industry to use NMLS in the most efficient way possible. Your Committee finds that currently, the Division is unable to accept through NMLS an electronic bond uploaded by an insurance carrier. While your Committee understands the need for flexibility, the broad authority granted by this measure may not be necessary at this time.

Accordingly, your Committee has amended this measure by:

- (1) Removing language authorizing the Commissioner of Financial Institutions to modify, in whole or in part, by rule or order, any or all requirements of chapter 454M, Hawaii Revised Statutes, and language authorizing the establishment of new requirements, to the extent reasonably necessary to use NMLS;
- (2) Allowing documents required to be filed in conjunction with mortgage servicing licensing to be filed electronically;
- (3) Inserting an effective date of July 1, 2050, to encourage further discussion; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 989, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 989, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kim).

#### SCRep. 1953 Judiciary on H.B. No. 1013

The purpose and intent of this measure is to establish an involuntary hospitalization task force to examine existing law and make recommendations to the Legislature to reduce unnecessary emergency department admissions and improve access for involuntary hospitalized (MH-1) patients to the most appropriate level of care.

Your Committee received testimony in support of this measure from the Department of Health, Hawaii Substance Abuse Coalition, Hawaii Pacific Health, Healthcare Association of Hawaii, The Queen's Health Systems, and O'ahu County Democrats Legislative Priorities Committee. Your Committee received comments on this measure from Kaiser Permanente Hawai'i.

Your Committee finds that the overlapping issues of mental illness, substance abuse, and homelessness present complex problems for the State. Your Committee further finds that incremental improvements to the framework of mental health treatment may provide some relief by addressing ambiguities and inconsistencies in existing law. This measure establishes a task force to examine existing laws and practices and make recommendations to the Legislature to reduce unnecessary emergency department admissions and improve standardized access for MH-1 patients.

Your Committee has amended this measure by:

- (1) Adding one representative from the Behavioral Health Programs of the University of Hawaii system to the task force;
- (2) Subjecting the task force to the requirements of chapter 92, Hawaii Revised Statutes, including the permitted interactions provisions:
- (3) Integrating the task force with the coordinated policy framework utilized by the Hawaii Opioid Initiative, including the expanded use of the policy by the Department of Health in the implementation of statewide mental health systems of care;
- (4) Authorizing the Department of Health to continue the work of the task force after the dissolution of the task force if the Department deems necessary;
- (5) Clarifying that the chief executive officers of designated facilities, a patient or mental health advocate, a representative from a social service agency, and a representative from a mental health emergency worker provider agency shall be invited as additional participants of the task force instead of as members; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1013, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1013, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

# SCRep. 1954 Judiciary on H.B. No. 945

The purpose and intent of this measure is to clarify Hawaii's charitable solicitation laws by:

- (1) Replacing the term "gross revenue" with "total revenue";
- (2) Defining the term "total revenue" for purposes of calculating the annual filing fee;
- (3) Clarifying when professional solicitors must file financial reports;
- (4) Clarifying when commercial co-venturers must provide a charitable organization with an accounting and the date by which a benefit must be conferred;
- (5) Clarifying that charitable organizations are required to submit financial audits only when otherwise required to do so by other external entities; and
- (6) Making other housekeeping amendments.

Your Committee received testimony in support of this measure from the Department of the Attorney General, University of Hawai'i Foundation, and Hawai'i Alliance of Nonprofit Organizations.

Your Committee finds that clarity of application of various federal laws and regulatory procedures for charitable organizations is of utmost importance in assisting those organizations in carrying out their charitable missions. As such, this measure clarifies terms for consistency with Internal Revenue Service forms, provides oversight of charitable organizations and fundraising activities, clarifies regulatory procedures for the non-profit sector, and provides additional disclosures to the public. This measure also repeals the requirement that certain charitable organizations submit an audit report with their annual financial reports, unless the organization is required to produce an audit report by other government authority or third party.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 945, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

# SCRep. 1955 (Joint) Commerce, Consumer Protection, and Health and Transportation and Ways and Means on H.B. No. 1583

The purpose and intent of this measure is to:

- (1) Authorize the Department of Education to evaluate the feasibility and cost-benefit of establishing and implementing a pilot microgrid to provide backup power in the event of a natural disaster or other similar emergency;
- (2) Authorize the Department of Transportation to evaluate the feasibility and cost-benefit of a renewable energy microgrid system to provide backup power in the event of a natural disaster or other similar emergency at one facility;
- (3) Authorize the Natural Energy Laboratory of Hawaii Authority to establish a microgrid demonstration project; and
- (4) Require the Public Utilities Commission to incorporate findings from public facility microgrid evaluations and pilots into its microgrid service docket and consider ways to incentivize the installation in public facilities of renewable energy systems that can provide backup power in the event the broader electric grid cannot provide power.

Your Committees received testimony in support of this measure from the Department of Transportation, Department of Education, Natural Energy Laboratory of Hawaii Authority, O'ahu County Democrats, O'ahu County Democrats Legislative Priorities Committee, and one individual. Your Committees received comments on this measure from the Department of Commerce and Consumer Affairs and Public Utilities Commission.

Your Committees find that Hawaii's energy security is vulnerable to disruptions in the State's energy systems caused by natural disasters and there is an urgent need to evaluate the State's existing electric grids and their ability to withstand a natural disaster or similar emergency. Your Committees further find that in many areas of the State, public school structures have served as designated shelters during hurricane warnings and other disaster events and have a net-zero energy use goal by the year 2035. Therefore, many schools have begun to install renewable energy systems in order to meet this goal. According to testimony received by your Committees, operating several critical infrastructure facilities with the potential to host renewable energy systems configured as a microgrid could provide backup power and integrate with and supplement existing standby generators, which would greatly increase disaster preparedness. This measure therefore directs a number of state departments to evaluate the feasibility and cost-benefit of a renewable energy microgrid system to provide backup power in the event of an emergency, and establishes a number of other factors to be considered by the Public Utilities Commission to increase power resiliency in its ongoing and future proceedings.

Your Committees note that the Public Utilities Commission is currently working with the State's electric utilities and other key stakeholders in several related proceedings to address backup power options, including the development of a microgrid services tariff and the establishment of performance-based regulatory mechanisms for resilience. According to testimony from the Department of Commerce and Consumer Affairs, it may be more appropriate to give the Public Utilities Commission more flexibility in how it considers the information from the microgrid pilots and programs established by this measure, instead of being required to consider the findings and data in the microgrid tariff proceeding. Therefore, amendments to this measure are necessary to address this concern.

Your Committees have amended this measure by:

- (1) Clarifying that the agencies conducting the microgrid evaluations and pilots shall report findings and data to the Public Utilities Commission and clarifying the contents of the findings and data;
- (2) Requiring the Public Utilities Commission, upon receipt of the findings and data, to consider this information in current or future proceedings to evaluate ways to incentivize the installation of renewable energy systems in public facilities that can provide backup power in the event the broader electric grid cannot provide power; and
- (3) Updating the purpose section.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health, Transportation, and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1583, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1583, H.D. 2, S.D. 2.

Signed by the Chairs and President on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 7. Noes, none. Excused, none.

Transportation: Ayes, 4. Noes, none. Excused, 1 (Harimoto).

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (Harimoto, Kahele, Riviere).

# SCRep. 1956 (Joint) Judiciary and Ways and Means on H.B. No. 89

The purpose and intent of this measure is to:

- Allow law enforcement agencies to safely dispose of confiscated fireworks except for a sample that is to be retained for evidentiary purposes;
- (2) Authorize the court to establish a step-up fine structure based on the amount of fireworks confiscated and to impose a disposal fine to reimburse the counties for the costs of safely disposing of confiscated fireworks;
- (3) Establish that each type of fireworks unlawfully imported, purchased, ignited, or discharged constitutes a separate offense; and
- (4) Appropriate funds as a grant to the Honolulu Police Department for a secure container in which to store confiscated fireworks.

Your Committees received testimony in support of this measure from the Hawaii State Fire Council and Maui Fire Department. Your Committees received comments on this measure from the Judiciary.

Your Committees find that illegal fireworks pose a serious risk of injury and can be a noise nuisance to the community. Your Committees further find that greater deterrents to illegal fireworks are necessary, as is consideration for the safe disposal of illegal fireworks once confiscated. However, your Committees additionally find that authorizing the courts to determine and establish a step-up fine structure based on the quantity of fireworks confiscated may be a policymaking determination that is inconsistent with the neutral adjudicative role of the courts to apply the law to the facts of individual cases. Your Committees also find that the imposition

of a disposal fine to reimburse the counties may require the court to hold further hearings regarding the costs incurred by the counties, which could result in additional delays and procedural expenses.

Accordingly, your Committees have amended this measure by:

- (1) Authorizing the courts to impose an additional fine of up to \$100 per kilogram of fireworks confiscated instead of allowing the courts to establish a broad step-up fine structure based on the quantity of fireworks confiscated;
- (2) Removing the disposal fine as a reimbursement to the counties;
- (3) Removing language establishing that each type of fireworks unlawfully imported, purchased, ignited, or discharged constitutes a separate offense;
- (4) Inserting an effective date of March 15, 2094, to encourage further discussion; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 89, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 89, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1957 (Joint) Judiciary and Ways and Means on H.B. No. 393

The purpose and intent of this measure is to:

- (1) Create a fiduciary duty on Employer-Union Health Benefits Trust Fund trustees;
- (2) Prohibit transactions where the trustee has a conflict of interest; and
- (3) Establish liabilities for breach of fiduciary duty.

Your Committees received testimony in support of this measure from the Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO and the Oahu County Democrats Legislative Priorities Committee. Your Committees received testimony in opposition to this measure from the Department of Budget and Finance.

Your Committees find that under existing law, Employer-Union Health Benefits Trust Fund (EUTF) trustees owe no fiduciary duty to the participants or beneficiaries of the EUTF when acting on their behalf. Your Committees further find that currently, EUTF trustees may represent participants or beneficiaries where there is a conflict of interest. This measure creates a fiduciary duty on EUTF trustees which will increase the accountability of the EUTF trustees to the participants or beneficiaries and better protect their interests. Your Committees note that some of the terminology in this measure relating to fiduciary responsibilities may not be entirely appropriate to EUTF trustees, and encourage further discussion on this issue as this measure proceeds in the legislative process.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 393, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 393, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Riviere).

# SCRep. 1958 (Joint) Judiciary and Ways and Means on H.B. No. 673

The purpose and intent of this measure is to:

- (1) Provide a process for the voluntary or involuntary sale or transfer of an individual dispensary license;
- (2) Prohibit an employer from discriminating against a person in hiring, termination, or conditions of employment based on the person's status as a qualifying patient and from taking action against an employee based solely on the employee's status as a qualifying patient or if the results of the employee's drug test are positive for cannabis, subject to certain exceptions; and
- (3) Specify permissible and impermissible actions by employers and employees.

Your Committees received testimony in support of this measure from the Hawai'i Civil Rights Commission, Drug Policy Forum of Hawai'i, Hawaii Society of Naturopathic Physicians, Hawaii Educational Association for Licensed Therapeutic Healthcare, LGBT Caucus of the Democratic Party of Hawaii, MediSpa Maui, and eighteen individuals. Your Committees received testimony in opposition to this measure from the Maui Police Department, Kauai Community Health Alliance, and six individuals. Your Committees received comments on this measure from the Department of Labor and Industrial Relations, Department of Health, Department of the Attorney General, Akamai Cannabis Clinic, and one individual.

Your Committees find that medical cannabis dispensaries are vital to ensuring medical cannabis patients have adequate access to medical cannabis. Your Committees further find that there may be situations where the leadership within a licensed dispensary has changed; however, existing law does not provide a process for the sale or transfer of any significant interest in a licensed dispensary.

Your Committees additionally find that although the medical use of cannabis by a qualifying patient to alleviate the symptoms or effects of the qualifying patient's debilitating medical condition is permitted under state law, there are no corresponding employment protections for qualifying patients. A qualifying patient can therefore be discriminated against in the hiring process, merely because of the patient's status as a qualifying patient, or fired at an employer's discretion for failing a drug test, even if the qualifying patient is not exhibiting any symptoms of being impaired.

This measure clarifies the procedure for the sale or transfer of significant interests in a licensed dispensary in certain situations and provides employment protections for qualifying medical cannabis patients.

Your Committees have amended this measure by:

- (1) Clarifying that in the event of death, legal incapacity, or permanent disability of an individual dispensary licensee, the entity licensee must provide a plan for the sale or transfer of the license to the Department of Health within thirty days of notifying the Department of the licensee's inability to continue in the individual's capacity as a licensee;
- (2) Removing specific situations in which an employee who is a qualifying patient and who fails a drug test may be disciplined;
- (3) Requiring that an employee be impaired before an employer may discipline the employee rather than allowing disciplinary action based on the employer's reasonable belief that an employee is impaired;
- (4) Clarifying the definition of "impaired";
- (5) Simplifying third party causes of action arising from the actions of impaired employees and limiting claims to situations in which the employee was impaired and the employer knew or should have known;
- (6) Inserting an effective date of March 15, 2094, to encourage further discussion; and
- (7) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 673, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 673, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees. Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1959 (Joint) Judiciary and Ways and Means on H.B. No. 1192

The purpose and intent of this measure is to:

- (1) Conform statutory prohibitions against wage discrimination with other prohibitions on employment discrimination;
- (2) Clarify allowable justifications for compensation differentials and remedies for pay disparity; and
- (3) Require employers to disclose wage ranges to employees and prospective employees.

Your Committees received testimony in support of this measure from the Hawai'i Civil Rights Commission; Hawai'i State Commission on the Status of Women; Planned Parenthood Votes Northwest and Hawaii; LGBT Caucus of the Democratic Party of Hawaii; Pride at Work Hawaii; American Association of University Women of Hawaii; American Association of University Women Windward, Americans for Democratic Action; Hawaii Appleseed Center for Law and Economic Justice; League of Women Voters of Hawaii; Hawaii Women's Coalition; American Civil Liberties Union of Hawaii; Oʻahu County Democrats Legislative Priorities Committee; Midwives Alliance of Hawaii; Fujiwara and Rosenbaum, LLLC; Zonta Club of Hilo; UNITE HERE Local 5 Hawaii; and eight individuals. Your Committees received testimony in opposition to this measure from Hawaii' Pacific Health; Chamber of Commerce Hawaii; Island Plastic Bags, Inc.; Building Industry Association of Hawaii; and Hawaii Chapter of the Society for Human Resource Management. Your Committees received comments on this measure from the Hawaii Food Industry Association and Hawaii Credit Union League.

Your Committees find that the federal Equal Pay Act prohibits wage discrimination on the basis of sex between employees within any establishment by paying employees of one sex at a lower rate than is paid to employees of the opposite sex, the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions. Your Committees further find that the Equal Pay Act permits differences in wages if the differential is caused by a seniority system, a merit system, a system that measures earnings by quantity or quality of production, or a differential based on any factor other than sex. Your Committees additionally find that the protections under the Equal Pay Act are narrow and prone to restrictive interpretation. This measure will establish broad protections against wage discrimination in Hawaii that conform with other protections under existing state law.

Your Committees have amended this measure by clarifying that it is not the intent of the Legislature to affect or diminish the existing broad protections provided under part I of chapter 378, Hawaii Revised Statutes.

Your Committees have concerns about potential ambiguity in this measure regarding the circumstances under which employers are required to provide employees with the wage range for the employee's job title and substantially similar jobs. Your Committees note that section 378-2.4(e), Hawaii Revised Statutes, as proposed in section 3 of this measure, could be read to require that employers provide an employee with the wage range for the employee's job title and substantially similar jobs either:

- (1) Once annually if the employee requests to receive the wage range; or
- (2) Once annually and additionally upon request from the employee;

and that such consideration may merit further discussion as this measure proceeds through the legislative process.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1192, H.D. 2, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1192, H.D. 2, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1960 (Joint) Judiciary and Ways and Means on H.B. No. 1307

The purpose and intent of this measure is to:

- (1) Require the Legislative Reference Bureau to submit a report to the Legislature regarding the existing administrative hearings process in the State and the potential for a centralized office of administrative hearings;
- Require state departments and agencies to provide statistical, non-confidential information on contested case hearings to the Legislative Reference Bureau; and
- (3) Require the Legislative Reference Bureau to research centralized administrative hearings offices in other jurisdictions.

Your Committees received testimony in opposition to this measure from the Hawaii Civil Rights Commission. Your Committees received comments on this measure from the Legislative Reference Bureau.

Your Committees find that in many jurisdictions, administrative adjudications take place within a single agency that combines regulatory, enforcement, prosecutorial, and adjudicatory authority. Your Committees further find that in certain jurisdictions, the conflict of interest inherent in the same agency acting as prosecutor and judge has led to the establishment of state central hearing agencies, in which an independent administrative law judge, who is completely independent of the agency's prosecutorial functions, presides over the administrative litigation. This measure will require the Legislative Reference Bureau to compile information about contested case hearings in the State and other jurisdictions and report its findings to the Legislature.

Your Committees have amended this measure by:

- Requiring state departments and agencies to provide data required by the Legislative Reference Bureau in an electronic format approved by the Legislative Reference Bureau;
- (2) Inserting an effective date of March 15, 2094, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1307, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 1307, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1961 (Joint) Judiciary and Ways and Means on H.B. No. 543

The purpose and intent of this measure is to:

- (1) Direct the Hawaii Housing Finance and Development Corporation to initiate negotiations and exercise its power of eminent domain to acquire the Front Street Apartments affordable housing project on Maui; and
- (2) Extend the deadline to complete the Leialii affordable housing project on Maui.

Your Committees received testimony in support of this measure from the Hawaii Housing Finance and Development Corporation; Office of the Mayor of the County of Maui; County of Maui Department of Housing and Human Concerns; Oʻahu County Democrats Legislative Priorities Committee; West Maui Taxpayers Association, Inc.; LahainaTown Action Committee; Maui Chamber of Commerce; ILWU Local 142; one member of the Maui County Council; and seven individuals. Your Committees received comments on this measure from Front Street Affordable Housing Partners.

Your Committees find that the Front Street Apartments project on the island of Maui provides affordable housing to more than 250 low-income residents and was developed using state financing and state tax credits in 2001 as an affordable rental housing project. Units in the Front Street Apartments were expected to remain affordable to low-income tenants for fifty years; however, the owners of the project have chosen to remove the project from the affordability requirements, thereby allowing them to rent out units at market rates and to raise rents for existing tenants. Your Committees believe that with the severe lack of affordable rentals in the State, the State needs to find ways to ensure that affordable rental units remain affordable for residents.

Your Committees additionally find that Act 150, Session Laws of Hawaii 2018 (Act 150), appropriated funds to construct the Leialii affordable housing project. Your Committees also find that while development activities and expenditures have begun, construction may not be finished by the time provided in Act 150.

This measure will ensure the continued availability of affordable rental housing on the island of Maui by requiring the acquisition of the Front Street Apartments and extending the deadline for completion of the Leialii affordable housing project.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 543, H.D. 1, S.D. 1, and recommend that it pass Third Reading.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1962 (Joint) Judiciary and Ways and Means on H.B. No. 333

The purpose and intent of this measure is to establish the state highway enforcement program and a parking violation surcharge in addition to other penalties and fines for parking violations on state highways.

Your Committees received testimony in support of this measure from the Department of Transportation, Mayor of the County of Kaua'i, Department of Planning of the County of Kaua'i, Hanalei Colony Resort, one member of the Kaua'i County Council, and four individuals. Your Committees received testimony in opposition to this measure from one individual. Your Committees received comments on this measure from the Department of Budget and Finance and Tax Foundation of Hawaii.

Your Committees find that illegally parked vehicles blocking traffic lanes cause hazardous and unsafe conditions in many areas along state highways. Your Committees further find that the Department of Transportation, Highways Division, and Department of Public Safety, Law Enforcement Division, do not have sufficient staff to enforce parking violations and patrol remote portions of each island where many of the violations occur. This measure will provide additional resources to state and county law enforcement agencies to enforce parking violations and improve safety along state highways.

Your Committees have amended this measure by:

- (1) Removing the state highway enforcement program fund;
- (2) Increasing the amount of the state highway enforcement program surcharge to \$200;
- (3) Requiring that half of the monies collected by the district courts from state highway enforcement program surcharges be deposited into the state highway fund and half be disbursed to the police department of the county in which the violation occurred; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 333, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 333, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees. Judiciary: Ayes, 5. Noes, none. Excused, none. Ways and Means: Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Riviere).

# SCRep. 1963 (Joint) Judiciary and Ways and Means on H.B. No. 703

The purpose and intent of this measure is to:

- (1) Prohibit any person convicted of operating a vehicle under the influence of an intoxicant or habitually operating a vehicle under the influence of an intoxicant from purchasing or publicly consuming alcohol for a probation period to be determined by the court, following a sentencing or administrative licensing revocation;
- (2) Amend the sentencing requirements for operating a vehicle under the influence of an intoxicant and habitually operating a vehicle under the influence of an intoxicant offenses; and
- (3) Amend the threshold for habitually operating a vehicle under the influence of an intoxicant offenses.

Your Committees received testimony in support of this measure from the Hawaii Chapter of Mothers Against Drunk Driving and two individuals. Your Committees received testimony in opposition to this measure from one individual.

Your Committees find that operating a vehicle under the influence of an intoxicant is a serious offense that contributed to over fifty percent of traffic fatalities in 2015 and 2016. Your Committees further find that restrictions such as ignition interlock devices are effective at preventing intoxicated driving by those persons subject to the restrictions. This measure establishes additional restrictions to prohibit persons convicted of operating or habitually operating a vehicle under the influence of an intoxicant from purchasing or publicly consuming alcohol and strengthens state laws prohibiting driving while intoxicated.

Your Committees note the testimony of the Hawaii Chapter of Mothers Against Drunk Driving which points out that ignition interlock devices have prevented approximately 100,000 attempts to start a vehicle by persons who have been drinking alcohol. However, a large majority of the drivers who have been convicted of driving under the influence do not install ignition interlock devices, leaving the public at great risk of drunk drivers. Exempting drivers who elect to install ignition interlock devices on their vehicles from the prohibition from purchasing or publicly consuming alcohol may work to increase the overall use of ignition interlock devices, which will help prevent the number of persons driving under the influence and make Hawaii's roads safer for everyone.

Your Committees have amended this measure by:

- (1) Including "restricted persons" within the good faith provision of the liquor licensing laws;
- (2) Not requiring a person whose license has been suspended or revoked for driving under the influence to become a restricted person if the person obtains and installs an ignition interlock or similar system;

- (3) Requiring the President of the Senate and the Speaker of the House of Representatives to convene a task force to review existing laws relating to driving under the influence of an intoxicant; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 703, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 703, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1964 (Joint) Judiciary and Ways and Means on H.B. No. 808

The purpose and intent of this measure is to:

- Establish fines and penalties for knowingly capturing, taking, possessing, abusing, or entangling a shark, whether alive or dead, or killing a shark, within state marine waters;
- (2) Expand the existing prohibition on knowingly capturing or killing a manta ray to apply to all rays; and
- (3) Expand the prohibition regarding rays to include knowingly taking, possessing, abusing, or entangling a ray, whether alive or dead, or killing a ray, within state marine waters.

Your Committees received testimony in support of this measure from the Office of Hawaiian Affairs, Department of Land and Natural Resources, Sierra Club of Hawai'i, The Nature Conservancy of Hawai'i, For the Fishes, West Hawaii Humane Society, Water Inspired Conservation Group, One Ocean Conservation, O'ahu County Democrats Legislative Priorities Committee, Keiko Conservation International, Malama Mano, and twenty-two individuals. Your Committees received testimony in opposition to this measure from the Center for Hawaiian Sovereignty Studies, Captain Bob's Kona Fishing Charters, and eight individuals.

Your Committees find that sharks and rays are extremely important to ocean ecosystems because they keep the ecosystem balanced, regulate populations of other marine life, and ensure healthy fish stock and reefs. Your Committees further find that article XI, section 1, of the Hawaii State Constitution provides that the State "shall conserve and protect Hawaii's natural beauty and all natural resources". This measure will provide protection for sharks and rays by establishing and expanding prohibitions against knowingly capturing or killing them.

Your Committees have amended this measure by:

- (1) Making it effective on September 1, 2019; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Ways and Means that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 808, H.D. 1, S.D. 1, as amended herein, and recommend that it pass Third Reading in the form attached hereto as H.B. No. 808, H.D. 1, S.D. 2.

Signed by the Chairs on behalf of the Committees.

Judiciary: Ayes, 5. Noes, none. Excused, none.

Ways and Means: Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1965 Ways and Means on H.B. No. 18

The purpose and intent of this measure is to remove certain limitations on the ability of survivors of childhood sexual abuse to file a civil claim.

More specifically, this measure:

- (1) Permits a survivor of childhood sexual abuse to file a civil claim against any person, not specifically the person who committed the act of sexual abuse; and
- (2) Repeals the statute of limitations for a survivor of childhood sexual abuse to file a civil claim.

Your Committee received written comments in support of this measure from the Hawaii State Commission on the Status of Women, American Association of University Women of Hawaii, Hawaii Women's Coalition, LGBT Caucus of the Democratic Party of Hawaii, Midwives Alliance of Hawaii, Oahu County Democrats, Planned Parenthood Votes Northwest and Hawaii, Rainbow Family 808, The Sex Abuse Treatment Center, and numerous individuals.

Your Committee received written comments in opposition to this measure from an individual.

Your Committee received written comments on this measure from the Department of the Attorney General.

Your Committee finds that many children withhold disclosure of sexual abuse until adulthood for various reasons, including fear, helplessness, embarrassment, self-blame, and guilt. Accordingly, your Committee believes that repealing certain limitations that may prevent a survivor of childhood sexual abuse from filing a civil claim, including the statute of limitations, will allow victims greater access to legal redress through the courts.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 18, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1966 Ways and Means on H.B. No. 125

The purpose and intent of this measure is to abolish various non-general funds under the purview of the Department of Land and Natural Resources pursuant to the recommendation of the Auditor in Auditor's Report No. 18-19.

Specifically, this measure abolishes the following funds:

- (1) The assistance in managing land fund;
- (2) The native resources and fire protection program special fund;
- (3) The preservation of endangered plants trust fund; and
- (4) The recreational renaissance state parks special fund.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee received comments on this measure from the Tax Foundation of Hawaii.

Your Committee finds that the funds addressed by this measure do not meet the criteria for a trust fund or special fund and thus should be abolished.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 125, H.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 13. Noes, none. Excused, none.

### SCRep. 1967 Ways and Means on H.B. No. 241

The purpose and intent of this measure is to regulate peer-to-peer motor vehicle sharing organizations in the State.

Specifically, this measure:

- (1) Defines terms related to peer-to-peer motor vehicle sharing organizations;
- (2) Prohibits vehicle lessors from renting, leasing, or offering for rent or lease, vehicles subject to a manufacturer's recall until all required repairs are made;
- (3) Requires a peer-to-peer motor vehicle sharing organization operating in the State to register with the Director of Taxation; and
- (4) Requires all vehicles rented or leased by peer-to-peer vehicle sharing organizations to carry minimum liability insurance coverage.

Your Committee received written comments in support of this measure from the Department of Commerce and Consumer Affairs, Department of Taxation, and Enterprise Holdings.

Your Committee received written comments in opposition to this measure from Drift, Getaround, and Turo.

Your Committee received written comments on this measure from the Tax Foundation of Hawaii.

Your Committee finds that this measure protects consumer safety by increasing accountability in the peer-to-peer motor vehicle sharing industry, thereby protecting the State's residents and visitors who rent or lease cars.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 241, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1968 Ways and Means on H.B. No. 257

The purpose and intent of this measure is to facilitate assistance to the homeless.

Specifically, this measure:

- (1) Establishes criteria by which private lands may be used for the placement of ohana zones under the ohana zones pilot program;
- (2) Extends the sunset date for the ohana zones pilot program from June 30, 2021, to June 30, 2023; and
- (3) Extends the sunset date for the emergency department homelessness assessment pilot program and the medical respite pilot program from June 30, 2019, to June 30, 2020.

Your Committee received written comments in support of this measure from the Governor's Coordinator on Homelessness; Department of Land and Natural Resources; Department of Human Services; Queen's Health Systems; Habitat for Humanity Hawaii Island, Inc.; ACCESS Capabilities, Inc.; and one individual.

Your Committee recognizes that ohana zones are designed to assist homeless persons find and transition into permanent housing and provide other necessary services. Your Committee finds that, under certain conditions, the placement of ohana zones on private property will allow the ohana zones pilot program to assist more of the State's homeless population. Your Committee also recognizes

the value of medical intervention services provided to homeless individuals under the emergency department homelessness assessment pilot program and the medical respite pilot program. Accordingly, your Committee finds that the continuation of these programs will offer assistance to a greater number of homeless individuals.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 257, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Keith-Agaran).

#### SCRep. 1969 Ways and Means on H.B. No. 654

The purpose and intent of this measure is to appropriate funds to the University of Hawaii Cancer Center to determine the etiologies of the high incidence of liver and bile duct cancer in the State.

Your Committee received written comments in support of this measure from the Department of Health, University of Hawaii, American Cancer Society Cancer Action Network, Oahu County Democrats Legislative Priorities Committee, and numerous individuals.

Your Committee finds that research is needed to better understand why Hawaii has one of the highest incidence of liver and bile duct cancer in the country and to inform public health interventions for liver and bile duct cancer prevention.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 654, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1970 Ways and Means on H.B. No. 678

The purpose and intent of this measure is to update definitions and terminology related to the state newborn hearing screening program and improve follow-up care for infants identified as deaf or hard of hearing by mandating that newborn diagnostic audiologic evaluation results be reported to the Department of Health.

Your Committee received written comments in support of this measure from the Department of Health, Executive Office on Early Learning, and Disability and Communication Access Board.

Your Committee finds that Hawaii's incidence of infants born deaf or hard of hearing is about twice of that in other states. Your Committee further finds that this measure will ensure that the Department of Health's Newborn Hearing Screening Program will be able to follow-up with families to facilitate further diagnostic testing or entry into early intervention services, as needed.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 678, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1971 Ways and Means on H.B. No. 709

The purpose and intent of this measure is to authorize a recount of votes cast at an election, to be conducted as provided by the Legislature.

Your Committee received written comments in support of this measure from the League of Women Voters of Hawaii.

Your Committee recognizes that the accurate tabulation of votes is a necessary element of proper governance. Accordingly, it is appropriate to authorize the Legislature to establish a statutory mechanism for vote recounts.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 709, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1972 Ways and Means on H.B. No. 710

The purpose and intent of this measure is to protect reproductive health decisions and the utilization of family leave from discriminatory employment practices.

Your Committee received written comments in support of this measure from the Hawaii State Commission on the Status of Women, Save Medicaid Hawaii, Planned Parenthood Votes Northwest and Hawaii, LGBT Caucus of the Democratic Party of Hawaii, Healthy Mothers Healthy Babies, American Association of University Women of Hawaii, and two individuals.

Your Committee finds that this measure addresses a gap in existing State law, which bans pregnancy discrimination in the workplace but does not protect those who choose not to become pregnant or those who are trying to become pregnant.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 710, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

#### SCRep. 1973 Ways and Means on H.B. No. 713

The purpose and intent of this measure is to connect homeless individuals with employment and service providers.

Specifically, this measure:

- (1) Establishes a three-year pilot program that assists homeless individuals by providing them with temporary jobs in public service and connecting them with service providers; and
- (2) Appropriates funds for the pilot program.

Your Committee received written comments in support of this measure from the Hawaii State Judiciary; Governor's Coordinator on Homelessness; Habitat for Humanity Hawaii Island, Inc.; Hawaii Youth Services Network; and two individuals.

Your Committee finds that pilot programs similar to that proposed by this measure have been successfully implemented by other jurisdictions across the United States.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 713, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

#### SCRep. 1974 Ways and Means on H.B. No. 757

The purpose and intent of this measure is to prevent and eliminate traffic injuries and fatalities in the State through the adoption and implementation of a vision zero policy.

More specifically, this measure requires:

- (1) The Department of Transportation and each county's respective transportation department to adopt a vision zero policy that incorporates engineering, enforcement, education, and emergency response strategies to prevent traffic fatalities;
- (2) The State Highway Safety Council to collaborate with each county's respective traffic or highway safety council to develop a vision zero action plan and submit an interim progress report and a final report to the Legislature; and
- (3) The Department of Transportation to submit a report to the Legislature.

Your Committee received written comments in support of this measure from the Department of Transportation, Department of Transportation Services of the City and County of Honolulu, Office of the Mayor of the County of Hawaii, Maui County Council, Blue Zones Project, Hawaii Bicycling League, Hawaii Public Health Institute, Oahu County Democrats, Strategic Highway Safety Plan, and numerous individuals.

Your Committee finds that vision zero policies have been effective in preventing and eliminating traffic fatalities in jurisdictions that have adopted them. Accordingly, your Committee finds that the number of traffic fatalities and injuries in the State necessitates the statewide adoption of a vision zero policy.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 757, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1975 Ways and Means on H.B. No. 476

The purpose and intent of this measure is to prohibit the advertising for rental purposes of certain housing units.

Specifically, this measure:

- Prohibits advertising for rental purposes of public housing units and housing subject to an owner or renter occupancy requirement under chapters 201H, 206E, or 356D, Hawaii Revised Statutes, and requires county police departments to enforce the prohibition; and
- (2) Excludes from the prohibition any state agency publicizing or advertising a housing program under chapters 201H, 206E, or 356D, Hawaii Revised Statutes, and any county agency for a housing program under chapter 201H, Hawaii Revised Statutes.

Your Committee received written comments in support of this measure from the Hawaii Public Housing Authority and Habitat for Humanity Hawaii Island, Inc.

Your Committee received written comments in opposition to this measure from the City and County of Honolulu Police Department and the Hawaii Association of Realtors.

Your Committee received written comments on this measure from the Hawaii Housing Finance and Development Corporation.

Your Committee finds that this measure promotes fairness in housing opportunities by deterring those who are inclined to advertise for rental purposes certain restricted housing units or to violate the occupancy limitations of certain housing units.

Your Committee notes that the change in penalties accomplished by this measure falls within the purview of the Committee on Judiciary. Therefore, should the bill move to conference, your Committee recommends that further discussion regarding the measure include the Committee on Judiciary.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 476, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

#### SCRep. 1976 Ways and Means on H.B. No. 477

The purpose and intent of this measure is to facilitate the availability of affordable housing in Hawaii.

Specifically, this measure:

- (1) Establishes a homeownership housing revolving fund to provide funds for the development of affordable for-sale housing projects by nonprofit community development financial institutions and nonprofit housing development organizations under a self-help housing program; and
- (2) Establishes the qualified nonprofit housing trust program to authorize the Hawaii Housing Finance and Development Corporation to provide loans to qualified nonprofit housing trusts and nonprofit community development financial institutions to develop affordable housing units.

Your Committee received written comments in support of this measure from the Hawaii Housing Finance and Development Corporation; Aloha United Way; Honolulu Habitat for Humanity; Hawaii Habitat for Humanity Association, Inc.; Habitat for Humanity Hawaii Island, Inc.; Partners in Housing; Hawaii Alliance for Community-Based Economic Development; Chamber of Commerce Hawaii; and Hawaiian Community Assets.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that the State should explore effective programs that will improve affordability and reduce obstacles to home ownership.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 477, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

#### SCRep. 1977 Ways and Means on H.B. No. 533

The purpose and intent of this measure is to improve broadband accessibility in the State.

More specifically, this measure:

- (1) Establishes the Broadband Office within the Hawaii Technology Development Corporation;
- (2) Establishes the position of State Broadband Strategy Officer;
- (3) Requires the Chief Executive Officer of the Hawaii Technology Development Corporation, rather than the Director of Commerce and Consumer Affairs, to convene and chair a Broadband Advisory Council; and
- (4) Amends the Council's purpose and membership.

Your Committee received written comments in support of this measure from the Department of Health; Cable Television Division of the Department of Commerce and Consumer Affairs; Department of Business, Economic Development, and Tourism; Department of Education; Oahu Economic Development Board; Hawaii Technology Development Corporation; and one individual.

Your Committee finds that broadband access helps to foster economic development, education, health, community building, and civic engagement. Accordingly, your Committee recognizes the importance of creating a central office to make broadband services readily available throughout the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 533, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1978 Ways and Means on H.B. No. 613

The purpose and intent of this measure is to establish the state YouthBuild Program to assist non-profit and public entities in applying and qualifying for federal YouthBuild program grants from the United States Department of Labor.

Your Committee received written comments in support of this measure from the Department of Labor and Industrial Relations, Hawaii Alliance for Community-Based Economic Development, Hawaiian Community Assets, and Hawaii State Teachers Association.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that a state YouthBuild Program will help to create training and employment opportunities for at-risk youth who can in turn help construct needed affordable housing.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 613, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

#### SCRep. 1979 Ways and Means on H.B. No. 297

The purpose and intent of this measure is to protect Hawaii residents from mosquito-borne illnesses such as Zika and Dengue viruses

Specifically, this measure requires the:

- (1) Department of Agriculture to review the Aedes aegypti mosquito with Wolbachia bacteria, including Aedes aegypti mosquitoes originating from Hawaii stock that could be imported for landscape-scale mosquito control, and render a determination to place it on the appropriate animal import list; and
- (2) Departments of Agriculture, Health, and Land and Natural Resources to collaborate on a report to the Legislature with recommendations for appropriate vector control programs.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Department of Agriculture, Department of Health, and one individual.

Your Committee finds that studies have concluded that the release of Wolbachia-carrying Aedes aegypti mosquitoes and subsequent interbreeding with wild mosquitoes can reduce the ability of cumulative mosquito populations to serve as disease vectors.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 297, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

### SCRep. 1980 Ways and Means on H.B. No. 340

The purpose and intent of this measure is to appropriate funds to the Hawaii Technology Development Corporation for the Small Business Innovation Research Program and Manufacturing Assistance Program.

The measure also appropriates funds into and out of the alternative energy research and development revolving fund for the purpose of providing grants to qualifying businesses that conduct alternative energy research.

Your Committee received written comments in support of this measure from the Hawaii Technology Development Corporation; Chamber of Commerce Hawaii; Makai Ocean Engineering, Inc; Oceanit; and one individual.

Your Committee finds that continuation of the Small Business Innovation Research Program and Manufacturing Assistance Program will support further growth in Hawaii's manufacturing industry, and that providing grants to qualifying businesses will encourage alternative energy research and development.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 340, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1981 (Majority) Ways and Means on H.B. No. 407

The purpose and intent of this measure is to regulate the termination procedure for a complex area superintendent in the State.

Specifically, this measure requires that:

- (1) The Board of Education issue an approval prior to the termination of a complex area superintendent in the State; and
- (2) A complex area superintendent have adequate opportunity to present the complex area superintendent's case to the Board of Education prior to the Board's termination decision.

Your Committee received written comments in opposition to this measure from the Board of Education.

Your Committee finds that this measure grants the Board of Education the flexibility to terminate a complex area superintendent, while also preserving the right of a complex area superintendent to present a case against termination prior to the Board's decision.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 407, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Moriwaki, Riviere, Fevella). Noes, 1 (Harimoto). Excused, 2 (English, Inouye).

# SCRep. 1982 Ways and Means on H.B. No. 422

The purpose and intent of this measure is to authorize the Hawaii Tourism Authority to enter into contracts for the marketing of all uses of the Hawaii Convention Center separately from the management, use, operation, or maintenance of the facility.

Your Committee received written comments in support of this measure from the Hawaii Tourism Authority and Hawaii Lodging and Tourism Association.

Your Committee finds that authorizing a management contract to be separate from a marketing contract will enable the Hawaii Tourism Authority to centralize the sales effort for all meetings, conventions, and incentives, which primarily result from customer

requests that are directed to a single point of contact. Your Committee further finds that centralizing the sales effort will facilitate efficiencies in staffing, marketing, travel, and sales technology.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 422, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 1983 Ways and Means on H.B. No. 437

The purpose and intent of this measure is to facilitate mental health services for individuals traumatized by certain violent crimes.

More specifically, this measure authorizes crime victim compensation for mental health services for survivors in cases involving a death and for children who witness domestic violence.

Your Committee received written comments in support of this measure from the Department of Health, Crime Victim Compensation Commission, Hawaii State Commission on the Status of Women, Department of the Prosecuting Attorney of the City and County of Honolulu, Hawaii Psychological Association, Mental Health America of Hawaii, and The Sex Abuse Treatment Center.

Your Committee finds that the Crime Victim Compensation Commission was established in 1967 to mitigate the suffering and financial impact experienced by victims of violent crime by providing compensation to pay for un-reimbursed crime-related expenses. However, some individuals who are severely impacted by violent crime are not eligible for compensation for mental health services. These include surviving family members in cases involving murder, manslaughter, and negligent homicide and children who witness domestic violence. Your Committee finds that this measure is intended to assist such individuals by ensuring that mental health services are accessible and affordable.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 437, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1984 Ways and Means on H.B. No. 439

The purpose and intent of this measure is to expedite the development of affordable housing on state lands.

Specifically, this measure:

- (1) Exempts from the definition of "public lands" those lands set aside by the Governor to the Hawaii Housing Finance and Development Corporation for the primary purpose of developing affordable housing; and
- (2) Provides that any sale or transfer of lands set aside to the Hawaii Housing Finance and Development Corporation remains subject to legislative approval.

Your Committee received written comments in support of this measure from the Hawaii Housing Finance and Development Corporation, Chamber of Commerce Hawaii, Building Industry Association of Hawaii, Land Use Research Foundation of Hawaii, and one individual.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that the exemption provided by this measure will allow the Hawaii Housing Finance and Development Corporation to develop affordable housing on state-owned land without requiring authorization from the Board of Land and Natural Resources for ministerial real estate transactions and approvals.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 439, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1985 Ways and Means on H.B. No. 419

The purpose and intent of this measure is to establish various provisions relating to transient accommodations.

Specifically, this measure:

- (1) Authorizes the allocation of an unspecified amount of transient accommodations tax revenues to the counties to enforce applicable laws and ordinances relating to transient accommodations and short-term vacation rentals, provided that certain requirements are met;
- (2) Amends the definition of "transient accommodations" in the transient accommodations tax law to include other forms of transient accommodations and other terms as may be defined by the counties;
- (3) Prohibits a hosting platform from providing, and collecting a fee for, booking services in connection with transient accommodations located in the State if the operator or plan manager is not registered with the Director of Taxation;
- (4) Requires transient accommodations brokers, hosting platforms, and booking services to submit periodic reports of transient accommodations listings to the Department of Business, Economic Development, and Tourism;

- (5) Enables a transient accommodations broker to register as a tax collection agent with respect to transient accommodations taxes and general excise taxes for the broker's operators and plan managers; and
- (6) Requires operators and plan managers to remove transient accommodation advertisements upon notice that the corresponding properties are not in compliance with state law or county ordinance.

Your Committee received written comments in support of this measure from the Office of Hawaiian Affairs; Department of Planning, County of Maui; Department of Planning and Permitting, City and County of Honolulu; Department of Planning, County of Kauai; Chair of the Maui County Council; Kohala Coast Resort Association; Maui Hotel and Lodging Association; and Hawaii Lodging and Tourism Association.

Your Committee received written comments in opposition to this measure from Airbnb and sixteen individuals.

Your Committee received written comments on this measure from the Department of Taxation; Office of the Mayor, County of Hawaii; Rental By Owner Awareness Association; Tax Foundation of Hawaii; Expedia Group; and one individual.

Your Committee finds that, as the transient accommodations industry evolves, the laws relating to transient accommodations should be amended to ensure that accommodations are properly regulated.

Your Committee has amended this measure by deleting its contents and inserting language to establish a new chapter within the Hawaii Revised Statutes that:

- (1) Authorizes transient accommodations in the State, subject to certain requirements, including compliance with transient accommodations tax law, general excise tax law, and permitting requirements;
- Requires operators, plan managers, and their respective properties to be listed on registries that shall be created by each county;
- (3) Subjects hosting platforms to certain requirements, including the collection and remittance of transient accommodations taxes and general excise taxes and the disclosure of certain information relating to transient accommodation listings;
- (4) Authorizes the Department of Taxation to adopt rules and fees for the purposes of the new statutory chapter;
- (5) Establishes penalties and other enforcement provisions for violations of the new statutory chapter; and
- (6) Provides that the new statutory chapter shall not be construed to prohibit local governments from adopting, monitoring, and enforcing local land use ordinances, or to transfer the authority to monitor and enforce those ordinances away from the counties.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 419, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 419, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1986 Ways and Means on H.B. No. 32

The purpose and intent of this measure is to extend from September 1, 2019, to November 13, 2019, the deadline for the Legislative Reference Bureau to submit the sunrise analysis regarding the establishment of paid family leave for the State, as required by Act 109, Session Laws of Hawaii 2018.

Your Committee received written comments in support of this measure from the Department of Human Services, Hawaii State Commission on the Status of Women, PHOCUSED, Hawaii Appleseed Center for Law and Economic Justice, Retail Merchants of Hawaii, American Association of University Women of Hawaii, Hawaii State Teachers Association, Chamber of Commerce Hawaii, and Maui Chamber of Commerce.

Your Committee received written comments on this measure from the Chamber of Commerce Hawaii.

Your Committee finds that the completion of the sunrise analysis required by Act 109, Session Laws of Hawaii 2018, aligns with a more responsive public policy to support Hawaii's working families. Additionally, your Committee finds that this measure will allow the Legislative Reference Bureau sufficient time to reissue an amended request for proposals and identify a qualified contractor to prepare the analysis of paid family leave required by Act 109, Session Laws of Hawaii 2018.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 32, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 32, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Keith-Agaran).

### SCRep. 1987 Ways and Means on H.B. No. 748

The purpose and intent of this measure is to prohibit civil asset forfeiture except when the covered offense is chargeable as a felony and the owner of the asset has been convicted.

Your Committee received written comments in support of this measure from the LGBT Caucus of the Democratic Party of Hawaii, Americans for Democratic Action Hawaii, Drug Policy Forum of Hawaii, American Civil Liberties Union of Hawaii, Drug Policy Alliance, Oahu County Democrats, and six individuals.

Your Committee received written comments in opposition to this measure from the Department of Land and Natural Resources, Hawaii Police Department, Maui Police Department, and the City and County of Honolulu Department of the Prosecuting Attorney.

Your Committee received written comments on this measure from the Grassroot Institute of Hawaii.

Your Committee finds that requiring a criminal conviction before permanently confiscating an offender's property will help to both establish an important protection for property owners and ensure fairness in the asset forfeiture process.

Your Committee has amended this measure by:

- (1) Requiring that all proceeds of forfeited property, after payment of expenses of administration and sale, be deposited to the credit of the state general fund; and
- (2) Changing the effective date to July 1, 2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 748, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 748, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1988 Ways and Means on H.B. No. 463

The purpose and intent of this measure is to appropriate funds to the Department of Agriculture, in partnership with the agricultural community, to establish a food safety certification training program for small and medium sized farms to comply with federal requirements.

Your Committee received written comments in support of this measure from the Department of Agriculture, Ulupono Initiative, and one individual.

Your Committee finds that this measure aligns with the State's goals of preserving diversified small farming businesses, promoting food resiliency, and diversifying Hawaii's economy.

Your Committee has amended this measure by:

- (1) Changing the appropriation to an unspecified amount; and
- (2) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 463, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 463, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Inouye, Taniguchi).

### SCRep. 1989 Ways and Means on H.B. No. 465

The purpose and intent of this measure is to appropriate moneys to fully fund the Department of Health's kupuna care program.

Your Committee received written comments in support of this measure from the Executive Office on Aging, Maui County Office on Aging, Policy Advisory Board for Elder Affairs, Chinatown Gateway Plaza Tenant Association, Catholic Charities Hawaii, Hawaii Chapter of the American Physical Therapy Association, Zonta Club of Hilo, Oahu County Democrats, AARP Hawaii, ILWU Local 142, and seven individuals.

Your Committee finds that the kupuna care program provides a continuum of home and community-based services and supports that allow older adults to age in place, preventing or delaying the need for more restrictive levels of care. Your Committee further finds that the kupuna care program assists frail adults, sixty years of age and older, to lead independent, meaningful, and dignified lives.

Your Committee has amended this measure by:

- (1) Changing the amount of the appropriation to \$4,145,695 for each year of the fiscal biennium 2019-2021;
- (2) Specifying that any funds appropriated pursuant to this measure shall be included in the base budget of the Executive Office on Aging; and
- (3) Providing that, with the approval of the Governor, the funds appropriated may be transferred to the General Appropriations Act of 2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 465, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 465, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1990 Ways and Means on H.B. No. 467

The purpose and intent of this measure is to amend the kupuna caregivers program allocation cap and to appropriate funds for the continued implementation of the program.

Your Committee received written comments in support of this measure from the Executive Office on Aging; Hawaii State Commission on the Status of Women; Policy Advisory Board for Elder Affairs; Office on Aging of the County of Maui; Oahu County Democrats; ILWU Local 142; AARP Hawaii; Caring Across Generations; American College of Obstetricians and Gynocologists, Hawaii Section; Hawaii Women's Coalition; Midwives Alliance of Hawaii; Zonta Club of Hilo; Hawaii Appleseed Center for Law and Economic Justice; Young Progressives Demanding Action; Palehua Townhouse Association; Chinatown Gateway Plaza Tenant Association; Church of the Crossroads; Catholic Charities Hawaii; Faith Action for Community Equity; Hawaii Family Caregiver Coalition; Hawaii Psychological Association; Mental Health America of Hawaii; and numerous individuals.

Your Committee finds that amending the program allocation cap from a daily amount to a weekly amount would give the Area Agencies on Aging greater flexibility in how the funds are used.

Your Committee has amended this measure by:

- Changing the amount authorized and appropriated for the kupuna caregivers program from \$2,000,000 to an unspecified amount; and
- (2) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 467, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 467, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1991 Ways and Means on H.B. No. 468

The purpose and intent of this measure is to appropriate funds for the healthy aging partnership program to ensure the program's continued role in improving the health and well-being of Hawaii's senior citizens.

Your Committee received written comments in support of this measure from the Executive Office on Aging, Maui County Office on Aging, Hawaii Chapter of the American Physical Therapy Association, ILWU Local 142, AARP Hawaii, Policy Advisory Board for Elder Affairs, Hawaii Family Caregiver Coalition, Zonta Club of Hilo, and numerous individuals.

Your Committee finds that funding the healthy aging partnership program maximizes opportunities for older adults to age well in their own homes, remain active, and enjoy life in their communities.

Your Committee has amended this measure by:

- (1) Changing the appropriation amount to \$550,000; and
- (2) Limiting the appropriation to only the 2019-2020 fiscal year.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 468, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 468, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1992 Ways and Means on H.B. No. 582

The purpose and intent of this measure is to establish or amend various laws relating to the care of the elderly and disabled in state-licensed care facilities.

Specifically, this measure:

- (1) Extends laws relating to site visits and licensing of adult residential care homes to adult day care centers;
- (2) Extends the penalties for unlicensed operations of adult residential care homes and hospice homes to community-based foster family homes, adult foster homes, and adult day care centers;
- (3) Requires the University of Hawaii or a neutral third party to post vacancy information on state-licensed care facilities on its website to facilitate the referral and placement of individuals;
- (4) Establishes a caregiver and case manager compensation task force within the Department of Health to examine issues relating to compensation and insurance reimbursement;
- (5) Provide timeframes for the Department of Health's decisions on applications for certificates of approval to operate community care foster family homes; and
- (6) Preserves the current organization of laws relating to site visits and licensing of adult residential care homes.

Your Committee received written comments in support of this measure from the Department of Health, United Group of Home Operators, Adult Foster Homecare Association of Hawaii, Big Island Adult Residential Carehome, and several individuals.

Your Committee received written comments on this measure from the Department of Human Services.

Your Committee finds that this measure will protect the welfare of the elderly and disabled clients in state-licensed care facilities while providing financial relief to their caregivers.

Your Committee has amended this measure by:

- Clarifying that participation on the task force by representatives from care home case managers and from care home facility organizations or operations is voluntary;
- (2) Correcting the name of the developmental disabilities council to "State Council on Developmental Disabilities;"
- (3) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (4) Making technical, nonsubstantive changes for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 582, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 582, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (Keith-Agaran, Riviere, Taniguchi).

#### SCRep. 1993 Ways and Means on H.B. No. 912

The purpose and intent of this measure is to help ensure that the medical bills of seriously injured employees are paid in a timely manner.

Specifically, this measure:

- (1) Requires an employer to pay for all medical services relating to an employee's compensable injury and the employee's rehabilitation within sixty days of receipt of the bill for services; and
- (2) Establishes a process for employers to dispute the payment of an employee's medical bill.

Your Committee received written comments in support of this measure from the Department of Labor and Industrial Relations and Automated HealthCare Solutions.

Your Committee received written comments in opposition to this measure from the Hawaii Insurers Council.

Your Committee received written comments on this measure from the City and County of Honolulu, Work Star Injury Recovery Center, and Hawaiian Electric Company.

Your Committee finds that ongoing investigations of pending workers' compensation claims delay care and compensation to injured employees. Your Committee further finds that establishing a deadline by which an employer must pay for medical expenses will ensure that medical services are paid for in a timely manner and that employees receive the care and financial assistance that they need.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 912, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1994 Ways and Means on H.B. No. 908

The purpose and intent of this measure is to address homelessness through the use of transient accommodations tax revenues.

Specifically, this measure:

- (1) Allocates an unspecified amount from transient accommodations tax revenues to the tourism special fund for the Hawaii Tourism Authority to implement initiatives, in conjunction with the Hawaii Lodging and Tourism Association, to address homelessness in tourist and resort areas; provided that private sector matching funds are made available for the same purpose;
- (2) Appropriates an unspecified amount from the tourism special fund for the Hawaii Tourism Authority, in conjunction with the Hawaii Lodging and Tourism Association, to address homelessness in tourist and resort areas; and
- (3) Requires the Hawaii Tourism Authority to submit a report to the Legislature on the status of its initiatives to address homelessness in tourist and resort areas.

Your Committee received written comments in support of this measure from the Governor's Coordinator on Homelessness, Hawaii Tourism Authority, Maui Hotel and Lodging Association, Hawaii Lodging and Tourism Association, and Kohala Coast Resort Association.

Your Committee received written comments on this measure from the Tax Foundation of Hawaii.

Your Committee finds that as homelessness is one of the State's most pressing problems, particularly in tourist and resort areas, it is appropriate for a portion of the revenues from this tax to be dedicated to addressing homelessness in tourist and resort areas.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 908, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 6 (English, Harimoto, Inouye, Keith-Agaran, Riviere, Taniguchi).

#### SCRep. 1995 Ways and Means on H.B. No. 903

The purpose and intent of this measure is to require the Hawaii State Judiciary to establish a financial hardship task force to address the financial disparity of court-imposed fines and fees on low-income individuals.

Your Committee received written comments in support of this measure from the Hawaii State Judiciary.

Your Committee finds that, while the Judiciary currently and in the past has offered payment options for persons having a limited ability to pay, further exploration into alternative solutions is necessary.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 903, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

#### SCRep. 1996 Ways and Means on H.B. No. 1028

The purpose and intent of this measure is to expand the type of revenue that may be deposited into the endangered species trust fund

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and an individual.

Your Committee finds that, pursuant to section 195D-31(a)(3), Hawaii Revised Statutes, only fees and assessments charged for the "commercial" use of public lands and waters may be deposited into the endangered species trust fund. Your Committee further finds that, by repealing this restriction, this measure would allow the Department of Land and Natural Resources to seek additional types of revenue for the implementation of chapter 195D, Hawaii Revised Statutes, relating to the conservation of wildlife.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1028, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 1997 Ways and Means on H.B. No. 1007

The purpose and intent of this measure is to allow public employees participating in state- or county-sponsored deferred compensation plans to make both pre-federal-tax and post-federal-tax contributions to the plans.

Your Committee received written comments in support of this measure from the Department of Human Resources Development.

Your Committee finds that this measure, which adds a Roth option to public deferred compensation plans, provides participants with the opportunity for tax diversification.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1007, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Inouye, Taniguchi).

# SCRep. 1998 Ways and Means on H.B. No. 999

The purpose and intent of this measure is to help the Department of Human Services attract and retain qualified, experienced, and innovative individuals to fill certain positions.

Specifically, this measure:

- (1) Permanently exempts from provisions of the civil service law:
  - (A) The Governor's Coordinator on Homelessness;
  - (B) Five positions at the Med-QUEST Division; and
  - (C) Four positions in the Office of the Director of Human Services; and
- (2) Temporarily exempts from the civil service law:
  - (A) The research/health analytics manager in the Med-QUEST Division; and
  - (B) Certain positions in the Office of the Director of Human Services.

Your Committee received written comments in support of this measure from the Governor's Coordinator on Homelessness, Department of Human Services, Catholic Charities Hawaii, Hawaii Health and Harm Reduction Center, Partners in Care, and Hawaii Kai Homeless Task Force.

Your Committee received written comments in opposition to this measure from the Hawaii Government Employees Association.

Your Committee received written comments on this measure from Early Childhood Action Strategy.

Your Committee finds that the positions exempted by this measure are required to effectively lead and manage the Department of Human Services' programs, oversee important operational, personnel, fiscal, and technology development matters, and improve access to and quality of department services.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 999, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 1999 Ways and Means on H.B. No. 993

The purpose and intent of this measure is to improve and enhance the effectiveness of the State Emergency Management Program.

More specifically, this measure:

- (1) Clarifies the duties and responsibilities of the Director and Administrator of the Hawaii Emergency Management Agency;
- (2) Clarifies the duties of the Hawaii Emergency Management Agency;
- (3) Requires each county to coordinate, develop, and implement a comprehensive emergency management plan and submit annual reports to the Administrator;
- (4) Renames the Emergency Reserve Corps to the Emergency Management Reserve Corps;
- (5) Clarifies the Emergency Management Reserve Corps's leadership, duties, and responsibilities;
- (6) Amends the Governor's expenditure ceiling for the Major Disaster Fund;
- (7) Requires the Administrator, instead of the Department of Defense, to request that the Legislature make appropriations from the fund:
- (8) Extends the date by which a report on allotments or expenditures from the fund shall be submitted;
- (9) Requires the Hawaii Emergency Management Agency, instead of the Department of Defense, to administer certain trust accounts; and
- (10) Requires that unexpended moneys in the Major Disaster Fund in an amount less than \$2,500,000 carry over to the next fiscal year.

Your Committee received written comments in support of this measure from the Department of Defense and Department of Transportation.

Your Committee finds that the Hawaii Emergency Management Agency has experienced numerous challenges over the last few years that have helped to highlight various statutory provisions that require updating in order to enhance and improve the State Emergency Management Program.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 993, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2000 Ways and Means on H.B. No. 901

The purpose and intent of this measure is to reduce the burden on state and county agencies to produce paper copies of reports, and to ensure that the State Publications Distribution Center receives state and county publications in an electronic format.

Your Committee received written comments in support of this measure from the Office of Enterprise Technology Services; Department of Education; Department of Transportation; Department of Commerce and Consumer Affairs; Department of Taxation; Department of Business, Economic Development, and Tourism; Department of Labor and Industrial Relations; Department of Land and Natural Resources; Hawaii State Public Library System; Office of Information Practices; University of Hawaii; and Hawaii Health Systems Corporation.

Your Committee finds that by requiring both fewer paper copies and the deposit of electronic copies of government publications with the State Publications Distribution Center, this measure aligns with the changes in technology and public access to information, including the reduction in demand for reports produced in paper form.

Your Committee has amended this measure by making the measure effective upon its approval.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 901, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 901, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 2001 Ways and Means on H.B. No. 867

The purpose and intent of this measure is to facilitate the administration of hiring state employees.

Specifically, this measure:

- (1) Establishes a position for an Administrative Assistant to the Director of Human Resources Development;
- (2) Provides that the Administrative Assistant:
  - (A) Shall facilitate and expedite the hiring and recruitment for civil service positions under the jurisdiction of the Department of Human Resources Development; and
  - (B) May reclassify and abolish vacant positions within state departments and agencies that are under the jurisdiction of the Department of Human Resources Development, subject to certain conditions.

Prior to decision making on this measure, your Committee made available for public review a proposed Senate Draft No. 2 (Proposed Draft) of this measure. The Proposed Draft amends the measure by:

- (1) Designating the existing substantive provisions of the measure as part I;
- (2) Inserting a new part II to the measure, which establishes and appropriates unspecified funds for a recruitment modernization program within the Department of Human Resources Development;
- (3) Changing its effective date to July 1, 2050; and
- (4) Making technical nonsubstantive changes.

Your Committee received testimony in support of Senate Draft No. 1 from the Oahu County Democrats.

Your Committee received testimony in support of the Proposed Draft from the Office of the Governor, Department of Human Resources Development, Department of Agriculture, and Department of Land and Natural Resources.

Your Committee received comments on the Proposed Draft from the Department of Budget and Finance.

Your Committee finds that steps should be taken to ensure that vacancies in state agencies are filled with qualified individuals. Your Committee recognizes that the Department of Human Resources Development could benefit from the services of an employee who serves as a liaison between that department and other state departments and agencies to facilitate and expedite the hiring and recruitment for civil service positions. Your Committee also finds that the establishment and funding of an effort to modernize employee recruitment efforts could help the State implement solutions to its recruitment problems.

Your Committee has amended this measure by adopting the Proposed Draft and further amending the Proposed Draft by:

- (1) Changing the position title from the Administrative Assistant to the Director of Human Resources Development to the Experimental Modernization Administrative Officer;
- Replacing the new officer's authority to reclassify and abolish vacant state positions with a duty to direct experimental modernization projects as required by law;
- (3) Changing the name of the recruitment modernization program to the experimental modernization project and establishing that the Experimental Modernization Administrative Officer shall direct the new project;
- (4) Establishing that the experimental modernization project's development of innovative methods for recruitment shall include the exploration of recruitment software, rather than the customization of the Department of Human Resources Development's recruitment software; and
- (5) Making further technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 867, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 867, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2002 Ways and Means on H.B. No. 842

The purpose and intent of this measure is to establish the Hawaii State Planning Act Review Commission to conduct periodic and systematic reviews of the Hawaii State Planning Act and submit evaluations of the Act to the Legislature.

Your Committee received written comments in support of this measure from the Office of Planning and Oahu County Democrats.

Your Committee finds that regular updating of the Hawaii State Planning Act will help to ensure that the goals, objectives, and policies of the State reflect current cultural, economic, and societal goals.

Your Committee has amended this measure by:

- (1) Clarifying that the provisions requiring the Hawaii State Planning Act Review Commission to conduct a systematic review of chapter 226, Hawaii Revised Statutes, and be dissolved at the end of the legislative session during which it submits its evaluation, shall apply to each appointed commission;
- (2) Changing the amount of the appropriation to an unspecified amount;
- (3) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (4) Making technical nonsubstantive amendments for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 842, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 842, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2003 Ways and Means on H.B. No. 773

The purpose and intent of this measure is to establish an Office of Creative, Film, and Media Industries Hawaii within the Department of Business, Economic Development, and Tourism.

