
A BILL FOR AN ACT

RELATING TO INSURANCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 431, Hawaii Revised Statutes, is
2 amended by adding to article 3 a new part to be appropriately
3 designated and to read as follows:

4 **"PART .**

5 **ANNUAL AUDITED FINANCIAL REPORTS**

6 **§431:3-A Definitions.** As used in this part, unless the
7 context requires otherwise:

8 "Accountant" or "independent certified public accountant"
9 means an independent certified public accountant or accounting
10 firm in good standing with the American Institute of Certified
11 Public Accountants and in all states in which the independent
12 certified public accountant is licensed to practice. For
13 Canadian or British companies, it means a Canadian-chartered or
14 British-chartered accountant or accounting firm.

15 "Audited financial report" means a report meeting the
16 requirements of section 431:3-D.

17 "Indemnification" means an agreement of indemnity or a
18 release from liability where the intent or effect is to shift or

1 limit in any manner the potential liability of the accountant or
2 accounting firm for failure to adhere to applicable auditing or
3 professional standards, whether or not resulting in part from
4 knowing of misrepresentations made by the insurer or its
5 representatives.

6 "Insurer" means a domestic insurer as defined in section
7 431:3-104.

8 **§431:3-B Scope.** (a) Every domestic insurer as defined in
9 section 431:3-104 shall be subject to this part. An insurer
10 having direct written premiums of less than \$1,000,000 in any
11 calendar year and less than one thousand policyholders or
12 certificate holders nationwide at the end of the calendar year
13 may apply to the commissioner for an exemption from this part
14 for the year. An insurer having assumed premiums pursuant to
15 contract or treaties of reinsurance of \$1,000,000 or more shall
16 not be exempt.

17 (b) This part shall not prohibit, preclude, or in any way
18 limit the commissioner from ordering, conducting, or performing
19 examinations of insurers under the rules, practices, and
20 procedures of the insurance division.

21 **§431:3-C Filing annual audited financial reports;**
22 **extensions.** (a) All domestic insurers shall have an annual

1 audit performed by an independent certified public accountant
2 and shall file an audited financial report with the commissioner
3 on or before June 1 for the year ended on December 31
4 immediately preceding. The commissioner may require an insurer
5 to file an audited financial report earlier than June 1 by
6 giving ninety days' advance notice to the insurer.

7 (b) Extensions of the June 1 filing date may be granted by
8 the commissioner for good cause for thirty-day periods upon a
9 showing by the insurer and its independent certified public
10 accountant of the reasons for requesting the extensions. A
11 request for an extension shall be submitted in writing not fewer
12 than ten days prior to the audit due date in sufficient detail
13 to permit the commissioner to make an informed decision with
14 respect to the requested extension.

15 **§431:3-D Contents of annual audited financial report.** (a)
16 The annual audited financial report shall disclose the financial
17 position of the insurer as of the end of the most recent
18 calendar year and the results of its operations, cash flows, and
19 changes in capital and surplus for the year then ended, in
20 conformity with statutory accounting practices prescribed, or
21 otherwise permitted, by the insurance division.

22 (b) The annual audited financial report shall include:

- 1 (1) A report by an independent certified public
2 accountant;
- 3 (2) A balance sheet disclosing admitted assets,
4 liabilities, capital, and surplus;
- 5 (3) A statement of operations;
- 6 (4) A statement of cash flows;
- 7 (5) A statement of changes in capital and surplus;
- 8 (6) Applicable notes to financial statements. These notes
9 shall be those required by the National Association of
10 Insurance Commissioners Annual Statement Instructions
11 and the National Association of Insurance
12 Commissioners Accounting Practices and Procedures
13 Manual. The notes shall include a reconciliation of
14 any differences between the audited financial reports
15 and the annual statement filed pursuant to section
16 431:3-301, with a written description of the nature of
17 these differences; and
- 18 (7) The financial statements included in the audited
19 financial report shall be prepared in a form and using
20 language and groupings substantially the same as the
21 relevant sections of the annual statement of the
22 insurer filed with the commissioner, and the financial

1 statement shall be comparative, presenting the amounts
2 as of December 31 of the current year and the amounts
3 as of the immediately preceding December 31. The
4 comparative data may be omitted in the first year in
5 which an insurer is required to file an audited
6 financial report.

