
A BILL FOR AN ACT

RELATING TO SUSTAINABILITY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. During the 2005 Special Session, the
2 legislature adopted Act 8, Session Laws of Hawaii, Special
3 Session of 2005, which created the Hawaii 2050 sustainability
4 task force (task force) to review the Hawaii state plan and the
5 State's planning process and required the office of the auditor
6 to prepare the Hawaii 2050 Sustainability Plan.

7 Once all of the members of the task force were appointed,
8 the task force held several meetings during the fall of 2005.
9 The objectives of these meetings were to:

- 10 (1) Address and meet the requirements of Act 8; and
11 (2) Develop and approve a process to create the Hawaii
12 2050 Sustainability Plan.

13 Based on these objectives, the task force submitted a
14 report to the legislature outlining the process for creating the
15 plan and making additional recommendations.

16 In its recommendations, the task force noted that, after
17 reviewing the magnitude of the task of creating the

1 sustainability plan, it needed more time to perform necessary
2 research and community outreach.

3 The purpose of this Act is to appropriate money to fund the
4 task force, including funds for the current fiscal year.

5 SECTION 2. There is appropriated out of the general
6 revenues of the State of Hawaii the sum of \$ or so much
7 thereof as may be necessary for fiscal year 2006-2007 to provide
8 additional funding for the Hawaii 2050 sustainability task force
9 to:

- 10 (1) Conduct valuable policy analyses;
- 11 (2) Gather vital research and data;
- 12 (3) Conduct and solicit broad community outreach and input
13 from all sectors;
- 14 (4) Launch an effective public education and media
15 campaign to educate, engage, and inspire community
16 participation; and
- 17 (5) Make a comprehensive assessment of the feasibility and
18 benefits of establishing "Hawaii" as a brand name with
19 values that will support diverse products and services
20 other than tourism in the United States and foreign
21 markets.

1 The sum appropriated shall be expended by the office of the
2 auditor for the purposes of this Act.

3 SECTION 3. This Act shall take effect on July 1, 2006.

HB 2806
HD1

Report Title:

Hawaii 2050 Sustainability Task Force; Appropriation

Description:

Appropriates money for the Hawaii 2050 Sustainability Task Force to continue their efforts. (HB2806 HD1)