Additionally, the measure appropriates funds to the Department of Business, Economic Development, and Tourism for equipment and staffing needs for creative media co-working sites on multiple islands statewide.

Your Committee held a public hearing on a Proposed Senate Draft 2 (Proposed S.D. 2) of this measure.

The purpose of the Proposed S.D. 2 is to:

- Require the Department of Business, Economic Development, and Tourism to develop annual regional economic plans to
  provide jobs in urban and rural areas in each county based on the development or community boundaries of each respective
  county;
- (2) Require the Workforce Development Council to use the regional economic plans to develop and provide K-16 pathways and programs in each public school and provide bonus incentives to participating public schools; and
- (3) Appropriate funds to the Department of Business, Economic Development, and Tourism to develop the regional economic plans and the school incentive bonuses.

Your Committee received testimony in support of the Proposed S.D. 2 from two individuals.

Your Committee received comments on the Proposed S.D. 2 from the Department of Business, Economic Development, and Tourism; Department of Education; and Workforce Development Council.

Your Committee finds that this measure will support a vision of workforce development in Hawaii that would ensure that all employers have competent and skilled employees and that all residents enjoy sustainable employment and self-sufficiency.

Your Committee has amended this measure by adopting the Proposed S.D. 2 and further amending the Proposed S.D. 2 by deleting the requirement that regional economic plans be based on the development or community boundaries of each respective county.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 773, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 773, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Taniguchi, Fevella).

### SCRep. 2004 Ways and Means on H.B. No. 1062

The purpose and intent of this measure is to facilitate the deployment of broadband infrastructure in unserved or underserved areas of the State.

Specifically, this measure establishes and appropriates funds for a broadband infrastructure grant program to be administered by the Department of Business, Economic Development, and Tourism.

Your Committee received written comments in support of this measure from two individuals.

Your Committee received written comments on this measure from the Department of Commerce and Consumer Affairs and Department of Business, Economic Development, and Tourism.

Your Committee finds that the grant program will assist in bridging the broadband gap to rural areas where broadband deployment would otherwise be cost prohibitive for providers because of the excessively high cost to install infrastructure to serve only a small number of subscribers in those areas.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1062, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Inouye, Taniguchi).

## SCRep. 2005 Ways and Means on H.B. No. 1188

The purpose and intent of this measure is to appropriate funds to the State Procurement Office to support the small business assistance initiative established by Act 42, Session Laws of Hawaii 2017.

Your Committee received written comments in support of this measure from the State Procurement Office.

Your Committee finds that this appropriation will allow the State Procurement Office to continue to assist small businesses in pursuing contracting opportunities.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1188, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

## SCRep. 2006 Ways and Means on H.B. No. 1261

The purpose and intent of this measure is to make permanent the requirement that decisions in contested case hearings of the Commission on Water Resource Management, Land Use Commission, Public Utilities Commission, and Hawaii Community Development Authority, and those involving conservation districts, be appealed directly to the Supreme Court, with certain exceptions.

Your Committee received written comments in support of this measure from the University of Hawaii, Maunakea Observatories, and two individuals.

Your Committee received written comments on this measure from the Hawaii State Judiciary.

Your Committee finds that Act 48, Session Laws of Hawaii 2016, temporarily required certain agency appeals to be filed directly with the Supreme Court, bypassing the circuit courts, environmental courts, and the Intermediate Court of Appeals. Your Committee further finds that this measure would make permanent this requirement.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1261, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2007 Ways and Means on H.B. No. 1312

The purpose and intent of this measure is to address the State's shortage of affordable housing.

Specifically, this measure:

- (1) Authorizes the issuance of general obligation bonds, the proceeds of which shall be deposited into and appropriated out of the rental housing revolving fund; and
- (2) Allocates a portion of the funds appropriated from the rental housing revolving fund to create permanent supportive housing units for persons who are chronically homeless.

Your Committee received written comments in support of this measure from the Governor's Coordinator on Homelessness; Oahu County Democrats; Faith Action for Community Equity; Hawaii Catholic Conference; Hawaiian Community Assets; Aloha United Way; Catholic Charities Hawaii; Partners in Care; Young Progressives Demanding Action; Hawaiian Humane Society; HOPE Services Hawaii; Hawaii Kai Homeless Task Force; MoveOn.org Honolulu Volunteers, Faith Action; and numerous individuals.

Your Committee received written comments on this measure from the Hawaii Housing Finance and Development Corporation.

Your Committee finds that the funds appropriated by this measure will assist the State in working toward its goal of creating nearly twenty-three thousand affordable rental housing units.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1312, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2008 (Majority) Ways and Means on H.B. No. 1383

The purpose and intent of this measure is to address penalties relating to marijuana.

Specifically, this measure:

- (1) Reclassifies possession of three grams or less of marijuana as a violation, a penal offense not punishable by incarceration, and imposes a fine of \$30 for that offense;
- (2) Requires courts, upon motion by a person convicted of promoting a detrimental drug in the third degree, to expunge the conviction if the conviction was for the possession of three grams or less of marijuana; and
- (3) Establishes the marijuana evaluation task force to examine laws of other states and related penalties and outcomes relating to the non-medical use of marijuana, and requires the task force to report its findings to the Legislature.

Your Committee received written comments in support of this measure from Hawaii Health & Harm Reduction Center, Drug Policy Forum of Hawaii, Hawaii Advocates For Consumer Rights, and two individuals.

Your Committee received written comments in opposition to this measure from the Maui Police Department, Hawaii Police Department, Hawaii Family Forum, and four individuals.

Your Committee received written comments on this measure from the Maui Chamber of Commerce.

Your Committee finds that as a number of states have removed or are considering removing incarceration as a possible penalty for the recreational use of marijuana by adults, it is appropriate for the State to consider similar reforms.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1383, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 8; Ayes with Reservations (Fevella). Noes, 2 (Harimoto, Moriwaki). Excused, 3 (English, Inouye, Taniguchi).

#### SCRep. 2009 Ways and Means on H.B. No. 1343

The purpose and intent of this measure is to authorize the use of family leave by an employee who is taking leave to care for the employee's grandchild having a serious health condition.

Your Committee received written comments in support of this measure from the Department of Human Services, Hawaii State Commission on the Status of Women, AAUW of Hawaii, Hawaii Government Employees Association, Healthy Mothers Healthy Babies, ILWU Local 142, PHOCUSED, and two individuals.

Your Committee received written comments in opposition to this measure from the Maui Chamber of Commerce and Retail Merchants of Hawaii.

Your Committee finds that the State's unique prevalence of multi-generational caregiving responsibilities should be reflected in its family leave requirements.

Additionally, your Committee believes that it is more efficient to incorporate the use of family leave by certain grandparent-employees into sections 398-3 and 398-4, Hawaii Revised Statutes, than to create new sections in chapter 398, Hawaii Revised Statutes, to authorize this use of family leave.

Your Committee has amended this measure by:

- (1) Deleting from section 2 of the measure provisions specifying that:
  - (A) An employee is entitled to one week of family leave during the calendar year to care for the employee's grandchild having a serious health condition;
  - (B) The family leave may be paid, unpaid, or a combination of paid and unpaid; and
  - (C) The employee may use seven days of accrued and available sick leave for the family leave per year;
- (2) Amending section 398-3, Hawaii Revised Statutes, to entitle an employee to one week of family leave during any calendar year to care for the employee's grandchild having a serious health condition;
- (3) Amending section 398-4, Hawaii Revised Statutes, to authorize an employee who uses family leave to care for the employee's grandchild having a serious health condition to:
  - (A) Use unpaid leave for family leave in certain situations;
  - (B) Substitute accrued paid leave for unpaid family leave; and
  - (C) Use up to seven days of accrued and available sick leave for family leave per year;
- (4) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (5) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1343, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1343, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Keith-Agaran).

## SCRep. 2010 Ways and Means on H.B. No. 1344

The purpose and intent of this measure is to appropriate and authorize funds for various operating expenses of the Department of Human Resources Development.

Your Committee received written comments in support of this measure from the Department of Human Resources Development and Department of Human Resources Development Deferred Compensation Plan Board of Trustees.

Your Committee finds that this measure appropriates and authorizes additional funds and positions for the Department of Human Resources Development for fiscal biennium 2019-2021.

Your Committee has amended this measure by:

- (1) Indicating the program title associated with each program ID in the appropriations table;
- (2) Adding a severability clause;
- (3) Adding a provision authorizing the Governor to correct manifest clerical, typographical, or other mechanical errors; and
- (4) Making technical nonsubstantive changes for purposes of consistency and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1344, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1344, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Harimoto).

### SCRep. 2011 Ways and Means on H.B. No. 1416

The purpose and intent of this measure is to prevent suicides in state correctional facilities by establishing a suicide prevention commission within the Department of Health.

Your Committee received written comments in support of this measure from the Department of Health, Community Alliance on Prisons, Hawaii Health and Harm Reduction Center, Mental Health America of Hawaii, and numerous individuals.

Your Committee finds that the high rate of inmate suicides in state correctional facilities necessitates the development of preventative measures.

Your Committee has amended this measure by inserting an appropriation of an unspecified amount for fiscal years 2019-2020 and 2020-2021 for the Department of Health to develop a centralized assessment and treatment program.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1416, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1416, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

## SCRep. 2012 Ways and Means on H.B. No. 1417

The purpose and intent of this measure is to require the Department of Human Services to use an integrated and multigenerational approach to delivering human services in order to reduce the incidence of intergenerational poverty and dependence on public benefits.

Your Committee received written comments in support of this measure from the Department of Human Services, Office of Hawaiian Affairs, Oahu County Democrats, Hawaii Substance Abuse Coalition, and Hawaii Primary Care Association.

Your Committee finds that transforming the Department of Human Services delivery model from a silo approach to an integrated, multi-generational model will improve the well-being of Hawaii's residents, reduce intergenerational poverty, and decrease dependence on public benefits in the State.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1417, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1417, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2013 Ways and Means on H.B. No. 1043

The purpose and intent of this measure is to amend the state tax appeals process.

More specifically, this measure:

- (1) Replaces the existing tax boards of review with a single Tax Appeal Review Panel comprised of full-time members;
- (2) Amends the grounds upon which an appeal to the administrative appeals and dispute resolution program may be made by disallowing appeals of proposed assessments; and
- (3) Allows any person who has already filed an appeal with a board of review to continue or withdraw their appeal and refile their appeal with the Tax Appeal Review Panel until January 1, 2021, at which point all remaining appeals before a board of review shall automatically transfer to the Tax Appeal Review Panel.

Your Committee received written comments in support of this measure from the Department of Taxation.

Your Committee received written comments on this measure from the Tax Foundation of Hawaii.

Your Committee finds that the State's existing tax appeals system faces numerous challenges that impede its ability to function. A substantial number of tax appeals to the boards of review have not been heard or have been substantially delayed due to the boards' inability to achieve a quorum. Your Committee further finds that replacing the boards of review with a single Tax Appeal Review Panel, with full-time members who are authorized to hear and decide cases individually, will allow tax appeals to be resolved more efficiently.

Your Committee has amended this measure by:

- (1) Moving provisions regarding the duties and powers of the Tax Appeal Review Panel from section 232-6, Hawaii Revised Statutes, to section 232-7, Hawaii Revised Statutes;
- (2) Changing the effective date to July 1, 2019; and

(3) Making technical nonsubstantive amendments for purposes of consistency, clarity, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1043, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1043, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Keith-Agaran).

## SCRep. 2014 Ways and Means on H.B. No. 1270

The purpose and intent of this measure is to preserve access to health care for Medicaid recipients.

Specifically, this measure:

- (1) Extends the hospital sustainability program for two years;
- (2) Amends exemptions from the hospital sustainability fee;
- (3) Increases the allowable aggregate fees charged to a hospital from 3.5 percent to 4.0 percent; and
- (4) Appropriates funds out of the hospital sustainability program special fund for fiscal years 2019-2020 and 2020-2021.

Your Committee received written comments in support of this measure from the Department of Human Services, Healthcare Association of Hawaii, Hawaii Pacific Health, The Queen's Health Systems, Kaiser Permanente, Chamber of Commerce Hawaii, and Hawaii Medical Service Association.

Your Committee finds that the hospital sustainability program has helped acute care facilities treat the most vulnerable patients in the State since its inception in 2012. Your Committee further finds that the program has helped to ensure that patients, especially those with low incomes, are able to access quality, affordable care.

Your Committee has amended this measure by:

- (1) Making corrections to the quoted text of section 5 of Act 217, Session Laws of Hawaii 2012, as amended by Act 141, Session Laws of Hawaii 2013, as amended by Act 123, Session Laws of Hawaii 2014, as amended by Act 70, Session Laws of Hawaii 2015, as amended by Act 60, Session Laws of Hawaii 2016, as amended by Act 59, Session Laws of Hawaii 2017, in the measure to accurately reflect the printed version of the session law; and
- (2) Changing the effective date to:
  - (A) July 1, 2050, for sections 7 and 8; and
  - (B) June 29, 2050, for the remainder of the measure,

to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1270, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1270, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2015 Ways and Means on H.B. No. 1248

The purpose and intent of this measure is to establish elections by mail beginning with the 2022 primary election.

Additionally, this measure appropriates funds to the Office of Elections to administer elections by mail, and to the Department of Budget and Finance to allocate to the counties to implement voting by mail.

Your Committee held a public hearing on a Proposed Senate Draft 2 (Proposed S.D. 2).

The purpose of the Proposed S.D. 2 is to add a new part to the measure to require the Chief Election Officer to publish online voters' pamphlets for each election.

Additionally, the Proposed S.D. 2 appropriates funds to the Office of Elections to publish an online voters' pamphlet and publish and distribute notification postcards, starting with the 2020 primary election.

Your Committee received testimony in support of the Proposed S.D. 2 from the Office of Elections, Office of the County Clerk of the County of Maui, the Elections Division of the Office of the County Clerk of the County of Hawaii, Common Cause Hawaii, League of Women Voters of Hawaii, Planned Parenthood Votes Northwest and Hawaii, and three individuals.

Your Committee received testimony in opposition to the Proposed S.D. 2 from two individuals.

Your Committee finds that elections by mail are convenient and accessible to voters and will streamline the administration of elections. Additionally, an online voters' pamphlet will inform the electorate about the contests on the ballot.

Your Committee also notes that the Office of Elections requests \$193,343 as the amount of the appropriation necessary to compile the pamphlet and publish and distribute the notification postcards.

Your Committee has amended this measure by adopting the Proposed S.D. 2 and further amending the Proposed S.D. 2 by:

- (1) Making technical corrections to promote the consistent use of the terms "secrecy sleeve" and "voter service center, place of deposit, or its appurtenances" throughout the measure;
- (2) Restoring the phrase "must be" in existing statutory language relating to the return and receipt of absentee ballots;
- (3) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (4) Making technical, nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1248, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1248, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Taniguchi, Fevella).

## SCRep. 2016 Ways and Means on H.B. No. 1453

The purpose and intent of this measure is to facilitate the provision of emergency medical services.

Specifically, this measure:

- Authorizes the Department of Health to establish reasonable fees for emergency ambulance services to transport an individual
  to a medical facility and for certain emergency medical services when an ambulance is not used to transport an individual to a
  medical facility; and
- (2) Requires the State's Medicaid programs and private health insurance plans to cover ambulance services and related services provided by emergency medical technicians or paramedics.

Your Committee received written comments in support of this measure from the Department of Health, Department of Human Services; Honolulu Emergency Services Department, Oahu County Democrats, American Medical Response, and American Medical Response - Kauai.

Your Committee received written comments in opposition to this measure from the Hawaii Medical Service Association.

Your Committee received written comments on this measure from the Department of Commerce and Consumer Affairs, Department of the Attorney General, and the Hawaii Employer-Union Health Benefits Trust Fund.

Your Committee finds that the authorization of reasonable fees for emergency ambulance services and emergency medical services and subsequent health insurance coverage for those services will offset the costs of delivering these services.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1453, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2017 Ways and Means on H.B. No. 1455

The purpose and intent of this measure is to support the University of Hawaii Maui College's International Office by appropriating moneys for full-time equivalent positions and study abroad opportunities.

Your Committee received written comments in support of this measure from the University of Hawaii.

Your Committee finds that this measure will facilitate the University of Hawaii Maui College's International Office's purpose of providing students with opportunities to seek educational experiences outside of the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1455, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Harimoto).

# SCRep. 2018 Ways and Means on H.B. No. 1533

The purpose and intent of this measure is to facilitate the rehabilitation of historic structures in the State.

More specifically, this measure:

- (1) Establishes a historic preservation income tax credit; and
- (2) Appropriates funds for one temporary position within the State Historic Preservation Division to assist with the establishment and administration of the historic preservation income tax credit program.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and Historic Hawaii Foundation.

Your Committee received written comments on this measure from the Department of Taxation.

Your Committee finds that thirty-eight states provide tax credits for the rehabilitation of historic structures. Your Committee also finds that establishing a similar tax credit in Hawaii would promote the comprehensive state historic preservation program established by chapter 6E, Hawaii Revised Statutes.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1533, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

# SCRep. 2019 Ways and Means on H.B. No. 1546

The purpose and intent of this measure is to eradicate mosquitoes from Hawaii to protect public health and native species.

Specifically, this measure appropriates funds to the University of Hawaii to increase research, coordinate with appropriate state agencies, and develop a plan for the statewide eradication of mosquitoes.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and University of Hawaii.

Your Committee finds that the transmission of avian malaria by mosquitoes has decimated the State's native bird population. Your Committee further finds that mosquitoes are a disease vector that threatens human health. Your Committee also finds that the University of Hawaii and its partner organizations have researched mosquito control techniques that could potentially benefit both native wildlife and human health in Hawaii.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1546, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2020 Ways and Means on H.B. No. 1593

The purpose and intent of this measure is to require and appropriate moneys to the Department of Education, in consultation with the Office of Enterprise Technology Services, to develop and procure a uniform financial database.

Your Committee received written comments in support of this measure from the Department of Education and the Office of Enterprise Technology Services.

Your Committee received written comments on this measure from the Department of Budget and Finance.

Your Committee finds that utilization of a uniform financial database that is compatible with software being implemented for use by all state agencies will improve government accountability and transparency, existing information technology systems, and inter-agency accounting practices.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1593, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2021 Ways and Means on H.B. No. 1433

The purpose and intent of this measure is to support the Attorney General's Hawaii Criminal Justice Data Center in administering the Address Confidentiality Program by appropriating funds for staffing, operations, and equipment.

Your Committee received written comments in support of this measure from the Department of the Attorney General, Hawaii State Commission on the Status of Women, Department of the Prosecuting Attorney of the City and County of Honolulu, American Association of University Women of Hawaii, and The Sex Abuse Treatment Center.

Your Committee finds that funding the Hawaii Criminal Justice Data Center's Address Confidentiality Program will enable state and local agencies to provide survivors of domestic abuse, sexual offenses, or stalking with a substitute mailing address to use instead of a physical address. Your Committee further finds that providing a substitute address will increase the safety, privacy, and protection of program participants.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1433, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1433, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Keith-Agaran).

### SCRep. 2022 Ways and Means on H.B. No. 1582

The purpose and intent of this measure is to exempt concessions that provide historical and cultural information, goods, and services to visitors and residents within the Hawaii capital historic district from the sealed bid requirements of section 102-2(a), Hawaii Revised Statutes.

Your Committee received written comments in support of this measure from the Airport Concessionaires Committee.

Your Committee finds that due to the need to provide certain services to the public, there is merit in awarding certain concession contracts through negotiation rather than to the highest bidder.

Your Committee has amended this measure by:

- (1) Increasing the maximum length of concession contracts from fifteen years to twenty years;
- (2) Replacing requirements that certain concessions shall be operated by nonprofit corporations in order to be exempt from the sealed bid requirements of section 102-2(a), Hawaii Revised Statutes, with a requirement that state and county agencies give preference to nonprofit corporations pursuant to rules that shall first be adopted by the respective agency;
- (3) Providing that a county director of parks and recreation shall designate which county zoos, botanic gardens, or other county parks are environmentally, culturally, historically, or operationally unique for the purpose of determining whether a concession at the zoo, botanic garden, or other park is exempt from the sealed bid requirements of section 102-2(a), Hawaii Revised Statutes;
- (4) Providing that the amendments made to section 102-2(b), Hawaii Revised Statutes, under this measure shall not be repealed when that section is repealed and reenacted on June 30, 2021, pursuant to section 4, Act 141, Session Laws of Hawaii 2014; and
- (5) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1582, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1582, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2023 Ways and Means on H.B. No. 990

The purpose and intent of this measure is to clarify certain provisions related to the use or rental of Department of Defense facilities.

More specifically, this measure:

- (1) Clarifies the activities for which and entities to which the Adjutant General may permit the use or rental of Department of Defense facilities; and
- (2) Requires that the net proceeds received from any uses or rentals of Department of Defense facilities, rather than all moneys from these uses or rentals, be deposited into the general fund of the State.

No written comments were received on this measure.

Your Committee finds that requiring the Department of Defense to deposit into the general fund of the State the net proceeds received from the uses or rentals of the department's facilities rather than all moneys received from these uses or rentals will allow the department to cover costs directly related to the use or rental of its facilities.

Your Committee has amended this measure by changing the effective date from July 1, 2050, to upon its approval.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 990, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 990, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2024 Ways and Means on H.B. No. 991

The purpose and intent of this measure is to extend the civil relief for state military forces law to cover persons serving on full time National Guard duty.

Additionally, this measure amends the civil relief for state military forces law by extending the lease termination provisions to cover motor vehicle leases.

Your Committee received written comments in support of this measure from one individual.

Your Committee finds that this measure will enable current Hawaii National Guard service members to fulfill the purposes of the federal Servicemembers Civil Relief Act by allowing them to devote their entire energy to the defense needs of the nation.

Your Committee has amended this measure by changing the effective date to "upon its approval."

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 991, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 991, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2025 (Majority) Ways and Means on H.B. No. 1025

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to extend certain leases of public lands to encourage current lessees to make improvements to those properties.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and HPM Building Supply.

Your Committee received written comments in opposition to this measure from the Office of Hawaiian Affairs, Hoomanapono Political Action Committee, and Ka Lahui Hawaii Political Action Committee.

Your Committee finds that prohibiting the transfer or assignment of a lease within the first ten years of a lease extension will deter speculators from acquiring leases, obtaining extensions, putting in the minimum amount of improvements, and then transferring or assigning the lease for a profit.

Your Committee has amended this measure by:

- (1) Specifying that the provisions apply to leases that have not been assigned or transfered within the last ten years;
- Clarifying that the provisions do not apply to public lands controlled by the Department of Hawaiian Home Lands and leased pursuant to the Hawaiian Homes Commission Act;
- (3) Specifying that the lease extensions shall not exceed forty years;
- (4) Prohibiting the transfer or assignment of the leases for the first ten years of the lease extension;
- (5) Specifying that resort use requires that at least seventy-five percent of the living or sleeping quarters in the development be used solely for transient accommodations for the term of any lease extension;
- (6) Specifying that substantial improvement means any renovation, rehabilitation, reconstruction, or construction of existing improvements that equals or exceeds thirty percent of the market value of the existing improvements;
- (7) Making the measure effective upon approval; and
- (8) Specifying that the measure shall be repealed on June 30, 2024.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1025, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1025, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Riviere). Noes, 1 (Fevella). Excused, 2 (English, Harimoto).

# SCRep. 2026 Ways and Means on H.B. No. 1032

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources under certain conditions, to lease any existing state boating facility in its entirety without prior authorization from the Legislature.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Pulama Lanai, Aha Moku Advisory Committee, and one concerned individual.

Your Committee received written comments in opposition to this measure from the Ocean Tourism Coalition.

Your Committee finds that certain harbors in the State contain underused areas with revenue generating potential. This measure will assist the Board of Land and Natural Resources in deriving revenues from those areas and other boating facilities to fund needed repair and maintenance of all state boating facilities.

Your Committee has amended this measure by changing the effective date to make it effective upon approval.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1032, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1032, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 2027 Ways and Means on H.B. No. 1405

The purpose and intent of this measure is to appropriate or authorize funds for various operating expenses of the Department of Land and Natural Resources.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Kahoolawe Island Reserve Commission, Hawaii Farm Bureau, and Sierra Club of Hawaii.

Your Committee finds that this measure adjusts the amounts and number of positions appropriated or authorized for the Department of Land and Natural Resources from baseline amounts in the General Appropriations Act of 2017, as amended by the Supplemental Appropriations Act of 2018.

Your Committee has amended this measure by:

(1) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and

(2) Making a technical nonsubstantive change for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1405, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1405, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Harimoto).

## SCRep. 2028 Ways and Means on H.B. No. 1526

The purpose and intent of this measure is to appropriate and authorize funds for programs of the State Public Charter School Commission.

Your Committee received written comments in support of this measure from the State Public Charter Commission, Office of Hawaiian Affairs, Hawaii Academy of Arts and Sciences Public Charter School, HawaiiKidsCAN, Kualapuu Public Conversion Charter School, Kua O Ka La New Century Public Charter School, Connections Public Charter School, Kona Pacific Public Charter School, Kamehameha Schools, Kawaikini New Century Public Charter School, W.A.V.E., and numerous individuals.

Your Committee finds that this measure appropriates and authorizes additional funds and positions for the State Public Charter School Commission for fiscal biennium 2019-2021.

Your Committee has amended this measure by:

- (1) Changing the amounts appropriated and number of positions authorized for the Department of Education's Charter Schools (EDN600) and Charter Schools Commission and Administration (EDN612) programs;
- (2) For clarity, indicating in the program appropriations table that the program ID EDN600 refers to the Charter Schools program;
- (3) Adding a provision that authorizes the appropriations made to a program by the measure to be combined with appropriations made to the same program by any other Act enacted by the Legislature for the 2019-2021 fiscal biennium; and
- (4) Making a technical nonsubstantive change for the purpose of consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1526, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1526, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Harimoto).

### SCRep. 2029 Ways and Means on H.B. No. 1527

The purpose and intent of this measure is to appropriate funds for the Executive Office on Early Learning.

Your Committee received written comments in support of this measure from the Executive Office on Early Learning and Early Learning Board.

Your Committee finds that this measure appropriates additional funds and positions for the Executive Office on Early Learning for fiscal biennium 2019-2021 beyond baseline amounts appropriated in the General Appropriations Act of 2019.

Your Committee has amended this measure by:

- (1) Increasing the amount appropriated to the Executive Office on Early Learning for administrative support for the prekindergarten program for fiscal year 2019-2020 from \$76,322, to \$133,415;
- (2) Adding a definition that explains the use of asterisks and pound signs to represent permanent and temporary full-time equivalent positions, respectively, in the measure;
- (3) Changing the effective date from July 1, 2030, to July 1, 2019; and
- (4) Making technical nonsubstantive changes for purposes of consistency and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1527, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1527, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (Keith-Agaran, Riviere).

## SCRep. 2030 Ways and Means on H.B. No. 1530

The purpose and intent of this measure is to establish the teacher mentor incentive program.

More specifically, this measure:

- (1) Establishes the teacher mentor incentive program within the Department of Education; and
- (2) Appropriates moneys to the Department of Education for the teacher mentor incentive program.

Your Committee received written comments in support of this measure from the Department of Education, University of Hawaii, James Campbell High School, Hawaii State Teachers Association, HawaiiKidsCAN, and numerous individuals.

Your Committee finds that establishing a teacher mentor incentive program will encourage experienced teachers to devote time to mentor and aid in the development of less-experienced teachers.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1530, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1530, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2031 Ways and Means on H.B. No. 1547

The purpose and intent of this measure is to appropriate funds to the University of Hawaii to provide student-athletes enrolled at the university with a meal incidental to competition and snacks as permitted by the National Collegiate Athletics Association bylaws.

Your Committee received no written comments on this measure.

Your Committee finds that educational institutions that are Division I members of the National Collegiate Athletic Association, including the University of Hawaii, are authorized to provide student-athletes with certain benefits incidental to participation in intercollegiate athletics. Your Committee further finds that this measure aligns with the goal of supporting the health and wellness of student-athletes at the University of Hawaii.

Your Committee has amended this measure by:

- (1) Replacing references to the provision of meals and snacks with references to the provision of incidental benefits for University of Hawaii student-athletes;
- (2) Inserting an appropriation of \$4,000,000 in each year of fiscal biennium 2019-2021 for the provision of incidental benefits to student-athletes at the University of Hawaii; and
- (3) Changing the effective date to July 1, 2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1547, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1547, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2032 Ways and Means on H.B. No. 1548

The purpose and intent of this measure is to appropriate funds to the Department of Land and Natural Resources to study and combat rapid ohia death.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Department of Agriculture, Hawaii County Council, County of Hawaii Mayor's Office, Oahu County Democrats, Hawaii Farm Bureau, The Nature Conservancy, and two individuals.

Your Committee finds that ohia, a vital species in native watershed areas, makes up approximately eighty percent of the State's remaining native forests. Your Committee finds that rapid ohia death threatens thousands of acres of native forest and that combating this devastating fungal disease is critical to prevent its further spread throughout the State.

Your Committee has amended this measure by:

- (1) Changing the appropriations to unspecified amounts; and
- (2) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1548, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1548, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2033 Ways and Means on H.B. No. 1033

The purpose and intent of this measure is to make vessel insurance mandatory in the State.

More specifically, this measure:

- (1) Requires certain vessel owners to obtain vessel insurance;
- (2) Specifies the type and amount of vessel insurance;
- (3) Authorizes the Board of Land and Natural Resources to grant exemptions to the vessel insurance requirements for transient vessels; and
- (4) Authorizes the Department of Land and Natural Resources to adopt rules regarding mandatory vessel insurance.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Calypso Charters, and Ocean Tourism Coalition.

Your Committee received written comments in opposition to this measure from Hawaii Tropical Fish Association.

Your Committee finds that requiring the owners of all vessels operating in or on the waters of the State to obtain insurance will significantly reduce future expenditures of the Department of Land and Natural Resources to remove grounded and sunken vessels.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1033, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1033, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 13. Noes, none. Excused, none.

## SCRep. 2034 Ways and Means on H.B. No. 1068

The purpose and intent of this measure is to appropriate funds for the development of the Heeia state park community-based long-range plan and the planning and design of the Heeia National Estuarine Research Reserve System education center.

Your Committee received written comments in support of this measure from the University of Hawaii, Oahu County Democrats, The Nature Conservancy, Koolau Foundation, and Koolaupoko Hawaiian Civic Club.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that the funds appropriated by this measure for a community-based long-range plan and for the planning and design of an education center will assist in fulfilling a key component of the Heeia National Estuarine Research Reserve master plan.

Your Committee has amended this measure by requiring the Hawaii Community Development Authority to invite and consult with various entities or individuals in the development process of the Heeia state park community-based long-range plan and the Heeia National Estuarine Research Reserve System education center.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1068, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1068, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Keith-Agaran).

## SCRep. 2035 Ways and Means on H.B. No. 1219

The purpose and intent of this measure is to facilitate the redevelopment of lands that are underutilized or upon which improvements or infrastructure has become dilapidated, obsolete, or deteriorated over time.

Specifically, this measure:

- Authorizes the designation of redevelopment districts to facilitate the planning, development, or redevelopment of certain areas;
- (2) Requires the establishment of a planning committee for each redevelopment district for the purpose of preparing a redevelopment plan and entering into agreements with developers for projects of the redevelopment plan;
- (3) Establishes the Waiakea peninsula redevelopment district;
- (4) Appropriates funds for the redevelopment of the Waiakea peninsula redevelopment district;
- (5) Authorizes the Board of Land and Natural Resources to waive or charge reduced lease rents if a lessee is required to demolish existing improvements or provide basic infrastructure before it can make productive use of the land; and
- (6) Requires that the development agreement for public lands in a redevelopment area shall provide for the leasehold disposition of the land and specify other requirements for use of the land.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and the County of Hawaii Office of the Mayor.

Your Committee finds that this measure will assist the Board of Land and Natural Resources and developers in revitalizing areas that are currently underutilized or are in disrepair.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1219, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1219, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Inouye, Taniguchi).

#### SCRep. 2036 Ways and Means on H.B. No. 1276

The purpose and intent of this measure is to establish a working group within the Department of Education for administrative purposes to consider and develop best practices for collaborative planning and expanded learning time in Hawaii's public schools.

Your Committee received written comments in support of this measure from the Hawaii State Teachers Association.

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that improving collaborative planning and expanding learning time in Hawaii's public schools aligns with the Department of Education's Strategic Plan goals for student, staff, and support system success.

Your Committee has amended this measure by:

- (1) Clarifying the appointing authority for the working group representatives from the Hawaii State Teachers Association and Hawaii Government Employees Association; and
- (2) Making technical nonsubstantive amendments for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1276, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1276, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (Keith-Agaran, Riviere).

# SCRep. 2037 Ways and Means on H.B. No. 312

The purpose and intent of this measure is to require the University of Hawaii, West Oahu, to establish a program to award to qualifying students a bachelor of arts degree in creative media.

Your Committee received written comments in support of this measure from Kauai Community College, MELE Program, Waianae High School, Oahu County Democrats Legislative Priorities Committee, and numerous individuals.

Your Committee received written comments in opposition to this measure from the University of Hawaii System.

Your Committee finds that a program for a bachelor of arts degree in creative media at the University of Hawaii, West Oahu Campus, will offer training in an innovative field of study that is in demand by students while also meeting the vocational and educational requirements of growing industries in the State.

Your Committee further finds that the creative media program at the University of Hawaii, West Oahu Campus, will realize its full potential when coupled with greater employment opportunities for those graduates. Accordingly, your Committee believes that the Hawaii Technology Development Corporation should acquire the thirty-acre parcel adjacent to the intersection of Farrington Highway and Kapolei Golf Course Road for development into a film studio, which will serve as an economic driver for the State and provide numerous high-paying creative media jobs for recent graduates.

Your Committee notes that the Hawaii Community Development Authority and other administratively attached agencies of the Department of Business, Economic Development, and Tourism may viably acquire title to the parcel of the proposed film studio.

Your Committee has amended this measure by:

- (1) Adding a section finding that establishment of a bachelor of arts degree in creative media at the University of Hawaii, West Oahu campus, is a matter of statewide concern;
- (2) Inserting into the measure the contents of Senate Bill 33, Senate Draft 3, which:
  - (A) Requires the University of Hawaii, West Oahu Campus, to execute a contract to transfer title of a thirty-acre parcel, which is currently intended to be developed into a state film production studio, to the Hawaii Technology Development Corporation;
  - (B) Specifies the boundaries of the thirty-acre parcel;
  - (C) Repeals the annual \$35,000,000 rolling cap for the motion picture, digital media, and film production income tax credit, effective upon the transfer of title of the thirty-acre parcel to the Hawaii Technology Development Corporation; and
  - (D) Extends the sunset date of the motion picture, digital media, and film production income tax credit from January 1, 2026, to January 1, 2033, effective upon the transfer of title of the thirty-acre parcel to the Hawaii Technology Development Corporation; and
- (3) Making technical nonsubstantive amendments for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 312, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 312, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2038 Ways and Means on H.B. No. 318

The purpose and intent of this measure is to establish a staggered school start times task force.

More specifically, this measure:

- (1) Requires the Superintendent of Education or the Superintendent's designee to convene a staggered school start times task force to evaluate the issues and implications of instituting a staggered school start times program in the State's public schools;
- (2) Requires the task force to submit a report to the Legislature; and
- (3) Appropriates moneys to the Department of Education for the task force.

Your Committee received written comments in support of this measure from Hawaii State Teachers Association and Oahu County Democrats

Your Committee received written comments on this measure from the Department of Education.

Your Committee finds that staggered school start times may improve students' academic and extracurricular performance and overall health. However, your Committee believes that the potential detriments of staggered school start times, including scheduling conflicts and negative impacts on community traffic patterns, necessitates further analysis of the issue.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 318, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 318, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

## SCRep. 2039 Ways and Means on H.B. No. 329

The purpose and intent of this measure is to provide for the continuation of recovery efforts to address the significant damage caused by the flooding events of April 2018.

Specifically, this measure:

- (1) Amends the disaster relief appropriations made in Act 12, Session Laws of Hawaii 2018, to include flood mitigation measures;
- (2) Extends the lapse dates of the appropriations to June 30, 2020; and
- (3) Exempts the appropriations from certain restrictions on transfers of or changes to appropriations.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Department of Emergency Management of the City and County of Honolulu, and Mayor of the County of Kauai.

Your Committee finds that this measure clarifies the scope of the appropriations made by Act 12, Session Laws of Hawaii 2018, to include flood mitigation measures. Your Committee further finds that these flood mitigation measures will increase the disaster resilience of the areas affected by the April 2018 flooding events.

Your Committee has amended this measure by:

- (1) Changing the effective date from July 1, 2030, to upon approval; and
- (2) Making technical nonsubstantive changes for purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 329, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 329, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 2040 Ways and Means on H.B. No. 398

The purpose and intent of this measure is to address the shortage of qualified public school teachers in the State.

Specifically, this measure requires the University of Hawaii to establish additional distance-learning classes in teaching for students who are pursuing undergraduate degrees in education.

Your Committee received written comments in support of this measure from the Hawaii State Teachers Association.

Your Committee received written comments on this measure from the University of Hawaii and Department of Education.

Your Committee finds that this measure will help to increase access to teaching classes for students wishing to enter the teaching profession. Your Committee further finds that this measure should be expanded to include graduate level programs in teaching.

Accordingly, your Committee has amended this measure by:

- (1) Requiring the University of Hawaii to also establish additional distance-learning classes in teaching for students pursuing graduate degrees in education; and
- (2) Changing the effective date to July 1, 2035, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 398, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 398, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2041 Ways and Means on H.B. No. 558

The purpose and intent of this measure is to prevent injuries and deaths at Kua Bay on the Island of Hawaii.

Specifically, this measure appropriates funds for the employment of lifeguards and for the purchase of life-saving equipment at Kua Bay in Kekaha Kai State Park.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Hawaii Tourism Authority, Mayor of the County of Hawaii, two members of the Hawaii County Council, Hawaii County Fire Commission, and four individuals.

Your Committee finds that emergency medical service patient care reported twenty-eight emergency calls from the Kua Bay area between 2013 and 2016, with nineteen of those calls resulting in hospitalization for traumatic injury. Your Committee further finds that the appropriations made by this measure will help to protect the residents and visitors who use Kekaha Kai State Park.

Your Committee has amended this measure by making technical nonsubstantive changes for purposes of clarity and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 558, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 558, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 2042 Ways and Means on H.B. No. 560

The purpose and intent of this measure is to provide energy systems and technology training to certain county officers and employees.

More specifically, this measure:

- (1) Establishes energy systems and technology training courses to educate certain relevant county officers and employees;
- (2) Requires the University of Hawaii community colleges or an entity contracted by the community colleges to develop the training courses and any materials necessary to implement the courses;
- (3) Requires the University of Hawaii community colleges to:
  - (A) Administer the training courses;
  - (B) Provide notifications or advertisements of the courses to the relevant entities;
  - (C) Provide the training courses at no cost to the participants or for a refundable fee; and
  - (D) Submit a report to the Legislature in 2020 describing the progress made in establishing the training courses;
- (4) Requires the community colleges or the community colleges' designee to establish a committee to assist in the development of the training courses; and
- (5) Appropriates moneys to the University of Hawaii for energy systems and technology training.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; State Fire Council; Hawaii Fire Department; Kauai County Fire Department; Maui Fire Department; 350Hawaii.org; Hawaii Energy; Our Revolution Hawaii; and numerous individuals.

Your Committee finds that providing energy systems and technology training courses to certain county officers and employees will help to create a more informed and potentially expedited permitting process for energy construction projects.

Your Committee has amended this measure by changing the effective date to July 1, 2035, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 560, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 560, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2043 Ways and Means on H.B. No. 601

The purpose and intent of this measure is to repeal the requirement that a disabled veteran be in receipt of disability retirement pay from a branch of the uniformed armed forces in order to be exempt from payment of annual vehicle registration fees.

Your Committee received written comments in support of this measure from the Department of Defense and Department of Transportation.

Your Committee finds that expanding the exemption from vehicle registration fees for certain disabled veterans is an appropriate gesture of the State's gratitude for the service of these veterans to their country.

Your Committee has amended this measure by changing the effective date from January 1, 2050, to upon its approval.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 601, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 601, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

## SCRep. 2044 Ways and Means on H.B. No. 765

The purpose and intent of this measure is to require the State, in the preparation of new plans and updates to existing plans generated under the Hawaii State Planning Act pursuant to chapter 226, Hawaii Revised Statutes, to incorporate evaluations, predictions, and recommendations pertaining to sea level rise projections, including findings from the sea level rise vulnerability and adaptation report prepared by the Hawaii Climate Change Mitigation and Adaptation Commission.

Prior to decision making on this measure, your Committee made available for public review a proposed Senate Draft No. 2 (Proposed Draft) of this measure. The Proposed Draft amends the measure by:

- (1) Designating the existing substantive provisions of the measure as part I;
- (2) Clarifying that state plans are to incorporate the most recent version of the sea level rise vulnerability and adaptation report prepared by the Hawaii Climate Change Mitigation and Adaptation Commission;
- (3) Inserting a new part II to the measure, which appropriates \$150,000 for the facilitation of communications related to environmental protection, clean waters, and ecosystem preservation of the Ala Wai watershed and surrounding areas; and
- (4) Making technical nonsubstantive changes.

Your Committee received testimony in support of Senate Draft No. 1 from the Sierra Club of Hawaii and numerous individuals.

Your Committee received testimony in support of the Proposed Draft from the Department of Land and Natural Resources, Hawaii Reef and Ocean Coalition, Life of the Land, and three individuals.

Your Committee received comments on the Proposed Draft from the Office of Planning.

Your Committee recognizes that planning for sea level rise and appropriating funds in relation to the Ala Wai watershed and surrounding areas is necessary to protect coastal structures, infrastructure, and the environment.

Your Committee has amended this measure by adopting the Proposed Draft and further amending the Proposed Draft by:

- (1) Inserting a provision that requires the Public Utilities Commission to incorporate into its plans the same sea level rise information required in state plans generated under the Hawaii State Planning Act;
- (2) Clarifying that the appropriation is for mitigation of the negative impacts of watershed and coastal flooding through the facilitation of stakeholder communications and public engagement related to environmental protection, clean waters, ecosystem preservation and restoration, and community and cultural considerations of the Ala Wai watershed and surrounding areas;
- (3) Changing the amount of the appropriation to an unspecified sum;
- (4) Changing the effective date to July 1, 2035, to facilitate further discussion on the measure; and
- (5) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 765, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 765, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Taniguchi, Fevella).

## SCRep. 2045 Ways and Means on H.B. No. 843

The purpose and intent of this measure is to appropriate funds for three temporary full-time positions in the applied technical education program at Hawaii Community College.

Your Committee received written comments in support of this measure from the University of Hawaii System.

Your Committee recognizes that the instruction provided by Hawaii Community College has helped many students prepare for careers in the State. Your Committee also recognizes that the college needs additional support to accommodate students who are pursuing jobs in various technical areas. Accordingly, your Committee finds merit in funding additional positions for the college's technical education program.

Your Committee has amended this measure by changing the effective date to July 1, 2035, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 843, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 843, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 2046 Ways and Means on H.B. No. 250

The purpose and intent of this measure is to increase the quality of health services provided to public school students.

Specifically, this measure:

- (1) Formally establishes the Hawaii keiki: healthy and ready to learn program for the purpose of providing school-based health services;
- (2) Provides increased flexibility for the administration of necessary medication to students; and
- (3) Appropriates funds for:
  - (A) School health services coordinator positions;
  - (B) A vision screening and eye assessment tool; and
  - (C) The Hawaii keiki: healthy and ready to learn program.

Your Committee received written comments in support of this measure from the University of Hawaii, State Public Charter School Commission, Hawaii Primary Care Association, Hawaii State Teachers Association, and Project Vision Hawaii.

Your Committee received written comments on this measure from the Department of Human Services, Department of Education, and the Hawaii Chapter of the American Academy of Pediatrics.

Your Committee finds that this measure will help to increase health services to students, particularly in rural areas that may have a shortage of health service providers. Your Committee further finds that this measure will provide health screenings to assist in the early detection and treatment of health concerns.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 250, H.D. 2, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2047 Ways and Means on H.B. No. 420

The purpose and intent of this measure is to transfer responsibility for a Hawaiian Center and Museum of Hawaiian Music and Dance to the State of Hawaii Museum of Natural and Cultural History.

Specifically, this measure:

- (1) Changes the designation of the location for operation of a Hawaiian Center and Museum of Hawaiian Music and Dance from the Hawaii Convention Center to the State of Hawaii Museum of Natural and Cultural History; and
- (2) Authorizes the State of Hawaii Museum of Natural and Cultural History to enter into contracts and partnerships for services related to a Hawaiian Center and Museum of Hawaiian Music and Dance.

Your Committee received written comments in support of this measure from the Hawaii Tourism Authority, Democratic Party of Hawaii Hawaiian Affairs Caucus, and one individual.

Your Committee received written comments on this measure from the Bishop Museum.

Your Committee finds that the Bishop Museum, Hawaii's State Museum of Natural and Cultural History, is a more appropriate venue than the Hawaii Convention Center for the location and operation of a Hawaiian Center and Museum of Hawaiian Music and Dance.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 420, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2048 Ways and Means on H.B. No. 401

The purpose and intent of this measure is to authorize state and county agencies to enter into energy performance contracts for the purpose of undertaking or implementing energy conservation or alternate energy measures for agency vehicles or vehicle fleets.

Your Committee received written comments in support of this measure from the Department of Business, Economic Development, and Tourism; Hawaii Energy Policy Forum; Department of Research and Development, County of Hawaii; Ulupono Initiative; Organizing for Action; and one individual.

Your Committee finds that authorizing public agencies to enter into performance contracts relating to energy conservation or alternative energy measures for their vehicles or vehicle fleets will produce energy savings and cost efficiencies for state and county governments.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 401, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 401, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

### SCRep. 2049 Ways and Means on H.B. No. 402

The purpose and intent of this measure is to increase the Office of Hawaiian Affairs' pro rata share of public land trust funds.

Specifically, this measure:

- (1) Establishes the Office of Hawaiian Affairs' pro rata share of the public land trust;
- (2) Appropriates an unspecified amount of general revenue funds, less funds in the carry-forward trust holding account established by the Director of Finance pursuant to Executive Order 06-06, to the Office of Hawaiian Affairs for the underpayment of the public trust funds for 7/1/2012 to 6/30/2019;
- (3) Requires the Department of Budget and Finance to provide an annual accounting of receipts from lands in the public land trust:
- (4) Requires annual audits of any funds transferred pursuant to the measure;
- (5) Establishes the public land trust revenues committee; and
- (6) Prohibits new funding to be appropriated to the Office of Hawaiian Affairs until the Office of Hawaiian Affairs' 2017 fiscal and performance audit is completed and provided to the Legislature.

Prior to the hearing on this measure, your Committee posted and made available for public review a proposed S.D. 2, which amends this measure by:

- (1) Establishing a public land trust revenues negotiating committee to determine the increase to the annual amount of the income and proceeds from the public land trust that the Office of Hawaiian Affairs;
- (2) Requiring and appropriating funds for the Department of Budget and Finance to conduct a financial review of the amounts of revenue generated from the public land trust; and
- (3) Requiring and appropriating funds for the Auditor to conduct a comprehensive review of programs administered by the State that serve Hawaiians and to submit a report to the Legislature.

Your Committee received testimony in support of this measure from the Department of Budget and Finance, Department of Transportation, Office of Hawaiian Affairs, Oahu County Democrats Legislative Priorities Committee, LGBT Caucus of the Democratic Party of Hawaii, Pride at Work Hawaii, Hawaiian Civic Club of Honolulu, Ka Lei Papahi O Kakuhihewa, Ke One O Kakuhihewa, Trilogy Corporation, Aha Punana Leo, Mana Maoli, Hawaii Investment Ready, Kuaaina Ulu Auamo, Hui O Hee Nalu, Prince Kuhio Hawaiian Civic Club, Association of Hawaiian Civic Clubs, Council for Native Hawaiian Advancement, Native Hawaiian Chamber of Commerce, Hawaii Republican Party, The Trust for Public Land, Hawaiian Community Republican Party, The Trust for Public Land, Hawaiian Civic Club, and numerous individuals.

Your Committee received testimony in opposition to this measure from the Center for Hawaiian Sovereignty Studies and one individual.

Your Committee received comments on this measure from the Office of the Auditor, League of Women Voters of Hawaii, Society of Professional Journalists Hawaii Chapter, and Hawaii Health Systems Corporation.

Your Committee finds that this measure will further the State's objective of determining whether, and by how much, to increase the Office of Hawaiian Affairs' pro rata share of the receipts from the use of public land trust lands to better the conditions of native Hawaiians pursuant to Article XII, Section 6 of the State Constitution.

Your Committee notes that the Department of Budget and Finance requests that the reporting date for the financial review required by this measure, currently twenty days prior to the convening of the Regular Session of 2020, be amended to be the deadline for the Department to submit to the Legislature a status report. The Department of Budget and Finance further requests that the deadline to submit the financial review required by this measure be extended to twenty days prior to the convening of the Regular Session of 2021.

Your Committee further notes that the Office of the Auditor requests that the specific state programs to be included in the comprehensive review required by this measure be identified to ensure that the review includes the specific issues and programs of concern to the Legislature.

Your Committee has amended this measure by adopting the proposed S.D. 2, and further amending the measure by:

- (1) Requiring all grants and contracts awarded by the Office of Hawaiian Affairs to be subject to approval by the Board of Trustees;
- (2) Reducing the University of Hawaii's portion of receipts from the use, sale, lease, or other disposition of lands within the public land trust to be collected during each fiscal year by the amount equal to the University's receipts derived from tuition and special funds utilized for Native Hawaiian programs;

- (3) Specifying that the President of the Senate and the Speaker of the House of Representatives shall each select one representative serving on the public land trust revenues negotiation committee;
- (4) Prohibiting any increases proposed by the public land trust revenues negotiating committee that are not already approved for use by or appropriated to the Office of Hawaiian Affairs until the fiscal and comprehensive reviews required by this measure, and as approved by the board of trustees of the Office of Hawaiian Affairs, are completed, and complete and accurate copies are provided to the Legislature; and
- (5) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 402, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 402, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 5 (English, Harimoto, Inouye, Keith-Agaran, Taniguchi).

### SCRep. 2050 Ways and Means on H.B. No. 456

The purpose and intent of this measure is to require the Department of Public Safety to revise its policies and procedures regarding the use of force, weapons, and equipment.

For purposes of a public hearing, your Committee circulated a proposed S.D. 2 (Proposed Draft) of the measure and notified the public that your Committee would be accepting testimony on the Proposed Draft, which makes an emergency appropriation to the Department of Public Safety for the immediate and long-term rehabilitation needs of Maui Community Correctional Center.

Your Committee received testimony in support of the Proposed Draft from the Department of Public Safety, Maui Police Department, and United Public Workers, AFSCME Local 646, AFL-CIO.

Your Committee received comments on the Proposed Draft from the State Procurement Office.

Your Committee finds that the Proposed Draft will appropriate funds to make immediate and necessary repairs to Maui Community Correctional Center to help ensure the safety of the Center's inmates and the employees of the Department of Public Safety.

Your Committee notes that the State Procurement Office submitted testimony indicating that should the Committee decide to add to the measure emergency funding to rebuild the Maui Community Correctional Center, the expenditure of the funding would require the full procurement process pursuant to chapter 103D, Hawaii Revised Statutes, unless an exemption is added to the measure.

Your Committee has amended this measure by adopting the Proposed Draft with the following further amendments:

- (1) Exempting from the procurement code all procurements associated with the funds appropriated for the immediate needs of Maui Community Correctional Center; and
- (2) Changing the effective date of the section authorizing the issuance of general obligation bonds and appropriating the revenues derived therefrom to July 1, 2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 456, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 456, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Inouye).

### SCRep. 2051 Ways and Means on H.B. No. 624

The purpose and intent of this measure is to require and appropriate funds for the Department of Business, Economic Development, and Tourism to engage a consulting firm to conduct a study to evaluate the policies and organizational changes needed within that department.

Prior to decision making on this measure, your Committee made available for public review a proposed Senate Draft No. 2 (Proposed Draft) of this measure. The Proposed Draft amends the measure by deleting its contents and:

- (1) Inserting provisions to combine the resources, duties, and responsibilities of the Hawaii Technology Development Corporation, Hawaii Strategic Development Corporation, and a newly-established Hawaii Broadband Office into a new entity called the Hawaii Innovation and Technology Corporation; and
- (2) Changing the effective date to July 1, 2021; provided that certain provisions relating to:
  - (A) Unencumbered balances remaining in the technology special fund;
  - (B) Appropriations relating to certain employment positions in the Hawaii Technology Development Corporation;
  - (C) The establishment of and appropriation of funds for positions in the Hawaii Broadband Office; and
  - (D) The Broadband Advisory Council;

are effective on July 1, 2019.

Your Committee received testimony in support of the Proposed Draft from the Department of Business, Economic Development, and Tourism; and Hawaii Technology Development Corporation.

Your Committee received comments on the Proposed Draft from the Department of Taxation, Cable Television Division of the Department of Commerce and Consumer Affairs, and Hawaii Strategic Development Corporation.

Your Committee finds that Hawaii must become a leader in technology development, transfer, and commercialization in order to succeed in a competitive and evolving twenty-first century global economy.

Your Committee has amended this measure by adopting the Proposed Draft and further amending the Proposed Draft by:

- (1) Renaming the "Hawaii Innovation and Technology Corporation" to the "Hawaii Innovation Technology and Research Corporation" and making conforming amendments throughout the measure;
- (2) Inserting program appropriations for the operating expenses of the Hawaii Innovation Technology and Research Corporation;
- (3) Changing the statutory ceiling of the technology special fund established pursuant to section 206M-15.5, Hawaii Revised Statutes, from \$3,000,000 to an unspecified amount; and
- (4) Providing that parts VII and VIII of the measure shall take effect on July 1, 2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 624, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 624, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 12. Noes, none. Excused, 1 (Inouye).

# SCRep. 2052 Ways and Means on H.B. No. 747

The purpose and intent of this measure is to ensure equal opportunity to disabled persons in public employment.

Specifically, this measure:

- (1) Establishes "employment first" as a policy of the State and counties, to fully include disabled persons in the workplace and community through integrated employment as the first option for employment services for disabled persons of working age; and
- (2) Requires the Department of Human Services to:
  - (A) Practice employment first principles with respect to personnel in Medicaid home- and community-based waiver programs; and
  - (B) Ensure that contracted service and care providers in Medicaid home- and community-based waiver programs practice employment first principles in the hiring of their employees.

Your Committee received written comments in support of this measure from the State Council on Developmental Disabilities, State Rehabilitation Council, Arc of Kona, Democratic Party of Hawaii Labor Caucus, and two individuals.

Your Committee finds that it is appropriate for the State and counties to take action to ensure that disabled persons have the opportunity to attain gainful employment in the public sector.

Your Committee notes the concerns expressed by the State Council on Developmental Disabilities that this Act could be construed as requiring employers to give preference to, or mandate hiring of, a person with a disability, which would exceed the definition of "employment first."

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 747, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 747, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

# SCRep. 2053 (Majority) Ways and Means on H.B. No. 820

The purpose and intent of this measure is to increase the supply of housing in the State.

More specifically, this measure:

- (1) Prohibits the imposition of inclusionary zoning requirements on housing offered exclusively for sale in perpetuity to certain buyers;
- (2) Establishes the ALOHA Homes Program to provide affordable, locally owned homes for all, or ALOHA homes, for sale to residents of the State on state-owned lands within one-half mile of a public transit station, and with regard to the ALOHA Homes Program:
  - (A) Requires the Housing Finance and Development Corporation to adopt community and public notice procedures;
  - (B) Establishes urban redevelopment sites;
  - (C) Requires the corporation to establish rules on health, safety, building, planning, zoning, and land use;

- (D) Prohibits any use of ALOHA homes within an urban redevelopment site other than owner-occupied residential use;
- (E) Subjects certain contracts regarding ALOHA homes to the Hawaii public procurement code;
- (F) Requires the corporation to transfer ALOHA homes units within residential projects to the Department of Hawaiian Home Lands or the Office of Hawaiian Affairs and to adopt rules to determine the number of homes to transfer;
- (G) Requires the corporation to recoup all of its expenses through the sale of the leasehold interest of ALOHA homes and other revenue resources;
- (H) Requires the corporation to adopt rules for the sale of the leasehold interest of certain ALOHA homes;
- (I) Requires that ALOHA homes within urban redevelopment sites be priced to be affordable to certain individuals;
- (J) Requires the corporation to establish waitlists for each residential development for eligible buyers;
- (K) Restricts the sale of ALOHA homes within urban redevelopment sites to eligible buyers;
- (L) Authorizes the owner of an ALOHA home to sell the home after a certain period and requires that the corporation has the right of first refusal and receives a certain percentage of the profits from the sale;
- (M) Exempts ALOHA homes from certain restrictions placed on real property that is a part of the corporation's housing development programs;
- (N) Authorizes the transfer of state and county lands not owned, controlled, or managed by the corporation in certain circumstances and with certain restrictions and requirements;
- (O) Authorizes the corporation to use condemnation to acquire land necessary for the ALOHA Homes program;
- (P) Requires the corporation to adopt rules to ensure relocation of any persons, businesses, or services displaced by governmental action within urban redevelopment sites;
- (Q) Authorizes the corporation to lease real or personal property constituting a commercial project to any person for a certain period with all revenues from the lease going to support the ALOHA Homes Program;
- (R) Requires the corporation to establish rules requiring, as a condition of developing real property within urban redevelopment sites, dedication for public facilities of land or facilities by developers;
- (S) Establishes the ALOHA Homes Revolving Fund and authorizes the corporation, with certain exceptions and restrictions, to make expenditures from the revolving fund without legislative appropriations or allotments;
- (T) Authorizes state and county agencies, upon request from the corporation, to render services for the ALOHA Homes Program;
- (U) Establishes the venue for certain actions or proceedings involving the ALOHA Homes Program and authorizes the issuance of declaratory relief in these actions or proceedings;
- (V) Authorizes the director of finance to issue general obligation bonds for the ALOHA Homes Program;
- (W) Authorizes the corporation to set, charge, and collect fines and seek injunctions for certain violations related to the ALOHA Homes Program;
- (X) Establishes penalties, including fines, imprisonment, or both, for certain violations related to the ALOHA Homes Program; and
- (Y) Requires the corporation to return any lands that are no longer needed by the corporation for affordable residential leasehold units to the previous owner;
- (3) Authorizes the corporation to sell leasehold condominium units to certain individuals for ninety-nine years and to extend or modify the fixed rental period of the lease or extend the term of the lease;
- (4) Subjects leasehold condominium units sold by the corporation to certain restrictions placed on real property that is a part of the corporation's housing development programs;
- (5) Exempts certain lands set aside for or leased to the corporation for a condominium from the definition of "public lands" for purposes of chapter 171, Hawaii Revised Statutes, except for the purpose of accounting for all receipts for lands subject to section 5(f) of the Admission Act;
- (6) Exempts from general excise tax the sale of a leasehold interest in an ALOHA home pursuant to the ALOHA Homes Program;
- (7) Amends the definition of "public lands" in chapter 171, Hawaii Revised Statutes, to include:
  - (A) Lands set aside by the Governor to the corporation;
  - (B) Lands leased to the corporation by any state department or agency;
  - (C) Lands set aside by the Governor to the Hawaii Public Housing Authority; and
  - (D) Lands to which the authority, in its corporate capacity, holds title;
- (8) Subjects certain lands owned or leased by or set aside for the corporation to accounting requirements in section 5(f) of the Admission Act for the prior fiscal year;

- (9) Requires prior approval from the Legislature for the sale or gift of any lands to which the authority, in its corporate capacity, holds title;
- (10) Exempts developments by the corporation for the ALOHA Homes Program from the requirement that a person seeking to develop a new residential development within a designated school impact district fulfill the land component impact fee or fee in lieu requirement and construction cost component impact fee requirement; and
- (11) Appropriates an unspecified amount for the ALOHA Homes Program.

Your Committee received written comments in support of this measure from the Hawaii Public Housing Authority; Chamber of Commerce Hawaii; Faith Action for Community Equity; Habitat for Humanity Hawaii Island, Inc.; and one individual.

Your Committee received written comments in opposition to this measure from Hawaii Iron Workers Stabilization Fund.

Your Committee received written comments on this measure from the Department of the Attorney General and Hawaii Housing Finance and Development Corporation.

Your Committee finds that incentivizing the construction of affordable housing is necessary to address the State's current housing crisis.

Your Committee acknowledges the concerns expressed by the Department of the Attorney General regarding an arguable violation of Article VII, section 5, of the Hawaii State Constitution by the inclusion of a provision in the measure that exempts expenditures from the ALOHA Homes Revolving Fund from legislative appropriations and allotments.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 820, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Moriwaki, Riviere, Fevella). Noes, 1 (Harimoto). Excused, 2 (English, Inouye).

#### SCRep. 2054 Ways and Means on H.B. No. 889

The purpose and intent of this measure is to increase the use of public-private partnerships in financing public projects.

Specifically, this measure:

- (1) Establishes a temporary public-private partnership working group in the Department of Accounting and General Services to support state and county agencies in the use of best practices in contracting for public-private partnership projects;
- (2) Incorporates public-private partnership components into the Hawaii Public Procurement Code; and
- (3) Appropriates funds to the Department of Accounting and General Services to establish and operate the working group and to fund the state public-private partnership coordinator position for the working group.

Your Committee received written comments in support of this measure from The Chamber of Commerce Hawaii.

Your Committee received written comments in opposition to this measure from Americans for Democratic Action and Progressive Democrats of Hawaii.

Your Committee received written comments on this measure from the Hawaii Government Employees Association.

Your Committee finds that public-private partnerships offer the State an innovative method of developing social infrastructure without the use of public funds.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 889, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 6 (English, Harimoto, Inouye, Keith-Agaran, Riviere, Taniguchi).

# SCRep. 2055 Ways and Means on H.B. No. 921

The purpose and intent of this measure is to clarify the respective authority of the Department of Education and the Executive Office on Early Learning over state-funded prekindergarten programs.

