
A BILL FOR AN ACT

RELATING TO LAND USE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 46-4, Hawaii Revised Statutes, is
2 amended to read as follows:

3 "**§46-4 County zoning.** (a) This section and any
4 ordinance, rule, or regulation adopted in accordance with this
5 section shall apply to lands not contained within the forest
6 reserve boundaries as established on January 31, 1957, or as
7 subsequently amended.

8 Zoning in all counties shall be accomplished within the
9 framework of a long-range, comprehensive general plan prepared
10 or being prepared to guide the overall future development of the
11 county. Zoning shall be one of the tools available to the
12 county to put the general plan into effect in an orderly manner.
13 Zoning in the counties of Hawaii, Maui, and Kauai means the
14 establishment of districts of such number, shape, and area, and
15 the adoption of regulations for each district to carry out the
16 purposes of this section. In establishing or regulating the
17 districts, full consideration shall be given to all available
18 data as to soil classification and physical use capabilities of

1 the land to allow and encourage the most beneficial use of the
2 land consonant with good zoning practices. The zoning power
3 granted herein shall be exercised by ordinance which may relate
4 to:

- 5 (1) The areas within which agriculture, forestry,
6 industry, trade, and business may be conducted;
- 7 (2) The areas in which residential uses may be regulated
8 or prohibited;
- 9 (3) The areas bordering natural watercourses, channels,
10 and streams, in which trades or industries, filling or
11 dumping, erection of structures, and the location of
12 buildings may be prohibited or restricted;
- 13 (4) The areas in which particular uses may be subjected to
14 special restrictions;
- 15 (5) The location of buildings and structures designed for
16 specific uses and designation of uses for which
17 buildings and structures may not be used or altered;
- 18 (6) The location, height, bulk, number of stories, and
19 size of buildings and other structures;
- 20 (7) The location of roads, schools, and recreation areas;
- 21 (8) Building setback lines and future street lines;
- 22 (9) The density and distribution of population;

- 1 (10) The percentage of a lot that may be occupied, size of
2 yards, courts, and other open spaces;
- 3 (11) Minimum and maximum lot sizes; and
- 4 (12) Other regulations the boards or city council find
5 necessary and proper to permit and encourage the
6 orderly development of land resources within their
7 jurisdictions.

8 The council of any county shall prescribe rules,
9 regulations, and administrative procedures and provide personnel
10 it finds necessary to enforce this section and any ordinance
11 enacted in accordance with this section. The ordinances may be
12 enforced by appropriate fines and penalties, civil or criminal,
13 or by court order at the suit of the county or the owner or
14 owners of real estate directly affected by the ordinances.

15 Any civil fine or penalty provided by ordinance under this
16 section may be imposed by the district court, or by the zoning
17 agency after an opportunity for a hearing pursuant to chapter
18 91. The proceeding shall not be a prerequisite for any
19 injunctive relief ordered by the circuit court.

20 Nothing in this section shall invalidate any zoning
21 ordinance or regulation adopted by any county or other agency of

1 government pursuant to the statutes in effect prior to July 1,
2 1957.

3 The powers granted [~~herein~~] in this section shall be
4 liberally construed in favor of the county exercising them, and
5 in such a manner as to promote the orderly development of each
6 county or city and county in accordance with a long-range,
7 comprehensive general plan to insure the greatest benefit for
8 the State as a whole. This section shall not be construed to
9 limit or repeal any powers of any county to achieve these ends
10 through zoning and building regulations, except insofar as
11 forest and water reserve zones are concerned and as provided in
12 subsections (c) and (d).

13 Neither this section nor any ordinance enacted pursuant to
14 this section shall prohibit the continued lawful use of any
15 building or premises for any trade, industrial, residential,
16 agricultural, or other purpose for which the building or
17 premises is used at the time this section or the ordinance takes
18 effect; provided that a zoning ordinance may provide for
19 elimination of nonconforming uses as the uses are discontinued,
20 or for the amortization or phasing out of nonconforming uses or
21 signs over a reasonable period of time in commercial,
22 industrial, resort, and apartment zoned areas only. In no event

1 shall [~~such~~] the amortization or phasing out of nonconforming
2 uses apply to any existing building or premises used for
3 residential (single-family or duplex) or agricultural uses.
4 Nothing in this section shall affect or impair the powers and
5 duties of the director of transportation as set forth in chapter
6 262.

