THE SENATE
TWENTY-THIRD LEGISLATURE, 2006
STATE OF HAWAII

S.B. NO. 2879
S.D. 1
H.D. 1
C.D. 1

A BILL FOR AN ACT

MAKING AN APPROPRIATION TO THE HAWAII CIVIL AIR PATROL.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Hawaii civil air
2 patrol provides necessary disaster relief, search and rescue,
3 homeland security, and medical emergency transport services to
4 local and national organizations.

5 Since the early 1950s, the civil air patrol has provided
6 tsunami warning services to the State. Once a tsunami alert has
7 been issued by the National Weather Service, the civil air
8 patrol mobilizes its aircraft, making repeated passes over
9 beaches and coastal communities using sirens and loud speakers
10 to warn residents.

11 The legislature also finds that the civil air patrol flies
12 more than ninety-five per cent of the nation's inland search and
13 rescue missions. Approximately one hundred people are saved
14 every year by civil air patrol volunteers. In July 2002, the
15 civil air patrol was instrumental in locating a small plane that
16 went down on Maui.

17 The civil air patrol also plays a vital role in disaster
18 relief. Volunteer civil air patrol members fly disaster relief

1 officials to remote locations and support local, state, and
2 national disaster relief organizations with experienced pilots
3 and personnel. The civil air patrol transports time-sensitive
4 medical materials, blood products, and body tissue.

5 Today, as a peacetime auxiliary of the Air Force, the civil
6 air patrol remains an active volunteer organization with
7 approximately five hundred fifty members, including two hundred
8 cadets. The Hawaii wing has three primary missions:

- 9 (1) Search and rescue;
- 10 (2) Aerospace education; and
- 11 (3) The cadet program.

12 It is also an active participant in counter-drug operations for
13 the Drug Enforcement Agency, flying over one hundred seventy-
14 nine missions in 2003.

15 The legislature further finds that the civil air patrol
16 depends on state funding to defray its operational expenses, but
17 past budget restrictions have hampered its ability to carry out
18 necessary operations. A lack of funding could result in:

- 19 (1) Termination of weekly tsunami watch patrols;
- 20 (2) Difficulties in notifying emergency personnel; and
- 21 (3) Operations conducted at the expense of members.

1 The purpose of this Act is to make an appropriation to help
2 defray the operational expenses of the Hawaii civil air patrol.

3 SECTION 2. There is appropriated out of the general
4 revenues of the State of Hawaii the sum of \$60,000, or so much
5 thereof as may be necessary for fiscal year 2006-2007, to
6 complement the \$50,000 offered for support by the department of
7 defense, for the operational expenses of the Hawaii civil air
8 patrol.

9 The sum appropriated shall be expended by the department of
10 defense for the purposes of this Act.

11 SECTION 3. This Act shall take effect on July 1, 2006.