Specifically, this measure:

- (1) Requires that the functions and authority exercised by the Department of Education relating to state-funded prekindergarten programs, except for special education, Title I, and private partnership funded prekindergarten programs, shall be delineated in a memorandum of understanding between the Executive Office on Early Learning and the Department of Education, including the structure of support for Title I-funded prekindergarten classrooms;
- (2) Outlines the administrative authority of the Executive Office on Early Learning over state-funded prekindergarten programs;
- (3) Outlines the oversight areas of the Department of Education for prekindergarten classrooms;
- (4) Establishes dispute resolution procedures for the Executive Office on Early Learning and the Department of Education; and
- (5) Appropriates funds to the Executive Office on Early Learning to administer early childhood education programs and to provide support to Title I-funded prekindergarten classrooms in the Department of Education.

Your Committee held a public hearing on a Proposed Senate Draft 2 (Proposed S.D. 2), which was circulated prior to the hearing.

The Proposed S.D. 2 added a new part to the measure to appropriate funds for and authorize the State Public Charter School Commission to establish and fund charter school prekindergarten classrooms.

Your Committee received testimony in support of the Proposed S.D. 2 from the State Public Charter School Commission, Waialae Elementary Public Charter School, Aloha United Way, and several individuals.

Your Committee received comments on the Proposed S.D. 2 from the Board of Education, Department of Education, Department of the Attorney General, Executive Office on Early Learning, Parents and Children Together, Kamehameha Schools, Early Childhood Action Strategy, and Hawaii Children's Action Network.

Your Committee finds that overlap in jurisdiction over prekindergarten programs between the Department of Education and the Executive Office on Early Learning is wasteful and unnecessary, and is based upon a misunderstanding of the specialized knowledge and education that is required when providing educational services to the youngest children.

Your Committee notes that the Department of the Attorney General proposed further amendments to the measure in its testimony. Specifically, the Department of the Attorney General proposed:

- (1) Exempting charter school prekindergarten classrooms from the administrative authority of the Executive Office on Early Learning, if the intent of the Legislature is to make State Public Charter School Commission charter school prekindergarten classrooms independent of the Executive Office on Early Learning;
- (2) Changing a reference to "individualized education plan" to "individualized education program," in order to conform Hawaii statutory language with the federal Individuals with Disabilities Education Act; and
- (3) Exempting the Executive Office on Early Learning prekindergarten programs from the child care licensing standards of the Department of Human Services, if the intent of the Legislature is to maintain the status quo for Department of Education prekindergarten programs, which are currently exempt from the Department of Human Services child care licensing standards.

Your Committee has amended this measure by adopting the Proposed S.D. 2, which takes effect on July 1, 2050.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 921, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 921, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 5 (English, Inouye, Kahele, Kidani, Taniguchi).

#### SCRep. 2056 Ways and Means on H.B. No. 942

The purpose and intent of this measure is to make appropriations to satisfy claims against the State, its officers, or its employees.

Your Committee received written comments in support of this measure from the Department of the Attorney General.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that the timely passage of this measure will minimize the State's obligation to pay interest on the amounts necessary to satisfy the applicable claims.

Your Committee has amended this measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 942, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 942, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

# SCRep. 2057 Ways and Means on H.B. No. 1070

The purpose and intent of this measure is to prohibit the Department of Education from requiring that a public school expend school funds to maintain geographically disadvantageous land on or adjacent to the public school's property.

For purposes of a public hearing, your Committee circulated a proposed S.D. 1 (Proposed Draft) of the measure and notified the public that your Committee would be accepting testimony on the Proposed Draft, which adds to the measure provisions appropriating moneys for six permanent full-time equivalent positions and funding for the Hawaii Teacher Standards Board.

Your Committee received written comments in support of the H.D. 1 from Benjamin Parker Elementary School.

Your Committee received testimony in support of the Proposed Draft from the Department of Education, State Public Charter School Commission, Hawaii State Teachers Association, and Hawaii Teacher Standards Board.

Your Committee finds that additional positions for the Hawaii Teacher Standards Board will help to increase alternative pathways to teacher licensure and more effectively allow out-of-state teachers to gain licensure in the State, which will help increase the number of licensed teachers in Hawaii and, thereby, reduce the current teacher shortage.

Your Committee has amended this measure by adopting the Proposed Draft and by further amending it to change the amounts appropriated to unspecified amounts to facilitate further discussion.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1070, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1070, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 11. Noes, none. Excused, 2 (English, Inouye).

## SCRep. 2058 (Majority) Ways and Means on H.B. No. 1274

The purpose and intent of this measure is to appropriate funds to the Department of Education for developing and implementing computer science professional development programs for teachers.

Prior to decision making on this measure, your Committee made available for public review a proposed Senate Draft 1 (Proposed Draft) of this measure, which amends the measure by replacing its contents with provisions that allow graduate student assistants employed by the University of Hawaii to collectively bargain.

Your Committee received testimony in support of the Proposed Draft from the Democratic Party of Hawaii, Hawaii State Teachers Association, LGBT Caucus of the Democratic Party of Hawaii, University of Hawaii Professional Assembly, Pride at Work Hawaii, ILWU Local 142, Academic Labor United, Labor Caucus of the Democratic Party of Hawaii, and six individuals.

Your Committee received testimony in opposition to the Proposed Draft from the University of Hawaii.

Your Committee received comments on the Proposed Draft from the Department of Budget and Finance.

Your Committee finds that the right to collectively bargain would allow University of Hawaii graduate student assistants to negotiate grievance procedures with access to arbitration; negotiate their salary, wages, and benefits; and protect themselves against arbitrary and capricious employment behavior.

Your Committee has amended this measure by adopting the Proposed Draft, which takes effect on January 1, 2051.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1274, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1274, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 9; Ayes with Reservations (Harimoto). Noes, 2 (Moriwaki, Riviere). Excused, 2 (English, Inouye).

## SCRep. 2059 Ways and Means on H.B. No. 1356

The purpose and intent of this measure is to appropriate funds for the Office of Elections operating budget, including the 2020 election voting contract, 2021 reapportionment, and four temporary positions.

Your Committee received written comments in support of this measure from the Office of Elections.

Your Committee finds that the Office of Elections is the entity responsible for both reapportionment and entering into electronic voting system contracts on behalf of the State. This measure will provide necessary funding so that the office may fulfill its obligations.

Your Committee has amended this measure by changing the effective date to July 1, 2019, to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1356, H.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1356, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Inouye, Taniguchi).

# SCRep. 2060 Ways and Means on H.B. No. 1449

The purpose and intent of this measure is to preserve access to healthcare for Medicaid recipients.

Specifically, this measure:

- (1) Extends the nursing facility sustainability program to 2021;
- (2) Allows the nursing facility sustainability fee to be used to enhance capitated rates for the purpose of paying quality incentives;
- (3) Increases the nursing facility sustainability fee limit from 4.0 to 5.5 percent of net patient service revenue;
- (4) Increases the per resident daily maximum fee from \$13.46 to \$20.00 for each facility, and increases the per resident reduced daily maximum fee from \$5.85 to \$9.00 for facilities that meet certain exceptions; and
- (5) Appropriates funds out of the nursing facility sustainability program special fund for fiscal years 2019-2020 and 2020-2021.

Your Committee received written comments in support of this measure from the Department of Human Services, Aloha Nursing Rehab Centre, The Queen's Health Systems, Hawaii Medical Service Association, and Healthcare Association of Hawaii.

Your Committee finds that, since its inception in 2012, the nursing facility sustainability program has helped long-term care facilities treat the most vulnerable patients in the State. Your Committee further finds that the program has helped to ensure that patients, especially those with low incomes, are able to access quality, affordable care.

Your Committee has amended this measure by changing the effective date to:

- (1) July 1, 2050, for sections 7 and 8; and
- (2) June 29, 2050, for the remainder of the measure,

to facilitate further discussion on the measure.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1449, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1449, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10; Ayes with Reservations (Fevella). Noes, none. Excused, 3 (English, Harimoto, Kahele).

#### SCRep. 2061 Ways and Means on H.B. No. 1487

The purpose and intent of this measure is to mitigate the effects of sea level rise, caused by climate change, on the Honolulu shoreline.

More specifically, this measure:

- (1) Establishes the Honolulu shoreline climate protection pilot project within the Hawaii Climate Change Mitigation and Adaptation Commission;
- (2) Requires the commission to:
  - (A) Partner with the Office of Climate Change, Sustainability and Resiliency of the City and County of Honolulu to plan a system of coastal protections for certain areas that designates different protection compartments;
  - (B) Submit reports to the Legislature in 2019 and 2020 on the status of the development of the pilot project; and
  - (C) Submit a final report to the Legislature in 2021 on the pilot project; and
- (3) Appropriates moneys to the commission for the development of the pilot project.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources; University of Hawaii; Office of Climate Change, Sustainability and Resiliency of the City and County of Honolulu; Hawaii Operating Engineers Industry Stabilization Fund; League of Women Voters of Hawaii; Surfrider Foundation; The Nature Conservancy; and one individual.

Your Committee finds that the potential impacts of climate change on the State necessitates mitigating measures.

Your Committee has amended this measure by designating the existing substantive provisions of the measure as Part I and, inserting as a Part II, language from H.B. No. 1584, H.D. 2, S.D. 1, which:

- (1) Requires the Office of Planning to:
  - (A) Conduct a study regarding the implementation of a statewide carbon tax;
  - (B) Submit an interim report of its progress, findings, and recommendations to the Legislature no later than December 31, 2019;
  - (C) Submit status reports at the Hawaii Climate Change Mitigation and Adaptation Commission's quarterly meetings; and
  - (D) Submit a final report of its findings and recommendations to the Legislature no later than October 31, 2020;
- (2) Authorizes the Office of Planning to contract with a third party to assist in the study; and
- (3) Appropriates moneys to the Office of Planning to conduct the study.

Your Committee has also amended the measure by changing the effective date to July 1, 2050, to facilitate further discussion on the measure and making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1487, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1487, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (English, Inouye).

# SCRep. 2062 Ways and Means on H.B. No. 1552

The purpose and intent of this measure is to facilitate the administration of the State's criminal justice system.

Specifically, this measure:

- (1) Establishes the Hawaii Correctional System Oversight Commission within the Office of the Governor;
- (2) Extends the sunset date of the Reentry Commission established pursuant to Act 24, Special Session Laws of Hawaii 2009, as amended, to January 1, 2020;
- (3) Repeals the Corrections Population Management Commission; and

(4) Appropriates funds for the operations of the Hawaii Correctional System Oversight Commission.

Prior to decision making on this measure, your Committee made available for public review a proposed Senate Draft No. 2 (Proposed Draft) of this measure. The Proposed Draft amends the measure by:

- (1) Designating the existing substantive provisions of the measure as part I;
- (2) Inserting, as parts II to X, the substantive provisions of H.B. 1289, House Draft 2, implementing recommendations made by the Criminal Pretrial Task Force, which:
  - (A) Require intake service centers to fulfill certain requirements relating to assessments, including the completion of pretrial risk assessments and bail reports within two working days of an offender's admission to a community correctional center;
  - (B) Provide law enforcement officers with discretion to issue citations in lieu of making arrests for non-violent class C felonies:
  - (C) Establish that a defendant has a right to a prompt hearing concerning release or detention after an arrest;
  - (D) Establish that defendants arrested for certain non-violent offenses shall be released on their own recognizance, subject to certain conditions:
  - (E) Amend the scope of crimes that may affect a defendant's release before trial by amending the definition of "serious crimes" in chapter 804-3, Hawaii Revised Statutes;
  - (F) Create a rebuttable presumption that certain defendants shall be released or admitted to bail under the least restrictive conditions:
  - (G) Establish that monetary bail shall be payable on a twenty-four hours a day, seven days a week basis;
  - (H) Require that bail shall be set at a reasonable amount based upon all available information;
  - Provide that community correctional centers shall conduct periodic reviews of pretrial detainees to assess whether the detainees should remain in custody;
  - (J) Establish and appropriate funds for a Criminal Justice Research Institute;
  - (K) Authorize any court, upon a defendant's pretrial release, to order the defendant to submit to the use of electronic monitoring and surveillance or to require confinement to the defendant's residence;
  - (L) Require the Judiciary, in consultation with the Department of Public Safety, to develop and adopt a policy for determining whether a defendant's risk of non-appearance or recidivism may be mitigated by home detention or electronic monitoring;
  - (M) Appropriate an unspecified sum for intake service centers to provide support services to pretrial defendants;
  - (N) Require intake service centers to consider victims' concerns when making pretrial release recommendations;
  - (O) Require the Department of Public Safety to submit certain reports to the Legislature; and
  - (P) Provide an appropriation for intake service centers in relation to their pretrial duties; and
- (3) Making technical nonsubstantive changes.

Your Committee received written comments in support of H.B. No. 1552, H.D. 2, S.D. 1 from the Hawaii Paroling Authority; Office of the Prosecuting Attorney, County of Hawaii; Oahu County Democrats; Oahu County Democrats Legislative Priorities Committee; and one individual.

Your Committee received written comments in opposition to H.B. No. 1552, H.D. 2, S.D. 1 from three individuals.

Your Committee received testimony in support of the Proposed Draft from the Judiciary, Department of Public Safety, and Office of Hawaiian Affairs.

Your Committee received testimony in opposition to the Proposed Draft from the Department of the Prosecuting Attorney, City and County of Honolulu.

Your Committee received comments on the Proposed Draft from the Department of the Attorney General; Crime Victim Compensation Commission; Community Alliance on Prisons; American Civil Liberties Union of Hawaii; Sex Abuse Treatment Center; and two individuals.

Your Committee finds that it is appropriate to pursue reforms to the State's criminal justice system to ensure both the fair treatment of criminal defendants and the safety of victims and the general public.

Your Committee highlights the specific concerns regarding the Proposed Draft expressed in the written comments submitted by the Department of the Attorney General, Community Alliance on Prisons, American Civil Liberties Union of Hawaii, and James Lindblad, which the public may access through the website of the Hawaii State Legislature (https://www.capitol.hawaii.gov).

Your Committee has amended this measure by adopting the Proposed Draft and further amending the Proposed Draft by:

Extending the time that intake service centers have to conduct risk assessments and pretrial bail reports from two working days
to five working days after an offender is admitted to a community correctional center;

- (2) Deleting provisions that authorize law enforcement officers to issue citations in lieu of making arrests for non-violent class C felonies;
- (3) Requiring a prompt hearing concerning release or detention to occur at the time of a defendant's arraignment, rather than as soon as possible within five days of the defendant's arrest;
- (4) Deleting the requirement that a defendant shall be afforded an opportunity to present witnesses and cross-examine witnesses at the hearing concerning release or detention;
- (5) Providing that the defendant and the prosecution shall be afforded an opportunity to present information by proffer or otherwise at the hearing concerning release or detention;
- (6) Deleting provisions that require defendants arrested for certain non-violent offenses to be released on their own recognizance, subject to certain conditions;
- (7) Deleting the amendment to the definition of "serious crime" in chapter 804, Hawaii Revised Statutes;
- (8) Deleting provisions that create a rebuttable presumption that certain defendants shall be released or admitted to bail under the least restrictive conditions; and
- (9) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1552, H.D. 2, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1552, H.D. 2, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2063 Ways and Means on H.B. No. 1146

The purpose and intent of this measure is to increase efficiency and accountability in state procurement.

Specifically, this measure:

- (1) Requires contracting officers to complete past performance evaluations of contractors;
- (2) Requires that past performance be considered in:
  - (A) Sole source procurements; and
  - (B) Procurements by competitive sealed bids or competitive sealed proposals that meet or exceed the small purchase threshold;
- (3) Establishes an initial procurement working group; and
- (4) Appropriates funds to:
  - (A) Develop and create a statewide past performance database; and
  - (B) Outsource two full-time equivalent positions.

Your Committee did not receive any written comments on this measure.

Your Committee finds that requiring past performance evaluations of contractors will inform future contacting agencies of contractor performance and allow the State to conduct procurement more efficiently.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1146, H.D. 1, S.D. 1, and recommends that it pass Third Reading.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 6 (English, Harimoto, Inouye, Keith-Agaran, Riviere, Taniguchi).

# SCRep. 2064 Ways and Means on H.B. No. 1524

The purpose and intent of this measure is to appropriate or authorize funds for various operating expenses of the Department of Education.

Your Committee received written comments in support of this measure from the Department of Education and Oahu County Democrats Legislative Priorities Committee.

Your Committee finds that this measure adjusts the operating budget for the Department of Education as necessary for the 2019-2021 fiscal biennium, using the Supplemental Appropriations Act of 2018 as the basis for appropriations, authorizations, and positions.

Your Committee has amended this measure by:

- (1) Replacing erroneous references to "School Administration" with references to "State Administration"; and
- (2) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1524, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1524, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee.

Ayes, 11. Noes, none. Excused, 2 (English, Harimoto).

## SCRep. 2065 (Joint) Ways and Means and Housing on H.B. No. 1558

The purpose and intent of this measure is to incorporate sustainability coordination and planning into the duties and responsibilities of the Office of Planning.

Specifically, this measure:

- Codifies the Hawaii 2050 Sustainability Plan in the Hawaii Revised Statutes, with a provision requiring the Office of Planning to submit decennial updates of the plan to the Legislature;
- (2) Amends Act 8, Special Session Laws of Hawaii 2005, as amended by Act 210, Session Laws of Hawaii 2006, to delete the requirement that the Auditor, with the assistance of the Office of Planning, update and report to the Legislature the Hawaii 2050 Sustainability Plan; and
- (3) Appropriates an unspecified amount of funds for the Office of Planning to update the Hawaii 2050 Sustainability Plan.

Your Committees received written comments in support of this measure from the Office of Planning, Office of the Auditor, Hawaii Public Health Association, Ulupono Initiative, and Oahu County Democrats.

Your Committees find that this measure aligns with the State's sustainability goals and policies and provides necessary funding for the completion of an update of the Hawaii 2050 Sustainability Plan by the Office of Planning.

Your Committees note, for the purpose of clarity, that it is necessary to set out, in section 3 of the measure, the entire historical language from section 4 of Act 8, Special Session Laws of Hawaii 2005, as amended by Act 210, Session Laws of Hawaii 2006, to conform to customary drafting conventions.

As affirmed by the records of votes of the members of your Committees on Ways and Means and Housing that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1558, H.D. 1, S.D. 1, and recommend that it pass Third Reading.

Signed by the Chairs on behalf of the Committees.

Ways and Means: Ayes, 11; Ayes with Reservations (Fevella). Noes, none. Excused, 2 (Inouye, Taniguchi).

Housing: Ayes, 5; Ayes with Reservations (Fevella). Noes, none. Excused, none.

### SCRep. 2066 Ways and Means on H.B. No. 1561

The purpose and intent of this measure is to appropriate funds to and ensure the accountability of the Agribusiness Development Corporation.

Specifically, this measure:

- (1) Appropriates funds for the fiscal biennium 2019-2021 operating budget of the Agribusiness Development Corporation;
- (2) Appropriates funds for and requires the Auditor to contract with an accounting firm to conduct a performance audit of the Agribusiness Development Corporation, and authorizes the Auditor to conduct a financial audit of the Agribusiness Development Corporation if sufficient funds are available;
- (3) Requires the Agribusiness Development Corporation to include in its annual report certain information regarding its activities;
- (4) Requires the Agribusiness Development Corporation to post the annual report to its website.

Prior to the hearing on this measure, your Committee posted and made available for public review a proposed Senate Draft No. 2 (Proposed Draft), which amends this measure by:

- (1) Amending the amounts appropriated and number of positions authorized for the Agribusiness Development Corporation;
- (2) Changing the amount appropriated to the Auditor to contract with an accounting firm to conduct a performance audit of the Agribusiness Development Corporation from \$125,000 to an unspecified sum; and
- (3) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

Your Committee received testimony in support of the Proposed Draft from the Agribusiness Development Corporation; Larry Jefts Farms, LLC; and one individual.

Your Committee received comments on the Proposed Draft from the Office of the Auditor.

Your Committee finds that the information the Agribusiness Development Corporation is required to post online pursuant to this measure will increase government transparency and responsiveness.

Your Committee has amended this measure by adopting the Proposed Draft, and further amending the measure by:

- (1) Inserting a provision requiring that any funds appropriated in the measure for the Agribusiness Development Corporation's operating budget shall be included in the base budget of the Agribusiness Development Corporation;
- (2) Inserting a provision providing that the positions authorized in part II of the measure shall be in addition to the positions authorized for that program in the General Appropriations Act of 2019 and clarifying that any incumbent employee shall retain

that employee's civil service status, salary, seniority, retention points, prior service credit, earned vacation and sick leave, and other rights, benefits, and privileges, in accordance with state personnel laws;

- (3) Inserting a provision authorizing the position ceilings and funds appropriated by the measure to be transferred to the General Appropriations Act of 2019 for program execution and expenditure;
- (4) Changing the amount appropriated to the Auditor from an unspecified sum to \$100,000;
- (5) Providing that the appropriation to the Auditor shall be used to contract with an accounting firm to conduct a financial audit, rather than a performance audit, of the Agribusiness Development Corporation;
- (6) Appropriating \$20,000 for fiscal year 2019-2020 for an environmental assessment and appraisal of the property identified as TMK (1) 9-2-001:011-0000; and
- (7) Changing the effective date from July 1, 2019, to June 28, 2019.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1561, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1561, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 9. Noes, none. Excused, 4 (English, Inouye, Kidani, Taniguchi).

### SCRep. 2067 Ways and Means on H.B. No. 1585

The purpose and intent of this measure is to establish a rebate program to promote the installation or upgrading of electric vehicle charging systems.

Your Committee received written comments in support of this measure from the Department of Transportation, Public Utilities Commission, Alliance of Automobile Manufacturers, The Chamber of Commerce Hawaii, Building Industry Association of Hawaii, Organizing for Action, Our Revolution Hawaii, 350Hawaii.org, Apollo Kauai, Ulupono Initiative, Blue Planet Foundation, Tesla, Building Owners and Managers Association of Hawaii, Environmental Caucus of the Democratic Party of Hawaii, Hawaiian Electric Companies, and numerous individuals.

Your Committee received written comments on this measure from the Department of Budget and Finance; Department of Business, Economic Development, and Tourism; and Tax Foundation of Hawaii.

Your Committee finds that increasing the number of available electric vehicle charging stations is essential to making electric vehicles a viable alternative to traditional internal combustion engine vehicles.

Your Committee notes that the Public Utilities Commission has requested \$1,250,000 for the program in each year of the 2019-2021 fiscal biennium.

Your Committee has amended this measure by:

- Authorizing the Department of Business, Economic Development, and Tourism, subject to legislative approval, to transfer moneys in the energy security special fund to the electric vehicle charging system rebate program special fund and authorizing the electric vehicle charging system rebate program special fund to accept those moneys;
- (2) Providing that installation of electric vehicle charging systems for dedicated parking stalls in multi-unit residential buildings may be eligible for the electric vehicle charging system rebate program;
- (3) Defining "level two station" to coincide with the definition of "electric vehicle charging system" in section 291-71, Hawaii Revised Statutes, which includes a requirement that the system be designed and installed in compliance with article 625 of the National Electrical Code and does not specify a minimum voltage; and
- (4) Adding an unspecified appropriation into the electric vehicle charging system rebate program special fund.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1585, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 1585, H.D. 1, S.D. 2.

Signed by the Chair on behalf of the Committee. Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2068 Human Services on Gov. Msg. No. 605

Recommending that the Senate advise and consent to the nomination of the following:

## DIRECTOR OF THE DEPARTMENT OF HUMAN SERVICES

G.M. No. 605 PANKAJ BHANOT, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by Pankaj Bhanot for service as the Director of Human Services.

Your Committee received testimony in support of the nomination for the reappointment of Mr. Bhanot from the Governor; Lieutenant Governor; Department of Transportation; Department of Public Safety; Department of Hawaiian Home Lands; Department of Human Resources Development; Department of Accounting and General Services; Department of Health; Department of Labor and Industrial Relations; Department of Agriculture; Department of Business, Economic Development, and Tourism; Department of

Taxation; Department of Budget and Finance; Office of Enterprise Technology Services; Office of Community Services; Hawaii Public Housing Authority; State Procurement Office; Oahu Economic Development Board; Hawaii Disability Rights Center; Parents and Children Together; Healthcare Association of Hawaii; Hawaii Medical Service Association; Goodwill Industries of Hawaii, Inc.; Hawaii Public Policy Advocates; SanHi Government Strategies, LLLP; 'Ohana Health Plan; One Shared Future; and over thirty individuals.

Your Committee finds that Mr. Bhanot is currently the Director of Human Services, one of the largest state departments which is responsible for providing timely, efficient, and effective programs, services, and benefits to empower those who are the most vulnerable in the State to expand their capacity for self-sufficiency, self-determination, independence, healthy choices, quality of life, and personal dignity. Previously, Mr. Bhanot served as Deputy Director of Human Services, where he managed the day-to-day operations of the Department of Human Services and provided supervisory and management support to the divisions, staff offices, and attached agencies. Prior to that, he served as the Division Administrator for the Benefit, Employment, and Support Services Division of the Department of Human Services, where he provided leadership for the State's self-sufficiency and economic assistance programs. Mr. Bhanot earned a Master of Laws in International Human Rights Law from Cornell Law School and a Bachelor of Laws and a Bachelor of Arts in Political Science from the University of Delhi.

Your Committee believes that Mr. Bhanot, with almost two decades of experience in various leadership positions in the Department of Human Services, possesses the qualifications to continue to serve as Director of Human Services and lead the Department in implementing its mission. More particularly, his collaborative approach and commitment to serve are indicative of the type of leadership that is needed at the Department of Human Services. Testifiers commented on Mr. Bhanot's dedication to providing the most vulnerable with the resources that they need to live successful, independent lives. Testifiers also commented that Mr. Bhanot has already proven to be an effective and dynamic leader and has led the charge in enabling the Department to improve its effectiveness on reducing poverty in Hawaii.

Your Committee notes from Mr. Bhanot's personal statement that his goals for the Department of Human Services are to improve self-sufficiency and well-being of Hawaii's individuals and families, improve services integration and delivery to develop solutions for sustainable outcomes, and improve staff health and development. Mr. Bhanot believes that the future of delivery of human services will be shaped by trends and forces in the economy, employment, automation and other technology, policies, social attitudes and values, and environmental conditions, as well as the visions of communities and human services providers. Mr. Bhanot intends to focus on reinventing the Department with agile service delivery by creating a more open and collaborative culture to stimulate innovation, apply cloud and cognitive process automation to improve business agility, and respond rapidly to disruptions and new waves of citizen and customer demands; marrying data with design by using human-centered design thinking to understand data collected to create authentic citizen and customer experiences, bring designers and data analysts together with citizens, businesses, and other ecosystem partners, and focus on the needs of citizens and businesses; and liberate talent by being clear and transparent on expectations, encouraging people to use ingenuity, experiment, and take risks, and looking for staff who can communicate well and are comfortable working in cross-functional teams. Mr. Bhanot expressed that he is excited for the opportunity to build on the foundation that the Department's team has already established and continue the Department's mission.

Your Committee finds that Mr. Bhanot has the leadership skills, intelligence, knowledge, dedication, and compassion to continue to serve as the Director of Human Services.

As affirmed by the record of votes of the members of your Committee on Human Services that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Ihara, Riviere).

# SCRep. 2069 Energy, Economic Development, and Tourism on Gov. Msg. Nos. 559, 624, and 625

Recommending that the Senate advise and consent to the nominations of the following:

# SMALL BUSINESS REGULATORY REVIEW BOARD

G.M. No. 559 JONATHAN SHICK, for a term to expire 06-30-2022;

G.M. No. 624 JAMES LEE, for a term to expire 06-30-2020; and

G.M. No. 625 GARTH YAMANAKA, for a term to expire 06-30-2023

Your Committee reviewed the personal histories and resumes submitted by Jonathan Shick, James Lee, and Garth Yamanaka for service on the Small Business Regulatory Review Board.

### JONATHAN SHICK

Your Committee received testimony in support of the nomination for the appointment of Jonathan Shick from the Department of Business, Economic Development, and Tourism; Small Business Regulatory Review Board; and two individuals.

Upon review of the testimony, your Committee finds that Mr. Shick's construction industry, business ownership, and management experience qualify him for appointment to the Small Business Regulatory Review Board. Your Committee notes that Mr. Shick has over thirteen years of professional experience as a construction and consulting professional in the healthcare, condominium, hospitality, residential, and renewable energy industries, with an emphasis in structural and building envelope construction. Mr. Shick is the owner of Pono Consulting Group, LLC. Mr. Shick previously served as the Construction Manager for OpTerra Energy Services, Senior Consultant for Allana Buick & Bers, Inc., Project Manager for DRI Companies, and Assistant Superintendent for Kitchell Contractors, Inc. Your Committee further finds that Mr. Shick has a thorough understanding of the role and responsibilities of board members and recommends that he be appointed to the Small Business Regulatory Review Board based on his knowledge and professional experience as a small business owner within the construction industry.

### JAMES LEE

Your Committee received testimony in support of the nomination for the appointment of James Lee from the Department of Business, Economic Development, and Tourism and Small Business Regulatory Review Board.

Upon review of the testimony, your Committee finds that Mr. Lee's development experience, commitment to public service, and proven leadership qualify him for appointment to the Small Business Regulatory Review Board. Your Committee notes that Mr. Lee has over twenty-five years of management and development experience and is currently the Director of Development for W.H. Shipman, Ltd. Previously, Mr. Lee served as Vice President of Development for Oceanside 1250/Hokulia and Executive Vice President of Real Estate Development for JGL Enterprises. Mr. Lee is also a collaborative community leader who currently serves as a member of the Hawaii County Fire Commission, Catholic Church Land Asset Management Board, and Hawaii Health Systems Corporation East Hawaii Regional Board. Your Committee further finds that Mr. Lee has a thorough understanding of the role and responsibilities of board members and recommends that he be appointed to the Small Business Regulatory Review Board based on his knowledge, professional experience, and community involvement.

#### **GARTH YAMANAKA**

Your Committee received testimony in support of the nomination for the reappointment of Garth Yamanaka from the Department of Business, Economic Development, and Tourism and Small Business Regulatory Review Board.

Upon review of the testimony, your Committee finds that Mr. Yamanaka's real estate appraisal and business ownership experience and commitment to public service qualify him for reappointment to the Small Business Regulatory Review Board. Your Committee notes that Mr. Yamanaka has over seventeen years of experience as a real estate appraiser. Mr. Yamanaka owns and operates his own companies, G & H Appraisals Inc. and Kam Ave Holdings LLC. Mr. Yamanaka is also a licensed real estate agent and is currently serving as the Vice President of Yamanaka Enterprises, Inc. Mr. Yamanaka has served on the Small Business Regulatory Review Board since 2015 and is also an active board member of the Kanoelehua Industrial Area Association, Treasurer of the Rotary Club of South Hilo Foundation, and the Government Affairs Committee for the Japanese Chamber of Commerce & Industry of Hawaii. Your Committee finds that Mr. Yamanaka has a thorough understanding of the role and responsibilities of board members and recommends that he be reappointed to the Small Business Regulatory Review Board based on his knowledge, professional experience as real estate appraiser and agent, business ownership experience, and community involvement.

As affirmed by the records of votes of the members of your Committee on Energy, Economic Development, and Tourism that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

# SCRep. 2070 Ways and Means on S.R. No. 66

The purpose and intent of this measure is to encourage the Department of Accounting and General Services to identify on-site energy production and energy conservation opportunities at the State Capitol that will respect the historic building and serve as an example of public renewable energy production.

Your Committee received written comments in support of this measure from the Department of Accounting and General Services.

Your Committee finds that making the Hawaii State Capitol an exemplification of the Governor and Legislature's on-site energy production and energy conservation principles will provide credibility and leadership in guiding the entire State to reach statutorily established renewable energy goals.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 66, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2071 Ways and Means on S.R. No. 69

The purpose and intent of this measure is to encourage the Hawaii Community Development Authority to prioritize investment in public facilities in transit-oriented development zones and the Kalaeloa Community Development District.

Your Committee received written comments in support of this measure from Hunt Development Group, LLC.

Your Committee finds that the installation of certain facilities in transit-oriented development zones and the Kalaeloa Community Development District will help to diminish obstacles to the development of those areas.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 69, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2072 Ways and Means on S.R. No. 85

The purpose and intent of this measure is to request the Governor to prioritize the planting of four million trees along streets and roadways within the next four years.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, 350Hawaii.org, and seven concerned individuals.

Your Committee received written comments in opposition to this measure from one individual.

Your Committee finds that planting additional trees along streets and roadways will help to make streets safer by slowing traffic, and will reduce urban heat, reduce stormwater runoff and erosion, improve air quality, and sequester additional carbon dioxide from the atmosphere.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 85 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9; Ayes with Reservations (Fevella). Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 2073 Ways and Means on S.R. No. 88

The purpose and intent of this measure is to request the Department of Agriculture to explore ways to support Hawaii's dairy industry by designating areas in each county for dairy operations and developing incentives to increase dairy operations in the State.

Your Committee received no written comments on this measure.

Your Committee finds that this measure addresses the decline in dairy operations in the State, aims to reduce reliance on imported dairy products, and aligns with the statewide goal of increasing local food production.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 88, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

#### SCRep. 2074 Ways and Means on S.R. No. 89

The purpose and intent of this measure is to explore alternatives to current renewable energy and agricultural operations by requesting the State Energy Office, in collaboration with the Department of Agriculture, to create and implement a strategic plan to increase renewable energy and local food production and create an economic impact report based on implementation of the strategic plan.

Your Committee received no written comments on this measure.

Your Committee finds that this measure aligns with both the State's renewable energy and local food production goals by encouraging action that will contribute to the State's energy and agricultural self-sufficiency, security, and resilience.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 89, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

## SCRep. 2075 Ways and Means on S.R. No. 91

The purpose and intent of this measure is to request the Department of Human Resources Development to establish a pilot program to train prospective employees for success in employment with the State.

Your Committee received written comments in support of this measure from the Judiciary.

Your Committee finds that a pilot fellowship program has the potential to provide the State an additional source for recruiting, promoting, and retaining government employees.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 91, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

## SCRep. 2076 Ways and Means on S.R. No. 93

The purpose and intent of this measure is to urge the Governor to establish and implement a tree planting program to plant at least one million new native trees per year over the next four years.

Your Committee received written comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that there are more than one hundred eighty thousand acres in the Forest Reserve System that would benefit from the planting of approximately five to seven million trees. If planted, these additional trees will improve watershed health and sequester millions of tons of carbon dioxide.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 93, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

## SCRep. 2077 Ways and Means on S.R. No. 94

The purpose and intent of this measure is to increase the number of people prepared to enter public safety and resources enforcement careers by urging the Department of Public Safety and Division of Conservation and Resources Enforcement of the Department of Land and Natural Resources to strengthen and enhance the school-to-career pipeline for positions in public safety and resources enforcement.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and one individual.

Your Committee finds that by raising awareness of possible careers in public safety and resources enforcement, this measure helps to reduce state job vacancies and increase employee retention.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 94, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

#### SCRep. 2078 Ways and Means on S.R. No. 95

The purpose and intent of this measure is to increase the number of qualified individuals in the areas of facilities maintenance and construction management in the State.

More specifically, this measure urges the University of Hawaii, in consultation with its facilities offices, the Department of Accounting and General Services, and industry representatives, to develop an integrated plan to provide certificates, degrees, and associated pathways in the areas of facilities maintenance and construction management.

Your Committee received written comments in support of this measure from the Department of Accounting and General Services.

Your Committee finds that the State currently lacks a formal training pipeline for building facilities maintenance and construction management positions. Your Committee further finds that increasing the number of qualified individuals in these areas can help to address the State's shortage of qualified candidates for numerous vacant building facility manager and maintenance worker positions across the public and private sectors.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 95 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2079 Ways and Means on S.R. No. 96

The purpose and intent of this measure is to encourage the expansion of the aquaculture industry in Hawaii, specifically through the transfer of certain University of Hawaii College of Tropical Agriculture and Human Resources land parcels to the Agribusiness Development Corporation for the purposes of establishing aquaculture production on those lands.

Your Committee received written comments in support of this measure from the University of Hawaii and Hawaii Farm Bureau.

Your Committee finds that this measure aims to reduce reliance in the State on imported seafood and aligns with the statewide goal of increasing local food production through expansion of Hawaii's aquaculture industry.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 96 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2080 Ways and Means on S.R. No. 146

The purpose and intent of this measure is to support the development of a Hawaiian Language Plan to advance the use of the Hawaiian language in government services and transactions, private sector activity, tourism, and education in the State.

Your Committee received written comments in support of this measure from the Office of Hawaiian Affairs and Kamehameha Schools.

Your Committee finds that this measure aims to preserve olelo Hawaii, an indigenous language of the State that is constitutionally-recognized as one of the State's official languages.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 146, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2081 Ways and Means on S.R. No. 148

The purpose and intent of this measure is to request the establishment of a working group to explore matters related to the Ala Wai Watershed, including the Ala Wai Canal Flood Risk Management Project.

Your Committee received no written comments on this measure.

Your Committee finds that this measure encourages dialogue and action to address community concerns regarding the Ala Wai

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 148, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

## SCRep. 2082 Ways and Means on S.R. No. 151

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to complete the 2017 independent financial audit and management review of the office and its subsidiaries.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that an independent audit and management review are needed to identify areas of waste and inefficiency and to assist the Office of Hawaiian Affairs in the implementation of its mission.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 151 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

### SCRep. 2083 Ways and Means on S.R. No. 153

The purpose and intent of this measure is to request the Department of Education to conduct and submit to the Legislature a study that assesses the adequacy of programs within the department that are designed to prepare students for vocational careers.

Your Committee received written comments in support of this measure from the Hawaii State Teachers Union.

Your Committee finds that many vocational career fields provide livable incomes for a number of the State's residents. Accordingly, your Committee finds that some students may benefit from the Department of Education's offering of courses and training in these fields.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 153 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2084 Ways and Means on S.R. No. 173

The purpose and intent of this measure is to encourage the Imiloa Astronomy Center to increase its educational efforts on Mauna Kea.

More specifically, this measure:

- (1) Encourages the Imiloa Astronomy Center to further develop and lead educational efforts on Mauna Kea at Hale Pohaku;
- (2) Encourages the transfer of the University of Hawaii's educational outreach efforts and operations at Hale Pohaku to the Imiloa Astronomy Center;
- (3) Requests that the chancellors of the University of Hawaii at Manoa and the University of Hawaii at Hilo submit a report to the Legislature; and
- (4) Requests that existing astronomical facilities contribute financial capital resources to construct the Imiloa Uka facility at Hale Pohaku.

No written comments were received on this measure.

Your Committee finds that the Imiloa Astronomy Center has found success in engaging Native Hawaiian students and residents of the State through the incorporation of Hawaiian culture and history into its educational efforts.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 173, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2085 Ways and Means on S.R. No. 4

The purpose and intent of this measure is to urge the Hawaii State Department of the Attorney General to investigate the sexual abuse of minors in the State by clergy of the Roman Catholic Church.

Your Committee received written comments in support of this measure from the Sex Abuse Treatment Center and two individuals.

Your Committee finds that civil and criminal cases throughout the country have identified a pattern of Roman Catholic clergy who have sexually abused minors in multiple dioceses. Your Committee further finds that a formal investigation is needed to determine the extent of the abuse that has occurred in the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 4 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9; Ayes with Reservations (Fevella). Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

#### SCRep. 2086 Ways and Means on S.R. No. 14

The purpose and intent of this measure is to request that the Department of Transportation conduct a study that examines the necessity of vehicle safety inspections in the State.

More specifically, this measure requests that the Department of Transportation:

- (1) Conduct a study on the feasibility of eliminating or modifying vehicle safety inspection requirements in the State;
- (2) Study the laws of other states that have eliminated or modified vehicle safety inspection requirements; and
- (3) Submit a report to the Legislature.

No written comments were received on this measure.

Your Committee finds that the current vehicle safety inspection requirements may not be necessary since these inspections do not necessarily reveal any material defects in the inspected vehicles.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 14, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

#### SCRep. 2087 Ways and Means on S.R. No. 15

The purpose and intent of this measure is to request the Department of Agriculture and Hawaii Tourism Authority to report to the Legislature on the processing of State of Hawaii plant and animal declaration forms, including the costs involved, and to convene a task force to review the form's efficacy.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources, Hawaii Farm Bureau, and Hawaii Tourism Authority.

Your Committee received written comments on this measure from the Department of Business, Economic Development, and Tourism.

Your Committee finds that State of Hawaii plant and animal declaration forms completed by passengers arriving in Hawaii are a tool used to prevent the unintentional introduction of invasive plant and animal species into the State. More detailed information on the use and processing of the data collected by the forms may present opportunities to make the system more effective and cost-efficient.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 15, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

## SCRep. 2088 Ways and Means on S.R. No. 16

The purpose and intent of this measure is to request that the Legislative Reference Bureau establish a task force to review Hawaii's current voter education system and propose improvements in reports to the Legislature.

Your Committee received written comments in support of this measure from the Office of Elections.

Your Committee finds that insufficient voter education is a significant factor that contributes to poor citizen engagement in Hawaii, including low voter turnout at elections. Accordingly, your Committee finds that the State should explore the best ways to provide appropriate voter education to its residents.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 16 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2089 Ways and Means on S.R. No. 20

The purpose and intent of this measure is to urge the Department of Land and Natural Resources to properly manage and protect the Waianae Kai Forest.

Specifically, the measure:

- (1) Urges the Department of Land and Natural Resources to ensure water flow from certain streams in the Waianae Watershed for Native Hawaiian traditional and customary practices and to implement the Waianae Kai wildfire preparedness plan; and
- (2) Requests the Department of Land and Natural Resources' Division of Forestry and Wildlife to continue to manage the Waianae Kai Forest Reserve with native trees and shrubs and to restore forest areas damaged by the August 2018 fire with native trees and shrubs.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources and one individual.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that this measure aligns with the State's constitutional obligations to benefit its people by protecting, controlling, and regulating Hawaii's water resources and holding in trust all public natural resources. Your Committee further finds that this measure aims to improve security, education, and response capabilities through the implementation of the Waianae Kai wildfire preparedness plan.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 20 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

#### SCRep. 2090 Ways and Means on S.R. No. 23

The purpose and intent of this measure is to urge the State Capitol Management Committee to designate the Hawaii State Capitol building and grounds as a single-use plastic free zone.

Your Committee received written comments in support of this measure from one individual.

Your Committee finds that single-use plastics are detrimental to the State's environment and economy and to the health and well-being of both humans and animals.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 23, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

## SCRep. 2091 Ways and Means on S.R. No. 31

The purpose and intent of this measure is to request the Auditor to evaluate the 2017 University of Hawaii internal audit of travel policy compliance for fiscal years 2015-2017 and submit a report to the Legislature.

Your Committee received written comments in support of this measure from the University of Hawaii.

Your Committee received written comments on this measure from the Office of the Auditor.

Your Committee finds that an independent evaluation by the Auditor will help to establish whether University of Hawaii employees and related personnel followed the proper travel policies and whether any suggested corrective actions were sufficient to address non-compliance with those policies.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 31, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2092 Ways and Means on S.R. No. 35

The purpose and intent of this measure is to promote the efficient management of the State's submerged lands and aquatic recreational facilities.

Specifically, this measure urges the Board of Land and Natural Resources to transfer management of all submerged lands, the boat launch ramp, and any related boat launch ramp facilities located at the Wahiawa Freshwater State Recreation Area from the Division of Aquatic Resources to the Division of Boating and Ocean Recreation.

Your Committee received written comments in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that the Division of Boating and Ocean Recreation of the Department of Land and Natural Resources could use its expertise in vessel operation regulation and property management to manage all submerged lands and the boat launch ramp and related facilities at the Wahiawa Freshwater State Recreation Area.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 35, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2093 Ways and Means on S.R. No. 36

The purpose and intent of this measure is to encourage the Department of Education to partner with Na Kama Kai to make ocean safety and stewardship education available to all fourth grade public school students.

Your Committee received written comments in support of this measure from one individual.

Your Committee finds that learning ocean and water safety at a young age can help to prevent drownings.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 36 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

## SCRep. 2094 Ways and Means on S.R. No. 48

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to conduct an independent fiscal audit of all limited liability corporations created or controlled by the Office.

Your Committee received written comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that the transactions, accounts, procedures, and performance of limited liability corporations created by the Office of Hawaiian Affairs were not included in the scope of the Office of the Auditor's 2018 audit of the Office of Hawaiian Affairs. Accordingly, your Committee finds that an independent audit of these entities is necessary to understand the full scope of the Office's fiscal health.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 48 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

## SCRep. 2095 Ways and Means on S.R. No. 49

The purpose and intent of this measure is to urge examination and consideration of a sliding scale tuition or fee schedule for state pre-kindergarten programs.

Your Committee received written comments in opposition to this measure from the Hawaii State Teachers Association.

Your Committee finds that an exploration of means of funding for pre-kindergarten programs is appropriate.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 49 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

### SCRep. 2096 Ways and Means on S.R. No. 50

The purpose and intent of this measure is to urge the counties to submit a report to the Legislature regarding use of vehicle weight tax exemptions by members of the armed services.

No written comments were received on this measure.

Your Committee finds that, due to the limited ability of the State to determine the number of members of the armed services who claim vehicle weight tax exemptions and who also claim residency in the State, the counties may be the most appropriate entities to provide this information.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 50, S.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 10. Noes, none. Excused, 3 (English, Harimoto, Kahele).

# SCRep. 2097 Ways and Means on S.R. No. 53

The purpose and intent of this measure is to grant legislative approval to amend an easement for a portion of state submerged lands at Honolulu Harbor, Oahu.

Your Committee received written comments in support of this measure from the Department of Transportation and two individuals.

Your Committee finds that section 171-53, Hawaii Revised Statutes, requires the Board of Land and Natural Resources to obtain authorization from the Legislature to dispose of state submerged lands. A previous measure, Senate Concurrent Resolution No. 56, S.D. 1, Regular Session of 2014, authorized the Department of Transportation, with the prior approval of the Board of Land and Natural Resources, to issue a lease for a term coextensive with the term of the ground lease for the fast lands adjacent to Pacific Shipyards International covering a portion of state submerged lands fronting the property bound by Piers 24 to 26. After that measure was adopted, one of the drydocks that the submerged land was contemplated to contain was replaced by a larger drydock. The fast land area contemplated for Pacific Shipyards International occupancy was therefore reduced, so that the submerged land now extends beyond the fast land boundary. Accordingly, your Committee finds it appropriate to amend the easement so that the leased land encompasses the actual boundaries and matches the dimensions of the new drydock.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 53 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

# SCRep. 2098 Ways and Means on S.R. No. 58

The purpose and intent of this measure is to request that all elementary, intermediate, and middle schools in the State participate in the Safe Routes to School Program.

Your Committee received written comments in support of this measure from the Department of Transportation Services of the City and County of Honolulu.

Your Committee finds that participation in the Safe Routes to School Program can help to improve the health, safety, and independence of children in the State.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 58 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

#### SCRep. 2099 Ways and Means on S.R. No. 63

The purpose and intent of this measure is to request the Department of Business, Economic Development, and Tourism to study potential industries, other than tourism, to promote economic development in the County of Hawaii and submit a report to the Legislature of its findings and recommendations.

Your Committee did not receive written comments on this measure.

Your Committee finds that the County of Hawaii's land availability and low land costs, in comparison with other locations of the State, make the County a promising home for an emerging manufacturing industry. Your Committee further finds that a study by the Department of Business, Economic Development, and Tourism on potential industries of the County of Hawaii will help establish policies to guide the diversification of businesses in the area.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 63 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (English, Harimoto, Kahele, Taniguchi).

#### SCRep. 2100 Commerce, Consumer Protection, and Health on Gov. Msg. No. 501

Recommending that the Senate advise and consent to the nomination of the following:

# **BOARD OF ACUPUNCTURE**

G.M. No. 501 DEBORAH MCMENEMY, for a term to expire 06-30-2020

Your Committee reviewed the personal history, resume, and statement submitted by Deborah McMenemy for service on the Board of Acupuncture.

Your Committee received testimony in support of the nomination for the appointment of Deborah McMenemy from the Board of Acupuncture and four individuals.

Upon review of the testimony, your Committee finds that Dr. McMenemy's knowledge, background, and experience qualify her to be nominated for appointment to the Board of Acupuncture as a licensee member. Your Committee notes that Dr. McMenemy has been a licensed acupuncturist in Hawaii since 2010 and is the owner of Wailuku Community Acupuncture, where she is responsible for the care of more than one thousand patients and manages the non-profit aspects of the business. Dr. McMenemy is also involved in various organizations within the acupuncture industry, including servicing on the Hawaii Acupuncture Association's Board of Directors. Dr. McMenemy has served as an interim member of the Board Acupuncture since December 2018 and her dedication to the profession and her willingness to serve the public will continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. McMenemy be appointed to the Board of Acupuncture based on her experience, background, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2101 Commerce, Consumer Protection, and Health on Gov. Msg. No. 502

Recommending that the Senate advise and consent to the nomination of the following:

# BOARD OF PRIVATE DETECTIVES AND GUARDS

G.M. No. 502 PAUL FERREIRA, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Paul Ferreira for service on the Board of Private Detectives and Guards.

Your Committee received testimony in support of the nomination for the appointment of Paul Ferreira from the Board of Private Detectives and Guards, Office of the Prosecuting Attorney of the County of Hawaii, Office of the Mayor of the County of Hawaiii,

County of Kauai Police Department, County of Maui Police Department, City and County of Honolulu Police Department, and two individuals.

Upon review of the testimony, your Committee finds that Police Chief Ferreira's background and extensive experience qualify him to be nominated for appointment to the Board of Private Detectives and Guards as a chief of police member. Your Committee notes that Police Chief Ferreira has been with the Hawaii County Police Department for over thirty-five years, is the Department's current Police Chief, and is an active, dedicated, and well-respected member of the State's law enforcement community. Throughout his long career with the Hawaii Police Department, Police Chief Ferreira has consistently demonstrated high integrity, competence, and compassion, as well as sensitivity to the issues that impact the quality of life for citizens in Hawaii County. Your Committee further finds that Police Chief Ferreira has served as an interim member of the Board of Private Detectives and Guards since August 2018 and has a thorough understanding of the role and responsibilities of board members and therefore recommends that Police Chief Ferreira be appointed to the Board of Private Detectives and Guards based on his knowledge, experience, and dedication to protecting and serving the public.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2102 Commerce, Consumer Protection, and Health on Gov. Msg. No. 508

Recommending that the Senate advise and consent to the nomination of the following:

#### HAWAI'I BOARD OF VETERINARY MEDICINE

G.M. No. 508 ROBERT JORDAN, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by Robert Jordan for service on the Hawaii Board of Veterinary Medicine.

Your Committee received testimony in support of the nomination for the appointment of Robert Jordan for the Hawaii Board of Veterinary Medicine and two individuals.

Upon review of the testimony, your Committee finds that Dr. Jordan's knowledge, background, and commitment to public service qualify him to be nominated for appointment to the Hawaii Board of Veterinary Medicine as a licensee member. Your Committee notes that Dr. Jordan has been a licensed veterinarian in Hawaii for nearly fifteen years, previously practiced veterinary medicine as an emergency and critical care veterinarian, and has been the co-owner of Kona Veterinary Service in Kailua-Kona, which has been certified to the highest standards by the American Animal Hospital Association, since 2004. Your Committee further notes that Dr. Jordan has participated in numerous community service events including spay-neuter clinics and has demonstrated a consistent commitment to his practice and community. Your Committee further finds that Dr. Jordan has served as an interim member of the Hawaii Board of Veterinary Medicine since June 2018 and has a thorough understanding of the role and responsibilities of board members and therefore recommends that Dr. Jordan be appointed to the Hawaii Board of Veterinary Medicine based on his knowledge, experience, and dedication to serving the community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2103 Commerce, Consumer Protection, and Health on Gov. Msg. No. 509

Recommending that the Senate advise and consent to the nomination of the following:

# MOTOR VEHICLE INDUSTRY LICENSING BOARD

G.M. No. 509 JOHN UEKAWA, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by John Uekawa for service on the Motor Vehicle Industry Licensing Board.

Your Committee received testimony in support of the nomination for the appointment of John Uekawa from the Motor Vehicle Industry Licensing Board, Hawaii Automobile Dealers' Association, and one individual.

Upon review of the testimony, your Committee finds that Mr. Uekawa's background, experience, and desire to contribute to the community qualify him for appointment to the Motor Vehicle Industry Licensing Board as an industry member. Your Committee notes that Mr. Uekawa has over thirty-five years of experience in the automotive industry in Hawaii, is currently the General Manager and President of New City Nissan, and has been a board member of the Hawaii Automotive Dealers' Association for twenty-one years. Mr. Uekawa has also served on numerous local and national boards, which demonstrates his commitment to the automotive industry and his community. Your Committee further finds that Mr. Uekawa has served as an interim appointee on the Motor Vehicle Industry Licensing Board since July 2018, and his years of experience in the motor vehicle industry continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Uekawa be appointed to the Motor Vehicle Industry Licensing Board based on his knowledge, experience, and commitment to protecting consumers.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2104 Commerce, Consumer Protection, and Health on Gov. Msg. No. 510

Recommending that the Senate advise and consent to the nomination of the following:

#### MOTOR VEHICLE REPAIR INDUSTRY BOARD

G.M. No. 510 DANSEN CARVALHO, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Dansen Carvalho for service on the Motor Vehicle Repair Industry Board.

Your Committee received testimony in support of the nomination for the appointment of Dansen Carvalho from the Department of Commerce and Consumer Affairs, NAPA Distribution Center Hawaii, NAPA Auto Parts Hawaii, and four individuals.

Upon review of the testimony, your Committee finds that Mr. Carvalho's background, commitment to public service, and proven leadership qualify him for appointment to the Motor Vehicle Repair Industry Board as an industry member. Your Committee notes that Mr. Carvalho has been the owner and operator of Dansen's Auto Repair and Towing, Inc. for more than twenty-two years and has worked in the automotive repair industry for nearly thirty years. He is a certified National Institute for Automotive Service Excellence (ASE) master technician and has twice won the ASE Technician of the Year award for Hawaii. Mr. Carvalho also created and funds Dansen's Auto Repair Scholarship, which pays for the first year of tuition for Waianae High School graduates enrolled in the automotive program at Honolulu Community College and Leeward Community College. Your Committee further finds that Mr. Carvalho has served as an interim appointee on the Motor Vehicle Repair Industry Board since January 2019, and his knowledge and experience continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Carvalho be appointed to the Motor Vehicle Repair Industry Board based on his knowledge and desire to contribute to the community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

### SCRep. 2105 Commerce, Consumer Protection, and Health on Gov. Msg. No. 591

Recommending that the Senate advise and consent to the nomination of the following:

# ELEVATOR MECHANICS LICENSING BOARD

G.M. No. 591 JAMMIE GARCIA-PAAHANA, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Jammie Garcia-Paahana for service on the Elevator Mechanics Licensing Board.

Your Committee received testimony in support of the nomination for the reappointment of Jammie Garcia-Paahana from the Elevator Mechanics Licensing Board and one individual.

Upon review of the testimony, your Committee finds that Ms. Garcia-Paahana's background, experience, and proven leadership on the Elevator Mechanics Licensing Board qualify her for reappointment as a licensee member. Your Committee notes that Ms. Garcia-Paahana has fifteen years of experience in the elevator trade and has been licensed in Hawaii as an elevator mechanic for nearly ten years. Ms. Garcia-Paahana has been with ThyssenKrupp Elevator since 2004, where she worked in construction, modernization, and repair; new installation estimating; and most currently as a Service Superintendent. Ms. Garcia-Paahana is also active in leadership roles with the International Union of Elevator Constructors, Local Union No. 126 and selects apprenticeship candidates as an interviewer. Your Committee further finds that Ms. Garcia-Paahana has been a member of the Elevator Mechanics Licensing Board state. April 2016 and her experience in the profession remains a valuable asset to the Board. Your Committee therefore recommends that Ms. Garcia-Paahana be reappointed to the Elevator Mechanics Licensing Board based on her knowledge, experience, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2106 Commerce, Consumer Protection, and Health on Gov. Msg. No. 612

Recommending that the Senate advise and consent to the nomination of the following:

# STATE BOARD OF NURSING

G.M. No. 612 OLIVIA KIM, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Olivia Kim for service on the State Board of Nursing.

Your Committee received testimony in support of the nomination for the reappointment of Olivia Kim from the Board of Nursing and two individuals.

Upon review of the testimony, your Committee finds that Ms. Kim's background, knowledge, and proven experience on the State Board of Nursing qualify her for reappointment to the State Board of Nursing as a licensee member. Your Committee notes that Ms. Kim is licensed in Hawaii as a practical nurse, registered nurse, and nursing home administrator. Ms. Kim is dedicated to serving the State's kupuna, has practiced in the geriatric field of nursing for over a decade, and currently works as a Registered Nurse Care Coordinator at One Kalakaua Senior Living. Prior to that, Ms. Kim worked as Director of Assisted Living and Memory Support at Kahala Nui. Your Committee further finds that Ms. Kim has been a member of the State Board of Nursing since 2015 and currently serves as Vice Chair, and the insight she offers based on her experience with bedside care and with management and administration continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Ms. Kim be reappointed to the State Board of Nursing based on her knowledge, experience, and commitment to supporting the community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

#### SCRep. 2107 Commerce, Consumer Protection, and Health on Gov. Msg. No. 532

Recommending that the Senate advise and consent to the nomination of the following:

#### POLICY ADVISORY BOARD FOR ELDER AFFAIRS

G.M. No. 532 SHELLY OGATA, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Shelly Ogata for service on the Policy Advisory Board for Elder Affairs.

Your Committee received testimony in support of the nomination for the appointment of Shelly Ogata from the Executive Office on Aging, Policy Advisory Board for Elder Affairs, one member of the Hawaii County Council, Zonta Club of Hilo, and five individuals.

Upon review of the testimony, your Committee finds that Ms. Ogata's background, experience, and commitment to public service qualify her to be nominated for appointment to the Policy Advisory Board for Elder Affairs. Your Committee notes that Ms. Ogata is currently a Council Aide for the Hawaii County Council and has previously held a number of roles that deal specifically with kupuna and caregivers, including five years as a Planner in the Hawaii County Office of Aging, where she developed and coordinated services for older adults and assisted in developing program policies and recommendations to meet the needs of Hawaii's older adults. Ms. Ogata is also dedicated to community service and has worked on a number of community outreach and service programs, including prior government board services as a member of the Hawaii County Planning Commission and on the State Council on Mental Health, where she served as Chair. Your Committee further finds that Ms. Ogata has served as an interim member of the Policy Advisory Board for Elder Affairs since July 2018 and has a thorough understanding of the role and responsibilities of board members, and her extensive experience and knowledge in the aging network would be an asset to the Board. Your Committee therefore recommends that Ms. Ogata be appointed to the Policy Advisory Board for Elder Affairs based on her knowledge, experience, and dedication to serving her community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2108 Commerce, Consumer Protection, and Health on Gov. Msg. No. 536

Recommending that the Senate advise and consent to the nomination of the following:

# STATE COUNCIL ON DEVELOPMENTAL DISABILITIES

G.M. No. 536 JOHN BEEBE, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by John Beebe for service on the State Council on Developmental Disabilities.

Your Committee received testimony in support of the nomination for the appointment of John Beebe from the State Council on Developmental Disabilities and three individuals.

Upon review of the testimony, your Committee finds that Mr. Beebe's background, experience, and commitment to advocacy qualify him to be nominated for appointment to the State Council on Developmental Disabilities in the role of a parent of an individual with a developmental disability. Mr. Beebe's two youngest children have been diagnosed with Autism Spectrum Disorder, which has made his family acutely aware of the burden, challenges, struggles, hardships, and joys faced by thousands of families with children with developmental delays or disabilities. Your Committee notes that Mr. Beebe is a Commander in the United States Coast Guard and the President and Chief Executive Officer of Celestial Payments, professional experiences that have enabled him to create real world solutions that bridge the public and private sectors and given him diplomatic and relationship building skills. Your Committee finds that Mr. Beebe's professional skillset and personal experience will be valuable assets to the State Council on Developmental Disabilities and therefore recommends Mr. Beebe be appointed to the Council based on his knowledge, experience, and dedication to serving his community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2109 Commerce, Consumer Protection, and Health on Gov. Msg. No. 539

Recommending that the Senate advise and consent to the nomination of the following:

#### STATEWIDE HEALTH COORDINATING COUNCIL

G.M. No. 539 CRAIG NAKAMOTO, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Craig Nakamoto for service on the Statewide Health Coordinating Council.

Your Committee received testimony in support of the nomination for the appointment of Craig Nakamoto from the State Health Planning and Development Agency; Agilon Health; MDX Hawai'i, Inc.; Hawaii Association of Health Plans; and one individual.

Upon review of the testimony, your Committee finds that Mr. Nakamoto's background, experience, and commitment to his community qualify him to be nominated for appointment to the Statewide Health Coordinating Council. Your Committee notes that Mr. Nakamoto is an attorney who has held various legal counsel and compliance positions within the health care field, including at The Queen's Health Systems, The Queen's Medical Center, and Kaiser Foundation Health Plan Inc., for almost nineteen years and is currently the Chief Administrative Officer at MDX Hawaii, Inc. Mr. Nakamoto was also a member of the Honolulu Subarea Health Planning Council for nearly eight years and has participated on one Certificate of Need panel, an experience that will be an asset to the Statewide Health Coordinating Council. Your Committee further finds that Mr. Nakamoto has served as an interim member of the Statewide Health Coordinating Council since September 2018 and has a thorough understanding of the role and responsibilities of council members. Your Committee therefore recommends that Mr. Nakamoto be appointed to the Statewide Health Coordinating Council based on his knowledge, experience, and dedication to serving his community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2110 Commerce, Consumer Protection, and Health on Gov. Msg. No. 632

Recommending that the Senate advise and consent to the nomination of the following:

# MENTAL HEALTH & SUBSTANCE ABUSE, MAUI SERVICE AREA BOARD

G.M. No. 632 MEGAN KOSAKA, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Megan Kosaka for service on the Mental Health and Substance Abuse, Maui Service Area Board.

Your Committee received testimony in support of the nomination for the appointment of Megan Kosaka from the Department of Health and two individuals.

Upon review of the testimony, your Committee finds that Ms. Kosaka's background and experience qualify her to be nominated for appointment to the Mental Health and Substance Abuse, Maui Service Area Board. Your Committee notes that Ms. Kosaka is a Licensed Marriage and Family Therapist who has worked with families on Maui for nearly a decade, including assisting families struggling with issues directly related to substance abuse and recovery such as housing concern and homelessness, legal and custody issues, and transitional difficulties after incarceration. Ms. Kosaka is currently a Behavioral Health Specialist with the Department of Education, where she works with youth with high-end behavioral challenges, substance abuse issues, and other diagnoses that interfere with students' success in school. Your Committee further finds that Ms. Kosaka's background in family therapy as well as her education and experience working with children will be an asset to the Mental Health and Substance Abuse, Maui Service Area Board

and therefore recommends that Ms. Kosaka be appointed to the Board based on her knowledge, experience, and dedication to serving the community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2111 Commerce, Consumer Protection, and Health on Gov. Msg. No. 513

Recommending that the Senate advise and consent to the nomination of the following:

#### BOARD OF CERTIFICATION OF OPERATING PERSONNEL IN WASTEWATER TREATMENT PLANTS

G.M. No. 513 VIRGILIO VIERNES, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Virgilio Viernes for service on the Board of Certification of Operating Personnel in Wastewater Treatment Plants.