7 **§431:3-E Designation of independent certified public**
8 **accountant; disputes.** (a) Each insurer required by this part
9 to file an annual audited financial report shall within sixty
10 days after becoming subject to the requirement, register with
11 the commissioner in writing the name and address of the
12 independent certified public accountant or accounting firm
13 retained to conduct the annual audit set forth in this part.
14 The commissioner may approve or reject any designation of an
15 accountant or accounting firm. Insurers not retaining an
16 independent certified public accountant on the effective date of
17 this part shall register the name and address of their retained
18 certified public accountant not less than six months before the
19 date when the first audited financial report is to be filed.
20 (b) The insurer shall obtain from the accountant and file
21 with the commissioner a letter stating that the accountant is
22 aware of the provisions of the insurance code and regulations of

1 the insurance division that relate to accounting and financial
2 matters and affirming that the accountant meets the requirements
3 of section 431:3-F and will express an opinion on the financial
4 statements in terms of their conformity to the statutory
5 accounting practices prescribed or otherwise permitted by the
6 insurance division, specifying the exceptions the accountant
7 believes appropriate.

8 (c) If an accountant, who was the accountant for the
9 audited financial report most recently filed, is dismissed or
10 resigns, the insurer shall within five business days notify the
11 commissioner of this event. The insurer shall also furnish the
12 commissioner with a separate letter, within ten business days of
13 that notification, stating whether in the twenty-four months
14 preceding the dismissal or resignation there were any
15 disagreements with the former accountant on any matter involving
16 accounting principles or practices, financial statement
17 disclosures, or auditing scope or procedures, which
18 disagreements, if not resolved to the satisfaction of the former
19 accountant, would have caused the accountant to make reference
20 to the subject matter of the disagreement in connection with the
21 accountant's opinion. The disagreements required to be reported
22 pursuant to this section include both those resolved to the

1 former accountant's satisfaction and those not resolved to the
2 former accountant's satisfaction. Disagreements contemplated by
3 this section are those that occur at the decision-making level,
4 such as between personnel of the insurer responsible for
5 presentation of its financial statements and personnel of the
6 accounting firm responsible for rendering its report. The
7 insurer shall also request in writing the former accountant to
8 furnish a letter addressed to the insurer stating whether the
9 accountant agrees with the statements contained in the insurer's
10 letter and, if not, stating the reasons why the accountant does
11 not agree. The insurer shall furnish the responsive letter from
12 the former accountant to the commissioner together with the
13 insurer's position.

14 (d) A qualified independent certified public accountant
15 may enter into an agreement with an insurer to have disputes
16 relating to an audit resolved by mediation or arbitration;
17 provided that the parties provide written notice to the
18 commissioner of the mediation or arbitration. However, in the
19 event of a delinquency proceeding commenced against the insurer
20 under article 15, the mediation or arbitration provisions shall
21 operate at the option of the statutory successor.

1 **§431:3-F Qualifications of the independent certified**

2 **public accountant.** (a) The commissioner shall not recognize a
3 person or firm as a qualified independent certified public
4 accountant if the person or firm:

5 (1) Is not in good standing with the American Institute of
6 Certified Public Accountants and in all states in
7 which the accountant is licensed to practice, or, for
8 a Canadian or British company, is not a chartered
9 accountant; or

10 (2) Has either directly or indirectly entered into an
11 agreement of indemnity or release from liability with
12 respect to the audit of the insurer.

13 (b) Except as otherwise provided in this part, the
14 commissioner shall recognize an independent certified public
15 accountant as qualified as long as the accountant conforms to
16 professional standards, as contained in the Code of Professional
17 Conduct of the American Institute of Certified Public
18 Accountants and rules, code of ethics, and the rules of
19 professional conduct of the Hawaii Board of Public Accountancy
20 or similar code.

