# A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR DONATED DENTAL SERVICES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. The legislature finds that the donated dental  
2 services program began as a pilot project in Colorado in 1985  
3 and has since become operational in thirty-four states,  
4 including Hawaii, through the National Foundation for Dentistry  
5 for the Handicapped. This foundation is a charitable affiliate  
6 of the American Dental Association. The donated dental services  
7 program links eligible individuals who are elderly or disabled  
8 with volunteer dentists who provide needed dental care services.

9       The legislature further finds that the Hawaii program began  
10 in January 2002, and is administered by the department of  
11 health, through the state council on developmental disabilities.  
12 Since the program started, eighty-seven individuals received  
13 completed dental care services with a total value of treatment  
14 of \$230,045. The program involves sixty-one volunteer dentists  
15 and nineteen volunteer dental laboratories.

16       In an effort to address and support the dental care needs  
17 of elderly or disabled people in Hawaii, the legislature  
18 appropriated \$83,320 to the program for fiscal year 2001-2002

1 and fiscal year 2002-2003. An appropriation of \$30,765 was made  
2 by the legislature for fiscal year 2004-2005.

3 The donated dental services program has been extremely  
4 successful due to the legislature's continuous support through  
5 appropriations since its inception. Without additional  
6 financial support, the donated dental services program in Hawaii  
7 will end.

8 The purpose of this Act is to appropriate funds to continue  
9 implementation of the donated dental services program in Hawaii.

10 SECTION 2. There is appropriated out of the general  
11 revenues of the State of Hawaii the sum of \$ or so much  
12 thereof as may be necessary for fiscal year 2006-2007 for the  
13 donated dental services program in Hawaii.

14 The sum appropriated shall be expended by the department of  
15 health for the purposes of this Act.

16 SECTION 3. This Act shall take effect on July 1, 2020.