Your Committee received testimony in support of the nomination for the appointment of Virgilio Viernes from two individuals.

Upon review of the testimony, your Committee finds that Mr. Viernes' background, knowledge, and prior experience on the Board of Certification of Operating Personnel in Wastewater Treatment Plants qualify him to be nominated for appointment to the Board as the Maui County representative. Your Committee notes that Mr. Viernes began his career as a nuclear propulsion plant machinist; has held multiple positions in wastewater treatment plants; and is now an Environmental Compliance Specialist for the Maui County Department of Environmental Management Solid Waste Division. Your Committee further finds that Mr. Viernes was a member of the Board of Certification of Operating Personnel in Wastewater Treatment Plants from 2010 to 2017 and was appointed in an interim capacity in June 2018 for another term. The insight he offers based on his many years of experience continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Viernes be appointed to the Board of Certification of Operating Personnel in Wastewater Treatment Plants based on his extensive experience, knowledge, and commitment to the wastewater treatment industry.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2112 Commerce, Consumer Protection, and Health on Gov. Msg. No. 517

Recommending that the Senate advise and consent to the nomination of the following:

# HAWAI'I ADVISORY COMMISSION ON DRUG ABUSE AND CONTROLLED SUBSTANCES

G.M. No. 517 JODY JOHNSON, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Jody Johnson for service on the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances.

Your Committee received testimony in support of the nomination for the appointment of Jody Johnson from the Department of Health and three individuals.

Your Committee finds Ms. Johnson's knowledge, education, and experience qualify her to be nominated for appointment to the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances. Your Committee notes that Ms. Johnson has worked in a variety of practice settings in the counseling field over the past two decades; holds multiple certifications, including as a Licensed Marriage and Family Therapist, Certified Clinical Supervisor, and Certified Substance Abuse Counselor; and is currently serving as the Lead Counselor and Acting Director at the Substance Abuse Counseling Center at the Kaneohe Marine Corps Base Hawaii. Your Committee further finds that Ms. Johnson's extensive experience in the field of substance abuse counseling will be an asset to the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances. Your Committee therefore recommends that Ms. Johnson be appointed to the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances based on her knowledge, experience, and dedication to serving her profession.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2113 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 588, 589, and 590

Recommending that the Senate advise and consent to the nominations of the following:

#### HAWAI'I BOARD OF CHIROPRACTIC

G.M. No. 588 RACHEL KLEIN, for a term to expire 06-30-2023;

G.M. No. 589 ALICE OGAWA, for a term to expire 06-30-2022; and

G.M. No. 590 GERALD SIMMONS, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Rachel Klein, Alice Ogawa, and Gerald Simmons for service on the Hawaii Board of Chiropractic.

# RACHEL KLEIN

Your Committee received testimony in support of the nomination for the appointment of Rachel Klein from the Department of Commerce and Consumer Affairs, Hawaii State Chiropractic Association, and four individuals.

Upon review of the testimony, your Committee finds that Dr. Klein's background, experience, and proven leadership qualify her for appointment to the Hawaii Board of Chiropractic as a chiropractor member. Your Committee notes that Dr. Klein has been a licensed chiropractor since 2012, has been licensed in Hawaii since 2014, and currently serves the Hilo, Hawaii community as the Medical Director for Klein Natural Health and Wellness Center. Dr. Klein is also a licensed naturopathic physician, board-certified chiropractic neurologist, certified massage therapist, and adjunct faculty for National University of Health Sciences. Dr. Klein is actively involved in her state and national professional organizations, including serving as the alternate island Director of the Hawaii State Chiropractic Association and Treasurer of the Hawaii Society of Naturopathic Physicians Board of Directors. Your Committee finds that Dr. Klein's experience will enhance the Board's effectiveness and therefore recommends that Dr. Klein be appointed to the Hawaii Board of Chiropractic based on her knowledge, experience, and desire to contribute to the community.

#### ALICE OGAWA

Your Committee received testimony in support of the nomination for the appointment of Alice Ogawa from the Department of Commerce and Consumer Affairs, Hawaii State Chiropractic Association, and three individuals.

Upon review of the testimony, your Committee finds that Dr. Ogawa's experience, knowledge, and commitment to community service qualify her for appointment to the Hawaii Board of Chiropractic as a chiropractic member. Dr. Ogawa has been a licensed chiropractor in Hawaii since 1982 and joined Ogawa Chiropractic on Kauai in 1987, where she continues her practice today. Additionally, Dr. Ogawa has served as the Kauai representative for the Hawaii State Chiropractic Association for many years, a position that has enabled her to remain updated on current laws and issues related to chiropractic. Dr. Ogawa is also a licensed chiropractor in Denmark and is a professional member of the International Chiropractors Association. Your Committee further finds that Dr. Ogawa's extensive experience is a valuable asset to the Hawaii Board of Chiropractic and her longstanding presence on Kauai will bring a thoughtful neighbor island perspective to the Hawaii Board of Chiropractic. Your Committee therefore recommends that Dr. Ogawa be appointed to the Hawaii Board of Chiropractic based on her background, knowledge, and dedication to serving the community.

# GERALD SIMMONS

Your Committee received testimony in support of the nomination for the appointment of Gerald Simmons from the Department of Commerce and Consumer Affairs, Hawaii State Chiropractic Association, and five individuals.

Upon review of the testimony, your Committee finds that Mr. Simmons' experience, background, and interest in serving the community qualify him to be nominated for appointment to the Hawaii Board of Chiropractic as a public member. Your Committee notes that Mr. Simmons has nearly twenty years of experience in medical offices, including serving as an Integrative Health Care Office Coordinator and fourteen years as an Office Manager at Saito Chiropractic Office in Honolulu. Mr. Simmons' many years of working in chiropractic offices has given him first hand experience dealing with the public, the insurance industry, and the clinical side of the field of chiropractic, and will bring a valuable public member perspective to the Board. Your Committee further finds that Mr. Simmons has a thorough understanding of the role and responsibilities of board members and this practical, professional, and administrative knowledge will be an asset to the Hawaii Board of Chiropractic. Your Committee therefore recommends that Mr. Simmons be appointed to the Hawaii Board of Chiropractic based on his experience in the health care field and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2114 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 613, 615, 617, and 618

Recommending that the Senate advise and consent to the nominations of the following:

# HAWAI'I MEDICAL BOARD

G.M. No. 613 PETER HOLT, for a term to expire 06-30-2022;

G.M. No. 615 DANNY TAKANISHI, JR., for a term to expire 06-30-2023;

G.M. No. 617 JONE GEIMER-FLANDERS, for a term to expire 06-30-2023; and

G.M. No. 618 WESLEY MUN, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Peter Holt; Danny Takanishi, Jr.; Jone Geimer-Flanders; and Wesley Mun for service on the Hawaii Medical Board.

#### PETER HOLT

Your Committee received testimony in support of the nomination for the reappointment of Peter Holt from the Hawaii Medical Board, Hawaii Medical Association, and two individuals.

Upon review of the testimony, your Committee finds Dr. Holt's background, experience, and proven leadership on the Hawaii Medical Board qualify him for reappointment to the Hawaii Medical Board as a physician member. Your Committee notes that Dr. Holt has nearly twenty-five years of experience as a radiologist and is certified by the American Board of Radiology, with a certificate of added qualifications in pediatric radiology. Dr. Holt has been licensed in Hawaii since 2011 and is currently a teleradiologist for Sheridan Radiology Services of West Florida, Inc. and the Chief of pediatric radiology quality assurance. Dr. Holt has also demonstrated a strong commitment to his community and public service through active participation with The Institute for Human Services. Your Committee further finds that Dr. Holt has been a member of the Hawaii Medical Board since June 2015 and serves as the Hawaii State Liaison to the Federation of State Medical Boards, and his experience and unique perspective as a radiologist who exclusively practices telemedicine continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Holt be reappointed to the Hawaii Medical Board based on his background, knowledge, and commitment to public service.

#### DANNY TAKANISHI, JR.

Your Committee received testimony in support of the nomination for the appointment of Danny Takanishi, Jr. from the Department of Commerce and Consumer Affairs, Hawaii Medical Association, and Federation of State Medical Boards.

Upon review of the testimony, your Committee finds Dr. Takanishi's background, experience, and dedication to serving the community qualify him for appointment to the Hawaii Medical Board as a surgeon member. Your Committee notes that Dr. Takanishi is a board-certified surgeon who has been licensed in Hawaii since 1989. Dr. Takanishi is presently an attending surgeon at The Queen's Medical Center in Honolulu and Associate Chair of Surgery for Academic Affairs at the University of Hawaii John A. Burns School of Medicine. Dr. Takanishi also serves on multiple regional and national professional organizations and has extensive experience in academic medicine, including as a member of the National Board of Medical Examiners/United States Medical Licensing Examination Test Development Committees and has been an active member of the Federation of State Medical Boards since 2006. Your Committee further finds that Dr. Takanishi previously served on the Hawaii Medical Board from 2006 to 2014, including serving as the Board's Chair for five years and his deep familiarity with national issues affecting state medical boards will be an asset to the Board. Your Committee therefore recommends that Dr. Takanishi be appointed to the Hawaii Medical Board based on his extensive experience, background, and commitment to public service.

#### JONE GEIMER-FLANDERS

Your Committee received testimony in support of the nomination for the reappointment of Jone Geimer-Flanders from the Hawaii Medical Board, Hawaii Medical Association, and one individual.

Upon review of the testimony, your Committee finds Dr. Geimer-Flanders' experience, background, and proven leadership on the Hawaii Medical Board qualify her for reappointment to the Hawaii Medical Board as an osteopathic physician member. Your Committee notes that Dr. Geimer-Flanders is a board-certified cardiologist and internal medicine physician and has been licensed in Hawaii since 2006. Dr. Geimer-Flanders is a staff Cardiologist and Chief of Inpatient Medicine Services at Tripler Army Medical Center and previously served as the Medical Director for Mountain-Pacific Quality Health. In addition to her medical practice, Dr. Geimer-Flanders is also an Assistant Clinical Professor at the University of Hawaii John A. Burns School of Medicine and has served on numerous peer review, credentials, and quality risk management committees throughout her career. Your Committee further finds that Dr. Geimer-Flanders has been a member of the Hawaii Medical Board since July 2014, currently serves as the Board's Chair and has acted as Hawaii's representative and delegate to the Federation of State Medical Boards. Your Committee also finds that Dr. Geimer-Flanders' insight and experience continue to enhance the effectiveness of the Board and recommends that Dr. Geimer-Flanders be reappointed to the Hawaii Medical Board based on her background and commitment to public service.

# WESLEY MUN

Your Committee received testimony in support of the nomination for the appointment of Wesley Mun from the Department of Commerce and Consumer Affairs, Department of Public Safety, Hawaii Disability Rights Center, and three individuals.

Upon review of the testimony, your Committee finds Mr. Mun's background, experience, and dedication to public service qualify him for appointment to the Hawaii Medical Board as a public member. Your Committee notes that Mr. Mun has nearly forty years of experience in health care, insurance administration, and corrections. Currently, Mr. Mun is a semi-retired consultant for WM and Associates and previously served as the Administrator of the Department of Public Safety's Health Care Division for a collective eighteen years, until his retirement in December 2018. Mr. Mun also held numerous positions in the health care industry, including the Acting Med-QUEST Division Administrator for the Department of Human Services, Executive Director for Foundation Health Services of California/DentiCare of California and Hawaii, and the Vice President of Operations of Hawaii Dental Service. Mr. Mun has also demonstrated a strong commitment to his community and public service through active participation in various organizations, including serving as President of the Pearlridge Rotary Club and Vice President of the Kung Sheong Doo Chinese Society. Your Committee further finds that Mr. Mun's insight from the public consumer perspective will enhance the effectiveness of the Hawaii Medical Board and therefore recommends that Mr. Mun be appointed to the Board based on his background and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

#### SCRep. 2115 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 514 and 515

Recommending that the Senate advise and consent to the nominations of the following:

#### EMERGENCY MEDICAL SERVICES ADVISORY COMMITTEE

G.M. No. 514 KENNETH ZERI, for a term to expire 06-30-2019; and

G.M. No. 515 KENNETH ZERI, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Kenneth Zeri for service on the Emergency Medical Services Advisory Committee.

Your Committee received testimony in support of the nomination for the appointment and reappointment of Kenneth Zeri from the Department of Health, Healthcare Association of Hawaii, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Zeri's experience, background, and commitment to community service qualify him to be nominated for appointment and reappointment to the Emergency Medical Services Advisory Committee. Mr. Zeri began his career as a firefighter and emergency medical technician in the California Department of Forestry, then commissioned into the United States Navy Nurse Corps, before transitioning into a thirty-two year career in hospice care. Mr. Zeri served in a number of capacities at Hospice Hawaii, Inc., including President for fifteen years, before retiring in 2017 and served on multiple boards over the course of his career, including the Board of Directors of Kokua Mau, Healthcare Association of Hawaii, and the National Hospice and Palliative Care Organization. Mr. Zeri has also been engaged in the legislative process since 1999 and has collaborated on several bills related to hospice, palliative, and end of life care. Your Committee finds that Mr. Zeri has served as an interim member of the Emergency Medical Services Advisory Committee since September 2018 and his legislative experience, professional expertise, and dedication to serving his community will be assets to the Committee, and therefore recommends that Mr. Zeri be appointed and reappointed to the Emergency Medical Services Advisory Committee.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2116 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 521 and 522

Recommending that the Senate advise and consent to the nominations of the following:

# HEALTH PLANNING COUNCIL, KAUA'I SUBAREA

G.M. No. 521 JILLIAN KELEKOMA, for a term to expire 06-30-2019; and

G.M. No. 522 JILLIAN KELEKOMA, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Jillian Kelekoma for service on the Health Planning Council, Kauai Subarea.

Your Committee received testimony in support of the nomination for the appointment and reappointment of Jillian Kelekoma from the State Health Planning and Development Agency and two individuals.

Upon review of the testimony, your Committee finds that Ms. Kelekoma's knowledge and experience qualify her to be nominated for appointment and reappointment to the Health Planning Council, Kauai Subarea. Your Committee notes that Ms. Kelekoma has over twenty years of experience in the health care industry and has held multiple roles, including as a paramedic on Oahu and Kauai, medical training officer, flight paramedic, and medical coordinator. Currently, Ms. Kelekoma is the Medical Operations Manager at LifeSave KūPono where she provides oversight and general management for a critical care air ambulance provider. Ms. Kelekoma also works as a Paramedic with AMR Hawaii-Kauai County, Medical Training Officer with Barking Sands Fire Department, and as an EMS Educational Coordinator-Kauai County for Kapiolani Community College, Department of Emergency Medical Services. Your Committee further finds that Ms. Kelekoma has served as an interim member of the Health Planning Council, Kauai Subarea, since August 2018 and has a thorough understanding of the role and responsibilities of council members. Your Committee therefore recommends that Ms. Kelekoma be appointed and reappointed to the Health Planning Council, Kauai Subarea, based on her knowledge, experience, and dedication to serving her industry and community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2117 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 528, 529, 530, and 531

Recommending that the Senate advise and consent to the nominations of the following:

#### MENTAL HEALTH & SUBSTANCE ABUSE, O'AHU SERVICE AREA BOARD

- G.M. No. 528 SHIRLEY DAVENPORT, for a term to expire 06-30-2019;
- G.M. No. 529 SHIRLEY DAVENPORT, for a term to expire 06-30-2023;
- G.M. No. 530 CHRISTINE PARK, for a term to expire 06-30-2019; and
- G.M. No. 531 CHRISTINE PARK, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Shirley Davenport and Christine Park for service on the Mental Health and Substance Abuse, Oahu Service Area Board.

#### SHIRLEY DAVENPORT

Your Committee received testimony in support of the nomination for the appointment and reappointment of Shirley Davenport from the Department of Health, Hina Mauka, and three individuals.

Upon review of the testimony, your Committee finds that Dr. Davenport's background, experience, and commitment to public service qualify her to be nominated for appointment and reappointment to the Mental Health and Substance Abuse, Oahu Service Area Board. Your Committee notes that Dr. Davenport is a social worker and certified substance abuse counselor who currently works in Waianae at Ho'omau Ke Ola, Inc., a residential and outpatient substance abuse treatment center. Dr. Davenport previously worked at the Waianae Coast Community Health Center for over nine years and at the River of Life Mission, and is a dedicated community service volunteer. Your Committee further finds that Dr. Davenport previously served eight years on the Mental Health and Substance Abuse, Oahu Service Area Board and has been an interim member of the current board since July 2018 and has a thorough understanding of the role and responsibilities of board members. Your Committee therefore recommends that Dr. Davenport be appointed and reappointed to the Mental Health and Substance Abuse, Oahu Service Area Board based on her knowledge of the mental health needs of the Waianae community, experience, and dedication to serving her community.

#### CHRISTINE PARK

Your Committee received testimony in support of the nomination for the appointment and reappointment of Christine Park from the Department of Health and four individuals.

Upon review of the testimony, your Committee finds that Ms. Park's background, experience, and education qualify her to be nominated for appointment and reappointment to the Mental Health and Substance Abuse, Oahu Service Area Board. Your Committee notes that Ms. Park has spent the past eleven years working in the public education system as an educator for at-risk adolescents, counselor for youth with emotional and behavioral challenges, and currently as the Program Coordinator at the Waipahu Community School for Adults for adults in transition. Your Committee notes that Ms. Park is a licensed mental health counselor, national certified counselor, and a current doctoral candidate in counselor education and supervision. Your Committee further finds that Ms. Park has served as an interim member of the Mental Health and Substance Abuse, Oahu Service Area Board since July 2018 and her background and interest in advancing mental health services for disadvantaged, underserved, and marginalized populations will be an asset to the Board. Your Committee therefore recommends that Ms. Park be appointed and reappointed to the Mental Health and Substance Abuse, Oahu Service Area Board based on her knowledge, experience, and dedication to her profession.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2118 Hawaiian Affairs on Gov. Msg. No. 610

Recommending that the Senate advise and consent to the nomination of the following:

# ISLAND BURIAL COUNCIL, ISLANDS OF MAUI AND LANA'I

G.M. No. 610 LEAHI HALL, for a term to expire 06-30-2023

Your Committee reviewed the personal history and resume submitted by Leahi Hall for service on the Island Burial Council, Islands of Maui and Lana'i.

Your Committee received testimony in support of the nomination for the appointment of Leahi Hall from the Department of Land and Natural Resources and Office of Hawaiian Affairs.

Ms. Hall was born and raised on the island of Maui and has a firm understanding of the issues pertaining to the Island Burial Council for the islands of Maui and Lana'i. She has a Bachelor of Arts in Cultural and Social Anthropology from Stanford University and a Master's degree in Coaching and Athletic Administration from Concordia University. Ms. Hall is a member of the first graduating class of Punana Leo 'O Maui, one of only two students who continued Hawaiian language immersion education through high school in the lead class of Kula Kaiapuni 'O Maui, and speaks fluent Hawaiian. She serves on the Board of Directors for the Hawaiian Islands Land Trust and the Hui Alanui 'O Makena. Ms. Hall currently works for Discovery Land Company, where she provides guidance and coordinates all archaeological needs for development projects and manages community advisory groups with attention to cultural and local homeowner interests.

As the daughter of Dana Naone-Hall, a long-time mālama iwi practitioner and advocate who served several terms on the Island Burial Council, Islands of Maui and Lana'i, and Isaac Hall, iwi advocate and attorney who led the charge in several significant battles to preserve Hawaiian historic and cultural resources, Ms. Hall grew up in a home where mālama was more than a practice, but a

lifestyle. Ms. Hall has continued to build upon the foundation of her cultural and public interest upbringing through her educational pursuits and community service. Ms. Hall's professional work further demonstrates her understanding of the delicate balance needed to preserve valuable natural and cultural resources and her aspiration to see development in Hawai'i that is sustainable and responsible for the 'aina and its people.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

# SCRep. 2119 Hawaiian Affairs on Gov. Msg. Nos. 622 and 623

Recommending that the Senate advise and consent to the nominations of the following:

## ISLAND BURIAL COUNCIL, ISLANDS OF KAUA'I AND NI'IHAU

G.M. No. 622 JOHNNETTE KAHALEKAI, for a term to expire 06-30-2019; and

G.M. No. 623 JOHNNETTE KAHALEKAI, for a term to expire 06-30-2023

Your Committee reviewed the personal history and resume submitted by Johnnette Kahalekai for service on the Island Burial Council, Islands of Kaua'i and Ni'ihau.

Your Committee received testimony in support of the nomination for the appointment and reappointment of Ms. Kahalekai from the Department of Land and Natural Resources.

Ms. Kahalekai was born and raised on the island of Kaua'i and has gained a firm understanding of issues on the islands of Kaua'i and Ni'ihau. She attended Kaua'i High School, University of Hawai'i for a year, and the Kaua'i Community College where she earned a Construction Technician Certificate. She currently sits on the Kupuna Council of Kaua'i that is sponsored by Ho'ola Lahui/Papa Lokahi. Ms. Kahalekai is an ordained Kahu and Wedding Officiant at the Church of Universal Light and is a ho'oponopono practitioner. According to Ms. Kahalekai's resume, her occupation has allowed her to work closely with iwi, and she hopes to perpetuate cultural values and teach others updated ways to malama iwi kupuna.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

# SCRep. 2120 Hawaiian Affairs on Gov. Msg. No. 669

Recommending that the Senate advise and consent to the nomination of the following:

# ISLAND BURIAL COUNCIL, ISLANDS OF MAUI AND LANA'I

G.M. No. 669 DANE MAXWELL, for a term to expire 06-30-2021

Your Committee reviewed the personal history and resume submitted by Dane Maxwell for service on the Island Burial Council, Islands of Maui and Lana'i.

Your Committee received testimony in support of the nomination for the reappointment of Mr. Maxwell from the Department of Land and Natural Resources, Office of Hawaiian Affairs, and one individual.

Mr. Maxwell was born and raised on the island of Maui and attended the University of Hawai'i Maui College which has provided him with an opportunity to gain a firm understanding of various issues on the islands of Maui and Lana'i. Mr. Maxwell is a Cultural Specialist/Monitor at his business, CKM Cultural Resources, where he assists major developers with creating burial treatment plans and cultural impact statements and has gained expertise on the state and federal laws related to these processes. Mr. Maxwell also assists with proper Hawaiian cultural protocol for archaeological and inadvertent iwi finds and is a Cultural Specialist with the Maui Ocean Center. Mr. Maxwell was ordained as a Kahu by his grandfather, Charles Kauluwehi Maxwell, Sr., and also possesses the institutional knowledge of malama iwi passed down by his grandfather.

Mr. Maxwell and his 'ohana carry a legacy of cultural and historic preservation in his moku. Mr. Maxwell attended Hawaiian language immersion school and learned hula at his 'ohana hālau, Pukalani Hula Hale. Mr. Maxwell has been serving on the Island Burial Council, Islands of Maui and Lana'i, for the past five years and leads the Council as its Vice Chair.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 2121 Human Services on Gov. Msg. No. 731

Recommending that the Senate advise and consent to the nomination of the following:

STATE REHABILITATION COUNCIL

G.M. No. 731 RENE BERTHIAUME, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Rene Berthiaume for service on the State Rehabilitation Council.

Your Committee received testimony in support of the nomination for the reappointment of Mr. Berthiaume from the Department of Human Services, Executive Office of Aging, and one individual.

Upon review of the testimony, your Committee finds that Mr. Mr. Berthiaume's background, experience, and commitment to public service qualify him to be nominated to the State Rehabilitation Council as a member representing business, industry, and labor. Mr. Berthiaume is currently a private consultant providing consulting in the areas of human services, housing, special needs housing, and construction. Mr. Berthiaume worked for over thirty years at Network Enterprises Inc., a community rehabilitation program in Honolulu from which he retired from his position as Vice President. Your Committee further finds that Mr. Berthiaume has been and continues to be involved in addressing the housing needs of Hawaii's vulnerable citizens and previously worked in Network Enterprises Inc.'s housing program and served as a board member for the Hawaii Public Housing Authority. Your Committee notes that Mr. Berthiaume also has a long history of working with Hawaii's non-profit agencies in housing, construction, and developing employment opportunities for individuals with disabilities and veterans. Your Committee therefore recommends that Mr. Berthiaume be reappointed to the State Rehabilitation Council based on his experience with community rehabilitation programs and extensive community involvement.

As affirmed by the record of votes of the members of your Committee on Human Services that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Fevella).

# SCRep. 2122 Transportation on Gov. Msg. Nos. 692, 693, and 694

Recommending that the Senate advise and consent to the nominations of the following:

#### STATE HIGHWAY SAFETY COUNCIL

G.M. No. 692 CHARLES HIRATA, for a term to expire 06-30-2021;

G.M. No. 693 BYRON FUJIEDA, for a term to expire 06-30-2021; and

G.M. No. 694 THOMAS NOYES, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Charles Hirata, Byron Fujieda, and Thomas Noyes for service on the State Highway Safety Council.

# CHARLES HIRATA

Your Committee received testimony in support of the nomination for the reappointment of Charles Hirata from the Department of Transportation and one individual.

Upon review of the testimony, your Committee finds that Mr. Hirata's extensive experience in law enforcement qualify him for reappointment to the State Highway Safety Council. Your Committee further finds that Mr. Hirata has over 32 years of experience at the Maui Police Department and is currently the Child Passenger Safety Coordinator for Maui County. Mr. Hirata is currently a member of the State Highway Safety Council and has provided his expertise in law enforcement, particularly in traffic enforcement, to the Council and is well versed in traffic safety issues. Your Committee believes that Mr. Hirata will continue to be a great asset for the State Highway Safety Council and provide needed expertise in law enforcement related issues.

# BYRON FUJIEDA

Your Committee received testimony in support of the nomination for the reappointment of Byron Fujieda from the Department of Transportation.

Upon review of the testimony, your Committee finds that Mr. Fujieda's extensive legal background, experience in the public sector, and dedication to traffic safety issues qualify him for reappointment to the State Highway Safety Council. Your Committee further finds that Mr. Fujieda has been with the Maui County Department of the Prosecuting Attorney for over 16 years, equipping him with necessary legal knowledge regarding various matters affecting the State. Mr. Fujieda is involved in anti-underage drinking campaigns and neighborhood watch meetings. As a current member of the State Highway Safety Council, your Committee believes that Mr. Fujieda has gained relevant knowledge of legal issues relating to traffic safety and will continue to provide valuable insight and guidance to the Council regarding such matters.

## THOMAS NOYES

Your Committee received testimony in support of the nomination for the appointment of Thomas Noyes from the Department of Transportation.

Upon review of the testimony, your Committee finds that Mr. Noyes's diverse background serving non-profit organizations and in the private and public sectors qualify him for appointment to the State Highway Safety Council. Mr. Noyes is currently the Executive Director of Kauai Path, Inc., and has experience serving the public as a former Bioterrorism Preparedness Planner IV for the Disease Outbreak Control Division of the Department of Health. Mr. Noyes is very active in the community, having served in several organizations such as the Kauai Trauma Advisory Council, Kauai Medical Reserve Corps, American Red Cross, and many more. Your Committee believes that Mr. Noyes's extensive background in various fields provide him with the foundation to address traffic safety issues and will be a great asset for the State Highway Safety Council.

As affirmed by the records of votes of the members of your Committee on Transportation that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (English, Harimoto).

# SCRep. 2123 Labor, Culture and the Arts on Gov. Msg. No. 708

Recommending that the Senate advise and consent to the nomination of the following:

#### HAWAI'I WORKFORCE DEVELOPMENT COUNCIL

G.M. No. 708 ALAN HAYASHI, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Alan Hayashi for service on the Hawaii Workforce Development Council.

Your Committee received testimony in support of the nomination for the reappointment of Mr. Hayashi from the Department of Taxation, Workforce Development Council, Chamber of Commerce Hawaii, and five individuals.

Your Committee finds that Mr. Hayashi is presently the Principal of Consult 808, a Hawaii based consulting firm specializing in project management, government, and public relations. Previously, Mr. Hayashi served as the Director of Public Relations and Policy Advocacy at BAE Systems Support Solutions for over four years, the Director of Government Relations and Community Relations at BAE Systems Spectral Solutions for over fifteen years, and the Executive Director of the Convention Center Authority for eleven years. Mr. Hayashi has served the community as a member of various boards, including the Hawaii Strategic Development Corporation, Military Affairs Council of the Chamber of Commerce Hawaii, and Army Hawaii Housing Foundation. Mr. Hayashi is currently the Vice Chair for the Workforce Development Council. In Mr. Hayashi's own testimony, he expressed his willingness to enable Hawaii to realize its full economic potential and provide good high paying jobs for its residents. Your Committee finds that Mr. Hayashi's experience as a current member of the Workforce Development Council, his professional background, and his understanding of Hawaii's workforce needs will continue to be assets to the Workforce Development Council.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Gabbard, Fevella).

### SCRep. 2124 Commerce, Consumer Protection, and Health on Gov. Msg. No. 519

Recommending that the Senate advise and consent to the nomination of the following:

# HEALTH PLANNING COUNCIL, HONOLULU SUBAREA

G.M. No. 519 COLETTE KON, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Colette Kon for service on the Health Planning Council, Honolulu Subarea.

Your Committee received testimony in support of the nomination for the appointment of Colette Kon from the State Health Planning and Development Agency and one individual.

Upon review of the testimony, your Committee finds that Ms. Kon's background and experience qualify her to be nominated for appointment to the Health Planning Council, Honolulu Subarea. Your Committee notes that Ms. Kon has an extensive background in nursing and is an Advanced Practice Registered Nurse with expertise in the geriatric population. Currently, Ms. Kon is the Patient Safety Manager for the Geriatric Extended Care Services at the Veterans Affairs Pacific Island Health Care System and previously served as the Associate Chief Nurse for the facility. Ms. Kon's past positions also include work at Pohai Nani Good Samaritan, Straub Mililani Urgent Care, Palo Alto Medical Clinic, Baystate Medical Center, Applewood at Amherst, and Kuakini Medical Center. Your Committee further finds that Ms. Kon has served as an interim member of the Health Planning Council, Honolulu Subarea since November 2018 and has a thorough understanding of the role and responsibilities of council members. Your Committee therefore recommends that Ms. Kon be appointed to the Health Planning Council, Honolulu Subarea based on her knowledge, experience, and dedication to serving her profession.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2125 Commerce, Consumer Protection, and Health on Gov. Msg. No. 704

Recommending that the Senate advise and consent to the nomination of the following:

BOARD OF DENTISTRY

G.M. No. 704 SHARON TANAKA, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Sharon Tanaka for service on the Board of Dentistry.

Your Committee received testimony in support of the nomination for the reappointment of Sharon Tanaka from the Board of Dentistry and two individuals.

Upon review of the testimony, your Committee finds that Ms. Tanaka's knowledge, background, and proven leadership on the Board of Dentistry qualify her for reappointment to the Board of Dentistry as a public member. Your Committee notes that Ms. Tanaka has over thirty years of experience in the health field, primarily as a social worker for the Department of Health's Community Services for the Developmentally Disabled Branch. Ms. Tanaka currently serves as an operations and management consultant for SET and Associates, Inc. Your Committee further finds that Ms. Tanaka has been a member of the Board of Dentistry since July 2017, and her experience and ability to provide a public perspective continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Ms. Tanaka be reappointed to the Board of Dentistry based on her background, experience, and dedication to serving the community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2126 Commerce, Consumer Protection, and Health on Gov. Msg. No. 637

Recommending that the Senate advise and consent to the nomination of the following:

# STATE BOXING COMMISSION OF HAWAII

G.M. No. 637 NANTE MANANGAN, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Nante Manangan for service on the State Boxing Commission of Hawaii.

Your Committee received testimony in support of the nomination for the reappointment of Nante Manangan from the Hawaii State Boxing Commission and two individuals.

Upon review of the testimony, your Committee finds that Mr. Manangan's background, experience, and proven leadership on the State Boxing Commission of Hawaii qualify him for reappointment to the Boxing Commission. Your Committee notes that Mr. Manangan started boxing as a teenager on Molokai in the 1960s and is the Chief Executive Officer of the Southside Boxing Club of Maui, Inc., which he founded in 1996. Mr. Manangan has been actively involved in the sport of boxing for over twenty-five years, including acting as an event promoter and as a coach in Maui for numerous boxers of different skill and age levels. Mr. Manangan is also dedicated to serving his community, especially at-risk youth. Your Committee further finds that Mr. Manangan has been a member of the Boxing Commission since July 2015, and his experience continues to enhance the effectiveness of the Commission. Your Committee therefore recommends that Mr. Manangan be reappointed to the State Boxing Commission of Hawaii based on his background, knowledge, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Ruderman).

## SCRep. 2127 Commerce, Consumer Protection, and Health on Gov. Msg. No. 503

Recommending that the Senate advise and consent to the nomination of the following:

# BOARD OF PROFESSIONAL ENGINEERS, ARCHITECTS, SURVEYORS, AND LANDSCAPE ARCHITECTS

G.M. No. 503 CLAYTON PANG, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Clayton Pang for service on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects.

Your Committee received testimony in support of the nomination for the appointment of Clayton Pang from the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects; MYM Services, LLC; and Katayama and Associates, Inc.

Upon review of the testimony, your Committee finds that Mr. Pang's background, experience, and dedication to serving the community qualify him for appointment to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects as a professional engineer member. Your Committee notes that Mr. Pang has been a licensed professional engineer in Hawaii since 1976 and is the President and Principal Electrical Engineer of his company Electech Hawaii, Inc., which provides electrical engineering consulting services in Honolulu. Mr. Pang has also been licensed as a Professional Engineer in Guam for over thirty years. Mr. Pang is active in his community, including twenty-six years as a Scoutmaster for Boy Scouts of America, and is a member of several professional organizations, including the Association of Energy Engineers and the National Society of Professional Engineers. Your Committee further finds that Mr. Pang previously served on the Board of Professional Engineers, Architects, Surveyors, and Landscape

Architects from 2009 to 2017, has served as an interim member of the current Board since January 2019, and his electrical engineering experience continues to be an asset to the Board. Your Committee therefore recommends that Mr. Pang be appointed to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects based on his background, experience, and commitment to his profession.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2128 Commerce, Consumer Protection, and Health on Gov. Msg. No. 507

Recommending that the Senate advise and consent to the nomination of the following:

# HAWAI'I BOARD OF VETERINARY MEDICINE

G.M. No. 507 CRAIG NISHIMOTO, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Craig Nishimoto for service on the Hawaii Board of Veterinary Medicine.

Your Committee received testimony in support of the nomination for the appointment of Craig Nishimoto from the Hawaii Board of Veterinary Medicine and three individuals.

Upon review of the testimony, your Committee finds that Dr. Nishimoto's knowledge, background, and commitment to public service qualify him for appointment to the Hawaii Board of Veterinary Medicine as a licensee member. Your Committee notes that Dr. Nishimoto has been a licensed veterinarian in Hawaii since 1984 and is the owner of Paradise Animal Clinic in Kalaheo, Kauai. According to testimony received by your Committee, Dr. Nishimoto has extensive experience practicing large animal medicine and surgery and has particular expertise in the treatment of cancers. Dr. Nishimoto is also an active member of his community, including serving as an executive board member of the Rotary Club of Poipu Beach, organizing voluntary veterinary missions to America Samoa and Cambodia, serving as a past President of the Hawaii Veterinary Medical Association, and previously serving on the Hawaii Board of Veterinary Examiners from 1997 to 2001. Your Committee further finds that Dr. Nishimoto has served as an interim member of the Hawaii Board of Veterinary Medicine since June 2018 and his experience continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Nishimoto be appointed to the Hawaii Board of Veterinary Medicine based on his background, knowledge, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2129 Commerce, Consumer Protection, and Health on Gov. Msg. No. 533

Recommending that the Senate advise and consent to the nomination of the following:

# POLICY ADVISORY BOARD FOR ELDER AFFAIRS

G.M. No. 533 WILLIAM KINAKA, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by William Kinaka for service on the Policy Advisory Board for Elder Affairs.

Your Committee received testimony in support of the nomination for the appointment of William Kinaka from the Executive Office on Aging, Policy Advisory Board for Elder Affairs, and one individual.

Upon review of the testimony, your Committee finds that Mr. Kinaka's background, experience, and commitment to public service qualify him to be nominated for appointment to the Policy Advisory Board for Elder Affairs. Your Committee notes that Mr. Kinaka served for thirty-five years as the legal counsel for Hale Mahaolu Elder Housing Corporation and, since his retirement, has been active on its Board of Directors. Mr. Kinaka also served for over thirty-five years on the Board of Maui Adult Day Care Centers, including approximately twenty years as its President. Your Committee further finds that Mr. Kinaka, now an elder himself, acted as a caregiver for his parents and mother-in-law, and therefore has experience with elder issues from a personal standpoint. Your Committee finds that Mr. Kinaka has served as an interim member on the Policy Advisory Board for Elder Affairs since July 2018 and his legal experience and history as an advocate and supporter of Hawaii's kupuna will continue to be assets to the Board. Therefore, your Committee recommends that Mr. Kinaka be appointed to the Policy Advisory Board for Elder Affairs based on his knowledge, experience, and commitment to Hawaii's kupuna.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Ruderman).

## SCRep. 2130 Commerce, Consumer Protection, and Health on Gov. Msg. No. 636

Recommending that the Senate advise and consent to the nomination of the following:

# MENTAL HEALTH & SUBSTANCE ABUSE, O'AHU SERVICE AREA BOARD

G.M. No. 636 CHERYL GUZIKOWSKI, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Cheryl Guzikowski for service on the Mental Health and Substance Abuse, O'ahu Service Area Board.

Your Committee received testimony in support of the nomination for the appointment of Cheryl Guzikowski from the Department of Health and eight individuals.

Upon review of the testimony, your Committee finds that Dr. Guzikowski's background and experience qualify her to be nominated for appointment to the Mental Health and Substance Abuse, O'ahu Service Area Board. Your Committee notes that Dr. Guzikowski has been working as a pharmacist since 2005 and is a Clinical Coordinator for the Hawaii Homeless Healthcare Hui and was previously the On Call Pharmacist at Queens Development Corporation—Rehabilitation Hospital of the Pacific. Your Committee further finds that Dr. Guzikowski is committed to community service and has volunteered with Hawaii Marine Animal Response and Hawaii Homeless Healthcare Hui. Dr. Guzikowski is a passionate advocate for decreasing stigma associate with mental health treatment, especially as it relates to the homeless population. Your Committee notes that Dr. Guzikowski's experience as a pharmacist has enabled her to turn complex medical terms into more user friendly language for non-medically trained audiences, which will be an asset to the Mental Health and Substance Abuse, O'ahu Service Area Board. Your Committee therefore recommends that Dr. Guzikowski be appointed to the Mental Health and Substance Abuse, O'ahu Service Area Board based on her knowledge, experience, and dedication to community service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2131 Commerce, Consumer Protection, and Health on Gov. Msg. No. 640

Recommending that the Senate advise and consent to the nomination of the following:

# HAWAI'I ADVISORY COMMISSION ON DRUG ABUSE AND CONTROLLED SUBSTANCES

G.M. No. 640 ANITA CIARLEGLIO, for a term to expire 06-30-2020

Your Committee reviewed the personal history, resume, and statement submitted by Anita Ciarleglio for service on the Hawaii Advisory Commission on Drug Abuse and Controlled Substances.

Your Committee received testimony in support of the nomination for the appointment of Anita Ciarleglio from the Department of Health and two individuals.

Upon review of the testimony, your Committee finds that Dr. Ciarleglio's background, knowledge, and commitment to public service qualify her to be nominated for appointment to the Hawaii Advisory Commission on Drug Abuse and Controlled Substances. Your Committee notes that Dr. Ciarleglio is a registered pharmacist and Assistant Professor at the Department of Pharmacy Practice of the University of Hawaii at Hilo, Daniel K. Inouye College of Pharmacy. Dr. Ciarleglio has spent almost twenty years in the pharmacy field and her numerous achievements include being instrumental in coordinating the University of Hawaii at Hilo Daniel K. Inouye College of Pharmacy curriculum, establishing a practice site at Maui Memorial Medical Center in Acute Medicine, developing the first Community Pharmacy Residency Program in Hawaii, and establishing a longitudinal rotation on medication safety in the elderly on Maui. Your Committee further finds that Dr. Ciarleglio's experience working on the neighbor islands, which are under-represented on the Hawaii Advisory Commission on Drug Abuse and Controlled Substances, and her extensive knowledge of pharmacological procedures, will be valuable assets to the Advisory Commission. Your Committee therefore recommends that Dr. Ciarleglio be appointed to the Hawaii Advisory Commission on Drug Abuse and Controlled Substances based on her knowledge, experience, and dedication to fostering her profession.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2132 Commerce, Consumer Protection, and Health on Gov. Msg. No. 679

Recommending that the Senate advise and consent to the nomination of the following:

# BOARD OF DIRECTORS OF THE HAWAI'I HEALTH SYSTEMS CORPORATION

G.M. No. 679 DOUGLASS ADAMS, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Douglass Adams for service on the Board of Directors of the Hawai'i Health Systems Corporation.

Your Committee received testimony in support of the nomination for the appointment of Douglass Adams from the Hawaii Health Systems Corporation Board of Directors, East Hawaii Region of the Hawaii Health Systems Corporation, and five individuals.

Upon review of the testimony, your Committee finds that Mr. Adams' background, knowledge, and commitment to public service qualify him to be nominated for appointment to the Board of Directors of the Hawai'i Health Systems Corporation. Your Committee notes that Mr. Adams is an attorney with an extensive record of public service. Mr. Adams has volunteered with many organizations in Hawaii, including Ku'ikahi Mediation Center, Community First Physical Selection and Subsidy Committee, Steering Committee of the East Hawai'i Regional Health Improvement Collaborative, Sunrise Aloha LLC, and W.H. Shipman, Ltd. Your Committee further finds that Mr. Adams was a member of the Hawai'i Health Systems Corporation East Hawai'i Region's Board of Directors from 2015 through 2018 and is currently the East Hawai'i Region representative to the Corporate Board, where he chairs the Finance and Information Systems Committee and serves on the Audit and Compliance Committee. Your Committee finds that Mr. Adams' legal experience and familiarity with the operations of the Hawai'i Health Systems Corporation will enhance the effectiveness of the Corporate Board. Your Committee therefore recommends that Mr. Adams be appointed to the Board of Directors of the Hawai'i Health Systems Corporation based on his knowledge, experience, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2133 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 525, 526, and 527

Recommending that the Senate advise and consent to the nominations of the following:

#### LANGUAGE ACCESS ADVISORY COUNCIL

G.M. No. 525 LYDIA PAVON, for a term to expire 06-30-2020;

G.M. No. 526 SHIRLEY SCHUMACHER, for a term to expire 06-30-2020; and

G.M. No. 527 JADE WONG, for a term to expire 06-30-2021

Your Committee reviewed the personal histories, resumes, and statements submitted by Lydia Pavon, Shirley Schumacher, and Jade Wong for service on the Language Access Advisory Council.

# LYDIA PAVON

Your Committee received testimony in support of the nomination for the appointment of Lydia Pavon from the Office of Language Access

Upon review of the testimony, your Committee finds that Ms. Pavon's background, knowledge, and experience qualify her to be nominated for appointment to the Language Access Advisory Council representing an advocacy organization that provides services to limited English proficient persons. Your Committee notes that Ms. Pavon has been employed at the Domestic Violence Action Center in various roles since 2014, including as a Family Assistance Counselor, Legal Advocate, Program Manager, and currently, as an Advocacy Manager. Through her work at the Domestic Violence Action Center, Ms. Pavon has worked with and advocated for immigrants from all over the world, which has given her firsthand knowledge about the challenges faced by the State's diverse limited English proficient persons. Your Committee also notes that Ms. Pavon is certified by the Hawaii State Judiciary as a court interprete for Ilokano and Tagalog. Your Committee further finds that Ms. Pavon has served as an interim member of the Language Access Advisory Council since July 2018 and has a thorough understanding of the role and responsibilities of council members. Your Committee therefore recommends that Ms. Pavon be appointed to the Language Access Advisory Council based on her knowledge, experience, and advocacy work with limited English proficient persons.

### SHIRLEY SCHUMACHER

Your Committee received testimony in support of the nomination for the appointment of Shirley Schumacher from the Office of Language Access and three individuals.

Upon review of the testimony, your Committee finds that Ms. Schumacher's background and experience qualify her to be nominated for appointment to the Language Access Advisory Council as a representative from Maui County. Your Committee notes that Ms. Schumacher has nearly thirty years of experience in the medical intake field and as a medical interpreter. Ms. Schumacher is currently employed in the Admitting Department of Maui Memorial Medical Center, where she works extensively with patients that have limited English proficiency and consistently advocates for patients and family members needing interpreting and translation. Your Committee notes that Ms. Schumacher is multilingual and speaks Spanish, Tagalog, and Visayan. Your Committee further finds that Ms. Schumacher has served as an interim member of the Language Access Advisory Council since June 2018, has a thorough understanding of the role and responsibilities of council members, and her unique perspective as a resident of a neighbor island will be a valuable asset to the Council. Therefore, your Committee recommends that Ms. Schumacher be appointed to the Language Access Advisory Council based on her knowledge and experience with limited English proficient persons in medical settings.

## JADE WONG

Your Committee received testimony in support of the nomination for the appointment of Jade Wong from the Office of Language Access.

Your Committee finds that Ms. Wong's background and experience qualify her to be nominated for appointment to the Language Access Advisory Council as a representative from the City and County of Honolulu. Your Committee further finds that Ms. Wong is an attorney with a background in immigration law. Ms. Wong is currently a Compliance Officer with 'ike where she manages compliance and department budgets for the 'ike family of companies. Ms. Wong previously worked for the Hawaii Civil Rights Commission and holds a Hawaii State Judiciary Certificate Tier 1 in Spanish. Over the course of her career, Ms. Wong has interpreted for her clients in legal settings such as interviews, meetings, hearings, and immigration proceedings. Your Committee notes that Ms. Wong is an active member of the Hawaii Immigrant Justice Center Advisory Committee and served as president of La Alianza for three years. Your Committee further finds that Ms. Wong's experience with obstacles unique to the legal field presented by lack of language access will be a valuable asset to the Language Access Advisory Council. Your Committee therefore recommends that Ms. Wong be appointed to the Language Access Advisory Council based on her knowledge, experience, and dedication to immigrant advocacy.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

#### SCRep. 2134 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 518 and 520

Recommending that the Senate advise and consent to the nominations of the following:

# HEALTH PLANNING COUNCIL, HONOLULU SUBAREA

G.M. No. 518 KATHERINE DAVIS, for a term to expire 06-30-2020; and

G.M. No. 520 HILARY OKUMURA, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Katherine Davis and Hilary Okumura for service on the Health Planning Council, Honolulu Subarea.

#### KATHERINE DAVIS

Your Committee received testimony in support of the nomination for the appointment of Katherine Davis from the State Health Planning and Development Agency, Hawai'i State Center for Nursing, and one individual.

Upon review of the testimony, your Committee finds that Dr. Davis' background, knowledge, and dedication to public service qualify her to be nominated for appointment to the Health Planning Council, Honolulu Subarea. Your Committee notes that Dr. Davis has over twenty-five years of experience as a pediatric nurse, nurse practitioner, and researcher and is experienced across disciplines and health systems. Currently, Dr. Davis is the Director for Community Partnerships at the University of Hawai'i at Mānoa School of Nursing and Dental Hygiene, Associate Director for Evidence-Based Practice at the Hawaii State Center for Nursing, Nurse Researcher for The Queen's Medical Center, and Quality Director for the Hawaii Keiki: Health and Ready to Learn Program with the Department of Education. Your Committee further finds that Dr. Davis has shown remarkable dedication to community service, serving on over seventeen boards and committees, as a peer review editor for multiple publications, and as an interim member of the Health Planning Council, Honolulu Subarea, a position she has held since August 2018. Your Committee therefore recommends that Dr. Davis be appointed to the Health Planning Council, Honolulu Subarea based on her knowledge, experience, and dedication to serving her profession and community.

# HILARY OKUMURA

Your Committee received testimony in support of the nomination for the appointment of Hilary Okumura from the State Health Planning and Development Agency and two individuals.

Upon review of the testimony, your Committee finds that Ms. Okumura's background and knowledge qualify her to be nominated for appointment to the Health Planning Council, Honolulu Subarea. Your Committee further finds that Ms. Okumura has served in the long-term care industry for the past eight years, was the Administrator for Arcadia Home Health Services for three years, and is currently the Administrator for Nuuanu Hale. Your Committee notes that Ms. Okumura also has experience working with Na Pu'uwai Native Hawaiian Health Care System for the islands of Molokai and Lanai and is familiar with issues relating to access to care and the lack of long-term care services on those islands and has volunteered at several agencies to enhance her health management and community-based health programs knowledge. Your Committee finds that Ms. Okumura's experience with long-term care in both rural and urban settings will be an asset to the Council. Therefore, your Committee recommends that Ms. Okumura be appointed to the Health Planning Council, Honolulu Subarea based on her knowledge and experience.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2135 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 537 and 538

Recommending that the Senate advise and consent to the nominations of the following:

# STATE COUNCIL ON MENTAL HEALTH

G.M. No. 537 CANDICE KIRBY, for a term to expire 06-30-2022; and

G.M. No. 538 CHRISTOPHER KNIGHTSBRIDGE, for a term to expire 06-30-2021

Your Committee reviewed the personal histories, resumes, and statements submitted by Candice Kirby and Christopher Knightsbridge for service on the State Council on Mental Health.

#### CANDICE KIRBY

Your Committee received testimony in support of the nomination for the appointment of Candice Kirby from the Department of Health.

Your Committee finds that Ms. Kirby's background, knowledge, and experience qualify her to be nominated for appointment to the State Council on Mental Health representing families of children with serious emotional disturbance. Your Committee notes that Ms. Kirby is a social worker with more than ten years of experience working with youth and families, including as a Child Welfare Resource Specialist, Community Outreach Case Manager, Family Preservation Specialist, and School Based Counselor. Currently, Ms. Kirby is a Parent Partner with Ohana Support Services where she works closely with youth and families affiliated with the Child and Adolescent Mental Health Division in Kailua-Kona to provide assistance and referrals to appropriate community resources. Your Committee finds that Ms. Kirby's experience as a family member of someone diagnosed with a mental health concern and her professional experience with the mental health community in West Hawaii will bring a valuable perspective to the State Council on Mental Health. Your Committee further finds that Ms. Kirby has served as an interim member of the State Council on Mental Health since July 2018 and has a thorough understanding of the role and responsibilities of council members. Your Committee therefore recommends that Ms. Kirby be appointed to the State Council on Mental Health based on her knowledge and experience.

# CHRISTOPHER KNIGHTSBRIDGE

Your Committee received testimony in support of the nomination for the appointment of Christopher Knightsbridge from the Department of Health and one individual.

Your Committee finds that Mr. Knightsbridge's background, experience, and advocacy work qualify him to be nominated for appointment to the State Council on Mental Health representing adults with serious mental illnesses who are receiving, or have received, mental health services. Your Committee notes that Mr. Knightsbridge served in the Air Force, spent time teaching English in South Korea, Thailand, and Japan, and earned a Master's degree in Clinical Psychology. Currently, Mr. Knightsbridge is a doctoral candidate in clinical psychology. Your Committee notes the eloquence with which Mr. Knightsbridge conveys his and his families' struggle with mental illness and homelessness and finds that Mr. Knightsbridge's communication skills and social media advocacy experience, along with a unique perspective that has been shaped by his personal experiences, will be assets to the State Council on Mental Health. Your Committee further finds that Mr. Knightsbridge has served as an interim member of the State Council on Mental Health since September 2018 and has a thorough understanding of the role and responsibilities of council members. Your Committee therefore recommends that Mr. Knightsbridge be appointed to the State Council on Mental Health based on his knowledge, experience, and dedication to mental health advocacy.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Thielen, Fevella).

# SCRep. 2136 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 504, 505, and 506

Recommending that the Senate advise and consent to the nominations of the following:

# HAWAI'I BOARD OF OPTOMETRY

G.M. No. 504 KENNETH CHIN, for a term to expire 06-30-2022;

G.M. No. 505 SCOTT KUBOTA, for a term to expire 06-30-2019; and

G.M. No. 506 SCOTT KUBOTA, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Kenneth Chin and Scott Kubota for service on the Hawaii Board of Optometry.

# KENNETH CHIN

Your Committee received testimony in support of the nomination for the appointment of Kenneth Chin from the Hawaii Board of Optometry.

Upon review of the testimony, your Committee finds that Dr. Chin's background, experience, and commitment to serving his community qualify him for appointment to the Hawaii Board of Optometry as an optometrist member. Your Committee notes that Dr. Chin is an optometrist in private practice and has been licensed in Hawaii since 1990. Your Committee further finds that Dr. Chin has served as an interim member of the Hawaii Board of Optometry since July 2018 and his extensive experience continues to be an asset to the Board. According to testimony received by your Committee, Dr. Chin is very familiar with the Hawaii Board of Optometry's responsibilities and tasks, including granting licenses and disciplining licensees, establishing and amending the Board's administrative rules, and enforcing provisions governing the practice of optometry in the State. Your Committee therefore recommends that Dr. Chin be appointed to the Hawaii Board of Optometry based on his background, experience, and dedication to public service.

#### SCOTT KUBOTA

Your Committee received testimony in support of the nomination for the appointment and reappointment of Scott Kubota from the Hawaii Board of Optometry, Hawaii Optometric Association, and one individual.

Upon review of the testimony, your Committee finds that Mr. Kubota's professional experience, background, and desire to serve his community qualify him for consideration for appointment and reappointment to the Hawaii Board of Optometry as a public member. Your Committee notes that Mr. Kubota has been a litigation attorney for over thirty-five years. Mr. Kubota is also an active member in professional and community organizations, including serving as the past president of Hawaii Kai Youth Baseball, Inc. Your Committee further finds that Mr. Kubota has served as an interim member of the Hawaii Board of Optometry since July 2018 and his ability to provide a perspective from the public's point of view and advocate for consumer safety, continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Kubota be appointed and reappointed to the Hawaii Board of Optometry based on his background, knowledge, and desire to contribute to the community.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2137 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 592 and 593

Recommending that the Senate advise and consent to the nominations of the following:

#### BOARD OF PHYSICAL THERAPY

G.M. No. 592 CYNTHIA TAMAYO, for a term to expire 06-30-2023; and

G.M. No. 593 MICHAEL TURNER, for a term to expire 06-30-2021

Your Committee reviewed the personal histories, resumes, and statements submitted by Cynthia Tamayo and Michael Turner for service on the Board of Physical Therapy.

#### CYNTHIA TAMAYO

Your Committee received testimony in support of the nomination for the appointment of Cynthia Tamayo from the Department of Commerce and Consumer Affairs, Hawaii Chapter of the American Physical Therapy Association, and two individuals.

Upon review of the testimony, your Committee finds that Ms. Tamayo's background, experience, and prior leadership on the Board of Physical Therapy qualify her for appointment to the Board of Physical Therapy as a physical therapist member. Your Committee notes that Ms. Tamayo has been a practicing physical therapist for over thirty-five years and is the Rehabilitation Department Manager for Shriners Hospital for Children, a position she has held since 2001. Your Committee also notes that Ms. Tamayo presently serves as Chair of the Ethics Committee for the Hawaii Chapter of the American Physical Therapy Association and has a demonstrated commitment to advancing the physical therapy profession. Your Committee further finds that Ms. Tamayo has a thorough understanding of the role and responsibilities of board members by virtue of her previous two-term experience on the Board of Physical Therapy, including two years as Chair. Your Committee therefore recommends that Ms. Tamayo be appointed to the Board of Physical Therapy based on her knowledge, experience, and commitment to serving the public.

#### MICHAEL TURNER

Your Committee received testimony in support of the nomination for the reappointment of Michael Turner from the Board of Physical Therapy, Hawaii Chapter of the American Physical Therapy Association, and two individuals.

Upon review of the testimony, your Committee finds that Dr. Turner's background, experience, and proven leadership on the Board of Physical Therapy qualify him for reappointment to the Board of Physical Therapy as a physical therapist member. Your Committee notes that Dr. Turner has been a practicing physical therapist for over twenty-five years, received his Doctor of Physical Therapy in 2012, and is the owner, manager, and practicing primary physical therapist for his private group practice, OrthoSport Hawaii. Dr. Turner has been a member of the Board of Physical Therapy for at least ten years, served as the former Vice President of the Colorado Chapter of the American Physical Therapy Association, and served on the legislative committee for the Hawaii Chapter of the American Physical Therapy Association. Your Committee further finds that Dr. Turner has been a member of the Board of Physical Therapy since July 2015, and his experience and background continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Turner be reappointed to the Board of Physical Therapy based on his knowledge and commitment to his profession.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2138 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 656 and 657

Recommending that the Senate advise and consent to the nominations of the following:

### STATE BOARD OF PUBLIC ACCOUNTANCY

G.M. No. 656 JOHN ROBERTS, for a term to expire 06-30-2023; and

G.M. No. 657 TERRENCE ARATANI, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by John Roberts and Terrence Aratani for service on the State Board of Public Accountancy.

#### JOHN ROBERTS

Your Committee received testimony in support of the nomination for the reappointment of John Roberts from the Board of Public Accountancy; Hawaii Association of Public Accountants; Matsumoto Group; Isaac W. Choy, CPA, Inc.; and one individual.

Upon review of the testimony, your Committee finds that Mr. Roberts' background, knowledge, and proven leadership on the State Board of Public Accountancy qualify him to be nominated for reappointment to the State Board of Public Accountancy as a licensed and actively practicing Certified Public Accountant member. Your Committee notes that Mr. Roberts has been a Certified Public Accountant for over twenty-five years with a wide variety of public accounting experience for a broad range of clients and in a number of industries and is currently a Principal of Niwao and Roberts, CPAs, a Professional Corporation, in Wailuku, Maui. Mr. Roberts is committed to public service and has been an active member of several community and professional organizations, including serving on the State of Hawaii Tax Review Commission and as the former President of the Hawaii Association of Public Accountants. Your Committee further finds that Mr. Roberts has been a member of the State Board of Public Accountancy since July 2016 and his extensive experience continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Roberts be reappointed to the State Board of Public Accountancy based on his knowledge, experience, and commitment to public service.

#### TERRENCE ARATANI

Your Committee received testimony in support of the nomination for the reappointment of Terrence Aratani from the Board of Public Accountancy; Hawaii Association of Public Accountants; Hawai'i Primary Care Association; Niwao and Roberts, CPAs, a Professional Corporation; Honolulu Community Action Program, Inc.; and one individual.

Upon review of the testimony, your Committee finds that Mr. Aratani's background, experience, and proven leadership on the State Board of Public Accountancy qualify him to be nominated for reappointment to the State Board of Public Accountancy as a public member. Your Committee notes that Mr. Aratani is an attorney and the current Chief Executive Officer for Koʻolauloa Health Center and previously spent a number of years working in state government. Mr. Aratani served in the Hawaii State Senate in a variety of roles, including Staff Attorney, Committee Clerk, Legislative Aide, and finally, Chief of Staff for the Office of the Senate President. Mr. Aratani is dedicated to public service and has extensive experience serving on various boards, including Chairman of Liahona Youth Empowerment and Board Secretary for the Hawaii State Federal Credit Union. Your Committee further finds that Mr. Aratani has been a member of the State Board of Public Accountancy since July 2016, currently serves as the Board's Legislation and Rules Committee Chair, and his knowledge and insight continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Aratani be reappointed to the State Board of Public Accountancy based on his experience and dedication to community service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2139 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 658 and 659

Recommending that the Senate advise and consent to the nominations of the following:

# BOARD OF PHARMACY

G.M. No. 658 SHERI TOKUMARU, for a term to expire 06-30-2020; and

G.M. No. 659 CATALINA CROSS, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Sheri Tokumaru and Catalina Cross for service on the Board of Pharmacy.

# SHERI TOKUMARU

Your Committee received testimony in support of the nomination for the appointment of Sheri Tokumaru from the Department of Commerce and Consumer Affairs; University of Hawai'i at Hilo, Daniel K. Inouye College of Pharmacy; The Queen's Medical Center; and one individual.

Upon review of the testimony, your Committee finds that Dr. Tokumaru's knowledge, experience, and commitment to public service qualify her to be nominated for appointment to the Board of Pharmacy as a licensee member. Your Committee notes that Dr. Tokumaru has more than twenty years of experience in the field of pharmacy on the mainland and in Hawaii, holds active pharmacist licenses in both Hawaii and California, and is a board-certified Critical Care Specialist. Dr. Tokumaru is the current Director of Interprofessional Education and Development at the University of Hawaii at Hilo, Daniel K. Inouye College of Pharmacy, the Residency Program Director at The Queen's Medical Center, and an Associate Professor/Clinical Pharmacist in the Neurosciences Intensive Care Unit at The Queen's Medical Center. Dr. Tokumaru is also active in numerous national and local professional organizations. Your Committee further finds that Dr. Tokumaru has a thorough understanding of the role and responsibilities of board members and her experience as an advanced practice critical care pharmacist will be an asset to the Board of Pharmacy. Your Committee therefore recommends that Dr. Tokumaru be appointed to the Board of Pharmacy based on her experience, knowledge, and dedication to serving her community.

# **CATALINA CROSS**

Your Committee received testimony in support of the nomination for the appointment of Catalina Cross from the Department of Commerce and Consumer Affairs; Department of Health; University of Hawai'i at Hilo, Daniel K. Inouye College of Pharmacy; The Queen's Health Systems; SanHi Government Strategies, LLLP; and two individuals.