21 (c) Effective on July 1, 2008, no partner or principal
22 responsible for rendering an opinion on an audited financial

1 report may act in that capacity for more than seven consecutive
2 years. Following a period of service, the partner or principal
3 shall be disqualified from acting in that or a similar capacity
4 for the same insurer or its insurance subsidiaries or affiliates
5 for a period of two years. An insurer may apply to the
6 commissioner for relief from the foregoing requirement on the
7 basis of unusual circumstances. The commissioner may consider
8 the following factors in determining if relief should be
9 granted:

- 10 (1) Number of partners, expertise of the partners, or the
11 number of insurance clients in the currently
12 registered firm;
- 13 (2) Premium volume of the insurer; or
- 14 (3) Number of jurisdictions in which the insurer transacts
15 business.
- 16 (d) The commissioner shall not recognize as a qualified
17 independent certified public accountant nor accept an annual
18 audited financial report prepared by any person who:
- 19 (1) Has been convicted of fraud, bribery, a violation of
20 the Racketeer Influenced and Corrupt Organizations
21 Act, 18 U.S.C. Sections 1961 to 1968, or any dishonest
22 conduct or practice under federal or state law;

1 (2) Has been found to have violated the insurance laws of
2 this state or any other state; or

3 (3) Has demonstrated a pattern or practice of failing to
4 detect or disclose material misstatements in this
5 state or any other state.

6 (e) The commissioner may hold a hearing pursuant to
7 section 431:2-308 to determine whether an independent certified
8 public accountant is qualified. Depending upon the evidence
9 presented, the commissioner may rule that the accountant is not
10 qualified to express an opinion on the insurer's financial
11 statements or the annual audited financial report made pursuant
12 to this part. The commissioner may require the insurer to
13 replace the accountant with another accountant who is qualified.

14 **§431:3-G Consolidated or combined audits.** An insurer may
15 apply to the commissioner for approval to file audited
16 consolidated or combined financial statements in lieu of
17 separate annual audited financial statements, if the insurer is
18 part of a group of insurance companies that uses a pooling or
19 one hundred per cent reinsurance agreement that affects the
20 solvency and integrity of the insurer's reserves and the insurer
21 cedes all of its direct and assumed business to the pool. In

1 that case, a columnar consolidating or combining worksheet shall
2 be filed with the report, as follows:

- 3 (1) Amounts shown on the consolidated or combined audited
4 financial report shall be shown on the worksheet;
- 5 (2) Amounts for each insurer subject to this section shall
6 be stated separately;
- 7 (3) Noninsurance operations may be shown on the worksheet
8 on a combined or individual basis;
- 9 (4) Explanations of consolidating and eliminating entries
10 shall be included; and
- 11 (5) A reconciliation shall be included showing any
12 differences between the amounts shown in the
13 individual insurer columns on the worksheet and
14 comparable amounts shown in the annual statements of
15 the insurers.

16 **§431:3-H Scope of examination and report of independent**
17 **certified public accountant.** Financial statements furnished
18 pursuant to section 431:3-D shall be examined by an independent
19 certified public accountant. The examination of the insurer's
20 financial statements shall be conducted in accordance with
21 generally accepted auditing standards. The accountant shall
22 adhere to the procedures in the Financial Condition Examiners

1 Handbook promulgated by the National Association of Insurance
2 Commissioners.

3 **§431:3-I Notification of adverse financial condition. (a)**

4 The insurer required to furnish the annual audited financial
5 report shall require the independent certified public accountant
6 to report, in writing, within five business days to the
7 insurer's board of directors or its audit committee any
8 determination by the accountant that the insurer has materially
9 misstated its financial condition as reported to the
10 commissioner as of the balance sheet date currently under
11 examination or that the insurer does not meet the minimum
12 capital and surplus requirement of the insurance code as of that
13 date. An insurer that has received a report pursuant to this
14 subsection shall forward a copy of that report to the
15 commissioner within five business days of receipt of the report
16 and shall provide the independent certified public accountant
17 making the report with evidence that the report has been
18 furnished to the commissioner. If the independent certified
19 public accountant fails to receive from the insurer evidence
20 that the report was furnished to the commissioner within the
21 required five business day period, the independent certified

1 public accountant shall furnish to the commissioner a copy of
2 its report within the next five business days.

3 (b) No independent certified public accountant shall be
4 liable in any manner to any person for any statement made in
5 connection with subsection (a) if the statement is truthful and
6 is made in good faith in compliance with subsection (a).

7 (c) If the accountant, subsequent to the date of the
8 audited financial report filed pursuant to this part, becomes
9 aware of facts that might have affected that report, the
10 accountant is obligated to take action as prescribed in volume
11 1, section AU 561 of the Professional Standards of the American
12 Institute of Certified Public Accountants.

