
HOUSE CONCURRENT RESOLUTION

RELATING TO MCKINLEY HIGH SCHOOL PHYSICAL EDUCATION AND ATHLETIC FACILITIES.

1 WHEREAS, for many years, the former site of Kapiolani
2 Community College at the intersection of Kapiolani Boulevard and
3 Pensacola Street has been vacant or, at other times,
4 underutilized as a baseyard for nearby capital improvement
5 projects; and

6
7 WHEREAS, the site is under the control of the Department of
8 Education and is adjacent to McKinley High School; and

9
10 WHEREAS, McKinley High School is in dire need of expanded
11 facilities for its physical education and athletic programs; and

12
13 WHEREAS, the design-build process of structural
14 development, wherein one party designs and builds a structure
15 while making cost-saving modification in the process of
16 construction, may allow for a more expedient and efficient
17 method of construction; and

18
19 WHEREAS, the design-build process may get McKinley High
20 School the needed facilities much quicker and at less cost than
21 traditional methods of construction; now, therefore,

22
23 BE IT RESOLVED by the House of Representatives of the
24 Twenty-third Legislature of the State of Hawaii, Regular Session
25 of 2006, the Senate concurring, that the Department of Education
26 is requested to consider the design and construction of physical
27 education and athletic facilities at the site of the former
28 Kapiolani Community College for McKinley High School, utilizing
29 the design-build process; and

30
31 BE IT FURTHER RESOLVED that the Department of Education is
32 requested to report its findings to the Legislature not less

1 than twenty days prior to the convening of the Regular Session
2 of 2007; and

3
4 BE IT FURTHER RESOLVED that in producing the report, the
5 Department of Education is requested to include but not be
6 limited to:

- 7
8 (1) A conceptual design for the proposed facilities;
9
10 (2) An analysis of the availability of and need for
11 improvements to the infrastructure necessary to
12 support the proposed facilities;
13
14 (3) An analysis of the feasibility of using the design-
15 build process for the proposed facilities;
16
17 (4) An estimated time-line for the design and construction
18 of the proposed facilities; and
19
20 (5) An estimated cost for the design and construction of
21 the proposed facilities utilizing the design-build
22 process;

23
24 BE IT FURTHER RESOLVED that certified copies of this
25 Concurrent Resolution be transmitted to the Chairperson of the
26 Board of Education, the Superintendent of Education, and the
27 Principal of McKinley High School.