Upon review of the testimony, your Committee finds that Dr. Cross's experience, knowledge, and dedication to community service qualify her to be nominated for appointment to the Board of Pharmacy as a public member. Your Committee notes that Dr. Cross has nearly twenty-five years of experience in sales and management and is the current Director of Pharmacy/HIPAA Privacy Officer for Times Supermarket, where she manages the operations of its thirteen pharmacies. Dr. Cross also teaches an online pharmacy leadership course for the University of Hawaii at Hilo, Daniel K. Inouye College of Pharmacy. Dr. Cross is actively involved with her community, including volunteering with the American Diabetes Association; is a member of the Health Care Compliance Association and the College of Pharmacy's Dean's Council; and serves as co-chair for the Maui Community Partner Health Coalition. Your Committee further finds that Dr. Cross has a thorough understanding of the role and responsibilities of board members and her professional experience will be an asset to the Board of Pharmacy. Your Committee therefore recommends that Dr. Cross be appointed to the Board of Pharmacy based on her experience, background, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2140 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 626 and 627

Recommending that the Senate advise and consent to the nominations of the following:

# ELEVATOR MECHANICS LICENSING BOARD

G.M. No. 626 ROBERT GREIG, for a term to expire 06-30-2019; and

G.M. No. 627 ROBERT GREIG, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Robert Greig for service on the Elevator Mechanics Licensing Board.

Your Committee received testimony in support of the nomination for the appointment and reappointment of Robert Greig from the Department of Commerce and Consumer Affairs; International Union of Elevator Constructors, Local Union No. 126, AFL-CIO; and two individuals.

Upon review of the testimony, your Committee finds that Mr. Greig's background and desire to serve the community qualify him to be nominated for appointment and reappointment to the Elevator Mechanics Licensing Board as a licensee member. Your Committee notes that Mr. Greig has been a licensed elevator mechanic for ten years and currently works at KONE, Inc., a position he has held since 2012. Prior to that, Mr. Greig worked as a mechanic at Otis Elevator, where he serviced and maintained elevators and escalators at the Daniel K. Inouye International Airport. Mr. Greig is also the Vice President of the International Union of Elevator Constructors, Local 126 and an instructor at the National Elevator Industry Education Program, where he helps new apprentices learn the elevator trade. Mr. Greig is active in his community, including serving at church events that benefit the homeless. Your Committee further finds that Mr. Greig has a thorough understanding of the role and responsibilities of board members and is familiar with the issues and concerns facing his industry. Your Committee therefore recommends that Mr. Greig be appointed and reappointed to the Elevator Mechanics Licensing Board based on his background, knowledge, and desire to contribute to the community.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2141 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 614, 616, and 619

Recommending that the Senate advise and consent to the nominations of the following:

# HAWAI'I MEDICAL BOARD

G.M. No. 614 PETER HALFORD, for a term to expire 06-30-2022;

G.M. No. 616 MICHAEL JAFFE, for a term to expire 06-30-2023; and

G.M. No. 619 DARREN EGAMI, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Peter Halford, Michael Jaffe, and Darren Egami for service on the Hawaii Medical Board.

## PETER HALFORD

Your Committee received testimony in support of the nomination for the reappointment of Peter Halford from the Hawaii Medical Board, The Queen's Health Systems, University of Hawaii John A. Burns School of Medicine, and two individuals.

Upon review of the testimony, your Committee finds that Dr. Halford's background, experience, and proven leadership on the Hawaii Medical Board qualify him for reappointment to the Hawaii Medical Board as a surgeon member. Your Committee notes that Dr. Halford has been licensed in Hawaii since 1972 and is a board-certified surgeon. Dr. Halford has held a number of positions with The Queen's Medical Center, including Vice-Chief and Chief of Staff, and currently serves as chairperson for the Credentials Committee, which requires him to be familiar with the license requirements and scope of practice for physicians. Dr. Halford has also been on faculty at the University of Hawaii John A. Burns School of Medicine for twenty-five years, where he currently serves as the Director of Surgical Education. Your Committee further finds that Dr. Halford has been a member of the Hawaii Medical Board since July 2014, and his professional experience and background in credentialing and peer review continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Halford be reappointed to the Hawaii Medical Board based on his background and commitment to public service.

# MICHAEL JAFFE

Your Committee received testimony in support of the nomination for the appointment of Michael Jaffe from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Dr. Jaffe's background, experience, and dedication to the community qualify him for appointment to the Hawaii Medical Board as an osteopathic physician member. Your Committee notes that Dr. Jaffe is semi-retired after twenty-one years of practice at Kaiser Permanente San Diego, is board-certified by the American College of Physical Medicine and Rehabilitation, and has been licensed in Hawaii since June 2017. Dr. Jaffe is an osteopathic physician who specializes in physical medicine, rehabilitation, and pain management and is currently in private practice at Hawaii Brain and Spine. Dr. Jaffe also regularly performs lectures at the University of Hawaii John A. Burns School of Medicine and local hospitals concerning safe opiate prescribing practices. Dr. Jaffe is also actively engaged in his community, including serving as a Cub Scout leader in Kailua. Your Committee further finds that Dr. Jaffe has a thorough understanding of the role and responsibilities of board members and his experience and insights will be assets to the Hawaii Medical Board. Your Committee therefore recommends that Dr. Jaffe be appointed to the Hawaii Medical Board based on his knowledge and commitment to public service.

#### DARREN EGAMI

Your Committee received testimony in support of the nomination for the reappointment of Darren Egami from the Hawaii Medical Board and Urgent Care West Maui.

Upon review of the testimony, your Committee finds that Dr. Egami's experience, background, and proven leadership on the Hawaii Medical Board qualify him for reappointment to the Hawaii Medical Board as a physician member. Your Committee notes that Dr. Egami is a board-certified orthopedic surgeon with a subspecialty certification in sports medicine, who is in private practice on Maui and has been licensed in Hawaii since 1994. Dr. Egami previously served as Medical Staff President of the Aloha Surgery Center for twelve years, and prior to that, served as Chief of Staff at Maui Memorial Medical Center. Dr. Egami is also actively involved in his professional organizations, including serving as the former President of the Maui County Medical Society and the Hawaii Orthopaedic Association. Your Committee further finds that Dr. Egami has been a member of the Hawaii Medical Board since November 2014, and his insight and experience as a neighbor island surgeon specializing in orthopedics continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Egmai be reappointed to the Hawaii Medical Board based on his background and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2142 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 673 and 674

Recommending that the Senate advise and consent to the nominations of the following:

# STATEWIDE HEALTH COORDINATING COUNCIL

G.M. No. 673 COLETTE MASUNAGA, for a term to expire 06-30-2022; and

G.M. No. 674 HILARY OKUMURA, for a term to expire 06-30-2021

Your Committee reviewed the personal histories, resumes, and statements submitted by Colette Masunaga and Hilary Okumura for service on the Statewide Health Coordinating Council.

# **COLETTE MASUNAGA**

Your Committee received testimony in support of the nomination for the appointment of Colette Masunaga from the State Health Planning and Development Agency, The Queen's Health Systems, Healthcare Association of Hawaii, and eight individuals.

Upon review of the testimony, your Committee finds that Ms. Masunaga's background, experience, and commitment to public service qualify her to be nominated for appointment to the Statewide Health Coordinating Council. Your Committee notes that Ms. Masunaga is currently a Legislative Analyst with The Queen's Health Systems, Government Relations and External Affairs, where she manages city, county, state, and federal issues related to health care policy and regulation for The Queen's Health Systems. Ms. Masunaga previously worked in Washington, D.C. as a Legislative Analyst for the late Congressman Mark Takai, where she

focused on policy issues including health care and senior services. Your Committee further finds that Ms. Masunaga's experience with health care policy issues at the federal and state level will provide a valuable point of view to the Statewide Health Coordinating Council and therefore recommends that Ms. Masunaga be appointed to the Statewide Health Coordinating Council based on her knowledge and experience.

#### HILARY OKUMURA

Your Committee received testimony in support of the nomination for the appointment of Hilary Okumura from the State Health Planning and Development Agency and three individuals. Your Committee received testimony in opposition to the nomination for the appointment of Hilary Okumura from one individual.

Upon review of the testimony, your Committee finds that Ms. Okumura's background and experience qualify her to be nominated for appointment to the Statewide Health Coordinating Council. Your Committee notes that Ms. Okumura has been in the long-term care industry for the past eight years and is currently the Administrator for Nuuanu Hale. Ms. Okumura is active in the community and has volunteered with the Hawaii State Office of Health Care Assurance, Kidney Health and Diabetes Management Program, and Kapiolani Medical Center for Women and Children. Your Committee further finds that Ms. Okumura also worked with Na Pu'uwai Native Hawaiian Health Care System for the islands of Molokai and Lanai and her familiarity with issues relating to access to care on those islands will provide valuable insight to the Statewide Health Coordinating Council. Your Committee therefore recommends that Ms. Okumura be appointed to the Statewide Health Coordinating Council based on her experience, knowledge, and dedication to the long-term care industry.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2143 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 660 and 662

Recommending that the Senate advise and consent to the nominations of the following:

# STATE COUNCIL ON DEVELOPMENTAL DISABILITIES

G.M. No. 660 MARY BROGAN, for a term to expire 06-30-2023; and

G.M. No. 662 JOSHUA IGE, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Mary Brogan and Joshua Ige for service on the State Council on Developmental Disabilities.

### MARY BROGAN

Your Committee received testimony in support of the nomination for the reappointment of Mary Brogan from the Department of Human Services, State Council on Developmental Disabilities, Executive Office on Aging, Special Parent Information Network, Easterseals Hawaii, The Arc of Kona, Full Life, and two individuals.

Upon review of the testimony, your Committee finds that Ms. Brogan's background, knowledge, and experience qualify her to be nominated for reappointment to the State Council on Developmental Disabilities as a representative of the Department of Health. Your Committee notes that Ms. Brogan has worked in the disabilities field for over twenty years and is currently the Administrator of the Developmental Disabilities Division of the Department of Health, where she leads the statewide system of supports and services for persons with intellectual and developmental disabilities. Ms. Brogan is also heavily involved with the Executive Office on Aging's No Wrong Door Initiative and the National Association of State Developmental Disabilities Directors. Your Committee finds that Ms. Brogan has been a member of the State Council on Developmental Disabilities since 2018 and her extensive experience serving children and families in the State continues to enhance the effectiveness of the Council and therefore recommends that Ms. Brogan be reappointed to the Council based on her knowledge, experience, and commitment to public service.

### JOSHUA IGE

Your Committee received testimony in support of the nomination for the appointment of Joshua Ige from the State Council on Developmental Disabilities, Hawaii Self Advocacy Advisory Council, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Ige's background, experience, and commitment to public service qualify him to be nominated for appointment to the State Council on Developmental Disabilities representing individuals with developmental disabilities. Your Committee notes that Mr. Ige is a self-advocate who chairs the Lanai Chapter of the Hawaii Self-Advocacy Advisory Council, where he provides leadership and is a role model for other self-advocates and is actively involved with the Council's annual Day at the Capitol. Your Committee further finds that Mr. Ige is extremely active in his community and volunteers with several ongoing events at the Lanai Baptist Church, including Vacation Bible School, Wednesday Morning Breakfast, and Community Christmas Luncheon. Your Committee finds that Mr. Ige's personal experience, strong commitment to the community, and passion for helping others will be valuable assets to the State Council on Developmental Disabilities and therefore recommends that Mr. Ige be appointed to the State Council on Developmental Disabilities.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2144 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 643, 644, 645, and 663

Recommending that the Senate advise and consent to the nominations of the following:

#### DISABILITY AND COMMUNICATION ACCESS BOARD

G.M. No. 643 JUSTIN TOKIOKA, for a term to expire 06-30-2023;

G.M. No. 644 PAULINE AUGHE, for a term to expire 06-30-2023;

G.M. No. 645 SCOTT FLEMING, for a term to expire 06-30-2023; and

G.M. No. 663 GERALD ISOBE, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Justin Tokioka, Pauline Aughe, Scott Fleming, and Gerald Isobe for service on the Disability and Communication Access Board.

#### JUSTIN TOKIOKA

Your Committee received testimony in support of the nomination for the reappointment of Justin Tokioka from the Disability and Communication Access Board and one individual.

Upon review of the testimony, your Committee finds that Mr. Tokioka's background, experience, and proven experience on the Disability and Communication Access Board qualify him to be nominated for reappointment to the Disability and Communication Access Board in the capacity of an individual with a disability and as a representative of the County of Kauai. Your Committee notes that Mr. Tokioka graduated with a degree in finance from the University of Hawaii at Manoa and is very active in the sport of golf. Mr. Tokioka was a member of the 2016 World Deaf Golf Team USA and is currently working toward certification as a PGA Club Professional. Your Committee further finds that Mr. Tokioka is fluent in American Sign Language and has been on the Disability and Communication Access Board for one year, where he has joined the Standing Committee on Communication Access and supported the Committee's efforts to amend the Board's administrative rules and develop a credentialing system and fee schedule for American Sign Language interpreters. Your Committee finds that the insight Mr. Tokioka offers as a resident of a neighbor island and a member of the deaf community will be an asset to the Board and therefore recommends that Mr. Tokioka be reappointed to the Disability and Communication Access Board.

#### PAULINE AUGHE

Your Committee received testimony in support of the nomination for the reappointment of Pauline Aughe from the Disability and Communication Access Board, Full Life, and two individuals.

Upon review of the testimony, your Committee finds that Ms. Aughe's background, knowledge, and proven experience on the Disability and Communication Access Board qualify her to be nominated for reappointment to the Disability and Communication Access Board in the capacity of an individual with a disability and as a representative from the County of Hawaii. Your Committee notes that Ms. Aughe worked as a Disability Program Navigator before founding Pauline Victoria, LLC/One Leg Up Productions, LLC, to spread the message of hope and possibility. Ms. Aughe is also dedicated to public service and has volunteered with multiple organizations, including Full Life, Aloha Independent Living Hawaii, Assistive Technology Resource Center, and Hawaii County Mayor's Committee for People with Disabilities. Your Committee further finds that Ms. Aughe has been a member of the Disability and Communication Access Board since 2013 and her personal and professional experience and her efforts to increase public awareness of disability-related issues on Hawaii island continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Ms. Aughe be reappointed to the Disability and Communication Access Board based on her knowledge, experience, and commitment to public service.

#### SCOTT FLEMING

Your Committee received testimony in support of the nomination for the reappointment of Scott Fleming from the Disability and Communication Access Board, Engineering Partners, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Fleming's background, knowledge, and proven experience on the Disability and Communication Access Board qualify him to be nominated for reappointment to the Disability and Communication Access Board in the capacity of a representative of the County of Hawaii. Your Committee notes that Mr. Fleming is an architect with over twenty years of experience and has worked on multiple projects for public sector clients obligated to comply with the requirements of the Americans With Disabilities Act. Your Committee finds that during the past year, Mr. Fleming has been a member of the Disability and Communication Access Board since 2017 and serves on the Board's Standing Committee on Facility Access, where he offers insights based on his years of experience with the Americans with Disabilities Act Accessibility Guidelines and state law review requirements for accessible buildings. Your Committee finds that Mr. Fleming's experience continues to enhance the effectiveness of the Board and therefore recommends that Mr. Fleming be reappointed to the Disability and Communication Access Board based on his technical knowledge, experience, and commitment to public service.

# GERALD ISOBE

Your Committee received testimony in support of the nomination for the appointment of Gerald Isobe from the Disability and Communication Access Board and three individuals.

Upon review of the testimony, your Committee finds that Mr. Isobe's background, experience, and commitment to public service qualify him to be nominated for appointment to the Disability and Communication Access Board in the capacity of an individual with a disability. Your Committee notes that Mr. Isobe has nearly forty years of experience as an accountant with the federal government and

is currently a Senior Financial Management Analyst at the Naval Health Clinic Hawaii. Mr. Isobe is also dedicated to community service and has served as a board member, treasurer, and fundraiser for the Hawaii Service on Deafness and the Aloha State Association, and also serves as the treasurer for the Georgia Morikawa organization. Your Committee further finds that Mr. Isobe is known in Hawaii's deaf and hard of hearing community for bringing forward new technological advances in speech to text technology and for developing an app to facilitate communication between a hearing and a non-hearing person. Your Committee finds that Mr. Isobe's experience, commitment to technological innovation, and dedication to public service will be assets to the Disability and Communication Access Board and therefore recommends Mr. Isobe's appointment to the Disability and Communication Access Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2145 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 523, 524, 675, and 676

Recommending that the Senate advise and consent to the nominations of the following:

# LANGUAGE ACCESS ADVISORY COUNCIL

- G.M. No. 523 CHARLOTTE HUANG, for a term to expire 06-30-2019;
- G.M. No. 524 CHARLOTTE HUANG, for a term to expire 06-30-2023;
- G.M. No. 675 VALENTINA YAROVAYA, for a term to expire 06-30-2020; and
- G.M. No. 676 LINDA NULAND-AMES, for a term to expire 06-30-2021

Your Committee reviewed the personal histories, resumes, and statements submitted by Charlotte Huang, Valentina Yarovaya, and Linda Nuland-Ames for service on the Language Access Advisory Council.

#### **CHARLOTTE HUANG**

Your Committee received testimony in support of the nomination for the appointment and reappointment of Charlotte Huang from the Office of Language Access and two individuals.

Upon review of the testimony, your Committee finds that Ms. Huang's background, knowledge, and commitment to public service qualify her to be nominated for appointment and reappointment to the Language Access Advisory Council. Your Committee notes that Ms. Huang has over fifteen years of experience working with limited English proficient populations as an employee with Child and Family Service and is currently a bilingual case manager for the Service's Employment Program for Immigrants and Refugees. In this capacity, Ms. Huang helps immigrant families and their children assimilate into the community and assists them with immigration issues, finding employment, and utilizing community services. Your Committee further finds that Ms. Huang has firsthand experience living in Hawaii as a limited English proficient person and is fluent in Cantonese and Mandarin. Your Committee finds that Ms. Huang has served as an interim member of the Language Access Advisory Council since July 2018 and has a thorough understanding of the role and responsibilities of council members. Your Committee therefore recommends that Ms. Huang be appointed and reappointed to the Language Access Advisory Council based on her knowledge, experience, and dedication to serving the immigrant community of Hawaii.

# VALENTINA YAROVAYA

Your Committee received testimony in support of the nomination for the appointment of Valentina Yarovaya from the Office of Language Access and two individuals.

Upon review of the testimony, your Committee finds that Ms. Yarovaya's background and experience qualify her to be nominated for appointment to the Language Access Advisory Council. Your Committee notes that Ms. Yarovaya is multilingual in Russian and American Sign Language and has twenty-five years of experience as a bilingual and special education teacher in Hawaii and New York. Ms. Yarovaya recently retired from her position as a Special Education Teacher at Stevenson Middle School where she taught total communication classes for deaf and hard of hearing students as well as special education students. While a teacher in New York, Ms. Yarovaya was also actively involved with educating and empowering parents who were immigrants, refugees, and low income residents. Your Committee further finds that Ms. Yarovaya's experience working with limited English proficient populations and children and adults with different special needs will be an asset to the Language Access Advisory Council. Your Committee therefore recommends that Ms. Yarovaya be appointed to the Language Access Advisory Council based on her knowledge, experience, and dedication to public service.

# LINDA NULAND-AMES

Your Committee received testimony in support of the nomination for the reappointment of Linda Nuland-Ames from the Office of Language Access and two individuals.

Upon review of the testimony, your Committee finds that Ms. Nuland-Ames' background, experience, and commitment to public service qualify her to be nominated for reappointment to the Language Access Advisory Council. Your Committee notes that Ms. Nuland-Ames is a long-time resident of Kauai and is employed as the Equal Employment Opportunity Act and Americans With Disabilities Act Coordinator for the County of Kauai, where she trains County of Kauai employees on language access awareness. Ms. Nuland-Ames' previous professional experience includes five years as a staff attorney with the Hawai'i Disability Rights Center and consulting work with the County of Kauai on Americans With Disabilities Act issues. Your Committee further finds that Ms. Nuland-Ames is dedicated to public service and has chaired the Kauai Community Children's Council and Mayor's Advisory

Committee for Equal Access. Your Committee notes that Ms. Nuland-Ames has served on the Language Access Advisory Council since 2016 and her experiences as a lawyer and mediator continue to enhance the effectiveness of the Council. Your Committee therefore recommends that Ms. Nuland-Ames be reappointed to the Language Access Advisory Council based on her knowledge, experience, and commitment to serving her community.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2146 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 585 and 587

Recommending that the Senate advise and consent to the nominations of the following:

# BOARD OF CERTIFICATION OF PUBLIC WATER SYSTEM OPERATORS

G.M. No. 585 GLENN AH YAT, for a term to expire 06-30-2023; and

G.M. No. 587 GUY MORIGUCHI, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Glenn Ah Yat and Guy Moriguchi for service on the Board of Certification of Public Water System Operators.

#### GLEN AH YAT

Your Committee received testimony in support of the nomination for the reappointment of Glenn Ah Yat from the Department of Health and City and County of Honolulu Board of Water Supply.

Upon review of the testimony, your Committee finds that Mr. Ah Yat's background and knowledge qualify him to be nominated for reappointment to the Board of Certification of Public Water System Operators. Your Committee notes that Mr. Ah Yat has twenty-seven years of experience with the Honolulu Board of Water Supply where he started as a pipe fitter trades apprentice and worked his way up to his current position as Water Service Supervisor IV. In his capacity as Water Service Supervisor IV, Mr. Ah Yat oversees the operation and maintenance of the water distribution system in suburban areas of Oahu and prepares the operating budget for suburban field services. Mr. Ah Yat is also an active member of his union, the Hawaii Government Employees Association, and serves as the Vice Chair of the Oahu Island Division, Unit 2 and Unit Director of the Board of Directors for Unit 2. Mr. Ah Yat possesses a Distribution System Operator Certification Level 4, the highest level, has been a member of the Board of Certification of Public Water System Operators since 2015, and his extensive operational experience in the field of large water distribution systems continues to be an asset for the Board. Your Committee therefore recommends that Mr. Ah Yat be reappointed to the Board of Certification of Public Water System Operators based on his knowledge, experience, and commitment to serving his profession.

## **GUY MORIGUCHI**

Your Committee received testimony in support of the nomination for the appointment of Guy Moriguchi from the Department of Health, County of Kaua'i Department of Water, and one individual.

Upon review of the testimony, your Committee finds that Mr. Moriguchi's background, knowledge, and prior experience on the Board of Certification of Public Water System Operators qualify him to be nominated for appointment to the Board of Certification of Public Water System Operators. Your Committee notes that Mr. Moriguchi has over twenty-five years of operational experience in water treatment and distribution. Currently, he works for Aqua Engineers, Inc. as an Operations Manager, where he oversees water and wastewater operations on Kauai. Mr. Moriguchi holds certifications as a Grade 2 Water Treatment Plant Operator, a Grade 2 Water Distribution Operator, and a Grade 4 Wastewater Treatment Plant Operator. Your Committee further finds that Mr. Moriguchi previously served on the Board of Certification of Public Water System Operators from 2004 to 2014 and his extensive experience in the fields of water treatment, water distribution, and wastewater treatment will once again be assets to the Board. Your Committee therefore recommends that Mr. Moriguchi be appointed to the Board of Certification of Public Water System Operators based on his knowledge, experience, and commitment to serving his community.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2147 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 629, 630, and 631

Recommending that the Senate advise and consent to the nominations of the following:

# MENTAL HEALTH & SUBSTANCE ABUSE, MAUI SERVICE AREA BOARD

G.M. No. 629 DANIELLE BERGAN, for a term to expire 06-30-2023;

G.M. No. 630 BRIAN HAUSER, for a term to expire 06-30-2019; and

G.M. No. 631 BRIAN HAUSER, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Danielle Bergan and Brian Hauser for service on the Mental Health and Substance Abuse, Maui Service Area Board.

#### DANIELLE BERGAN

Your Committee received testimony in support of the nomination for the reappointment of Danielle Bergan from the Department of Health and Mental Health America of Hawai'i.

Upon review of the testimony, your Committee finds that Ms. Bergan's background, knowledge, and commitment to public service qualify her to be nominated for reappointment to the Mental Health and Substance Abuse, Maui Service Area Board. Your Committee notes that Ms. Bergan is a Community Coordinator with Mental Health America Hawaii in Maui, where she organizes and facilitates mental health trainings and performs community outreach and interagency collaborations. Ms. Bergan is dedicated to community service and has worked on a number of community outreach and service programs and currently serves on the Board of Directors of Mental Health America, Maui Chapter and Society for Human Resource Management, Maui Chapter. Your Committee notes that Ms. Bergan is active in youth suicide prevention on Maui and is a certified national trainer for Mental Health First Aid and Youth Suicide and Bullying Prevention instructor. Your Committee finds that Ms. Bergan has been a member of the Mental Health and Substance Abuse, Maui Area Service Board since December 2017 and her experience in youth suicide prevention will be an asset to the Board. Your Committee therefore recommends she be reappointed to the Mental Health and Substance Abuse, Maui Service Area Board based on her knowledge, experience, and dedication to serving her community.

#### **BRIAN HAUSER**

Your Committee received testimony in support of the nomination for the appointment and reappointment of Brian Hauser from the Department of Health and Aloha Independent Living Hawaii.

Upon review of the testimony, your Committee finds that Mr. Hauser's background, knowledge, and commitment to disability rights qualify him to be nominated for appointment and reappointment to the Mental Health and Substance Abuse, Maui Service Area Board. Your Committee notes that Mr. Hauser has been an advocate for individuals living with disabilities for the past thirteen years and has worked with individuals with many different types of disabilities, including those related to mental health. Mr. Hauser is currently an Advocacy Coordinator with Aloha Independent Living Hawaii, where he coordinates collaborative efforts with local organizations and individuals to create awareness of and advocate for the needs of persons with disabilities. Your Committee notes that Mr. Hauser previously served in a variety of positions, including as a Systems Change Advocate, Disability Program Navigator, and Vocational Specialist, which has allowed him to assist individuals navigate through county, state, and federal programs. Your Committee finds that Mr. Hauser's ability to understand the challenges that individuals with disabilities face on a daily basis will be an asset for the Mental Health and Substance Abuse, Maui Service Area Board and therefore recommends that Mr. Hauser be appointed and reappointed to the Mental Health and Substance Abuse, Maui Service Area Board.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2148 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 512, 671, and 672

Recommending that the Senate advise and consent to the nominations of the following:

# BOARD OF CERTIFICATION OF OPERATING PERSONNEL IN WASTEWATER TREATMENT PLANTS

G.M. No. 512 EMILY DONG, for a term to expire 06-30-2022;

G.M. No. 671 JON NAKASHIMA, for a term to expire 06-30-2023; and

G.M. No. 672 ROBERT SOUZA, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Emily Dong, Jon Nakashima, and Robert Souza for service on the Board of Certification of Operating Personnel in Wastewater Treatment Plants.

### EMILY DONG

Your Committee received testimony in support of the nomination for the appointment of Emily Dong from the Department of Health and four individuals.

Upon review of the testimony, your Committee finds that Ms. Dong's background, experience, and dedication to advancing her profession qualify her to be nominated for appointment to the Board of Certification of Operating Personnel in Wastewater Treatment Plants. Your Committee notes that Ms. Dong is a professional licensed engineer for Brown and Caldwell who has been involved with Hawaii's wastewater community for nine years. Ms. Dong also has eight years of engineering experience with the City and County of Honolulu, Department of Design and Construction, Wastewater Division, where she has worked on multiple wastewater management projects. Ms. Dong is the President of the Hawaii Water Environment Association and previously served as Chair of the Pacific Water Conference, the largest waste and wastewater conference in Hawaii. Your Committee further finds that Ms. Dong has served as an interim member of the Board of Certification of Operating Personnel in Wastewater Treatment Plants since June 2018 and has a thorough understanding of the role and responsibilities of board members. Your Committee therefore recommends that Ms. Dong be appointed to the Board of Certification of Operating Personnel in Wastewater Treatment Plants based on her knowledge, experience, and dedication to serving her industry.

## JON NAKASHIMA

Your Committee received testimony in support of the nomination for the appointment of Jon Nakashima from the Department of Health; County of Kaua'i, Department of Public Works, Wastewater Management Division; one member of the Kaua'i County Council; H2O Process Systems, LLC; and Hawaii Engineering Services, Inc.

Upon review of the testimony, your Committee finds that Mr. Nakashima's background and experience qualify him to be nominated for appointment to the Board of Certification of Operating Personnel in Wastewater Treatment Plants as the representative of the County of Kaua'i. Your Committee notes that Mr. Nakashima has over twenty years of experience with the County of Kaua'i Wastewater Management Division. Mr. Nakashima began his career as a Plant Operator and worked his way up to his current position of Field Operations Superintendent with a Grade 4 wastewater treatment plant operator certificate. Your Committee notes that over the course of his career, Mr. Nakashima has held multiple positions and is therefore familiar with the technical knowledge required to perform well at multiple levels of wastewater management, which will be an asset to the Board of Certification of Operating Personnel in Wastewater Treatment Plants. Furthermore, as a representative from the County of Kauai, Mr. Nakashima will be able to bring a valuable neighbor island perspective to the Board. Your Committee therefore recommends that Mr. Nakashima be appointed to the Board of Certification of Operating Personnel in Wastewater Treatment Plants based on his knowledge, experience, and dedication to the Kaua'i community.

#### ROBERT SOUZA

Your Committee received testimony in support of the nomination for the reappointment of Robert Souza from the Department of Health and two individuals.

Upon review of the testimony, your Committee finds that Mr. Souza's background, knowledge, and proven leadership on the Board of Certification of Operating Personnel in Wastewater Treatment Plants qualify him to be nominated for reappointment to the Board of Certification of Operating Personnel in Wastewater Treatment Plants. Your Committee notes that Mr. Souza has almost thirty years of experience in the wastewater field, has held multiple positions within that field, and is currently the Metro Region District Supervisor at the Sand Island Wastewater Treatment Plant for the City and County of Honolulu. Your Committee further finds that Mr. Souza holds a Grade 4 wastewater treatment plant operator certificate and has been a member of the Board of Certification of Operating Personnel in Wastewater Treatment Plants for the past four years, including serving as Chair of the Board for the past year. Your Committee also finds that the technical expertise, historical knowledge of the industry, and leadership skills that Mr. Souza offers based on his many years of experience continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Souza be reappointed to the Board of Certification of Operating Personnel in Wastewater Treatment Plants based on his knowledge, experience, and commitment to his industry.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

# SCRep. 2149 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 680, 681, and 682

Recommending that the Senate advise and consent to the nominations of the following:

### STATE BOARD OF NURSING

G.M. No. 680 CARRIE OLIVEIRA, for a term to expire 06-30-2019;

G.M. No. 681 CARRIE OLIVEIRA, for a term to expire 06-30-2023; and

GM. No. 682 AMY MURAI, for a term to expire 06-30-2020. (Nominee's name amended to AMY STONE MURAI by GM759)

Your Committee reviewed the personal histories, resumes, and statements submitted by Carrie Oliveira and Amy Stone Murai for service on the State Board of Nursing.

#### CARRIE OLIVEIRA

Your Committee received testimony in support of the nomination for the appointment and reappointment of Carrie Oliveira from the Department of Commerce and Consumer Affairs, Hawai'i State Center for Nursing, and University of Hawai'i Maui College.

Upon review of the testimony, your Committee finds that Dr. Oliveira's background and desire to serve the community qualify her to be nominated for appointment and reappointment to the State Board of Nursing as a public member. Your Committee notes that Dr. Oliveira has a Ph.D. in Communication and is an Associate Specialist for Workforce Research with the Hawaii State Center for Nursing, where she has improved the timeliness and distribution of the Center's research and improved usability by developing a focus on counties, regulatory changes, and responsiveness to requests for data. Dr. Oliveira previously served as the Director of Research with SMS Research and Marketing Services, Inc. and spent a number of years as a professor at East Tennessee State University, including time as the Associate Chair of Curriculum for the Department of Communication. Your Committee further finds that Dr. Oliveira has a thorough understanding of the role and responsibilities of board members and her ability to provide insight from the public's perspective and contribute her research experience will be valuable assets to the State Board of Nursing. Your Committee therefore recommends that Dr. Oliveira be appointed and reappointed to the State Board of Nursing based on her professional background, experience, and commitment to public service.

# AMY STONE MURAI

Your Committee received testimony in support of the nomination for the appointment of Amy Stone Murai from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Ms. Stone Murai's background, knowledge, and prior experience on the State Board of Nursing qualify her to be nominated for appointment to the State Board of Nursing as a licensee member. Your Committee notes that Ms. Stone Murai has nearly forty-five years of experience in nursing and has been licensed in Hawaii as a Registered Nurse since 1989 and as an Advanced Practice Registered Nurse since 1999. Ms. Stone Murai is semi-retired after twenty-nine years at Kaiser Permanente, where she served as a Clinical Research Nurse Coordinator, Clinical Coordinator, and Nurse Practitioner. Ms. Stone Murai is certified in Healthcare Research Compliance, nationally certified as a women's health nurse practitioner, and formerly served as an instructor and preceptor at the University of Hawaii School of Nursing. Your Committee further finds that Ms. Stone Murai has served on a number of professional associations, including the National Council of State Boards of Nursing and two previous terms on the State Board of Nursing where she served as co-chair of the Practice Committee. Your Committee therefore recommends that Ms. Stone Murai be appointed to the State Board of Nursing based on her knowledge, experience, and dedication to serving her community.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 6. Noes, none. Excused, 1 (Ruderman).

#### SCRep. 2150 (Majority) Hawaiian Affairs on Gov. Msg. No. 667

Recommending that the Senate advise and consent to the nomination of the following:

#### DEPUTY TO THE CHAIRPERSON OF THE DEPARTMENT OF HAWAIIAN HOME LANDS

G.M. No. 667 WILLIAM J. AILA, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by William Aila for service as the Deputy to the Chairperson of the Hawaiian Homes Commission.

Your Committee received testimony in support of the nomination for the reappointment of William Aila from the Office of the Governor; Department of Hawaiian Home Lands; Office of Hawaiian Affairs; Department of Labor and Industrial Relations; Department of Accounting and General Services; Department of Public Safety; Department of Human Resources Development; Department of Land and Natural Resources; Department of Agriculture; Department of Business, Economic Development and Tourism; Department of Transportation; Office of Planning; Office of Enterprise Technology; Aha Moku Advisory Committee; Malama Makua and Women of Wai'anae; Wai'anae Valley Homestead Community Association; Council for Native Hawaiian Advancement; Hawaii Operating Engineers Industry Stabilization Fund; Kamalomalo'o Hawaiian Home Lands Association, Inc.; LiUna! Local 368; Ka 'Ohana O Kahikinui, Inc.; Waianae Hawaiian Civic Club; Waianae Neighborhood Board #24; Ko'olau Foundation; DeBartolo Development; Rosehill and Associates; Kelonu Enterprises, LLC; Chun Kerr LLP; Koʻolaupoko Hawaiian Civic Club; Waiohuli Hawaiian Homesteaders Inc.; O'ahu County Democrats Legislative Priorities Committee; and fifty-five individuals. Your Committee received testimony in opposition to the nomination for the reappointment of William Aila from the Pa'upena Community Development Corporation; Sovereign Councils of the Hawaiian Home Lands Assembly; Homestead Housing Authority; Keaukaha Community Association; Kalama'ula Mauka Homestead Association; Ho'omanapono Political Action Committee; Keaukaha Pana'ewa Farmers Association; Kanehili Community Association District 8 Community Policing Team; Piihonua Hawaiian Homestead Community Association; and twelve individuals. Your Committee received comments on the nomination for the reappointment of William Aila from the Pana'ewa Hawaiian Home Lands Community Association and Hawaiian Community Assets.

Your Committee finds that Mr. Aila is a graduate of Wai'anae High School and received a Bachelor of Science degree in General Tropical Agriculture from the University of Hawaii at Manoa. Mr. Aila resides with his family on a Home Lands residential award and has been a committed community servant for decades, serving on the National Marine Protected Areas Advisory Council, Ka'ena Point Advisory Group, Advisory Group to the U.S. Army Garrison Hawaii, U.S. Army Ordnance Reef Advisory Committee, Leeward Community College Wai'anae Campus - Advisory Board, Hui I Malama I Na Kupuna O Hawaii Nei, Ka Papa O Kakuhihewa, Hawaii Community Development Authority, and Wai'anae Weed and Seed Task Force, among others.

Mr. Aila worked as a commercial fisherman for twenty-eight years then for the Department of Land and Natural Resources as a Harbor Agent for the Wai'anae Boat Harbor for over twenty years. Mr. Aila was then appointed to lead the Department of Land and Natural Resources, as Chairperson of the Board of Land and Natural Resources, from 2010 through 2014, where his accomplishments included securing the final Board of Land and Natural Resources' approval of the Hā'ena, Kaua'i community based subsistence fishing area rules, protecting critical watershed areas, expanding Hawai'i's Natural Area Reserve System program, and establishing new enforcement mechanisms to protect Hawaii's cultural and natural resources.

In 2014, Mr. Aila was appointed to be the Deputy to the Chairperson of the Hawaiian Homes Commission where he has continued to work for the betterment of the Hawaiian community and the State. While at the Department of Hawaiian Home Lands, Mr. Aila supported efforts to complete over seven hundred lots, more than half of which have already been awarded on Hawaii, Kauai, Maui, and Oahu. Mr. Aila has also been responsive to beneficiary requests and has worked within the Department to increase the number of vacant lot awards and expand the product type offerings available on Hawaiian home lands. Some of Mr. Aila's other accomplishments at the Department of Hawaiian Home Lands include being the lead negotiator for the mediation agreement between public, private, and trust uses for the Waimea Watershed Area and the senior executive working with local Department of Hawaiian Home Lands staff to respond to the 2014 lava flow that threatened to displace Makuu homesteaders.

Your Committee finds that Mr. Aila's personal experience as the spouse of a homesteader provides him with insight into the frustrations of Hawaiian home lands beneficiaries and notes that various testifiers lauded Mr. Aila's willingness to listen and address

beneficiaries' communications in a timely manner. Therefore, your Committee recommends that Mr. Aila be reappointed as Deputy to the Chairperson of the Hawaiian Homes Commission based on his achievements, experience, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3; Ayes with Reservations (Ihara). Noes, 1 (Fevella). Excused, 1 (Kahele).

#### SCRep. 2151 Hawaiian Affairs on Gov. Msg. Nos. 712, 713, and 714

Recommending that the Senate advise and consent to the nominations of the following:

# HAWAIIAN HOMES COMMISSION

G.M. No. 712 PAULINE NAMUO, for a term to expire 06-30-2022;

G.M. No. 713 DENNIS NEVES, for a term to expire 06-30-2021; and

G.M. No. 714 PATRICIA TERUYA, for a term to expire 06-30-2023

Your Committee reviewed the resumes and statements submitted by Pauline Namuo, Dennis Neves, and Patricia Teruya for service on the Hawaiian Homes Commission.

#### PAULINE NAMUO

Your Committee received testimony in support of the nomination for the appointment of Pauline Namuo from the Department of Hawaiian Home Lands, Oahu County Democrats, and eleven individuals.

Upon review of the testimony, your Committee finds that Ms. Namuo's background, experience, and commitment to public service qualify her to be nominated for appointment to the Hawaiian Homes Commission representing the City and County of Honolulu. Prior to her retirement in 2002, Ms. Namuo held various positions in government service, including with the State Judiciary, as a Legislative Coordinator for the Office of the Governor, and as Deputy Director of Administration for the Department of Public Safety, where her responsibilities included human resources for the 2,300-person Department, legislative services, and assisting with the Department's \$140 million budget. Since her retirement, Ms. Namuo has remained active in the Native Hawaiian community, particularly through her work with Ahahui Kaahumanu, Chapter 1, where she has held leadership positions including President and Vice President. Your Committee further finds that Ms. Namuo has served as an interim member of the Hawaiian Homes Commission since September 2018 where she has shown herself to be an attentive listener to community concerns and has a thorough understanding of the role and responsibilities of commission members. Your Committee therefore recommends that Ms. Namuo be appointed to the Hawaiian Homes Commission based on her knowledge, experience, and dedication to serving her community.

# DENNIS NEVES

Your Committee received testimony in support of the nomination for the appointment of Dennis Neves from the Department of Hawaiian Home Lands, Pono Kai Resort Owners Association, and six individuals.

Upon review of the testimony, your Committee finds that Mr. Neves' background and experience qualify him for nomination for appointment to the Hawaiian Homes Commission as a representative of the County of Kauai. Mr. Neves' career at San Francisco International Airport reflects continuing and increasing responsibilities and his final position as Terminal Systems Manager involved project management and contracting responsibilities. After his return to Hawaii, Mr. Neves held the position of Airport District Manager for Kauai Airports where he coordinated airport daily activities with the Transportation Security Administration, United States Department of Agriculture, and Federal Aviation Administration. Mr. Neves held that position until his retirement and is now a homesteader who lives in Anahola, Kauai. Your Committee finds that Mr. Neves' experience with complex organizations and project management will provide valuable insight to the Commission. Furthermore, your Committee finds that Mr. Neves' experience of moving away from Hawaii for work for a number of years before returning is common in the Hawaiian community and Mr. Neves will represent those with a similar experience on the Commission. Your Committee therefore recommends that Mr. Neves be appointed to the Hawaiian Homes Commission based on his knowledge, experience, and commitment to the Hawaiian community.

#### PATRICIA TERUYA

Your Committee received testimony in support of the nomination for the appointment of Patricia Teruya from the Department of Hawaiian Home Lands, a member of the State House of Representatives, two members of the Honolulu City Council, Council for Native Hawaiian Advancement, Hawaii Iron Workers Stabilization Fund, Oahu County Democrats, and eleven individuals.

Upon review of the testimony, your Committee finds that Ms. Teruya's background, experience, and commitment to public service qualify her to be nominated for appointment to the Hawaiian Homes Commission representing the City and County of Honolulu. Prior to her retirement, Ms. Teruya held several positions in local government, including with the City and County of Honolulu Mayor's Office, Neighborhood Commission Office, and City Council. Ms. Teruya is also dedicated to community service and has over twenty-four years of service with the Neighborhood Board system as well as being an active member of Hawaii's Native Community Coalition and the Nanakuli Hawaiian Homestead Association, and serving as President of the Wai'anae Coast Community Foundation. In her role as a member of the Nanakuli Hawaiian Homestead Association, Ms. Teruya engages with the Department of Hawaiian Home Lands at community meetings, Hawaiian Homes Commission meetings, and beneficiary consultations. Your Committee finds that Ms. Teruya will bring valuable insights to the Commission from her vast experience as a community leader, her first hand experiences as a homesteader engaging with the Commission, and her history of translating community concerns into tangible actions. Your Committee therefore recommends that Ms. Teruya be appointed to the Hawaiian Homes Commission based on her experience, knowledge, and history of community leadership.

As affirmed by the records of votes of the members of your Committee on Hawaiian Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Ihara).

#### SCRep. 2152 Hawaiian Affairs on Gov. Msg. No. 706

Recommending that the Senate advise and consent to the nomination of the following:

#### ISLAND BURIAL COUNCIL, ISLAND OF HAWAI'I

G.M. No. 706 DESMON HAUMEA, for a term to expire 06-30-2022

Your Committee reviewed the resume submitted by Desmon Haumea for service on the Island Burial Council, Island of Hawai'i.

Your Committee received testimony in support of the nomination for the appointment of Desmon Haumea from the Department of Land and Natural Resources.

Upon review of the testimony, your Committee finds that Mr. Haumea's background, experience, and commitment to community service qualify him to be nominated for appointment to the Island Burial Council, Island of Hawai'i representing landowners and developers. Your Committee notes that Mr. Haumea is a resident of Hilo and has a long history of work and volunteer experience focused on native Hawaiian cultural practices. Currently, Mr. Haumea works with the Department of Education at Mt. View Elementary School and at the Waldorf Malamalama School where he teaches Hawaiian Studies, voyaging and canoe culture, basic seamanship, mele, Hawaiian self-defense, and lomilomi and traditional healing arts. Mr. Haumea has taught similar Hawaiiana subjects at the Ka Umeke Kaeo Hawaiian Immersion school and Edith Kanakaole Foundation. Mr. Haumea's commitment to bringing native Hawaiian practices to the broader community extends beyond schools and he has volunteered as a Cultural Advisor with Maui Community Correctional Center, he is a crewmember of the Polynesian Voyaging Society and 'Ohana Wa'a, and he was one of the founding members of the Hawaiian Foundation on Self Defense and Healing Arts, Na Wa'a Hanakahi Educational and Cultural Organization, and Lae'ula O Kai Educational and Cultural Organization. Your Committee finds that Mr. Haumea's advocacy for Hawaiian cultural practices will be a valuable asset for the Council and recommends that Mr. Haumea be appointed to the Island Burial Council. Island of Hawai'i.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Fevella).

#### SCRep. 2153 Energy, Economic Development, and Tourism on Gov. Msg. No. 560

Recommending that the Senate advise and consent to the nomination of the following:

# HAWAI'I TECHNOLOGY DEVELOPMENT CORPORATION

G.M. No. 560 ISABELLA HUGHES, for a term to expire 06-30-2022

Your Committee reviewed the personal history and resume submitted by Isabella Hughes for service on the Board of Directors of the Hawaii Technology Development Corporation.

Your Committee received testimony in support of the nomination for the appointment of Isabella Hughes from the Department of Business, Economic Development, and Tourism; Hawaii Technology Development Corporation; Oahu Economic Development Board; Na Mea Hawaii: and four individuals.

Upon review of the testimony, your Committee finds that Ms. Hughes' professional experience, background, and commitment to public service qualify her for appointment to the Board of Directors of the Hawaii Technology Development Corporation. As the President and co-founder of Shaka Tea, Ms. Hughes has intimate knowledge of what it takes it to build an award winning company in Hawaii. Ms. Hughes also co-founded and directed the Honolulu Biennial Foundation, which promotes cultural diplomacy and exchange among countries and cultures linked by the Pacific Ocean, and currently serves as its Director Emeritus. Her experience in arts and culture, entrepreneurship, sustainable agriculture, and scaling a business from the neighbor islands would bring valuable expertise and perspective to the Hawaii Technology Development Corporation Board of Directors. Your Committee notes that Ms. Hughes has served as an interim member of the Board since July 2018 and finds that Ms. Hughes has a thorough understanding of the role and responsibilities of board members.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella).

#### SCRep. 2154 Energy, Economic Development, and Tourism on Gov. Msg. Nos. 595 and 739

Recommending that the Senate advise and consent to the nominations of the following:

# BOARD OF DIRECTORS OF THE HAWAI'I TOURISM AUTHORITY

- G.M. No. 595 DANIEL CHUN, for a term to expire 06-30-2022; and
- G.M. No. 739 KIMI YUEN, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Daniel Chun and Kimi Yuen for service on the Board of Directors of the Hawaii Tourism Authority (HTA).

#### DANIEL CHUN

Your Committee received testimony in support of the nomination for the appointment of Daniel Chun from the Hawai'i Lodging and Tourism Association; Airlines Committee of Hawaii; Kyo-ya Management Co., Ltd.; Alaska Airlines; and eight individuals. Your Committee received testimony in opposition to the nomination for the appointment of Daniel Chun from two individuals.

Mr. Chun is currently the Director of Sales, Community, and Public Relations of Alaska Airlines. He previously served as the Executive Director of the Honolulu Gay and Lesbian Cultural Foundation, Special Assistant to the Tourism Liaison for the Office of the Governor, and Event Coordinator of the Hawaii Visitors and Convention Bureau. Mr. Chun is also an active community member who participates on the Board of Trustees of the Public Schools of Hawaii Foundation; Chamber of Commerce Hawaii Young Professionals; University of Hawaii Alumni Association; Hawaii Lodging and Tourism Association; Diamond Head Theater; Honolulu Gay and Lesbian Cultural Foundation; Travel Industry Management International, Inc.; and Make-A-Wish Hawaii.

Mr. Chun indicated in his personal statement that he hopes to support HTA's key initiatives around sustainable tourism and smart communities.

Your Committee finds that Mr. Chun's experience in tourism marketing, policy, and management will help him contribute to and be an effective member of the HTA Board of Directors.

#### KIMI YUEN

Your Committee received testimony in support of the nomination for the appointment of Kimi Yuen from the Department of Land and Natural Resources; Office of Planning; Office of the Mayor of the County of Kaua'i; National Tropical Botanical Garden; First Hawaii Title Corporation; Prince Resorts Hawaii; Queen Emma Land Company; Hui Maka'ainana O Makana; PBR Hawaii & Associates, Inc.; Elemental Excelerator; and fifteen individuals.

Ms. Yuen currently serves as a Principal and Planner at PBR Hawaii & Associates, Inc., and manages a variety of planning and design projects and the successful preparation of land use permits, environmental assessments, and environmental impact statements. She also is currently working on the County of Maui's Wailuku Civic Complex and the Mayor Wright Homes Redevelopment Project on Oahu. She is also a member of the University of Hawaii Department of Urban and Regional Planning Professional Council and Ohana Board.

Ms. Yuen indicated in her personal statement that she will prioritize the protection of the natural and cultural resources of Hawaii, ensure that the tourism industry is resilient to climate change, sea level rise, natural disasters, and other potential disrupters, and encourage the State to become an innovator in green technologies.

Your Committee finds that Ms. Yuen's urban planning experience and continuing community involvement will help her contribute to and be an effective member of the HTA Board of Directors.

As affirmed by the records of votes of the members of your Committee on Energy, Economic Development, and Tourism that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Aves, 4. Noes, none. Excused, 1 (Inouve).

## SCRep. 2155 Energy, Economic Development, and Tourism on Gov. Msg. Nos. 752, 753, 754, 755, 756, 757, and 758

Recommending that the Senate advise and consent to the nominations of the following:

# HAWAI'I COMMUNITY DEVELOPMENT AUTHORITY

- G.M. No. 752 JOHN WHALEN, for a term to expire 06-30-2023;
- G.M. No. 753 CHASON ISHII, for a term to expire 06-30-2023;
- G.M. No. 754 KEVIN SAKODA, for a term to expire 06-30-2023;
- G.M. No. 755 AMY LUERSEN, for a term to expire 06-30-2023;
- G.M. No. 756 DONNA CAMVEL, for a term to expire 06-30-2022;
- G.M. No. 757 SHIRLEY SWINNEY, for a term to expire 06-30-2022; and
- G.M. No. 758 MITCHELL TYNANES, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by John Whalen, Chason Ishii, Kevin Sakoda, Amy Luersen, Donna Camvel, Shirley Swinney, and Mitchell Tynanes for service on the Hawaii Community Development Authority (HCDA).

### JOHN WHALEN

Your Committee received testimony in support of the nomination for the reappointment of John Whalen from the Department of Transportation, Hawaii Community Development Authority, Oahu County Committee Oahu County Democrats, and two individuals.

Mr. Whalen is an urban and regional planner whose professional career spans more than four decades and includes substantial administrative roles in government and private practice. Prior to forming his consulting firm, he served as Director of Land Utilization for the City and County of Honolulu. One of Mr. Whalen's higher profile public projects was the revision of the Kaka'ako Mauka Area Plan for HCDA in 2006. He holds a Master of Arts in Public Law and Government and Master of Science in Urban Planning from Columbia University and a Bachelor of Arts in Political Science and Pre-Architecture from Rutgers University.

Mr. Whalen indicated in his personal statement that he hopes to bring his years of experience in community planning to HCDA to meet the need for affordable housing, suitable industrial and commercial facilities for rent, sufficient and attractive parks and open space, preservation of historic and cultural features, and an active, mixed use community for local residents.

Your Committee finds that Mr. Whalen's past experiences with community planning, as well as his continuing commitment to issues relating to urban planning and community needs, will be great assets to HCDA.

#### CHASON ISHII

Your Committee received testimony in support of the nomination for the appointment of Chason Ishii from the Department of Transportation; Bank of Hawaii; Zippy's Restaurants; MW Group, Ltd.; and six individuals.

Mr. Ishii is currently the President of Atlas Insurance Agency, a position that he has held since June 2016. He previously served as President of Koa Capital LLC; President of HHL Holdings, Inc.; President, Executive Vice President, and Senior Vice President of Coldwell Banker Pacific Properties; and Group Vice President of Servco Pacific Inc. He holds an Executive Education degree from Harvard Graduate School of Business and a Bachelor of Business Administration from the University of Hawaii at Manoa. Mr. Ishii also currently serves as a board member for the Young Presidents Organization and The Deputies (Honolulu Police Department and Honolulu Fire Department).

Mr. Ishii indicated in his personal statement that he hopes to contribute and provide added value in making the best decisions to explore, coordinate, and execute on successful public and private sector community development opportunities.

Your Committee finds that Mr. Ishii's extensive professional experience as a business executive in the private sector and his involvement in the community will make him an effective member of HCDA.

#### KEVIN SAKODA

Your Committee received testimony in support of the nomination for the appointment of Kevin Sakoda from the Department of Transportation and one individual.

Mr. Sakoda has over twenty years of experience in financial markets, working as the Managing Director for UBS Securities in Tokyo, Director of the Hedge Fund Sales Group for Barclays Capital in Tokyo, Senior Trader and Chief Representative for NationsBank in Chicago and Tokyo, and Senior Trader, Analyst, and Manager for Chicago Research and Trading Group in Chicago and Tokyo. He has a Bachelor of Science degree in electrical engineering from Northwestern University.

Mr. Sakoda indicated in his personal statement that he hopes to strengthen our community by moving forward with socially, environmentally, and financially sustainable strategies.

Your Committee finds that Mr. Sakoda understands how market influences and availability of capital affect affordable housing development in Hawaii and that his extensive professional experience and expertise in the financial sector will help him contribute to and be an effective member of HCDA.

# AMY LUERSEN

Your Committee received testimony in support of the nomination for the reappointment of Amy Luersen from the Department of Transportation; Hawaii Community Development Authority; Koʻolaupoko Hawaiian Civic Club; Oahu County Committee, Oahu County Democrats; Koʻolau Foundation; and one individual.

Ms. Luersen is currently the Vice President of Community Collaboration at the Hawaii Community Foundation. In the past, Ms. Luersen was a community planning consultant, providing services for various community development organizations. She holds a Masters of Regional Planning from Cornell University and a Bachelor of Arts in Sociology and Urban Studies from Denison University.

Ms. Luersen indicated in her personal statement that she supports the development of a Heeia district master plan and rules and hopes to contribute to community resilience through sustainable management of the Heeia community development district.

Your Committee finds that Ms. Luersen's past experiences with city and regional planning, as well as her continuing commitment to the mission of the Heeia community development district to facilitate culturally appropriate agriculture, education, and natural resource restoration and management of the Heeia wetlands, will be great assets to HCDA.

# DONNA CAMVEL

Your Committee received testimony in support of the nomination for the reappointment of Donna Camvel from the Department of Transportation, Hawaii Community Development Authority, Koʻolaupoko Hawaiian Civic Club, Koʻolau Foundation, and one individual.

Ms. Camvel is currently a doctoral candidate in the Political Science Department at the University of Hawaii at Manoa, specializing in Indigenous Politics. She has also traveled to the United Nations Permanent Forum on Indigenous Issues in New York as a student representative for the University of Hawaii to talk about Native Hawaiian and indigenous issues. She received a Master's degree in Hawaiian Studies and Bachelor of Arts degrees in Women's Studies and Hawaiian Studies from the University of Hawaii.

Ms. Camvel indicated in her personal statement that she can provide HCDA with valuable cultural expertise and community knowledge of the He'e'ia ahupua'a.

Your Committee finds that Ms. Camvel's past experiences with indigenous issues, as well as her continuing commitment to natural resource management, will be great assets to HCDA.

#### SHIRLEY SWINNEY

Your Committee received testimony in support of the nomination for the reappointment of Shirley Swinney from the Department of Transportation, Department of Hawaiian Home Lands, Aha Moku Advisory Committee and Moku O Kakuhihewa, Hawaii Community Development Authority, Council for Native Hawaiian Advancement, and three individuals.

Ms. Swinney is currently the President and founder of Kapolei Community Development Corporation, which plans, designs, and implements initiatives by and for the Kapolei homestead beneficiaries. Previously, she was a Circuit Court Clerk II at the Hawaii State Judiciary, coordinating facilities and personnel for court proceedings, among other duties. Ms. Swinney is also highly involved in several organizations throughout the community, such as the Malama Learning Center, Special Olympics Hawaii, and Hoʻopili Task Force. She holds an Associate of Arts Degree from Leeward Community College and a Business Certificate from Honolulu Business College.

Ms. Swinney indicated in her personal statement that she recognizes how the community is vital in developing Kalaeloa's cultural, economic, and social resources for a sustainable future.

Your Committee finds that Ms. Swinney's past experiences with homestead initiatives, as well as her continuing commitment to the community of Kalaeloa, will be great assets to HCDA.

## MITCHELL TYNANES

Your Committee received testimony in support of the nomination for the appointment of Mitchell Tynanes from the Department of Transportation and two individuals.

Mr. Tynanes has twenty-nine years of experience in the construction industry. He is a Field Representative for the Hawaii Regional Council of Carpenters and the Owner and Operator of Boars No More, LLC, a small business specializing in invasive species removal, environmental quality management, and wildlife damage management. Mr. Tynanes previously served as a Generator Technician for Generators Hawaii Corporation. Mr. Tynanes is also an active member in the community by serving on the Ewa Beach Neighborhood Board and as a member of the JCHS Alumni Foundation, Ewa Weed and Seed Steering Committee, Homeowners Association at Terrazza Cortabella Las Bresis Tiburon, and Ewa Beach Lions Club. Mr. Tynanes is also currently serving as the President of the Oahu Pig Hunters Association.

Mr. Tynanes indicated in his personal statement that he hopes to facilitate the identification and execution of development plans and programs best suited to accomplish community specific growth-related goals while maintaining historical integrity.

Your Committee finds that Mr. Tynanes' past construction experience and continuing dedication to the community will be great assets to HCDA.

As affirmed by the records of votes of the members of your Committee on Energy, Economic Development, and Tourism that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Inouye).

# SCRep. 2156 Water and Land on Gov. Msg. Nos. 689 and 690

Recommending that the Senate advise and consent to the nominations of the following:

#### MOLOKA'I IRRIGATION SYSTEM WATER USERS ADVISORY BOARD

G.M. No. 689 FAITH TUIPULOTU, for a term to expire 06-30-2020; and

G.M. No. 690 JILL COOMBS, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Faith Tuipulotu and Jill Coombs for service on the Moloka'i Irrigation System Water Users Advisory Board.

## FAITH TUIPULOTU

Your Committee received testimony in support of the nomination for the appointment of Faith Tuipulotu from the Moloka'i Chamber of Commerce, Anahaki LLC, and one individual.

Your Committee finds that Ms. Tuipulotu works as an Agricultural Technician IV at the University of Hawaii College of Tropical Agriculture and Human Resources Cooperative Extension Service. She additionally serves as a Certified Organic Inspector and President of the Moloka'i Homestead Farmers Alliance, among other things. Your Committee finds that Ms. Tuipulotu has the background, experience, and commitment to public service to qualify for appointment to the Molokai Irrigation System Water Users Advisory Board as a member of the Moloka'i-Lāna'i Soil and Water Conservation District Board, pursuant to section 167-23, Hawaii Revised Statutes. Testifiers commented that Ms. Tuipulotu has achieved long and distinguished career in agriculture on Moloka'i. Testifiers noted that she embodies what it means to be an advocate of agriculture. Your Committee further finds that the Board will benefit from the skills and experience that Ms. Tuipulotu will contribute to the Board.

#### JILL COOMBS

Your Committee received testimony in support of the nomination for the appointment of Jill Coombs from the Moloka'i Chamber of Commerce, Anahaki LLC, and nine individuals.

Your Committee finds that Ms. Coombs is a plant scientist with sixteen years of experience in agriculture who currently works as Production Lead at Bayer in Kaunakakai. Your Committee finds that Ms. Coombs has the background, experience, and commitment to public service to qualify for appointment to the Molokai Irrigation System Water Users Advisory Board as a nonhomestead farmer user on Moloka'i, pursuant to section 167-23, Hawaii Revised Statutes. Testifiers commented that Ms. Coombs has a deep appreciation for Moloka'i, its resources, and culture, as well as a full understanding of Moloka'i water systems. Testifiers noted that she centers much of her focus around conservation, stewardship, and sustainability. Your Committee further finds that the Board will benefit from the skills and experience that Ms. Coombs will contribute to the Board.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

## SCRep. 2157 Water and Land on Gov. Msg. No. 511

Recommending that the Senate advise and consent to the nomination of the following:

## COMMISSION ON WATER RESOURCE MANAGEMENT

G.M. No. 511 WAYNE KATAYAMA, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Wayne Katayama for service on the Commission on Water Resource Management.

Your Committee received testimony in support of the nomination for the appointment of Wayne Katayama from the Department of Agriculture; Department of Land and Natural Resources; Agribusiness Development Corporation; Office of the Mayor of the County of Kaua'i; one member of the Kaua'i County Council; Kaua'i Chamber of Commerce; East Kauai Water Users' Cooperative; Hawaii' Farm Bureau; Maui County Farm Bureau; The Nature Conservancy; Hawaii Cattlemen's Council, Inc.; Hawaii Agriculture Research Center; Grove Farm Company, Inc.; Larry Jefts Farms, LLC; Koloa Rum Company; Kalepa Koalition; Hawaii Crop Improvement Association; New Island Feed, Inc.; Mahukona Ranch; and twenty-four individuals.

Upon review of the testimony, your Committee finds that Mr. Katayama's experience in agriculture, commitment to public service, and proven leadership qualify him for appointment to the Commission on Water Resource Management. Your Committee notes that Mr. Katayama has held numerous positions within the agricultural industry, including the President and General Manager of Kauai Coffee Company Inc./LLC and President of Kilauea Agronomics, LLC, from which he amassed knowledge and experience in hydrology, hydropower, irrigation system management, and water quality permitting; improved process efficiencies; increased company sales through innovative marketing; instituted product quality control measures; and conducted financial analyses of company operations. Testifiers commented that Mr. Katayama has extensive knowledge and experience in agricultural irrigation systems and water resource management and a proven track record as a facilitator, partner, and supporter of agriculture in Hawaii. Testifiers also noted his long record of public service and leadership, including service to the Kaua'i Planning Commission, Agribusiness Development Corporation Board of Directors, Hawai'i Coffee Association, Hawai'i Coffee Growers Association-Coffee Berry Borer Task Force, University of Hawaii College of Tropical Agriculture and Human Resources Advisory Committee, Mayor of Kauai's Agriculture Advisory Committee, Kauai Economic Development Board Hawaii, and Hawaii Farm Bureau. Your Committee finds that Mr. Katayama's skills and experience will benefit and contribute to the Commission.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

## SCRep. 2158 Water and Land on Gov. Msg. No. 666

Recommending that the Senate advise and consent to the nomination of the following:

## DIRECTOR OF THE OFFICE OF PLANNING, DEPARTMENT OF BUSINESS, ECONOMIC DEVELOPMENT AND TOURISM

G.M. No. 666 MARY ALICE EVANS, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by Mary Alice Evans for service as the Director of the Office of Planning.

