# A BILL FOR AN ACT

RELATING TO GASOLINE DEALERS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. With gasoline prices at record highs, it is  
2 imperative that motorists keep their automobiles running at  
3 optimum condition. Water for cooling engines and compressed air  
4 to ensure proper tire pressure both contribute to obtaining the  
5 optimum miles per gallon.

6           Accordingly, the purpose of this Act is to require gasoline  
7 dealers to provide water and compressed air to service vehicles.

8           SECTION 2. Chapter 486H, Hawaii Revised Statutes, is  
9 amended by adding a new section to be appropriately designated  
10 and to read as follows:

11           "§486H- Provision of water, compressed air, and pressure  
12 gauges. (a) Every retail station, during operating hours,  
13 shall provide and make available water, compressed air, and a  
14 gauge for measuring air pressure.

15           (b) Every retail station shall display, at a conspicuous  
16 place on, at, or near each side of each dispensing island, a  
17 sign that shall read as follows: "HAWAII STATE LAW REQUIRES  
18 THIS STATION TO PROVIDE WATER, COMPRESSED AIR, AND A TIRE

1 PRESSURE GAUGE. IF YOU HAVE A COMPLAINT, NOTIFY THE STATION  
 2 ATTENDANT OR CALL THE FOLLOWING TELEPHONE NUMBER (808) - ."  
 3 The sign shall be printed in capital, block-style letters at  
 4 least two inches tall using bold black lettering against a white  
 5 background and shall be legible at all times."

6 SECTION 2. New statutory material is underscored.

7 SECTION 3. This Act shall take effect on September 1,  
8 2006.

HB 1903

**Report Title:**

Gasoline Dealers

**Description:**

Requires gasoline dealers to provide water, compressed air, and air pressure gauges. Requires sign posted to advise customers of provision of water, compressed air, and air pressure gauge.