13 **§431:3-J Report on significant deficiencies in internal**
14 **controls.** In addition to the annual audited financial
15 statements, each insurer shall furnish the commissioner with a
16 written report prepared by the accountant describing significant
17 deficiencies in the insurer's internal control structure noted
18 by the accountant during the audit. Statement of Accounting
19 Standards No. 60, Communication of Internal Control Structure
20 Matters Noted in an Audit (section AU 325 of the Professional
21 Standards of the American Institute of Certified Public
22 Accountants) requires an accountant to communicate significant

1 deficiencies noted during a financial statement audit to the
2 appropriate parties within an entity. No report shall be issued
3 if the accountant does not identify significant deficiencies.
4 If significant deficiencies are noted, the written report shall
5 be filed annually by the insurer with the insurance division
6 within sixty days after the filing of the annual audited
7 financial statements. The insurer is required to provide a
8 description of remedial actions taken or proposed to correct
9 significant deficiencies, if the actions are not described in
10 the accountant's report.

11 **§431:3-K Accountant's letter of qualifications.** In
12 connection with and for inclusion in the filing of the annual
13 audited financial report, the accountant shall furnish the
14 insurer with a letter stating:

15 (1) That the accountant is independent from the insurer
16 and conforms to the standards of the accounting
17 profession as contained in the Code of Professional
18 Conduct and pronouncements of the American Institute
19 of Certified Public Accountants and rules of
20 professional conduct of the Hawaii Board of Public
21 Accountancy or similar code;

- 1 (2) The accountant's background and experience in general
2 and the experience in audits of insurers of the staff
3 assigned to the engagement and whether each accountant
4 is an independent certified public accountant.
5 Nothing in this part shall be construed as prohibiting
6 the accountant from using the staff the accountant
7 deems appropriate, where that use is consistent with
8 the standards prescribed by generally accepted
9 auditing standards;
- 10 (3) That the accountant understands the annual audited
11 financial report and the accountant's opinion shall be
12 filed in compliance with this part. The accountant
13 shall acknowledge that the commissioner will be
14 relying on this information in the monitoring and
15 regulation of the financial position of the insurer;
- 16 (4) That the accountant consents to the requirements of
17 section 431:3-L and that the accountant consents and
18 agrees to make available for review by the
19 commissioner, or the commissioner's designee or
20 appointed agent, the workpapers defined in section
21 431:3-L;

1 (5) A representation that the accountant is properly
2 licensed by an appropriate state licensing authority
3 and is a member in good standing of the American
4 Institute of Certified Public Accountants; and

5 (6) A representation that the accountant is in compliance
6 with the requirements of section 431:3-F.

7 **§431:3-L Definition, availability, and maintenance of**
8 **workpapers.** (a) Workpapers are the records kept by the
9 independent certified public accountant of the procedures
10 followed, the tests performed, the information obtained, and the
11 conclusions reached pertinent to the accountant's examination of
12 the financial statements of an insurer. Workpapers,
13 accordingly, may include audit planning documentation, work
14 programs, analyses, memoranda, letters of confirmation and
15 representation, abstracts of company documents, and schedules or
16 commentaries prepared or obtained by the independent certified
17 public accountant in the course of the accountant's examination
18 of the financial statements of an insurer and that support the
19 accountant's opinion.

20 (b) Every insurer required to file an audited financial
21 report pursuant to this part shall require the accountant to
22 make available for review by the commissioner and insurance

1 division examiners, all workpapers prepared in the conduct of
2 the accountant's examination and any communications related to
3 the audit between the accountant and the insurer, at the place
4 designated by the commissioner. The insurer shall require that
5 the accountant retain the audit workpapers and communications
6 until the insurance division has filed a report on examination
7 covering the period of the audit but, in any event, no longer
8 than seven years from the date of the audit report.

9 (c) In the conduct of the periodic review by the
10 commissioner and the insurance division examiners as prescribed
11 by subsection (b), it shall be agreed that photocopies of
12 pertinent audit workpapers may be made and retained by the
13 commissioner and the insurance division. Reviews by the
14 insurance division examiners shall be considered investigations
15 and all workpapers and communications obtained during the course
16 of the investigations shall be afforded the same confidentiality
17 as other examination workpapers pursuant to section 431:2-305.