Your Committee received testimony in support of the nomination for the appointment of Mary Alice Evans from the Governor; Department of Business, Economic Development, and Tourism; Hawaii Housing Finance and Development Corporation; Department of Transportation; Department of Health; Department of Human Resources Development; Department of Labor and Industrial Relations; Department of Land and Natural Resources; Department of Agriculture; Department of Accounting and General Services; Department of Taxation; Department of Human Services; Department of Hawaiian Home Lands; Office of Planning; Office of Environmental Quality Control; Office of Enterprise Technology Services; Hawai'i Tourism Authority; Research Corporation of the University of Hawai'; Hawaii Community Development Authority; Hawaii Green Infrastructure Authority; Natural Energy Laboratory

of Hawaii Authority; Hawaii Technology Development Corporation; Hawai'i Gas; Hawai'i Farm Bureau; Oahu Economic Development Board; Oahu County Committee Oahu County Democrats; and eighteen individuals.

Your Committee finds that for over four decades, Ms. Evans has served in a wide range of government roles affecting sectors such as central state services, human resources, land use, renewable and alternative energy development, economic development, and tourism. Ms. Evans is currently the Planning Program Manager of the Special Plans Branch of the Office of Planning. She briefly served as the interim Director of Business, Economic Development, and Tourism and served as the Deputy Director of the Department of Business, Economic Development, and Tourism from 2011 to 2018. Additionally, among other positions, Ms. Evans has served as a Deputy Comptroller of the Department of Accounting and General Services, Special Assistant for Research at the Office of the Governor, and Employment Analyst and Community Services Planner at the Department of Labor and Industrial Relations.

Ms. Evans is affiliated with diverse professional organizations throughout the State. She served as President of the Hawaii Chapter of the American Planning Association. She is also a member of the Hawaii Economic Association, Hawaii's Thousand Friends, Honolulu City Planning Commission, and Urban Land Institute. Testifiers commented on Ms. Evans' consistently strong work ethic and her many years of public service to the State, and noted Ms. Evans' depth of institutional knowledge, particularly the interworkings of government and her extensive experience managing staff, budgets, operations, and projects, her generosity in sharing this knowledge, and desire to accelerate departmental and state progress. These qualities provide a foundation for long-term state efforts in planning and coordinating future public and private sector projects.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

# SCRep. 2159 Water and Land on Gov. Msg. No. 688

Recommending that the Senate advise and consent to the nomination of the following:

#### KAHO'OLAWE ISLAND RESERVE COMMISSION

G.M. No. 688 JOSHUA KAAKUA, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Joshua Kaakua for service on the Kaho'olawe Island Reserve Commission.

Your Committee received testimony in support of the nomination for the reappointment of Joshua Kaakua from the Kahoʻolawe Island Reserve Commission, Aha Moku Advisory Committee, Moku O Kanaloa, County of Maui Department of Planning, Protect Kahoolawe Ohana, Hawaiian Canoe Club of Maui, and twenty-eight individuals.

Upon review of the testimony, your committee finds that Dr. Kaakua has fourteen years of experience planning, designing, and implementing collaborative, high performing, and results-oriented diversity programs within the University of Hawaii System with a focus on science, technology, engineering, and mathematics. Dr. Kaakua is an active community participant and is a member of the Akamai Workforce Initiative, Na Pua No'eau Center for Gifted & Talented Native Hawaiian Children, Ke Ola Mau Native Hawaiian Health Scholars Program, and Pacific American Foundation Na 'Imi Na'auao, among others, and currently serves as the Vice Chair of the Kaho'olawe Island Reserve Commission.

Your Committee finds that Dr. Kaakua has the background, experience, and commitment to community and public service which further qualify him for reappointment to the Kahoʻolawe Island Reserve Commission as a member of the Protect Kahoʻolawe Ohana, pursuant to section 6K-5, Hawaii Revised Statutes. Testifiers commented that Dr. Kaakua was instrumental in gaining support for the Commission's capital improvement projects. Testifiers noted the nominee is trained as a Kua, a member who provides for safe and meaningful journeys to the island; trained as a Kahoʻolawe Island Reserve Commission Access Guide in the ability to identify, mark, and avoid unexploded ordnance; and actively involved in the opening of an Ala Loa, an around-the-island trail to lead many of the huaka'i, cultural field trips to the island. Your Committee further finds that the Commission will continue to benefit from the background and experience that Dr. Kaakua brings to the Commission.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

#### SCRep. 2160 Water and Land on Gov. Msg. No. 576

Recommending that the Senate advise and consent to the nomination of the following:

# NATURAL AREA RESERVES SYSTEM COMMISSION

G.M. No. 576 JEFFREY SAITO, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Jeffrey Saito for service on the Natural Area Reserves System Commission.

Your Committee received testimony in support of the nomination for the appointment of Jeffrey Saito from the Department of Land and Natural Resources.

Upon review of the testimony, your Committee finds that Mr. Saito's experience as the founder of The Guild – Maui Hunting Club, commitment to public service, and proven leadership qualify him for appointment to the Natural Area Reserves System Commission. Your Committee notes that Mr. Saito is an experienced hunter which has afforded him the opportunity to become very familiar with Hawaii's natural terrain and resources. He has developed a hunter check-in log, assisted with mammal removal, and participated in community education programs within the Ahihi-Kinau Natural Area Reserve since 2017. Your Committee finds that Mr. Saito has been nominated for appointment to the Natural Area Reserves System Commission based on his willingness to serve the public and his knowledge and experience with the removal of ungulates from vulnerable areas.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

#### SCRep. 2161 Higher Education on Gov. Msg. Nos. 652, 653, 654, and 655

Recommending that the Senate advise and consent to the nominations of the following:

## CENTER FOR NURSING ADVISORY BOARD

G.M. No. 652 ARTHUR SAMPAGA JR., for a term to expire 06-30-2021;

G.M. No. 653 JULIO ZAMARRIPA, for a term to expire 06-30-2023;

G.M. No. 654 BONNIE CASTONGUAY, for a term to expire 06-30-2019; and

G.M. No. 655 BONNIE CASTONGUAY, for a term to expire 06-30-2023

Your Committee reviewed the personal histories and resumes submitted by Arthur Sampaga Jr., Julio Zamarripa, and Bonnie Castonguay for service on the Center for Nursing Advisory Board.

#### ARTHUR SAMPAGA JR.

Your Committee received testimony in support of the nomination for the appointment of Arthur Sampaga Jr., from the Hawai'i State Center for Nursing.

Upon review of the testimony, your Committee finds that Mr. Sampaga is presently the Chief Nursing Officer and Assistant Administrator at Hilo Medical Center. His professional work experience includes serving as the Assistant Director of Nursing; Director of Cardiovascular, Surgical, and Emergency Services Emergency Management Coordinator; and Director of Cardiovascular Service at Hilo Medical Center. Additionally, Mr. Sampaga served in the Hawaii Army National Guard as a Deputy Command Clinical Services (LTC-P) and Army Nurse (LTC and MAJ). According to testimony, Mr. Sampaga has helped to expand projects and programs of the Hawaii State Center for Nursing to Hawaii island by leading the initiative to bring the Center's evidence-based practice program to Hilo and launching a nurse residency program at Hilo Medical Center. Your Committee therefore finds that Mr. Sampaga's experience in nursing, as well as his willingness to serve, will be great assets to the Center for Nursing Advisory Board.

# JULIO ZAMARRIPA

Your Committee received testimony in support of the nomination for the reappointment of Julio Zamarripa from the Hawai'i State Center for Nursing.

Upon review of the testimony, your Committee finds that Mr. Zamarripa is presently a Manager for Clinical Operations at Straub Clinic and Hospital, overseeing the clinical operations for allergy and gastroenterology ambulatory offices. His professional work experience includes serving as the Gastroenterology Clinic RN Team Lead at Straub Clinic and Hospital and Pre-Admission Testing Unit RN and Pre-Transplant Hepatology/Telemetry/Med-Surge Unit RN at St. Luke's Hospital. According to testimony, Mr. Zamarripa currently serves as the Vice Chair of the Center for Nursing Advisory Board, where he supports the dialogue and direction of the Advisory Board. Additionally, he has helped establish new priority areas for the Hawaii State Center for Nursing, including Advanced Practice Registered Nursing Transition to Practice. Your Committee therefore finds that Mr. Zamarripa's expertise as a nurse manager for interprofessional specialty clinics, as well as his commitment to public service, will continue to be great assets to the Center for Nursing Advisory Board.

#### **BONNIE CASTONGUAY**

Your Committee received testimony in support of the nomination for the appointment and reappointment of Bonnie Castonguay from the Hawai'i State Center for Nursing.

Upon review of the testimony, your Committee finds that Ms. Castonguay is presently the Co-Founder and President of Ho'okele Health Innovations, LLC, a professional service that provides individuals with navigation services, care coordination, and private home care services. Her professional work experience includes serving as Vice President and Executive Director of Patient Safety and Quality Services/Center for Health Outcomes at Hawaii Pacific Health and Director of Quality Management at Kapi'olani Medical Center at Pali Momi and Kapi'olani Medical Center for Women and Children. According to testimony, Ms. Castonguay is a well-established leader in patient navigation, care coordination, and home health services, which positions her to advise the Hawaii State Center for Nursing on current health care gaps, trends, and needs of the State. Your Committee therefore finds that Ms. Castonguay's vast health care experience, as well as her leadership abilities, will be great assets to the Center for Nursing Advisory Board.

As affirmed by the records of votes of the members of your Committee on Higher Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kahele).

## SCRep. 2162 Energy, Economic Development, and Tourism on Gov. Msg. No. 665

Recommending that the Senate advise and consent to the nomination of the following:

#### DEPUTY DIRECTOR OF THE DEPARTMENT OF BUSINESS, ECONOMIC DEVELOPMENT AND TOURISM

G.M. No. 665 RANDALL TANAKA, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by Randall Tanaka for service as the Deputy Director of the Department of Business, Economic Development, and Tourism.

Your Committee received testimony in support of the nomination for the appointment of Randall Tanaka from the Governor; Department of Business, Economic Development, and Tourism; Department of Budget and Finance; Department of Accounting and General Services; Department of Human Resources Development; Department of Labor and Industrial Relations; Department of Agriculture; Department of Land and Natural Resources; Department of Public Safety; Department of Transportation; Department of Hawaiian Home Lands; Oahu Economic Development Board; Research Corporation of the University of Hawaii'; Natural Energy Laboratory of Hawaii Authority; Office of Environmental Quality Control; University of Hawaii System; Hawaii Green Infrastructure Authority; Professional Convention Management Association; and twenty-four individuals.

Randall Tanaka is currently the University of Hawaii Community Colleges Director of Commercial and Auxiliary Enterprises, Safety, and Security, a position he has held since 2017. He previously served as the President and Executive Director of the International Union for the Conservation of Nature of the World Conservation Congress. In addition to business, executive, and management experience, Mr. Tanaka also has an extensive career in the Hawaii tourism industry. He has served in various capacities for the Hawaii Convention Center, including as Interim General Manager, Assistant General Manager, Director of Business Development, and Director of Sales and Marketing. Furthermore, he has been the Chief Operating Officer for the Asia Pacific Economic Cooperation and Executive Director for the Kauai Visitors Bureau, among other positions in the tourism industry.

Mr. Tanaka's extensive experience in business management and tourism have enabled him to gain a clear understanding of business and economic development issues and how those issues affect the state agencies and businesses affiliated with tourism in Hawaii. Mr. Tanaka also has extensive community ties, having served as a board member of the Professional Conference Managers Association, International Association of Venue Management, United States-Japan Hawaii Council, Hawaii Food and Wine Festival, and University of Hawaii College of Tropical Agriculture and Human Resources Alumni Association.

Your Committee believes that the nominee possesses the qualifications to serve as the Deputy Director of the Department of Business, Economic Development, and Tourism and help lead the Department. Due to Mr. Tanaka's invaluable background in the business and tourism sectors, he has a wealth of experience to craft innovative solutions for the Department. His experience in business and tourism gives him a thorough understanding of the business and tourism industries and a wealth of industry contacts, which will aid him as he helps lead the department charged with overseeing numerous state business, economic development, and tourism issues.

Your Committee notes from the nominee's personal statement that his vision for the Department of Business, Economic Development, and Tourism is to constantly evolve the Department's action plan and to ensure that the Department focuses on key areas that will diversify the economic base and increase revenue.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Inouye).

## SCRep. 2163 (Joint) Energy, Economic Development, and Tourism and Agriculture and Environment on H.C.R. No. 107

The purpose and intent of this measure is to request that the Department of Business, Economic Development, and Tourism and Department of Agriculture submit a report to the Legislature prior to the 2020 Regular Session that identifies the best practices and makes recommendations regarding a statewide program to address agricultural theft and vandalism.

Your Committees received testimony in support of this measure from the Office of the Mayor of the County of Hawai'i, Hawai'i Farm Bureau, Hawaii County Council, O'ahu County Democrats Legislative Priorities Committee, and one individual. Your Committees received comments on this measure from the Department of Agriculture and Office of Planning.

Your Committees find that agricultural theft and vandalism are constant threats for state farmers and ranchers because the large acreages that many farming and ranching operations encompass are difficult to police. Your Committees also find that some farmers and ranchers do not live on or near the fields where they work, making the operations challenging to monitor after-hours. Your Committees further find that theft and vandalism increase production costs, making it more difficult for farmers and ranchers to succeed financially.

Your Committees have amended this measure by:

- (1) Removing the request for the Department of Business, Economic Development, and Tourism to make recommendations and submit a report to the Legislature and only requesting the Department of Agriculture to do so;
- (2) Amending its title; and

(3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Energy, Economic Development, and Tourism and Agriculture and Environment that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 107, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 107, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Keohokalole).

Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Thielen, Fevella).

#### SCRep. 2164 Ways and Means on Gov. Msg. No. 715

Recommending that the Senate advise and consent to the nomination of the following:

## MEMBER, COUNCIL ON REVENUES

G.M. No. 715 Marilyn Niwao Roberts, for a term to expire 06-30-2023

Your Committee reviewed the personal statement and resume submitted by Marilyn Niwao Roberts for service as a member of the Council on Revenues.

Your Committee received testimony in support of the nomination of Marilyn Niwao Roberts from the Department of Taxation, Hawaii Association of Public Accountants, and two individuals.

Upon review of the testimony and the nominee's qualifications, your Committee finds that in addition to the nominee's leadership as Vice Chair of the Council on Revenues, the nominee's knowledge of taxes, accounting, and business qualify her to continue to serve as a member of the Council on Revenues. Your Committee notes that Marilyn Niwao Roberts' professional experience includes work at two large international certified public accountant firms as well as running her own practice on Maui.

Your Committee further finds that the nominee's experience includes serving as president of the Hawaii Association of Public Accountants from 1998 to 2002, and as president of the National Society of Accountants from 2015 to 2016. Your Committee notes that Ms. Niwao Roberts' extensive educational background in math, law, and public accounting will continue to benefit the Council on Revenues as it performs its duties pursuant to Chapter 37, Hawaii Revised Statutes, including preparation of state government revenue estimates.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 6 (Harimoto, Kahele, Kidani, Shimabukuro, Taniguchi, Fevella).

# SCRep. 2165 Ways and Means on Gov. Msg. No. 716

Recommending that the Senate advise and consent to the nomination of the following:

# MEMBER, COUNCIL ON REVENUES

G.M. No. 716 Carl Bonham, for a term to expire 06-30-2023

Your Committee reviewed the personal statement and resume submitted by Carl Bonham for service as a member of the Council on

Your Committee received testimony in support of the nomination of Carl Bonham from the Department of Taxation and the University of Hawaii at Manoa.

Upon review of the testimony and the nominee's qualifications, your Committee finds that in addition to the nominee's leadership as Executive Director of the University of Hawaii Economic Research Organization and experience as a tenured professor in the University of Hawaii at Manoa Department of Economics, the nominee's expertise in macroeconomics, tourism economics, and applied economics and forecasting qualify him to continue to serve as a member of the Council on Revenues.

Your Committee finds that Mr. Bonham's experience as the longest-serving member of the Council on Revenues provides him with firsthand knowledge of the intricacies and challenges of creating economic forecasts based on Hawaii's particular business and government environments. Your Committee notes that over the course of the nominee's many years of service on the Council on Revenues, his significant contributions to and guidance of the Council's complex deliberations have had a meaningful impact on the State budget.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 6 (Harimoto, Kahele, Kidani, Shimabukuro, Taniguchi, Fevella).

# SCRep. 2166 Ways and Means on Gov. Msg. No. 717

Recommending that the Senate advise and consent to the nomination of the following:

## MEMBER, COUNCIL ON REVENUES

G.M. No. 717 Jack Suyderhoud, for a term to expire 06-30-2023

Your Committee reviewed the personal statement and resume submitted by Jack Suyderhoud for service as a member of the Council on Revenues.

Your Committee received testimony in support of the nomination of Jack Suyderhoud from the Department of Taxation.

Upon review of the testimony and the nominee's qualifications, your Committee finds that the nominee has demonstrated leadership as Director of the University of Hawaii at Manoa Shidler College of Business Master of Business Administration program, in addition to his prior service as Executive Director of the State's Tax Review Commission and professor of business economics at the University of Hawaii at Manoa. Your Committee further finds that Mr. Suyderhoud's extensive knowledge of economics, quantitative methods, and tax incentives on foreign investment qualify him to continue to serve as a member of the Council on Revenues.

Your Committee notes that over the course of the nominee's years of service on the Council on Revenues, his significant contributions to and guidance of the Council's complex deliberations have had a meaningful impact on the State budget.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 6 (Harimoto, Kahele, Kidani, Shimabukuro, Taniguchi, Fevella).

#### SCRep. 2167 Agriculture and Environment on Gov. Msg. No. 709

Recommending that the Senate advise and consent to the nomination of the following:

## BOARD OF DIRECTORS OF THE AGRIBUSINESS DEVELOPMENT CORPORATION

G.M. No. 709 WARREN WATANABE, for a term to expire 06-30-2020

Your Committee has reviewed the personal history, resume, and statement submitted by Warren Watanabe for service on the Board of Directors of the Agribusiness Development Corporation.

Your Committee received testimony in support of the nomination for the appointment of Mr. Watanabe from the Department of Agriculture; Agribusiness Development Corporation; one member of the Kaua'i County Council; Ulupono Initiative; Kealia Ranch; Larry Jefts Farms, LLC; Ponoholo Ranch Limited; Hawaii Cattlemen's Council; Hawaii'i Farm Bureau; Ulupalakua Ranch; Bayer; Hawaii Floriculture and Nursery Association; Hawaii Agriculture Research Center; and eight individuals. Your Committee received testimony in opposition to the nomination for the appointment of Mr. Watanabe from one individual.

Your Committee finds that Mr. Watanabe received his Bachelor of Science degree in Horticultural Science from the University of Hawai'i at Manoa. Until its closure in 2012, Mr. Watanabe worked for his family farm, Watanabe Farm, growing lei heads and vegetables. The Watanabe Farm specialty vegetables were marketed under the name Kolours of Kula via Local Island Fresh Edibles. Since 2012, Mr. Watanabe has served as the Executive Director of the Maui County Farm Bureau. Mr. Watanabe also acts as support staff for the Hawaii Farm Bureau.

Your Committee further finds that Mr. Watanabe has served on several boards and advisory committees. Mr. Watanabe has served as a board member for the Maui County Board of Water Supply, Board of Maui Produce Processing Cooperative, and as a board member and president of the Maui County Farm Bureau. Mr. Watanabe has also served on the following advisory committees: Maui General Plan, Kahului Harbor Master Plan, Young Bros-Superferry, Maui County Tourism Strategic Plan, Focus Maui Nui, and Hawaii Drought Council. Your Committee finds that Mr. Watanabe is well-qualified to serve on the Board of Directors of the Agribusiness Development Corporation.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 2168 Agriculture and Environment on Gov. Msg. No. 738

Recommending that the Senate advise and consent to the nomination of the following:

# DIRECTOR OF THE OFFICE OF ENVIRONMENTAL QUALITY CONTROL

G.M. No. 738 SCOTT GLENN, for a term to expire 06-30-2023

Your Committee has reviewed the personal history and statement submitted by Scott Glenn for service as the Director of the Office of Environmental Quality Control.

Your Committee received testimony in support of the nomination for the reappointment of Scott Glenn from the Governor; Department of Health; Agribusiness Development Corporation; Department of Taxation; Department of Accounting and General Services; Department of Labor and Industrial Relations; Department of Human Resources Development; Department of Business, Economic Development, and Tourism; Department of Land and Natural Resources; Department of Transportation; Department of Public Safety; Department of Hawaiian Home Lands; Pūlama Lāna'i; Building Industry Association Hawaii; Oahu County Committee of the Oahu County Democrats; Hawaii Cattlemen's Council; Hawai'i Farm Bureau; Hawai'i Gas; Hanalei Watershed Hui; and twelve individuals.

Your Committee finds that Mr. Glenn's experience as an Environmental Planner, commitment to public service, and proven leadership qualify him for reappointment as the Director of the Office of Environmental Quality Control. Mr. Glenn has experience at Cardno, a professional infrastructure and environmental services company, as a project manager, business developer, and technical expert, and has led a team of planners, environmental scientists, geospatial data analysts, graphic designers, and technical specialists. Mr. Glenn specializes in asset management, environmental planning and compliance, environmental review, and climate change adaptation planning and is the co-founder and President of Better Block Hawaii, a non-profit corporation dedicated to exploring collaborative, innovative approaches to improving urban livability. He has also served as the Chair of the Sierra Club Hawaii Chapter and Chair of the State Environmental Council. Your Committee notes that Mr. Glenn has worked in the areas of urban planning and the environment for many years and has significant experience with environmental assessments and environmental impact statements. He received his Master's degree in Urban and Regional Planning from the University of Hawaii'i in 2009.

Your Committee further finds that Mr. Glenn has served as Director of the Office of Environmental Quality Control since 2015. As the Director, Mr. Glenn advises the Governor on environmental quality issues. The Director is tasked with public education and outreach, conducting research, submitting and providing testimony on legislative initiatives, recommending programs, and providing advice and assistance regarding Hawaii's environmental review process. The Director also sits as an ex officio voting member on the Environmental Council, Advisory Committee on Plants and Animals, and Emergency Response Commission. Based on Mr. Glenn's knowledge, experience, and commitment to public service, your Committee finds that Mr. Glenn is well-qualified to continue to serve as the Director of the Office of Environmental Quality Control.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

#### SCRep. 2169 Water and Land on Gov. Msg. Nos. 724, 725, 726, and 727

Recommending that the Senate advise and consent to the nominations of the following:

## LEGACY LAND CONSERVATION COMMISSION

G.M. No. 724 CHRISTIANE LUCAS, for a term to expire 06-30-2021;

G.M. No. 725 JACOB TAVARES, for a term to expire 06-30-2023;

G.M. No. 726 JOHN SINTON, for a term to expire 06-30-2023; and

G.M. No. 727 BERYL BLAICH, for a term to expire 06-30-2021

Your Committee reviewed the personal histories, resumes, and statements submitted by Christiane Lucas, Jacob Tavares, John Sinton, and Beryl Blaich for service on the Legacy Land Conservation Commission.

#### CHRISTIANE LUCAS

Your Committee received testimony in support of the nomination for the appointment of Christiane Lucas from the Department of Land and Natural Resources; Oahu County Committee, Oahu County Democrats; Malama Maunalua; Conservation Council for Hawai'i; Maunalua Fishpond Heritage Center; The Outdoor Circle; and four individuals.

Upon review of the testimony, your Committee finds that Ms. Lucas is the Program Manager of the Takai Transition Center Network for Hawaii 3Rs and a Legislative Aide for State Representative Gregg Takayama. Ms. Lucas has a background in community-based land acquisition and resource stewardship, including service on the City and County of Honolulu Clean Water and Natural Lands Commission, The Outdoor Circle Executive Committee, Maunalua Fishpond Heritage Center, and Kākoʻo ʻŌiwi Board of Directors.

Your Committee finds that Ms. Lucas has the background, experience, and commitment to public service to qualify for appointment to the Legacy Land Conservation Commission as a member of an environmental organization, pursuant to section 173A-2.4, Hawaii Revised Statutes. Testifiers commented that Ms. Lucas has served the people of Hawaii in many capacities over the years, including in the areas of environmental sustainability, public policy, and education. Testifiers noted that her professional background and training in education, legislation, and island sustainability exhibit key connections with Commission operations and concerns and her wealth of experience and knowledge will be a valuable asset for interacting with applicants, department staff, and fellow commissioners. Your Committee therefore finds that the Commission will benefit from the skills and experience that Ms. Lucas will contribute to the Commission.

## JACOB TAVARES

Your Committee received testimony in support of the nomination for the reappointment of Jacob Tavares from the Department of Land and Natural Resources; Department of Agriculture; one member of the Kaua'i County Council; Hawaii Cattlemen's Council, Inc.; Kealia Ranch; Ponoholo Ranch Limited; Ulupalakua Ranch; and six individuals. Your Committee received testimony in opposition to the nomination for the reappointment of Jacob Tavares from two individuals.

Upon review of the testimony, your Committee finds that Mr. Tavares is a Ranch Manager at Kūlōlio Ranch, LLC on Maui. He previously worked as a Human Resource Specialist at Hawaiian Commercial and Sugar Company. Mr. Tavares is an active community participant and is an Agricultural Leadership Foundation of Hawaii Board member, Maui United Way Board member, Chairman of the Government Affairs Committee of the Hawaii Cattlemen's Council, Director of the Maui Cattlemen's Association, and member of the United States Department of Agriculture Natural Resources Conservation Service Soil and Water Conservation Board: Olinda-Kula District.

Your Committee finds that Mr. Tavares has the background, experience, and commitment to community and public service that further qualify him for appointment to the Legacy Land Conservation Commission as a resident of Maui and possessing membership in a statewide agricultural association, pursuant to section 173A-2.4, Hawaii Revised Statutes. Testifiers commented that Mr. Tavares has been a notable asset to the Commission for over two years as it has ranked the various applications for land acquisition funds. Testifiers noted the nominee's extensive knowledge and experience as a sixth-generation Hawaii rancher and contemporary leader regarding corporate transition from plantation systems to diversified agricultural production. Your Committee further finds that the Commission will continue to benefit from the background and experience that Mr. Tavares brings to the Commission.

#### JOHN SINTON

Your Committee received testimony in support of the nomination for the appointment of John Sinton from the Department of Land and Natural Resources and four individuals.

Your Committee finds that Dr. Sinton is a volcanologist with worldly experience who previously served two terms on the Natural Area Reserves Commission and served on the Legacy Land Conservation Commission from 2013 to 2017.

Your Committee finds that Dr. Sinton has the background, experience, and commitment to public service to qualify for appointment to the Legacy Land Conservation Commission as a member possessing scientific qualifications and membership in an environmental organization, pursuant to section 173A-2.4, Hawaii Revised Statutes. Testifiers commented that Dr. Sinton provides good insight as to whether organizations have sufficient structure and organizational capacity to succeed at the land management goals they propose. Testifiers noted that he has devoted countless hours to community service projects and that his institutional knowledge, professionalism, practicality, and reputation make him a particularly welcome nominee. Your Committee further finds that the Commission will benefit from the skills and experience that Dr. Sinton will contribute to the Commission.

#### BERYL BLAICH

Your Committee received testimony in support of the nomination for the appointment of Beryl Blaich from the Department of Land and Natural Resources, National Tropical Botanical Garden, one member of the State House of Representatives, and four individuals.

Your Committee finds that Ms. Blaich is active in her community including as a member of the Manoa Valley Cultural Heritage Foundation and Kuali'i Foundation, Kīlauea Neighborhood Association, Mālama Māhā'ulepū, and Hawaiian Islands Land Trust, Kaua'i Island Council. Ms. Blaich has a background in teaching, neighborhood governance, culture, arts, and environmental concerns.

Your Committee finds that Ms. Blaich has the background, experience, and commitment to public service to qualify for appointment to the Legacy Land Conservation Commission as a member possessing scientific qualifications as evidenced by an academic degree in wildlife or marine biology, botany, forestry, ecology, resource management, biogeography, zoology, or geology, pursuant to section 173A-2.4, Hawaii Revised Statutes. Testifiers commented that Ms. Blaich has served the people of Hawaii in many capacities over the years, including in the areas of environmental sustainability, public policy, and education. Testifiers noted that her education and experience in community-based planning for land use and resource management will be beneficial to the Legacy Land Conservation Program as it completes the development of a plan for the acquisition of land having value as a resource to the State. Your Committee further finds that the Commission will benefit from the skills and experience that Ms. Blaich will contribute to the Commission.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

## SCRep. 2170 Human Services on Gov. Msg. Nos. 728, 729, 730, 732, 733, 734, 735, and 736

Recommending that the Senate advise and consent to the nominations of the following:

# STATE REHABILITATION COUNCIL

G.M. No. 728	HELEN SANPEI, for a term to expire 06-30-2019;
G.M. No. 729	HELEN SANPEI, for a term to expire 06-30-2022;
G.M. No. 730	HOWARD LESSER, for a term to expire 06-30-2022;
G.M. No. 732	ARTHUR CABANILLA, for a term to expire 06-30-2021;
G.M. No. 733	JODI ASATO, for a term to expire 06-30-2022;
G.M. No. 734	MICHELE KU, for a term to expire 06-30-2021;
G.M. No. 735	TERRY-ANN MOSES, for a term to expire 06-30-2019; and
G.M. No. 736	TERRY-ANN MOSES, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Helen Sanpei, Howard Lesser, Arthur Cabanilla, Jodi Asato, Michele Ku, and Terry-Ann Moses for service on the State Rehabilitation Board.

# HELEN SANPEI

Your Committee received testimony in support of the nomination for the appointment and reappointment of Helen Sanpei from the Department of Human Services and State Rehabilitation Council.

Upon review of the testimony, your Committee finds that Ms. Sanpei's knowledge of the education system, leadership skills, and commitment to serve qualify her to be nominated for appointment and reappointment to the State Rehabilitation Council. Your Committee notes that Ms. Sanpei has been the Principal at McKinley Community School for Adults for sixteen years. Ms. Sanpei previously served as a Principal, Vice Principal, counselor, and teacher for numerous schools. Ms. Sanpei also is involved in professional and community activities and is the Chairperson and Committee Member for the Western Association of Schools and Colleges Accreditation and a Hawaii School Leadership Academy Mentor Principal. For nearly fifty years, Ms. Sanpei has been involved in the education of Hawaii's students. Your Committee therefore recommends that Ms. Sanpei be appointed and reappointed to the State Rehabilitation Council based on her decades of experience educating Hawaii's students, leadership skills, and commitment to the education community.

## **HOWARD LESSER**

Your Committee received testimony in support of the nomination for the reappointment of Howard Lesser from the Department of Human Services, State Rehabilitation Council, Hawaii Disability Rights Center, Oahu County Democrats, and one individual.

Upon review of the testimony, your Committee finds that Mr. Lesser's professional experience, background, and proven leadership on the State Rehabilitation Council qualify him to be nominated for reappointment to the State Rehabilitation Council. Your Committee notes that Mr. Lesser has worked as an advocate for individuals with diverse and significant disabilities for forty years and has distinguished himself with his dedication to this field. Mr. Lesser is also involved in the community as a member of the Children's Coordinating Council, a member of the Hawaii Diabetes Association in Hawaii, and a volunteer for the National Kidney Foundation. In his personal statement, Mr. Lesser expressed his passion for serving as the representative of the Client Assistance Program for the Council. Your Committee further finds that Mr. Lesser has been a member of the State Rehabilitation Council since 2016 and currently serves as the Council's Vice Chair. Your Committee therefore recommends that Mr. Lesser be reappointed to the State Rehabilitation Council based on his decades of experience, commitment to assisting individuals with disabilities, and prior leadership on the Council.

#### ARTHUR CABANILLA

Your Committee received testimony in support of the nomination for the reappointment of Arthur Cabanilla from the Department of Human Services; State Rehabilitation Council; and Oahu County Committee, Oahu County Democrats. Your Committee received testimony in opposition to the nomination for the reappointment of Arthur Cabanilla from two individuals.

Upon review of the testimony, your Committee finds that Mr. Cabanilla's experience and dedication to helping individuals with disabilities qualify him to be nominated for reappointment to the State Rehabilitation Council. Your Committee notes that Mr. Cabanilla is the owner and founder of Six Sense Solutions and has spent the past twenty-seven years in the disability field with a focus in assistive technology for individuals who are blind. Mr. Cabanilla has been involved with the blind community in various capacities, including as a member of the State Rehabilitation Council, an Advisory Board Member for the Library of the Blind, and President of the Hawaii Association of the Blind. In his personal statement, Mr. Cabanilla gave his sincerest assurance that he will work diligently with the other council members toward addressing the educational vocational and employment challenges for all disabled individuals in Hawaii. Your Committee therefore recommends that Mr. Cabanilla be reappointed to the State Rehabilitation Council based on his experience and commitment to public service.

## JODI ASATO

Your Committee received testimony in support of the nomination for the reappointment of Jodi Asato from the Department of Human Services and State Rehabilitation Council.

Upon review of the testimony, your Committee finds that Ms. Asato's experience and demonstrated commitment to helping individuals with disabilities qualify her to be nominated for reappointment to the State Rehabilitation Council. Your Committee notes that Ms. Asato is a Counselor at the Disability Student Services Office at the University of Hawaii at Manoa, where she is responsible for ensuring equal access for students with disabilities to all educational opportunities offered by the university, and has spent eighteen years in the disability field with a focus in assistive technology for people with disabilities of all ages. In her personal statement, Ms. Asato expressed her desire to continue to promote collaboration and build partnerships with schools and employers to give individuals with disabilities access to meaningful employment and postsecondary options. Your Committee therefore recommends that Ms. Asato be reappointed to the State Rehabilitation Council based on her knowledge, experience, and commitment to helping individuals with disabilities.

# MICHELE KU

Your Committee received testimony in support of the nomination for the reappointment of Michele Ku from the Department of Human Services and one individual. Your Committee received testimony in opposition to the nomination for the reappointment of Michele Ku from the Democratic Party of Hawaii Labor Caucus, Health Committee of the Democratic Party of Hawaii, and eight individuals. Your Committee received comments on the nomination for the reappointment of Michele Ku from one individual.

Upon review of the testimony, your Committee finds that Ms. Ku's background, commitment to advocacy, and proven leadership as the Chair of the State Rehabilitation Council qualify her to be nominated for reappointment to the State Rehabilitation Council. Ms. Ku has worked on behalf of individuals with disabilities with the Arc of Kona for fourteen years, first as the Director of Program Services, and currently as the President and Chief Executive Officer, and therefore understands the system in which individuals with disabilities need to find services and support. Your Committee notes that Ms. Ku serves as the Board Vice President for the Hawaii Island Workforce and Economic Development Ohana and is on the Board of Directors of the Hamakua Youth Foundation. Ms. Ku has extensive experience working with individuals who experience barriers to employment and is also a committed public servant with proven leadership skills. Your Committee therefore recommends that Ms. Ku be reappointed to the State Rehabilitation Counsel based on her experience, leadership, and collaborative approach to problem solving.

#### TERRY-ANN MOSES

Your Committee received testimony in support of the nomination for the appointment and reappointment of Terry-Ann Moses from the Department of Human Services and State Rehabilitation Council.

Upon review of the testimony, your Committee finds that Ms. Moses' background, advocacy skills, and commitment to helping individuals with disabilities qualify her to be nominated for appointment and reappointment to the State Rehabilitation Council. Your Committee notes that Ms. Moses is currently the Clubhouse Director of the Friendship House Clubhouse in Kapaa, Hawaii, where she provides counseling and job readiness assistance and develops business relationships to help individuals with mental illnesses obtain meaningful employment. Ms. Moses has spent over fifteen years providing services to mentally ill individuals. Most of her professional experience has been focused on providing disability related support and services, primarily for individuals with a diagnosis of mental illness. Ms. Moses is a strong advocate who is passionate about eliminating barriers for individuals with disabilities. Your Committee therefore recommends that Ms. Moses be appointed and reappointed to the State Rehabilitation Council based on her experience in mental health, community outreach, and her commitment to assist individuals with disabilities.

As affirmed by the records of votes of the members of your Committee on Human Services that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Fevella).

#### SCRep. 2171 Agriculture and Environment on Gov. Msg. Nos. 695 and 696

Recommending that the Senate advise and consent to the nominations of the following:

## ENVIRONMENTAL COUNCIL

G.M. No. 695 RONALD TERRY, for a term to expire 06-30-2023; and

G.M. No. 696 BARBARA KAAUMOANA, for a term to expire 06-30-2023

Your Committee has reviewed the personal histories, resumes, and statements submitted by Ronald Terry and Barbara Kaaumoana for service on the Environmental Council.

#### RONALD TERRY

Your Committee received testimony in support of the nomination for the reappointment of Ronald Terry from the Office of Environmental Quality Control; Hawaii Cattlemen's Council; Hawaii Island Chamber of Commerce; Hawaiii Farm Bureau Federation; David S. De Luz, Sr. Enterprises, Inc.; and nine individuals.

Your Committee finds that Mr. Terry earned a B.A. in Geography from the University of Hawai'i at Hilo. He received a Ph.D. in Geography from Louisiana State University through a National Science Foundation grant. Mr. Terry was an Assistant Professor of Geography at the University of Hawai'i at Hilo from 1987 through 1992. Mr. Terry is an Affiliate Professor at the University of Hawai'i at Hilo and continues to occasionally lecture. Mr. Terry started his own consulting business, Geometrician Associates, in 1992 where he has prepared nearly five hundred environmental assessments, environmental impact statements, and biological reports for projects throughout the Hawaiian islands. Clients have included federal, state, and county agencies as well as private sector firms.

Your Committee further finds that Mr. Terry has served on multiple government and nonprofit boards. Some of the boards related to environmental science and policy that he has been active on include the Marine and Coastal Zone Management Advocacy Council; Mauna Kea Management Board; University of Hawai'i at Hilo Chancellor's Advisory Council and Chancellor Selection Committee; Board of Directors of the award-winning journal, Environment Hawai'i; and the State's Environmental Council since 2016. As a member of the Environmental Council, Mr. Terry has helped lead the revision of the State's administrative rules on environmental impact statements.

# BARBARA KAAUMOANA

Your Committee received testimony in support of the nomination for the reappointment of Barbara Kaaumoana from the Office of Hawaiian Affairs, Office of Environmental Quality Control, Aha Moku Advisory Committee, County of Kaua'i Office of the Mayor, one member of the state House of Representatives, Hawai'i Farm Bureau, Hawaii Cattlemen's Council, and two individuals.

Your Committee finds that Ms. Kaaumoana received her education from Stanford University. Ms. Kaaumoana has served as a nurse, special education teacher, author, volunteer, and has served as the Executive Director of the Hanalei Watershed Hui since 1999, and Vice Chair of Hui Hoʻomalu i ka ʻĀina since 2000. As the Executive Director of the Hanalei Watershed Hui, Ms. Kaaumoana has applied for and managed multiple federal and local grants related to the environment, disaster planning, and rural development.

Your Committee further finds that Ms. Kaaumoana has served on multiple government and nonprofit boards, including the Environmental Council since 2016. Some of the boards related to environmental science and policy that she has been active on and held leadership roles include the Ha'ena State Park Master Plan Advisory Committee; Kilauea Neighborhood Association; Marine and Coastal Zone Advocacy Council; United States Fish and Wildlife Service Hawaii Fish Habitat Initiative Steering Committee; and Conservation Council for Hawaii, Hawaiian Islands Humpback Whale National Marine Sanctuary Advisory Council. Ms. Kaaumoana's participation in various organizations has focused on stewardship and collaborative management of the natural, cultural, and economic resources of Hawaii.

As affirmed by the records of votes of the members of your Committee on Agriculture and Environment that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

# SCRep. 2172 Agriculture and Environment on H.C.R. No. 168

The purpose and intent of this measure is to request the Department of Health to convene a task force to evaluate and identify potential sources and means of funding available to provide support for and help maintain the Hawai'i Wildlife Center facility and Hawaii's endangered wildlife.

Your Committee received testimony in support of this measure from the County of Hawai'i Office of the Mayor, Hawai'i Wildlife Center, O'ahu County Democrats Legislative Priorities Committee, and six individuals. Your Committee received testimony in opposition to this measure from the Department of Health. Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that preparing for and responding to oil spill emergencies that harm native wildlife is critical to the overall well-being of the State. The Hawai'i Wildlife Center is the only facility in the State that meets all minimum requirements for accommodating large-scale rescue and rehabilitation efforts targeting sick, injured, or oiled wildlife. The Hawai'i Wildlife Center provides professional, state-of-the-art treatment for Hawaiian wildlife affected by contamination, disease, and injury. Additionally, the Center's staff has the experience and capability to manage wildlife-related response, including assessment, training, mobilization, supervision, facilities' management, and wildlife capture, handling, stabilization, and transportation. Accordingly, your Committee finds that forming a task force to research additional funding sources to help maintain the work of the Hawai'i Wildlife Center is in the best interests of the State.

Your Committee has amended this measure by:

- (1) Adding the Chairperson of the Board of Land and Natural Resources, or the Chairperson's designee, as a co-chair of the task force:
- (2) Requesting the task force to also consider grant-in-aid funding pursuant to chapter 42F, Hawaii Revised Statutes, as an additional funding source for the Hawai'i Wildlife Center;
- (3) Amending its title; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 168, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 168, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Fevella).

## SCRep. 2173 (Joint) Agriculture and Environment and Government Operations on H.C.R. No. 55

The purpose and intent of this measure is to request that the Governor convene a working group to make recommendations on the consolidation of state environmental functions and the establishment of the Department of the Environment.

Your Committees received testimony in support of this measure from the Department of Business, Economic Development, and Tourism and Sierra Club of Hawai'i.

Your Committees find that environmental issues, including mitigating and adapting to climate change, reducing carbon emissions, planning for sea level rise, protecting natural resources, watersheds, and coral reefs, reducing solid waste, and improving wastewater disposal, are some of the most pressing environmental issues that affect our State. Your Committees further find that the placement of environmentally-related responsibilities in different departments, divisions, agencies, and offices deprioritizes environmental issues and hinders coordination of the implementation of solutions. Your Committees therefore find that this measure requests that the Governor convene a working group to make recommendations on the consolidation of state environmental functions and the establishment of the Department of the Environment, a single, executive branch department that bears all the responsibilities for environmental issues.

Your Committees have amended this measure by:

- (1) Adding the Deputy Director for Environmental Health Administration of the Department of Health as a member of the working group; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committees encourage the working group, if and when established, to also consider and address procedural issues, such as whether any constitutional amendment would be necessary to create a new department and how to restructure existing agencies to accommodate the new department.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Government Operations that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 55, H.D. 1, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 55, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 4. Noes, none. Excused, 1 (Fevella).

Government Operations: Ayes, 3. Noes, none. Excused, 2 (Kanuha, Fevella).

## SCRep. 2174 (Joint) Agriculture and Environment and Energy, Economic Development, and Tourism on H.C.R. No. 25

The purpose and intent of this measure is to request that the Department of Agriculture and Hawai'i Tourism Authority report to the Legislature on the processing of the State of Hawaii Plant and Animal Declaration Forms and the costs involved with these forms.

Your Committees received testimony in support of this measure from the Hawai'i Tourism Authority, Hawai'i Farm Bureau, and O'ahu County Democrats Legislative Priorities Committee. Your Committees received comments on this measure from the Department of Agriculture, Department of Land and Natural Resources, and Office of Planning.

Your Committees find that all passengers, upon arrival to Hawaii, must complete a State of Hawaii Plant and Animal Declaration Form that requires information regarding their potential importation of any plants, including seeds and animals, and requests information regarding the passengers' visitor or resident status. Your Committees further find that the questions on, and process and cost-effectiveness of, the Plant and Animal Declaration Form can be further improved and streamlined to gain greater understanding and additional information that can lead to enhanced enforcement of plant and animal imports to further protect Hawaii from invasive species.

Your Committees have amended this measure by:

- Clarifying and correcting several findings related to when inspections of passengers' bags are conducted, where inspections of regulated commodities are conducted, and the means used to regulate the importation of plants and animals into Hawaii; and
- (2) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Energy, Economic Development, and Tourism that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 25, H.D. 1, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 25, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees.

Agriculture and Environment: Ayes, 3. Noes, none. Excused, 2 (Thielen, Fevella).

Energy, Economic Development, and Tourism: Ayes, 3. Noes, none. Excused, 2 (Inouye, Keohokalole).

## SCRep. 2175 Ways and Means on H.C.R. No. 137

The purpose and intent of this measure is to encourage recycling and prevent large amounts of glass waste from taking up valuable space in the State's landfills.

Specifically, this measure requests the Hawaii State Energy Office to perform a study on the feasibility of incentivizing the creation of a glass and solar panel recycling plant using funds from a fee attached to each solar panel sold in the State.

Your Committee received testimony from Organizing for Action in opposition to the measure as received by the Committee.

Prior to the hearing on the measure, your Committee posted and made available for public review a proposed Senate Draft No. 1 (Proposed Draft), which amends this measure by:

- (1) Deleting its title and contents; and
- (2) Inserting language requesting the Department of Budget and Finance to inform the President of the Senate and the Speaker of the House of Representatives within seven days of the issuance of special purpose revenue bonds.

Your Committee received comments on the Proposed Draft from the Department of Budget and Finance.

Your Committee finds that the individual projects funded by special purpose revenue bonds often affect or benefit the communities that individual legislators represent. Your Committee further finds that notifying the Legislature when these bonds are issued will allow individual legislators to keep their constituents informed about projects affecting their communities.

Your Committee has amended this measure by adopting the Proposed Draft.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 137, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 137, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (Harimoto, Kahele, Riviere, Taniguchi).

# SCRep. 2176 Ways and Means on H.C.R. No. 82

The purpose and intent of this measure is to request that the Department of Budget and Finance conduct a study on the feasibility of creating a program that would allow qualified individuals to remit registration fees on a biannual basis.

For the purposes of a public hearing, your Committee circulated a proposed S.D. 1 (Proposed Draft) of the measure and notified the public that your Committee would be accepting testimony on the Proposed Draft, which deletes the title and contents of the measure and inserts provisions that request the Department of Transportation, City and County of Honolulu, Ewa Beach Golf Course, Carmel Partners, Iroquois Point, and Ewa Beach Neighborhood Board to form a task force regarding the management of North Road.

Your Committee received testimony in support of the Proposed Draft from the Department of Transportation.

Your Committee finds that safety improvements and the unified management of North Road may be necessary to address the issues affecting North Road, including illegal dumping and a lack of regular maintenance and repairs on the road.

Your Committee has amended this measure by adopting the Proposed Draft.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 82, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 82, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (Harimoto, Kahele, Riviere, Taniguchi).

#### SCRep. 2177 Ways and Means on H.C.R. No. 193

The purpose and intent of this measure is to request that the Auditor conduct a follow-up study to its 2015 study of departmental engineering sections that manage capital improvement projects.

Your Committee received comments on this measure from the Office of the Auditor.

Your Committee finds that many state capital improvement projects are burdened with issues related to design, implementation, and execution. Accordingly, your Committee believes that these capital improvement projects will benefit from improved processes and efficiencies.

Your Committee has amended this measure by:

- (1) Deleting language requesting that the Auditor include in its study a review of the implementation and effectiveness of the annual training conducted by the Comptroller; and
- (2) Removing the Comptroller from the list of persons to whom a certified copy of the measure is to be transmitted.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 193, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 193, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 9. Noes, none. Excused, 4 (Harimoto, Kahele, Riviere, Taniguchi).

## SCRep. 2178 Higher Education on H.C.R. No. 216

The purpose and intent of this measure is to support the development of college esports at the University of Hawaii.

Your Committee received testimony in support of this measure from the University of Hawai'i System and ten individuals.

Your Committee finds that electronic sports, more commonly known as esports, are video game competitions, often in organized, multiplayer video games, among professional players, individually, or as teams. Over one hundred colleges in North America have started scholarship-based esports programs that foster and develop innovative educational and work opportunities, sportsmanship, discipline, dedication, and awareness and education to avoid unhealthy gaming habits. The creation of a University of Hawaii esports program can promote career development, research, and competition amongst other universities and provide educational support for students who are interested in the growing digital gaming industry.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 216, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 216, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

#### SCRep. 2179 Higher Education on H.C.R. No. 179

The purpose and intent of this measure is to request the University of Hawaii Board of Regents to continue to support and fund the Industrial Relations Center as a valuable labor-management relations resources for the public and private sectors.

Your Committee received testimony in support of this measure from the University of Hawai'i System; Department of Labor and Industrial Relations; Industrial Relations Center, University of Hawai'i at Mānoa; Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO; United Public Workers, AFSCME Local 646, AFL-CIO; IBEW Local 1260; and seven individuals.

Your Committee finds that the Industrial Relations Center was created by the University of Hawaii Board of Regents in 1948 to promote the understanding of labor-management interactions, challenges, collective bargaining and mediation techniques, and public and private sector policies. Since its creation, the Industrial Relations Center has significantly contributed to the public and private sectors by successfully training more than one thousand eight hundred professionals through a series of workshops focused on collective bargaining and grievance arbitration. Your Committee further finds that as the need for the Industrial Relations Center's expertise and resources increases, it is essential to continue to support the Center in its training of public and private sector employees, contributions to the field of industrial relations research, and standing as a world class resource of information to Hawaii's community.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 179, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

# SCRep. 2180 Human Services on H.C.R. No. 36

The purpose and intent of this measure is to request the Coordinator on Homelessness and the City and County of Honolulu to come together and prioritize the homeless efforts in the area surrounding the Hawaii Children's Discovery Center by convening a task force.

Your Committee received testimony in support of this measure from the Hawaii Children's Discovery Center, Hawai'i Alpha Delta Kappa, Oahu County Committee of the Oahu County Democrats, and five individuals.

Your Committee finds that children's museums play a significant role in promoting lifelong learning and serve as important cultural resources within the community. The Hawaii Children's Discovery Center (Center) is the first and only children's museum in the State. The Center's mission is to bring information and experiences about the world to the children of Hawaii and instill in Hawaii's children pride in themselves and their ethnic and cultural heritage. The Center is a popular visitor attraction for families with children of all ages and a place where they can experience, explore, investigate, and discover things about themselves and the world around them in a creative and fun environment that includes hands-on, interactive exhibits.

Your Committee further finds that the Center has experienced extreme hardships due to the homeless population that surrounds the perimeter of the building. An inordinate amount of the Center's financial resources must be allocated for maintenance and repair issues as a result of trespassing, vandalism, and theft on the property. The safety of the children that enter and leave the Center is a concern since the areas around the Center are often unsanitary and there are reports of violence, drug dealing, crime, and other illicit behavior that goes on in the surrounding homeless encampments. Coordinated efforts by the City and State, together with social service agencies and health care providers, have not provided any long-term solution to this problem. The homeless encampments have become so detrimental to the Center and its patrons that the Center may be forced to close. This measure requests the Coordinator on Homelessness and the City and County of Honolulu to establish a task force to develop strategies to assist individuals and families facing homelessness around the Center and protect the Center from the effects of homelessness, which would allow the Center to continue to be a safe haven for families with children who are eager to come to the Center to play and learn.

As affirmed by the record of votes of the members of your Committee on Human Services that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 36, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

#### SCRep. 2181 (Joint) Human Services and Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 205

The purpose and intent of this measure is to request the Department of Human Services, in consultation with the Department of Public Safety, to work with the Family Unification Working Group and other community stakeholders to develop a plan to establish visitation centers at all state correctional facilities and jails.

Your Committees received testimony in support of this measure from Department of Public Safety, Community Alliance on Prisons, Hawaii Youth Services Network, Blueprint for Change, American Civil Liberties Union of Hawai'i, O'ahu County Democrats Legislative Priorities Committee, and one individual. Your Committees received comments on this measure from the Department of Human Services.

Your Committees find that children of incarcerated parents experience grief and loss, similar to the experience of divorce or the death of a parent. Studies show that children of incarcerated parents are at increased risk of abuse or neglect, and more likely to have mental health problems, difficulty in school, and be incarcerated themselves. Regular visitation provides opportunities to sustain the parent-child bond while a parent is incarcerated, which can alleviate many of these problems. Visitation also provides benefits to the parent, including increasing the chances of successful reintegration into the community upon the parent's release. Your Committee further find that prison is not a suitable environment for children to visit their incarcerated parents. Developing a plan to establish children-friendly visitations centers in all prisons and jails will ensure the wellbeing of children of incarcerated parents, encourage visitations, and provide an opportunity to begin breaking the cycle of generational incarceration.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 205, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Human Services: Ayes, 3. Noes, none. Excused, 2 (Ihara, Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Harimoto, Fevella).

## SCRep. 2182 (Joint) Human Services and Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 96

The purpose and intent of this measure is to urge the City and County of Honolulu to work with the State in developing strategies to provide assistance to the homeless and reduce the number of homeless individuals in Waipahu.

Your Committees received testimony in support of this measure from the Oahu County Committee of the Oahu County Democrats. Your Committees received comments on this measure from the Governor's Coordinator on Homelessness.

Your Committees find that homelessness is a statewide issue that impacts every county. Your Committees further find that although between 2017 and 2018, the number of homeless unsheltered individuals in the State decreased, the Ewa region of Oahu, which includes Waipahu, experienced an 8.2 percent increase in the number of unsheltered homeless individuals compared to the previous year. Nearly thirty percent of the homeless population in the Ewa region are in Waipahu. This measure requests the City and County of Honolulu to work with the State to develop strategies to provide assistance to the homeless and reduce the number of homeless individuals in Waipahu, which will facilitate the statewide strategy to end homelessness in the State and lead to more homeless individuals reclaiming their housing, security, health, and freedom.

As affirmed by the records of votes of the members of your Committees on Human Services and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 96, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Human Services: Ayes, 3; Ayes with Reservations (Rhoads). Noes, none. Excused, 2 (Ihara, Fevella).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 3. Noes, none. Excused, 2 (Harimoto, Fevella).

#### SCRep. 2183 Hawaiian Affairs on H.C.R. No. 133

The purpose and intent of this measure is to request the probate court to increase transparency regarding the Kamehameha Schools trustee selection process.

Your Committee received testimony in support of this measure from the O'ahu County Democrats Legislative Priorities Committee, Association of Hawaiian Civic Clubs, and two individuals. Your Committee received comments on this measure from the Democratic Party of Hawai'i Hawaiian Affairs Caucus.

Your Committee finds the governance of Kamehameha Schools rests with a Board of Trustees who provide the strategic direction necessary to fulfill the vision, mission, and values of Kamehameha Schools. The probate court chooses members of the Trustee Screening Committee as part of the trustee selection process, however concerns have been raised that the probate court has not been fully transparent regarding how members of the Trustee Screening Committee are chosen. Your Committee finds that this measure seeks to address community concerns about transparency by requesting the probate court to be transparent on how Trustee Screening Committee members are chosen and to recognize and involve Kamehameha Schools stakeholders in the process.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 133, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Kahele).

#### SCRep. 2184 Hawaiian Affairs on H.C.R. No. 188

The purpose and intent of this measure is to request the Office of Hawaiian Affairs to complete the independent financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries authorized by the Office of Hawaiian Affairs Board of Trustees in 2017.

Your Committee received testimony in support of this measure from the Center for Hawaiian Sovereignty Studies. Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that in February of 2017, the Office of Hawaiian Affairs Board of Trustees voted to begin the procurement process for an independent certified public accounting firm to conduct a financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries. Your Committee finds that completion of the 2017 independent financial audit and management review of the Office of Hawaiian Affairs and its subsidiaries would identify areas of waste and inefficiency and enable the Board to tailor policy changes and improve its mission implementation.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 188, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Kahele).

# SCRep. 2185 Hawaiian Affairs on H.C.R. No. 155

The purpose and intent of this measure is to urge the establishment of a Native Hawaiian intellectual property task force to develop a sui generis legal system to recognize and protect Native Hawaiian cultural intellectual property, traditional cultural expressions, and genetic resources.

Your Committee received testimony in support of this measure from the Aha Moku Advisory Committee, Oʻahu County Democrats Legislative Priorities Committee, Waimea Hawaiian Civic Club, and two individuals. Your Committee received comments on this measure from the Office of Hawaiian Affairs.

Your Committee finds that the Native Hawaiian people's collective intellectual property rights are based on traditional, cultural knowledge developed over thousands of years and passed down from generation to generation. The western intellectual property system, developed to protect the rights of creators and inventors, does not adequately protect the rights of indigenous peoples to their collective, traditional knowledge, cultural expressions, and art forms. Consequently, disputes between indigenous peoples and third-party users of indigenous knowledge resources over ownership and control have steadily increased. Your Committee further finds that other indigenous peoples have developed strategies and sui generis legal frameworks or systems to protect their collective intellectual property rights and urges the establishment of a task force to develop a sui generis legal system to recognize and protect Native Hawaiian cultural intellectual property, traditional cultural expressions, and genetic resources.

Your Committee has amended this measure by amending the suggested membership of the task force to include the Aha Moku Advisory Committee.

As affirmed by the record of votes of the members of your Committee on Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 155, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 155, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Ihara, Kahele).

#### SCRep. 2186 Judiciary on H.C.R. No. 225

The purpose and intent of this measure is to convene the twenty-first century privacy law task force to examine and recommend laws and regulations regarding internet privacy, hacking, data breaches, and personal data, among similar internet privacy-related issues.

Your Committee received testimony in support of this measure from the Department of Commerce and Consumer Affairs and American Civil Liberties Union of Hawaii.

Your Committee finds that the collection and processing of consumer information has grown exponentially in recent years. Your Committee further finds that some jurisdictions have attempted to regulate the collection, transmission, processing, protection, and storing of personal data and information in an effort to protect privacy of internet users. Your Committee additionally finds that Hawaii law and culture has a high bar for privacy when compared to other states. Your Committee also finds that the State should examine existing internet privacy laws and regulations to determine how to best protect the privacy interests of the people of Hawaii.

Your Committee has amended this measure by:

- (1) Requesting the President of the Senate to designate one member of the Senate to be a member of the task force instead of specifying the Chair of the Senate Committee on Judiciary;
- (2) Requesting that the report to the Legislature be submitted no later than December 1, 2019; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 225, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 225, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

#### SCRep. 2187 Judiciary on H.C.R. No. 220

The purpose and intent of this measure is to request the Attorney General to convene an autonomous vehicle legal preparation task force.

Your Committee received testimony in support of this measure from the Department of Transportation, Ulupono Initiative, Hawaii Transportation Association, Organizing for Action, Alliance of Automobile Manufacturers, 350.org Maui Nui, and eight individuals.

Your Committee finds that international companies in several locations have begun using autonomous vehicles for commercial purposes, and current autonomous vehicle industry trends suggest overwhelmingly that all autonomous vehicles will be electric, which could contribute significantly to Hawaii's clean energy goals. Your Committee further finds that although twenty-nine states and Washington D.C. have enacted legislation related to autonomous vehicles and governors in eleven states, including Hawaii, have issued executive orders related to autonomous vehicles, Hawaii law is silent with respect to autonomous vehicle testing or use. Your Committee additionally finds that adaptation of any new industry and technology presents significant legal and societal challenges. Your Committee also finds that the adaptation and testing of autonomous vehicles should be examined for the State to prepare for the legal and regulatory implications of transitioning to autonomous vehicles. This measure requests the establishment of a task force to examine these issues and make recommendations to address them.

Your Committee has amended this measure by:

- (1) Requesting the President of the Senate to designate as members of the task force three members of the Senate instead of specifying the chairs of the Senate Committee on Judiciary; Senate Committee on Commerce, Consumer Protection, and Health; and Senate Committee on Transportation;
- (2) Requesting that the preliminary report to the Legislature be submitted no later than December 1, 2019;
- (3) Requesting that the final report to the Legislature be submitted no later than December 1, 2020; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 220, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 220, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 5. Noes, none. Excused, none.

# SCRep. 2188 Judiciary on H.C.R. No. 218

The purpose and intent of this measure is to request a task force to review and report on the establishment of fair and proportional fines for certain penalties in Hawaii to ensure a fair and meaningful deterrent to illegal behavior for individuals across the economic spectrum.

Your Committee received testimony in support of this measure from the Drug Policy Forum of Hawaii and one individual.

Your Committee finds that penalties for some violations and infractions in all areas of law in Hawaii tend to be flat fines, including but not limited to speeding, and negligent or reckless actions. Your Committee further finds that a flat fine often serves as a meaningful deterrent only for those to whom it has a financial impact. Your Committee additionally finds that while a fine for \$200 may serve as a meaningful deterrent to illegal behavior for an individual of average means, it may require a significantly higher fine to serve as a meaningful deterrent to illegal behavior for a wealthy individual. This measure will request that a task force be established to review and report on the establishment of fair and proportional fines for certain penalties in Hawaii to ensure a fair and meaningful deterrent to illegal behavior for individuals across the economic spectrum.

Your Committee has amended this measure by:

- (1) Requesting the President of the Senate to designate one member of the Senate to be a member of the task force instead of specifying the chair of the Senate Committee on Judiciary;
- (2) Requesting that the report to the Legislature be submitted no later than December 1, 2019; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 218, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 218, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 5; Ayes with Reservations (Wakai). Noes, none. Excused, none.

## SCRep. 2189 Judiciary on H.C.R. No. 175

The purpose and intent of this measure is to request the Department of the Attorney General to maintain a database on sex trafficking offenses.

Your Committee received testimony in support of this measure from the Hawai'i State Commission on the Status of Women, LGBT Caucus of the Democratic Party of Hawaii, O'ahu County Democrats Legislative Priorities Committee, and two individuals. Your Committee received comments on this measure from the Department of the Attorney General and Harm Reduction Hawaii.

Your Committee finds that, at the present time, there is neither a method for statewide data collection nor a clear mandate for the collection, reporting, and analysis of important metrics of sex trafficking. Your Committee further finds that the State's criminal justice-service provider alliance struggles to meet the needs of domestic sex trafficking victims. Your Committee additionally finds that although Child Welfare Services has received one hundred forty reports of child sex trafficking since 2017, this data was not made publicly available until the State Commission on the Status of Women's January 2019 report Sex Trafficking in Hawai'i: the Stories of Survivors. Your Committee also finds that a central database is necessary to improve the State's sex trafficking prevention efforts by establishing systemic collection and retrieval processes necessary for policy guidance, training, legislative reporting, and response and prevention programs.

Your Committee has amended this measure by:

- (1) Requesting the Hawaii State Commission on the Status of Women to maintain a database on sex trafficking offenses instead of the Department of the Attorney General;
- (2) Requesting that data relating to offenses under section 712-1200(1)(b), Hawaii Revised Statutes, be included in the database;
- (3) Making a conforming amendment to the title; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 175, H.D. 2, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 175, H.D. 2, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

## SCRep. 2190 Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 43

The purpose and intent of this measure is to request Hawai'i's congressional delegation and the Governor to collaborate with the Legislature to ensure expedited burials for veterans, deceased active duty members of the United States Armed Forces, and their spouses at veterans' cemeteries throughout the State.