7 (b) Any final order of a zoning agency established under
8 this section may be appealed to the circuit court of the circuit
9 in which the land in question is found. The appeal shall be in
10 accordance with the Hawaii rules of civil procedure.

11 (c) Each county may adopt reasonable standards to allow
12 the construction of two single-family dwelling units on any lot
13 where a residential dwelling unit is permitted.

14 (d) Neither this section nor any other law, county
15 ordinance, or rule shall prohibit group living in facilities
16 with eight or fewer residents and that are licensed by the State
17 as provided for under section 321-15.6, or in an intermediate
18 care facility/mental retardation-community for persons,
19 including mentally ill, elder, disabled, developmentally
20 disabled, or totally disabled persons, who are not related to
21 the home operator or facility staff; provided that those group
22 living facilities meet all applicable county requirements not

1 inconsistent with the intent of this subsection and including
2 building height, setback, maximum lot coverage, parking, and
3 floor area requirements.

4 (e) No permit shall be issued by a county agency for the
5 operation of a halfway house, a clean and sober home, or a drug
6 rehabilitation home unless a public informational meeting is
7 first held in the affected community. The State shall provide
8 notification and access to relevant information, as required,
9 under chapter 846E.

10 A clean and sober home shall be considered a residential

2 characteristics."

3 SECTION 3. Section 205-4.5, Hawaii Revised Statutes, is
4 amended by amending subsection (b) to read as follows:

2 [†]the[†] restriction and condition shall be encumbrances
3 running with the land until such time that the land is

5 district.

6 If the foregoing requirement of encumbrances running with
7 the land jeopardizes the owner or lessee from obtaining mortgage
8 financing from any of the mortgage lending agencies set forth
9 hereinbelow, and the requirement is the sole reason for failure
10 to obtain mortgage financing, then such requirement of
11 encumbrances shall, insofar as the mortgage financing is so
12 jeopardized, be conditionally waived by the appropriate county
13 enforcement officer; provided that the conditional waiver shall
14 thereafter become effective only in the event that the property

20 agricultural districts shall be determined by each county by
21 zoning ordinance, subdivision ordinance, or other lawful means;
22 provided that the minimum lot size for any agricultural use~~

1 shall not be less than one acre, except as provided herein. If
2 the county finds that unreasonable economic hardship to the
3 owner or lessee of land cannot otherwise be prevented or where
4 land utilization is improved, the county may allow lot sizes of
5 less than the minimum lot size as specified by law for lots
6 created by a consolidation of existing lots within an
7 agricultural district and the resubdivision thereof; provided
8 that the consolidation and resubdivision do not result in an
9 increase in the number of lots over the number existing prior to
10 consolidation; and provided further that in no event shall a
11 lot, which is equal to or exceeds the minimum lot size of one
12 acre be less than that minimum after the consolidation and

15 created or used for public, private, and quasi-public utility
16 purposes, and for lots resulting from the subdivision of
17 abandoned roadways and railroad easements."

18 SECTION 5. Section 205-6, Hawaii Revised Statutes, is
19 amended by amending subsection (a) to read as follows:

20 "(a) Subject to this section, the county planning
21 commission may permit certain unusual and reasonable uses within
22 agricultural and rural districts other than those for which the

1 district is classified[-]; provided that golf courses, golf
2 driving ranges, golf-related facilities, private membership
3 facilities or other resort facilities, including hotels and
4 resort-related commercial uses, time share facilities, and
5 commercial vacation facilities or homes shall not be permitted
6 within agricultural districts. Any person who desires to use
7 the person's land within an agricultural or rural district other
8 than for an agricultural or rural use, as the case may be, may
9 petition the planning commission of the county within which the
10 person's land is located for permission to use the person's land
11 in the manner desired. Each county may establish the
12 appropriate fee for processing the special permit petition.
13 Copies of the special permit petition shall be forwarded to the
14 land use commission, the office of planning, and the department

19 SECTION 7. Statutory material to be repealed is bracketed
20 and stricken. New statutory material is underscored.

21 SECTION 8. This Act shall take effect on July 1, 2020.