18 **§431:3-M Exemptions and effective dates.** (a) Upon
19 written application by any insurer, the commissioner may grant
20 an exemption from compliance with this part if the commissioner
21 finds, upon review of the application, that compliance with this
22 part would constitute a financial or organizational hardship

1 upon the insurer. An exemption may be granted at a time as
2 determined by the commissioner. Within ten days from the
3 commissioner's denial of an insurer's written request for
4 exemption from this part, the insurer may request in writing a
5 hearing on its application for an exemption. The hearing shall
6 be held in accordance with chapter 91.

7 (b) Domestic insurers shall comply with this part for the
8 year ending December 31, 2006, and each year thereafter unless
9 the commissioner permits otherwise."

10 SECTION 2. Chapter 431, Hawaii Revised Statutes, is
11 amended by adding to part II of article 10 a new section to be
12 appropriately designated and to read as follows:

13 "§431:10- Commercial general liability extended
14 reporting requirements. (a) Any policy for commercial general
15 liability coverage wherein the insurer shall offer and the
16 insured may elect to purchase an extended reporting period for
17 claims arising during the expiring policy period shall provide
18 that:

19 (1) In the event of a cancellation, there shall be a
20 thirty-day period during which the insured may elect
21 to purchase coverage for the extended reporting
22 period;

1 (2) The limit of liability in the policy aggregate for the
2 extended reporting period shall be one hundred per
3 cent of the expiring policy aggregate; and

4 (3) The insurer shall provide the following loss
5 information to the first named insured within thirty
6 days of the insured's request or upon any notice of
7 cancellation or nonrenewal:

16 and amount of resources, if any."

17 SECTION 3. Section 431:2-301.8, Hawaii Revised Statutes,
18 is amended by amending subsection (a) to read as follows:

19 "(a) No cause of action shall arise nor shall any
20 liability be imposed against any examiner appointed or otherwise
21 designated as an examiner by the commissioner for any statements

1 made or conduct performed in good faith while carrying out the
2 provisions of the insurance code."

3 SECTION 4. Section 431:2-306, Hawaii Revised Statutes, is
4 amended by amending subsection (c) to read as follows:

5 "(c) The commissioner may assess all examination costs of

7 1. By amending subsection (a) to read:

8 "(a) No person, firm, association, or corporation shall
9 act as a reinsurance intermediary-broker in this State if the
10 reinsurance intermediary-broker maintains an office either
11 directly or as a member or employee of a firm or association or
12 as an officer, director, or employee of a corporation:

13 (1) In this State, unless the reinsurance intermediary-
14 broker is a licensed [~~agent~~] producer in this State;
15 or

16 (2) In another state, unless the reinsurance intermediary-
17 broker is a licensed [~~agent~~] producer in this State or
18 another state having a law substantially similar to

22 2. By amending subsection (c) to read:

1 At the time of application for licensure and each renewal, each
2 reinsurance intermediary-manager shall provide the commissioner

14 SECTION 9. Section 431:10A-106, Hawaii Revised Statutes,
15 is amended to read as follows:

16 "**§431:10A-106 Optional provisions.** Except as provided in
17 section 431:10A-107, no policy of accident and health or

19 person in this State shall contain the provisions set forth
20 below unless the provisions are in the words in which they
21 appear below; provided that the insurer may substitute
22 corresponding provisions of different wording approved by the

1 commissioner that are in each instance not less favorable in any
2 respect to the insured or the beneficiary. Such provisions are
3 optional provisions. Any such provision contained in the policy
4 shall be preceded individually by the specified caption or, at
5 the option of the insurer, by such appropriate individual or
6 group captions or subcaptions as the commissioner may approve.
7 The provisions are as follows:

8 (1) "Change of Occupation: If the insured is injured or
9 contracts sickness after having changed occupations to
10 one classified by the insurer as more hazardous than
11 that stated in this policy or while doing for
12 compensation anything pertaining to an occupation so
13 classified, the insurer will pay only such portion of
14 the indemnities provided in this policy as the premium
15 paid would have purchased at the rates and within the
16 limits fixed by the insurer for the more hazardous
17 occupation. If the insured's occupation changes to
18 one classified by the insurer as less hazardous than
19 that stated in this policy, the insurer, upon receipt
20 of proof of such change of occupation, will reduce the
21 premium rate accordingly, and will return the excess
22 pro rata unearned premium from the date of change of

1 occupation or from the policy anniversary date
2 immediately preceding receipt of such proof, whichever