Your Committee received testimony in support of this measure from the O'ahu County Democrats Legislative Priorities Committee and one individual. Your Committee received comments on this measure from the Office of Veterans' Services.

Your Committee finds that all United States veterans and their spouses have earned the privilege to be buried in a veterans' cemetery, and all decedents deserve the highest standards for burials. Furthermore, just as the proper burial of a deceased Native Hawaiian is an important sacred practice, rite, and right, your Committee finds that burials of all deceased veterans, active duty members, and their spouses are important and that collaboration is necessary to ensure proper burials without administrative delay.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 43, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Harimoto).

## SCRep. 2191 (Majority) Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 89

The purpose and intent of this measure is to request the United States Congress to enact legislation to remove cannabis from the federal Controlled Substances Act and facilitate the full spectrum of private banking services for cannabis-related business.

Your Committee received testimony in support of this measure from the Community Alliance on Prisons, Drug Policy Action Group, Drug Policy Forum of Hawaii, and Oʻahu County Democrats Legislative Priorities Committee. Your Committee received testimony in opposition to this measure from the Maui Police Department. Your Committee received comments on this measure from the Akamai Cannabis Clinic.

Your Committee finds that Act 228, Session Laws of Hawaii 2000, authorized the acquisition, possession, and use of medical cannabis, and Act 241, Session Laws of Hawaii 2015, authorized the establishment and regulation of medical cannabis dispensaries. Your Committee further finds that Hawaii's medical cannabis dispensaries and other cannabis-related businesses are hampered by the inability to obtain the full spectrum of private banking services under federal law. Your Committee believes that federal legislation to remove cannabis from the federal Controlled Substances Act would allow medical cannabis dispensaries and other cannabis-related businesses to operate without the threat of federal seizures, forfeitures, arrests, and other enforcement and prosecutorial actions.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 89, and recommends its adoption.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, 1 (Fevella). Excused, 1 (Harimoto).

#### SCRep. 2192 (Joint) Public Safety, Intergovernmental, and Military Affairs and Judiciary on H.C.R. No. 214

The purpose and intent of this measure is to request the United States Department of the Treasury to expedite the process of designing the new \$5, \$10, and \$20 banknotes to celebrate one hundred years of women's suffrage and fulfill the Secretary of the Treasury's commitment to introduce Harriet Tubman and other female and civil rights leaders onto United States currency by 2020.

Your Committees received testimony in support of this measure from the Community Alliance on Prisons, University of Hawai'i Chapter of the National Black Law Student Association, O'ahu County Democrats Legislative Priorities Committee, Honolulu-Hawaii Branch of the National Association for the Advancement of Colored People, American Civil Liberties Union of Hawaii, and eight individuals.

Your Committees find that, as defined by the United States Department of the Treasury, the criteria for representation on a United States bank note is that the portraits on banknotes shall be of deceased persons whose places in history the American people know well. Your Committees further find that Harriet Tubman was born into slavery, spent the bulk of her life as a leading abolitionist advocate and suffragist, and the American people know of her historic courage and accomplishments. In order to celebrate one hundred years of women's suffrage and to fulfill the Secretary of the Treasury's commitment to update the \$5, \$10, and \$20 banknotes to include Harriet Tubman, along with other suffrage and civil rights leaders, your Committees believe that the process of designing the new banknotes should be expedited.

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental, and Military Affairs and Judiciary that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 214, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Public Safety, Intergovernmental, and Military Affairs: Ayes, 4. Noes, none. Excused, 1 (Harimoto).

Judiciary: Ayes, 4. Noes, none. Excused, 1 (Kim).

## SCRep. 2193 Higher Education on S.R. No. 149

The purpose and intent of this measure is to urge the University of Hawaii to incorporate as part of its 2015-2025 UH Manoa Strategic Plan the Association of American Universities membership phase I and II indicators, as appropriate, as a means to establish goals and metrics for the University's continued pursuit to be amongst the most prestigious research institutions in the nation.

Prior to decision making on this measure, your Committee made available for public review a proposed S.D. 1 of this measure. The proposed S.D. 1 retained various provisions of this measure and also inserted provisions that:

- Discuss the existing faculty classification system at the University of Hawaii and the importance of instruction and teaching for its faculty; and
- (2) Request the University of Hawaii Board of Regents to:
  - (A) Review and conform the classification of its faculty to ensure greater alignment with the mission and purpose of the University;
  - (B) Review and report on teaching equivalents; and
  - (C) Submit a report and follow-up report to the Legislature prior to the Regular Sessions of 2020 and 2021, respectively.

Your Committee received testimony in support of the proposed S.D. 1 from one individual. Your Committee received comments on the proposed S.D. 1 from the University of Hawai'i System and one individual.

Your Committee finds that the University of Hawaii at Manoa, the flagship campus of the only public university in the State, serves a diverse community of students and public and private stakeholders, provides a world-class education, and performs scholarly work and service in areas of critical importance to Hawaii, the United States, and the entire Asia Pacific region. Since the University of Hawaii at Manoa is a major research university and categorized as Research 1 or R1, it has the potential to become a member of the Association of American Universities (AAU), an association of leading comprehensive research universities distinguished by the quality of their research programs and graduate education. Aligning the University's goals and metrics with the Membership Principles and Membership Indicators of the AAU would place the University of Hawaii at Manoa amongst the highest ranked universities in the nation.

Your Committee further finds that the Board of Regents is required to classify all faculty members at the University of Hawaii, of which there are currently seven faculty classifications. These classifications may need to be reviewed to ensure that they are consistent with contemporary national practices. Furthermore, although the University of Hawaii is a research institution, instruction is the University of Hawaii's highest priority, and teaching remains the most important duty of its faculty. Since Regent Policies are reviewed every three years, with the next scheduled review to take place in 2020, your Committee additionally finds that this provides

a good opportunity for the University of Hawaii Board of Regents to review the classification and teaching responsibilities of faculty at the University to ensure that faculty are fulfilling their teaching duties and that students are provided with high-quality education.

Your Committee has amended this measure by adopting the proposed S.D. 1 and making further technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 149, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 149, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Kahele).

#### SCRep. 2194 Higher Education on S.R. No. 134

The purpose and intent of this measure is to request the William S. Richardson School of Law to convene a task force to study and report on a loan forgiveness program for law students to provide incentives for legal assistance in rural communities in Hawaii.

Your Committee received testimony in support of this measure from the Oahu County Committee of the Oahu County Democrats.

Prior to the hearing on this measure, your Committee posted and made available for public review a proposed S.D. 1, which deletes the contents of this measure and inserts language that:

- Discusses provisions and concerns related to public agency meetings and records, including public notice requirements for the University of Hawaii Board of Regents; and
- (2) Urges the University of Hawaii Board of Regents to follow and abide by the public notice requirements for its meetings and to record more detailed minutes of its meetings.

Your Committee received testimony in support of the proposed S.D. 1 from one individual. Your Committee received comments on the proposed S.D. 1 from the Office of the Board of Regents of the University of Hawai'i and The Civil Beat Law Center for the Public Interest.

Your Committee finds that the affairs of the University of Hawaii fall under the general management and control of the Board of Regents, who have exclusive jurisdiction over the internal structure, management, and operation of the university. While the Board of Regents has jurisdiction over certain matters, the Hawaii State Constitution is clear that the Legislature maintains its jurisdiction over matters of statewide concern, including adherence to the State's Sunshine Law. Therefore, it is critical that the Board of Regents consistently follow public notice requirements and provide sufficient details as to what transpired at the meeting to ensure transparency and public accountability regarding its decisions related to the management and operations of the University of Hawaii.

Your Committee has amended this measure by adopting the proposed S.D. 1 and further amending the measure by:

- (1) Urging the University of Hawaii Board of Regents to consider posting hearing notices for its meetings earlier than the minimum number of days required, including but not limited to at least six full days;
- (2) Amending the title in accord with its amended purpose; and
- (3) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 134, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 134, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

#### SCRep. 2195 Judiciary on Gov. Msg. No. 557

Recommending that the Senate advise and consent to the nomination of the following:

## BOARD OF REGISTRATION OF THE ISLANDS OF KAUA'I AND NI'IHAU

G.M. No. 557 ADA HENNE-KOENE, for a term to expire 06-30-2022

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Ada Henne-Koene to possess the requisite qualifications to be nominated for appointment to the Board of Registration of the Islands of Kaua'i and Ni'ihau.

Your Committee did not receive any testimony on the nomination of Ada Henne-Koene.

Upon review of the statement submitted by the nominee, your Committee finds that Ms. Henne-Koene's experience and commitment to the community qualify her to be nominated for appointment to the Board of Registration of the Islands of Kaua'i and Ni'ihau. Your Committee notes that she has served on the Board for two elections, and worked as a precinct assistant for four elections prior to that. She also has extensive experience as an office manager, administrative assistant, and editor for numerous international enterprises. Your Committee finds that Ms. Henne-Koene's administrative experience and knowledge of the election process will be valuable assets to the Board of Registration of Kaua'i and Ni'ihau.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Wakai).

#### SCRep. 2196 Judiciary on Gov. Msg. No. 651

Recommending that the Senate advise and consent to the nomination of the following:

#### CIVIL RIGHTS COMMISSION

G.M. No. 651 JON MATSUOKA, for a term to expire 06-30-2023

Your Committee has reviewed the personal history, curriculum vitae, and statement submitted by the nominee and finds Jon Matsuoka to possess the requisite qualifications to be nominated for appointment to the Hawaii Civil Rights Commission.

Your Committee received testimony in support of the nomination for the appointment of Jon Matsuoka from Hawai'i Friends of Civil Rights and two individuals.

Upon review of the testimony, your Committee finds that Mr. Matsuoka's extensive experience as an advocate and educator; knowledge of cultural, economic, and historical issues; and commitment to social justice and equal rights qualify him to be nominated for appointment to the Hawaii Civil Rights Commission. Your Committee notes that Mr. Matsuoka started his professional career as a faculty member of the Myron B. Thompson School of Social Work at the University of Hawai'i. In 2000, he was appointed as Dean, a position he held for ten years. He went on to serve as the President and Chief Executive Officer of the Consuelo Foundation. Your Committee further notes that Mr. Matsuoka is currently a member of the Board of Directors of the Papakolea Community Development Corporation and serves on the Board of Directors of the Native Hawaiian Legal Corporation. He is also a former member of the Hawai'i State Supreme Court Commission on Access to Justice's Subcommittee on Alleviating Poverty in Hawai'i. Your Committee finds that Mr. Matsuoka's experience, dedication to advocacy and social justice, and commitment to serving the community will be great assets to the Hawaii Civil Rights Commission.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Wakai).

## SCRep. 2197 Judiciary on Gov. Msg. No. 700

Recommending that the Senate advise and consent to the nomination of the following:

#### COMMISSION TO PROMOTE UNIFORM LEGISLATION

G.M. No. 700 BLAKE OSHIRO, for a term to expire 06-30-2023

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Blake Oshiro to possess the requisite qualifications to be nominated for appointment to the Commission to Promote Uniform Legislation.

Your Committee received testimony in support of the nomination of Blake Oshiro from the Department of the Attorney General; Oahu County Committee of the Oahu County Democrats; Hawaii Friends of Civil Rights; G.A. Morris, Inc.; and eleven individuals.

Upon review of the testimony, your Committee finds that Mr. Oshiro's experience as a legislator and practicing attorney, as well as his legal expertise and familiarity with issues affecting Hawaii qualify him for nomination to be appointed to the Commission to Promote Uniform Legislation. Your Committee notes that Mr. Oshiro served as the Representative of District 33 in the state House of Representatives from 2000 until 2011, and as the Deputy Chief of Staff in the Office of the Governor from December 2011 to December 2014. He is currently the Executive Vice President of Capitol Consultants of Hawai'i and has been involved in government relations, lobbying, and legislative and legal work. Your Committee finds that Mr. Oshiro's extensive experience with the legislative process and familiarity with issues that require uniform legislation will be great assets to the Commission to Promote Uniform Legislation.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Wakai).

## SCRep. 2198 Judiciary on Gov. Msg. No. 711

Recommending that the Senate advise and consent to the nomination of the following:

## COMMISSION ON THE STATUS OF WOMEN

G.M. No. 711 DEJA OSTROWSKI, for a term to expire 06-30-2022

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Deja Ostrowski to possess the requisite qualifications to be nominated for appointment to the Hawai'i State Commission on the Status of Women.

Your Committee received testimony in support of the nomination for the appointment of Deja Ostrowski from the Hawai'i State Commission on the Status of Women, Office of Hawaiian Affairs, Oahu County Committee of the Oahu County Democrats, and twenty-three individuals.

Upon review of the testimony, your Committee finds that Ms. Ostrowski's legal and policy experience, administrative expertise, and commitment to advocacy qualify her to be nominated for appointment to the Hawai'i State Commission on the Status of Women. Your Committee notes that Ms. Ostrowski has served as the Public Policy Advocate for the Office of Hawaiian Affairs and as a staff attorney for the Domestic Violence Action Center. Currently, she is a practicing attorney with the Medical-Legal Partnership Hawai'i, where she advocates on behalf of women exiting incarceration, women who are unsheltered and housing insecure, women with physical and mental disabilities, and survivors of domestic violence. Your Committee finds that Ms. Ostrowski's extensive knowledge of the numerous legal and policy issues facing women in the State, experience working with indigent and marginalized women, and dedication to public service will be great assets to the Hawai'i State Commission on the Status of Women.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Wakai).

## SCRep. 2199 Judiciary on Gov. Msg. Nos. 544 and 545

Recommending that the Senate advise and consent to the nominations of the following:

## COMMISSION TO PROMOTE UNIFORM LEGISLATION

G.M. No. 544 ELIZABETH KENT, for a term to expire 06-30-2022; and

G.M. No. 545 LANI EWART, for a term to expire 06-30-2021

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Elizabeth Kent and Lani Ewart to possess the requisite qualifications to be nominated for reappointment to the Commission to Promote Uniform Legislation.

#### ELIZABETH KENT

Your Committee received testimony in support of the nomination for the reappointment of Elizabeth Kent from the Department of the Attorney General and nine individuals.

Upon review of the testimony, your Committee finds that Ms. Kent's experience as an attorney and mediator, familiarity with governmental administration and alternative dispute resolution, and commitment to the promotion of just uniform legislation qualify her to be nominated for reappointment to the Commission to Promote Uniform Legislation. Your Committee notes that Ms. Kent has been the sole proprietor of an alternative dispute resolution business since 2013, and prior to that was Director of the Hawaii Judiciary's Center for Alternative Dispute Resolution. Ms. Kent has also served on the Commission to Promote Uniform Legislation as part of Hawaii's representation on the National Conference of Commissioners on Uniform State Laws since 1998, and has worked on numerous model Acts that have subsequently been enacted in the State. Your Committee finds that Ms. Kent's experience as a mediator and commissioner as well as her dedication to the implementation of uniform legislation that takes into account the needs of Hawaii's communities will continue to be great assets to the Commission to Promote Uniform Legislation.

#### LANI EWART

Your Committee received testimony in support of the nomination for the reappointment of Lani Ewart from the Department of the Attorney General and five individuals.

Upon review of the testimony, your Committee finds that Ms. Ewart's experience as an attorney and extensive tenure of service as a Commissioner to the Commission to Promote Uniform Legislation qualify her to be nominated for reappointment to the Commission. Your Committee notes that Ms. Ewart has served continuously on the Commission to Promote Uniform Legislation since 1977, and is presently the Chair of the Commission. Additionally, in recognition of her dedicated service to the promotion of uniform laws, Ms. Ewart was elected to life membership in the National Conference of Commissioners on Uniform State Laws in 1998, and was the first female commissioner to be elected to life membership. In her tenure of service on the National Conference of Commissioners on Uniform State Laws, she has been a member of several study and drafting committees, and has worked on numerous model Acts that have subsequently been enacted in Hawaii and other jurisdictions. Your Committee finds that Ms. Ewart's legal expertise and extensive experience as a Commissioner will continue to be great assets to the Commission to Promote Uniform Legislation.

As affirmed by the records of votes of the members of your Committee on Judiciary that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

## SCRep. 2200 Judiciary on Gov. Msg. No. 556

Recommending that the Senate advise and consent to the nomination of the following:

## BOARD OF REGISTRATION OF THE ISLAND OF HAWAI'I

G.M. No. 556 LORRAINE SHIN, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Lorraine Shin to possess the requisite qualifications to be nominated for appointment to the Board of Registration of the Island of Hawai'i.

Your Committee did not receive any testimony on the nomination of Lorraine Shin.

Upon review of the personal history, resume, and statement submitted by the nominee, your Committee finds that Ms. Shin's experience with the electoral process and her leadership in the community qualify her to be nominated for appointment to the Board of Registration of the Island of Hawai'i. Your Committee notes that Ms. Shin has been involved with political campaigns for over twenty years and has knowledge of and experience with the electoral process and polling. Ms. Shin has also run for elected office on three occasions and therefore understands the importance of the role of the Board of Registration from that unique perspective. Ms. Shin currently serves on the Board of Registration of the Island of Hawai'i, and she is actively involved in numerous service and volunteer organizations in the community. Your Committee finds that Ms. Shin's experience in the electoral process and dedicated service to the community will be great assets to the Board of Registration of the Island of Hawai'i.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Kim, Fevella).

#### SCRep. 2201 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 611 and 701

Recommending that the Senate advise and consent to the nominations of the following:

## BOARD OF PROFESSIONAL ENGINEERS, ARCHITECTS, SURVEYORS, AND LANDSCAPE ARCHITECTS

G.M. No. 611 ALAN INABA, for a term to expire 06-30-2023; and

G.M. No. 701 ROBERTO YUMOL, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Alan Inaba and Roberto Yumol for service on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects.

#### **ALAN INABA**

Your Committee received testimony in support of the nomination for the reappointment of Alan Inaba from the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects and four individuals.

Upon review of the testimony, your Committee finds that Mr. Inaba's background, experience, and proven leadership on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects qualify him to be nominated for reappointment to the Board as a professional land surveyor member. Your Committee notes that Mr. Inaba has been a licensed professional land surveyor in Hawaii since 1984 and is the principal land surveyor for Inaba Engineering, Inc., a well-established family business that provides surveying and engineering services in Hilo, Hawaii. Mr. Inaba is also active in his community and for six years served as a member of the Hawaii Community College Career and Technical Education Advisory Council, where he advised students in the Architectural, Engineering, and CAD Technologies program. Your Committee further finds that Mr. Inaba has been a member of the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects since January 2016, and his experience in the field of land surveying continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Inaba be reappointed to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects based on his knowledge, background, and commitment to public service.

# ROBERTO YUMOL

Your Committee received testimony in support of the nomination for the reappointment of Robert Yumol from the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects; BKF and Associates, LLC; and one individual.

Upon review of the testimony, your Committee finds that Mr. Yumol's background, knowledge, and proven experience on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects qualify him to be nominated for reappointment to the Board as a professional architect member. Your Committee notes that Mr. Yumol has been licensed as an architect in Hawaii since 1987 and has over forty years of experience in his field. Mr. Yumol has been involved in the design and management of numerous projects throughout his career, including hotels, high-rise condominiums, office buildings, medical facilities, and custom single family and multi-family dwellings. Mr. Yumol is also active in numerous professional organizations. Your Committee further finds that Mr. Yumol has been a member of the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects since June 2017, currently serves as the Board's Chair, and his insights as an architect continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Yumol be reappointed to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects based on his background, experience, and dedication to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

# SCRep. 2202 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 683, 684, and 699

Recommending that the Senate advise and consent to the nominations of the following:

#### HAWAI'I BOARD OF OPTOMETRY

G.M. No. 683 WALLACE KOJIMA, for a term to expire 06-30-2023;

G.M. No. 684 SEULYN AU, for a term to expire 06-30-2023; and

G.M. No. 699 ROBB SHIBAYAMA, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Wallace Kojima, Seulyn Au, and Robb Shibayama for service on the Hawaii Board of Optometry.

## WALLACE KOJIMA

Your Committee received testimony in support of the nomination for the appointment of Wallace Kojima from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Dr. Kojima's experience, background, and dedication to community service qualify him to be nominated for appointment to the Hawaii Board of Optometry as a licensed optometrist member. Your Committee notes that Dr. Kojima has been a licensed optometrist for over thirty years and has been in private practice in Kailua-Kona, Hawaii since 2004. Prior to starting his private practice, Dr. Kojima was a managing optometrist for LensCrafters in California, where he was one of twelve optometrists across the nation selected to serve on LensCrafter's Optometric Advisory Committee. Dr. Kojima has practiced in many different settings during his career, including the military, in a corporate setting, and private practice, and has developed a wealth of experience in his field. Your Committee further finds that Dr. Kojima has a thorough understanding of the role and responsibilities of board members and his experience as a practitioner and his knowledge of optical retail will be an asset to the Hawaii Board of Optometry. Your Committee therefore recommends that Dr. Kojima be appointed to the Hawaii Board of Optometry based on his experience, background, and commitment to public service.

#### SEULYN AU

Your Committee received testimony in support of the nomination for the reappointment of Seulyn Au from the Hawaii Board of Optometry, Hawaii Optometric Association, and one individual.

Upon review of the testimony, your Committee finds that Dr. Au's background, experience, and proven leadership on the Hawaii Board of Optometry qualify her to be nominated for reappointment to the Hawaii Board of Optometry as a licensed optometrist member. Your Committee notes that Dr. Au has been a licensed optometrist in Hawaii since 1984 and is the founder and managing optometrist for Waikiki Health Center and Kokua Kalihi Valley, which are non-profit optometry programs serving low-income earners. Dr. Au also founded and managed the Kalihi-Palama Optometry Clinic, the State's first non-profit eye clinic that provides eye care to homeless and medically-underserved residents. Dr. Au is actively involved with her community, including her prior leadership roles for Palama Settlement and serving as a member of the Board of Directors for the National Kidney Foundation. Your Committee further finds that Dr. Au has been a member of the Hawaii Board of Optometry since 2015, and her knowledge and experience continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Au be reappointed to the Hawaii Board of Optometry based on her knowledge, experience, and dedication to public service.

#### **ROBB SHIBAYAMA**

Your Committee received testimony in support of the nomination for the reappointment of Robb Shibayama from the Hawaii Board of Optometry, Hawaii Optometric Association, and one individual.

Upon review of the testimony, your Committee finds that Dr. Shibayama's experience, knowledge, and proven leadership on the Hawaii Board of Optometry qualify him to be nominated for reappointment to the Hawaii Board of Optometry as a licensed optometrist member. Your Committee notes that Dr. Shibayama has been licensed as an optometrist in Hawaii since 2000 and practices comprehensive medical-based optometry at Hawaii Vision Associates, the largest optometric group in the State. Dr. Shibayama has experience in private practice, commercial, and hospital-based optometry. Dr. Shibayama is board-certified by the National Board of Examiners in Optometry, holds a Certification for Treatment and Management of Ocular Disease, and is a member of the Hawaii Optometric Association and American Optometric Association. Your Committee further finds that Dr. Shibayama has been a member of the Hawaii Board of Optometry since 2017 and has acted as the Board's Vice Chair since July 2018 and his experience and leadership continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Shibayama be reappointed to the Hawaii Board of Optometry based on his experience, background, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

## SCRep. 2203 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 697 and 698

Recommending that the Senate advise and consent to the nominations of the following:

## MOTOR VEHICLE REPAIR INDUSTRY BOARD

G.M. No. 697 STUART LAU, for a term to expire 06-30-2023; and

G.M. No. 698 ROBERT FIGAROA, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Stuart Lau and Robert Figaroa for service on the Motor Vehicle Repair Industry Board.

#### STUART LAU

Your Committee received testimony in support of the nomination for the reappointment of Stuart Lau from the Motor Vehicle Repair Industry Board and two individuals.

Upon review of the testimony, your Committee finds that Mr. Lau's background, experience, and proven leadership on the Motor Vehicle Repair Industry Board qualify him to be nominated for reappointment to the Motor Vehicle Repair Industry Board as a public member. Your Committee notes that Mr. Lau is an owner and property manager for a number of properties, including properties held by Queen Emma Land Company. Mr. Lau has many years of experience in property management, including tenant leasing, management, repair and maintenance, renegotiations, and arbitration. Mr. Lau also has a strong public service background and previously served as a member of the Motor Vehicle Repair Industry Board from 1994 until 2002, including time as Chair, and as a member of the Hawaii Board of Dental Examiners from 2002 to 2006. Your Committee further finds that Mr. Lau has been a member of the Motor Vehicle Repair Industry Board since July 2017, and his insight from the public consumer perspective continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Lau be reappointed to the Motor Vehicle Repair Industry Board based on his background, experience, and commitment to public service.

#### ROBERT FIGAROA

Your Committee received testimony in support of the nomination for the reappointment of Robert Figaroa from the Motor Vehicle Repair Industry Board.

Upon review of the testimony, your Committee finds that Mr. Figaroa's background, knowledge, and proven leadership on the Motor Vehicle Repair Industry Board qualify him to be nominated for reappointment to the Motor Vehicle Repair Industry Board as an industry member. Your Committee notes that Mr. Figaroa is a certified mechanic and is the owner of Impulse Repairs, LLC in Kapolei, Hawaii. Mr. Figaroa is also a Master Technician for automotive and heavy vehicles, an Automotive Service Excellence-certified technician, a certified structural welder, and a motivational speaker. Your Committee further notes that Mr. Figaroa has served on the Motor Vehicle Repair Industry Board since July 2015, currently serves as the Board's Chair, and his experience in the motor vehicle repair industry combined with his diverse background continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Figaroa be reappointed to the Motor Vehicle Repair Industry Board based on his knowledge, experience, and commitment to his industry and public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

#### SCRep. 2204 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 702, 703, and 705

Recommending that the Senate advise and consent to the nominations of the following:

## **BOARD OF DENTISTRY**

G.M. No. 702 GEORGE WESSBERG, for a term to expire 06-30-2019;

G.M. No. 703 GEORGE WESSBERG, for a term to expire 06-30-2023; and

G.M. No. 705 JOYCE YAMADA, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by George Wessberg and Joyce Yamada for service on the Board of Dentistry.

## GEORGE WESSBERG

Your Committee received testimony in support of the nomination for the appointment and reappointment of George Wessberg from the Department of Commerce and Consumer Affairs, Hawaii Dental Association, and three individuals.

Upon review of the testimony, your Committee finds that Dr. Wessberg's background, experience, and dedication to community service qualify him to be nominated for appointment and reappointment to the Board of Dentistry as a dentist member. Your Committee notes that Dr. Wessberg is an oral and maxillofacial surgeon with thirty-eight years of experience in private practice. Dr. Wessberg also previously served as Chief of Oral Surgery at The Queen's Medical Center and Chief of Dentistry at Kapiolani Medical Center. Dr. Wessberg is active in numerous professional organizations; has served as the past President of the Hawaii Society of Oral and Maxillofacial Surgeons and Director of Hawaii Dental Service; and has been a member of the Regulated Industries Complaints Office's Advisory Committee for nearly twenty years. Your Committee further finds that Dr. Wessberg has a thorough understanding of the role and responsibilities of board members and recommends that Dr. Wessberg be appointed and reappointed to the Board of Dentistry based on his knowledge, experience, and dedication to serving his community.

## JOYCE YAMADA

Your Committee received testimony in support of the nomination for the appointment of Joyce Yamada from the Department of Commerce and Consumer Affairs, University of Hawai'i Kapi'olani Community College, and one individual.

Upon review of the testimony, your Committee finds that Ms. Yamada's background, experience, and desire to serve the community qualify her to be nominated for appointment to the Board of Dentistry as a dental hygienist member. Your Committee notes that Ms. Yamada has been working as a dental hygienist in Hawaii since 1985; is a certified dental assistant; and has held various roles at the University of Hawaii Maui College since 2002. Ms. Yamada is an active participant within her community and profession, including as a member and former officer of the Maui County Dental Hygienists' Association, and is an advocate for dental health, including launching community outreach initiatives for Maui's kupuna. Your Committee further finds that Ms. Yamada has a thorough understanding of the roles and responsibilities of board members and her extensive experience as a dental hygienist will be an asset to

the Board of Dentistry. Your Committee therefore recommends that Ms. Yamada be appointed to the Board of Dentistry based on her background, knowledge, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

## SCRep. 2205 Commerce, Consumer Protection, and Health on Gov. Msg. Nos. 642 and 646

Recommending that the Senate advise and consent to the nominations of the following:

#### DISABILITY AND COMMUNICATION ACCESS BOARD

G.M. No. 642 AMY TSUJI-JONES, for a term to expire 06-30-2023; and

G.M. No. 646 WILLIAM BOW, for a term to expire 06-30-2023

Your Committee reviewed the personal histories, resumes, and statements submitted by Amy Tsuji-Jones and William Bow for service on the Disability and Communication Access Board.

# AMY TSUJI-JONES

Your Committee received testimony in support of the nomination for the reappointment of Amy Tsuji-Jones from the Disability and Communication Access Board.

Upon review of the testimony, your Committee finds that Amy Tsuji-Jones' background and knowledge qualify her to be nominated for reappointment to the Disability and Communication Access Board in the capacity of an individual with a disability. Your Committee notes that Ms. Tsuji-Jones, who is deaf herself, has spent her career working and advocating for the deaf and hard of hearing community. Ms. Tsuji-Jones is a Certified Deaf Interpreter and has taken multiple advocacy trainings; has over twenty years of experience as a teacher of deaf and hard of hearing students; and is a Freelance Contractor who gives deaf advocacy trainings and workshops for schools, agencies, and organizations. Your Committee further finds that Ms. Tsuji-Jones has served on the Disability and Communication Access Board since 2018 and has made valuable contributions to the Board's efforts to update the sign language interpreter credentialing process. Your Committee therefore recommends that Ms. Tsuji-Jones be reappointed to the Disability and Communication Access Board based on her knowledge, experience, and dedication to serving her community.

#### WILLIAM BOW

Your Committee received testimony in support of the nomination for the reappointment of William Bow from the Disability and Communication Access Board, Market City Limited, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Bow's background, knowledge, and proven experience on the Disability and Communication Access Board qualify him to be nominated for reappointment to the Disability and Communication Access Board. Your Committee notes that Mr. Bow is an engineer with over forty years of civil engineering experience in planning, design, and construction administration and is the President and Principal Engineer of Bow Engineering and Development, Inc. Over the course of his career, Mr. Bow has designed numerous Americans with Disabilities Act compliant engineering projects, including walkways and parking lots. Your Committee further finds that Mr. Bow has been a member of the Disability and Communication Access Board since 2016 and has been instrumental in the transition of the Board's Facility Access Unit from general to special funds and self-sufficiency and his expertise in project management will continue to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Bow be reappointed to the Disability and Communication Access Board based on his knowledge, experience, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Commerce, Consumer Protection, and Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

#### SCRep. 2206 Commerce, Consumer Protection, and Health on Gov. Msg. No. 628

Recommending that the Senate advise and consent to the nomination of the following:

## BOARD OF PRIVATE DETECTIVES AND GUARDS

G.M. No. 628 TIVOLI FAAUMU, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Tivoli Faaumu for service on the Board of Private Detectives and Guards.

Your Committee received testimony in support of the nomination for the reappointment of Tivoli Faaumu from the Department of Public Safety, Board of Private Detectives and Guards, County of Hawai'i Police Department, County of Maui Police Department, Hawaii High Intensity Drug Trafficking Area, and one individual.

Upon review of the testimony, your Committee finds that Police Chief Faaumu's background, experience, and proven leadership on the Board of Private Detectives and Guards as a chief of police member. Your Committee notes that Police Chief Faaumu has over thirty-three years of experience in law enforcement, is the Maui Police Department's current Chief of Police, and is an active, dedicated, and well-respected member of the State's law enforcement community. Police Chief Faaumu is also a retired veteran of the United States Army Reserve and is active in his community on Maui, including serving as a board member for the Boys & Girls Clubs of Maui, Boy Scouts of America, and County of Maui Red Cross Advisory Board. Your Committee further finds that Police Chief Faaumu has served on the Board of Private Detectives and Guards since December 2016, and his extensive law enforcement experience continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Police Chief Faaumu be reappointed to the Board of Private Detectives and Guards based on his experience, background, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

Tyes, 4. Troes, none. Excused, 5 (Chang, Reconoratore, Timeten).

#### SCRep. 2207 Commerce, Consumer Protection, and Health on Gov. Msg. No. 685

Recommending that the Senate advise and consent to the nomination of the following:

## STATE BOARD OF NURSING

G.M. No. 685 TAMMIE NAPOLEON, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Tammie Napoleon for service on the State Board of Nursing.

Your Committee received testimony in support of the nomination for the reappointment of Tammie Napoleon from the Board of Nursing, Hawai'i State Center for Nursing, and one individual.

Upon review of the testimony, your Committee finds that Dr. Napoleon's background, experience, and proven leadership on the State Board of Nursing qualify her to be nominated for reappointment to the State Board of Nursing as a licensee member representing Kauai County. Your Committee notes that Dr. Napoleon has over twenty years of experience in the nursing profession, beginning as a licensed practical nurse and completing her doctorate of nursing practice in 2016. Dr. Napoleon has been a Professor of Nursing since 2005 at Kauai Community College, where she also serves as the Health Education Division Chair and previously served as Co-Chair of the Curriculum Committee. Dr. Napoleon also serves as a Nurse Practitioner at the College's Wellness Center – Adolescent Health and sassists family practice physicians with patient care at Kapa'a Family Physicians. Your Committee further finds that Dr. Napoleon has been a member of the State Board of Nursing since 2015, and her experience in a variety of health care settings and perspective as a nursing educator continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Dr. Napoleon be reappointed to the State Board of Nursing based on her knowledge, professional experience, and commitment to serving the public.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

# SCRep. 2208 Commerce, Consumer Protection, and Health on Gov. Msg. No. 718

Recommending that the Senate advise and consent to the nomination of the following:

#### HAWAI'I MEDICAL BOARD

G.M. No. 718 ANDREW FONG, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Andrew Fong for service on the Hawaii Medical

Your Committee received testimony in support of the nomination for the appointment of Andrew Fong from the Department of Commerce and Consumer Affairs; Hawaii Permanente Medical Group, Inc.; Kaiser Permanente; and three individuals.

Upon review of the testimony, your Committee finds that Dr. Fong's experience, background, and dedication to public service qualify him for appointment to the Hawaii Medical Board as a physician member. Your Committee finds that Dr. Fong has been a pediatrician with Hawaii Permanente Medical Group since 1998, currently serves as Kaiser Permanente's physician-in-charge of Hawaii island, and is board-certified by the American Board of Pediatrics. In his role as physician-in-charge, Dr. Fong oversees clinical operations at Kaiser Permanente's Hilo, Waimea, and Kona clinics and has helped to create patient-centered care experiences for over thirty thousand members on Hawaii island. Dr. Fong has also served on the credentialing committee for Kona Community Hospital. Your Committee further finds that Dr. Fong has a thorough understanding of the roles and responsibilities of board members and his experience on the mainland and Hawaii island, including rural areas, will be an asset to the Hawaii Medical Board. Your Committee therefore recommends that Dr. Fong be appointed to the Hawaii Medical Board based on his experience, background, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

#### SCRep. 2209 Commerce, Consumer Protection, and Health on Gov. Msg. No. 719

Recommending that the Senate advise and consent to the nomination of the following:

## HAWAI'I BOARD OF CHIROPRACTIC

G.M. No. 719 PAT HOLT, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Pat Holt for service on the Hawaii Board of Chiropractic.

Your Committee received testimony in support of the nomination for the appointment of Pat Holt from the Department of Commerce and Consumer Affairs and five individuals.

Upon review of the testimony, your Committee finds that Ms. Holt's background and dedication to public service qualify her to be nominated for appointment to the Hawaii Board of Chiropractic as a public member. Your Committee notes that Ms. Holt has a diverse background and has built a solid foundation of career experiences, including working as a substitute teacher, business owner, and yoga instructor, and thirty years of experience in real estate. Ms. Holt has also served on community based associations and condominium/cooperative boards, including serving as former President of the Kalia Board of Directors. Your Committee further finds that Ms. Holt has a thorough understanding of the roles and responsibilities of board members and her insights from the public consumer perspective will be an asset to the Hawaii Board of Chiropractic. Your Committee therefore recommends that Ms. Holt be appointed to the Hawaii Board of Chiropractic based on her background, knowledge, and commitment to serving the public.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

## SCRep. 2210 Commerce, Consumer Protection, and Health on Gov. Msg. No. 586

Recommending that the Senate advise and consent to the nomination of the following:

## BOARD OF CERTIFICATION OF PUBLIC WATER SYSTEM OPERATORS

G.M. No. 586 ERIC OKAZAKI, for a term to expire 06-30-2021

Your Committee reviewed the personal history, resume, and statement submitted by Eric Okazaki for service on the Board of Certification of Public Water System Operators.

Your Committee received testimony in support of the nomination for the appointment Eric Okazaki from the Department of Health and County of Maui Department of Water Supply.

Upon review of the testimony, your Committee finds that Mr. Okazaki's background and experience qualify him to be nominated for appointment to the Board of Certification of Public Water System Operators. Your Committee notes that Mr. Okazaki has over thirty years of experience in the water industry, including twenty years of experience in the management of water systems. Mr. Okazaki is currently the Assistant Field Operations Chief for the County of Maui Department of Water Supply and previously spent twenty years as the Vice President of Operations at Pural Water Specialty Company, Inc. Mr. Okazaki is also certified as a Distribution System Operator and Water Treatment Plant Operator, both at the highest grade level 4. Your Committee further finds that Mr. Okazaki previously served as a member of the Board of Certification of Public Water System Operators from 2014 until 2017 and his extensive professional experience will be an asset to the Board and therefore recommends Mr. Okazaki's appointment the Board of Certification of Public Water System Operators.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

# SCRep. 2211 Commerce, Consumer Protection, and Health on Gov. Msg. No. 639

Recommending that the Senate advise and consent to the nomination of the following:

## HAWAI'I ADVISORY COMMISSION ON DRUG ABUSE AND CONTROLLED SUBSTANCES

G.M. No. 639 JOHN MOSES, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by John Moses for service on the Hawai'i Advisory Commission on Drug Abuse and Controlled Substances.

Your Committee received testimony in support of the nomination for the appointment of John Moses from the Department of Health and one individual

Upon review of the testimony, your Committee finds that Mr. Moses' background and experience qualify him to be nominated for appointment to the Hawaii Advisory Commission on Drug Abuse and Controlled Substances. Your Committee notes that Mr. Moses has thirty-six years of experience in a variety of roles within the health care field, including direct care delivery, policy formulation, grant writing, enforcement consulting, and teaching. Mr. Moses is currently a Family Nurse Practitioner for Premier Medical Group and a Managing Partner, Legal Nurse Consultant, and Health Care Systems Consultant for MedicoLegal Analytics. Mr. Moses is also a member of multiple professional organizations, including the Hawaii Association of Professional Nurses, where he is President-Elect. Your Committee finds that Mr. Moses' extensive experience as a health professional, his career focus on addiction issues, and his insights on clinical, administrative, and budgetary issues will be valuable to the Hawaii Advisory Commission on Drug Abuse and Controlled Substances. Your Committee therefore recommends that Mr. Moses be appointed to the Hawaii Advisory Commission on Drug Abuse and Controlled Substances based on his knowledge, experience, and commitment to his profession.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

#### SCRep. 2212 Commerce, Consumer Protection, and Health on Gov. Msg. No. 661

Recommending that the Senate advise and consent to the nomination of the following:

## STATE COUNCIL ON DEVELOPMENTAL DISABILITIES

G.M. No. 661 DREW SARANILLIO, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Drew Saranillio for service on the State Council on Developmental Disabilities.

Your Committee received testimony in support of the nomination for the appointment of Drew Saranillio from the State Council on Developmental Disabilities, Department of Education Monitoring and Compliance Branch, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Saranillio's background, experience, and commitment to public service qualify him to be nominated for appointment to the State Council on Developmental Disabilities. Your Committee notes that Mr. Saranillio has been working with the Department of Education for the past eighteen years as a teacher for students with developmental or behavioral needs, assisting schools implement inclusion frameworks, and is currently the Administrator of the Individuals with Disabilities Education Act section in the Monitoring and Compliance Branch, where he ensures the Department of Education is in compliance with federal and state requirements for students with disabilities. Your Committee further finds that Mr. Saranillio's commitment to working for equal access under the law and experience providing information and education to internal staff and the public about developmental disabilities will be assets to the State Council on Developmental Disabilities. Your Committee therefore recommends that Mr. Saranillio be appointed to the State Council on Developmental Disabilities based on his knowledge, experience, and dedication to community service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

# SCRep. 2213 Commerce, Consumer Protection, and Health on Gov. Msg. No. 677

Recommending that the Senate advise and consent to the nomination of the following:

## HEALTH PLANNING COUNCIL, TRI-ISLE SUBAREA

G.M. No. 677 JULIE POTTER-DUNLOP, for a term to expire 06-30-2022

Your Committee reviewed the personal history, resume, and statement submitted by Julie Potter-Dunlop for service on the Health Planning Council, Tri-Isle Subarea.

Your Committee received testimony in support of the nomination for the appointment of Julie Potter-Dunlop from the State Health Planning and Development Agency and two individuals.

Upon review of the testimony, your Committee finds that Dr. Potter-Dunlop's background, experience, and prior experience on the Health Planning Council, Tri-Isle Subarea qualify her to be nominated for appointment to the Health Planning Council, Tri-Isle Subarea. Your Committee notes that Dr. Potter-Dunlop is currently a Nurse Educator and Scientist at the University of Hawaii Maui College and a grant writer with the Research Center of the University of Hawaii'i. Dr. Potter-Dunlop is active within her profession and has published and given numerous professional presentations and is currently a member of the National League for Nursing, National Education Association, University of Hawaii Professional Assembly, and National Student Nurses' Association. Your

Committee further finds that Dr. Potter-Dunlop is a former member of the Health Planning Council, Tri-Isle Subarea and the insight she offers based on her many years of experience will enhance the effectiveness of the Council. Your Committee therefore recommends that Dr. Potter-Dunlop be appointed to the Health Planning Council, Tri-Isle Subarea based on her knowledge, experience, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

#### SCRep. 2214 Commerce, Consumer Protection, and Health on Gov. Msg. No. 678

Recommending that the Senate advise and consent to the nomination of the following:

## HEALTH PLANNING COUNCIL, HAWAI'I COUNTY SUBAREA

G.M. No. 678 MALIA TALLETT, for a term to expire 06-30-2023

Your Committee reviewed the personal history, resume, and statement submitted by Malia Tallett for service on the Health Planning Council, Hawaii County Subarea.

Your Committee received testimony in support of the nomination for the reappointment of Malia Tallett from the State Health Planning and Development Agency.

Upon review of the testimony, your Committee finds that Dr. Tallett's background, knowledge, and proven experience on the Health Planning Council, Hawaii County Subarea qualify her to be nominated for reappointment to the Health Planning Council, Hawaii County Subarea. Your Committee notes that Dr. Tallett has worked as a physical therapist for over ten years; has work experience in a variety of health care settings, including acute care, outpatient, skilled nursing home health, pediatrics, orthopedics, and behavioral health; and is the Owner and Physical Therapist for Ke Ola Kino Physical Therapy. Dr. Tallett is also active in her local community, serving as a Big Island Interscholastic Federal Water Polo Official and First Aid responder for local community sporting events. Your Committee further finds that Dr. Tallett has been a member of the Health Planning Council, Hawaii County Subarea since 2016 and the insight she offers based on her years of experience continues to enhance the effectiveness of the Council. Your Committee therefore recommends that Dr. Tallett be reappointed to the Health Planning Council, Hawaii County Subarea based on her knowledge, experience, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

# SCRep. 2215 Commerce, Consumer Protection, and Health on Gov. Msg. No. 720

Recommending that the Senate advise and consent to the nomination of the following:

## BOARD OF CERTIFICATION OF OPERATING PERSONNEL IN WASTEWATER TREATMENT PLANTS

G.M. No. 720 GARY HUTCHINSON, for a term to expire 06-30-2023

Your Committee reviewed the personal history and resume submitted by Gary Hutchinson for service on the Board of Certification of Operating Personnel in Wastewater Treatment Plants.

Your Committee received testimony in support of the nomination for the reappointment of Gary Hutchinson from the Department of Health

Upon review of the testimony, your Committee finds that Mr. Hutchinson's background, knowledge, and proven experience on the Board of Certification of Operating Personnel in Wastewater Treatment Plants qualify him to be nominated for reappointment to the Board of Certification of Operating Personnel in Wastewater Treatment Plants. Your Committee notes that Mr. Hutchinson currently works as a Wastewater Plant Engineer at the Sand Island Wastewater Treatment Plant for the City and County of Honolulu and holds a Grade 4 Wastewater Treatment Plant Operator Certificate. Your Committee further finds that Mr. Hutchinson has been a member of the Board of Certification of Operating Personnel in Wastewater Treatment Plants since 2018 and the insight he offers based on his twenty-three years of wastewater experience continues to enhance the effectiveness of the Board. Your Committee therefore recommends that Mr. Hutchinson be reappointed to the Board of Certification of Operating Personnel in Wastewater Treatment Plants based on his knowledge, experience, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Thielen).

#### SCRep. 2216 Judiciary on Gov. Msg. No. 598

Recommending that the Senate advise and consent to the nomination of the following:

# ATTORNEY GENERAL OF THE DEPARTMENT OF THE ATTORNEY GENERAL

G.M. No. 598 CLARE E. CONNORS, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by Clare E. Connors for nomination as the Attorney General of the State of Hawai'i.

Your Committee received testimony in support of the nomination of Clare E. Connors as the Attorney General of the State of Hawaii'i from the Governor; Department of Health; Department of Labor and Industrial Relations; Department of Accounting and General Services; Department of Budget and Finance; Department of Human Services; Department of Taxation; Department of Transportation; Department of Agriculture; Department of Human Resources Development; Department of Business, Economic Development, and Tourism; Department of Land and Natural Resources; Department of Public Safety; Department of Commerce and Consumer Affairs; Department of Hawaiian Home Lands; Office of Enterprise Technology Services; Campaign Spending Commission; Office of Environmental Quality Control; Domestic Violence Action Center; Starn, O'Toole, Marcus, and Fisher; American Council of Engineering Companies of Hawaii; and forty-seven individuals. Your Committee received comments on the nomination of Clare E. Connors as the Attorney General from the Hawaii State Bar Association and Ho'omanapono Political Action Committee.

Ms. Connors received a Bachelor of Arts degree in Ethics, Politics, and Economics; and a Bachelor of Arts degree in International Studies from Yale College, where she graduated *cum laude*. She subsequently received her Doctorate of Jurisprudence from Harvard Law School, where she was a line editor of the *Journal on Legislation* and was awarded the Heyman Fellowship Award for Government Service. Ms. Connors currently serves as the Acting Attorney General and previous to that she was a partner in the law firm of Davis Levin Livingston. She also served as an Assistant United States Attorney for seven years. For over seventeen years she has practiced law in private practice and in government service and has been a member of the Hawai'i State Bar Association since 2003. Ms. Connors has been a lecturer and instructor of the small business and entrepreneurship clinic at the William S. Richardson School of Law and is a member of numerous professional and community boards and organizations. Additionally, she was nominated to the United States District Court for the District of Hawaii in 2015.

Testimony in support of Ms. Connors' nomination commend her depth of experience, leadership abilities, and professional demeanor. Even in her brief time as Acting Attorney General, she has earned a reputation among numerous state agencies as having the highest integrity and commitment to effective advocacy. Many testifiers noted that her superb knowledge of the law, clear and seasoned judgment, and open-minded approach to complex issues will continue to be great assets to the Department of the Attorney General.

Your Committee finds that, based on the testimony submitted on her behalf, Clare E. Connors has the experience, temperament, and other competencies to be the Attorney General of the State of Hawai'i, and in that capacity she will continue to be a strong advocate on behalf of the interests of the State and its residents.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Wakai).

# SCRep. 2217 Ways and Means on Gov. Msg. No. 737

Recommending that the Senate advise and consent to the nomination of the following:

# DEPUTY DIRECTOR OF THE DEPARTMENT OF BUDGET AND FINANCE

G.M. No. 737 ROBERT YU, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal statement and resume submitted by Robert Yu for service as the Deputy Director of Budget and Finance.

Your Committee received testimony in support of the nomination from the Office of the Governor; Department of Accounting and General Services; Department of Labor and Industrial Relations; Department of Business, Economic Development, and Tourism; Department of Public Safety; Department of Agriculture; Department of Taxation; Office of Planning; Employees' Retirement System; Oahu Transit Services, Inc.; and numerous individuals.

Upon review of the testimony and the nominee's qualifications, your Committee finds that the nominee has served for two years as the Chief Financial Officer of the Honolulu Authority for Rapid Transportation. Your Committee further finds that the nominee previously served as the Senior Vice President and Deputy General Manager of Oahu Transit Services, where he assisted in managing an operating budget of more than \$250,000,000. Your Committee notes that the nominee is a Certified Public Accountant who gained financial experience in his previous employment at Hawaiian Electric Industries, Grant Thornton, and Chevron USA Corp. Your Committee also notes that the nominee earned a Bachelor of Science degree in accounting from California State University, Hayward, and a Master of Business Administration degree from Hawaii Pacific University.

Your Committee finds that Robert Yu's education and experience in finance, accounting, and public service will make him an effective Deputy Director of Budget and Finance.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 8. Noes, none. Excused, 5 (Harimoto, Kahele, Kidani, Shimabukuro, Fevella).

## SCRep. 2218 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 599

Recommending that the Senate advise and consent to the nomination of the following:

#### ADJUTANT GENERAL OF THE DEPARTMENT OF DEFENSE

G.M. No. 599 ARTHUR J. LOGAN, for a term to expire at noon on 12-05-2022

Your Committee has reviewed the personal history, resume, and statement submitted by Arthur J. Logan for service as the Adjutant General.

Your Committee received testimony in support of the nomination for the appointment of Major General Logan from the Governor; Department of Transportation; Department of Transportation; Department of Accounting and General Services; Department of Health; Department of Agriculture; Department of Public Safety; Department of Human Resources Development; Department of Human Services; Department of Labor and Industrial Relations; Department of Land and Natural Resources; Department of Business, Economic Development, and Tourism; Department of Hawaiian Home Lands, Office of Enterprise Technology Services; Hawaii Emergency Management Agency; City and County of Honolulu Department of Emergency Management; County of Hawai'i Police Department; County of Kaua'i Emergency Management Agency; and fifteen individuals.

Your Committee finds that Major General Logan's background and experience qualify him for a second appointment as the Adjutant General. Major General Logan has extensive military and leadership experience, including more than thirty-six years of military service. Commissioned by the Hawaii Army National Guard Officer Candidate School, he spent twenty years as a Honolulu Police Department detective before working as the Counterdrug Coordinator at the Hawaii Army National Guard, United States Army Commander of the Regional Police Advisory Command Central in Afghanistan, Chief of Staff of the Hawaii Army National Guard, Chief of the Joint Staff of the Hawaii National Guard, and Director of Operations/G3 for the Hawaii Army National Guard, among other leadership roles and responsibilities. Major General Logan has served as the Adjutant General since 2015.

Major General Logan received a Bachelor of Arts degree in Justice Administration and Management from Hawaii Pacific University and a Master's degree in Strategic Studies from the United States Army War College. He has received numerous awards and decorations, including the Legion of Merit, United States Army Bronze Star, United States Army Meritorious Service Medal, Army Commendation Medal, Afghanistan Campaign Medal, Global War on Terrorism Expeditionary Medal, and Humanitarian Service Medal. Major General Logan has served as the President and Vice President of the Hawaii National Guard Association and has been active in the National Guard Association of the United States, Military Officers Association of America, Veterans of Foreign Wars, Association of the United States Army, and Contingency Planners of the Pacific.

Your Committee further finds that Major General Logan has demonstrated a high level of understanding of the State's emergency management and homeland security needs. Major General Logan's military service exemplifies his hard work and dedication to the State, and his years of military service, accomplishments, and leadership experience indicate that he is capable and exceptionally well-qualified to serve as the Adjutant General during times of peace or emergency.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

# SCRep. 2219 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 600

Recommending that the Senate advise and consent to the nomination of the following:

## DEPUTY ADJUTANT GENERAL OF THE DEPARTMENT OF DEFENSE

G.M. No. 600 KENNETH S. HARA, for a term to expire at noon on 12-05-2022

Your Committee has reviewed the personal history, resume, and statement submitted by Kenneth S. Hara for service as the Deputy Adjutant General.

Your Committee received testimony in support of the nomination for the appointment of Brigadier General Hara from the Governor; Department of Transportation; Department of Transportation; Department of Accounting and General Services; Department of Health; Department of Agriculture; Department of Public Safety; Department of Human Resources Development; Department of Human Services; Department of Labor and Industrial Relations; Department of Land and Natural Resources; Department of Business, Economic Development, and Tourism; Department of Hawaiian Home Lands; Hawaii Emergency Management Agency; Office of Enterprise Technology Services; City and County of Honolulu Department of Emergency Management; County of Hawai'i Police Department; County of Kaua'i Emergency Management Agency; and eleven individuals.

Your Committee finds that Brigadier General Hara's background and experience qualify him for service as the Deputy Adjutant General. Brigadier General Hara has served as the Deputy Adjutant General since January 2018 and Commander of the Hawaii Army National Guard since February 2018. Past military experience and leadership roles include serving as the Deputy Chief of Staff of the Army National Guard in South Korea, and serving as the Commander or Deputy Commander for various deployments to Afghanistan, Iraq, and Kuwait.

In addition to his federal mobilizations, Brigadier General Hara has served on several state missions. Of note, Brigadier General Hara served as the Assistant Operations Officer with the 2nd Battalion, 299th Infantry, following Hurricane Iniki, which devastated the

island of Kaua'i in 1992; Task Force KOA commander that conducted National Guard Domestic Operations following an earthquake that struck Hawaii island in 2006; and as the Dual Status Commander of Joint Task Force — 50 in support of the responses to the Kilauea volcanic eruptions and Hurricane Lane in 2018.

Brigadier General Hara has a Master of Strategic Studies from the United States Army War College and a Bachelor of Arts degree in Human Services from Hawaii Pacific University. In addition to his Master's degree, Brigadier General Hara's military education includes a Command and General Staff Officer Course from the Command and General Staff College in Kansas; Combined Arms Service Staff School in Kansas; Combined Logistics Officer Advanced Course in Virginia; Initial Entry Rotary Wing Course in Alabama; and Infantry Officer Basic Course in Georgia.

In 1987, Brigadier General Hara received his commission as an Infantry Second Lieutenant through the Hawaii Military Academy's Officer Candidate School, Hawaii Army National Guard. Brigadier General Hara's awards and decorations include the Combat Infantryman Badge, Army Aviator Badge, Legion of Merit, Bronze Star Medal with Oak Leaf Cluster, Meritorious Service Medal with three Oak Leaf Clusters, Army Commendation Medal with Silver Oak Leaf Cluster, and Army Achievement Medal with two Oak Leaf Clusters.

Your Committee further finds that Brigadier General Hara has demonstrated a high level of understanding of the State's emergency management and homeland security needs. His years of military service, accomplishments, and leadership experience indicate that he is well-qualified to serve as the Adjutant General.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Baker, Harimoto).

#### SCRep. 2220 Water and Land on Gov. Msg. Nos. 620 and 621

Recommending that the Senate advise and consent to the nominations of the following:

## GAME MANAGEMENT ADVISORY COMMISSION

G.M. No. 620 NELSON RAPANOT, for a term to expire 06-30-2023; and

G.M. No. 621 KALANI NAKOA, for a term to expire 06-30-2020

Your Committee reviewed the personal histories, resumes, and statements submitted by Nelson Rapanot and Kalani Nakoa for service on the Game Management Advisory Commission.

## NELSON RAPANOT

Your Committee received testimony in support of the nomination for the appointment of Nelson Rapanot from the Department of Land and Natural Resources.

Upon review of the testimony, your Committee finds that Mr. Rapanot's experience as a bowhunter, commitment to public service, and proven leadership qualify him to be nominated for appointment to the Game Management Advisory Commission as a member from the Island of Molokai. Your Committee notes that Mr. Rapanot is an active licensed hunter who works directly with local hunter and shooter organizations, including Molokai Bowhunters. He also provides guided archery-only hunting on Molokai Ranch. Your Committee therefore finds that Mr. Rapanot's extensive knowledge and experience in hunting will be a valuable asset to the Commission.

## KALANI NAKOA

Your Committee received testimony in support of the nomination for the appointment of Kalani Nakoa from the Department of Land and Natural Resources.

Upon review of the testimony, your Committee finds that Mr. Nakoa's experience as an avid hunter, commitment to public service, and proven leadership qualify him to be nominated for appointment to the Game Management Advisory Commission as a member from the Island of Maui. Your Committee notes that Mr. Nakoa is an active licensed hunter who works directly with local hunter and shooter organizations, including Kaupō Wildlife Club, Aukai Archery Club, Molokai Bowhunters, and Maui Casting Club. He also has experience mentoring younger bowhunters and diving and ulua fishermen. Your Committee therefore finds that Mr. Nakoa's extensive knowledge and experience in hunting will be a valuable asset to the Commission.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

#### SCRep. 2221 Ways and Means on S.R. No. 120

The purpose and intent of this measure is to request an audit of various programs at the University of Hawaii West Oahu that receive extramural funding, including Title III grant funding.

Specifically, this measure requests that the University of Hawaii's Office of Internal Audit conduct the audit and include the following programs:

- (1) Aalii Scholars Program;
- (2) Ike Ola;
- (3) Mobile High-Touch, High Tech Learning Environment Program;
- (4) Kukulu ma ke Kahua;
- (5) PIKO Project;
- (6) University of Hawaii West Oahu Pueo Scholars;
- (7) University of Hawaii at Hilo and Hawaii Community College cooperative arrangement development grant; and
- (8) Hookahua.

Your Committee received written comments in support of this measure from the University of Hawaii and one individual.

Your Committee finds that conducting an internal audit of the various programs at the University of Hawaii West Oahu that receive extramural funding, including Title III grant funding, can improve program performance and efficiencies.

Your Committee notes that designating the University of Hawaii's Internal Auditor to conduct the audit will ensure that any evaluation is independent of the University's administration, as the Office of Internal Audit operates under the authority of the Board of Regents.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 120 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 7. Noes, none. Excused, 6 (Harimoto, Inouye, Kahele, Kidani, Riviere, Taniguchi).

#### SCRep. 2222 Commerce, Consumer Protection, and Health on H.C.R. No. 202

The purpose and intent of this measure is to declare April as Child Abuse Prevention Month.

Your Committee received testimony in support of this measure from the O'ahu County Committee of the O'ahu County Democrats and O'ahu County Democrats Legislative Priorities Committee.

Your Committee finds that child abuse and neglect continue to pose serious threats to the nation's children. In 2017, an estimated 674,000 children suffered abuse nationally, while nearly 4,000 cases of suspected child abuse are reported in Hawaii every year. Child abuse and neglect are community problems requiring community solutions and in April, Child Abuse Hawaii is participating in the Blue Ribbon Project to increase public awareness of and foster conversations about child abuse and neglect. Your Committee further finds that designating April as Child Abuse Prevention Month will support Child Abuse Hawaii's efforts to encourage Hawaii residents to work together to support child abuse prevention.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 202, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, 2 (Chang, Keohokalole).

# SCRep. 2223 (Joint) Commerce, Consumer Protection, and Health and Public Safety, Intergovernmental, and Military Affairs on H.C.R. No. 80

The purpose and intent of this measure is to urge Maui County to immediately ban predatory cosmetics stores from doing business in Lahaina.

Your Committees received testimony in support of this measure from two individuals.

Your Committees find that a number of predatory cosmetic stores have opened on Front Street in historic Lahaina, Maui and engage in marketing techniques that are considered disrespectful, inconsiderate, and aggressive in nature, which have created an intimidating atmosphere for visitors and locals. According to testimony received by your Committees, sales persons at these cosmetic stores often berate and harass customers into buying overpriced products and apply products to customers without permission, which raises immediate public health and safety concerns. This measure urges Maui County to prohibit predatory cosmetics stores through the zoning process to incentivize landlords to address the actions of their cosmetic store tenants due to these cosmetic stores' negative effect on the health, safety, and welfare of residents and visitors of Maui County.

As affirmed by the records of votes of the members of your Committees on Commerce, Consumer Protection, and Health and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 80, H.D. 1, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Commerce, Consumer Protection, and Health: Ayes, 4. Noes, none. Excused, 3 (Chang, Keohokalole, Ruderman).

Public Safety, Intergovernmental, and Military Affairs: Ayes, 4. Noes, none. Excused, 1 (Harimoto).

# SCRep. 2224 Education on H.C.R. No. 56

The purpose and intent of this measure is to request the Department of Education to establish training programs for the prevention, identification, and reporting of child abuse and neglect.

Your Committee received testimony in support of this measure from the Department of Education, LGBT Caucus of the Democratic Party of Hawaii, and three individuals. Your Committee received comments on this measure from Parents and Children Together.

Your Committee finds that children are our most precious asset, and some cannot adequately defend themselves against the harmful actions of adults. In Hawaii, nearly four thousand cases of child abuse are reported each year with more than one thousand unique cases of child abuse confirmed by the Department of Human Services. Therefore, it is critical that the proper training is developed and provided to ensure and support the educational, emotional, and physical well-being of all children in the State.

Your Committee has amended this measure by:

- (1) Amending the title in accordance with its purpose; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 56, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 56, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 2225 (Joint) Water and Land and Ways and Means on H.C.R. No. 6

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged lands fronting the property identified as Tax Map Key: (4) 2-6-11: 019, Kukuiula, Koloa, Kona, Kauai, for a seawall and steps, and for use, repair, and maintenance of the existing improvements constructed thereon pursuant to section 171-53, Hawaii Revised Statutes.

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committees find that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease state submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committees further find that on September 23, 2016, under agenda item D-1, the Board of Land and Natural Resources approved the grant of a fifty-five-year term, non-exclusive easement to resolve the encroachment of the existing seawall and steps in the area identified in this measure. Your Committees note that the grantee will be required to pay the State the appraised fair market value of \$7,820. Your Committees conclude that the easement is necessary for the maintenance and repair of the existing seawall and steps, and for the use, repair, and maintenance of the existing improvements thereon.

As affirmed by the records of votes of the members of your Committees on Water and Land and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 6, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Water and Land: Ayes, 3. Noes, none. Excused, 2 (Keith-Agaran, Riviere).

Ways and Means: Ayes, 7. Noes, none. Excused, 6 (Harimoto, Keith-Agaran, Moriwaki, Riviere, Taniguchi, Fevella).

