
A BILL FOR AN ACT

RELATING TO KAWAI NUI MARSH.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Kawai Nui Marsh, encompassing approximately
2 eight hundred thirty acres of land in Kailua, Oahu, is the
3 State's largest remaining wetland and an ecological treasure.
4 It has been identified by the United States Fish and Wildlife
5 Service as a primary habitat for endemic and endangered native
6 Hawaiian birds. Last year, the Ramsar Convention on Wetlands
7 designated Kawai Nui Marsh a wetland of international
8 importance.

9 Act 314, Session Laws of Hawaii 1990, directed the transfer
10 of that certain parcel bearing tax map key number 4-2-16:1 to
11 the State that is owned by the city and county of Honolulu and
12 encompasses the bulk of Kawai Nui Marsh. Both the city and
13 county of Honolulu and the State own other parcels that are part
14 of the wetlands ecosystem of Kawai Nui Marsh.

15 Since Act 314 was passed, the State and city and county of
16 Honolulu have disputed their respective management
17 responsibilities of Kawai Nui Marsh. This dispute has delayed
18 restoration and rehabilitation of the marsh to the point where

1 the continued health of the marsh to support its native wildlife
2 population is in crisis. It is in the public interest that the
3 State immediately take over primary responsibility for the
4 economic, ecological, and cultural resources of Kawai Nui Marsh
5 to preserve the marsh in perpetuity for Hawaii's residents.
6 Federal funding is available to the State to carry out this
7 responsibility and the funding opportunities could be lost if
8 the dispute between the State and city and county of Honolulu is
9 not resolved.

10 The purpose of this Act is to transfer from the city and
11 county of Honolulu to the State tax map key parcel number 4-2-
12 16:1 effective September 1, 2006, and to transfer an additional
13 parcel of Kawai Nui Marsh to enable the State to meet its
14 responsibilities to preserve this important wetland.

15 SECTION 2. Act 314, Session Laws of Hawaii 1990, as
16 amended by Act 47, Session Laws of Hawaii 1998, is amended by
17 amending section 1 to read as follows:

18 "SECTION 1. The estate, right, title, and interest, and
19 any appurtenance thereto, of the city and county of Honolulu

22 ~~and maintenance of Kawanui Marsh and allow the city and county~~

2 ~~proposed undertaking.]”~~

3 SECTION 3. The estate, right, title, and interest, and any
4 appurtenance thereto, of the city and county of Honolulu
5 relating to Kawai Nui Marsh, tax map key no. 4-2-13:22, shall be
6 vested in the State in fee simple.

7 SECTION 4. Nothing in this Act prohibits the State and
8 city and county of Honolulu from entering into an agreement for
9 maintenance or operations of any part of Kawai Nui Marsh.
10 Nothing in this Act requires the State to maintain any flood
11 control program relating to Kawai Nui Marsh.

12 SECTION 5. In the event that a dispute arises between the
13 State and the city and county of Honolulu over the transfer of
14 the parcels identified in sections 2 and 3 of this Act, the
15 State shall have an easement in perpetuity over those parcels
16 for the purpose of permitting the department of land and natural
17 resources to manage the economic, ecological, and cultural
18 resources of Kawai Nui Marsh, including any restoration and
19 rehabilitation program.

20 SECTION 6. All land transfers shall be completed no later
21 than September 1, 2006.

1 SECTION 7. There is appropriated out of the general
2 revenues of the State of Hawaii the sum of \$1 or so much thereof
3 as may be necessary for fiscal year 2006-2007 for payment to the
4 city and county of Honolulu for maintenance and operations of a
5 portion of the Kawai Nui Marsh as agreed upon by the parties.

6 The sum appropriated shall be expended by the department of
7 land and natural resources for the purposes of this Act.

8 SECTION 8. If any provision of this Act, or the
9 application thereof to any person or circumstance is held
10 invalid, the invalidity does not affect other provisions or
11 applications of the Act, which can be given effect without the
12 invalid provision or application, and to this end the provisions
13 of this Act are severable.

14 SECTION 9. Statutory material to be repealed is bracketed
15 and stricken. New statutory material is underscored.

16 SECTION 10. This Act shall take effect upon its approval;
17 provided that section 7 shall take effect on July 1, 2006.
