# A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR DONATED DENTAL SERVICES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that donated dental  
2 services began as a pilot project in Colorado in 1985 and has  
3 since become operational in thirty-four states, including  
4 Hawaii, through the National Foundation for Dentistry for the  
5 Handicapped. This foundation is a charitable affiliate of the  
6 American Dental Association. The donated dental services  
7 program links eligible individuals who are elderly or disabled  
8 with volunteer dentists who provide needed dental care services.

9           The legislature further finds that Hawaii is one of thirty-  
10 four states implementing a donated dental services program. The  
11 Hawaii program began in January 2002 and is administered by the  
12 department of health, through the state council on developmental  
13 disabilities. Since the program started, eighty-seven  
14 individuals received completed dental care services with a total  
15 value of treatment of \$230,045. The program involves sixty-one  
16 volunteer dentists and nineteen volunteer dental laboratories.

17           In an effort to address and support the dental care needs  
18 of people who are elderly or disabled in Hawaii, the legislature

1 appropriated \$83,320 to the program for fiscal year 2001-2002  
2 and fiscal year 2002-2003. An appropriation of \$30,765 was  
3 appropriated by the legislature for fiscal year 2004-2005.

4 The donated dental services program has been extremely  
5 successful due to the legislature's continuous support through  
6 appropriations since its inception. Without additional  
7 financial support, the donated dental services program in Hawaii  
8 will end.

9 The purpose of this Act is to appropriate funds to continue  
10 implementation of the donated dental services program in Hawaii.

11 SECTION 2. There is appropriated out of the general  
12 revenues of the State of Hawaii the sum of \$ , or so  
13 much thereof as may be necessary for fiscal year 2006-2007, for  
14 the donated dental services program in Hawaii.

15 SECTION 3. The sum appropriated shall be expended by the  
16 department of health for the purposes of this Act.

17 SECTION 4. This Act shall take effect on July 1, 2006.