# SCRep. 2226 (Joint) Water and Land and Ways and Means on H.C.R. No. 19

The purpose and intent of this measure is to authorize the Board of Land and Natural Resources to issue a term, non-exclusive easement covering a portion of state submerged lands fronting the property identified as Tax Map Key: (1) 3-1-040: seaward of 001, Kaalawai, Honolulu, Oahu, for the existing seawall and steps, and for use, repair, and maintenance of the existing improvements constructed thereon pursuant to section 171-53, Hawaii Revised Statutes.

Your Committees received testimony in support of this measure from the Department of Land and Natural Resources and four individuals.

Your Committees find that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease state submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committees further find that on November 9, 2018, under agenda item D-12, the Board of Land and Natural Resources approved the grant of a fifty-five year term, non-exclusive easement to resolve the encroachment of the existing seawall and steps in the area identified in this measure. Your Committees note that the grantee will be required to pay the State the appraised fair market value of the easement. Your Committees conclude that the easement is necessary for the maintenance and repair of the existing seawall and steps, and for the use, repair, and maintenance of the existing improvements thereon.

As affirmed by the records of votes of the members of your Committees on Water and Land and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 19, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Water and Land: Ayes, 3. Noes, none. Excused, 2 (Keith-Agaran, Riviere).

Ways and Means: Ayes, 7. Noes, none. Excused, 6 (Harimoto, Keith-Agaran, Moriwaki, Riviere, Taniguchi, Fevella).

# SCRep. 2227 (Joint) Water and Land and Ways and Means on H.C.R. No. 112

The purpose and intent of this measure is to authorize the Department of Transportation, with the prior approval of the Board of Land and Natural Resources, to amend the submerged land lease boundaries and the boundaries of certain state submerged lands, identified as "LOT 12", in Honolulu Harbor, Oahu, to match the dimensions of the new drydock, Hoʻola I Na Moku, and to not extend beyond the fast land boundaries, nor to exceed the original total area of 91,350 square feet, for Pacific Shipyards International.

Your Committees received testimony in support of this measure from the Department of Transportation Harbors Division, Pacific Marine, Pacific Shipyards International, and two individuals.

Your Committees find that, pursuant to section 171-53, Hawaii Revised Statutes, the Board of Land and Natural Resources may lease state submerged lands with the prior approval of the Governor and the prior authorization of the Legislature by concurrent resolution. Your Committees further find that Senate Concurrent Resolution No. 56, S.D. 1, Regular Session of 2014 (S.C.R. 56), authorized the Department of Transportation, with the prior approval of the Board of Land and Natural Resources, to issue a lease for a term coextensive with the term of the ground lease for the fast lands adjacent to Pacific Shipyards International covering a portion of state submerged lands fronting the property bound by Piers 24 to 26, identified as "LOT 12". During the interval between the adoption of S.C.R. 56 and the execution of Pacific Shipyard International's lease, one of the drydocks was replaced by a larger drydock, and the fast land area contemplated for Pacific Shipyards International occupancy was reduced such that the submerged land now extends beyond the fast land boundary. Your Committees find that the amendment of the lease is necessary to reflect the actual boundaries of the occupancy.

As affirmed by the records of votes of the members of your Committees on Water and Land and Ways and Means that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 112, and recommend its adoption.

Signed by the Chairs on behalf of the Committees.

Water and Land: Ayes, 3. Noes, none. Excused, 2 (Keith-Agaran, Riviere).

Ways and Means: Ayes, 7. Noes, none. Excused, 6 (Harimoto, Keith-Agaran, Moriwaki, Riviere, Taniguchi, Fevella).

## SCRep. 2228 Labor, Culture and the Arts on H.C.R. No. 113

The purpose and intent of this measure is to convene the multiple languages emergency notification working group (working group) to develop a plan to provide emergency notification in multiple languages for people with limited English proficiency.

Your Committee received testimony in support of this measure from the Office of Language Access, Hawai'i Friends of Civil Rights, and O'ahu County Democrats Legislative Priorities Committee. Your Committee received comments on this measure from the Disability and Communications Access Board.

Your Committee finds that Hawaii has one of the highest proportions of non-English speakers in the United States. Your Committee also finds that a significant percentage of visitors to Hawaii have a primary language other than English. Residents and visitors who lack proficiency in English are at great risk in emergency situations in which they are unable to understand written or verbal warnings or notifications, including warnings or notifications about dangerous conditions, impending severe weather, and appropriate emergency responses. Providing language access in disaster and emergency management is critical to ensure that all of the State's residents and visitors, regardless of English proficiency, can access essential resources like shelters, medicine, social services, and other disaster relief.

Your Committee further finds that the Hawaii Emergency Management Agency coordinates emergency notifications and response to disasters. The Hawaii Emergency Management Agency's planning should include a means for residents and visitors of limited English proficiency to receive important emergency notifications. Requesting the Hawaii Emergency Management Agency to convene a working group to develop a plan to provide emergency notifications in multiple languages for people with limited English proficiency will help ensure that individuals with limited English proficiency are adequately notified of an impending emergency and can timely prepare for and respond to it.

Your Committee has amended this measure by:

- Amending the composition of the working group to specifically include representatives from the Hawaii State Council for Developmental Disabilities and Inter-Agency Council for Refugee and Immigrant Services rather than conditioning their membership on the invitation of the chair;
- (2) Amending the composition of the working group to include individuals appointed by the Disability and Communication Access Board and Hawaii State Council for Developmental Disabilities who are deaf and whose primary language is American Sign Language and individuals appointed by the Inter-Agency Council for Refugee and Immigrant Services to represent the immigrant community; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Labor, Culture and the Arts that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 113, H.D. 1, as amended herein, and recommends its adoption in the form attached hereto as H.C.R. No. 113, H.D. 1, S.D. 1.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Ihara).

#### SCRep. 2229 (Joint) Government Operations and Judiciary on H.C.R. No. 224

The purpose and intent of this measure is to convene a digital gaming advisory group to assess and monitor predatory practices in the digital gaming industry.

Your Committees received testimony in support of this measure from the Department of Commerce and Consumer Affairs, Hawaii Youth Services Network, League of Women Voters of Hawaii, National Council on Problem Gambling, Consumers for Digital Fairness, and four individuals. Your Committees received testimony in opposition to this measure from the Retail Merchants of Hawaii, Entertainment Software Association, and Chamber of Commerce Hawaii. Your Committees received comments on this measure from the Department of Health and Legislative Reference Bureau.

Your Committees find that variable reward mechanisms known as "loot boxes", which operate similarly to slot machines, are designed into digital games. Your Committees also find that negative psychological impacts from extended exposure to exploitive variable reward mechanisms have been found, which can lead to addiction and cognitive development problems, leading some countries to regulate or ban variable reward mechanisms in video games.

Your Committees further find that in the United States, departments and agencies heavily regulate exploitive variable reward mechanisms in casino games by requiring strict disclosure to consumers of the odds of winning possible rewards contained within. However, there is currently no requirement for digital game developers to disclose to consumers the odds of winning any rewards and inclusion of variable reward mechanisms, making it impossible for parents to know which games contain these mechanisms. Video games require active, lengthy participation during which consumers are exposed to the psychological manipulation techniques employed by exploitive variable reward mechanisms that aggressively compel spending and can lead to psychological and developmental harm. This measure convenes a digital gaming advisory group to assess gambling and predatory practices within the digital gaming industry.

Your Committees have amended this measure by:

- (1) Adding a member to represent parents to the digital gaming advisory group;
- (2) Adding a member from a game development company to the digital gaming advisory group;
- (3) Removing references to "predatory" from the phrase "predatory variable reward mechanisms";
- (4) Specifying that the members of digital gaming advisory group shall select its chairs;
- (5) Specifying that the House and Senate Standing Committees with subject matter jurisdiction over Judiciary shall convene the first meeting of the advisory group;
- (6) Specifying that the Executive Director of the Office of Consumer Protection shall be a member of the group;
- (7) Specifying that the advisory group shall cease to exist on June 30, 2021;
- (8) Updating its title; and
- (9) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Government Operations and Judiciary that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 224, H.D. 1, as amended herein, and recommend its adoption in the form attached hereto as H.C.R. No. 224, H.D. 1, S.D. 1.

Signed by the Chairs on behalf of the Committees. Government Operations: Ayes, 3. Noes, none. Excused, 2 (Inouye, Fevella). Judiciary: Ayes, 3. Noes, none. Excused, 2 (Wakai, Fevella).

### SCRep. 2230 Higher Education on Gov. Msg. Nos. 570, 571, and 572

Recommending that the Senate advise and consent to the nominations of the following:

## BOARD OF REGENTS OF THE UNIVERSITY OF HAWAI'I

- G.M. No. 570 ROBERT WESTERMAN, for a term to expire 06-30-2022;
- G.M. No. 571 ALAPAKI NAHALE-A, for a term to expire 06-30-2023; and
- G.M. No. 572 KELLI ACOPAN, for a term to expire 06-30-2020

Your Committee reviewed the personal histories, resumes, and statements submitted by Robert Westerman, Alapaki Nahale-a, and Kelli Acopan for service on the Board of Regents of the University of Hawai'i.

# ROBERT WESTERMAN

Your Committee received testimony in support of the nomination for the appointment of Robert Westerman from the Hawaii State Fire Council, Maui Fire Council, Kaua'i Fire Department, and ten individuals.

Your Committee finds that Mr. Westerman is presently retired, but previously served as the Fire Chief for the County of Kauai for over twelve years. Prior to serving as Fire Chief for the County of Kauai, Mr. Westerman served as the Fire Chief for the Pacific Missile Range Facility on Kauai and as a member of the United States Air Force during the Vietnam War. He is an active member of the community, having served as a Board Member for Kauai United Way since 2009, including as President, Vice President, and on the Treasure Committee. In his personal statement, Mr. Westerman indicated that his previous work experiences as a Fire Chief and in the United States Air Force have provided him with opportunities to make difficult decisions through budget and personnel management and to lead with fairness and strength. Therefore, your Committee finds that Mr. Westerman's leadership abilities, as well as his willingness to serve, will be great assets to the Board of Regents of the University of Hawai'i.

### ALAPAKI NAHALE-A

Your Committee received testimony in support of the nomination for the appointment of Alapaki Nahale-a from the Office of Hawaiian Affairs, Aha Moku Advisory Committee, one member of the Hawai'i County Council, Council for Native Hawaiian Advancement, and thirteen individuals.

Your Committee finds that Mr. Nahale-a is presently the Senior Director of Community Engagement and Resources at Kamehameha Schools on Hawai'i island. In the past, Mr. Nahale-a served as the Chairman of the Department of Hawaiian Home Lands and President and Executive Director of the Hawaii Charter School Network. He is highly involved in his community, having served on various boards and commissions, and possesses a deep understanding of Native Hawaiian issues. In his personal statement, Mr. Nahale-a indicated that his desire to serve on the Board of Regents comes from his love for Hawai'i, commitment to public service, and personal belief that the future of Hawai'i largely rests on the ability of the University of Hawai'i System to deliver on its promise of improving the social, economic, and environmental well-being of current and future generations. Therefore, your

Committee finds that Mr. Nahale-a's extensive professional experience, as well as his involvement in the Native Hawaiian community, will be great assets to the Board of Regents of the University of Hawai'i.

#### KELLI ACOPAN

Your Committee received testimony in support of the nomination for the appointment of Kelli Acopan from the University of Hawai'i Student Caucus and eight individuals.

Your Committee finds that Ms. Acopan is presently pursuing a Master's Degree in History at the University of Hawai'i at Mānoa. Additionally, she serves as a Graduate Assistant for the Department of History at the University of Hawai'i at Mānoa and a Program Assistant for TRiO Upward Bound at Windward Community College. In the past, Ms. Acopan has served as President of the Associated Students of the University of Hawai'i at Windward Community College and as Vice Chair of the University of Hawai'i Student Caucus. According to testimony, Ms. Acopan has consistently demonstrated rational and responsible judgment through her actions representing others. In her personal statement, Ms. Acopan indicated that her academic journey as a traditional and non-traditional student provides her with a unique and informed perspective to the policymaking and decision-making processes related to the University of Hawai'i. Therefore, your Committee finds that Ms. Acopan's student leadership experience, as well as her commitment to bettering the University of Hawai'i, will be great assets to the Board of Regents of the University of Hawai'i.

As affirmed by the records of votes of the members of your Committee on Higher Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Keith-Agaran).

#### SCRep. 2231 Judiciary on Gov. Msg. No. 649

Recommending that the Senate advise and consent to the nomination of the following:

#### CIVIL RIGHTS COMMISSION

G.M. No. 649 WILLIAM PUETTE, for a term to expire 06-30-2021

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds William Puette to possess the requisite qualifications to be nominated for appointment to the Hawaii Civil Rights Commission.

Your Committee received testimony in support of the nomination for the appointment of William Puette from the LGBT Caucus of the Democratic Party of Hawaii; Hawaii Laborers-Employers Cooperation and Education Trust; Hawaiian Affairs Caucus of the Democratic Party of Hawaii; Oʻahu County Committee of the Oʻahu County Democrats; Hawaii State Association of Parlimentarians; ILWU Local 142; Hawaii Fire Fighters Association, Local 1463, AFL-CIO; International Union of Painters and Allied Trade, District Council 50; United Public Workers, AFSCME, Local 646, AFL-CIO; Oahu County Democrats Legislative Priorities Committee; and twelve individuals.

Upon review of the testimony, your Committee finds that Dr. Puette's extensive experience in labor education and workers' rights, expertise in civil rights history, and dedication to public service qualify him to be nominated for appointment to the Hawaii Civil Rights Commission. Your Committee notes that Dr. Puette is currently the Director of the Center for Labor Education and Research and a tenured Specialist in Labor Education on the faculty of the University of Hawai'i West O'ahu. He has been a member of the faculty of the University of Hawai'i since 1982. In addition, Dr. Puette has been recognized several times for outstanding service to the public, including being awarded the Hung Wo and Elizabeth Lau Ching Faculty Service to the Community Award by the University of Hawai'i in 2005. Your Committee further notes that Dr. Puette has worked closely with members of the Hawaii Civil Rights Commission in the past, and was the Commission's volunteer webmaster between 1997 and 2003, creating the Commission's first website. Your Committee finds that Dr. Puette's educational experience, historical expertise, and commitment to serving the community will be great assets to the Hawaii Civil Rights Commission.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

### SCRep. 2232 Judiciary on Gov. Msg. No. 710

Recommending that the Senate advise and consent to the nomination of the following:

### COMMISSION ON THE STATUS OF WOMEN

G.M. No. 710 TERRI MOTOSUE, for a term to expire 06-30-2023

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Terri Motosue to possess the requisite qualifications to be nominated for appointment to the Hawai'i State Commission on the Status of Women.

Your Committee received testimony in support of the nomination for the appointment of Terri Motosue from the Hawai'i State Commission on the Status of Women, SanHi Government Strategies, O'ahu County Committee of the O'ahu County Democrats, Child & Family Service, and nine individuals.

Upon review of the testimony, your Committee finds that Ms. Motosue's experience as an attorney, expertise in issues impacting women and children, and dedication to public service qualify her to be nominated for appointment to the Hawai'i State Commission on the Status of Women. Your Committee notes that Ms. Motosue has practiced law for over fifteen years, and is currently a partner at

Ashford and Wriston. Your Committee further notes that prior to her current partnership, she was a partner at Yamamoto Caliboso from 2013 to 2017, and before that she was a managing partner at Carlsmith Ball, LLP, from 2004 to 2013. In addition, she has done extensive pro bono work in advocacy and education related to combatting trafficking of women and children, domestic violence, and child custody. Ms. Motosue has also collaborated with Legal Aid and the Domestic Violence Action Center to provide free legal training to lawyers with the goal of increasing the number of pro bono lawyers who can represent survivors of domestic violence. Your Committee also notes that Ms. Motosue has served on the board of directors of Child & Family Service since 2010. Your Committee finds that Ms. Motosue's extensive experience, familiarity with legal issues relating to women and children, and commitment to serving the community will be great assets to the Hawai'i State Commission on the Status of Women.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

## SCRep. 2233 Water and Land on Gov. Msg. No. 608

Recommending that the Senate advise and consent to the nomination of the following:

### CHAIR OF THE DEPARTMENT OF LAND AND NATURAL RESOURCES

G.M. No. 608 SUZANNE D. CASE, for a term to expire 12-31-2022

Your Committee reviewed the personal history, resume, and statement submitted by Suzanne Case for service as the Chair of the Board of Land and Natural Resources.

Your Committee received testimony in support of the nomination for the reappointment of Suzanne Case from the Governor; Department of Land and Natural Resources; Department of Agriculture; Department of Accounting and General Services; Department of Human Resources Development; Department of Public Safety; Department of Business, Economic Development, and Tourism; Department of Hawaiian Home Lands; Department of Labor and Industrial Relations; Department of Transportation; Aha Moku Advisory Committee; Office of Environmental Quality Control; Office of Enterprise Technology Services; City and County of Honolulu Board of Water Supply; Kaua'i Island Utility Cooperative; The Nature Conservancy; Pūlama Lāna'i; O'ahu County Committee, O'ahu County Democrats; Joule Group, LLC; National Tropical Botanical Garden; Maui County Farm Bureau; Kua'āina Ulu 'Auamo; and twenty-four individuals. Your Committee received testimony in opposition to the nomination for the reappointment of Suzanne Case from Ho'omanapono Political Action Committee; Ho'omana Pono, LLC; Hawaii Hunting Association; Aloha Animal Advocates; Cat Lives Matter; Kia'i Wai O Wai'ale'ale; and twenty-six individuals. Your Committee received comments on the nomination for the reappointment of Suzanne Case from one individual.

Suzanne Case has served as the Chair of the Board of Land and Natural Resources since 2015. She was born in Hilo and grew up in Hilo and Honolulu. She attended Williams College and Stanford University and graduated from Stanford University with honors with a Bachelor of Arts degree in History. She received a law degree from Hastings College of the Law, at the University of California in San Francisco. Ms. Case practiced law in Honolulu from 1983 to 1987, specializing in real estate transactions.

Suzanne Case is a twenty-eight year veteran of The Nature Conservancy where she served as Executive Director from 2001 to 2015. Her experience involved work in native forests and in coastal and marine conservation, directly and through partnerships. Ms. Case also oversaw the Palmyra Atoll Nature Preserve and Research Station in the Pacific, a globally acclaimed conservation and research collaboration of The Nature Conservancy, the United States Fish and Wildlife Service, and the Palmyra Atoll Research Consortium.

Since becoming Chair in 2015, Ms. Case has focused on good government, inclusion, and implementation of the Sustainable Hawaii Initiative. Highlights of her achievements during her first term include response to rapid 'ōhi'a death; establishment of the Hā'ena, Kauai Community Based Subsistence Fishing Area and Ka'ūpūlehu, Kona "Try Wait" ten-year community-based fishing rest area; establishment of instream flow standards for dozens of streams in East Maui; enforcement and safety control actions for illegal public activity on state lands promoted by social media; digitization of department records; implementation of the Division of Conservation and Resources Enforcement academy; and participation as the co-chair of the Interagency Climate Adaptation Committee.

Ms. Case believes in wise stewardship of Hawaii's public and conservation lands and waters, excellence in government, making the most of limited resources, and collaboration and inclusion. Your Committee finds that Ms. Case will continue to bring the same leadership, focus, dedication, knowledge, and passion for natural and cultural resource conservation to the Department of Land and Natural Resources that she has demonstrated previously in the role of Chair of the Board of Land and Natural Resources.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

### SCRep. 2234 Water and Land on Gov. Msg. No. 609

Recommending that the Senate advise and consent to the nomination of the following:

# DEPUTY TO THE CHAIR OF THE DEPARTMENT OF LAND AND NATURAL RESOURCES

G.M. No. 609 ROBERT K. MASUDA, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by Robert Masuda for service as the Deputy to the Chairperson of the Board of Land and Natural Resources.

Your Committee received testimony in support of the nomination for the appointment of Robert Masuda from the Governor; Department of Land and Natural Resources; Department of Agriculture; Department of Accounting and General Services; Department of Human Resources Development; Department of Public Safety; Department of Business, Economic Development, and Tourism; Department of Labor and Industrial Relations; Department of Health; Department of Hawaiian Home Lands; Department of Transportation; Aha Moku Advisory Committee; Office of Environmental Quality Control; Office of Enterprise Technology Services; The Nature Conservancy; National Tropical Botanical Gardens; Kuaʻāina Ulu 'Auamo; and seventeen individuals. Your Committee received testimony in opposition to the nomination for the appointment of Robert Masuda from the Hawaii Hunting Association and one individual.

Robert K. Masuda has served as the First Deputy to the Chairperson of the Board of Land and Natural Resources since 2017. Previously, he served as the senior advisor for special programs development at the United States Department of Agriculture's Forest Service Institute for Pacific Islands Forestry from 2007 to 2017 and as First Deputy Director of the Department of Land and Natural Resources from May 2005 to May 2007. In the latter capacity, Mr. Masuda was responsible for the long-term sustainable management, maintenance, protection, and utilization of existing and potential ocean, land, natural, and cultural resources of the State of Hawaii in an integrated manner and in partnership with others from the public and private sectors. Mr. Masuda also served for one year as the Director of the Department of Parks and Recreation for the City and County of Honolulu.

Mr. Masuda spent more than fifty-five years as a leader in building and operating the YMCA organization in Hawaii, the mainland, and around the world. Mr. Masuda installed strong budget controls; maintained community and government leader contacts; selected and developed personnel at all supervisory levels; initiated and managed contracts worth several millions of dollars annually; organized management teams at local, metropolitan, and national YMCA levels; and was active in the community as a board member of a variety of non-profit organizations. Post retirement he continues his active leadership in guiding, promoting, and advocating for science research and the advancement of natural and cultural resources.

The testimony of the Department of Land and Natural Resources indicates that Mr. Masuda has the ability to bring people together to work on solutions to address a broad spectrum of interests and needs. During his most recent term, among other things, he initiated the Natural Resources Advancement Team and Honōkohau Small Boat Harbor Working Group; worked with the Division of Forestry and Wildlife to promote community understanding of watershed priorities; acted as the point person for emergency disaster response; addressed homelessness at the Wai anae Small Boat Harbor; and worked with the Office of Hawaiian Affairs and Kamehameha Schools on the Hoʻolau Kanaka conference. Your Committee is confident that Mr. Masuda will continue to bring the same leadership, energy, analytical skills, sense of purpose, and passion for natural and cultural resource protection and education to the Department of Land and Natural Resources that he has demonstrated previously in the role of Deputy to the Chairperson of the Board of Land and Natural Resources.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5. Noes, none. Excused, none.

# SCRep. 2235 Public Safety, Intergovernmental, and Military Affairs on Gov. Msg. No. 543

Recommending that the Senate not advise and consent to the nomination of the following:

### DIRECTOR OF THE DEPARTMENT OF PUBLIC SAFETY

G.M. No. 543 NOLAN P. ESPINDA, for a term to expire at noon on 12-05-2022

Your Committee has reviewed the personal history, resume, and statement submitted by Nolan P. Espinda for service as the Director of Public Safety.

### **Testimony**

Your Committee received testimony in support of the nomination for the reappointment of Mr. Espinda from the Governor; Department of Labor and Industrial Relations; Department of Hawaiian Home Lands; Department of Accounting and General Services; Department of Business, Economic Development, and Tourism; Department of Human Resources Development; Department of Taxation; Department of Land and Natural Resources; Department of Defense; Department of Health; Department of Human Services; Department of Transportation; Department of Commerce and Consumer Affairs; Department of Agriculture; Office of Enterprise Technology Services; Office of Planning; Hawaii Paroling Authority; County of Hawaii Police Department; Kauai Police Department; one member of the Honolulu City Council; United Public Workers, AFSCME, Local 646, AFL-CIO; Hawaii Operating Engineers Industry Stabilization Fund; Oahu Economic Development Board; Hawaii Laborers Union, Local 368; and ninety-seven individuals. Your Committee received testimony in opposition to the nomination for the reappointment of Mr. Espinda from the Ho'omanapono Political Action Committee, Hawaii Justice Coalition, 'Ohana Ho'opakele, Ka Lāhui Hawaii' Political Action Committee, Young Progressives Demanding Action, Malu 'Aina, Community Alliance on Prisons, and forty-eight individuals. Your Committee received comments on the nomination for the reappointment of Mr. Espinda from the American Civil Liberties Union of Hawai'i, Akamai Cannabis Clinic, and four individuals.

Your Committee acknowledges the testimony received in support of Mr. Espinda to continue to serve as the Director of Public Safety. Specifically, your Committee notes Mr. Espinda's lengthy experience of working within the Department of Public Safety in various capacities.

### Senate's Constitutional Role

Your Committee notes that under the Hawaii State Constitution, the Senate has the responsibility of reviewing gubernatorial nominations and determining whether the Senate advises and consents to such nominations. In going through the advise and consent

process, the Senate must remain cognizant of its vital role in assuring that those nominated have the qualifications and character to serve in that position.

Your Committee notes that the Senate's practice of holding public hearings on all gubernatorial nominees gives the public an opportunity to participate in the screening of each nominee. The nomination process and public participation help to assure the public that each nominee is qualified for the position and possesses the integrity and character necessary for an important leadership role in state government.

In addition to the hearing on Mr. Espinda's nomination, your Committee held an informational briefing on April 9, 2019, to discuss the circumstances, timeline of events, departmental policies and procedures, and subsequent response of the leadership of the Department of Public Safety to several events, including but not limited to the March 11, 2019, riot at the Maui Community Correctional Center and the fatal shooting of a man by a state sheriff on State Capitol grounds on February 17, 2019 (hereinafter "informational briefing"). Your Committee believes that the information discussed and additional detail sought from the Department during that informational briefing relates to the determination by your Committee as to whether your Committee should recommend that the Senate advise and consent or not advise and consent to Mr. Espinda's nomination.

Your Committee recognizes the challenges the Department of Public Safety faces, however for the reasons discussed below, your Committee finds that Mr. Espinda is not the appropriate person to lead the Department of Public Safety going forward.

### Excessive Use of Force and Inadequate Training and Equipment

Your Committee finds that recent incidents involving the use of force by Department of Public Safety employees, information gleaned from the testimony in opposition to the nomination for the reappointment of Mr. Espinda, and various media reports on the Department's actions highlight problems within the Department that weighed heavily in your Committee's recommendation. Specifically, concerns regarding the use of lethal force where non-lethal force may have been appropriate, lack of training on the use of non-lethal force, and inadequate equipment.

In February 2019, a deputy sheriff shot and killed a homeless man during a struggle on the State Capitol grounds. While previous requests had been made to provide sheriffs with non-lethal weapons such as tasers or pepper balls, the Department has either failed to adopt any type of policy regarding non-lethal use of force or to purchase non-lethal weapons.

In addition, other equipment that the Department has purchased that might assist sheriffs in performing their duties has never actually been issued to the sheriffs because use of the equipment does not comply with existing policies or lack of training on the proper use of such equipment. For example, since 2016, the Department of Public Safety spent more than \$77,000 on ninety-six Sig Sauer rifles. However, these long guns cannot be used by sheriffs because state policy bans this type of rifle. The Department of Public Safety has also spent more than \$65,000 to buy one hundred twenty Remington Model 870 shotguns since 2016. These shotguns are allowed under the policy, but instead they have sat in the armory for three years without use because the Department has not issued them.

# Correctional Facilities Conditions, Treatment of Staff and Inmates, and Inadequate Staffing

Your Committee finds that the correctional facilities run by the Department of Public Safety have faced numerous issues relating to overcrowding, mistreatment of inmates, failure to protect inmates from sexual abuse, and lack of in-person visitation.

Your Committee finds that the Department of Public Safety has not been forthright about deaths at correctional facilities and how individuals with disabilities and mental health issues are treated while incarcerated. In addition, the Department of Public Safety has withheld other important information from the public and family members of the deceased and those who have suffered abuse or injury. According to testimony, your Committee notes that suicide by inmates has increased during Mr. Espinda's tenure as Director of Public Safety.

Your Committee finds that staffing continues to be a problem within the State's correctional facilities. Your Committee believes that Mr. Espinda has attempted to save the State money by cutting back on overtime and failing to hire enough staff despite positions being authorized and funded. This has created unsafe conditions in the State's correctional facilities. For example, despite Maui Community Correctional Center being authorized one hundred sixty-eight positions, only one-hundred twenty-eight, according to Mr. Espinda, were filled at the time of the riot, and even less staff were on duty at that time due to extended leave and vacations.

In addition, during the informational briefing, allegations were raised that leadership at the Department of Public Safety passed over the hiring or promoting of female staff if such hiring or promotion would cause the Department to incur overtime costs. While this may be seen as a cost cutting initiative, the lack of an adequate number of female staff has created unsafe situations for female inmates.

Furthermore, the American Civil Liberties Union of Hawai'i sued the Department of Public Safety on January 6, 2017, alleging overcrowded, unconstitutional conditions at the State's correctional facilities. The complaint raised the following concerns, among others: insufficient shelter, unsanitary conditions, inadequate medical care and mental health services, food shortages, and chronic understaffing at several of the correctional facilities.

Additionally, the Correctional Reform Task Force, formed pursuant to House Concurrent Resolution No. 85 (Regular Session of 2016), met from June 2016 through 2018, and published an interim report in February 2017 and a final report in December 2018, with recommendations on how to improve the State's correctional facilities. According to testimony, these recommendations have not been implemented and have been largely ignored.

### Culture of Fear

Additional testimony in opposition suggests that there is a culture of fear at the Department of Public Safety. Staff, inmates, and relatives are afraid to speak out against abuses or suggest ways the Department of Public Safety's policies and programs can be improved out of a fear of retaliation, job loss, or further abuse. While some testifiers identified themselves, others submitted testimony anonymously for fear of retaliation. Your Committee also received testimony alleging that Mr. Espinda leads with a pattern of corruption, cover-ups, and favoritism, including nepotism and is concerned that the Department of Public Safety lacks an atmosphere

that encourages suggestions for how to improve the system. As Mr. Espinda admitted in the informational briefing, the Department of Public Safety follows a strict chain of command, so it is possible that complaints may never reach him.

### Maui Community Correctional Center Riot

Your Committee acknowledges that an internal investigation of the riot at Maui Community Correctional Center is ongoing and notes that the internal investigation is being investigated by an employee of the Department of Public Safety who was chosen and appointed for this task by Mr. Espinda. During the informational briefing, your Committee allowed Mr. Espinda to sit with an attorney and refuse to answer questions about the riot that might relate to the internal or other investigations, unless the questions concerned information that was already made public.

During the informational briefing, Mr. Espinda testified that only handcuffs, a radio, and gloves were issued to employees at Maui Community Correctional Center at the time of the riot. Other equipment was locked up in the armory and was not accessible to staff. Through testimony on Mr. Espinda's nomination, your Committee learned that during the riot, some of the leadership at Maui Community Correctional Center appeared more concerned for other inmates than for their staff who tried to prevent other officers from being burned or otherwise tried to contain the riot with only a pair of handcuffs.

Although the investigation on the riot is ongoing, several testifiers testified that the uprising at Maui Community Correctional Center could have been avoided. According to testimony, more men and women could have been placed on work furlough, extended furlough, or electronic monitoring furlough rather than being overcrowded at Maui Community Correctional Center. Furthermore, the phones in the pod where the riot started were broken, which prohibited inmates from speaking with their counsel and loved ones, which some testified was the issue that sparked the riot. Staff and inmates notified authorities of the broken phones long before the riot occurred, yet administration did nothing to remedy the situation.

## Department of Public Safety Audit

Your Committee notes that Mr. Espinda was largely unaware of the 2010 legislatively-mandated audit of the Department of Public Safety by the State Auditor (Report No. 10-06, *Audit of the Department of Public Safety, Sheriff Division*), which appears to be the most recent management audit of the Department of Public Safety. While Mr. Espinda was a warden at the time the audit was conducted, upon becoming Director, it appears Mr. Espinda did not utilize the findings of this audit to help improve the Department of Public Safety and address the Department's many long standing issues.

### Lack of Strategic Vision

Your Committee understands that generally one person cannot be blamed for all of the Department of Public Safety's problems. However, your Committee finds that as the Director of Public Safety since 2015, Mr. Espinda has failed to take responsibility for the numerous issues and challenges the Department faces and has failed to show leadership in moving the Department forward. Under Mr. Espinda's leadership, the Department of Public Safety has failed to fulfill its mission to uphold justice and public safety by providing correctional and law enforcement services to Hawaii's communities with professionalism, integrity, and fairness in every instance.

When questioned during the informational briefing, Mr. Espinda generally did not appear to have a concrete plan for addressing the lack of training, the lack of options for non-lethal use of force, or for recruiting and hiring more people to fill vacant positions. When asked about physical and sexual assault within the Department of Public Safety, Mr. Espinda failed to address your Committee's concerns. In short, your Committee was not satisfied with Mr. Espinda's answers on how he would lead the Department of Public Safety in a new and improved direction.

### Recommendation

Based on all of the information received, your Committee believes that the negative testimony outweighs the testimony in support of Mr. Espinda's nomination. Your Committee notes that the negative testimony has a similar theme of a lack of leadership at the Department of Public Safety. Based on the serious concerns raised about the Department of Public Safety under Mr. Espinda's direction, your Committee finds that Mr. Espinda is not the right person to lead the Department going forward, and accordingly, cannot recommend the nomination of Mr. Espinda for reappointment as the Director of Public Safety.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, recommends that the Senate not advise and consent to the nomination.

Signed by the Chair on behalf of the Committee.

Ayes, 5; Ayes with Reservations (Wakai, Fevella). Noes, none. Excused, none.

### SCRep. 2236 Housing on H.C.R. No. 161

The purpose and intent of this measure is to request the Hawaii Community Development Authority to study properties in or around Kakaako to recommend appropriate sites for a new fire station or to relocate or expand existing fire stations in or around Kakaako.

Your Committee received testimony in support of this measure from the Honolulu Fire Department, Hawaii Section American Society of Civil Engineers, and three individuals.

Your Committee finds that planned developments in Kakaako are estimated to increase the residential population to over 40,000 individuals by 2030. Your Committee further finds that an increase in residential and transient populations, proposed high-rise residential structures, and additional commercial development necessitate the need for a new, expanded, or relocated fire station in or around Kakaako. The current Kakaako fire station is over 40 years old, and was not designed to accommodate the projected growth, and does not have space for expansion to meet the challenges posed by an increase in population. Your Committee also finds that the National Fire Protection Association mandates that the travel time for the first-arriving unit responding to emergencies in urban communities be within four minutes. Every minute of increased travel time exacerbates the seriousness of an emergency. This

measure will ensure the protection and safety of residents in Kakaako by initiating actions to identify potential new, expanded, or relocated fire stations to more efficiently and effectively serve the Kakaako community.

Your Committee notes that it will be beneficial for the Hawaii Community Development Authority to collaborate with the City and County of Honolulu in studying potential properties on state or county lands for a new, expanded, or relocated fire station to serve the Kakaako region and encourages the City and County of Honolulu to assist the Hawaii Community Development Authority in making recommendations for such a fire station.

As affirmed by the record of votes of the members of your Committee on Housing that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 161, H.D. 1, and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 3. Noes, none. Excused, 2 (Kanuha, Thielen).

#### SCRep. 2237 Transportation on S.R. No. 154

The purpose and intent of this measure is to request the Department of Design and Construction of the City and County of Honolulu to extend Keaunui Drive to Renton Road in Ewa Beach.

Your Committee received testimony in support of this measure from five individuals.

Your Committee finds that Asing Park is an important recreational area for the Ewa Beach community. Your Committee further finds that access to Asing Park is limited with only one road, Renton Road, leading to the park, creating unnecessary traffic in the area. Improved access to Asing Park can be achieved by extending Keaunui Drive into Renton Road. Your Committee notes that the Department of Design and Construction of the City and County of Honolulu plans, designs, and constructs capital improvement projects related to the infrastructure of facilitates within public rights-of-way, including streets and highways. Your Committee believes that requesting the Department of Design and Construction to extend Keaunui Drive to Renton Road will improve the quality of life for Ewa Beach residents and alleviate traffic in the area.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 154 and recommends its adoption.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (English).

#### SCRep. 2238 Education on Gov. Msg. Nos. 686, 687, 707, and 721

Recommending that the Senate advise and consent to the nominations of the following:

### EARLY LEARNING BOARD

G.M. No. 686 KERRIE UROSEVICH, for a term to expire 06-30-2022;

G.M. No. 687 LEILANI AU, for a term to expire 06-30-2020;

G.M. No. 707 BENJAMIN NAKI III, for a term to expire 06-30-2022; and

G.M. No. 721 JUSTINA ACEVEDO-CROSS, for a term to expire 06-30-2020

Your Committee reviewed the personal histories, resumes, and statements submitted by Kerrie Urosevich, Leilani Au, Benjamin Naki III, and Justina Acevedo-Cross for service on the Early Learning Board.

### KERRIE UROSEVICH

Your Committee received testimony in support of the nomination for the appointment of Kerrie Urosevich from the Executive Office on Early Learning, Parents and Children Together, and one individual.

Your Committee finds that Dr. Urosevich is presently the Lead for Network Design and Collaboration for the Early Childhood Action Strategy Collaborative Leaders Network, Co-Founder for Ceeds of Peace, and an Affiliate Faculty at the Spark Matsunaga Institute for Peace. Previously, Dr. Urosevich served as the Governor's Early Childhood Coordinator and Action Strategy Coordinator for the Executive Office on Early Learning and has a professional background in systems building through her mediation and facilitation consultancy. She is active in the community, serving on various Hawaii-based and international boards, including Hawaii's Early Intervention Coordinating Council. According to her personal statement, Dr. Urosevich envisions Hawaii as a leader in aligning its early childhood development system to ensure access to high quality programs and services for all children. Your Committee therefore finds that Dr. Urosevich's professional background in early childhood development, as well as dedication to public service, will be great assets to the Early Learning Board.

### LEILANI AU

Your Committee received testimony in support of the nomination for the appointment of Leilani Au from the Executive Office on Early Learning and one individual.

Your Committee finds that Ms. Au is presently the Director for the University of Hawaii at Manoa Children's Center, which serves children ages two to five years. Ms. Au previously served as an Education Coordinator at the University of Hawaii at Manoa Children's Center and Facilitator at the Hawaii Association for the Education of Young Children. Additionally, Ms. Au's professional background as an Early Childhood Department Lecturer and Professional and Career Education for Early Childhood Trainer at Honolulu Community College allows her to understand the unique and varied needs of center-based child care providers. Ms. Au indicated in her personal statement that she feels Hawaii needs to catch up to other states in creating and enforcing quality standards for

public and private early childhood programs. Your Committee therefore finds that Ms. Au's leadership abilities, as well as her background in the early childhood field, will be great assets to the Early Learning Board.

#### **BENJAMIN NAKI III**

Your Committee received testimony in support of the nomination for the reappointment of Benjamin Naki III from the Executive Office on Early Learning, Parents and Children Together, and one individual.

Your Committee finds that Mr. Naki is presently the Vice President of Early Education Programs at Parents and Children Together. Additionally, his previous work experience includes serving as Program Director, Assistant Director, and various other roles at Parents and Children Together. Mr. Naki is also an active member of the community, serving as the President of the Head Start Association of Hawaii and Board Member for the Region 9 Head Start Association. According to his personal statement, Mr. Naki indicated that during his first term on the Early Learning Board, he was able to work with the Executive Office on Early Learning and Early Learning Board to better understand how Head Start and Early Head Start fit into the statewide early learning state plan. Your Committee therefore finds that Mr. Naki's passion for early learning, as well as his professional experience, will continue to be great assets to the Early Learning Board.

#### JUSTINA ACEVEDO-CROSS

Your Committee received testimony in support of the nomination for the appointment of Justina Acevedo-Cross from the Executive Office on Early Learning and one individual.

Your Committee finds that Ms. Acevedo-Cross is presently the Program Director for the Hawaii Community Foundation, leading the Promising Minds initiative to strengthen healthy development of all children from birth to age five. In the past, she has served as Program Officer for The David and Lucile Packard Foundation and Communications Manager, Interim Policy Manager, and Consultant at the Women's Initiative for Self Employment. According to the testimony, Ms. Acevedo-Cross's current work focuses on early learning, education, community development, economic security, and workforce development issues. Ms. Acevedo-Cross indicated in her personal statement that she hopes to catalyze policy development around the whole child so that early learning activities include foundational components that affect a child's ability to learn about health and feeling safe. Your Committee therefore finds that Ms. Acevedo-Cross's understanding of child development, as well as her willingness to serve, will be great assets to the Early Learning Board.

As affirmed by the records of votes of the members of your Committee on Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

## SCRep. 2239 Education on Gov. Msg. Nos. 546, 741, and 742

Recommending that the Senate advise and consent to the nominations of the following:

### HAWAI'I TEACHER STANDARDS BOARD

G.M. No. 546 BRAD SHIMIZU, for a term to expire 06-30-2021;

G.M. No. 741 DAVELYN HAN, for a term to expire 06-30-2021; and

G.M. No. 742 KIM SANDERS, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Brad Shimizu, Davelyn Han, and Kim Sanders for service on the Hawai'i Teacher Standards Board.

### **BRAD SHIMIZU**

Your Committee received testimony in support of the nomination for the appointment of Brad Shimizu from the Hawai'i Teacher Standards Board and four individuals.

Your Committee finds that Mr. Shimizu is presently the Band Director for grades seven to twelve at Hawaii Baptist Academy and a Faculty Member of the Hawaii Youth Symphony. In the past, he has taught various mathematics courses and Advanced Placement Physics. He earned a Bachelor's of Arts Degree in General Music from Eastern University and a Master's of Music in Oboe Performance from the New England Conservatory. In his personal statement, Mr. Shimizu indicated that he hopes to better understand the process and standards of teacher certification in the State and be able to give feedback and suggestions that will ensure good teaching. Your Committee therefore finds that Mr. Shimizu's experience as an educator in the private school sector, as well as his willingness to serve, will be great assets to the Hawai'i Teacher Standards Board.

### DAVELYN HAN

Your Committee received testimony in support of the nomination for the appointment of Davelyn Han from the Hawai'i Teacher Standards Board and four individuals.

Your Committee finds that Ms. Han is presently a teacher at Kualapu'u Public Conversion Charter School on the island of Moloka'i. In the past, she has served as the Director and a teacher for Pūnana Leo o Moloka'i, a Hawaiian language preschool that educates children through a family-based model. Ms. Han earned a Bachelor of Education in Elementary Education and a Master of Education in Educational Technology from the University of Hawai'i at Mānoa. In her personal statement, Ms. Han indicated that her experience as a charter school teacher in a rural community gives her a unique perspective and voice and she hopes to provide support to the State's education system by evaluating teacher development programs that enhance teacher practices. Your Committee therefore finds

that Ms. Han's professional experience, as well as her dedication to public service, will be great assets to the Hawai'i Teacher Standards Board.

#### KIM SANDERS

Your Committee received testimony in support of the nomination for the appointment of Kim Sanders from the Hawai'i Teacher Standards Board and three individuals.

Your Committee finds that Ms. Sanders is presently the Principal at Ewa Makai Middle School. In the past, she has served as Principal at Aiea High School, Assistant Principal at Kapolei High School, and as a teacher in several schools in Hawaii, other states, and various countries around the world. Ms. Sanders earned a Bachelor's of Arts Degree in Education from Arizona State University and a Master of Education in Educational Administration K-12 from the University of Hawai'i at Mānoa. In her personal statement, Ms. Sanders indicated that she believes it is important that students are provided with qualified teachers that excel and provide confidence in the teaching profession. Your Committee therefore finds that Ms. Sander's proven leadership abilities, as well as her experience as a public school educator and administrator, will be great assets to the Hawai'i Teacher Standards Board.

As affirmed by the records of votes of the members of your Committee on Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

#### SCRep. 2240 (Joint) Labor, Culture and the Arts and Hawaiian Affairs on S.R. No. 166

The purpose and intent of this measure is to request that the United States Postal Service issue a commemorative stamp honoring Alfred Aholo Apaka.

Your Committees received testimony in support of this measure from three individuals.

Your Committees find that Alfred Aholo Apaka was born on March 19, 1919, in Honolulu on the island of Oahu in the Territory of Hawaii and was a renowned Hawaii vocalist and engaging performer whose music has been a lasting presence delighting listeners and nurturing an appreciation for hapa haole music, a Hawaii-born and -inspired music genre featuring songs about Hawaii or some aspect of Hawaiian culture with English lyrics. Alfred Aholo Apaka's music extended beyond Hawaii's shores where it garnered interest and appreciation from people nationally and worldwide. One of the greatest Hawaiian vocalists of the Twentieth Century, Alfred Aholo Apaka's remarkable career was cut short by death from a heart attack in 1960 at the young age of forty, but to this day, he remains a cultural icon with fans around the world. Since Alfred Aholo Apaka's legacy continues to promote Hawaii worldwide and unify people through shared appreciation and bonds of his lasting music, your Committees believe that he should be recognized nationally by the issuance of a commemorative stamp.

Your Committees have amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Labor, Culture and the Arts and Hawaiian Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 166, as amended herein, and recommend its adoption in the form attached hereto as S.R. No. 166, S.D. 1.

Signed by the Chairs on behalf of the Committees. Labor, Culture and the Arts: Ayes, 3. Noes, none. Excused, 2 (Ihara, Fevella). Hawaiian Affairs: Ayes, 4. Noes, none. Excused, 1 (Kahele).

## SCRep. 2241 Education on Gov. Msg. Nos. 722, 723, and 740

Recommending that the Senate advise and consent to the nominations of the following:

## **BOARD OF EDUCATION**

G.M. No. 722 BRUCE VOSS, for a term to expire 06-30-2022;

G.M. No. 723 KENNETH UEMURA, for a term to expire 06-30-2022; and

G.M. No. 740 DAMIEN BARCARSE, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Bruce Voss, Kenneth Uemura, and Damien Barcarse for service on the Board of Education.

### BRUCE VOSS

Your Committee received testimony in support of the nomination for the reappointment of Bruce Voss from one individual.

Your Committee finds that Mr. Voss is a business litigation attorney with experience in real estate and land use litigation, complex business disputes, and employment law and litigation. In the past, he has worked as a business newspaper reporter and television news reporter and still remains active in the media community. Mr. Voss also serves as a Board Member of Hawaii's public television station, PBS Hawaii, and supports the PBS Hawaii learning initiative, Hiki No Student News Network. According to his personal statement, Mr. Voss noted a few highlights during his first term on the Board of Education, including the hiring of the Superintendent of Education, the creation of a Strategic Plan with clear vision and metrics, and participating in the development of the Hawaii Consolidated State Plan. Your Committee therefore finds that Mr. Voss' passion for public education, as well as his willingness to serve, will continue to be great assets to the Board of Education.

#### KENNETH UEMURA

Your Committee received no testimony for the reappointment of Kenneth Uemura.

Your Committee finds that Mr. Uemura has an extensive leadership background in Hawaii's business and finance communities, where he serves as a Commissioner for the Grants in Aid Advisory Commission of the City and County of Honolulu and, most notably, has served as the Vice President and Chief Financial Officer of Hawai'i Pacific University, where he was named the 2010 Chief Financial Officer of the Year by Pacific Business News. Mr. Uemura also has a long history of public service by volunteering on various non-profit boards. According to his personal statement, Mr. Uemura indicated that, as a current member of the Board of Education, he encourages the sharing of innovative ideas that may help the Department of Education operate its schools more efficiently and bring fresh energy to the board meetings. Your Committee therefore finds that Mr. Uemura's professional expertise, as well as his dedication to public service, will continue to be great assets to the Board of Education.

#### DAMIEN BARCARSE

Your Committee received testimony in support of the nomination for the appointment of Damien Barcarse from the Office of Hawaiian Affairs, 'Aha Pūnana Leo, Na Kalai Waa o Kauai, The Association of Hawaiian Civic Clubs, Kanaeokana Kula Hawai'i Network, and twenty individuals.

Your Committee finds that Mr. Barcarse is presently the West Hawai'i Regional Director for Kamehameha Schools with an extensive career as an educator and administrator, including knowledge of the Hawaiian language and culture. His first-hand experiences as a student in Hawaii's public elementary, secondary, and post-secondary learning institutions gives him valuable insight into the needs, challenges, and concerns facing Hawaii's students. He is an active member of the community and possesses a diverse array of experiences in multi-media production, education, curriculum development, community engagement, language arts, biocultural pathways, and voyaging and navigation. According to his personal statement, Mr. Barcarse, as a member of the Board of Education, hopes to increase efficiency, accountability, and success in the public school system; increase public-private partnerships; and strengthen public support for the education system. Your Committee therefore finds that Mr. Barcarse's professional education experience, as well as his background in Hawaiian language and culture, will be great assets to the Board of Education.

As affirmed by the records of votes of the members of your Committee on Education that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee.

Ayes, 4. Noes, none. Excused, 1 (Dela Cruz).

### SCRep. 2242 Housing on Gov. Msg. Nos. 743, 744, 745, 746, 747, 748, 749, and 750

Recommending that the Senate advise and consent to the nominations of the following:

### BOARD OF DIRECTORS OF THE HAWAI'I PUBLIC HOUSING AUTHORITY

G.M. No. 743 TODD TANIGUCHI, for a term to expire 06-30-2023;

G.M. No. 744 ROY KATSUDA, for a term to expire 06-30-2022; G.M. No. 745 PONO SHIM, for a term to expire 06-30-2023;

G.M. No. 746 BETTY LARSON, for a term to expire 06-30-2023;

G.M. No. 747 MILO SPINDT, for a term to expire 06-30-2022;

G.M. No. 748 SUSAN KUNZ, for a term to expire 06-30-2019;

G.M. No. 749 SUSAN KUNZ, for a term to expire 06-30-2023; and

G.M. No. 750 ROBERT HALL, for a term to expire 06-30-2022

Your Committee reviewed the personal histories, resumes, and statements submitted by Todd Taniguchi, Roy Katsuda, Pono Shim, Betty Larson, Milo Spindt, Susan Kunz, and Robert Hall for service on the Board of Directors of the Hawaii Public Housing Authority.

## TODD TANIGUCHI

Your Committee received testimony in support of the nomination for the appointment of Todd Taniguchi from the Hawaii Public Housing Authority and three individuals.

Upon review of the testimony, your Committee finds that Mr. Taniguchi's background, experience, and dedication to the development of housing in the State qualify him to be nominated for appointment to the Board of Directors of the Hawaii Public Housing Authority. Your Committee further finds that Mr. Taniguchi is responsible for product strategy and business development at Greentech Infrastructure Partners and has extensive experience managing global real estate at Jones Lang Lasalle. According to testimony, Mr. Taniguchi is diligent, thoughtful, empathetic, hardworking, and kind and has a demonstrated track record of professionalism. Your Committee believes that Mr. Taniguchi's extensive experience in construction, energy efficiency, and mixed-use development make him a great asset to the Board of Directors of the Hawaii Public Housing Authority and recommends that Mr. Taniguchi be appointed to the Board of Directors.

### **ROY KATSUDA**

Your Committee received testimony in support of the nomination for the appointment of Roy Katsuda from the Hawaii Public Housing Authority.

Upon review of the testimony, your Committee finds that Mr. Katsuda's background in real estate development and property management qualify him to be nominated for appointment to the Board of Directors of the Hawaii Public Housing Authority. Mr. Katsuda was the Executive Director of Hale Mahaolu for 35 years, where he oversaw the management of nearly 1,100 rental units for elderly and low-income residents in Maui County. Mr. Katsuda is active in the community, having served on a number of boards such as the Hawaii Community Reinvestment Corporation, Hawaii HomeOwnership Center, and Kauai Housing Development Corporation. Your Committee finds that Mr. Katsuda will be instrumental to the Board of Directors of the Hawaii Public Housing Authority due to his proven experience with managing elderly and low-income housing in Maui County and recommends that he be appointed to the Board of Directors.

### PONO SHIM

Your Committee received testimony in support of the nomination for the reappointment of Pono Shim from the Department of Business, Economic Development, and Tourism; Hawaii Public Housing Authority; University of Hawaii System; Office of Youth Services; Hoʻomanapono Political Action Committee; Oceanit; The Queen's Health Systems; Ulupono Initiative; Parents and Children Together; ChangeWorks, LLC; Lanakila Pacific; Hawaii Friends of Civil Rights; Hawaii Alliance of Nonprofit Organizations; one member of the Honolulu City Council; and forty-three individuals.

Upon review of the testimony, your Committee finds that Mr. Shim's years of experience in economic development of low-income communities in the State, dedication to community service, and knowledge of pertinent law qualify him to be nominated for reappointment to the Board of Directors of the Hawaii Public Housing Authority. Your Committee finds that Mr. Shim has been the Executive Director of the Oahu Economic Development Board since 2009 and has worked in partnership with private and public organizations to support a healthy economy and workforce in the State. Mr. Shim is also currently the Chairperson of the Board of Directors of the Hawaii Public Housing Authority, where he gained an intimate understanding of the operations of the Hawaii Housing Public Authority. Your Committee believes that Mr. Shim will continue to be a great asset to the Board with his proven leadership and experience and recommends that he be reappointed to the Board of Directors.

#### BETTY LARSON

Your Committee received testimony in support of the nomination for the appointment of Betty Larson from the Hawaii Public Housing Authority, Hawaii Housing Finance and Development Corporation, Catholic Charities Hawai'i, Lanakila Pacific, and three individuals.

Upon review of the testimony, your Committee finds that Ms. Larson's background, experience, and dedication to the community qualify her to be nominated for appointment to the Board of Directors of the Hawaii Public Housing Authority. Your Committee further finds that Ms. Larson has nearly 38 years of experience working at Catholic Charities Hawaii where she worked closely with individuals with disabilities, the elderly, and homeless families and individuals, particularly in regard to affordable housing. Ms. Larson is well-versed in affordable housing and homelessness issues, having previously served as a Housing and Community Development Corporation of Hawaii board member. Your Committee believes that Ms. Larson's extensive knowledge of affordable housing and her dedication to vulnerable populations will make her a great asset to the Board of Directors of the Hawaii Public Housing Authority and recommends that she be appointed to the Board of Directors.

### MILO SPINDT

Your Committee received testimony in support of the nomination for the appointment of Milo Spindt from the Hawaii Public Housing Authority, Hawaii Housing Finance and Development Corporation, one member of the Kauai County Council, and one individual.

Upon review of the testimony, your Committee finds that Mr. Spindt's experience in the development of affordable housing and real estate and his dedication to public service qualify him to be nominated for appointment to the Board of Directors of the Hawaii Public Housing Authority. Your Committee further finds that Mr. Spindt is the Executive Director of the Kauai Housing Development Corporation, a nonprofit affordable housing developer with five multifamily residential properties. Mr. Spindt is also the Chairperson of the Board of Directors for the Hawaii Housing Finance and Development Corporation and was previously a Kauai District Land Agent for the Department of Land and Natural Resources. Your Committee believes that Mr. Spindt will play an important role in the Board of Directors of the Hawaii Public Housing Authority due to his extensive experience with housing issues in the State and expertise in real estate, and recommends that he be appointed to the Board of Directors.

## SUSAN KUNZ

Your Committee received testimony in support of the nomination for the appointment or reappointment of Susan Kunz from the Hawaii Public Housing Authority; HOPE Services Hawaii; Hawaii Island Community Development Corporation; Habitat for Humanity Hawaii Island, Inc.; and five individuals.

Upon review of the testimony, your Committee finds that Ms. Kunz's experience managing affordable multi-family and senior housing properties and years of public service relating to housing development qualify her to be nominated for appointment and reappointment to the Board of Directors of the Hawaii Public Housing Authority. Your Committee further finds that Ms. Kunz is the Executive Director of the Big Island Housing Foundation, where she oversees the management of 251 units of affordable housing properties. Ms. Kunz has over 10 years of experience working for the Office of Housing and Community Development for the County of Hawaii and gained extensive knowledge of housing issues in the County of Hawaii. Your Committee believes that Ms. Kunz's expertise in housing development in the County of Hawaii will provide the Board of Directors of the Hawaii Public Housing Authority a unique perspective and recommends that she be appointed and reappointed to the Board of Directors.

### ROBERT HALL

Your Committee received testimony in support of the nomination for the appointment of Robert Hall from the Hawaii Public Housing Authority; Mutual Housing Association of Hawaii'i; Kevin's Electric, Inc.; Pacific American Foundation; Waiohuli Hawaiian Homesteaders Association, Inc.; Palolo Tenants Association; Laiopua 2020; Lāna'i Community Health Center; and six individuals.

Upon review of the testimony, your Committee finds that Mr. Hall's experience in the delivery and oversight of affordable housing, years of experience in the private and public sectors, and dedication to public service qualify him to be nominated for appointment to the Board of Directors of the Hawaii Public Housing Authority. Your Committee further finds that Mr. Hall has over 30 years of experience working for the State where he continued to gain pertinent knowledge and experience of housing. In his capacity as the former Deputy Director of the Department of Hawaiian Home Lands, Mr. Hall refocused the Department to assess, amend, and establish administrative rules to properly address and guide the Department's policies, procedures, and programs. Mr. Hall also was the Acting Executive Director of the former Housing and Community Development Corporation of Hawaii. Your Committee believes that Mr. Hall's extensive experience in various positions in state housing agencies will make him a great asset to the Board of Directors of the Hawaii Public Housing Authority and recommends that he be appointed to the Board of Directors.

As affirmed by the records of votes of the members of your Committee on Housing that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Signed by the Chair on behalf of the Committee. Ayes, 4. Noes, none. Excused, 1 (Fevella).

### SCRep. 2243 (Majority) Energy, Economic Development, and Tourism on Gov. Msg. No. 664

### DIRECTOR OF THE DEPARTMENT OF BUSINESS, ECONOMIC DEVELOPMENT AND TOURISM

G.M. No. 664 MIKE MCCARTNEY, for a term to expire at noon on 12-05-2022

Your Committee reviewed the personal history, resume, and statement submitted by Mike McCartney for service as the Director of Business, Economic Development, and Tourism.

Your Committee received testimony in support of the nomination for the appointment of Mike McCartney from the Governor, Mayor of the City and County of Honolulu, Mayor of the County of Maui; Mayor of the County of Kauai; two members of the Honolulu City Council; Department of Public Safety; Department of Labor and Industrial Relations; Department of Accounting and General Services; Department of Land and Natural Resources; Department of Commerce and Consumer Affairs; Department of Transportation; Department of Agriculture; Department of Taxation; Department of Human Resources Development; Department of Hawaiian Home Lands; Hawaii Community Development Authority; Office of Enterprise Technology Services; Hawaii Tourism Authority; Hawaii Technology Development Corporation; Hawaii Green Infrastructure Authority; Small Business Regulatory Review Board; Aha Moku Advisory Committee; Office of Community Services; Hawaii Housing Finance and Development Corporation; Oahu Economic Development Board; Hawaii Paroling Authority; Hawaii Public Housing Authority; Hawaii State Teachers Association, Natural Energy Laboratory of Hawaii Authority; Office of Environmental Quality Control; Hoʻomanapono Political Action Committee; Oceanit; SanHi LLLP; Unite Here Local 5; Koʻolau Foundation; Plumbers and Fitters United Association, Local 675; Ponoholo Ranch Limited; RMA Sales; Kyo-ya Management Company; Searider Productions; United Public Workers, AFSCME Local 646, AFL-CIO; Hawaiian Airlines; ILWU Local 142; ClimbHi; Nation of Hawaii; Alexander & Baldwin, Inc.; Pacific American Foundation; Stryker Weiner & Yokota; Ironworkers Stabilization Fund; State of Hawaii Organization of Police Officers; Great Aloha Run d.b.a. Carole Kai Charities, Inc.; Hawaii Fire Fighters Association; Bank of Hawaii; Hawaii Cattlemen's Council; and over eighty-five individuals.

Mr. McCartney currently serves as the acting Director of Business, Economic Development, and Tourism. He has previously served as a State Senator for three terms, Chief of Staff and Administrative Director of the Office of the Governor, and Chief Executive Officer and President of the Hawaii Tourism Authority. Mr. McCartney received his Bachelor of Science from Pacific University, and engaged in postgraduate studies in Mediation, Peace Keeping and Conflict Resolution at the University of Hawaii and graduate business executive studies from the Stanford University Graduate School of Business Executive Program for Nonprofit Leaders.

Your Committee finds that the Department of Business, Economic Development, and Tourism is tasked with undertaking statewide business and economic development activities, energy development and management, economic research and analysis, planning for the use of Hawaii's ocean resources, and the development and promotion of industry and international commerce. As head of the Department, your Committee expects the Director of Business, Economic Development, and Tourism to be well-versed in and have specific plans for moving the State forward in areas such as clean energy development, aerospace development, and tourism. However, your Committee notes that in Mr. McCartney's written response to the questionnaire from your Committee, Mr. McCartney describes a vague vision for the Department to "align the budget to the plan and policies, develop goals and key performance indicators for the next four years, and collaborate as a leadership team and evaluate performance." Based upon this response and other statements made by Mr. McCartney, your Committee is concerned that he does not have a clear plan for the future of the Department and instead uses generalities and ideologies when describing his plans for the Department. This lack of specificity coupled with Mr. McCartney's track record of empty promises greatly concerns your Committee and affords little confidence in or expectation of improved guidance or delivery on promises in the future.

Your Committee notes that on multiple occasions, Mr. McCartney has failed to respond to emails and other forms of communication with the Senate. While Mr. McCartney has apologized for his lack of responsiveness, your Committee is concerned that this behavior will continue to result in inefficiencies and lack of communication between the Department and policymakers. Furthermore, Mr. McCartney has made many promises to the Senate to provide information during Senate Committee hearings but has failed to follow through on said promises. This lack of communication is especially troubling during a time that the nominee himself has acknowledged is a time for collaboration in order for the State to succeed.

Due to the above concerns regarding Mr. McCartney, it was the recommendation of the Chair of your Committee to not advise and consent to Mr. McCartney's nomination for appointment as the Director of Business, Economic Development, and Tourism. Upon taking the vote, members of your Committee were divided, with two ayes and two nays to not advise and consent to the nomination for appointment of Mr. McCartney. This resulted in the recommendation not being adopted by your Committee; nevertheless, the nomination will move to the Senate floor for a final vote pursuant to Senate Rule 37.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, lacks a majority of votes to recommend that the Senate either advise and consent or not advise and consent to the nomination and returns the nomination to the full Senate for consideration in accordance with Senate Rule 37(5) which states: "The final question on appointments made by the Governor which require the confirmation or consent of the Senate shall be: "Will the Senate confirm (or consent) to this appointment?"".

Signed by the Chair on behalf of the Committee. Ayes, 2. Noes, 2 (Inouye, Keohokalole). Excused, 1 (Taniguchi).
