AT THE UNIVERSITY OF HAWAII.

1 WHEREAS, the National Historic Preservation Act of 1966
2 states "the historical and cultural foundations of the Nation
3 should be preserved as a living part of our community life and

11 all levels of government to promote the use and conservation of
12 such property for the education, inspiration, pleasure, and
13 enrichment of its citizens"; and
14

15 WHEREAS, Hawaii has a unique and spectacular history found
16 nowhere else in the world that should be preserved and shared
17 for current and future generations and with the millions of
18 individuals who visit the state each year; and
19

20 WHEREAS, historic preservation is a dynamic field that
