## A BILL FOR AN ACT

RELATING TO STATE PLANNING.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. During the 2005 Special Session, the  
2 legislature adopted Act 8, which created the Hawaii 2050  
3 sustainability task force (task force) to review the Hawaii  
4 state plan and the State's planning process, and required the  
5 office of the auditor to prepare the Hawaii 2050 Sustainability  
6 Plan.

7           Once all of the members of the task force were appointed,  
8 the task force held several meeting during the fall of 2005.  
9 The objectives of these meetings were to address and meet the  
10 requirements of Act 8 and to develop and approve a process to  
11 create the Hawaii 2050 Sustainability Plan. Based on these  
12 objectives, the task force submitted a report to the legislature  
13 outlining the process for creating the plan and making  
14 additional recommendations.

15           In its recommendations, the task force noted that after  
16 reviewing the magnitude of creating the sustainability plan,  
17 more time is required to perform necessary research and  
18 community outreach. The purpose of this Act is to extend:

- 1           (1) The task force's deadline for completing the Hawaii

10 objectives, policies, and priority guidelines using sections  
11 226-3 to 226-27, Hawaii Revised Statutes, as guiding principles.  
12 The auditor shall seek input from all state departments. The  
13 auditor shall also solicit public views and concerns in  
14 preparation of the plan and shall incorporate all or a portion  
15 of the recommendations reported by the Hawaii 2050 task force.

16           The plan shall serve as a guideline for funding and  
17 implementation by state and county agencies. The office of  
18 planning shall assist the auditor in reviewing the plan.

19           (b) The auditor shall submit the sustainability plan to  
20 the legislature no later than twenty days before the convening  
21 of the regular session of [~~2007-~~] 2008.

1 (c) The auditor, with the assistance of the office of  
2 planning, shall update the plan every ten years and report to
