**Senate President  
and Members of the Senate**  
State Office Tower  
235 South Beretania Street  
Honolulu, HI 96813

Honorable Senate President and Senators:

**Subject: Department of Water, County of Kauai's Proposed State CIP Projects  
Request for State Aid for the Island of Kauai for the 2006 Legislature**

Best wishes on a happy holiday season. For your information and careful consideration, we are submitting **35 copies** of the County of Kauai, Department of Water's proposed CIP projects request for State aid for the 2006 Legislative Session.

We included in our proposed CIP a request for projects in the areas that will benefit State facilities, specifically for fire protection for public schools at the Kilauea, Hanalei and Waimea Canyon Schools, along with Kapa'a High School and Mahelona State Hospital. In addition, this year we also included a request to improve the storage for the Kapa'a area in order to assist the island with the construction of affordable housing.

I humbly ask your help in obtaining funding for these projects. If you have any questions, please call me at (808) 245-5408, fax me at (808) 246-8628 or email me at [etschupp@kauaiwater.org](mailto:etschupp@kauaiwater.org).

Sincerely,

A handwritten signature in black ink that reads "Edward Tschupp".

Edward Tschupp  
Manager and Chief Engineer
